TRANSCRIPT OF PROCEEDINGS

Reported by Diane Tesheneck, RPR
Official Court Reporter

1 THE COURT: At this time the Court calls
2 two matters that are scheduled for initial
3 appearance today, both entitled State of Wisconsin
4 vs. Steven A. Avery, Case No. 05 CF 375 and 05 CF
5 381. Will the parties state their appearances for
6 the record, please.

7 ATTORNEY KRATZ: Your Honor, the State of
8 Wisconsin appears by Calumet County District
9 Attorney Ken Kratz. I appear in each case as
10 Special Prosecutor.

11 ATTORNEY LOY: Steven Avery appears
12 personally with his attorneys, Erik Loy and Craig
13 Johnson, your Honor. We would note this is a
14 special appearance subject to objection of the
15 jurisdiction of the Court.

16 THE COURT: Has the defendant received a
17 copy of the Complaint in each of these matters?

18 ATTORNEY LOY: We have, your Honor. We
19 just received a signed copy of the Complaint in 05
20 CF 381. Previously, I obtained a copy of the
21 Complaint in the other felony matter in that case.
22 At this time, Mr. Avery is not eligible for our
23 services. We'll be looking into that further, but
24 at this time he's not eligible for our services on
25 that case.

1 THE COURT: He is not eligible on one case,
2 but is on the other?

3 ATTORNEY LOY: That's correct.

4 THE COURT: What's the basis for that?

5 ATTORNEY LOY: There's an asset.

6 THE COURT: Okay. Are you representing him
7 on that matter for purposes of today's hearing?

8 ATTORNEY LOY: We aren't allowed to due to
9 the eligibility standards, your Honor. I guess it's
10 up to the Court whether the Court wants to appoint
11 counsel in that case.

12 THE COURT: To this point, I haven't
13 received an application for appointment of counsel.
14 And I was not aware until this moment that you would
15 not be representing him on both cases. But a
16 defendant is entitled to be represented by an
17 attorney at all stages of these proceedings. Are
18 you asking for a continuance on that case?

19 ATTORNEY LOY: Perhaps that case could be
20 continued and the Court could hold a status
21 conference on it on the next date of the other case.

22 THE COURT: All right. You have received a
23 copy of the Complaint in 05 CF 381?

24 ATTORNEY LOY: Yes, your Honor. We'll
25 waive reading of that Complaint, request a

1 preliminary hearing. We are willing to waive time
2 limits on that case.

3 THE COURT: All right. And, Mr. Kratz, how
4 much time do you anticipate will be required for the
5 preliminary examination?

6 ATTORNEY LOY: I would ask for a half a
7 day, Judge.

8 THE COURT: I should indicate for the
9 record, I met briefly with counsel, before we began
10 today, concerning their schedules. And it's my
11 understanding that 1:00 on Tuesday, December 6th
12 works for both parties.

13 ATTORNEY LOY: That works fine for us, I
14 believe, your Honor.

15 THE COURT: Very well. The Court will
16 schedule the preliminary examination in this matter,
17 then, for 1:00 p.m. on Tuesday, December 6th. I do
18 not believe that bail has been set yet; what is the
19 State's request on bail?

20 ATTORNEY KRATZ: Just prior to talking
21 about bail, Judge, I know that the Court has put
22 aside the felon in possession case, obviously the
23 evidence which would lead to potential probable
24 cause finding of the Court is similar in that file
25 as well.

1 I don't know if the Court is in a
2 position to have a continued initial appearance
3 between now and then, perhaps use that same time
4 as the preliminary hearing date, if and when
5 Mr. Avery is afforded the assistance of counsel.
6 That would certainly be our request, that it be a
7 joint preliminary hearing. And once that
8 decision is made by the Court, I'm prepared to be
9 heard on bond. Thank you.

10 THE COURT: Mr. Loy, I'm not sure, you
11 mentioned, he didn't qualify on 375 because of an
12 asset. Doesn't he have the same asset on the other
13 case?

14 ATTORNEY LOY: The standard for eligibility
15 are different for the two types of cases, your
16 Honor.

17 THE COURT: All right. Let's do this, I
18 want to look into the matter on 375 a little
19 further, but I am going to schedule the preliminary
20 examination, at least on 381, for 1:00 on the 6th.
21 And it may be, depending on my review, that the
22 prelims can be joined between now and then or may
23 not, because I, frankly, was not ready for this
24 issue today. Moving on, then, to the question of
25 bail.

1 ATTORNEY KRATZ: Thank you, Judge. Judge,
2 the State is recommending a substantial cash bond in
3 this case. As the Court knows, there are statutory
4 factors that the Court need consider when deciding
5 the issue of bond, including the gravity of the
6 offense; potential penalties; the degree of violence
7 involved; prior record, if any; character and
8 strength of the evidence that is to be presented;
9 whether a defendant has substantial ties to the
10 community.

11 Of those, Mr. Avery, the State argues,
12 can only claim that he has ties to the community
13 in that he does live and work within the
14 community. The rest of the factors are strong
15 indicators of the need for a substantial cash
16 bond. The homicide nature and mutilation of a
17 corpse speaks to the gravity of the offense with
18 potential imprisonment that Mr. Avery faces
19 includes life, plus 22 and a half years.

20 The act that is alleged in the
21 Complaint, as well as the destruction of
22 evidence, is all of a highly violent nature.
23 Mr. Avery comes before this Court with a prior
24 criminal history including a 1986 conviction for
25 endangering safety, which was a case involving

1 pointing a firearm at a citizen; includes a 1980
2 and 1981 burglary conviction; as well as a 1982
3 conviction for the criminal offense of cruelty to
4 an animal.

5 The State argues that the character and
6 strength of evidence in this case is substantial,
7 as alleged in the Complaint. There's been a DNA
8 match, or series of matches implicating Mr. Avery
9 in the commission of each of these offenses.

10 And for all of those reasons, especially
11 given the likelihood that Mr. Avery would flee so
12 as not to be made available for future court
13 appearances, the State is asking for a \$1 million
14 cash bond. That's all I have this afternoon.
15 Thank you, Judge.

16 THE COURT: Mr. Loy.

17 ATTORNEY LOY: Your Honor, this case was
18 being investigated for several days and Mr. Avery
19 was free to come and go as he pleased. Despite the
20 fact that Mr. Avery knew about this investigation,
21 knew that he was a suspect, he didn't go anywhere.

22 He has substantial ties to the
23 community, numerous family members, a number of
24 them are here in court today. The convictions
25 that Mr. Kratz mentioned are all cases that are

1 quite old. I would ask the Court, if the Court
2 is going to set a cash bail on this case, to set
3 a more reasonable amount that perhaps Mr. Avery
4 and his family might have some hope of posting,
5 perhaps in the neighborhood of \$50,000. Thank
6 you.

7 THE COURT: All right. The -- As counsel
8 points out, there are factors the Court is to
9 consider that cut both ways in this case. I think
10 Mr. Avery has had ties to this community as not
11 indicated -- or there's been no indications that he
12 is inclined to flee.

13 On the other hand, he does have a prior
14 criminal record, as the State points out. At
15 this early proceeding, there's some indications
16 in the Complaint of corroborating elements to the
17 evidence, but I think the primary factor here is
18 the severity of the offenses that are charged, in
19 terms of warranting a significant cash bail.

20 So the Court is going to set cash bail
21 in this case at \$500,000. Is there anything
22 further from either party this afternoon?

23 ATTORNEY KRATZ: Judge, is there an
24 opportunity that the Court would like to discuss the
25 375 case, or perhaps in a phone conference, or

1 something along those lines? My concern, and I
2 appreciate the Court's dilemma, my concern is that,
3 especially the victim's family, doesn't have to go
4 through the prelim process twice.

5 THE COURT: All right. How about a
6 telephone status conference this coming Monday at
7 4:00?

8 ATTORNEY LOY: It's possible I will be
9 involved in a trial then, your Honor; although it's
10 doubtful.

11 THE COURT: Let's do this, we'll
12 tentatively set it for 4:00. It's only going to be
13 a status conference. The defendant need not be
14 present; we won't be going on the record. If for
15 some reason, Mr. Loy, you are in trial and
16 unavailable, let my judicial assistant know and
17 we'll arrange it for a different time.

18 ATTORNEY KRATZ: That's the 21st, Judge?

19 THE COURT: Correct.

20 ATTORNEY KRATZ: Who should initiate that
21 call? I'm happy to do it, Judge, if you want me to
22 do it.

23 THE COURT: That will be fine.

24 ATTORNEY LOY: I will probably just come
25 over to your chambers.

THE COURT: Anything else this afternoon?

ATTORNEY KRATZ: That's all for today.

Thank you, Judge.

THE COURT: At this time the bail is set to cover both files. I will make the bail decision at this time even though the initial appearance is continued on Case 375. If there's nothing further, we're adjourned for today.

1 THE COURT: At this time the Court calls
2 Case Nos. 05 CF 375 and 05 CF 381, State of
3 Wisconsin vs. Steven A. Avery. These matters are
4 scheduled for a preliminary examination this
5 afternoon. Will the parties state their appearances
6 for the record, please.

7 ATTORNEY KRATZ: The State appears by
8 Calumet County District Attorney Ken Kratz. I'm
9 appearing as Special Prosecutor in the matter.

10 ATTORNEY LOY: Steven Avery appears
11 personally, with his attorneys, Erik Loy and Craig
12 Johnson. Your Honor, I would, at the outset, move
13 to separate witnesses.

14 THE COURT: Mr. Kratz.

15 ATTORNEY KRATZ: We have instructed our
16 witnesses as to sequestration, Judge, that's already
17 been done.

18 THE COURT: Have they also been instructed
19 not to speak to each other until they are done
20 testifying?

21 ATTORNEY KRATZ: Until they are what?

22 THE COURT: Any witness who --

23 ATTORNEY KRATZ: Any witness who testifies
24 will not speak with the witnesses who have not been
25 in court, Judge.

1 THE COURT: Correct.

2 ATTORNEY KRATZ: Yes.

3 THE COURT: Okay. And, Counsel, I believe
4 there's agreement that, although we're dealing with
5 two case files today, the State is going to present
6 evidence at the prelim related to both files and the
7 Court, then, will make a separate finding with
8 respect to each file, following the conclusion of
9 the hearing. Mr. Kratz, is that your understanding?

10 ATTORNEY KRATZ: That's my understanding,
11 your Honor.

12 THE COURT: Mr. Loy.

13 ATTORNEY LOY: That's our understanding
14 also, your Honor.

15 THE COURT: That's acceptable to the State
16 and the defense?

17 ATTORNEY KRATZ: Yes.

18 ATTORNEY LOY: Yes.

19 THE COURT: The Court has also received a
20 motion for bail reduction and I will take that up at
21 the conclusion of the preliminary examination.
22 Anything else before we proceed, Counsel?

23 ATTORNEY KRATZ: Not from the State, your
24 Honor.

25 ATTORNEY LOY: Not from us, your Honor.

1 THE COURT: If not, Mr. Kratz, you may call
2 your first witness.

3 ATTORNEY KRATZ: State will call Pam Sturm
4 to the stand.

5 THE CLERK: Please remain standing. Raise
6 your right hand.

7 **PAMELA STURM**, called as a witness
8 herein, having been first duly sworn, was
9 examined and testified as follows:

10 THE WITNESS: I do.

11 THE CLERK: Please be seated. Please state
12 your name, spell your last name for the record.

13 THE WITNESS: Pamela Sturm, last name,
14 S-t-u-r-m.

15 **DIRECT EXAMINATION**

16 BY ATTORNEY KRATZ:

17 Q. Ms Sturm, I'm going to ask you some questions
18 regarding involvement in a case in the early part
19 of November of this year. First of all, were you
20 familiar with a young woman by the name of
21 Theresa Halbach?

22 A. Yes, I was.

23 Q. You will need to speak up just a little bit for
24 us, please. Ms Sturm, can you tell us how you
25 knew Teresa Halbach.

1 A. Tom is my first cousin, so Teresa would be my
2 second cousin.

3 Q. You will need to tell us who Tom is?

4 A. Tom Halbach is Teresa's father.

5 Q. Ms Sturm, at some time about the 4th of November,
6 about Friday, the 4th of November, did you become
7 aware of a search effort that was ongoing for Ms
8 Halbach?

9 A. Yes, I did.

10 Q. And on the next morning then, on the 5th of
11 November, did you agree to participate in that
12 search effort?

13 A. Yes, I did.

14 Q. Could you tell the Court, please, what you did or
15 what you agreed to do that morning.

16 A. I went to Teresa's house and Ryan and Scott were
17 there. And most of the searchers were gone
18 already. So they had some maps on the table, so
19 I took a map. And he said, well, they are going
20 to search there and there and there. And I said,
21 well, I would like to go to, you know, where
22 Teresa was last, which was the Avery Salvage.
23 And he said, well, that's up to you. So that's
24 where we went.

25 Q. When you say we, could you tell me who you went

1 with?

2 A. My daughter was with me.

3 Q. And your daughter's name?

4 A. Nicole Sturm.

5 Q. About how old is Nicole?

6 A. 25.

7 Q. And did you and Nicole then proceed to a piece of
8 property west of Mishicot, Wisconsin, property is
9 known as Avery Auto Salvage?

10 A. Yes, we did.

11 Q. About what time did you get there, if you
12 remember?

13 A. Approximately 10 to 10 a.m.

14 Q. And at about 10 to 10 did you make contact with
15 anybody on that property?

16 A. Yes, I did.

17 Q. Who was that?

18 A. I talked to Earl Avery.

19 Q. And did Earl Avery identify himself or tell you
20 how he might be associated with that property?

21 A. I asked him if he was an Avery and he said, yes,
22 Earl. And on the side of the building, it says
23 that Earl is one of the co-owners. And he did
24 indicate that he is one of the owners of the
25 property.

1 Q. All right. So, in talking to Earl Avery, did you
2 ask him anything, specifically?

3 A. Yes, I did.

4 Q. What did you ask him?

5 A. I asked him if it would be okay if my daughter
6 and I searched the salvage yard for Teresa
7 Halbach's vehicle.

8 Q. Could you just describe the nature of that
9 conversation. And, Counsel, and, the Court, I'm
10 certainly not asking for the truth of the matter,
11 but what she may have done as a result of that
12 conversation. What did you talk about, Ms Sturm?

13 A. Well, we talked about -- Well, at first I said,
14 maybe since it's deer hunting season some of the
15 hunters may go out in the woods and maybe they
16 will find some evidence of Teresa. And Earl
17 indicated that they go deer hunting up in the
18 Crivitz area, that they have a cottage up there.

19 Q. Ms Sturm, I don't mean to interrupt, but I'm
20 going to. Why don't you tell us, at the
21 conclusion of your conversation with Earl, did
22 you ask for any permission to do anything?

23 A. Yes, we asked if we could walk around the
24 property and search for Teresa's vehicle.

25 Q. And did Earl Avery give you permission to search

1 the Avery Salvage Yard, specifically, to try to
2 find Teresa's vehicle?

3 A. Yes, he did.

4 Q. Did you and your daughter, Nicole, then begin a
5 search of the Avery Salvage property?

6 A. Yes, we did.

7 Q. Could you describe, generally, what you recall
8 about that morning and the size, if you will, of
9 the Avery property.

10 A. Well, we came into the property and there are
11 three roads leading into the property. So we
12 went on the center road and there are quite a few
13 huge buildings there. And it looks like a huge
14 quarry. And, evidently, it's 40 acres and it's
15 just a lot of vehicles.

16 Q. All right. Ms Sturm, you said that you began
17 searching the property; do you recall what
18 portion of the property you began to search?

19 A. Well, if you come in the driveway, we started the
20 sweep from left to right. So we started in the
21 southwest corner, I believe.

22 Q. And did you have a specific intent, you and your
23 daughter, regarding that search, what your plan
24 was that day?

25 A. Yes.

1 Q. What was your intent?

2 A. We were going to look in each and every vehicle
3 to make sure that Teresa wasn't in there.

4 Q. All right. Ms Sturm, before you completed, or I
5 should say, before you began your search at the
6 Avery Auto Salvage, did you have a description of
7 the vehicle that Teresa Halbach had last been
8 driving?

9 A. Yes, we did. We obtained some slips from Ryan
10 and Scott and the vehicle description was on
11 there.

12 Q. Basically, what kind of a car were you looking
13 for?

14 A. It was a Rav 4 Toyota.

15 Q. Small SUV; is that right?

16 A. It's a small SUV, yes.

17 Q. Ms Sturm, then, when your daughter, Nicole, and
18 you began searching some of the vehicles, did you
19 happen to come across a vehicle that you
20 believed, generally, fit the description of the
21 vehicle that Teresa had been driving?

22 A. Yes, I did.

23 Q. Could you tell the Court, please, how you came
24 across that vehicle and what it looked like.

25 A. Well, we had searched at least 50 vehicles and

1 RV's and trucks. And my daughter was in the row
2 on the right side of me. And I was going to
3 search my row. And up on an incline, there were
4 approximately seven or eight vehicles. And I
5 thought, well, I have to go up there and search
6 those and make sure it wasn't up there.

7 Q. What do you mean by "up on an incline"?

8 A. Well, if you can picture the quarry, it's like a
9 bowl shape and on top of the ridge they had a
10 little driveway of sorts. And on there, they had
11 like seven or eight cars.

12 Q. All right. I think that you had mentioned that
13 this was on the southern portion of the Avery
14 property?

15 A. Yes, that's correct.

16 Q. When you came across one of those cars, can you
17 tell us what you saw and what you thought.

18 A. Well, it was so unusual because there were
19 branches leaning up against this vehicle. And I
20 came closer and there was a hood of the vehicle
21 braced up against the driver's side of this
22 vehicle. So I went around to the back and it
23 says Rav 4 on it, Toyota. And I just -- I
24 thought, well, yeah, it's got to be that car, but
25 it appeared to be blue.

1 Q. Ms Sturm, let me interrupt, again. When you
2 found this vehicle, or when you saw that it was a
3 Rav 4, how was it that you determined that?

4 A. I looked at the back of the vehicle and it's
5 printed, Rav 4, on the back of the vehicle. And
6 it also says Toyota on it.

7 Q. All right. About what time was it that you came
8 across this vehicle?

9 A. About 10:20 a.m.

10 Q. So, shortly after you began your search; is that
11 right?

12 A. Yes.

13 Q. All right. What did you do then?

14 A. I looked to see if there were license plates on
15 the vehicle. And there weren't any on the front,
16 so I went to the back and there weren't any on
17 the back. And I couldn't see my daughter, so I
18 walked towards my daughter, because she has the
19 cell phone.

20 And I said, Nicole, Nicole. Come here,
21 come here. And she came running. And I said,
22 look at this vehicle. This has got to be the
23 vehicle. It's camouflaged even. She said, yeah,
24 ma, I think it is, but it looks kind of blue.

