TYPE OF ACTIVITY: Interview of Faye Fritsch

DATE OF ACTIVITY: 08/30/17

REPORTING OFFICER: Special Inv. John Dederling

On Wednesday, 08/30/17, at 1035 hours, I (Special Investigator JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) interviewed FAYE FRITSCH at an address located in Green Bay, Wisconsin, reference to the swabs collected during the execution of a DNA Search Warrant that occurred at AURORA MEDICAL CENTER located at 5000 Memorial Drive, Two Rivers, Wisconsin, 54241. FRITSCH identified herself via her Wisconsin Driver License.

The purpose of my interview with FRITSCH was to determine what FRITSCH could recall regarding swabs that were taken from STEVEN AVERY during the DNA Search Warrant executed in 2005. I offered FRITSCH the opportunity to review the portion of the WISCONSIN DEPARTMENT OF CRIMINAL INVESTIGATIONS report and she stated she would like to withhold from reviewing the report until after she had answered my questions.

FRITSCH recalled STEVEN AVERY as being "dirty" and "unkempt" with "car stuff" on him. FRITSCH recalled STEVEN having a large deep cut on one of his fingers. FRITSCH indicated that she did not recall being briefed as to what swabs to take and relied on her training as a SANE Nurse to swab areas on the body where saliva may be present.

FRITSCH stated after she obtained the groin swabs, she was told not to collect those swabs. FRITSCH advised that she did not recall who told her this, but indicated it was one of the two officers that were in the examination room at the time. It should be noted, the officers present in the room during the examination of STEVEN AVERY were Lt. MARK WIEGERT of the CALUMET COUNTY SHERIFF'S DEPARTMENT and TOM FASSBENDER (retired).

FRITSCH stated she deposited the groin swab into a sharps container. FRITSCH stated she did not wish to leave the unsealed examination kit out of her physical sight and indicated that was the only secure place she could think of to deposit the groin swabs. FRITSCH stated she did not wish to place the swabs in the trash, due to the fact that anyone would have had access to them.

FRITSCH advised that Dr. LAURA VOGEL-SCHWARTZ had scribed for her during the examination and DNA Search Warrant.

I asked FRITSCH, specifically, whether she had given the groin swabs of STEVEN AVERY to either Lt. MARK WIEGERT or TOM FASSBENDER. FRITSCH stated she did not turn the groin swabs over to either Lt. WIEGERT or FASSBENDER. FRITSCH indicated that all swabs

in an examination kit need to be accounted for. FRITSCH indicated that had she been doing the scribing, she would have noted the reason for the groin swabs being missing.

FRITSCH stated that when the examination was complete, she sealed the SANE kit and turned it over to one of the officers, whom she believed was TOM FASSBENDER.

At 1055 hours, FRITSCH reviewed the WISCONSIN DEPARTMENT OF CRIMINAL INVESTIGATIONS report and stated that the report was fair and accurate.

I further questioned FRITSCH about the sharps container. FRITSCH stated the sharps containers come in two pieces that snap together in a fashion where they cannot be taken apart. FRITSCH stated once they are assembled, the container goes into a locked cabinet. FRITSCH stated in a normal course of business, a key for the locked sharps container would need to be retrieved from the housekeeping staff. FRITSCH indicated the locked cabinet is attached to the wall. FRITSCH stated she would have noticed any damage to the locked cabinet or the sharps container if it had been tampered with.

I, specifically, asked FRITSCH if Lt. MARK WIEGERT or TOM FASSBENDER asked her to turn over the groin swabs to them and she stated that did not occur.

At 1115 hours, my interview with FRITSCH concluded.

On Tuesday, 09/05/17, I (Special Inv. TYPE OF ACTIVITY: Telephone Interview of Thomas Pearce

DATE OF ACTIVITY: 09/07/17

REPORTING OFFICER: Special Inv. John Dederling

On Thursday, 09/07/17 at 1035 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) made phone contact with THOMAS E. PEARCE, DOB 10/05/48, regarding this matter. I specifically asked PEARCE about any damage to the left front area of TERESA HALBACH's RAV4 and whether he could recall TERESA having a key that would remotely unlock the doors to the RAV4.

THOMAS indicated he does not believe he and TERESA ever discussed the broken or missing directional. THOMAS indicated he did not recall anything about the key fob, other than it was on a long cord. THOMAS thought that the key was on the long cord for as long as TERESA owned the vehicle.

I asked THOMAS who he was referring to in his Affidavit when he mentioned the fact that TERESA had been in an abusive relationship in college. THOMAS indicated that he was not sure, but thought perhaps RYAN HILLEGAS was the individual mentioned in the Affidavit. THOMAS stated TERESA had once made reference to the fact that RYAN had been abusive, but he could not tell me whether TERESA had made reference to the fact that RYAN had been physically abusive.

THOMAS went on to indicate that one of TERESA's girlfriends had gotten married and the girlfriend wanted TERESA to do the photography for her wedding. THOMAS stated TERESA advised him that she did not want to do the photography for the wedding because of the fact that RYAN HILLEGAS was standing up in the wedding. THOMAS stated he subsequently did the photo shoot for the wedding instead of TERESA.

On 09/22/17, I subsequently met with THOMAS at his residence to ask some follow-up questions. I arrived at the PEARCE residence at 0941 hours. I recognized THOMAS from previous contacts with him in 2005.

I first had THOMAS review the Affidavit, which he had provided to JAMES KIRBY. THOMAS indicated that the Affidavit I had provided to him was the same Affidavit he had sworn to on 04/21/17. THOMAS indicated that a notary was with JAMES KIRBY at the time THOMAS signed the Affidavit.

THOMAS went on to indicate that TERESA would sometimes get phone calls, which TERESA would find disturbing. THOMAS stated he suspected RYAN as being the source of the call, however, he could not confirm this. THOMAS stated, at one point, TERESA stated RYAN was

abusive. THOMAS stated he did not know if the abuse that TERESA spoke about was physical or verbal.

THOMAS stated that one time two of TERESA's friends were getting married and RYAN HILLEGAS was going to be in the wedding party. THOMAS indicated TERESA stated she did not want to do the photography for the wedding due to the fact that RYAN was going to be in the wedding party. THOMAS recalled that he did the photo shoot for the wedding and that there was drug use "marijuana smoking" during the time the photo shoot took place.

THOMAS stated he never saw any signs of injury or bruising on TERESA during the time he knew her. THOMAS then indicated that TERESA had made comments about an ex-boyfriend and THOMAS thought this could have been RYAN HILLEGAS. THOMAS indicated TERESA never mentioned RYAN by name.

THOMAS stated there was another young lady, AERIAL COOK (ph), who worked at PEARCE PHOTOGRAPHY during the same time TERESA was employed. THOMAS stated AERIAL had befriended TERESA during their employment at PEARCE PHOTOGRAPHY.

THOMAS indicated that he speaks with AERIAL quite frequently, but he does not know where she resides. THOMAS stated AERIAL was in the Air Force, married another Air Force person and is living out of state. THOMAS stated AERIAL and her husband are "out west somewhere" at a large Air Force base. THOMAS stated AERIAL's brother and sisters had come into his business for senior photographs and that he is close with AERIAL's family.

I asked THOMAS if he recalled mentioning an abusive boyfriend of TERESA's to Inv. MARK WIEGERT or myself at the time that we interviewed him in November, 2005. THOMAS stated he did not recall mentioning the abusive boyfriend at that time.

THOMAS indicated that he wondered about an emergency kit he gave TERESA as a Christmas gift. THOMAS indicated it was a large plastic kit with a reflective triangle on the side. THOMAS stated the triangle lights up and is reflective and that there were jumper cables and other items in the kit that would be useful if a vehicle broke down. THOMAS stated TERESA always kept the kit in the back of her vehicle and he had no idea where it went.

