AFFIDAVIT OF WILMER W. SIEBERT

Now comes your affiant, Wilmer W. Siebert, and under oath hereby states as follows:

1. My date of birth is 12/7/1935.
2. I am of legal majority and can truthfully and competently testify to the matters contained herein based upon my personal knowledge. The factual statements herein are true and correct to the best of my knowledge, information, and belief. I am of sound mind and I have not ingested any alcohol that would impair my memory of the facts stated in this affidavit.
3. I reside at 12408 Jambo Creek Road, Two Rivers, Wisconsin. I lived at this address in October and November 2005. My house is located immediately north of the east entrance to the Fred Radandt Sons, Inc. gravel pit.
4. On November 4, 2005, I became aware through news media that Teresa Halbach was missing and that one of her last stops was at Avery's Auto Salvage. From the media coverage, I learned that Teresa Halbach drove a 1999 Toyota RAV-4, blue-green in color.

I am aware that Teresa Halbach's vehicle was found in the Avery salvage yard on November 5, 2005.

5. Sometime before Teresa Halbach's vehicle was discovered, I saw a similar vehicle — matching in color, style, and size — drive into the Fred Radandt Sons, Inc. gravel pit on the access road that is just south of my house. I remember this vehicle had the same spare wheel and cover on the rear cargo door as Ms. Halbach's RAV-4.
6. I saw a white Jeep closely follow the other vehicle down the access road into the gravel pits. The Jeep looked like an older model and had paint chipping off of the hood.
7. A short time after the two vehicles entered the gravel pits, the Jeep exited the gravel pits, again using the access road just south of my house.
8. Nothing has been promised or given to me in exchange for this affidavit.