25 Q. Were you able -- Let me ask you a question first.

1 Are you familiar with identifications on
2 vehicles, which are called VIN numbers --

3 A. Yes.

4 Q. -- vehicle identification number. I will need to
5 finish asking the question first, sorry. How is
6 it that you are familiar with the VIN numbers?

7 A. Because I have 10 years experience in the
8 investigative field.

9 Q. All right. Ms Sturm, were you able to obtain, at
10 least partially, the VIN number for this vehicle?

11 A. Well, actually, my daughter read the number,
12 because I forgot my glasses.

13 Q. All right. Were you able to, and did you, in
14 fact, try to verify the VIN number, or try to
15 verify the identification of this vehicle with
16 any law enforcement authorities?

17 A. Yes, we did. We called the Calumet County
18 Sheriff's Office and attempted to speak with
19 Mr. Pagel. And they gave me voice mail. So I
20 went back to the operator and I said, no, I need
21 to speak to Mr. Pagel, in person now, I think we
22 found the vehicle.

23 So she gave me Mr. Pagel immediately.
24 And I told Mr. Pagel, I believe we found the
25 vehicle in the Avery Salvage Yard. And he said,

1 could you read the VIN number to us, but don't
2 touch anything. Don't touch anything. Try not
3 to touch anything.

4 So, my daughter read the four last
5 numbers, she could see those. And then he said,
6 well, could you read the rest of the numbers.
7 And she read those off to me, so I told Mr. Pagel
8 the VIN number.

9 Q. Were you instructed to do anything at that time?

10 A. We were instructed to step away from the vehicle.
11 Don't touch anything. And go as far away as you
12 can from the vehicle and just wait for the
13 police, they are on their way.

14 Q. All right. Did the law enforcement officer
15 indicate to you on the phone that the VIN numbers
16 had matched?

17 A. No, he would not tell me.

18 Q. Just told you, get away from the vehicle?

19 A. That's right.

20 Q. Now, Ms Sturm, when you and Nicole walked onto
21 the property, did you have any photographic
22 equipment with you?

23 A. Yes, we did. I borrowed a digital camera from
24 Scott because I forgot my camera. And Nicole
25 placed it under her clothing before we went into

1 the yard.

2 Q. After reading off the VIN numbers, did you
3 believe it was important to take a digital photo
4 of the vehicle which you had found and how you
5 found it?

6 A. Yes, we thought we should take photos
7 immediately, in case they told us to get off the
8 property. So we did take four or five pictures.

9 Q. All right. Ms Sturm, if you would be so kind as
10 to look behind you; I'm showing you what's been
11 marked for identification as Plaintiff's Exhibit
12 No. 1. Could you tell us what that is.

13 A. That is the vehicle that we found at Avery
14 Salvage Yard.

15 Q. Could you just kind of point to that exhibit as
16 best you can. This might be a little bit
17 difficult without a microphone, but point to an
18 area and tell us what it was that you found and
19 what you thought was significant.

20 A. As you can see, there's a -- there are branches
21 leaning up against the vehicle and also the front
22 of a -- I can't think of the name of it. And
23 then the VIN number is on the right-hand side of
24 the vehicle, on the drivers's side.

25 Q. Ms Sturm, importantly, Exhibit No. 1, is that the

1 same as -- as you observed the vehicle sometime
2 after 10:00 in the morning on the 5th of
3 November?

4 A. Yes, it is.

5 Q. Were you able to determine, during this whole
6 process, whether or not the vehicle was open or
7 whether or not it was locked?

8 A. My daughter tried the doors and the doors were
9 locked.

10 Q. How did she try the doors?

11 A. Well, we took the sleeves of our sweats and we
12 pulled on the door handle.

13 Q. And the -- all the doors of the vehicle were
14 locked, it was enclosed --

15 A. Yes, that's correct.

16 Q. -- is that right? Ms Sturm, after being told at
17 that point to step away from the vehicle, did you
18 wait for law enforcement officers to arrive?

19 A. Yes, we did.

20 Q. About how long did it take for law enforcement
21 officers to arrive at the scene, if you remember?

22 A. Approximately 20 minutes.

23 ATTORNEY KRATZ: All right. Your Honor, I
24 will move the admission of Exhibit 1 at this time.
25 I don't have any further questions of Ms Sturm.

1 Thank you.

2 THE COURT: Mr. Loy. First of all, does
3 defense have any objection to admission of the
4 exhibit?

5 ATTORNEY LOY: No objection for purposes of
6 today's hearing.

7 THE COURT: All right. Do you have any
8 questions for this witness?

9 ATTORNEY LOY: Yes, your Honor.

10 THE COURT: You may proceed.

11 ATTORNEY LOY: Thank you, Judge.

12 **CROSS-EXAMINATION**

13 BY ATTORNEY LOY:

14 Q. Ms Sturm, Exhibit 1, is that a photo that you
15 took?

16 A. That is a photo that my daughter, Nicole, took.

17 Q. Okay. With the camera that the two of you had
18 with you?

19 A. Yes, that's correct.

20 Q. Okay. And the two of you had taken a few other
21 photos that day?

22 A. Four or five photos of the car.

23 Q. When you first got to the salvage yard, where did
24 you find Earl Avery?

25 A. Well, we walked into the main building to see if

1 we could find one of the Averys and we couldn't.
2 So we came back outside and there were two
3 individuals in the parking lot. And when they
4 got finished with the conversation, I said, are
5 you an Avery. And at that time, he identified
6 himself.

7 Q. One of the two individuals?

8 A. Yes.

9 Q. Did the other person identify himself?

10 A. No, he had walked away at that point.

11 Q. When you drove into the Avery property, were
12 there any gates or anything preventing you from
13 entering?

14 A. We just drove into the property, up to the
15 building. We didn't drive any further than that.
16 But there were no blockades or anything, if
17 that's what you are asking.

18 Q. And there was no one standing there watching who
19 was going in and out of the property?

20 A. No, sir.

21 Q. So, did you park by the main office building?

22 A. Yes.

23 Q. And then, that's where you went in first to try
24 to find someone?

25 A. That's correct.

1 Q. When you went down into the area where all the
2 cars are, it was kind of a pit or a quarry; is
3 that right?

4 A. Yes.

5 Q. Did you drive down there or did you walk?

6 A. We walked down there.

7 Q. Okay. And was there anything, any gates or
8 anything, preventing you from walking down into
9 that area?

10 A. No.

11 Q. Did you see any other people down there?

12 A. There were a couple people in the salvage yard,
13 yes.

14 Q. And did you find out who those people were?

15 A. No, sir.

16 Q. Was there anyone else searching the salvage yard
17 that day, besides you and your daughter?

18 A. I don't believe so.

19 Q. As far as you know, the only people there
20 searching were the two of you; is that right?

21 A. That's correct.

22 Q. When you went in the main office, you didn't see
23 anybody there?

24 A. No, we didn't.

25 Q. Did you touch anything in that office?

1 A. No, sir.

2 Q. How long did you stay in there?

3 A. Maybe about two seconds.

4 Q. Okay. All right. What did the person who was
5 talking with Earl Avery look like? Can you give
6 me a description of him?

7 A. He was approximately 5 foot 8, 170 pounds, light
8 brown hair.

9 Q. Where were these people standing?

10 A. I'm sorry?

11 Q. Where were the two of them standing, Earl and
12 this person he was talking to?

13 A. They were out in the parking lot.

14 Q. In --

15 A. Right in front of the building.

16 Q. In front of the main office area?

17 A. I believe that's the main office.

18 Q. Okay. Was the door to the main office unlocked?

19 A. Yes.

20 Q. When you saw this Rav 4 vehicle, did you -- did
21 you move any of the items that were -- that were
22 covering it or on top of it?

23 A. The only thing that we moved was the hood. And
24 if you can picture, the hood has got a real thin
25 part where you can just move it a little bit away

1 from the car. And, again, we used our sleeves to
2 pull it away from the car.

3 Q. When you say the hood, you are talking about a
4 hood off another vehicle?

5 A. Correct.

6 Q. It wasn't the hood of the Rav 4?

7 A. No.

8 Q. It was some other hood, right?

9 A. Yes.

10 Q. Okay. And you -- How far did you move it?

11 A. We just moved it off. It was leaning against it
12 and we just moved it off to see if we could, you
13 know, see anything else.

14 Q. All right. And your daughter tried to open the
15 doors of the Rav 4?

16 A. That's correct.

17 Q. And she used her sleeve?

18 A. Yes.

19 Q. Did either of you use tissues or anything like
20 that?

21 A. No.

22 Q. The vehicle was locked?

23 A. That's correct.

24 Q. Did -- Were all the doors tried?

25 A. The two, the passenger door and the driver's

1 door, were tried.

2 Q. For the front seat?

3 A. Pardon me?

4 Q. For the front seat?

5 A. There are only two doors.

6 Q. Oh, it's only a two-door vehicle?

7 A. I believe so.

8 Q. Okay. Were you aware of any plans to have anyone
9 else search the salvage yard that day?

10 A. I don't believe so. I never heard anything.

11 Q. The people who were down in the salvage yard,
12 that you saw, can you give me a description of
13 them?

14 ATTORNEY KRATZ: Judge, I understand
15 Mr. Loy may want this information for discovery
16 purposes, but it goes beyond the scope of the
17 preliminary hearing. I will interpose an objection.

18 THE COURT: Mr. Loy.

19 ATTORNEY LOY: He is right, we would like
20 to learn more about these gentlemen.

21 THE COURT: All right. I will sustain the
22 objection.

23 ATTORNEY KRATZ: Thank you.

24 Q. (By Attorney Loy) When you opened the door to the
25 office, did you grab the doorknob and pull it

1 open, or how did you get into the office?

2 A. I believe the door goes in.

3 Q. So, you pushed the door in?

4 A. No, I think I grabbed the doorknob.

5 Q. Grabbed the doorknob and turned it and pushed the
6 door in; is that how it went?

7 A. Right.

8 Q. Okay. When you first got there, you didn't see
9 anyone outside, right?

10 A. Yes, we saw two men conversing by the car.

11 Q. Okay. So you saw these two guys conversing by a
12 car, but you went in the main office door to find
13 someone, and then -- is that right?

14 A. That's correct.

15 Q. And then, when you didn't find anyone in the
16 office, you went outside and talked to the two
17 guys?

18 A. That's correct.

19 Q. And where were they standing?

20 A. They were standing to the right of my vehicle, in
21 between two other vehicles.

22 Q. And did you park your vehicle sort of in a
23 courtyard area near the door to the main office?

24 A. I parked almost directly in front of the door to
25 the office.

1 Q. When you were talking with Mr. Avery, Mr. Earl
2 Avery, about your plans to search, what did you
3 tell him about that?

4 A. I'm sorry, I don't understand the question.

5 Q. You told Mr. Earl Avery that you wanted to search
6 the salvage yard; is that right?

7 A. That's correct.

8 Q. Did you tell him where you wanted to search?

9 A. I told him that we wanted to search the whole
10 yard.

11 Q. Okay. And did he -- What did he say in reply to
12 that?

13 A. He said that, well, you really shouldn't take
14 your car because the roads are really bad down
15 there, so I would recommend that you walk.

16 Q. Okay. Did he say anything else?

17 A. No.

18 Q. What did you say as far as why you wanted to do
19 the search?

20 A. I said it would relieve Tom and Karen's minds if
21 we could determine if the car was on the property
22 or it wasn't on the property.

23 Q. Okay. When you did the search, you were looking
24 for Teresa and for her vehicle; would that be
25 fair to say?

1 A. That's correct.

2 Q. Did Earl Avery have any response when you said it
3 would relieve the parent's minds if you could
4 look for the car? Did he have any response to
5 that?

6 A. He just said, I know how it feels, because we
7 lost a nephew a year ago and I know how they
8 feel.

9 Q. Earl Avery was very cooperative with you?

10 A. Yes.

11 Q. He didn't give you any problems with searching
12 the property?

13 A. Well, at first he said he thought somebody else
14 was there already to search, but they took a
15 vehicle through the yard. And he kind of said,
16 well, you know, they searched already.

17 Q. Did he say anything about what these other
18 searchers did or found?

19 A. No, he didn't.

20 Q. Did he say it was okay, then, for you to do the
21 search?

22 A. Yes, he did.

23 Q. Did Earl Avery say anything about where to start
24 the search, or anything along those lines, give
25 you any direction?

1 A. No, sir.

2 Q. He did say you should go on foot?

3 A. Yes, he did.

4 Q. How did you and your daughter decide where you
5 were going to start searching?

6 A. We didn't, we just said we would go from left to
7 right.

8 ATTORNEY LOY: Nothing further, your Honor.

9 THE COURT: Any redirect?

10 ATTORNEY KRATZ: No, Judge.

11 THE COURT: The witness is excused.

12 ATTORNEY KRATZ: Call Tom Fassbender to the
13 stand.

14 THE CLERK: Please raise your right hand.

15 **THOMAS FASSBENDER**, called as a witness
16 herein, having been first duly sworn, was
17 examined and testified as follows:

18 THE CLERK: Please be seated. State your
19 name for the record, please.

20 THE WITNESS: Thomas Fassbender,
21 F-a-s-s-b-e-n-d-e-r.

22 **DIRECT EXAMINATION**

23 Q. Mr. Fassbender, how are you employed?

24 A. I'm a Special Agent with the Wisconsin Department
25 of Justice, Division of Criminal Investigation.

1 Q. Sometime in early November of this year, were you
2 asked to participate in a search for a missing
3 person and, thereafter, participate in a criminal
4 investigation regarding Teresa Halbach?

5 A. Yes.

6 Q. How were you asked to participate in that?

7 A. The Calumet County Sheriff's Department requested
8 DCI services.

9 Q. Agent Fassbender, is it fair to indicate that
10 you, together with Calumet County Investigator
11 Mark Wiegert, served as lead investigators in
12 this investigation?

13 A. Yes.

14 Q. Agent Fassbender, let me first have you direct
15 your attention to what's been marked as
16 Plaintiff's Exhibit No. 2, the aerial photograph
17 to your immediate right. Since other witnesses
18 are going to be using that exhibit, could you
19 tell us what that is, please.

20 A. That's an aerial photograph of the Avery Salvage
21 Yard.

22 Q. How is it that you recognize that?

23 A. Because I was at that scene for about seven days.

24 Q. About how many hours a day were you there?

25 A. Probably averaged about 16.

1 Q. All right. So it's fair that you're pretty
2 familiar with almost every inch of that property;
3 isn't that true?

4 A. Well, I'm familiar with it, I wouldn't say every
5 inch.

6 Q. All right. Agent, I'm going to hand you a laser
7 pointer, it's the yellow button that is in the
8 middle of this particular device. Why don't you
9 just kind of give us a lay of the land, how is it
10 that you come in from the highway onto the Avery
11 property and, perhaps, point out those areas that
12 are marked on Exhibit No. 2.

13 A. Okay. Avery Road would be coming in right here
14 from, I believe, the north. They kept going
15 upward there. And the highway is up there to the
16 north.

17 If you go to what would be, I believe,
18 the west, along this driveway or road here, and
19 down to the end where you see the little circle
20 here, down here you have the residence that Steve
21 Avery stayed in. His sister, Barbara Avery,
22 lived next door to him. Steve's garage would be
23 right there and Barbara's garage right there.
24 And then, down here, I believe this was Mr. and
25 Mrs. Avery's house right back in here. If you

1 take this road --

2 Q. If I could just stop you, by Mr. and Mrs. Avery,
3 you mean Steven's parents; is that right?

4 A. Yes, Steven's parents, Al, and I think it's
5 Delores.

6 Q. Go ahead. Who else lived there?

7 A. And then this road down here, to the south, would
8 take you down in to what I believe they call the
9 pit, or the salvage yard area. You go by, I
10 think this is what would be Chuck Avery's
11 residence, which is Steve Avery's brother, right
12 along there. And then these are shops. And the
13 office, I believe, is right there, the main
14 office, and then shops where they would do their
15 work -- their work -- their salvage work.

16 And then down here, there was a crusher
17 located down in the pit. I think it was down in
18 this area, right in here, to crush cars. And
19 then there's a small road that goes along the
20 south end. There's a big berm back here. On the
21 other side of that berm is what would be a gravel
22 pit or whatever. And --

23 Q. Let me just stop you. At the bottom most portion
24 of Exhibit No. 2, that would be where the Avery
25 property ends; is that correct?

1 A. That's correct.

2 Q. Now, when you were asked to assist in the
3 investigation, in fact, very early in this
4 investigation, Saturday, the 5th of November, had
5 you received, and did you assist in the execution
6 of a search warrant for the entire Avery
7 property, all vehicles on the Avery property, all
8 residences and all out buildings?

9 A. Yes.

10 Q. Agent Fassbender, I understand that on the 5th of
11 November, law enforcement took control, if you
12 will, of the Avery property. Do you know when it
13 was that law enforcement relinquished control,
14 that is, when the dozens of search warrants that
15 were eventually executed there concluded? Do you
16 recall?

17 A. It was on a Saturday and -- the 12th, I believe.

18 Q. Okay. About a week; is that right?

19 A. Yes.

20 Q. Now, throughout that week, Agent Fassbender, you
21 were aware of various items, that you believed
22 had evidentiary value, being found. And as lead
23 investigator, were you kept apprised of not only
24 when those items were found but, specifically,
25 where they were found upon this property?

1 A. Yes, most of the time.

2 Q. You mentioned that there is a residence of Steven
3 Avery; do you know the address of that residence?

4 A. 12932 Avery Road, Town of Gibson, Manitowoc
5 County, State of Wisconsin.

6 Q. Later, that is, several days into the
7 investigation, you had occasion to make personal
8 contact with Steven Avery; is that correct?

9 A. Yes.

10 Q. Is that gentleman in the courtroom this
11 afternoon?

12 A. Yes.

13 Q. Could you point him out for the record.

14 A. To your right, wearing the black and white
15 striped outfit.

16 ATTORNEY KRATZ: Your Honor, I would ask
17 that the record reflect the defendant's
18 identification.

19 THE COURT: The record will reflect that
20 the witness identified Mr. Avery.

21 Q. (By Attorney Kratz) Now, Agent Fassbender, very
22 shortly after Ms Sturm found what was believed to
23 be Teresa Halbach's vehicle, did you become
24 involved that same day, and did you proceed to
25 the Avery Salvage Yard, to assist in this

1 investigation?

2 A. Yes.

3 Q. During the course of your investigation, did you
4 have occasion to review official reports of the
5 Wisconsin Department of Transportation and were
6 you able to determine ownership of the Rav 4 that
7 was located on the Steven Avery property?

8 A. Yes.

9 Q. I've handed you what's been marked for
10 identification as Plaintiff's Exhibit No. 4. Can
11 you tell us what that is, please.

12 A. That's a Certificate of Record Copy from the
13 Wisconsin Department of Transportation,
14 pertaining to a 1990 Toyota truck,
15 registration -- registered by Wisconsin license
16 plate number SWH582 to Teresa M. Halbach and
17 vehicle identification number JT3HP10V5X7113044.

