Date of Report: 02/16/2006

Activity: Transfer Cranial Evidence from Dr. Leslie Eisenberg to WI Crime Lab

Date of Activity: 02/15/2006

Pursuant to a request made by Calumet County Sheriff's Detective Mark Wiegert, S/A James C. Holmes met with Dr. Leslie Eisenberg at the Dane County Morgue on Wednesday, 02/15/2006 at approximately 8:30 a.m. to pick up cranial bone evidence to transfer to the Wisconsin Crime Laboratory for examination. Dr. Eisenberg provided S/A Holmes with two plastic bags containing evidentiary items for transfer to the Wisconsin Crime Laboratory. Both plastic bags were sealed with evidence tape. One plastic bag contained 'cranial refits' and showed a date of 02/15/2006. The second plastic bag contained cranial, face, and dental items and showed a date of 11/10/2005. S/A Holmes documented his receipt of the aforementioned evidentiary items on DCI Property Receipt #D6276.

On 02/15/2006, S/A Holmes transported the aforementioned evidentiary items to the Wisconsin Crime Laboratory in Madison. Between approximately 9:15 a.m. and 9:30 a.m., S/A Holmes provided the aforementioned evidentiary items to Crime Laboratory Evidence Technician Sue E. Gitchel.

A copy of DCI Property Receipt #D6276 and a copy of the Wisconsin Crime Laboratory's 'Receipt of Physical Evidence' form will be included in the case file.

End of report.
