Narrative begins on the following page.

On Saturday, November 12, 2005, S/A Rodney J. Pevytoe, accompanied by S/A Ronald Ebben, conducted an examination of the deer hunting camp from Radandt sand and gravel pit, located adjacent to the Steven Avery property. Just outside of a burn barrel at the deer hunting camp site was discovered a small fragment of unburned bone. The contents of the burn barrel at the deer camp were examined, and no items of suspected evidentiary value were noted. The contents of the burn barrel were packaged and saved. The evidentiary items were turned over to Deputy Rick Riemer, of the Calumet County Sheriff's Department, for preservation.