THOMAS indicated TERESA told him that she was going to leave AUTO TRADER right around Halloween and that TERESA told her AUTO TRADER clients about this. THOMAS stated this was approximately two to three weeks before TERESA went missing.

Toward the end of my contact with THOMAS, he disclosed that he had been diagnosed "about one month ago" with Alzheimer's disease. THOMAS stated his father died at age 50 from the disease. THOMAS stated he had been noticing episodes of confusion for some time and attributed it to the stress that he was under due to his wife having an aneurism and a stroke.

Complaint No.

Page 9

THOMAS then went onto indicate that his wife's health issues were not recent and stated he thought that perhaps her health issues had taken place while TERESA was still alive.

THOMAS indicated that he and his wife spent a considerable amount of time at UW-Madison Hospital during this period, but could not recall the date or year when his wife's illness had taken place.

On Thursday, 09/07/17 at 1735 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) received a phone call from ADRIANE M. WALSCHINSKI, concerning the questions in regards to TERESA HALBACH's vehicle.

ADRIANE indicated that she had spoken with KERRY HOOPS and believed that I would probably be contacting her. ADRIANE indicated that she does not recall having any conversation concerning damage to TERESA HALBACH's vehicle. ADRIANE also did not know whether TERESA may have lost the key that held the remote auto lock.

DATE OF ACTIVITY: 09/14/17

REPORTING OFFICER: Special Inv. John Dederling

On Thursday, 09/14/17 at 1915 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) made phone contact with KELLY PITZEN.

I asked KELLY questions regarding the damage to the left front area of TERESA HALBACH's vehicle and whether she knew anything about TERESA HALBACH's keys.

KELLY indicated that during the summer before TERESA died, TERESA only had a key that opened her doors and not a remote. KELLY indicated she could not be certain whether TERESA may have located or replaced the key that opened the doors remotely, but KELLY was certain that TERESA did not have one during the summer of 2005.

KELLY stated that when she last saw TERESA in possession of her car keys, TERESA had not replaced the key fob with a remote door opener. KELLY indicated that this was in either July or August, 2005.

DATE OF ACTIVITY: 09/20/17

REPORTING OFFICER: Special Inv. John Dederling

On Wednesday, 09/20/17 at 1611 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) met with KELLY PITZEN at MOHNEN'S FAMILY RESTAURANT located at W5669 CTH KK, Appleton, Wisconsin.

KELLY identified herself by her Wisconsin driver license.

KELLY, once again, stated that during July or August, 2005 she was aware of the fact that TERESA HALBACH only had a key to open and start her car, and that there was no remote door opener on this key. KELLY stated she and TERESA had gone on a "road trip" in either July or August, 2005 and KELLY had the opportunity to drive TERESA's car. KELLY stated she recalled having to physically unlock the doors with a key and that same key would start the car.

KELLY stated she did not recall any damage to the left front of TERESA's RAV4, but indicated that to the best of her recollection the left directional signal was functional on TERESA's RAV4 when KELLY drove it.

I showed KELLY a photograph, Exhibit 191, depicting the front of TERESA's RAV4. KELLY advised that she did not remember the damage to the left front area of TERESA's vehicle.

I showed KELLY a photograph, Exhibit 285, depicting only the lanyard and a photograph, Exhibit 219, depicting the key and a short piece of lanyard. KELLY stated she did not recognize the lanyard, but stated that the key depicted in the photograph was "very similar" to the key that KELLY recalled TERESA having. KELLY could not definitively say that this was the same key.

KELLY indicated that while on their "road trip" they were camping and at one point TERESA lost the only key she had for her RAV4. KELLY indicated the key was subsequently located in the tent and KELLY made a lanyard out of duct tape that they attached to the key as a joke. KELLY explained that the key without the remote door lock feature was the only key she ever saw TERESA with.

KELLY indicated she last saw TERESA on the weekend of 10/28/05. KELLY stated she and TERESA were in the Stockbridge area on either Friday or Saturday night and had driven separately.

KELLY also indicated TERESA once told her that some of the customers for AUTO TRADER magazine that TERESA dealt with "creeped her out."

KELLY indicated she had located two pictures of TERESA's vehicle. KELLY indicated the "road trip" took place on 08/13/05 through 08/16/05. KELLY stated she was certain of this because she and TERESA had journaled their "road trip" and KELLY had located the journal.

KELLY subsequently emailed me copies of two photographs that contained TERESA's RAV4, as well as a page of the journal dated 08/14/05.

TYPE OF ACTIVITY: Interview of Robert Femal

DATE OF ACTIVITY: 09/21/17

REPORTING OFFICER: Special Inv. John Dederling

On Thursday, 09/21/17 at 0940 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) interviewed ROBERT FEMAL, a body shop estimator at KOLOSSO TOYOTA located at 3000 W. Wisconsin Avenue, Appleton, Wisconsin.

I showed FEMAL photographs of the left front directional assembly (front and back view), as well as the front view of TERESA HALBACH's 1999 RAV4 showing the missing directional assembly.

I asked FEMAL how one would go about removing the light assembly. FEMAL stated there is a tab on the gray rectangular piece that would need to be moved and the bulb assembly holder would need to be rotated 90 degrees (one-quarter turn) in order to remove the assembly. FEMAL stated there is one screw that holds the assembly into the lower body work. FEMAL stated this screw is on the inboard side and the outboard side of the assembly merely slides into the lower body work. I asked FEMAL if it was unlikely that this directional assembly would have come out in the manner it was represented in the photographs as a result of a collision and he stated it was unlikely that the assembly would have come out during a collision.

FEMAL could not give me any information as to the cost of replacement for this assembly in 2005, but stated the current cost of replacement with original equipment and parts would be \$159.58 plus 0.1 labor. FEMAL further stated a "recycled" assembly would cost approximately \$60.00, plus a \$25.00 fee.

I asked FEMAL if he could give any opinion as to what the left front of TERESA's RAV4 may have impacted and he indicated he could not state what the vehicle may have struck. FEMAL indicated that it would not take much of an impact to cause the damage to the bumper that is depicted in the photograph showing the front view of TERESA's RAV4.

A screen shot of light assembly schematic for a 1999 Toyota RAV4 is included with this report.

My interview with FEMAL concluded at 1110 hours.

TYPE OF ACTIVITY: Interview Joshua Radandt

DATE OF ACTIVITY: 10/04/17

REPORTING OFFICER: Special Inv. John Dederling

On Wednesday, 10/04/17 at 1355 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) along with Special Prosecutor MARK WILLIAMS interviewed JOSHUA RADANDT in a conference room at his attorney, PATRICK DEWANE's, office located at 802 Washington Street, Manitowoc, Wisconsin.

RADANDT's attorney was present during the interview. RADANDT indicated that he had been interviewed by a private detective and provided that detective with an affidavit over one year ago. RADANDT stated this was done sometime during the summer. RADANDT indicated that the private investigator seemed "pushy."

Special Prosecutor WILLIAMS and I questioned RADANDT about the fire that he saw on the AVERY property on 10/31/05. RADANDT stated he was coming from his gravel pit and going toward his hunting property when he saw a "glow" out of the corner of his eye. RADANDT stated he did not look at this glow for a long period of time and it seemed to him to be far away. RADANDT indicated the glow looked to be on the AVERY property and he assumed, from its size, that it was a 55 gallon drum. RADANDT stated, at some point later on, law enforcement came to him and stated the fire was not what he thought.