18 Q. And on the 5th of November and, in fact, on days
19 thereafter, were you able to determine whether
20 the Rav 4 found on Steven Avery's property, in
21 fact, was the same Rav 4 that was owned by Teresa
22 Halbach?

23 A. Yes.

24 Q. And does Exhibit No. 4, that is, the certified
25 Department of Transportation Record, verify that

1 fact?

2 A. Yes.

3 ATTORNEY KRATZ: Would move the admission
4 of Exhibit 4 at this time, your Honor.

5 THE COURT: Any objection?

6 ATTORNEY LOY: No objection for purposes of
7 this hearing, your Honor.

8 THE COURT: All right. Exhibit 4 is
9 admitted. Counsel, I'm going to ask you to approach
10 here, briefly.

11 (Side bar taken.)

12 ATTORNEY KRATZ: I'm sorry, Judge, did you
13 rule on it's admissibility?

14 THE COURT: The defense admitted that -- or
15 defense did not object to admission of the exhibit
16 and I did admit it.

17 And I will indicate, for the benefit of
18 everybody else, that I was handed a note
19 indicating that, as part of the broadcast of the
20 proceedings, we have been told that at times the
21 microphones are apparently sensitive enough so
22 that the people on the broadcast can hear what
23 the attorneys are saying to each other. So make
24 sure you press the mute button when you talk to
25 each other, or lean back far enough away from the

1 microphone so that won't happen.

2 ATTORNEY KRATZ: Try not to give away any
3 secrets. That's fine, Judge.

4 Q. (By Attorney Kratz) Mr. Fassbender, on the 5th of
5 November, were you also involved in the
6 processing or review of the Rav 4 that was found
7 upon that property?

8 A. Yes.

9 Q. Were you able to view where, upon that property,
10 the Rav 4 was located?

11 A. Yes.

12 Q. And using the laser pointer, again, and referring
13 to Exhibit No. 2, if you could, again, give us a
14 orientation as to where the different buildings,
15 residences may be, and where Teresa Halbach's Rav
16 4 was found?

17 A. Again, Steve Avery's residence up on the
18 northwest corner of the property; his sister,
19 Barb; his parents; brother, Chuck; the buildings
20 where they have their shops and offices; the road
21 going south into the pit; the extreme south side
22 of or edge of their property. And down towards
23 the southeast portion of the property, on a small
24 trail, I guess you would call it, her vehicle was
25 located alongside that trail.

1 Q. After the search warrant was exec -- excuse me --
2 authorized, did you participate in viewing the
3 vehicle and did you assist members of the
4 Wisconsin State Crime Lab in processing and
5 deciding how to search that vehicle?

6 A. Yes, to a certain degree.

7 Q. What was decided regarding the processing or
8 search of the Rav 4?

9 A. That the vehicle would be, essentially,
10 transported as it was found and not processed at
11 the scene, transported through Wisconsin State
12 Crime Laboratory in an enclosed trailer and
13 processed in Madison, at the Crime Laboratory in
14 Madison.

15 Q. I'm going to show you, on the picture behind you,
16 what's been marked as Plaintiff's Exhibit No. 5;
17 can you tell us what that is, please.

18 A. That's a picture of a portion of that RAV 4
19 vehicle as it was located, or found, on the Avery
20 property, I believe.

21 Q. This is a picture that's apparently taken in the
22 evening or early evening hours. Is that the same
23 or similar as it appeared to you just prior to
24 the Wisconsin State Crime Laboratory processing
25 and, in fact, loading up that vehicle to take it

1 to Madison?

2 A. Yes.

3 ATTORNEY KRATZ: I move the admission of
4 Exhibit 5, Judge.

5 THE COURT: Any objection?

6 ATTORNEY LOY: None for this hearing.

7 THE COURT: Exhibit 5 is admitted.

8 Q. (By Attorney Kratz) Agent Fassbender, could you
9 remind those in this room, who weren't at that
10 scene, what the weather became like just after,
11 perhaps, taking that picture?

12 A. It became very nasty. It rained extremely hard.
13 Shortly after that picture, obviously, it was
14 dark, it was night, visibility was pretty much
15 zero, except for the lights, the spotlights that
16 had been put up by the Sheriff's Department.

17 Q. Excuse me. The impending weather, did that play
18 into your's and the Crime Lab's decision to also
19 remove that vehicle and have it searched in a
20 more pristine area, that being at the Madison
21 Crime Lab?

22 A. Certainly that played into that decision.

23 Q. Now, when that vehicle was located, it did not
24 bear Teresa Halbach's registration plates or
25 vehicle plates; is that correct?

1 A. That's correct.

2 Q. During the course of the investigation, and in
3 the next several days after the 5th of November,
4 did you seek the assistance, and receive the
5 assistance, of literally hundreds of law
6 enforcement and other professionals to search,
7 virtually, all of the Avery property?

8 A. Yes.

9 Q. During one of those search efforts, are you
10 familiar that in a detailed search of the
11 interior of all of those vehicles at the Avery
12 property, that the license plates for Teresa's
13 Rav 4 were located?

14 A. Yes.

15 Q. Could you describe for the Court where they were
16 located, please.

17 A. Alongside the entry road going down to Steven
18 Avery's residence and Barbara Avery's residence,
19 on the south side of that road, there was a
20 salvaged vehicle, or a vehicle located right
21 there, that law enforcement personnel that were
22 doing the search located the two license plates
23 inside that vehicle. And they were crinkled up
24 or rolled up, in that type of condition.

25 Q. All right. And so that the Court is aware, is it

1 your understanding that literally every vehicle
2 on that salvage yard was searched, not once but
3 at least two times during the course of the week,
4 not only for the body of Teresa Avery, but also
5 for -- excuse me -- Teresa Halbach, but also any
6 items that may have what might be evidentiary
7 value; is that fair?

8 A. Yes.

9 Q. Agent Fassbender, I'm going to ask you to direct
10 your attention to the upper left hand corner of
11 Exhibit #2. There are items which are identified
12 as burn barrels. Could you describe what those
13 are, please.

14 A. This burn barrel, just to the north of Steven
15 Avery's garage and residence area, had been
16 identified by Mr. Avery as his burn barrel. And
17 then, there are some burn barrels that were
18 located more to the east and south, or southeast
19 of Barbara Avery's house. And then, also a burn
20 pit, or burn area, directly behind Steven Avery's
21 garage, or to the south of his garage.

22 Q. The last item, or one of the last items
23 identified on Exhibit No. 2, is something called
24 a Plymouth Voyager. Can you tell us where that
25 is and what significance that has.

1 A. The Plymouth Voyager is located right here,
2 somewhat in between Steven Avery's residence and
3 Barbara Avery's residence. That was a vehicle
4 that Steven Avery had called the *Auto Trader* and
5 asked them to have someone come out and take a
6 picture of to put in their magazine, for sale.

7 Q. We'll talk about Mr. Avery's statements later,
8 but did Mr. Avery himself admit that Teresa
9 Halbach took pictures of that Plymouth Voyager on
10 the afternoon of the 31st of October, of 2005?

11 A. Took a picture of it, yes.

12 ATTORNEY LOY: I'm going to object on
13 grounds of foundation, your Honor. We haven't heard
14 any testimony that this admission by Mr. Avery was
15 made to this gentleman or to someone else.

16 THE COURT: Sustained.

17 ATTORNEY LOY: And move to strike.

18 THE COURT: The answer is stricken from the
19 record at this point.

20 Q. (By Attorney Kratz) Did Mr. Avery make those
21 admissions in your presence?

22 A. Yes.

23 Q. Okay. Agent Fassbender, also, while in -- Well,
24 let's just jump a little forward. On the 8th of
25 November, 2005, did you have occasion to make

1 contact with Steven Avery and, in fact, execute
2 an arrest warrant for Steven Avery for a charge
3 of being a felon in possession of a firearm?

4 A. I believe it was the 9th, but I did do that
5 activity, but I thought it was on the 9th of
6 November. Was it Wednesday, the 9th?

7 Q. The -- Agent Fassbender, I'm going to hand you,
8 or show you, what's been marked for
9 identification as Plaintiff's Exhibit No. 6. Can
10 you tell us what that is, please.

11 A. That is a **Miranda** Warning Form used by law
12 enforcement to read people their **Miranda** warning
13 before questioning them. And the date on this
14 shows that it was November 8, 2005, at
15 12:50 p.m., that these rights were read to Steven
16 Avery.

17 Q. When you read Mr. Avery those rights, after
18 taking him into custody, did he tell you that he
19 understood his **Miranda** warnings?

20 A. Investigator Wiegert actually read the rights to
21 Steven Avery and, yes, he said he understood the
22 rights.

23 Q. Just so everybody is clear, were you and
24 Investigator Wiegert together in the room and did
25 you observe the, and participate in the,

1 interview with Mr. Avery?

2 A. Yes, the rights were read to him in my vehicle,
3 in my presence.

4 Q. Is that form signed?

5 A. Yes.

6 Q. Who is it signed by?

7 A. Steven Avery.

8 Q. Is it witnessed by anybody?

9 A. Myself and Investigator Wiegert.

10 Q. And upon signing Exhibit No. 6, did Mr. Avery
11 agree to answer questions for you?

12 A. Yes.

13 ATTORNEY KRATZ: Judge, I would move the
14 admission of Exhibit 6 at this time?

15 THE COURT: Any objection to Exhibit 6?

16 ATTORNEY LOY: Not for this hearing, your
17 Honor.

18 THE COURT: Exhibit 6 is admitted.

19 Q. (By Attorney Kratz) Agent Fassbender, during the
20 contact you had with Steven Avery on the day you
21 took him into custody, did you also make any
22 observations of Mr. Avery, of a physical nature,
23 whether Mr. Avery had any signs of injury upon
24 his body?

25 A. Yes.

1 Q. Any injuries noted on Mr. Avery that you believed
2 were significant?

3 A. Yes.

4 Q. Can you describe those for the Court, please.

5 A. There was what appeared to be a scabbed over cut,
6 fairly substantial cut, on his middle finger of
7 his right hand.

8 Q. During the course of your contact, also, with
9 Mr. Avery, did you obtain from him a sample of
10 his saliva on something called a buccal swab,
11 that it was later transported to the Wisconsin
12 State Crime Lab for DNA analysis?

13 A. Yes, I was present when a registered nurse at the
14 Aurora Medical Center in Two Rivers obtained
15 those samples.

16 Q. Now, you are not a DNA analyst, are you?

17 A. No.

18 Q. Is that the kind of analysis that needs to be
19 conducted by a forensic scientist, or at least
20 somebody with expertise, at a laboratory like the
21 Wisconsin State Crime Lab?

22 A. Yes.

23 Q. And, Agent Fassbender, talking about your
24 conversation with Mr. Avery, was Mr. Avery
25 specifically asked questions regarding his

1 contact with Teresa Halbach on the 31st of
2 October?

3 A. Yes.

4 Q. What did Mr. Avery tell you?

5 A. Mr. Avery told us that, sometime between 8:00 and
6 8:30 in the morning, he made a call to the *Auto*
7 *Trader* to see if he could have a picture taken of
8 that Plymouth Voyager in question, to put in the
9 *Auto Trader*.

10 Eventually, he indicated that he made
11 some other calls to *Auto Trader* and to Teresa
12 Halbach, attempting to determine whether she was
13 going to come out to take those pictures of that
14 vehicle. And that on about -- or at about 2 to
15 2:30 in the afternoon that day she, in fact, did
16 come out and took a picture of that vehicle.

17 That when she did that, he came out of
18 the house, saw that she had taken the picture and
19 was recording the serial number on that vehicle.
20 And that he went out to that location outside of
21 that van and paid her \$40 dollars in cash for
22 that. And then he said she walked over to her
23 vehicle. He accompanied her and she got in her
24 vehicle, gave her a copy -- or gave him a copy of
25 an *Auto Trader Magazine*, which he took, and he

1 returned to his house.

2 Q. Based upon Mr. Avery's admissions of talking to
3 Ms Halbach on the afternoon of the 31st, and
4 based upon your posture as lead investigator in
5 this case, have you determined whether anybody
6 saw Ms Halbach alive after that conversation?

7 A. No.

8 ATTORNEY LOY: I'm going to object, your
9 Honor, on grounds of foundation. I think it also
10 calls for an opinion on his part.

11 THE COURT: Well, he can speak to his own
12 knowledge on the issue. I think how much value it
13 has is dependent on greater foundation, but I will
14 allow him to answer the question.

15 Q. (By Attorney Kratz) Do you understand the
16 question?

17 A. Yes. To my knowledge, I had no knowledge that
18 she was seen alive after that point in time.

19 Q. Was Mr. Avery, specifically, asked about burning
20 items upon his property and, specifically, if he
21 had burned anything on the 31st of October, or
22 anytime thereafter?

23 A. Yes, he was asked.

24 Q. What did he tell you?

25 A. He was asked about the burn barrel, which he

1 identified as his burn barrel, right there to the
2 north of his residence and garage area. He said
3 that he had not burned in that burn barrel in
4 over a week, or prior to the week before, or
5 prior to the day Teresa came to his house to take
6 that picture.

7 The burn area, or burn pit behind his
8 garage, which he identified as being right where
9 his dog was, which is where the dog was, right
10 behind the garage, he, again, said he had not
11 burned there either in at least more than a week.
12 And, actually, it was the burn pit area, I'm
13 going to correct myself, the burn pit area that
14 he said that he had not burned in prior -- until
15 prior -- his last burn was prior to the day that
16 Teresa had come on the 31st.

17 The burn barrel was quite some time, or
18 quite awhile, he said. And he designated at
19 least more than a week, or prior to the week
20 before. And, again, he said that he had not
21 burned in that burn barrel on the night of the
22 31st or the day of the 31st, October 31st.

23 Q. Agent, I'm going to ask you to look at a diagram
24 to the left of Exhibit No. 2, that's been marked
25 as Plaintiff's Exhibit No. 3; do you recognize

1 that diagram?

2 A. Yes.

3 Q. Can you tell the Court what that is, please.

4 A. That's a diagram put together by Wisconsin State
5 Patrol. I think it is based off what they call a
6 total station and, basically, usually done to --
7 I can't think of the word.

8 Q. Scale?

9 A. Scale. Done to scale.

10 Q. Okay.

11 A. Of some of the Avery property, including Steven
12 Avery's house and residence area.

13 Q. And, specifically, the area depicted in Exhibit
14 No. 3, is that a larger depiction of what would
15 be the northern most part of Exhibit No. 2, and
16 do you believe it will help explain some of the
17 evidence that is to be described and some of the
18 explanations of the relationship of the evidence
19 to various property, throughout this and other
20 hearings?

21 A. Yes.

22 Q. I may have asked you, Agent, Exhibit No. 2 and
23 Exhibit No. 3, do those appear to be accurate
24 reflections and representations of the Avery
25 property and, specifically, as they looked and as

1 they were laid out between the 5th of November
2 and the 11th of November, of 2005?

3 A. Definitely.

4 Q. Finally, Agent Fassbender, when -- or were there
5 attempts made to identify what were believed to
6 be human remains found upon the Avery property
7 and compare them to standards, or exemplars, of
8 the victim in this case, Teresa Halbach?

9 A. Yes.

10 Q. During the course of that process, did you
11 participate in obtaining an exemplar, or what's
12 called an intimate sample, of Teresa Halbach to
13 transport to the Crime Lab for analysis?

14 A. Yes.

15 ATTORNEY LOY: I'm going to object, your
16 Honor, there's been no foundation for these
17 questions. There's been no testimony that any
18 samples were found at this point.

19 THE COURT: Sustained.

20 ATTORNEY KRATZ: Do you want me to recall
21 this witness, Judge, after seven or eight witnesses
22 testify. My point, Judge, is that I appreciate the
23 objection, but as to the transport of the exemplars,
24 that's the only part of the DNA part of this case
25 that this witness will testify. If the Court would

1 be so kind as to at least hear the testimony and
2 reserve ruling on the objection when that evidence
3 is presented at that time.

4 THE COURT: Well, as I understand Mr. Loy's
5 objection, if the witness is going to answer yes to
6 this, he could at least explain where they came
7 from. I don't know that -- if I understand your
8 objection correctly, Mr. Loy.

9 ATTORNEY KRATZ: He said there was no
10 testimony about any remains being found yet. There
11 will be other witnesses that will testify to that,
12 Judge. It's the analysis and matching of those
13 remains later that I'm just asking this witness if
14 he obtained what's called an intimate sample, for
15 the victim.

16 THE COURT: Okay. But there hasn't been
17 any testimony about where they came from, even from
18 where he understood they came from.

19 ATTORNEY KRATZ: All right. I can
20 certainly do that, Judge, and then we'll have other
21 witnesses testify about that.

22 Q. (By Attorney Kratz) Agent Fassbender, did you
23 become aware, as lead investigator, that human
24 remains were found upon the Avery property during
25 the execution of the search warrant between the

1 5th and 11th of November of this year?

2 A. Yes.

3 Q. And could you describe and point, for the Court,
4 the area where you not only were aware, but where
5 you were shown, human remains were found on this
6 property.

7 A. That area would be the burn area, or identified
8 as the burn area, right behind Steven Avery's
9 garage, or to the south of his garage. That was
10 that burn pit area, right there.

11 Q. And what was the nature, to the best that you
12 observed --

13 ATTORNEY LOY: Your Honor, just -- I would
14 like to interpose an objection at this point, we
15 still don't have foundation. I don't know if this
16 witness is testifying about things that he found or
17 that somebody else found. And I understand what
18 Mr. Kratz is trying to do, but I think we may be
19 trying to put the cart before the horse here in
20 terms of having this testimony.

21 THE COURT: Well, I will let this witness
22 testify at this time what he did with whatever he
23 was told. I will reserve ruling on your objection.
24 I'm obviously not going to take his answers as
25 evidence of actual transport of remains without

1 there being tied in with subsequent testimony. I
2 think that addresses your objection, which at this
3 point I view as very well taken.

4 ATTORNEY KRATZ: Just as an offer of proof,
5 Judge, there will be testimony from at least three
6 witnesses as to the actual excavation and recovery
7 of that scene. I intend to ask this witness, as a
8 result of that, did he obtain what was commonly
9 called an exemplar, from the victim, thereafter.

10 THE COURT: I think you do have to ask this
11 witness, though, and establish a foundation how he
12 got whatever it was that he sent in, for his role,
13 and then you can --

14 ATTORNEY KRATZ: I'm going to do that,
15 Judge.

16 THE COURT: All right.

17 Q. (By Attorney Kratz) Agent Fassbender, again, with
18 just what you were told and what you observed,
19 what was the nature of the human remains found in
20 what's referred on Exhibit #2 as the burn area,
21 it's also referred to the same thing on
22 Exhibit 3?

