Latent finger and palm prints suitable for identification, were previously observed and developed on the following items:

- Item A - one 1998 blue "Toyota RAV4" four door
V.I.N. JT3HP10V5X7113044
- Item A17 - one "Sunbelt" crunchy granola bar wrapper
- Item A19 - one bottle of "Aquafina" water
- Item A20 - one black plastic CD carrying case
- Item A22 - one partially full bottle of "Aquafina" water

These latent prints were examined and compared to standard inked finger and palm print cards bearing the name of the following individual:

Item EL - "Brendan Ray Dassey"

No identifications were effected.

Photographs of the latent prints will be retained on file pending any further comparisons you may request.

It is recommended that better quality palm print standards be submitted, so that a complete and accurate examination can be conducted.
