On Sunday 11-06-2005 at approximately 1:48 p.m., S/A McGrath received a call from DAWN PLISZKA. S/A McGrath informed PLISZKA that he had received information from her manager at Auto Trader Magazine, Angie Schuster, that PLISZKA had spoken with TERESA HALBACH on 10/31/2005 to arrange a photo appointment scheduled that day.

PLISZKA stated that on 10/31/2005, between 8:30 and 9:00 a.m. a call came in from a man who was speaking in an unclear manner. PLISZKA stated the man was hard to understand, possibly because he was slurring or he was foreign. PLISZKA wrote the name B. JANDA on the appointment form guessing at the man's name. PLISZKA stated that she was not sure that "B" was the actual first initial of the man, but believed the photographer would find out the person's actual name upon arriving to shoot the photo. DAWN PLISZKA told the man on the telephone that she was unsure if the photographer would be able to take photographs that day, however, she would attempt to get a hold of the photographer. Typically, photographers do not take photos on the same day the request is made. The man on the phone told PLISZKA that the photographer (referred to as "she") had been out to the residence before to take photos.

PLISZKA attempted to call HALBACH and left her a message. HALBACH called back to the office when PLISZKA was out for lunch. PLISZKA called HALBACH again in the afternoon and spoke to HALBACH, who stated she was on her way to the AVERY property to take the photo that had been previously requested by phone that morning. HALBACH was aware that the AVERY brothers lived on the property where she was traveling and told PLISZKA that the family owned two or three houses on the same road. HALBACH and PLISZKA had joked in the past about the AVERY brothers. PLISZKA was told by HALBACH that one of the brothers had come outside dressed only in a bath towel on two prior occasions that HALBACH had been to the property to take photos. PLISZKA stated she got the impression from HALBACH that the AVERY brothers were "weird" or "creepy" and that HALBACH was slightly uncomfortable going to the AVERY property. However, at the time HALBACH told PLISZKA she was on her way to the appointment, it did not seem to PLISZKA that HALBACH had any hesitation about going out to the property to take the photos. This phone conversation was the last time PLISZKA spoke with HALBACH.