23 A. What was found -- The nature of what was found
24 was charred bones, human bones and some tissue.

25 Q. Did you understand that those remains were

1 transported, for analysis, to places including
2 the Wisconsin State Crime Laboratory, for what's
3 commonly referred to as a DNA analysis?

4 A. Yes.

5 Q. And regarding that process, were you asked to
6 identify, obtain, and, thereafter, have
7 transported to the Wisconsin Crime Laboratory,
8 again, for analysis, what's referred to as an
9 intimate sample of Teresa Halbach?

10 A. Yes.

11 Q. Were you able to identify, and were you able to
12 find, such a sample?

13 A. Yes.

14 Q. Could you tell the Judge how you did that,
15 please.

16 A. Initially, I looked into Teresa Halbach's health
17 and medical history to see if we could find some
18 such samples. And I was able to locate pap smear
19 slides that she had provided, or were taken from
20 her, at the Bellin Health up in Green Bay and
21 were being maintained at the Bellin Health Lab in
22 Green Bay. They identified three or four such
23 samples that were taken during the past five
24 years. They maintain those samples for five
25 years.

1 Q. And your role in the identification of those such
2 samples -- I should say, recognizing that role,
3 were you then also asked to retrieve, and have
4 transported, those intimate samples to,
5 specifically, Sherry Culhane, at the Crime Lab in
6 Madison, for analysis?

7 A. Yes, I obtained them from Bellin Health Lab.
8 They were packaged and sealed. I put them in
9 another envelope and sealed them and they were,
10 ultimately, transported to the Wisconsin State
11 Crime Laboratory.

12 Q. All right. Agent Fassbender, the scene itself,
13 that is, the Avery property, when the search
14 warrants were done being executed and the
15 analysis of all these areas was completed, was
16 that then turned back over to the Avery family?

17 A. Yes.

18 ATTORNEY KRATZ: All right. For this
19 hearing, Judge, that's all the questions I have of
20 Agent Fassbender. Thank you.

21 THE COURT: Mr. Loy.

22 ATTORNEY LOY: Thank you, your Honor.

23 **CROSS-EXAMINATION**

24 BY ATTORNEY LOY:

25 Q. Officer Fassbender, were you the officer in

1 charge of this investigation?

2 A. No. Not in its entirety, no.

3 Q. Were you one of the two officers leading the
4 investigation?

5 A. Yes.

6 Q. And you were present when the search warrants
7 were executed at the Avery property?

8 A. Yes.

9 Q. Okay. Including the warrant that led to the
10 search of Mr. Avery's trailer?

11 A. Yes.

12 Q. Okay. And that trailer was searched three times;
13 is that correct, pursuant to warrants?

14 A. Two or three. One of the actual searches may
15 have been more gathering of evidence that was
16 identified on one of the searches, depends if you
17 want to call it a search or --

18 Q. And you and the other investigators first started
19 searching the Avery property on November 5th; is
20 that right?

21 A. Yes.

22 Q. You have mentioned some bones and some tissue; is
23 that correct?

24 A. Yes.

25 Q. And were you the one that found those?

1 A. No.

2 Q. Okay. Do you recall the date those were found?

3 A. I'm going to say I'm not sure, 8th or 9th,
4 November 8th or 9th.

5 Q. You indicated that there were a number of people
6 who assisted in searching the Avery property; is
7 that correct?

8 A. That's correct.

9 Q. And there were hundreds of these people?

10 A. Over the course of that week, certainly.

11 Q. At any one time, how many people would usually be
12 there searching through things?

13 A. I don't know if I can answer that right now.

14 Q. I mean, could it be that there were at least 50
15 people on the grounds of Avery Salvage,
16 searching?

17 A. Yes.

18 Q. Okay. And what were these people doing? Where
19 were they searching?

20 A. It depends what day you are talking about and
21 what time. Sometimes they were -- we had people
22 searching the vehicles in the pit area. We had
23 people searching in the office area. We had
24 teams searching in the residences.

25 Q. Was pretty much every square inch of the property

1 searched?

2 A. I can't say every square inch of property was
3 searched, but the property was searched, the
4 entirety of the property was searched.

5 Q. Searched pretty thoroughly?

6 A. I believe so.

7 Q. And who were these people, that were doing the
8 searching?

9 A. Primarily law enforcement personnel, to include
10 the State Patrol, upwards of 50 or 60 members of
11 the State Patrol, on at least two days. And
12 then, I believe, members of the fire department,
13 professional fire department, came out and
14 assisted also.

15 Q. Fire departments from where?

16 A. Most of them -- I'm not going to say. I don't
17 know for sure.

18 Q. You don't know for sure. Okay. Um, were there
19 officers in charge, monitoring what these
20 searchers were doing?

21 A. Yes.

22 Q. Was somebody from the Calumet Sheriff's
23 Department or from DCI watching every searcher?

24 A. Watching every searcher?

25 Q. Yes.

1 A. I would have to say no to that. When you have
2 got 60 troopers in the back searching cars, there
3 wasn't someone from Calumet or DCI with each of
4 those troopers, no.

5 Q. What about the searchers who were looking in
6 areas other than the cars, the residences, the
7 business areas, up, basically, where we have the
8 scaled diagram? How many people were searching
9 that area and how were they monitored?

10 A. I can't say for sure how many people were
11 searching that area, but when it came to
12 searching the residences and the buildings, there
13 was a DCI agent or a Calumet County personnel
14 with them.

15 Q. You testified that her license plates were found
16 in a vehicle, and I think there is an arrow
17 pointing to it on a diagram; is that correct?

18 A. Yes.

19 Q. Did you find those or did someone else?

20 A. Someone else.

21 Q. Okay. Do you know who found those plates?

22 A. By name, no, but I believe it was a trooper.

23 Q. Who -- It looks like you gave Mr. Avery his
24 **Miranda** warning; is that correct?

25 A. No, Investigator Wiegert read his **Miranda**

1 warnings to him.

2 Q. And you signed as a witness?

3 A. Yes.

4 Q. Where was Mr. Avery when this **Miranda** warning was
5 given?

6 A. He was in the back seat of my car, as was
7 Investigator Wiegert. I was in the front seat
8 behind the wheel. And it was at his -- in the
9 driveway of his brother's residence, Earl Avery.

10 Q. Were any other officers in the car with -- with
11 the three of you?

12 A. No.

13 Q. Was Mr. Avery under arrest at that time?

14 A. Yes.

15 Q. He had just been arrested on the gun charge?

16 A. Yes.

17 Q. And was he in handcuffs?

18 A. No.

19 Q. Did he, at that time, indicate that he wanted to
20 see an attorney?

21 A. No.

22 Q. Did he indicate that he didn't wish to speak with
23 you?

24 A. No, not at that time.

25 Q. Were you aware that Mr. Avery was represented by

1 attorneys?

2 A. I believe I was aware that he had a civil suit
3 going and he probably had attorneys on that civil
4 suit.

5 Q. Were you aware of any efforts made by those
6 attorneys to contact Mr. Avery or to contact you?

7 A. No.

8 Q. Why wasn't Mr. Avery cuffed after his arrest?

9 A. We spoke with him and Investigator Wiegert asked
10 him if he would continue to cooperate in the
11 sense that he wouldn't get physical or anything
12 and, if so, he would not be handcuffed. And he
13 agreed to do that.

14 Q. Now, at the time of his arrest, was he only
15 arrested for the gun charge?

16 A. Yes.

17 Q. He wasn't arrested at that time for anything
18 related to a homicide or anything related to
19 Teresa Halbach; is that correct?

20 A. Correct.

21 Q. And he was in the backseat of the squad?

22 A. My vehicle, it is a state owned vehicle, but it's
23 not a marked squad or anything. There's no
24 barriers or anything between the front and the
25 back seats.

1 Q. And Officer Wiegert was in the back seat with
2 Mr. Avery?
3 A. Yes.
4 Q. And you were driving?
5 A. Yes.
6 Q. You observed a scabbed over cut on the middle
7 finger of Mr. Avery's right hand; is that right?
8 A. Yes.
9 Q. And Mr. Avery told you how he got that cut,
10 didn't he?
11 A. If he said it, when he said it, I wasn't present,
12 no. He didn't tell me.
13 Q. Nothing that you heard?
14 A. No.
15 Q. Was Mr. Avery cooperative with you and Officer
16 Wiegert?
17 A. Yes.
18 Q. He answered your questions?
19 A. Yes.
20 Q. And he told you that Ms Halbach had been there
21 and had taken a picture?
22 A. Yes.
23 Q. And then she had driven away?
24 A. Yes, he said about less than five minutes she was
25 there.

1 Q. When did you first arrive on the Avery property?

2 A. Saturday, November 5, mid-afternoon. I'm
3 thinking it was around 3, 2:30, 3 p.m.

4 Q. And what did you do when you first arrived?

5 A. Met with the investigators, the sheriff of
6 Calumet County, in a command post at the Avery
7 property and became -- got briefed on what was
8 happening up to that point.

9 Q. And you were told that the Rav 4 had been found?

10 A. Yes.

11 Q. Okay. At that point, there hadn't been any other
12 evidence found, other than the Rav 4?

13 A. I believe that's correct.

14 Q. Okay. And this command post, was it inside one
15 of the Avery buildings?

16 A. No.

17 Q. Where was it?

18 A. They had a trailer out there, command post
19 trailer from the Sheriff's Department.

20 Q. From the Calumet Sheriff's Department?

21 A. They had one from each. I don't know if
22 Calumet's was there yet. But they had one from
23 Manitowoc County and Calumet County brought one
24 also.

25 Q. So, after you got briefed, what did you do next?

1 A. I believe -- I'm not sure, but I believe the
2 search warrant was being obtained for the
3 property at around that time, that the search
4 warrant was obtained and executed.

5 I went down by where the Rav 4 was
6 located, along with an investigator from Calumet
7 County, and observed its location and the state
8 it was in. After making those observations, I
9 believe we walked -- Some time after that, I
10 don't know exactly how long after that, we walked
11 that berm, on the other side of that berm, with
12 one of the cadaver dogs that had arrived at the
13 scene.

14 Q. When you went down by the Rav 4, was anyone else
15 there?

16 A. Yes.

17 Q. Who was there?

18 A. There were deputies from Calumet County that were
19 standing in the vicinity, securing that location,
20 securing that vehicle.

21 Q. About how many?

22 A. I know one, for sure, that was near that vehicle.

23 Q. Anybody else, other than Calumet County deputies?

24 A. Around that vehicle, not that I know of.

25 Q. Were other people down in the pit area besides

1 the deputies who were securing the vehicle?

2 A. When I went down there?

3 Q. Yes.

4 A. There was another vehicle near the crusher, one
5 or two vehicles. And there were deputies there,
6 staged there also. I just can't remember who
7 else went down with me, if they did. The sheriff
8 may have come down with me also.

9 Q. Now, you have testified that you were involved in
10 processing the Rav 4; is that correct?

11 A. Making the decisions on the processing of the Rav
12 4.

13 Q. You didn't actually do any of the actual
14 processing yourself?

15 A. That's correct.

16 Q. Okay. And you were part of the decision that was
17 made to take the entire vehicle to the crime lab;
18 is that right?

19 A. Correct.

20 Q. Did you supervise that processing?

21 A. I was -- I took the tow truck that went down
22 there. I escorted them down there, along with
23 the vehicle and the trailer that the Rav 4 was
24 transported in. I then maintained a position
25 near the crusher, in the pit area.

1 The Crime Lab personnel then accompanied
2 the tow truck to the Rav 4 and oversaw that as
3 they removed it from its location, back to my
4 location, where it was backed into the trailer.

5 Q. Where was the tow truck from?

6 A. I do not know.

7 Q. So, the Rav 4 was towed from the location it was
8 found, to the location where the -- where the
9 trailer was. Maybe you could show us that on the
10 map.

11 A. Okay. The Rav 4 is down here, the southeast
12 area. The tow truck, along with the truck
13 pulling the trailer, and myself, came down here
14 into this pit area. And then the crusher is
15 somewhere in this location here. And we staged
16 right in this area right here.

17 The tow truck had to go back in there
18 with the Crime Lab personnel, picked up the
19 vehicle, brought it back out to this area where I
20 was again. They backed that Rav 4 into that
21 enclosed trailer.

22 Now, the trailer and the truck pulling
23 the trailer and the driver were from Calumet
24 County. I'm not sure about the tow truck
25 operator. I had the name of the tow truck and I

1 just can't remember it right now.

2 Q. Were you present when the Rav 4 was hooked up to
3 the tow truck?

4 A. No, I was staged here. Crime lab personnel were
5 with the vehicle.

6 Q. When you first saw the Rav 4, did it still have
7 branches and other things covering it?

8 A. When I first saw it?

9 Q. Yes.

10 A. Yes.

11 Q. Okay. So, I take it that once the vehicle was
12 towed to your location, although it was no longer
13 covered with any branches or anything, right?

14 A. Yes, that's correct. The Crime Lab personnel
15 told me that they inspected and processed those
16 items. Some of them were transported with the
17 vehicle, the others were left at the scene after
18 being inspected.

19 Q. And you supervised loading the Rav 4 into the
20 trailer?

21 A. Crime Lab personnel and myself, I was present.

22 Q. And how was that done?

23 A. That was backed into the trailer by the tow truck
24 operator.

25 Q. Okay. So, just pushed into the trailer?

1 A. Yes, with a big -- a rather large enclosed
2 trailer with a ramp. And the tow truck operator
3 backed it right up that ramp into the enclosed
4 trailer.

5 ATTORNEY LOY: No further questions, your
6 Honor.

7 THE COURT: Any redirect?

8 ATTORNEY KRATZ: No, Judge. I am, however,
9 with his testimony of the Exhibits 2 and 3 being
10 accurate depictions of, one, a photograph and, one,
11 a diagram of the Avery property, I will move their
12 admission into evidence. I believe I have already
13 with Exhibit 4; is that correct?

14 THE CLERK: Yes.

15 ATTORNEY KRATZ: Or 6, I'm sorry.

16 THE CLERK: Four you did and six.

17 ATTORNEY KRATZ: I have with 6 as well?

18 THE CLERK: Yes.

19 ATTORNEY KRATZ: All right. And 2 and 3,
20 I'm moving their admission, Judge.

21 THE COURT: Any objection to Exhibits 2 and
22 3?

23 ATTORNEY LOY: No objection for purposes of
24 this hearing, your Honor.

25 THE COURT: Exhibits 2 and 3 are admitted.

1 The witness is excused. The State may call it's
2 next witness.

3 ATTORNEY KRATZ: The State would call Dan
4 Kucharski to the stand.

5 THE CLERK: Raise your right hand.

6 **DEPUTY DAN KUCHARSKI**, called as a
7 witness herein, having been first duly sworn, was
8 examined and testified as follows:

9 THE CLERK: Please be seated. Please state
10 your name and spell your last name for the record.

11 THE WITNESS: Daniel J. Kucharski,
12 K-u-c-h-a-r-s-k-i.

13 **DIRECT EXAMINATION**

14 BY ATTORNEY KRATZ:

15 Q. Mr. Kucharski, how are you employed?

16 A. I'm employed with the Calumet County Sheriff's
17 Office as a patrol deputy.

18 Q. What are your duties as a patrol deputy?

19 A. Routine patrol and I'm also an evidence tech for
20 the department.

21 Q. Just briefly, tell us what a evidence tech is,
22 please.

23 A. Search for, identify, and collect evidence at
24 crime scenes.

25 Q. Deputy Kucharski, between the 5th of November,

1 2005, and the 11th of November, 2005, were you
2 asked to serve in that capacity, as an evidence
3 tech, and did you, in fact, search residences,
4 out buildings, and other areas of the Avery
5 property?

6 A. Yes, I did.

7 Q. I'm going to, specifically, ask you about the
8 residence of Steven Avery. Let's refer to
9 Exhibit No. 3. It's a little bit bigger. It's a
10 diagram which has a depiction of something called
11 Steven Avery's residence; do you recognize that?

12 A. Yes, I do.

13 Q. And if you can take that device that's in front
14 of you, the yellow button in the middle of it
15 would be the laser pointer part of it. Could you
16 tell us if you have had occasion, during that
17 relevant time frame, to search the interior of
18 what's identified on that diagram as the Steven
19 Avery residence?

20 A. Yes, on two separate occasions I was inside the
21 Steven Avery evidence (sic), searching and
22 collecting evidence.

23 Q. You said on two separate occasions, are you aware
24 that Mr. Avery's residence and, in fact, many of
25 the residences, out buildings, office, and the

1 like, were searched on more than one occasion?

2 A. Yes.

3 Q. Perhaps you can explain, for the Court, the
4 nature of those searches and why more than one
5 search was done, specifically, of Steven Avery's
6 residence.

7 A. On the 6th, that would have been Sunday, myself
8 and my search team were given the task to collect
9 two weapons, some bedding, and a vacuum from the
10 Avery residence.

11 Q. All right. Let's talk about that for a minute.
12 This residence, can you describe what kind of a
13 residence it is.

14 A. It was a trailer home, the address was 12932
15 Avery Road, it was red in color.

16 Q. The interior of this residence, did it include
17 rooms that normal residences would have, that is,
18 bedrooms, bathrooms, kitchen, things like that?

19 A. Yes, it did.

20 Q. Was one of the rooms an area that you believe to
21 be that of Steven Avery's bedroom?

22 A. Yes.

23 Q. Can you tell the Court why you believe that to be
24 Mr. Avery's bedroom.

25 A. We did find what we called identifiers inside the

1 bedroom: Papers, pictures, things with Steven
2 Avery's name on it, photos of Steven Avery.

3 Q. All right. In that room, that included these
4 personal identifiers and pictures of Mr. Avery,
5 did you find any firearms?

6 A. Yes, we did. We located and collected two rifles
7 that were on the wall above the bed in that room.

8 Q. Describe those rifles for me, please.

9 A. One was a Glenfield Model 60, .22 caliber,
10 semi-automatic rifle. The other was a
11 Connecticut Valley Arms, .50 caliber,
12 muzzleloading black powder rifle.

13 Q. Were you the officer who actually seized and
14 collected those items?

15 A. Yes.

16 Q. Now, Officer Kucharski, before we go any further,
17 I'm going to show you what's been marked for
18 identification as Plaintiff's Exhibits 7, 8, and
19 9, ask if you can identify those exhibits and
20 tell us what they are, please.

21 A. These are State of Wisconsin court records,
22 Judgments of Convictions against Steven Avery.

23 Q. Specifically, Exhibit No. 7, is that a record,
24 certified record, regarding a Manitowoc County
25 case, No. 80 CR 773?

1 A. Yes, it is.

2 Q. And does it list a conviction dated March 23 --

3 THE COURT: Just a second.

4 ATTORNEY KRATZ: I'm sorry, Judge.

5 THE COURT: Mr. Loy, does the defense
6 require details on these exhibits?

7 ATTORNEY LOY: Your Honor, I think the
8 Court could take judicial notice, based on the
9 certified convictions, that Mr. Avery does have at
10 least one felony conviction.