I provided RADANDT with an overhead view of the area, which included the gravel pit on his property and the AVERY property, and asked him to place an "X" on the map for the approximate position where he would have been when he saw the glow or fire. RADANDT oriented the map indicating that north was at the top of the map. RADANDT stated the fire was 300 to 400 yards away from his location when he observed it. RADANDT stated the fire was not spread out and the flames were not extremely high. RADANDT, again, indicated he assumed the fire was coming from a 55 gallon drum.

RADANDT stated less than one week later, individuals, who he believed to be agents with WISCONSIN DEPARTMENT OF JUSTICE, showed up to re-interview him. RADANDT indicated the agents told him they believed that TERESA HALBACH's vehicle had come west through a field and through the Kuss Road cul-de-sac. RADANDT indicated he took this as a theory and not as a fact. RADANDT stated there was no access to the AVERY property other than the Kuss Road cul-de-sac area.

RADANDT also indicated he thought he might have mentioned tracking dogs and not the agents. RADANDT stated, at one point, it seemed to him that the agents wanted him to change his story about the fire. RADANDT stated he does not recall anyone saying that TERESA HALBACH's vehicle was on the RADANDT property before this all came out in the media.

RADANDT was asked about the lights that he mentioned in the Manitowoc County pit. RADANDT stated they were large search lights.

RADANDT was asked about the pelvic bones. RADANDT stated Attorney KATHRLEEN ZELLNER's team or the media mentioned the pelvic bones. RADANDT stated he never was made aware of any pelvis bones by law enforcement.

RADANDT indicated that he went over his affidavit "line by line" with his attorney PATRICK DEWANE, prior to signing it.

The interview with RADANDT concluded at 1421 hours. A copy of aerial map showing the RADANDT gravel pit and the Avery property is included with this report.

TYPE OF ACTIVITY: Phone Contact with Kenneth Howen
DATE OF ACTIVITY: 10/12/17
REPORTING OFFICER: Special Inv. John Dederling

On 10/12/17 at 1956 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) made phone contact with KENNETH HOWEN, 300 Peachtree Street NE, Apt. 9H, Atlanta, Georgia, 30308, phone number 520-582-5547.

KENNETH indicated he had known TERESA HALBACH since they were in high school. KENNETH stated he met TERESA at a Trees For Tomorrow camp. KENNETH stated he and TERESA were not in contact after this, but became close while they attended college. KENNETH stated he and TERESA were in quite a bit of the same programs at college.

KENNETH stated, upon graduation, he and TERESA stayed in contact for approximately three years until he left for the Peace Corps in February, 2005. KENNETH indicated that, during this time, they were neighbors in the same apartment complex.

KENNETH stated, prior to his leaving for the Peace Corps, he had resided with TERESA for approximately six months. KENNETH stated he had moved into the house next to TERESA's parents.

KENNETH stated, during the time he knew TERESA, she never mentioned anything about an abusive relationship. KENNETH advised that TERESA knew everything about him and he believed that he knew almost everything about her. KENNETH described them to be very good friends and were very close, but were not romantically involved.

KENNETH indicated he met RYAN HILLEGAS three to four times and thought he was "fine." KENNETH described RYAN as "one of her earliest boyfriends." KENNETH advised that TERESA had never said anything negative about RYAN.

KENNETH advised that he could not say one way or the other if TERESA possessed a key for her RAV4 that remotely unlocked her doors. KENNETH stated he did not believe he had ever driven TERESA's RAV4.

I asked KENNETH about the left front directional assembly that was broken on TERESA's RAV4. KENNETH indicated, as far as he could remember, there was nothing wrong with her vehicle the last time he saw it.

REPORTING OFFICER: **Special Inv. John Dederling**

On Thursday, 10/19/17 at 1951 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) received a voicemail message on my work cell phone. The message indicated that an anonymous male caller was calling on behalf of WILMER SIEBERT. The male caller stated that he was calling to advise that WILMER SIEBERT requested I no longer call his house phone or stop at his residence. This phone call came in as a "restricted" phone number.

It should be noted, I attempted to contact WILMER in person and by telephone on 10/11/17 and 10/12/17, in an effort to speak with him about an affidavit he had sworn to.

TYPE OF ACTIVITY: Interview of Ryan Hillegas

DATE OF ACTIVITY: 10/23/17

REPORTING OFFICER: Sgt. Inv. John Dederling

On Monday, 10/23/17 at 1700 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) interviewed RYAN HILLEGAS at the MUDCREEK CAFÉ located in Stockbridge, Wisconsin. RYAN identified himself to me by his Wisconsin driver license.

RYAN indicated that he had reviewed the cellular telephone records that had been provided to him. RYAN indicated that this did not help him at all with regards to establishing a timeline for his whereabouts during the week of 10/31/05 through 11/05/05. RYAN indicated too much time had passed for him to review the telephone records and recall with any certainty his whereabouts.

I asked RYAN if he had been searching for TERESA HALBACH on Saturday, 11/05/05, and, if so, where he had been searching. RYAN indicated he and SCOTT BLOEDORN were at TERESA's house on 11/05/05 handing out assignments as to who should search what road or areas. RYAN indicated PAM STURM had arrived late. RYAN stated PAM specifically requested to search the AVERY property, along with her daughter.

RYAN indicated that he may have gone out on a search later in the afternoon, but he is unsure about that and was unsure where he may have searched. RYAN stated he was unsure as to when he learned that TERESA's vehicle was located on the AVERY property.

I asked RYAN if he recalled being on the AVERY property during the time law enforcement was restricting access to the property, due to the ongoing search of the property. RYAN stated he recalled being on one of the search teams on 11/07/05 that was searching across the road from the AVERY property. I believe RYAN was referring to the area across from HWY 147.

RYAN stated he and SCOTT BLOEDORN were brought into the restricted area and were escorted to the command center that was established onsite. RYAN stated they presented and showed maps of the areas that were searched to law enforcement officials. RYAN stated he and SCOTT were in the area where the active searching was taking place by law enforcement for approximately 15 minutes. RYAN stated he was always with law enforcement during the time he was within the perimeter established by law enforcement on the AVERY compound. RYAN stated he was not allowed to roam the area freely. RYAN stated he was not exactly sure what had taken place on which day. RYAN stated he may have actually been searching across the road on 11/07/05 or 11/08/05 and was unsure which day.

I asked RYAN about the damage to the left front directional assembly of TERESA's RAV4. RYAN indicated he could not recall who he had spoken with or where he had gotten the

CALUMET COUNTY SHERIFF'S DEPARTMENT

LCA17-009022

Page 34

information he relayed to Special Agent TOM FASSBENDER in 2005, regarding the damage and the insurance claim. RYAN stated it was unknown to him who told him about the damage or the claim. I then displayed photographs of the damaged area and the damaged directional to him, but the photographs did not jog his memory.

I asked RYAN if he had ever knowingly identified himself to anyone in law enforcement as RYAN KILGUS. RYAN stated he had never done that, but it is common for people to hear the name "HILLEGAS" and interpret that as "KILGUS." RYAN stated, while there are not many HILLEGAS' in the area, there are lots of KILGUS'.

It should be noted, in WISCONSIN DEPARTMENT OF CRIMINAL INVESTIGATIONS (DCI) 05-1776/139, Special Agent TOM FASSBENDER refers to a "RYAN KILGUS," but indicated he reaches KILGUS at the correct phone number for "RYAN HILLEGAS." Special Agent FASSBENDER later makes corrections properly identifying HILLEGAS in DCI report 05-1776/160.

I informed RYAN that a motion was filed by Attorney ZELLNER, which referenced him having scratches on his hand. I asked RYAN if he could recall having scratches on his hands during the time TERESA went missing. RYAN explained to me that what people were interpreting as scratches on his hand on some videos that he was seen on, are actually writings that he had on his hand. RYAN stated he observed the video where he had writing on his left hand and then a video shown the following day showed that the writing was gone.

