Steven Avery, being first duly sworn upon an oath, states as follows:

1. I am an adult resident of the State of Wisconsin whose mailing address is 12930 Avery Road, Two Rivers WI 54241.
2. On September 10, 2003, I was ordered released from prison after serving nearly eighteen years for a crime I did not commit.
3. My release from prison was secured through the efforts of The Wisconsin Innocence Project, whose lead lawyer was University of Wisconsin Law Professor Keith Findley.
4. After my release, I sought the services of a lawyer to help me obtain compensation for my wrongful imprisonment.
5. I obtained information regarding assistance from a variety of sources including recommendations from lawyers.
6. Atty. Findley said he would help me find a good lawyer and suggested I consider Atty. Walt Kelly of Milwaukee, Wisconsin. With my consent, Atty. Findley set up a meeting for me in Madison at his offices with Atty. Kelly for 12:00 noon on Thursday October 30, 2003.
7. Atty. Tracey Wood of the firm of Van Wagner & Wood, to whom I had been referred by a relative who conducted an internet search, recommended I consult Atty. Robert Gingras of the Madison, WI firm of Gingras, Cates & Luebke, S.C.

8. While in Madison, I met with Mr. Gingras and his colleague, Paul A. Kinne in the morning on October 30, 2003.
9. My father, Allan K. Avery and my mother, Dolores A. Avery were with me when I met with Attys. Gingras and Kinne. The meeting started at approximately 11:00 AM and lasted less than one half hour.
10. During this meeting I signed the "Contingent Fee Agreement" with the law firm of Gingras, Cates & Luebke, S.C., which is attached to this affidavit and labeled as Exhibit A.
11. Before I signed the agreement, I told attorneys Gingras and Kinne that I had an appointment at 12:00 noon to meet with Mr. Findley and a lawyer Mr. Findley was recommending I hire for my case.
12. When I said this to Atty. Gingras, he replied with words to the effect "It's fine if you decide to hire someone else. Just phone me"
13. Atty. Gingras said this to me both before and after I signed the "Contingent Fee Agreement".
14. My mother and father were present when Atty. Gingras made these statements.
15. I took Atty. Gingras' statement to mean that he would not hold me to the agreement he had asked me to sign if I decided to hire the lawyer I was scheduled to meet with when I left his office. I believed that signing the agreement before meeting with Mr. Findley and Mr. Kelly was simply a way to avoid returning to Mr. Gingras' offices to sign the agreement in the event I decided to hire him after meeting with Mr. Findley and Mr. Kelly.

16. I understood from Mr. Gingras' statement that I had the right to cancel the agreement by advising him that I wished to do so by phone. I relied on this belief in signing the agreement with his firm.
17. I told Mr. Gingras that I would let him know about my decision after meeting with Mr. Findley and the lawyer to whom Mr. Findley was going to introduce me.
18. When I left Mr. Gingras' office I met with Atty. Findley and Atty. Kelly at the UW Law School.
19. Mr. Findley told me that Atty. Kelly was one of the best civil rights lawyers in Wisconsin. I have great respect for Mr. Findley and have confidence in his advice. I liked Mr. Kelly. After meeting with Mr. Kelly I thought he would be best attorney for my case and decided to hire him.
20. During my meeting with Attys. Findley and Kelly I did not mention that I had signed an agreement with Atty. Gingras' firm.
21. Within a few days after October 30, 2003 I had a phone conversation with Atty. Gingras. I do not remember which of us initiated the call. I told Mr. Gingras that I had decided to hire the lawyer who had been recommended to me by Atty. Findley. Mr. Gingras tried to convince me to change my mind and hire him.
22. I believe I placed another call to Mr. Gingras during which I left a message on his recording machine to the effect: "I have decided to go with Mr. Kelly. I don't need you."
23. With my consent, Mr. Kelly has associated Atty. Stephen M. Glynn of the Milwaukee firm of Glynn Fitzgerald & Albee, S.C. to assist with my case. Mr. Glynn helped me with my case while I was incarcerated. I know and respect Mr. Glynn and approve of

his involvement in my matter upon the terms agreed to between Attys. Kelly and Glynn.

24. I wish to have Attys. Kelly and Glynn represent me. I do not wish to be represented by Atty. Gingras and his firm.

I make this affidavit in support of an effort to clarify who represents me in my matters. I have reviewed its contents with the help of Professor Findley.

Re: Steven Avery
Our File No.: 5781

Dear Tracey:

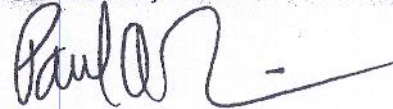

Bob Gingras and I met with Steve Avery on October 30, 2003. I mentioned to him that you might also be taking part in his representation with respect to any civil rights claims he might have arising out of his wrongful conviction. He said that would be absolutely fine.

The next question is, then, do you wish to be involved? Please give me a call at your earliest convenience so we can discuss it further.

Thank you.

Very truly yours,

GINGRAS, CATES & LUEBKE, S.C.