11 THE COURT: All right. Is the State
12 offering Exhibits 7,8, and 9?

13 ATTORNEY KRATZ: I am, Judge. And if there
14 is a stipulation, I will be happy to accept that, as
15 Mr. Avery having prior convictions that remain, of
16 record, unreversed.

17 THE COURT: For purposes of this hearing,
18 any objection from the defense?

19 ATTORNEY LOY: No objection, your Honor.

20 THE COURT: All right. Seven, eight and
21 nine are admitted.

22 Q. (By Attorney Kratz) Deputy Kucharski, in a
23 further search of Mr. Avery's property, did you
24 have occasion to search what's identified on
25 Diagram 3, at least, with a gray box and a

1 similar representation on the photograph, Exhibit
2 No. 2, Mr. Avery's garage?

3 A. Yes, I did. That was also on the 6th of
4 November. Myself and my search team were asked
5 to search and collect any evidence that we found
6 inside that garage.

7 Q. And did you do that?

8 A. Yes, I did.

9 Q. And upon searching the garage, did you find any
10 evidence which may be relevant to firearms?

11 A. Yes, we did. We found empty .22 caliber, long
12 rifle casings.

13 Q. What are referred to as spent shell casings?

14 A. That's correct.

15 Q. How many of those did you find in that garage?

16 A. Ten of them.

17 Q. Now, Deputy Kucharski, you talked about
18 different, or additional searches of Mr. Avery's
19 residence, or his property, did that occur by
20 you?

21 A. Yes, on the 8th, we were given the task -- myself
22 and my team were given the task to collect a few
23 specific pieces of evidence at the Steven Avery
24 residence and then conduct a thorough search of
25 the residence.

1 Q. When we're talking about a thorough search of the
2 residence, could you describe for the Court why
3 that search may have been different than previous
4 searches that you had performed of Avery's
5 residence?

6 A. The first time we were sent into the residence,
7 we were specifically told just to collect the
8 three separate items: The weapons, the bedding,
9 and the vacuum, from the middle bedroom. We did
10 not search it at all.

11 Q. So the Court is clear, at least on that first
12 day, you didn't do what you would call, at least,
13 a thorough search of Mr. Avery's residence; is
14 that right?

15 A. That's correct.

16 Q. What day did you do that?

17 A. That was on Tuesday, the 8th.

18 Q. And during the search of Mr. Avery's residence,
19 including his bedroom, what, if anything, did you
20 find of interest?

21 A. We collected pornographic material. We collected
22 ammunition that we found in the bedroom. And
23 then, at one point, we found a key that appeared
24 to be from a Toyota vehicle, collected that.

25 Q. Could you tell me within the residence, or within

1 the bedroom, where that Toyota key was found?

2 A. Toyota key would have been found about 2 feet
3 away from the door entering into the residence,
4 next to the bed. It was on the floor when we
5 found it, next to a cabinet that my team had been
6 searching.

7 Q. Did you have occasion to collect that key?

8 A. Yes, I did.

9 Q. And did anybody, to your knowledge, other than
10 you, with the use of latex gloves or some other
11 protective device, anybody ever touch that key,
12 other than you?

13 A. Not while it was in my possession.

14 Q. After processing the key, after collecting it and
15 placing it into an evidence bag and sealing it,
16 did you have that key sent to the Wisconsin State
17 Crime Laboratory for further analysis?

18 A. Yes, I did.

19 ATTORNEY KRATZ: That's all the questions I
20 have of Deputy Kucharski, Judge. Thank you.

21 THE COURT: Mr. Loy.

22 **CROSS-EXAMINATION**

23 BY ATTORNEY LOY:

24 Q. Officer Kucharski, did you review any reports of
25 any prior searches before you did your search on

1 the 8th?

2 A. No, I did not.

3 Q. Did you talk with any officer who had done any
4 previous searches?

5 A. Not about the search of the residence, no.

6 Q. Who else was searching with you?

7 A. At which time?

8 Q. On the 8th, when you testified you found a key.

9 A. That would be Lieutenant Lenk and Sergeant
10 Colburn?

11 Q. And were the three of you in the bedroom at the
12 same time?

13 A. Yes, we were.

14 Q. And how were you conducting this search? What
15 were the three of you doing?

16 A. Generally, start top to bottom. You work your
17 way methodically through the room, open
18 everything, look under everything, look through
19 everything.

20 Q. Would that include, for instance, sorting through
21 everything that you found in a drawer?

22 A. Yes.

23 Q. Okay. And taking each item out of the drawer and
24 looking at it and then putting it back; is that
25 how you do it?

1 A. To a certain point.

2 Q. Okay. During this search, were you and the other
3 officers wearing gloves?

4 A. Yes, we were.

5 Q. And did you wear the same gloves throughout the
6 search?

7 A. No.

8 Q. How often would the three of you change gloves?

9 A. I can only testify as to what I did there. As I
10 would be writing or photographing, it was tough
11 to do with the gloves on so I would take them off
12 periodically and take fresh gloves then.

13 Q. So, how often did you change your gloves, do you
14 think?

15 A. In a day, or just a time period?

16 Q. Well, I'm talking, specifically, about the search
17 on November 8th?

18 A. Okay. I did several searches on that day. The
19 search of the Avery residence, Steven Avery's
20 residence, I probably changed my gloves
21 approximately two or three times.

22 Q. All right. When did you change those gloves?

23 A. Like I said, usually it was to -- if I had to
24 write something, or if I was photographing.

25 Q. Do you remember the specific times when you

1 changed the gloves?

2 A. No.

3 Q. Do you remember changing gloves around the time
4 that the key was found?

5 A. Yes, I did.

6 Q. And what would you -- what could you tell us
7 about that?

8 A. We were finishing up the search in the room. I
9 had finished up the section that I was searching,
10 the night stand. I took off my gloves.
11 Lieutenant Lenk was making a phone call. That
12 was why I took off my gloves. We had finished up
13 the search of that room, were finishing up the
14 search of that room.

15 Q. Were you and the other searchers watching each
16 other during this search?

17 A. During this specific time that we were in Steven
18 Avery's bedroom, we were, at maximum, three or
19 four feet away from each other. It's a small
20 bedroom. We were always in each other's
21 peripheral vision.

22 Q. But you weren't watching each other, were you?

23 A. We were searching, correct.

24 Q. You were looking at what you were searching; is
25 that right?

1 A. Yes.

2 Q. Okay. Now, this key, you are saying, was found
3 on the floor?

4 A. Yes.

5 Q. Was it underneath anything?

6 A. Not when we saw it, no.

7 Q. Okay. You had been in the room for how long
8 before the key was noticed?

9 A. I'm not sure. It was less than an hour.

10 Q. Okay. It was just -- When you saw it there, it
11 was sitting out there in plain view, right on the
12 floor; is that right?

13 A. Yes.

14 Q. Okay. And no one had seen it for at least an
15 hour?

16 A. Correct.

17 Q. And when you had been at the residence before, on
18 November 6th, no one had seen the key then
19 either, right?

20 A. I didn't see the key then. I can't testify to
21 anybody else.

22 Q. No one mentioned seeing it?

23 ATTORNEY KRATZ: Judge, I'm going to
24 interpose an objection. I think this officer said
25 he didn't search on the 6th. I think that is his

1 testimony.

2 THE COURT: Well, he was in the bedroom to
3 pick up some items. He didn't thoroughly search it,
4 I think that was his testimony.

5 Q. (By Attorney Loy) Just to clarify, on the 6th of
6 November, you did go in the bedroom; is that
7 right?

8 A. Yes. I walked into the bedroom. I looked at the
9 weapons on the wall, then I walked out into the
10 living room.

11 Q. Okay. And you went in there with Lieutenant
12 Lenk, Detective Remiker, and Sergeant Colburn; is
13 that right?

14 A. On the 6th, that's correct.

15 Q. On the 6th. And Lieutenant Lenk and Officer
16 Colburn are officers of Calumet County?

17 A. No, Manitowoc County.

18 Q. And Officer Remiker is also from Manitowoc
19 County?

20 A. Also, yes.

21 Q. Okay. And to your knowledge, no one saw this key
22 sitting on the floor at that time?

23 A. Not that I know of.

24 Q. When you finally did see the key, was it pretty
25 obvious?

1 A. Yes, it was laying out in the open.

2 Q. Okay. And do you have any explanation for --

3 Strike that. Now, there was also a search done

4 on November 5th; is that right?

5 A. Search of?

6 Q. Of Mr. Avery's residence, Steve Avery's

7 residence?

8 A. I don't know for sure.

9 Q. Is that the day when -- Let me just find it here.

10 Is that the day when you took the vacuum cleaner?

11 A. No.

12 Q. That was the day when Steve Avery's residence was

13 searched pursuant to a warrant; is that right?

14 A. I'm not aware on the 5th; I was searching the

15 junk yard with cadaver dogs.

16 Q. So, you weren't present for the search on the

17 5th?

18 A. If there was one, correct, I was not at the

19 Steven Avery residence on the 5th.

20 Q. Okay. And so you don't know if a thorough search

21 was done on that day or not?

22 A. Correct.

23 Q. What's a thorough search? Could you describe

24 that.

25 A. Again, starting top to bottom, open everything,

1 look under everything.

2 Q. Had you talked with any officers about -- about
3 the search on the 5th?

4 A. Again, not about the search on the 5th, no.

5 Q. Were you aware there had been a search done on
6 the 5th?

7 A. I don't remember at what point I heard about any
8 searches.

9 Q. Were you aware that there was also a search done,
10 with Mr. Avery's consent, on November 4th?

11 A. No.

12 Q. But as far as you know, no one saw this key until
13 November 8th; is that right?

14 A. Correct.

15 Q. Now, when you saw the key, what did you do next?

16 A. It was actually Lieutenant Lenk that saw the key
17 first.

18 Q. Okay.

19 A. He pointed to the floor and said, there's a key
20 there. We all kind of looked at the key. I
21 said, stop, everybody stop their searching. I
22 took the camera, photographed the key, put on a
23 pair of gloves and took the key into custody.

24 Q. Okay. And how do you do that?

25 A. I put it inside a paper bag that I brought into

1 the residence from my evidence kit. It was a new
2 paper bag.

3 Q. Okay. This evidence kit, what was in your
4 evidence kit?

5 A. Evidence collection materials.

6 Q. What kinds of things?

7 A. I have a tackle box full of equipment,
8 fingerprint equipment. And then, in the back
9 seat of the squad, I also put plastic bags, paper
10 bags, boxes, that type of thing.

11 Q. Was there any other evidence in this kit?

12 A. No.

13 Q. Okay. And were the bags in the kit?

14 A. The bags were inside a plastic bag, sealed in a
15 plastic bag like you get from a store. I opened
16 up the plastic bag when I started taking things
17 into evidence.

18 Q. What kind of bag did you put the key in?

19 A. Just a paper, kind of like a lunch bag.

20 Q. Okay.

21 A. Brown paper.

22 Q. Can you describe the process you went through in
23 collecting the key. What did you do?

24 ATTORNEY KRATZ: Your Honor, I'm going to
25 interpose an objection. I haven't until this point,

1 but this is well beyond probable cause
2 determination. This is all discovery.

3 THE COURT: Mr. Loy.

4 ATTORNEY LOY: Well, your Honor, I think
5 this is a pretty crucial piece of evidence. I think
6 it's important in determining plausibility, to
7 determine how this piece of evidence was found and
8 what was done with it. That's what I'm trying to
9 determine here.

10 THE COURT: Well, the question here at a
11 prelim is plausibility rather than credibility. I
12 think questions on both sides have probably gone
13 beyond what's normally involved in the scope of a
14 prelim. I'm going to sustain the objection. I
15 understand that eventually this may be crucial for
16 the defense, but for purposes of prelim, I'm going
17 to sustain the objection.

18 ATTORNEY LOY: Okay.

19 Q. (By Attorney Loy) How long were you in
20 Mr. Avery's residence on the 8th?

21 A. I would have to look at my report to see the
22 exact time. It was several hours.

23 Q. At least a couple hours?

24 A. Yes.

25 Q. And the other officers were also in there at the

1 same time --

2 A. Yes.

3 Q. -- with you? Okay. Those were two other
4 officers?

5 A. On the 8th, correct, the other people in my
6 search team.

7 Q. That was Officer Colburn and Officer Lenk?

8 A. Sergeant Colburn, Lieutenant Lenk, yes.

9 Q. Would you be willing to just draw us a diagram of
10 exactly where this key was found?

11 ATTORNEY KRATZ: Judge, same objection.
12 This is just what the Court, I think, had hoped
13 wouldn't happen, goes well beyond the preliminary
14 hearing scope.

15 ATTORNEY LOY: I think it goes to
16 plausibility, your Honor. It seems that this key
17 was within obvious sight and I guess it's surprising
18 and somewhat disturbing that the key hadn't been
19 noticed before. So I'm just trying to develop more
20 information about the location of the key.

21 THE COURT: Well, the witness has already
22 testified that the key was out in the open. I
23 clearly understand your point on credibility. But
24 on plausibility, there's nothing to prevent it. I
25 mean -- so I'm going to sustain the objection.

1 ATTORNEY LOY: Thank you, your Honor.

2 Q. (By Attorney Loy) The key was near some bedroom
3 slippers?

4 A. Yes.

5 Q. How close to the bedroom slippers was it?

6 A. A couple inches away.

7 Q. And there's a desk, there's a cabinet right next
8 to the desk; is that right?

9 A. Yes.

10 Q. And then, next to that, was some bedroom
11 slippers?

12 A. Next to the cabinet was the key and then the
13 bedroom slippers.

14 Q. All right. Were the bedroom slippers moved
15 during the search?

16 A. Yes.

17 Q. And that's something that you ordinarily would
18 do, right?

19 A. Yes.

20 Q. Okay. And do you remember, did you move the
21 bedroom slippers, or did someone else?

22 A. One of the other search team members moved the
23 slippers.

24 Q. And those slippers were moved before the key was
25 seen?

1 A. Yes.

2 Q. And the first time they were moved, nobody saw
3 the key?

4 A. The key wasn't there the first time they were
5 moved.

6 Q. Do you have any idea how the key got there?

7 A. Yes, we were searching the cabinet. Lieutenant
8 Lenk and Sergeant Colburn were searching the
9 cabinet next to the desk. They were pulling
10 books in and out of the cabinet, photographs in
11 and out of the cabinet.

12 They were moving the cabinet, eventually
13 putting the books and photographs and things back
14 into the cabinet, banging things around, moving
15 it. We believe it either fell out of the cabinet
16 or from some place hidden inside the cabinet or
17 underneath the cabinet, or in back of the
18 cabinet.

19 Q. You didn't actually see this happen, though?

20 A. No.

21 Q. You didn't hear anything fall to the ground?

22 A. It was carpeted. No, we didn't hear anything.

23 Q. Okay. And did you go back and look in the
24 cabinet again to try to figure out where the key
25 might have come from?

1 A. No.

2 Q. Okay. So, your testimony today about where the
3 key might have come from, that's -- that's an
4 educated guess on your part; would that be fair
5 to say?

6 A. Yes.

7 ATTORNEY LOY: Nothing further.

8 THE COURT: Any redirect?

9 ATTORNEY KRATZ: Not for this hearing,
10 Judge.

11 THE COURT: All right. The witness is
12 excused. We'll take our afternoon break at this
13 time.

14 ATTORNEY KRATZ: How long, Judge?

15 THE COURT: After 10 minutes, I would like
16 counsel to see me in chambers.

17 (Recess taken.)

18 THE COURT: Mr. Kratz, you may call your
19 next witness.

20 ATTORNEY KRATZ: Thank you, Judge. State
21 would call Tom Sturdivant to the stand.

22 THE CLERK: Please stand.

23 **SPECIAL AGENT THOMAS ALLEN STURDIVANT,**
24 called as a witness herein, having been first
25 duly sworn, was examined and testified as

1 follows:

2 THE CLERK: Please be seated. Please state
3 your name, spell your last name for the record.

4 THE WITNESS: Special Agent Thomas Allen
5 Sturdivant, S-t-u-r-d-i-v-a-n-t.

6 **DIRECT EXAMINATION**

7 BY ATTORNEY KRATZ:

8 Q. Mr. Sturdivant, how are you employed?

9 A. Employed as a Special Agent with the Wisconsin
10 Department of Justice, Division of Criminal
11 Investigation.

12 Q. In that capacity, did you assist other law
13 enforcement officers in the property known as
14 Avery Auto Salvage, sometime between the 5th of
15 November and the 11th of November?

16 A. I did.

17 Q. During that relevant time period, did you notice,
18 and did you thereafter observe, an area which is
19 now being known as the burn area?

20 A. I did.

21 Q. On Exhibits No. 3, which is the scaled diagram,
22 and on the photo, which is Exhibit No. 2, which
23 both have been received into evidence, do you see
24 that area on those exhibits?

25 A. I do.

1 Q. Could you describe for the Court, please, what,
2 if any, observations you made of that burn area.

3 A. I was out looking at various locations that were
4 discovered, pointed out by the search teams. I
5 eventually made my way over to Mr. Avery's
6 property.

7 And behind the detached garage was a
8 mound of dirt, which was new to the landscape,
9 not necessarily recently, but was a pile or mound
10 of dirt which consisted of probably rock and sand
11 and other materials. Behind his garage, at the
12 end of that mound of dirt, on the south side, was
13 a area that had been scraped out and contained
14 charred matter.

15 Q. During -- By the way, what day was it that you
16 observed or closer -- or in a closer manner
17 inspected that area?

18 A. That was on November 8th.

19 Q. After inspecting that charred matter, did you
20 request the assistance of any members of the
21 Wisconsin State Crime Laboratory, Field Response
22 Unit, to further look at that area?

23 A. I did.

24 Q. And tell us what happened, please.

25 A. Myself and three members of the Wisconsin State

1 Laboratory team, and another officer from
2 Manitowoc County, looked at that debris. And my
3 initial observation was that it appeared to be
4 bone matter, so I had summoned the assistance of
5 the Crime Lab.

6 As I looked closer, it appeared to me
7 that there was more bone matter within the
8 charred material. So I asked their assistance,
9 realizing that they had sifting equipment. We
10 decided at that point it would be easier to sift
11 through that matter and pick out any bone matter,
12 to include teeth, that we had identified.

13 Q. The sifting of that particular burn area, did
14 that result in the recovery of what you believed
15 to be -- to be human remains, including bone,
16 teeth and tissue?

17 A. Yes.

18 Q. After the recovery of that material, did you,
19 with the assistance of the Field Response Unit of
20 the Wisconsin Crime Lab, package up those
21 materials and send them, not only to the Crime
22 Lab but also to a forensic anthropologist, for
23 further analysis?

24 A. Yes, we did.

25 Q. Agent Sturdivant, I understand that the recovery

1 process took at least a couple of days; is that
2 correct?

