**Re: State of Wisconsin vs. Steven A. Avery  
Case No. 05-CF-381**

Dear Attorneys Strang and Buting:

Enclosed please find the State's list of lay and expert witnesses, that the State intends to call in our case in chief. I should note that some "lay" witnesses may provide evidence requiring some degree of expertise, although I would not consider them typical "expert witnesses".

My victim/witness coordinator, Julie Leverenz, is attempting to compile for you a complete list of addresses for these witnesses, so that you need not pour through the voluminous reports to extract same. She hopes to have that list completed sometime next week, at which time it will be provided.

This list complies with the Court's scheduling order regarding exchange of witness lists. I should note that as of this afternoon, we have received no reciprocal list from the defense; I assume that is forthcoming.

I am faxing this document, so that you may have it this afternoon, and a "hard copy" will be sent via U.S. Mail.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Kratz". The signature is fluid and cursive, with the first letter of each name being capitalized and prominent.
