Re: State of Wisconsin v. Steven A. Avery
Case No. 2005CF381

Dear Judge Lambrecht:

We are in receipt of the March 22, 2024 letter of Mr. Norm Gahn, Special Prosecutor. Unfortunately, Mr. Gahn failed to note that four days prior to his letter to Your Honor, on March 18, 2024, Mr. Avery's counsel filed with the Appellate Court a Motion to Stay Appeal Pending Disposition of Mr. Avery's the Amended Second Motion for Scientific testing. The motion requests the record be remanded to the circuit court if the appellate court grants the stay. The motion is attached for this Court's review. Once the appellate court decides the motion, this Court's jurisdiction over Mr. Avery's Amended Second Motion for Postconviction Scientific testing will be clear. If the motion to stay and remand is granted, this Court has jurisdiction to proceed with a decision on Mr. Avery's Amended Second Motion for Scientific Testing. If the motion to stay and remand is denied, Mr. Avery will file a motion with this Court to stay the scientific testing motion pending the outcome of his current appeal.

Respectfully submitted,

KATHLEEN T. ZELLNER