RYAN stated he dated TERESA approximately five years with that being divided by three and one-half years in high school and approximately one and one-half years in college.

RYAN stated the reason for the breakup was distance. RYAN stated he was enjoying himself in Stevens Point and was not always willing to make the trip to the Green Bay or Hilbert area and TERESA had established herself in the Green Bay and likewise was not always willing to make the trip to Stevens Point. RYAN stated he and TERESA remained close friends even after terminating their dating relationship. RYAN stated TERESA never mentioned any sort of abusive relationship to him.

RYAN stated he never lived in the home where TERESA and SCOTT BLOEDORN lived. RYAN stated he stayed at the residence for several days with SCOTT after TERESA disappeared.

My interview with RYAN terminated at 1800 hours. Investigation continues.

TYPE OF ACTIVITY: Interview of Bryan J. Dassey

DATE OF ACTIVITY: 11/03/17

REPORTING OFFICER: Special Inv. John Dederling

On Friday, 11/03/17 at 0959 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT), along with Sgt. Inv. ERIC VOLAND of the CALUMET COUNTY SHERIFF'S DEPARTMENT, interviewed BRYAN J. DASSEY, DOB 07/15/85, at his residence of 1516 Crystal Spring Road, Two Rivers, Wisconsin, 54241. BRYAN's current phone number is 920-973-2125.

BRYAN was initially reluctant to be interviewed concerning this matter and indicated he was not much of a witness and really had nothing to offer. BRYAN ultimately agreed to let us speak with him for approximately ten minutes.

BRYAN started out the interview by stating that he had never trusted law enforcement and was in fear of law enforcement even while we were seated at his dining room table. BRYAN stated, while he has no criminal record, this was just something he could not get past. BRYAN stated he had a lot of exposure to dishonest law enforcement in the past.

I questioned BRYAN regarding his affidavit, which is incorporated with this report. I asked BRYAN to review the affidavit to ensure that it was accurate. BRYAN stated that he, in fact, had reviewed the affidavit before signing it. BRYAN stated the signing was done with a notary at WELLS FARGO BANK in Two Rivers. I asked BRYAN if the individuals he talked with concerning the affidavit seemed pushy and overbearing to him and he indicated they were not. I asked BRYAN if the individuals had attempted to put words in his mouth and he indicated they had not.

I asked BRYAN about the statement of "on or about 11/04/05" and he indicated that he meant he recalled BOBBY telling him concerning seeing TERESA HALBACH driving away from the AVERY property sometime during the week of 10/31/05 through 11/06/05.

I asked BRYAN to describe his normal day and specifically if he had any recollections of 10/31/05. BRYAN indicated he normally left for work at approximately 0600 hours and then would come back to his mother's trailer to shower, change clothes and then leave for his girlfriend's residence. BRYAN stated he was not home on 10/31/05, other than waking up, leaving for work and returning to clean up after work. BRYAN stated he had no other memory of 10/31/05.

BRYAN indicated he has basically been on his own since he was approximately 17 and one-half years old. BRYAN indicated the reason he did not spend any time around his mother's, BARBARA JANDA, residence was that he could not stand SCOTT TADYCH and was not

CALUMET COUNTY SHERIFF'S DEPARTMENT

Complaint No.

Page 37

happy with his mother's conduct of still being married while being involved with SCOTT. BRYAN stated he spent enough time at his mother's residence to clean up and then leave on the majority of the days.

I asked BRYAN if he could remember what day the deer carcass was placed in the DASSEY garage and he indicated he could not remember.

I asked BRYAN about the statement concerning BOBBY DASSEY indicating he had seen TERESA leave the AVERY property. BRYAN stated he could not remember where the conversation took place and further indicated that he could not recall if it was in person or over the phone. BRYAN indicated it was sometime within the week of 11/04/05. I asked BRYAN if the conversation took place before or after TERESA's car was found and he indicated that he was unsure about that. I asked BRYAN if BOBBY could have possibly said that he left and not TERESA. BRYAN indicated he was sure BOBBY said he saw TERESA leave.

I, again, asked BRYAN if he had any recollection of when and where this conversation took place and he indicated he was not at all sure. BRYAN stated he remember "bits and pieces." At one point during the conversation, BRYAN made the statement that if "he did it he should stay in prison and if not, someone is still out there who needs to answer for this."

I asked BRYAN how long he would stay at his mother's residence if he was not sleeping there. BRYAN indicated he would basically just clean up and go. BRYAN stated sometimes he would have a meal but indicated that did not happen very often. I asked BRYAN if he could recall whether he had seen BOBBY at the residence on Halloween, 10/31/05. BRYAN stated he could not recall if he was even there on Halloween. BRYAN stated it was common to see BOBBY because he believed that, at that time, BOBBY was working second shift.

I asked BRYAN where the computers were located in his mother's house. BRYAN stated he had no idea. I asked BRYAN how many computers were at his mother's residence and BRYAN had no idea about that either. BRYAN stated, however, he recalled one laptop computer being at the residence.

I asked BRYAN if he had been at STEVEN AVERY's bonfire anytime on 10/31/05 and he indicated "no." I asked BRYAN if he recalled seeing smoke coming from behind STEVEN's garage on 10/31/05 and he indicated he "did not recall." I asked BRYAN if he recalled saying that STEVEN seemed odd during the time they were in Crivitz on 11/04/05 through 11/06/05. BRYAN indicated it was not unusual for STEVEN to act odd, which he attributed to being incarcerated for something he had not done.

I asked BRYAN about him stating that STEVEN "freaked out" when he heard authorities were coming to the cabin in Marinette. BRYAN stated he had no memory of this statement.

TYPE OF ACTIVITY: Contact with Scott Tadych and Barbara Tadych

DATE OF ACTIVITY: 11/10/17

REPORTING OFFICER: Special Inv. John Dederling

On Friday, 11/10/17 at 1348 hours, Special Agent JEFF WISCH of the WISCONSIN DEPARTMENT OF CRIMINAL INVESTIGATION and I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) met with SCOTT TADYCH at the SUBWAY restaurant located at 219 E. Main Street in Mishicot, Wisconsin. SCOTT identified himself to us by his Wisconsin driver license and Special Agent WISCH and I displayed our law enforcement credentials to SCOTT.

SCOTT was asked if he was in any way involved in the homicide of TERESA HALBACH and he indicated "No, not at all." SCOTT was specifically asked if he killed anyone, including TERESA HALBACH, and his answer was "No."

SCOTT was asked to review, as best he could, the events of 10/31/05. SCOTT stated his mother had back surgery at AURORA BAY CARE in Green Bay, Wisconsin on that date. SCOTT was unsure if the surgery was in the late or early morning. SCOTT stated that after visiting his mother, he came back to his residence at 12764 STH 47 in Mishicot between 2:30 p.m. and 3:30 p.m., but thought closer to 3:30 p.m. SCOTT stated then he changed into his hunting clothes and went hunting. SCOTT went on to indicate that he now thought his mother's surgery occurred early to mid-morning on 10/31/05.

SCOTT stated after hunting he changed out of his hunting clothes and went to pick up his girlfriend at the time, now his wife, BARBARA. SCOTT stated he and BARBARA then went back to the hospital in Green Bay to visit his mother some more. SCOTT indicated that he could not recall whether his mother had surgery in the morning or afternoon on 10/31/05. SCOTT stated it took approximately 25 to 30 minutes to get from his residence to the hospital in Green Bay.

SCOTT stated the mobile home where he resided at 12764 STH 47 is no longer there. SCOTT stated the lady who he rented from had sold the mobile home.

