DEFENDANT'S MOTION TO SEAL EXHIBIT

Defendant, Steven Avery, by his undersigned attorney, respectfully moves to seal an exhibit under seal pursuant to Wis. Stat. § 801.21. In support thereof, Mr. Avery states as follows:

1. As this Court is aware, prior to remand, Mr. Avery filed a motion to supplement the appellate record with a CD disclosed by the State to Mr. Avery for the first time on April 17, 2018.

2. The CD includes images found on the computer seized from Bobby Dassey's bedroom during the investigation into Theresa Halbach's murder.

3. The images consist of, *inter alia*, violent pornography, pornography involving individuals who appear to be younger than 18 years old, and other disturbing images of violence.

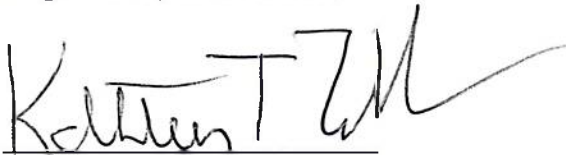

4. Pursuant to the appellate court's order, Mr. Avery will be filing a supplemental postconviction motion referencing the images and data from the CD as an exhibit, bates numbers AverySupp0001-2449.

5. Because the exhibit contains sensitive images as described herein, Mr. Avery submits that it would be appropriate for this Court to maintain the exhibit under seal.

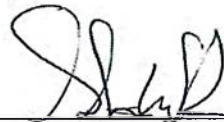

6. In further support of this motion, Mr. Avery notes that on May 23, 2018, the Court of Appeals *sua sponte* ordered that the CD be placed under seal.

Wherefore, for the reasons stated herein, Mr. Avery respectfully requests that this Court seal the exhibit to Mr. Avery's supplemental postconviction petition consisting of the images and data from the CD (AverySupp0001-2449) under seal.

Respectfully submitted,
