Laboratory Case #: M05-2467

Agency # 05-0157-955

Field Response Team Members, John Ertl, Guang Zhang,  
Charles Cates  
have been assigned to assist your agency in this investigation.

Under Wisconsin Statutes 165.75 (3)(b), Laboratory personnel are not peace officers and have no power of arrest, or are they to serve or execute criminal process, nor can they be appointed as deputy sheriffs, nor can they be clothed with any police powers. It is therefore the responsibility of your agency to provide scene security.

We will provide technical assistance in locating, documenting and collecting physical evidence. The requesting agency is solely responsible for the complete investigation. All information, evidence and reports on this case are considered confidential by statute. The Crime Laboratory will not notify victims or family members with any information. Any requests for information will be referred to your agency.

We request you to assign a member of your staff, who is familiar with and directly involved in this investigation, to assist our Laboratory Team. It is hoped our joint efforts in this matter will lead to a successful conclusion.

Sincerely,

Jerome A. Geurts  
Director  
Crime Laboratory-Madison
