Narrative begins on the following page.

On Monday, November 14, 2005, at approximately 3:40 p.m., S/A Thomas J. Fassbender had telephone contact with Karen Halbach. S/A Fassbender had contacted Karen Halbach to discuss obtaining personal items of Teresa Halbach's. S/A Fassbender explained to Karen Halbach that the items would be used by the Wisconsin State Crime Laboratory to attempt to obtain a DNA profile for Teresa Halbach. It was agreed that S/A Fassbender would contact Ryan J. Hillegas to attempt to obtain some of those items from Teresa Halbach's residence.

During the discussion with Karen Halbach, S/A Fassbender asked Karen Halbach what type of soda Teresa drank. Karen Halbach was not sure and S/A Fassbender asked if she drank wild cherry Pepsi. Karen Halbach advised that they do drink that at their house a lot.

S/A Fassbender asked if Teresa Halbach had any skeletal type injuries growing up and Karen Halbach advised none that she knew of. Karen Halbach advised that Teresa Halbach was somewhat double jointed, in that she could touch her elbows behind her back.

Karen provided no further information and the contact was concluded.