3 A. It did. We sifted the charred debris on the 8th.
4 The stuff that we had recovered, we packaged up
5 and put into a secured trailer. Then, on
6 Thursday, we sifted through that debris again
7 locating additional bone fragments and teeth.
8 And Thursday afternoon there were other members
9 from the Division of Criminal Investigation that
10 also processed the so called pit, if you will.

11 Q. Just so the Court is aware, the recovery of some
12 of the soil and some of the other ash and other
13 materials, that remains to be further analyzed in
14 Madison; is that correct?

15 A. That's correct.

16 ATTORNEY KRATZ: For this hearing, Judge,
17 that's all the questions I have of Agent Sturdivant.

18 THE COURT: All right. Mr. Loy.

19 ATTORNEY JOHNSON: Actually, Judge, I'm
20 going to be.

21 THE COURT: Excuse me. Mr. Johnson.

22 ATTORNEY JOHNSON: Thank you.

23 **CROSS-EXAMINATION**

24 BY ATTORNEY JOHNSON:

25 Q. Agent Sturdivant, you are a special agent with

1 DCI; is that right?

2 A. That is correct.

3 Q. And when were you assigned to go up to this
4 scene?

5 A. That was on Thursday, November 8th. I'm sorry,
6 Tuesday, November 8th.

7 Q. What time of day?

8 A. I had gone over there probably 8:00 in the
9 morning.

10 Q. You work out of Madison?

11 A. No, I work out of Wausau.

12 Q. And Agent -- the other agent who was there,
13 Fassbender, does he work with you out of that
14 same office?

15 A. Tom Fassbender is out of the Appleton office. I
16 used to work out of the Appleton office, but now
17 I'm out of Wausau.

18 Q. So, agents from both Appleton and Wausau were
19 called to the scene?

20 A. As well as other agents from other offices
21 throughout the State.

22 Q. You got there, then, on the 8th. Do you remember
23 what time of day?

24 A. I'm thinking it was roughly 8 a.m.

25 Q. Okay. And you went first to the -- was there

1 like a trailer set up as the headquarters or
2 crime scene headquarters?

3 A. We referred to it as a command post, yes.

4 Q. Okay. Where was that?

5 A. That was towards the entrance to the Avery
6 Salvage Yard.

7 Q. Towards the entrance, do you have an exact
8 location where that was? I mean, when you say
9 towards the entrance, what do you mean?

10 A. I can point it out on the map, if you would
11 prefer.

12 Q. Thank you.

13 THE COURT: There's a pointer right in
14 front of you.

15 ATTORNEY KRATZ: The yellow button right in
16 the middle is the laser part of the pointer. Might
17 be upside down. The other way, Tom, point it the
18 other way. I think it's pointing towards you.

19 A. I believe the command post was set up in this
20 area.

21 Q. Is that a DCI command post, or Calumet County, or
22 what is that?

23 A. I guess I would consider it a joint command post.
24 There were a number of different vehicles there
25 from Manitowoc, Calumet, but DCI does not have a

1 command post vehicle.

2 Q. So, there's a Manitowoc County Sheriff's vehicle?

3 A. I believe there were several vehicles there. But
4 I think the primary -- the primary command post,
5 I believe it was a Calumet County trailer that
6 they had positioned at the entrance.

7 Q. Okay. And at what time of day were you -- did
8 you go over to the area you referred to as the
9 burn area?

10 A. Well, it was approximately 1:30. The search
11 teams had located a variety of items of interest,
12 if you will. And myself and two other agents
13 were assigned to go out and take a look at those
14 things, whether they be earthen piles, disturbed
15 ground, what have you. We went out to assess
16 those things to see if there was anything of
17 evidentiary value.

18 Q. You're talking about now 1:30 you did that?

19 A. Yes.

20 Q. What had you been doing between 8 a.m. and 1:30?

21 A. Between 8 a.m. and 1:30, my first responsibility
22 was to execute a search warrant at the office.

23 Q. And you did that?

24 A. I did that, yes.

25 Q. And who was there doing that with you?

1 A. I was there, it was myself, Special Agent Deb
2 Straus and Special Agent Joe Kapitany arrived at
3 the latter part of the search.

4 Q. How long did that take?

5 A. That took -- I think I was completed with that
6 sometime around noontime.

7 Q. Okay. And then, at 1:30 is when you were called
8 out to the burn area?

9 A. That is correct, approximately 1:30.

10 Q. And when you got there, who was there at that
11 burn area?

12 A. Again, I made my way across -- across the salvage
13 yard. And when I arrived, there was a deputy
14 from Manitowoc County by the name of Jason Jost.

15 Q. Okay. Anybody else?

16 A. There was another female officer from, I forget
17 what department, but there was another female
18 officer that was monitoring the emptying of the
19 septic system.

20 Q. Okay.

21 A. And Special Agent Deb Strauss was also there.

22 Q. So, those three people. Anybody else?

23 ATTORNEY KRATZ: Objection, discovery.

24 A. There were a lot of people throughout the area.

25 ATTORNEY KRATZ: I interposed an objection.

1 This is discovery.

2 THE COURT: Sustained.

3 ATTORNEY KRATZ: Thank you.

4 Q. (By Attorney Johnson) Who was actually doing the
5 sifting, or the examination of that burn area?

6 A. Well, the sifting was conducted by the three
7 members of the Wisconsin Crime Lab, myself, and
8 Deputy Jason Jost.

9 Q. Okay. When you first got there, you indicate
10 that you saw a mound of dirt and you described it
11 as new to the landscape. What do you mean by
12 that?

13 A. The first thing I saw was a piece of bone that
14 Jason Jost had pointed out to me, that was away
15 from the debris pile. What I mean by the mound
16 of dirt, it is not natural to the landscape. You
17 have got the grass and it appears as though
18 several yards of dirt had been dumped on top of
19 the existing landscape, that being the grass, and
20 built up behind the garage. There was probably,
21 I think I estimated it to be 20 feet by 20 feet,
22 or 30 feet by 30 feet, but it was as wide as the
23 garage, the two-car garages.

24 Q. Okay. And you say that this deputy pointed out
25 something to you; is that right?

1 A. That's correct. It was a red flag. And I don't
2 know who actually discovered that piece of
3 material, but there was a red flag there and
4 Deputy Jost pointed that out to me.

5 Q. And Deputy Jost, again, he was from Manitowoc
6 County?

7 A. I believe so.

8 Q. And he -- How did he point that out to you? He
9 said, look? Can you describe that.

10 A. Well, as I made my way over to some of these
11 areas that had been identified, or marked, he had
12 pointed out there was a red flag there. And I
13 think he made the same observation I did, that it
14 looked like a piece of bone.

15 Q. And where was that in relation to this -- the
16 mound that you described?

17 A. I estimated that to be about 8 feet south of that
18 mound.

19 Q. Okay. Um, now, there's sort of a -- there's sort
20 of a lip there, where it goes down into the pit
21 of the -- where all the cars are, right?

22 A. Well, that pit is a substantial distance away
23 from the back side of the house.

24 Q. Okay. So that was my next question. Where is it
25 in relation to the sort of -- the edge of the

1 pit?

2 A. I'm not certain I'm following your question.

3 Q. Well, um, if you refer to exhibit, um, Exhibit 2,
4 um, which is the area photograph, the burn area
5 is marked on there, correct?

6 A. Yes.

7 Q. And, then, I guess my question is, where was this
8 first red flagged piece of bone or --

9 A. Okay.

10 Q. Where was that, I guess, on that diagram?

11 A. If this is the edge of that mound of dirt, that
12 piece of bone was approximately 8 feet south of
13 that.

14 Q. Okay.

15 A. And directly south of that so called burn pit.

16 Q. Okay. So -- And you are not sure who had first
17 discovered that?

18 A. I am not.

19 Q. Okay. How was this deputy dressed?

20 A. He was dressed in a -- I think a jumpsuit.

21 Q. Okay. What else?

22 ATTORNEY KRATZ: Objection, discovery, your
23 Honor.

24 THE COURT: Sustained.

25 ATTORNEY KRATZ: Thank you.

1 Q. (By Attorney Johnson) Okay. So, then there's --
2 the Crime Lab people are already there at that
3 burn pit, or burn area; is that right?

4 A. Well, they eventually arrived, after I requested
5 their assistance.

6 Q. Okay. So when you first get there, the Crime Lab
7 people are not there?

8 A. That's correct.

9 Q. Okay. Um, and so after discovering this bone,
10 and seeing this mound of dirt, or dug up area
11 that you describe as being new to the landscape,
12 then -- so at that point you call in the Crime
13 Lab people?

14 A. No. What happened is, that after discovering
15 that bone, I looked to the north, where I
16 observed other bone fragments. And I have sifted
17 through bone fragments in the past. So, I made
18 the observation that it appeared to me that there
19 were additional bone fragments within that
20 debris. And I did call the Crime Lab; however,
21 they were busy recovering debris from other burn
22 barrels, so they weren't there immediately.

23 Q. When you say you made the observation, was that
24 looking into this burn area from the outside, or
25 did you physically walk through the burn area, or

1 what did you do?

2 A. From the 8 feet south of that burn pit, I could
3 clearly see that there was some bone matter
4 located around the debris pile. Then I walked
5 over and took a closer look at the charred debris
6 and realized that there was quite a bit of bone
7 matter within the debris, as well as intertwined
8 within the steel belts of burned tires, and so
9 forth.

10 Q. Okay. Can you describe more specifically what
11 you saw when you say bone matter. What exactly
12 does it look like?

13 A. Well, in this case, it just looked like different
14 lengths and different sizes of bone fragments.
15 Could I determine at that point what they were,
16 what type of bone? I could not. But I could
17 determine that it was bone matter.

18 Q. And you say you have sifted through this kind of
19 thing before; is that right?

20 A. That's correct.

21 Q. And approximately how many times?

22 A. Twice.

23 Q. Two times?

24 A. Yes.

25 Q. Okay. And when were those two times?

1 A. They were both fire scenes. One was in
2 Winnebago, the other one was up in Brown County.

3 Q. When was that?

4 ATTORNEY KRATZ: Objection, discovery,
5 Judge.

6 THE COURT: The objection is sustained.

7 Q. (By Attorney Johnson) How wide of an area were
8 these fragments spread over?

9 A. I would estimate that the size of that burn pit
10 was probably 6 feet by 6 feet, roughly. Again,
11 that's an estimate.

12 Q. And they were throughout that 6 feet by 6 feet
13 area?

14 A. They were concentrated in the middle. In the
15 middle was a pile of charred debris. So the
16 debris was probably more centered in that 6 by 6
17 foot area that had been dug out from the earth
18 and berm.

19 Q. How were you dressed?

20 A. I was dressed -- I believe I had a jumpsuit on as
21 well.

22 Q. Does that cover your feet?

23 A. I'm sorry?

24 Q. Does that cover your feet?

25 A. No.

1 Q. Okay. Um, what's your understanding, or what's
2 your knowledge of, if that area had been searched
3 before? I mean, are you aware of any search, or
4 any other times people had looked in that area?

5 A. I was not aware of what had been accomplished
6 prior to my arrival.

7 Q. What was the weather like that day?

8 A. It was a beautiful day. It was clear. It was
9 sunny, might have been a little cool, but it was
10 a beautiful day.

11 Q. Any idea of the temperature?

12 A. I don't, but I know that it was getting cold as
13 the sun was going down.

14 Q. Um, it's your impression that these -- this area,
15 this burn area, I guess, for lack of a better
16 word, you described that as new to the landscape;
17 you don't know when that was done?

18 A. That's correct.

19 Q. I mean, did it seem freshly dug, like within the
20 last day or so?

21 A. I couldn't tell you.

22 Q. When you say -- When you use the term, new to the
23 landscape, what do you have in mind when you use
24 that term?

25 A. It was added to the existing landscape. Again,

1 you have got a lawn, and at some point somebody
2 had to dump gravel or aggregate, if you will, up
3 behind the garage. Looks as though it was spread
4 out, but it was raised up about 2 feet from the
5 natural landscape or the yard, if you will.

6 Q. Now, is there like black sort of charred matter
7 all over that, I mean, like you would see it like
8 where more a campfire was, or something like
9 that?

10 A. Throughout the mound of dirt?

11 Q. Right.

12 A. No.

13 Q. Where was that? I mean, what part of the burn
14 area was filled with sort of --

15 A. May I point to it.

16 Q. Sure.

17 A. Right there is -- that is -- that is here where
18 the burn matter was. And, again, if I can make
19 this a bit clearer, you have a mound of dirt that
20 has been added to the landscape.

21 At the south end of that, it looks like
22 somebody came in with a 6 foot shovel, 6 foot
23 wide, 6 foot deep, and lifted out or removed that
24 dirt, so you had kind of a concave area at the
25 edge of that mound. And that's where the debris

1 pile was located.

2 Q. Okay. So, I mean, so it looked like someone had
3 sort of made a clearing there by adding dirt to
4 this lawn area; is that a fair statement?

5 A. Yes.

6 Q. And, then, in the southern part of that, they had
7 scooped out an area where there were fires, or
8 there was burn material there?

9 A. That's correct, yes.

10 Q. And you also saw the remains of tires and things
11 there; is that right?

12 A. Yes.

13 Q. What exactly did you see?

14 A. Well, I saw a variety of things. I saw the steel
15 belt, the wire, the remnants of a steel belt, and
16 there was bone matter intertwined with that steel
17 belt wire. There was a hack saw blade in the
18 debris. There was a hammer. There was, I
19 believe, a shovel. I can't recall if it was a
20 spade or a flathead.

21 There was another tire that had not been
22 burned. Also, there was a car seat that had been
23 consumed down to the metal. And I think I found
24 there was a piece of a zipper, some other metal
25 grommets, other things within the debris.

1 Q. You say a car seat, like a seat from a car?
2 You're not talking about a baby car seat, you're
3 talking about an actual seat from a car?

4 A. Would be a bench seat.

5 Q. Bench seat. Okay. And there were other pieces
6 of material. Could you tell -- I mean, was there
7 a way for you to tell if all that stuff had been
8 recently burned, or if some of it was older; for
9 instance, did the car seat have any rust on it,
10 or anything like that?

11 A. The car seat, it did have some rust on it, but it
12 probably oxidized due to the weather. But my
13 opinion is that the burn site, and it looked
14 fairly -- that site didn't look like it was used
15 that often, looked like it was fairly new.

16 Q. Okay. Were you there when the crime scene people
17 came to process that scene, I mean the Crime Lab
18 people?

19 A. At what point? I was there when they initially
20 sifted the material.

21 Q. Okay. Did they dig down?

22 A. We did not.

23 Q. So, you didn't -- you couldn't tell how deep,
24 like the charred dirt, or charred materials,
25 would go down into the ground?

1 A. Well, we scraped it. My opinion was, it was a
2 hard surface, compacted. Didn't look as though
3 that it had been worked over in the past. So, my
4 opinion was that it wasn't something that had
5 been used that often.

6 Q. Okay. So, then at what point did the Crime Lab
7 people get there?

8 A. The Crime Lab people might have arrived around 3
9 p.m., approximately.

10 Q. Okay. And then what did they do? What did you
11 observe them do?

12 A. We assisted the Crime Lab. We set up a sifting
13 apparatus. We took the debris from the pile,
14 sifted it in three different types of sifting
15 screens, sorted or picked through it and removed
16 what we felt were bones, as well as teeth, and a
17 zipper and some metal grommets. And stuff that
18 fell through the sifter, we collected on a tarp.

19 Q. Okay. Where did the tarp come from?

20 A. The tarp came from the Crime Lab.

21 Q. Okay. Did they have like a van or something
22 there?

23 A. They did, yes.

24 Q. And you did that throughout the afternoon of the
25 8th; is that right?

1 A. That's correct.

2 Q. Okay. And so, I assume for a couple hours, until
3 it got dark, from 3 to 5, 5:30 type of thing?

4 A. Yes.

5 Q. And what happened to the stuff that was on the
6 tarp?

7 A. The stuff on the tarp was collected, double
8 bagged in a black bag and then placed into a
9 secure trailer that was in control of the Calumet
10 County Sheriff's Department.

11 Q. Okay. What kind of bags were used?

12 A. Large, black, plastic garbage bags.

13 Q. So you put it in large, plastic garbage bags?

14 A. It all fit in one bag. We just double bagged it.

15 Q. Okay. And you say you used like three -- three
16 different strainers; is that right?

17 A. Yes.

18 Q. Sort of sift through the dirt, get all the dirt
19 out?

20 A. What you do is, there are different sifters. You
21 want some of the material to fall through and you
22 want to capture other material.

23 Q. So, how wide are we talking about?

24 ATTORNEY KRATZ: Objection, discovery.

25 THE COURT: The objection is sustained.

1 Q. (By Attorney Johnson) Were you there when the
2 stuff was taken off the tarp and bagged up?

3 A. Yes.

4 Q. Okay. Were you there that whole time, throughout
5 the afternoon?

6 A. Yes.

7 Q. Okay. So then, that stuff is taken off the tarp,
8 it is put in these plastic -- this one plastic
9 bag, double bagged, sealed; is that right?

10 A. It's not sealed, per se. It's tied and then it's
11 placed in the Calumet County van that was in
12 control of the Calumet County Sheriff's
13 Department. And Rick Reimer was the person that
14 secured it.

15 Q. Okay. And then did it, that particular burn area
16 scene, did that continue to get processed the
17 next day?

18 A. I don't believe it was actually processed until
19 Thursday.

20 Q. Okay. So, what about Wednesday, what happened
21 there?

22 A. Wednesday, I had to appear in court in Monroe
23 County, so, I wasn't available. And then I came
24 back on Thursday and assisted Special Agent
25 Rodney Pevytoe with sifting debris.

1 Q. To your knowledge, nobody did anything with that
2 particular part of this site on Wednesday?

3 A. Not to the best of my knowledge.

4 Q. Okay. Then you came back on Thursday. Did you
5 spend the whole day doing the sifting on that
6 date?

7 A. The first thing we did was, Thursday morning we
8 set up at the Calumet County Sheriff's Department
9 and sifted, again, through the debris that we had
10 collected on the tarp on Tuesday. And after
11 completing that, we then went back to the crime
12 scene and began to process that thoroughly.

13 Q. You say you went back, you mean back to that burn
14 area; is that what you are talking about?

15 A. Yes.

16 Q. Okay. And, basically, same process as on Tuesday
17 or?

18 A. Well, I was -- I wasn't intimately involved with
19 any of the processing of the scene. We had a
20 number of other agents that arrived from the
21 Arson Bureau that then processed the scene.