SCOTT was asked where he was hunting on 10/31/05. SCOTT stated he was hunting in an area off of CTH Q in Kewaunee County, near Heidman Lake. SCOTT stated he met BOBBY DASSEY on STH 147 when he was going toward his hunting area. SCOTT was asked whether his mother is still alive and he indicated she is. SCOTT stated her first name is PATRICIA and she lives in the Two Rivers area. SCOTT stated his mother is 71 or 72 years of age.

I was aware that on 10/24/17, STEVEN AVERY had made phone contact with BARBARA TADYCH, at which time, STEVEN referenced SCOTT striking his mother. SCOTT was asked

CALUMET COUNTY SHERIFF'S DEPARTMENT

Complaint No.
LCA17-009022

Page 40

where STEVEN might have gotten the idea that SCOTT struck SCOTT's mother. SCOTT indicated he had no idea and it "pisses me the fuck off." SCOTT stated he knew STEVEN AVERY for approximately two years before the events of 10/31/05. SCOTT indicated he had not been dating BARBARA very long before 10/31/05.

SCOTT was asked if he had much contact with STEVEN after STEVEN was incarcerated. SCOTT stated STEVEN will call BARBARA, but indicated "not much." SCOTT stated BARBARA will talk with STEVEN once in a while. SCOTT stated STEVEN called approximately two to three weeks ago. SCOTT stated, since this phone call was made public, he has been receiving threats on Facebook, Messenger, and text messages. SCOTT stated these are "random people" making threats. SCOTT indicated he lost his temper during the course of the conversation and doesn't remember what he exactly said.

SCOTT indicated that just prior to 10/31/05, he was not at BARBARA's residence a lot and thought it was because BARBARA's then husband, TOM JANDA, was still living at the mobile home BARBARA owned on the AVERY property. SCOTT stated his relationship with BARBARA was kind of hidden. SCOTT stated BARBARA would come to his house more than he would go to hers. SCOTT stated he barely knew BARBARA's children at that time.

SCOTT was asked if he knew or ever met TERESA HALBACH and he denied knowing or having ever met her.

SCOTT was asked how he got along with BRYAN DASSEY. SCOTT stated he got along good with BRYAN at first, but that the relationship began to sour when BRYAN began speaking about this matter with Attorney ZELLNER's investigators. SCOTT believed that BRYAN was not telling the truth with respect to what he advised ZELLNER's investigators. SCOTT described BRYAN as being an "edgy person." SCOTT stated that BRYAN once "threw" SCOTT off of BRYAN's property when SCOTT made comments about some electrical work BRYAN was doing.

SCOTT stated he gets along okay with BOBBY DASSEY. SCOTT stated none of the children live with them any longer.

SCOTT indicated BLAINE now lives in Two Rivers and SCOTT "gets along when we're all together." SCOTT stated BRYAN now has BLAINE on BRYAN's side, regarding the events of 10/31/05. SCOTT stated that BARBARA talks to BOBBY, but she does not speak with either BLAINE or BRYAN. SCOTT stated BLAINE and BRYAN do not talk with BARBARA at all. SCOTT stated this is difficult because they all work at WOODLAND FACE VENEER. SCOTT stated BARBARA works days and BLAINE and BRYAN work second shift.

SCOTT was asked if he heard anything about other people being involved. SCOTT stated this is not something that he talks about with BARBARA or her family. SCOTT was asked how often they see BRENDAN. SCOTT stated they visit BRENDAN weekly and sometimes two times per

CALUMET COUNTY SHERIFF'S DEPARTMENT

Page 41

week. SCOTT stated BRENDAN is currently incarcerated at COLUMBIA CORRECTIONAL INSTITUTION in Portage.

SCOTT stated he does not believe BRENDAN is involved at all in the TERESA HALBACH matter, but stated STEVEN "that's a different story."

SCOTT went on to indicate that STEVEN controlled and ruined the AVERY family life in the two years that STEVEN was out of prison. SCOTT stated he does not believe STEVEN's brothers are involved. SCOTT was asked if BARBARA was inside or outside her trailer by the fire when he picked her up after hunting on 10/31/17. I had pointed out to SCOTT that he had given both these versions in statements. SCOTT stated he did not recall whether BARBARA was in the house or by the fire when he picked her up after hunting. SCOTT recalled that when he and BARBARA came back from visiting his mother, the fire was very big. SCOTT stated he observed STEVEN by the fire and another person, who he believed must have been BRENDAN. SCOTT stated, at the time he gave the statements to law enforcement, he didn't know the boys all that well as he and BARBARA had not been seeing one another very long.

SCOTT was asked if he ever met or had contact with RYAN HILLEGAS or SCOTT BLOEDORN. SCOTT denied knowing or having any contact with either RYAN or SCOTT.

SCOTT was asked if he ever had any direct conversation with BOBBY about what BOBBY saw on 10/31/05, regarding TERESA's vehicle. SCOTT stated he did not recall having any such direct conversation with BOBBY. SCOTT stated he and BOBBY may have talked, but he does not remember. SCOTT stated he does not know if BARBARA talked with BOBBY directly about this or not.

SCOTT was asked if he had done anything that would minimize STEVEN's involvement such as "fudging" statements and he indicated that he had not. SCOTT stated when all of this started he believed that STEVEN had indicated law enforcement should look at SCOTT.

SCOTT denied doing anything that would minimize BARBARA's involvement. SCOTT was asked about minimizing BRENDAN's involvement and his response was "No, I don't believe so." It should be noted, SCOTT indicated he does not believe the text message he received from KEVIN RAHMLOW concerning this matter.

SCOTT was asked if he thought BARBARA would speak with us concerning this matter. SCOTT then called BARBARA and at 1427 hours BARBARA arrived at SUBWAY. BARBARA identified herself as BARBARA TADYCH.

BARBARA indicated she has spoken with STEVEN AVERY maybe eight times by phone during his incarceration. BARBARA stated she used to visit STEVEN, but was taken off of his visitors list. BARBARA stated she is now back on STEVEN's visitors list.

BARBARA stated she does not know who killed TERESA HALBACH.

BARBARA was asked if she knew she had dialup through AMERICA ONLINE (AOL) during October, 2005. BARBARA stated she did not remember if she had AOL dialup or not. BARBARA was asked where the computer that they had at the time was kept and she indicated it was a tower type computer and she thought it was kept in one of the boys rooms. BARBARA believed that it may have been in BOBBY and BRENDAN's room, but she was not positive. BARBARA stated the computer was also left in the living room at one time. BARBARA was unsure as to whether the computer had a password. BARBARA stated everyone used the computer and her ex-husband, TOM JANDA, was on it "all the time." BARBARA made the statement that she never used to lock her house and that anyone could go in there. BARBARA was asked if she still had the computer that we were speaking about from 2005 and she indicated she did. BARBARA was asked if we could have access to it and she indicated "take it."

BARBARA stated that it was unknown whether STEVEN would come into her residence while she was at work, but she stated STEVEN would just walk into her residence a couple of times per week. BARBARA, again, stated STEVEN would just walk in. BARBARA also believed that JODI STACHOWSKI was in her house from time to time as BARBARA would notice liquor missing.

BARBARA was asked about BRAD DASSEY's affidavit regarding her asking to have the computer reformatted. BARBARA stated this did not take place. BARBARA stated she wanted someone to clean her computer, as it was running slow. BARBARA stated she believed this conversation took place "way before this," prior to 10/31/05.

BARBARA remembered BRAD asking her about a password and that he thought he could do it at home. BARBARA stated, once again, she never asked BRAD to reformat anything and just wanted to make the computer faster.

BARBARA was asked about her knowledge of any pornography on the computer. BARBARA stated she did not download any pornography and did not know of anyone who downloaded pornography. BARBARA stated her ex-husband, TOM JANDA, would view pornography and he had eight to ten VHS tapes of pornography. BARBARA indicated she never saw TOM view pornography on the computer.

