Supporting Documents And Exhibits Enclosed

Attorney Thomas Aquino Via a conference call (the court) on June 22, 2015 Exhibit A Enclosed hired a investigator [which] was solely for the purposes of Avery's complaint of prosecutorial misconduct only while in the Calumet County Jail] And only in the County Jail in regards to the Complaint that Cameras were trained on Both Avery and Attorney when Attorney wanted to confer with client Avery in the county Jail.

Averys Attorney was ineffective for allowing investigator to investigate irrelevant and immaterial "FACTS" with NO defensive value in court.

These abuses include Steven Avery, while in custody at the Calumet Jail. Although these were just allegations, Avery Brought this to the attention of Judge Angela W. Sutkiewicz, who thought Enough of the Allegations to allow a limited investigation at the Calumet County Jail; Exhibits B Pages 1 and 2 are itemized Bills Page 1 and 2.

The Attorney Aquino and the investigator side stepped all the issue's Complained By Avery to Judge Hon. Angela W. Sutkiewicz see Exhibits C Pages 1 and 2 Enclosed dated Jan. 31 st 2015. Avery stressed Emphatically to first contact the No Longer Employed Employees who had worked at time of the allegations at the Calumet County Jail [staff]. No EX Employee's were ever interviewed why not? All these were unnecessary expeditures further: Exhibit D dated Jan. 31 st, 2014.

All that was needed to track these People down would be their Social Security Numbers this isnt Rocket Science Cooking the Books? 8 (Eight) People no longer Employed Could not be found? Even if these people were on welfare they could very well have been found or through the D.O.T. since it is mandatory for Wisconsin citizens to put a change of address once you move to a NEW Home. on your Drivers License Mandatory.

A Circuit Court Letter From Judge Angela W. Sutkiewicz, dated June 26, 2015. This letter from circuit court Judge was sent too: Norm Gahn, Special Prosecutor? Thomas Fallon, Special Prosecutor ? Steven Avery, And Especially the Manitowoc County Clerk of Courts Exhibit D state's form Judge Angela W. Sutkiewicz There may be a need for a hearing on the Reimbursement of the Fees however that will be determined at a Later date Exhibit D Enclosed dated June 26, 2015 that day has come.

NOTE:

Exhibits C Page 1 and 2 were given to Thomas Aquino who ignored numerous inquiries about the No Longer Employed Employees to be investigated, these could have very well have Beenwhistle Blowers as defined By the Federal Government.

Avery Also has Just found letter dated Aug.12, 2015. to Hon. Angela W. Sutkiewicz, is Deceptive no one was investigated whom was either Fired or Quit. Why? This was selective No extensive investigation was conducted in Communications with Ex Staff members this was a total waste of the courts time. Avery wanted Aquino to Concentrate on Exhibits C of 2 Pages not frivolous, meaningless investigations.

Relief Sought

As Per Judge Angela W. Sutkiewicz, There may be a need for a Hearing on the Reimbursement of the fees that will be determined at a later date that day has come. \$ 814.035 Costs upon counter claims and cross Complaints as Per these 6 Pages the Attorney Thomas Aquino, gave the investigator unnecessary, irrelevant, and immaterial tasks to investigate Contrary to what Judge Angela W. Suskiewicz, Ordered Thomas Aquino, to investigate. The investigator found nothing Because he did not investigate of Course Nothing could be found then .

Avery has been informed that all EMAILS From all Dept. of Justice Computers Hard Drives are Secured (Location) ware housed for only so many years can a Protection Order come forth from this Court in Preserving D.O.J. Hard drives of all intrested Parties in Avery case?

Avery also wants stated, Since these allegations were from within the Calumet jail why was there not any mention of Emails Generated within the jail Computers?

FYI

There are 2 separate itemized statements from Aquino 6-24-2015 and 09-2-2015 Avery suspects more discrepancies in these itemized Bills, a hearing is necessary to determine there Legitimate or accurate, See exhibit B dated. 09-02-2015 4 Pages of B Enclosed Also no mileage from investigator, See Exhibit F dated 08-06-2015.

These Counter claims fall under § 814.035. or per the Hon. Angela W. Sutkiewicz, Letter dated June 26-2015 Enclosed. Any other Appropriate Relief such as a stay and abayance of state stat ch 973 Petition and order for payment of Court Appointed Counsel Fees by Steven Avery case no. 2005-CF-381 and on Avery § 974.06 Post Conviction Motion
