Narrative begins on the following page.

Case 05-1776  
January 26, 2007

On January 17, 2006 Sr. Electronics Technician Larry A. Flessert, per request from Special Agent Tom Fassbender, processed five audio clips. The clips were recordings of conversations involving Steven Avery, from the Calumet County Jail. The clips were converted from Value Added Communications format to .WAV format, and then placed on CD-R disk. That disk was then turned over to Carla Guildner for court preparation.