BARBARA stated TOM moved out of the residence on 10/15/05 and went to a residence somewhere in Manitowoc. BARBARA stated TOM knew the doors to her residence would be unlocked. BARBARA stated TOM was not welcomed on the property by BARBARA, but TOM used to visit BARBARA's parents after she and TOM separated. BARBARA also stated that TOM would go "up north" with her parents. BARBARA indicated her parents did not like and still do not like SCOTT TADYCH.

At this time, BARBARA drew a map of the AVERY property, a copy of which can be found incorporated in this report. BARBARA was asked about files on the computer titled "TERESA HALBACH" and "DNA." BARBARA stated she knew nothing about the files. BARBARA stated she had never seen them and had no idea who would have created the files. BARBARA denied seeing the page that showed STEVEN and TERESA together.

BARBARA was asked about the statement that Attorney ZELLNER provided, indicating that BOBBY was the only person with access to the computer. BARBARA stated that was not true and that anyone who came into their residence would have had access to the computer. BARBARA specifically mentioned her sons and TOM JANDA. BARBARA indicated the doors to the residence were always unlocked.

BARBARA was asked if BOBBY accessed the internet. BARBARA stated she was not sure how much BOBBY was on the internet, as he worked third shift. BARBARA was asked when the family got the computer. BARBARA believed it was sometime between 2002 and 2004, but was unsure of exactly when. BARBARA was asked if she could recall when they got AOL dialup and she stated she had no memory of having it. BARBARA recalled that the kids would get cards that would give them credits to SMS messages.

BARBARA was asked if she stayed overnight by SCOTT on 10/31/05. BARBARA stated she was unsure specifically about 10/31/05, but stated that she would spend a lot of nights at SCOTT's house. BARBARA was asked if she watched Prison Break with SCOTT on 10/31/05. BARBARA recalled getting back to the hospital around 8:00 p.m. and then driving over to SCOTT's house to watch Prison Break.

BARBARA was asked what was going on in the family that would suddenly make STEVEN start accusing everyone of doing things. BARBARA stated she did not know. BARBARA stated she only knew that STEVEN wants out. BARBARA was asked if STEVEN was involved in TERESA HALBACH's death and she stated she did think so, but had no idea as to who might be involved.

BARBARA stated she did not believe SCOTT was involved in this, as she was with him all day. BARBARA, at one point during the interview, indicated that she also believed that BRENDAN DASSEY was "innocent."

BARBARA was asked how many times Attorney ZELLNER has been out to the AVERY property. BARBARA stated she was unsure of how many times Attorney ZELLNER had been at the property and, at this point, SCOTT indicated this is pretty "hush hush."

I asked BARBARA about what evidence she wanted to provide to Attorney ZELLNER. BARBARA stated she wanted to talk to Attorney ZELLNER about KEVIN RAHMLow. BARBARA also indicated that they were asked to provide Attorney ZELLNER with a phone number for one of the parents of a young lady named CARMIN BERTWELL (ph), who died

from an overdose. BARBARA stated CARMIN was cremated and CARMIN's parents had to wait approximately one month to get CARMIN's cremains. SCOTT stated he was asked if he would be willing to provide the parents phone number to Attorney ZELLNER. SCOTT also indicated that the family was willing to give CARMIN's cremains to Attorney ZELLNER to test against what ashes had been recovered. SCOTT indicated the information regarding the ashes was "third hand information." BARBARA indicated that she had given the phone number for CARMIN's parents to her brother CHUCK, but CHUCK did not pass along the information to Attorney ZELLNER. BARBARA stated it was never her intention to "kick Ms. ZELLNER off the property," but when Attorney ZELLNER's team found out that BARBARA and SCOTT were on their way over, Attorney ZELLNER's team drove off the property. BARBARA and SCOTT estimated that there between five and eight cars that they met leaving the property when they arrived.

SCOTT went on to indicate that STEVEN has his family controlled "really bad." BARBARA was asked why she thinks Attorney ZELLNER is pointing the finger at BOBBY and SCOTT and she indicated she did not know why. BARBARA indicated that she never actually provided any evidence to Attorney ZELLNER concerning this matter.

BARBARA was asked if she had learned anything in the past 12 years that might make her think that STEVEN would have had involvement. BARBARA indicated she did not hear anything, but SCOTT mentioned a conversation that STEVEN had with BOBBY DASSEY and BOBBY's friend, MICHAEL OSMONSON (ph) about helping to hide or move a body.

It should be noted, I was aware that BARBARA left a message for Attorney ZELLNER on 10/24/17. I asked BARBARA what the content of that message was. BARBARA stated she did not remember what was said, but remembered it was an angry message.

BARBARA was asked what made her move off the AVERY property. BARBARA stated she and SCOTT bought a home in 2007. BARBARA also indicated that, at one point, MARK WIEGERT and TOM FASSBENDER had told her that it might be in her and SCOTT's best interest to move away. BARBARA stated, as SCOTT did not get along well with her parents, in an effort to make things easier she moved out.

BARBARA was asked what had taken place regarding her family that no one would talk to her for four years. BARBARA stated it was "a little bit of everything." BARBARA indicated that the trials put a lot of stress on her family. BARBARA was asked why STEVEN seems to control her family. BARBARA stated STEVEN has always thought that he was in control of the family. BARBARA stated three-quarters of the time she does not listen to what STEVEN has to say. SCOTT interjected that STEVEN has always been very controlling individual, even before he went to jail the first time.

BARBARA was asked if there were any favorites of her parents and what the order of favorites might be regarding her siblings. BARBARA stated STEVEN and EARL are tied in her parents

eyes and then CHUCKY and she is lowest on the order of preference. SCOTT indicated even though STEVEN is in prison, his parents are buying him property to live on when he gets out. BARBARA indicated she was, at one time, very angry with STEVEN.

BARBARA went on to indicate that she remembered there was a fire on 10/31/05, as she saw it herself. BARBARA could not recall whether it was dark or light at the time she saw the fire. BARBARA did not remember whether the fire was present when she and SCOTT left for AURORA BAY CARE MEDICAL CENTER, but she remembered seeing it when she came back between 8:00 p.m. and 8:15 p.m. BARBARA stated she saw people she identified as STEVEN and BRENDAN standing at the fire at this time.

BARBARA remembered BRENDAN being home when she arrived home from work on 10/31/05 between 4:50 p.m. and 5:00 p.m. BARBARA stated all her boys were home to her recollection. BARBARA stated, to her recollection, BOBBY was laying down, BLAINE was getting ready to go trick-or-treating and BRENDAN was playing video games. BARBARA, once again, indicated that she believed to have gotten home from the hospital at approximately 8:00 p.m. BARBARA stated when she arrived home, she believed BOBBY was sleeping and thought BRENDAN was outside with STEVEN. BARBARA stated she called STEVEN's cell phone and talked with BRENDAN to see if BRENDAN had a coat on. BARBARA also indicated she advised BRENDAN, at that time, to be home at a certain time. BARBARA stated BRENDAN sounded normal on the telephone. BARBARA stated BRENDAN had not had a coat on, but went back home and got one of BARBARA's. BARBARA stated she believed she told BRENDAN to be home between 9:00 p.m. and 10:00 p.m.

The interviews with SCOTT and BARBARA TADYCH terminated at 1530 hours.

At 1545 hours on 11/10/05, BARBARA turned over to Special Agent WISCH the tower for the computer that we had been previously discussing and Special Agent WISCH provided a receipt to BARBARA. The computer tower was collected at the TADYCH's residence located at 12520 Princl Road in Mishicot. The computer was taken for reasons of possible additional forensic examination.