22 Q. Okay. Are you an arson investigator?

23 A. I was at once upon a time.

24 Q. And when was that?

25 A. That was approximately two years ago.

1 Q. For how long?

2 THE COURT: I'm going to interpose my own
3 objection.

4 ATTORNEY KRATZ: Thank you, Judge.

5 Q. (By Attorney Johnson) How long have you been with
6 DCI?

7 A. Since 1998.

8 Q. And before that?

9 ATTORNEY KRATZ: Objection, discovery, your
10 Honor.

11 THE COURT: Sustained.

12 ATTORNEY JOHNSON: That's all the questions
13 I have. Thank you.

14 THE COURT: Any redirect?

15 ATTORNEY KRATZ: Absolutely not. Thank
16 you, Judge.

17 THE COURT: Witness is excused.

18 THE WITNESS: Thank you.

19 ATTORNEY KRATZ: State will call Leslie
20 Eisenberg to the stand.

21 THE CLERK: Please raise your right hand.

22 **LESLIE EISENBERG**, called as a witness
23 herein, having been first duly sworn, was
24 examined and testified as follows:

25 THE CLERK: Please be seated. Please state

1 your name, spell your last name for the record.

2 THE WITNESS: My name is Leslie Eisenberg,
3 E-i-s-e-n-b-e-r-g.

4 **DIRECT EXAMINATION**

5 BY ATTORNEY KRATZ:

6 Q. How are you employed, ma'am?

7 A. I'm sorry?

8 Q. How are you employed?

9 A. I am currently employed by the Wisconsin
10 Historical Society in Madison and as program
11 coordinator for the State's Burial Site
12 Preservation Program.

13 Q. Do you enjoy any titles at this time?

14 A. Yes, I have a doctorate in anthropology and am
15 also board certified in forensic anthropology.

16 Q. In front of you, Dr. Eisenberg, is an exhibit.
17 It's actually a 16 page exhibit, which is
18 referred to as a curriculum vitae, or what most
19 people would call a resume, a 16 page resume. Do
20 you see that?

21 A. Yes, I do.

22 Q. Does that resume include your educational
23 background, your training and your experience,
24 including writings that you have personally and
25 collaboratively been involved in that allow you

1 to speak as an expert witness in matters of
2 anthropology?

3 A. It does, sir.

4 ATTORNEY KRATZ: Ask for a stipulation as
5 to her qualifications. Move the admission of
6 Exhibit 10, Judge.

7 THE COURT: Any objection?

8 ATTORNEY LOY: No objection.

9 THE COURT: Court will accept her as an
10 expert and admit Exhibit 10.

11 Q. (By Attorney Kratz) Dr. Eisenberg, were you asked
12 to review some material that was found at what's
13 now been referred to as the Avery Salvage Yard
14 and did you, in fact, agree to review that
15 material?

16 A. Yes, I did.

17 Q. Could you answer, please, how it was that you
18 were asked and, specifically, what it was that
19 you did with that material?

20 A. I was initially contacted on Wednesday,
21 November 9th, through a telephone message by a
22 Special Agent from the Division of Criminal
23 Investigation, State of Wisconsin, Department of
24 Justice, who indicated that she would be bringing
25 to me a box of items that were recovered from the

1 Avery property, for my examination.

2 I took possession of those remains on
3 November 10th and transferred them to the Dane
4 County Coroner's Office in Madison, the Morgue
5 Facility, where I examined those remains and
6 sorted them into and identified them as human
7 remains, and other items, which were bagged
8 separately.

9 Q. All right. Did you then separate the human
10 remains from what you believed to be non-human
11 remains?

12 A. I did.

13 Q. And regarding the human remains, could you
14 describe in a little more detail what it was that
15 you observed?

16 A. Yes. When I opened the box containing all the
17 material I first examined on November 10th, there
18 were many fragments of human bones, some as small
19 or smaller than the size of a nickel, other
20 fragments perhaps as long as 4 or 5 inches.
21 None -- None of those fragments represented an
22 entire bone, but they did represent almost every
23 segment of the human skeleton, at least in part.

24 Q. Do you know how many bone fragments, just
25 roughly, it is that you have examined?

1 A. I have not made a count at this time. And the
2 reason I have not done that is because I am in
3 the process of trying to refit those fragments
4 together, to look for any other evidence, other
5 than the burning, on the fragments that I have
6 observed.

7 Q. You indicated that there were fragments, both
8 small and larger, but none, at least to your
9 independent recollection, longer than 4 or 5
10 inches; is that right?

11 A. That's correct.

12 Q. Did it appear to you that these fragments, either
13 intentionally or otherwise, had somehow degraded
14 or been changed from their original skeletal
15 state?

16 A. Yes, sir, they have. Because of the breakage and
17 the coloration, it was obvious to me when I
18 opened the box that the human remains, the bone
19 fragments, had undergone considerable heat and
20 burning.

21 Q. And so we're clear, from what is commonly
22 referred to as mutilation, the question that I
23 have of you is, did these bones appear to have
24 been altered in some way, again, rather -- either
25 by human or other forces, so that they took a

1 shape other than what a corpse may look like that
2 was not altered? Do you understand the question?

3 A. I do. And in response, I would say that the
4 normal skeleton that I would expect to find was
5 so altered by a burning episode as to render that
6 skeleton into fragments.

7 Q. All right. Dr. Eisenberg, were you able and are
8 you able, based upon your training, experience,
9 education, and to a reasonable degree of
10 scientific certainty, identify those remains as
11 being either male or female?

12 A. Yes, I have been able to make a determination of
13 sex.

14 Q. And what, first of all, is that determination?

15 A. That determination is that the fragmentary human
16 remains presented to me for examination are those
17 of an adult female.

18 Q. And by an adult female, are you able to
19 approximate the age of those remains; in other
20 words, the age of the individual from which those
21 remains come?

22 A. At this juncture, I would like to reserve comment
23 on that until I have completed my examination.

24 Q. All right. So the Court is clear, that
25 examination, um, continues your analysis, not

1 only for the -- for this particular case but for
2 the Division of Criminal Investigation, you have
3 asked to remain involved; is that right?

4 A. That is correct.

5 ATTORNEY KRATZ: For this hearing, Judge,
6 that's all the questions I have of Dr. Eisenberg.
7 Thank you.

8 THE COURT: All right. Mr. Johnson.

9 ATTORNEY JOHNSON: Thank you.

10 **CROSS-EXAMINATION**

11 BY ATTORNEY JOHNSON:

12 Q. Dr. Eisenberg, are there -- is there scientific
13 literature that you reviewed in conjunction with
14 the examination that you made in this case?

15 A. Well, as I mentioned, I have not completed my
16 examination, but, yes, there is research that I
17 have referred to and research that I already know
18 of, based on my years in the field.

19 Q. And in conjunction with this examination, what
20 literature did you refer to, what scientific
21 literature?

22 A. Literature involving signatures of possible
23 antemortem bone trauma in burned remains.

24 Q. Do you have the name of those articles or those
25 treatises?

1 ATTORNEY KRATZ: Objection, discovery,
2 Judge.

3 THE COURT: Sustained.

4 Q. (By Attorney Johnson) Um, the examination that
5 you did -- First of all, you received these items
6 from a DCI agent; is that right?

7 A. That is correct.

8 Q. And who was that?

9 A. The name of the Special Agent was Duranda
10 Freymler, F-r-e-y-m-i-l-l-e-r.

11 Q. And you had received a phone call prior to
12 receiving these, I take it?

13 A. That is correct.

14 Q. And who was the phone call from?

15 A. It was a voice mail message left for me on my
16 work answering machine, from Special Agent
17 Freymler.

18 Q. And you returned that call?

19 A. I did not return that call because when -- I was
20 out of town when the call came in. And I picked
21 up that message in transit back to Madison.

22 Q. Okay.

23 A. After hours.

24 Q. Okay. And then, when did you actually receive
25 the items?

1 A. On Thursday morning, November 10th.

2 Q. Okay. And this agent came to your workplace?

3 A. The remains were left for me at my workplace,
4 signed for by a coworker, and left in my locked
5 office, awaiting my arrival.

6 Q. Okay. And they were in a box; is that what you
7 said?

8 A. At the time, I did not know it was in a box, but,
9 yes, I did receive a white flat rectangular box
10 identified with labels and other information on
11 that box. And the box was in a brown grocery
12 type bag, presumably to transmit the box.

13 Q. Okay. And then you take that box, then, to the
14 morgue, the Dane County Morgue; is that right?

15 A. That is correct.

16 Q. And that's where you opened it?

17 A. That is correct.

18 Q. And, um, inside that box, are the items packaged
19 inside that box, separately?

20 A. Within the box there was one plastic bag into
21 which several bone fragments had been placed by
22 another forensic anthropologist, Dr. Kenneth
23 Bennett, to whom the box was initially brought,
24 for a brief examination, to determine whether the
25 fragments in the box were of human origin.

1 Q. Okay. And the color of that plastic bag was?
2 A. Was clear.
3 Q. Okay. Was that plastic bag sealed?
4 A. In what way?
5 Q. Sealed, I mean taped shut, there was some sort of
6 a seal on it, anything like that?
7 A. There was not a seal on that bag, but the bag was
8 within the sealed box that was brought to me.
9 And the box was sealed with evidence tape and
10 had -- was intact upon my receipt of the box.
11 Q. Okay. And how many items were there in the
12 plastic bag?
13 A. I did not count them. I simply laid them out
14 during the sorting procedure I followed.
15 Q. Okay. But 10, more than 10, more than 20? Do
16 you have an estimate?
17 A. I don't recall. I'm sorry.
18 Q. Okay. How do you do an examination like this?
19 Can you just sort of take me through the steps.
20 A. The first thing that I do is, wearing appropriate
21 gloves and mask and gown and so on, remove piece
22 by piece from the box and sort them into piles
23 representing human bone fragments and items of
24 non-biological origin, like metal, plant material
25 and so on.

1 Q. And how many items of non-biological origin were
2 there here?

3 A. I did not count them. I simply, with the initial
4 sorting, segregated them into separate piles that
5 then were put into separate bags that were
6 labeled.

7 Q. Okay. And then what do you do next?

8 A. Well, this is -- it's a fairly slow process.
9 There were many fragments in the box. And what I
10 did was, at the end of the evening, grouped all
11 of the human bone fragments together, was able to
12 sort out dental structures, which may have
13 represented fragments of jawbone and/or tooth
14 structures, and bagged those separately.

15 At the end of the evening I had several
16 bags, one representing human bone and bone from
17 different areas of the body, in addition to other
18 non-biological types of items.

19 Q. Okay. And you put each group of items in a
20 separate bag?

21 A. A separate labeled bag, that's correct.

22 Q. And then, did you continue this examination the
23 next day, I assume?

24 A. I did.

25 Q. Okay. And what's the next stage in it?

1 A. If I may, Judge, may I refer to my timeline?

2 Q. Is there something that would refresh your
3 recollection?

4 ATTORNEY KRATZ: Judge, perhaps I'll just
5 interpose the objection that this goes well beyond
6 the direct examination and the purpose for which
7 it's being offered at the preliminary hearing.

8 ATTORNEY JOHNSON: Judge, if there's expert
9 testimony that's been offered, I think on
10 cross-examination I'm entitled to go into the data
11 on which that expert testimony is being offered,
12 under 907.05.

13 THE COURT: If there's a document that
14 she's used to refresh her memory to testify today, I
15 believe the defense is entitled to see that. Is it
16 here?

17 ATTORNEY KRATZ: Has he asked that
18 question?

19 ATTORNEY JOHNSON: Well, I guess, let me --

20 ATTORNEY KRATZ: She asked if she could
21 look at it.

22 ATTORNEY JOHNSON: Let me see if I can
23 clarify this.

24 Q. (By Attorney Johnson) Would it refresh your
25 recollection to refer to the timeline that you

1 prepared in conjunction with this examination?

2 A. It would, but certainly I can speak through the
3 timeline. From the initial receipt of the
4 remains on November 10th, the remains actually
5 coming into my possession, on successive days,
6 after the 10th, I spent several to many hours
7 continuing with my examination, not only of the
8 remains that were initially brought to me on
9 November 9th, but additional remains that had
10 been collected by the Division of Criminal
11 Investigation on the same property, from which
12 the original box of fragments came.

13 Q. Okay.

14 A. So, the examination continued using the same
15 basic sorting procedure.

16 Q. Okay. The question that I had asked was: The
17 next day, what did you do? And I guess that's --
18 that's my question at this point. The next day,
19 how did you continue that process?

20 A. The next day I continued to sort. This is a very
21 slow process. It's a very detailed and
22 meticulous process and not something that's
23 easily completed in just several hours.

24 Q. Okay. And are you consulting anything as you are
25 doing this sorting, or any treatises, any

1 material, any reference material?

2 A. No, sir.

3 Q. Okay. How long would you say this process of
4 sorting took you? Do you have an estimate at
5 all?

6 A. Well, I am still in the process of sorting.

7 Q. Okay. Is this a situation where you, basically,
8 are sorting these fragments and you can offer an
9 opinion as to their origin purely by a -- a
10 visual examination?

11 A. That is correct.

12 Q. Okay. There's no -- Is there any other type of
13 testing that you would do to confirm that visual
14 examination?

15 A. None that I believe is necessary, given my
16 experience in analyzing human remains not only
17 from a forensic context but from some of the
18 disaster context with which I have been involved
19 in this country.

20 Q. Okay. And I'm sorry if I have -- this has been
21 answered before, how long have you been doing
22 this? How many years?

23 A. I began consulting in forensic anthropology in
24 1986 for the office of Chief Medical Examiner in
25 New York.

1 Q. Okay. Now, you are able to offer an opinion that
2 these remains, you believe, come from an adult
3 female; is that right?

4 A. That is correct, sir.

5 Q. And how do you come to that conclusion? What is
6 it about them?

7 ATTORNEY KRATZ: Judge, I'm going to --
8 well --

9 THE COURT: I'm going to allow this
10 question. She can explain how she came to her
11 conclusion.

12 ATTORNEY KRATZ: That's fine.

13 A. There are, as forensic anthropologists, certain
14 landmarks and certain shapes, what we call
15 morphology, that differ between male and female
16 skeletons. And there are certain landmarks that
17 I find -- even though they are fragmentary -- in
18 the human remains, that I have been able to
19 identify as being of the shape and form and size
20 that I believe to come from a female.

21 Q. And what landmarks, specifically, are you
22 referring to?

23 A. Two in particular, although, because my analysis
24 is not completed, there may yet be others. But
25 there are fragments from what we call the brow

1 ridge, above the eye socket, on both sides of the
2 skull, above both orbits, as well as an elbow
3 joint at the top end of one of the lower arm
4 bones, the radius.

5 Q. And what would be -- what would be the
6 difference? I mean, how would that lead you to
7 the conclusion it was a female?

8 A. In female skulls, the shape of the upper rim of
9 the eye socket is not very robust, or very heavy
10 looking. It's actually fairly gracile, very
11 small and has a sharp margin. And I see that
12 sharp margin on both fragments of the skull, of
13 the upper eye area.

14 And the head of the radius, or the part
15 of the lower -- one of the lower arm bones that
16 forms part of the elbow joint, is also of a very
17 small size.

18 Q. Now, is there a particular standard by which you
19 would judge this to be a female? I mean, a
20 certain -- below a certain size it has got to be
21 a female, above a certain size you would offer
22 the opinion it's a male? I'm talking about the
23 radius.

24 A. That's correct, that would apply to the radial
25 head, the radius head. And there has -- there

1 has been a study done that addresses just that
2 issue.

3 Q. And what is that size?

4 A. At the present time, I don't have that number in
5 my head to report to you.

6 Q. Okay. And would that -- That study you referred
7 to, do you know the name of that study?

8 A. I don't know the name of the article. I do know
9 the name of the author. I'm not quite sure if I
10 know how to pronounce the last name. First name
11 is Emily. The last name is something like
12 Barasbieta (phonetic). It's an article that was
13 published, I believe, in the *Journal of Forensic*
14 *Science*.

15 Q. And is that dealing with averages or -- I mean,
16 is there sort of like a cut off? Do you
17 understand my question?

18 A. Yes, I do.

19 ATTORNEY KRATZ: Judge, excuse me. My
20 objection is, this goes more to weight than to
21 admissibility.

22 THE COURT: At this point, the Court will
23 sustain the objection.

24 ATTORNEY KRATZ: Thank you, Judge.

25 Q. (By Attorney Johnson) What about with regard to

1 the orbital bone, is there a similar type of
2 standard there, as to what you described, that
3 would lead you to believe it's a female?

4 A. It's not a metric or measurable kind of standard.
5 It's an observational kind of standard that we
6 all base our work on.

7 Q. So, it's a subjective call on your part?

8 A. I do not believe it's a subjective call simply
9 because it cannot be measured.

10 Q. Okay. What are you looking for in that
11 particular bone, the thickness, the length from
12 side to side?

13 A. To which bone are you referring, sir?

14 Q. The orbital, I'm sorry.

15 A. It's -- It's the sharp edge, the fact that
16 there's not a heavy and protruding brow ridge on
17 top of it.

18 Q. Okay. And so that would be true, generally, of
19 females?

20 A. That is correct.

21 Q. Okay. And is that same article that you referred
22 to before the basis for -- for your opinion on
23 that bone as well, or is --

24 A. The article previously mentioned about the radius
25 head does not at all address using the orbital

1 bone to determine sex.

2 Q. Okay. Is there another learned treatise or piece
3 of scientific literature that you would have
4 reviewed relative to the orbital bone?

5 ATTORNEY KRATZ: Objection, discovery.

6 THE COURT: The objection is sustained.

7 ATTORNEY KRATZ: Thank you.

8 Q. (By Attorney Johnson) Now, are there other tests
9 that you have performed on these -- these items,
10 other like chemical tests, or anything like --

11 A. No, sir.

12 Q. All just been a visual examination?

13 A. That's correct.

14 Q. Okay.

15 A. May I qualify that? I have also had an
16 opportunity to have the fragments of the skull
17 that were presented for analysis, x-rayed.

18 Q. Okay. And where did that take place?

19 A. That took place on November 17th, at the
20 Middleton Memorial Veteran's Hospital in Madison.

21 Q. Okay. And what did you find out as a result of
22 those x-rays?

23 A. As a result of those x-rays, several of the
24 cranial fragments, at least seven of them, showed
25 evidence for areas with a greater density than

1 the bone itself. In other words, they were small
2 tiny areas, almost flecks, that appeared whiter
3 in the x-ray than the surrounding bone.

4 (Court reporter asked for clarification.)

5 A. Whiter.

6 Q. You examined these x-rays yourself; is that
7 right?

8 A. That's correct, but I was not the only one in the
9 room at the time.

10 Q. Okay. Was there a radiologist or someone who was
11 helping you interpret those?

12 A. There was a radiology technician. There was also
13 a forensic pathologist in the room at the same
14 time.

15 Q. Okay. Who was that?

16 A. His name is Dr. Michael Stier, S-t-i-e-r.

17 Q. Is he -- He is with Dane county?

18 A. He is with --

19 THE COURT: The Court is going to impose
20 it's own objection.

21 ATTORNEY JOHNSON: Okay.

22 THE COURT: It's discovery.

23 Q. (By Attorney Johnson) And what do those findings
24 tell you, if anything?

25 A. At the moment, I have -- I am not at a point

1 where I can comment on what those mean. At this
2 point, there are -- there are areas in those
3 bones that are more dense than the bone itself.
4 It's unknown at this time what those densities
5 represent.

