Narrative begins on the following page.

On Wednesday, November 9, 2005, at approximately 8:45 a.m., SAIC Peter M. Thelen made telephone contact with Merl Kienbaum, of Fox Valley Iron Metal and Auto Salvage, Inc., 3446 Witzel Avenue, Oshkosh, 920-231-8187, to inquire if they have recently received any scrap metal from Avery's Auto Salvage. Kienbaum advised SAIC Thelen that when they receive metal from Avery's Auto Salvage, Fox Valley Iron Metal takes a car crusher to Avery's salvage yard and crushes the vehicles and then transports them for scrap metal. Kienbaum advised SAIC Thelen that Fox Valley Iron Metal has not crushed cars at the Avery property in the last couple months. Telephone contact was then terminated with Kienbaum at Fox Valley Iron Metal.