TYPE OF ACTIVITY: Interview of Bobby Dassey

DATE OF ACTIVITY: 11/17/17

REPORTING OFFICER: Special Inv. John Dederling

On Friday, 11/17/17 at 0920 hours, Special Agent JEFF WISCH of the WISCONSIN DEPARTMENT OF CRIMINAL INVESTIGATIONS and I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) interviewed BOBBY A. DASSEY at his residence of 18010 Horse Road in Mishicot, concerning this follow-up investigation.

BOBBY was advised that he did not have to talk to us and he could cease the interview at any time. We asked BOBBY if he would be honest and truthful with us. BOBBY was asked where he was hunting in October, 2005. BOBBY stated he was hunting on a property owned by NOLA MUELLER (ph). BOBBY stated NOLA also owned the property on which the trailer, occupied by SCOTT TADYCH, was located.

BOBBY stated he was hunting in a deer stand at that time. BOBBY stated in October, 2005 he was employed by FISHER HAMILTON in Manitowoc, working third shift from 2200 hours to 0600 hours. BOBBY indicated he is now employed at a subsidiary of FEDERAL-MOGUL in Manitowoc.

BOBBY was asked if he could describe if he met anyone on his way to hunting on 10/31/05, while driving on STH 147. BOBBY stated he saw SCOTT TADYCH on STH 147 in the area of Jambo Creek Road. BOBBY stated there is a large gravel pit in that area. BOBBY stated he met SCOTT at approximately 3:00 p.m. BOBBY stated he had permission from NOLA MUELLER to hunt on the property behind SCOTT's trailer during October, 2005.

BOBBY was asked if he knew or ever met TERESA HALBACH and he stated "Never." BOBBY was asked if he knew TERESA was coming to take photographs on 10/31/05 and he stated "Nope."

BOBBY was asked if he had seen TERESA on the AVERY property on 10/31/05. BOBBY stated he had seen her. BOBBY stated after he had awoken to go deer hunting, he looked out the front window of his mother's, BARBARA JANDA's, residence and saw TERESA's vehicle parked opposite to a van that his mother was going to sell. BOBBY described his mother's van as being a maroon Dodge Caravan. BOBBY stated the lady got out, started taking pictures and, at this point, he got ready to take a shower before hunting. BOBBY stated the lady was alone. BOBBY stated he spent a couple of minutes in the shower and then got dressed and looked out of his window, again, and saw the lady walking toward STEVEN's trailer. BOBBY stated he did not see STEVEN during this encounter. BOBBY stated he spent maybe a couple of seconds looking out of the window and during this time she was halfway to STEVEN's trailer. BOBBY stated he did not see anyone else in the area other than the lady. BOBBY stated he then went out

to his vehicle and he did not see her when he got into his vehicle. BOBBY stated he had no idea who she was so he really did not pay a lot of attention. BOBBY stated the vehicle was still there when he left to go hunting. BOBBY stated he did not hear anything during the time when he was walking to his vehicle. BOBBY indicated he did not see TERESA leave the property. BOBBY was asked if he ever saw TERESA after he saw her walking toward STEVEN's trailer and he stated he had never seen her after that. BOBBY stated he never saw TERESA leave the property.

BOBBY then drew a map of the area where he witnessed these events and a copy can be found attached to this report.

BOBBY stated he did not recall seeing anyone when he got home from hunting, but when he left to go to work at 2120 to 2125 hours, he saw a fire behind STEVEN's garage and two people were standing by the fire. BOBBY indicated he was unsure who these two people were. BOBBY was asked if he saw TERESA's vehicle when he got back from hunting. BOBBY stated her vehicle was gone from the area where he saw it parked earlier when he returned from hunting at approximately 5:30 p.m.

BOBBY was asked if he remembered at any time talking to BRYAN DASSEY about TERESA leaving. BOBBY stated he never talked with BRYAN about seeing TERESA leave. BOBBY stated he never talked with BRYAN at any time about this. BOBBY was asked why BRYAN would say something like this and BOBBY responded, "Your guess is as good as mine." BOBBY stated he has no idea why BRYAN had stated that he had said this. BOBBY stated he never talked to BRYAN about these matters at all.

BOBBY stated he spoke with his mother about the fact that he had seen someone taking pictures of the van. BOBBY stated this was within a day or two of 10/31/05. BOBBY stated he recalled asking his mother why she was selling the van, as it was pretty much junk.

BOBBY was asked if he used the computer and the internet, while he was living at his mother's residence. BOBBY stated he did not recall, but stated, "If I did, it wasn't often." Initially, BOBBY indicated he did not recall if they had the internet at his mother's residence. BOBBY stated the tower computer was the only computer in the residence "I think." BOBBY stated everyone was on the computer, but he stated BLAINE and BRENDAN were the main users, as they used it for games. BOBBY stated he thought the computer was on a desk in the living room at the time.

BOBBY was asked if he ever downloaded or viewed pornography on his mother's computer. BOBBY stated he never downloaded any pornography. BOBBY stated he may have watched porn at some point on it, but indicated "I don't know." BOBBY stated there were five guys with access to the computer and he doesn't know if they would have downloaded or viewed pornography. I asked BOBBY who the fifth person was. BOBBY identified his brothers, BLAINE, BRENDAN, BRYAN, himself and TOM JANDA, as being the individuals with access

to the computer. BOBBY stated he did not use the computer much, as he was working third shift at the time.

BOBBY was asked where his mother's computer was located in his mother's residence in October, 2005. BOBBY stated he thought it was in the living room. BOBBY was asked if it was ever in his bedroom and he stated it was not. BOBBY stated he had a 10'x12' bedroom and there was not much room in the bedroom after putting in dressers and beds. BOBBY stated he thought he shared the bedroom with his brother, BRYAN. BOBBY stated BRYAN eventually moved to the downstairs portion of the residence and this may have taken place before 10/31/05.

I asked BOBBY how he got along with TOM JANDA and he stated he got along with TOM, but he did not get along with SCOTT TADYCH at this time. BOBBY stated SCOTT did not like kids. BOBBY indicated that he believed TOM JANDA moved out of BARBARA's residence sometime in September. BOBBY stated SCOTT TADYCH did not come over to his mother's residence very often, but that BARBARA would go to SCOTT's residence.

BOBBY was asked if STEVEN had internet at his residence and he indicated he was not certain. BOBBY stated he was not at STEVEN's residence that often.

BOBBY was asked if he knew who created the folder with the page depicting STEVEN and TERESA's photographs. BOBBY indicated he knew how to create folders, but he had no idea as to who created those folders. BOBBY was specifically asked who created "TERESA" and "HALBACH" and "DNA" folders that were on the computer and he stated he had no idea who did this. BOBBY was asked if he did it and he indicated, "No."

BOBBY was asked if he ever hunted on the RADANDT property or gravel pit or in the area off Kuss Road in Two Rivers. BOBBY was unfamiliar with where I was talking about when I mentioned Kuss Road. I then produced a map that I had from the JOSH RADANDT interview and showed him where Kuss Road was located. BOBBY indicated he had never hunted on the RADANDT property or in the gravel pit. BOBBY stated he had never hunted on the area off of Kuss Road.

I asked BOBBY if he ever met RYAN HILLEGAS and SCOTT BLOEDORN. BOBBY stated he had never met RYAN or SCOTT and did not know either of them.

BOBBY was asked why he and SCOTT TADYCH were being singled out as suspects and he indicated "I don't know." BOBBY then indicated he thought it was perhaps because he and SCOTT testified at STEVEN's trial.

I asked BOBBY if he had made anything up or had lied during his testimony. BOBBY stated everything he had said was true and he had no reason to lie during the trial.

BOBBY was asked if he had any opinion on STEVEN's involvement or whether STEVEN had done this. BOBBY stated in some ways he thinks STEVEN could have done it, but sometimes not. BOBBY was asked directly if he had any involvement in the death of TERESA HALBACH and he indicated "No."

BOBBY discussed STEVEN AVERY talking to him and MICHAEL OSMONSEN about the disposing of a body. BOBBY stated he had gotten a roadkill deer and the same day he and MICHAEL OSMONSEN were in the DASSEY garage skinning the deer out. BOBBY stated STEVEN came over and asked if they wanted to dispose of a body. BOBBY stated STEVEN was alone when he came over and asked this question. BOBBY stated he thought STEVEN was joking around. BOBBY stated this exchange took place in the afternoon hours. BOBBY stated he told STEVEN "No" and at that time STEVEN turned around and walked out. BOBBY stated STEVEN laughed after making the statement.

BOBBY stated he learned that same evening that TERESA HALBACH was missing. It should be noted, DCI reports showed that BOBBY DASSEY claimed a car kill deer on 11/04/05.

BOBBY was asked if JODI STACHOWSKI spent any time at his mother's residence and he indicated he was not sure. BOBBY stated JODI may have stopped in from time to time. BOBBY went on to indicate that he was talking about the day TERESA was reported missing, not the day she actually went missing. BOBBY stated, once again, this conversation with STEVEN took place prior to seeing any news media coverage of TERESA HALBACH being missing.

BOBBY indicated there was nothing out of the ordinary about any family members after 10/31/05. BOBBY indicated that he would tell if he knew of any family member that was involved in TERESA HALBACH's murder. BOBBY stated he did not watch MAKING A MURDERER, but he did watch a little bit of DR. PHIL concerning the AVERY case.

BOBBY indicated, "How many people can you blame it on, before you run out of people." BOBBY was apparently referring to Attorney ZELLNER'S claims. BOBBY stated he does visit his brother, BRENDAN, in prison, but not as much as he would like to. BOBBY stated that he does not believe BRENDAN is involved in the homicide and indicated "from day one" BRENDAN said that he never did anything. BOBBY indicated BRENDAN stated the investigators "got in his head." BOBBY stated this is all BRENDAN ever said about the incident.

Our interview with BOBBY ended at 1010 hours. Investigation continues.

On Sunday, 12/24/17, at 11:15 p.m., I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) returned a called to SCOTT TADYCH, who had left a voicemail message for me to contact him.

SCOTT had questions for me regarding threats and death threats that he had been receiving through Facebook messenger. SCOTT also wanted to know when he and BARBARA TADYCH could anticipate the return of the computer tower that they turned over to Special Agent WISCH and I.

I advised SCOTT that I would check on the status of the computer tower and advise him sometime after 01/01/18.

TYPE OF ACTIVITY: Interview of Scott Bloedorn

DATE OF ACTIVITY: 01/30/18

REPORTING OFFICER: Special Inv. John Dederling

On Tuesday, 01/30/18, at 1005 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) interviewed SCOTT BLOEDORN at a coffee shop located at 25 S. Pinckney Street, Madison, Wisconsin.

SCOTT identified himself by his Wisconsin driver license and I presented my law enforcement badge to him.

SCOTT was asked about his employment during October, 2005. SCOTT stated he was employed by JACK DIEDRICH CONSTRUCTION in Sherwood. SCOTT stated he worked Monday through Friday from 6:45 a.m. to 4:30 p.m. SCOTT stated he was not attending school during this period of time.

I asked SCOTT if he spent the night of 10/30/05 at home. SCOTT stated he believed he did. SCOTT stated he was not one for going out on Sundays. SCOTT stated he probably would have stayed home and watched the Green Bay Packer game. SCOTT stated he was not 100 percent sure of his activities that day.

SCOTT was asked if TERESA HALBACH spent the evening of 10/30/05 at the residence. SCOTT stated he did not know, but thought perhaps she had.

I asked SCOTT about the Microsoft Outlook calendar that he had located. SCOTT stated he recalled it being hung up by the computer. SCOTT stated he did not recall printing it from the computer. SCOTT stated he assumed it was TERESA's writing on the calendar.

SCOTT indicated that he did not know how much TERESA used the Palm Zire 31 that she had.

I showed SCOTT a photograph of the front of TERESA's RAV 4 and pointed out the damage to the vehicle. SCOTT stated he could not recall any damage to the vehicle and further could not recall TERESA mentioning any damage to her vehicle.

I also asked SCOTT about the missing key fob. SCOTT stated he could not recall anything about any key fob.

SCOTT described TERESA as being very organized. SCOTT stated he was not aware of TERESA's day-to-day activities and usually things were not discussed unless they were either very unusual or of some importance. SCOTT indicated TERESA's day-to-day activities would start normally after SCOTT left for work. SCOTT stated he was unsure if TERESA would have

been in and out of the residence during the day, but did state that if TERESA was working her job at AUTO TRADER, her schedule would have allowed her the opportunity to stop in at home from time to time.

TYPE OF ACTIVITY: Telephone Contact with Barbara Tadych

DATE OF ACTIVITY: 02/28/18

REPORTING OFFICER: Special Inv. John Dederling

On Wednesday, 02/28/18 at 1705 hours, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) returned a voicemail message to BARBARA TADYCH.

BARBARA asked when she could expect the return of the computer tower drive, which she had turned over to Special Agent JEFF WISCH of WISCONSIN DEPARTMENT OF CRIMINAL INVESTIGATIONS. I advised BARBARA that I did not know for certain, but would get an answer for her.

During that conversation, I questioned BARBARA about the bedroom arrangements for her four sons, BRENDAN, BRIAN, BLAINE and BOBBY DASSEY. During the review of my notes, I realized I had placed one son in both bedrooms. During a later conversation with BARBARA on Monday, 05/14/18 at approximately 1900 hours, she indicated that to the best of her recollection, BLAINE and BRENDAN shared a room, BOBBY had one room to himself, and BRYAN was in a room in the basement.

TYPE OF ACTIVITY: Contact with Mishicot School District

DATE OF ACTIVITY: 07/19/18

REPORTING OFFICER: Special Inv. John Dederling

On 07/19/18, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) made phone contact with PAIGE KLEIN, an employee at the MISHICOT SCHOOL DISTRICT office.

Klein sent me an "Open Record Request form," which I completed and returned to her, via e-mail. The original request is incorporated in this report.

I receive the requested documents, via e-mail, which were then forwarded to Attorney THOMAS FALLON. Copies of the requested documents can also be found incorporated in this report. It should be noted, the attendance record received from Klein contained highlighted areas.

TYPE OF ACTIVITY: Receipt of Email from Thomas Fallon

DATE OF ACTIVITY: 08/21/18

REPORTING OFFICER: Special Inv. John Dederling

On Tuesday, 08/21/18, I (Special Inv. JOHN DEDERING of the CALUMET COUNTY SHERIFF'S DEPARTMENT) received an e-mail from THOMAS FALLON concerning a portion of my report, specifically whether TERESA HALBACH's RAV 4 was equipped with keyless entry.

FALLON advised that he had received information that a citizen named BRENDA SCHULER researched the subject of keyless entry and learned that 1999 Toyota RAV 4's did not offer keyless entry as an option. However, in my interview with ANGIE KOLLOSO, she advised that the vehicle in question was equipped with keyless entry.

On Wednesday, 09/05/18 at 1300, I made contact with TOYOTA NORTH AMERICA, located in Plano, Texas. The representative in which I had spoken with had researched the VIN from HALBACH's vehicle and determined that this vehicle was not equipped from the factory with keyless entry. The representative further stated that keyless entry was not a factory option for the 1999 model year.

I believe I associated the term "power door locks" (a feature that HALBACH's vehicle did have) with the keyless entry. HALBACH's 1999 Toyota RAV 4 did not come from the factory with keyless entry.