6 Q. Okay. And do you know what part of the skull
7 those came from?

8 THE COURT: Again, just a minute, the Court
9 is going to interpose its own objection. The
10 witness has testified that, at least at this point,
11 the significance of it is unknown, so it adds
12 nothing to this hearing.

13 ATTORNEY JOHNSON: Okay.

14 Q. (By Attorney Johnson) Do you recall what the
15 substance of the voice mail message was that was
16 left for you by the Special Agent?

17 ATTORNEY KRATZ: Objection, discovery, your
18 Honor.

19 THE COURT: What's the purpose of the
20 question?

21 ATTORNEY JOHNSON: Well, I'm trying to
22 figure out if there was something that was told to
23 her about the items that she was going to be asked
24 to look at. Was it told to her that these were
25 human remains? Remains of unknown origin? What

1 exactly was told to her.

2 ATTORNEY KRATZ: If I may, Judge, and if
3 they were, that would go to weight, not
4 admissibility.

5 THE COURT: The Court agrees, the objection
6 is sustained.

7 Q. (By Attorney Johnson) Were these items that you
8 examined, were they -- you indicate that they
9 were all badly burned; is that right?

10 A. That is correct.

11 Q. And that's -- you can see that through a visual
12 examination?

13 A. That is correct. Most all of the bone was
14 blackened from burning.

15 Q. Okay. Is there any kind of chemical analysis you
16 did to confirm that?

17 A. No, and that is really outside of the range of my
18 expertise.

19 Q. Okay. So, this is, again, just -- it's a visual
20 examination that tells you, through your training
21 and experience, that this is from burns?

22 A. That is correct.

23 Q. And you have had experience in examining human
24 remains before, from burn victims?

25 A. Yes, I have had a number of forensic cases as

1 well as some of the federal disaster work I have
2 done involving a train crash in Illinois, the
3 aftermath of the World Trade Center disaster.
4 And so I have had occasion to look at many types
5 of burned and fragmentary human remains.

6 Q. Would you have an estimate as to how many times?

7 A. I do not have an exact number for you.

8 ATTORNEY JOHNSON: Thank you. That's all
9 the questions I have. Thank you.

10 THE COURT: Any redirect?

11 ATTORNEY KRATZ: No, Judge, thank you.

12 THE COURT: The witness is excused.

13 THE WITNESS: Thank you.

14 ATTORNEY KRATZ: State will call Sherry
15 Culhane to the stand. May we approach, Judge, just
16 briefly.

17 THE COURT: Yes.

18 THE CLERK: If you would raise your right
19 hand.

20 **SHERRY CULHANE**, called as a witness
21 herein, having been first duly sworn, was
22 examined and testified as follows:

23 THE CLERK: Please be seated. Please state
24 your name, spell your last name for the record.

25 THE WITNESS: Sherry Culhane,

1 C-u-l-h-a-n-e.

2 DIRECT EXAMINATION

3 BY ATTORNEY KRATZ:

4 Q. Ms Culhane, how are you employed?

5 A. I work for the Wisconsin State Crime Laboratory
6 as a DNA analyst in the DNA Section.

7 Q. In front of you is a document which is marked as
8 Plaintiff's Exhibit No. 11, would you tell us
9 what that is.

10 A. Yes, it is a copy of my curriculum vitae.

11 Q. Does that curriculum vitae include your current
12 position, the duties with the Crime Lab, your
13 prior education, training, experience, that
14 entitles you to hold the position of DNA analyst?

15 A. Yes.

16 ATTORNEY KRATZ: Move admission of Exhibit
17 11 and ask she be considered an expert, at least in
18 that particular field.

19 THE COURT: Any objection from the defense?

20 ATTORNEY JOHNSON: No.

21 THE COURT: The exhibit is admitted. The
22 Court will accept the witness as an expert.

23 Q. (By Attorney Kratz) Ms Culhane, you have been
24 asked to participate in the investigation
25 regarding DNA analysis of samples regarding the

1 case involving Mr. Avery and Ms Halbach; is that
2 correct?

3 A. Yes, it is.

4 Q. As part of that investigative process, did you
5 have occasion to individually search and recover
6 items from a 1999 Rav 4 SUV, in Madison?

7 A. Yes, I did.

8 Q. In searching the back of that vehicle, were you
9 able to observe and did you collect various
10 material, various stains, that you believed
11 included human blood?

12 A. Yes, I did.

13 Q. I'm going to show you what's been marked for
14 identification as Plaintiff's Exhibit No. 12.
15 Excuse me. Could you tell us what that is,
16 please.

17 A. This is the back cargo area of that vehicle. And
18 I recovered a portion of a large reddish brown
19 stain that was where that yellow area is.

20 Q. All right. That stain recovery, is that
21 something that you do as a member of the Crime
22 Lab, as a DNA analyst?

23 A. Yes, it is.

24 Q. Were you also asked to examine, and did you
25 recover, a reddish stain that was located near

1 the ignition portion of the front of that same
2 SUV?

3 A. Yes, I did.

4 Q. And could you look at what's been marked as
5 Exhibit No. 13 and tell us what, if anything,
6 that depicts?

7 A. This is a photograph of the inside of the Rav 4.
8 And that squiggly --

9 THE COURT: Excuse me, there's a laser
10 pointer floating around.

11 ATTORNEY KRATZ: I have got it. The yellow
12 button.

13 A. Thank you. This area right here is where I
14 recovered a portion of this reddish brown stain.

15 Q. Ms Culhane, did you also receive in evidence and
16 were you asked to process and identify whether
17 any DNA material was located on a vehicle key,
18 which has been referred to as a Toyota key?

19 A. Yes, I was.

20 Q. By the way, once receiving that key at the Crime
21 Lab, did you do anything with the key and test it
22 as it might relate to this particular '99 Rav 4?

23 A. Yes, I did.

24 Q. What did you do?

25 A. I placed it in the ignition and turned it. The

1 key turned the ignition and I also tested it on
2 the locked front driver's side door, and it did
3 open the door.

4 Q. And so the Court is aware what key we are talking
5 about, is this the same key at least identified,
6 and identified in the evidence package, as having
7 been collected from the bedroom of Steven Avery?

8 A. Correct.

9 Q. Ms Culhane, the key itself, did you process that
10 for the recovery of possible DNA material?

11 A. Yes, I did.

12 Q. Can you tell us what that entails, please.

13 A. I, basically, took a sterile cotton swab and
14 swabbed the black rubberized portion of the key
15 that you would use to crank the key. I swabbed
16 all the surfaces and I did my analysis from that
17 cotton swab.

18 Q. Ms Culhane, the analysis of this vehicle, where
19 did that take place at?

20 A. At the Wisconsin State Crime Lab in Madison.

21 Q. All right. We're going to be showing you what's
22 been marked for identification as Exhibits No. 14
23 and 15. And as you testify about your analysis,
24 I would invite you to refer to those exhibits and
25 tell us if -- if you need to read from them.

1 But let me ask you if you were able to
2 develop what's commonly referred to as a DNA
3 profile from the bloodstain that was obtained
4 from the back of the Rav 4 SUV?

5 A. Yes, I was.

6 Q. Were you able to identify and develop a profile
7 of any DNA material that was found on the Toyota
8 key that we have heard about?

9 A. Yes, I did.

10 Q. Ms Culhane, have you received from law
11 enforcement officials what are commonly referred
12 to as exemplars, or sometimes intimate samples
13 that are referred to, from both Mr. Avery and
14 that of Teresa Halbach?

15 A. Yes, I have.

16 Q. And were you able, specifically, from a buccal
17 swab saliva sample of Mr. Avery, to develop a DNA
18 profile?

19 A. Yes, I was.

20 Q. And, specifically, from a slide, a pap smear of
21 the victim in this case, Teresa Halbach, were you
22 able to develop a DNA profile?

23 A. Yes, I was.

24 Q. Did you also, Ms Culhane, receive from the Crime
25 Lab various bone and tissue material which was

1 represented to you as having been collected from
2 a burn area on the Avery property?

3 A. Yes, I was.

4 Q. Did you attempt to develop a DNA profile from
5 those charred remains of bone and tissue?

6 A. Yes.

7 Q. Referring then, first, to Exhibit No. 14 --

8 THE COURT: Just a minute, did she say she
9 tried? What was the --

10 ATTORNEY KRATZ: She said she did, Judge,
11 I'm sorry.

12 THE COURT: You were able to read the DNA
13 from the charred remains; is that what you said?

14 THE WITNESS: Yes.

15 Q. (By Attorney Kratz) Ms Culhane, then, regarding
16 the profiling, or regarding the analysis that you
17 performed, were you able to compare the DNA
18 profile from the key found in Mr. Avery's
19 bedroom, from the blood found near the ignition
20 inside of Ms Halbach's vehicle, and compare that
21 with Mr. Avery's DNA exemplar?

22 A. Yes, I was.

23 Q. What were the results of that analysis?

24 A. The profile developed from the buccal swabs that
25 were taken from Steven Avery was consistent with

1 the DNA profile that I developed from both the
2 Toyota key and the apparent blood stains that
3 were taken from the ignition.

4 Q. Were you able to develop and compare the DNA
5 profiles from the blood found in the back of the
6 Rav 4 and compare that with the DNA profile, the
7 pap smear from Teresa Halbach?

8 A. Yes, I was.

9 Q. What were those results?

10 A. The profile from the pap smear was also
11 consistent with the stain from the back cargo
12 area of the Rav 4.

13 Q. And so the Court is clear, there was also a soda
14 can that was found in the front of Teresa's
15 vehicle, that you developed a DNA profile from;
16 is that right?

17 A. Yes.

18 Q. And what, if anything, did that match, or what
19 was that consistent with?

20 A. That was also consistent with the profile
21 developed from the pap smear of Teresa Halbach.

22 Q. And, finally, Ms Culhane, were you able to
23 compare the DNA profile from the pap smear of
24 Teresa Halbach and compare those to the charred
25 tissue and charred remains found on the Avery

1 property?

2 A. Yes, I was.

3 Q. Could you describe the results for us, please.

4 A. The profile -- The DNA profile from the charred
5 remains was a partial profile and, mainly,
6 because that was a very degraded sample of DNA.
7 That partial profile was consistent with the
8 profile developed from the pap smear of Teresa
9 Halbach.

10 Q. Were you able, Ms Culhane, to speak as to
11 statistics, or a frequency of occurrence, that
12 is, between the partial profile and the known or
13 exemplar sample of Ms Halbach?

14 A. Yes, I am.

15 Q. Could you describe how that analysis occurs and
16 what, if any, statistical data you can provide in
17 that regard?

18 A. When we do this type of DNA analysis, we're
19 looking at several different locations on the DNA
20 molecule. The more locations, the more areas of
21 the DNA we test, the more discriminating and the
22 more specific that profile becomes.

23 Because the profile from the charred
24 remains was a partial profile, it was only -- it
25 matched the pap smear sample at seven different

1 locations. Statistically, if we look at how rare
2 this profile occurs in the population, we can
3 statistically look at all those different areas,
4 and combining those, we come up with a composite
5 statistic that characterizes this sample and how
6 rare it is in the population.

7 In the case of the partial profile from
8 the charred remains, it occurs one person in one
9 billion in the Caucasian population -- I have to
10 refer to the exact numbers -- one person in two
11 billion in the African/American and southeastern
12 Hispanic populations and one person in three
13 billion in the southwestern Hispanic population.

14 Q. And at least for our purposes, regarding whether
15 or not those charred remains are in fact those of
16 Teresa Halbach, is it a fair statement, then,
17 with the analysis that you have provided, to
18 indicate that the chances, if you will, that it
19 is not Teresa Halbach would be one in one
20 billion? Is that roughly a restatement of what
21 you are telling us?

22 A. Basically, it just means that this profile occurs
23 in the general Caucasian population one person
24 out of a billion and it is consistent with
25 Teresa.

1 Q. So, the seven out of seven loci, in other words,
2 the DNA analysis, at least to the frequency of
3 one in one billion, matched between that of
4 Teresa Halbach and that of the charred remains;
5 is that correct?

6 A. That's correct.

7 ATTORNEY KRATZ: That's all I have of this
8 witness, Judge. Thank you.

9 THE COURT: Mr. Johnson.

10 ATTORNEY JOHNSON: Thank you.

11 **CROSS-EXAMINATION**

12 BY ATTORNEY JOHNSON:

13 Q. When did this car arrive at the Crime Lab?

14 A. I got involved in it on November 7th --

15 Q. Do you know --

16 A. -- 2005.

17 Q. I'm sorry, 2005, is that what you said?

18 A. Yup.

19 Q. Okay. When did it arrive, to your knowledge?

20 A. I believe it arrived the day before, on a Sunday.

21 Q. Okay. And then you didn't have anything to do
22 with it until that day?

23 A. Correct.

24 Q. And where was it when you first saw it?

25 A. It was in the garage of our laboratory.

1 Q. Okay. And it was parked there? Was it in a van?
2 How was it?

3 A. No, it was parked in the garage and it was being
4 photographed by the photographer in the
5 laboratory.

6 Q. Okay. Who else was there?

7 A. Myself, Mike Riddle, who is another analyst in
8 the lab, Nick Stahlke and Ron Groffy.

9 Q. And those are other Crime Lab personnel?

10 A. Yes.

11 Q. Okay. Were any of those people people who had
12 been on the scene when the car was recovered?

13 A. I don't recall if they were there or not.

14 Q. Okay. And was the car -- were the doors open and
15 the hatch open?

16 A. Yes, I believe so.

17 Q. Okay. And they were taking photographs; is that
18 right?

19 A. Yes.

20 Q. And were they processing the vehicle otherwise?
21 Were they looking like for fingerprints, doing
22 things like that?

23 A. Usually when we process a vehicle like this, as a
24 DNA analyst, I look at it first for any
25 biological material. In this case, I was

1 interested in any blood stains, apparent blood
2 stains, that I might find. So, I was involved in
3 the beginning.

4 The car is photographed, first. Then I
5 was involved in looking for blood stains,
6 apparent blood stains. And after I was completed
7 with my portion of it, then it would have been
8 processed for fingerprints.

9 Q. Okay. So the car is there, there are a number of
10 people around it. Are the doors open and things
11 like that?

12 A. Yes.

13 Q. Okay. And so someone had done that prior to your
14 arrival?

15 A. As far as I recall, yes.

16 Q. Okay. And so you get there. And what do you
17 have with you?

18 A. Pardon me?

19 Q. What do you have with you? I mean, what
20 materials do you have?

21 A. I have the supplies that I use to process the
22 car: Cotton swabs, chemicals that I use to look
23 for presumptive test for blood, my notes, that
24 sort of thing. And I begin -- flashlight -- by
25 actually visually looking at the car to see if

1 there is any blood stains.

2 Q. Okay. And how are you dressed?

3 A. I have a lab coat on.

4 Q. Okay.

5 A. I don't remember what else.

6 Q. Okay. And you have --

7 A. Gloves, lab coat, gloves, yup.

8 Q. Okay. Anything covering your mouth, or anything
9 like that?

10 A. Not my mouth, but I had safety goggles, glasses.

11 Q. Okay. And so what's the first thing you do --

12 (Court reporter asked to have the question repeated)

13 Q. I'm sorry. What's the first thing you do in
14 relation to this car?

15 THE COURT: Just a second. Mr. Kratz, can
16 you turn off the photo machine, it will make life
17 easier for the reporter.

18 A. The first thing I do is begin to take notes. I
19 verify that the car that's in the garage is the
20 car that I'm actually supposed to be looking at.
21 I write down the VIN number, what type of car it
22 is, and then I begin, basically, by -- with a
23 flashlight, looking on the inside of the car.

24 As I come across stains that appear to
25 be consistent with blood stains, I diagram and

1 note where those stains are. I collect those
2 stains by using a sterile cotton swab that's
3 in -- dipped in sterile water and I swab the
4 area. In some cases those are photographed. Not
5 all stains from every car is photographed. And
6 I, basically, write my notes as I go along.

7 Q. Okay. Now, do you speak to anybody before you
8 start this process?

9 A. I'm usually -- I have usually been told what case
10 it is, some of the background on the case. In
11 this particular case, I was told by one of the
12 supervisors what kind of case this was, where
13 this car was found, and what we were interested
14 in looking at.

15 Q. Okay. So you knew -- you knew some background
16 about the case, where the car was found, you knew
17 it was the victim's car?

18 A. Correct.

19 Q. And you knew that -- that -- that it was,
20 potentially, you would expect to find blood
21 stains there?

22 A. Correct.

23 Q. And other potential DNA material?

24 A. Correct.

25 Q. And that's all before you go out and start

1 processing the car?

2 A. Yes.

3 Q. Okay. So, then, does anybody point out, like
4 different possibilities about what stains you
5 might want to look at, or do you just do that
6 yourself?

7 A. Actually, in this case, Nick Stahlke, who is
8 another analyst, he is a blood spatter analyst as
9 well as a document analyst, we were sort of doing
10 it in conjunction, and we were kind of looking at
11 the stains together.

12 Q. Okay. And so you -- you -- do you recall which
13 stain you looked at first?

14 A. Yes, the first one was the one in the back cargo
15 area, because it was the largest and the most
16 obvious.

17 Q. How big an area was that stain?

18 A. I didn't measure it exactly. That was the
19 photograph you were shown earlier. I would guess
20 about that big.

21 Q. And you are holding your hands --

22 A. -- about six inches across.

23 Q. About six inches. Would you say --

24 A. Approximately.

25 Q. Would you say six inches around, I mean, like

1 sort of a circular type of stain?

2 A. Yes.

3 Q. And what do you do to process that stain?

4 A. We do a test that is a presumptive test for
5 blood. It is not specific for human blood, but
6 we use it as a screening tool. It's a --

7 Q. What test is that?

8 A. It's phenolphthalein.

9 Q. Okay.

10 A. It is a color test. If you -- If it's probably
11 blood, you get a bright pink color.

12 Q. Okay.

13 A. So, I did that on the stain. It appeared to be
14 that it was consistent with a possible
15 bloodstain, so I collected that one.

16 Q. Okay. And, then, to collect it, what do you do?

17 A. I took a sterile cotton swab, wet it with sterile
18 water and just, basically, wiped it over the
19 surface until I had enough on the cotton swab
20 that I felt I could get a DNA profile from.

21 Q. Okay. And is that cotton swab, the tip of it,
22 like saturated then, or just a small amount of
23 the bright pink on it, or?

24 A. I use a different swab. I use the swab -- a swab
25 for the phenolphthalein to test that. Then I

1 throw that away. Then I take a another swab to
2 actually take my sample for DNA extraction.

3 Q. Okay. You throw that away, where do you throw
4 that away?

5 A. Into a biohazard box.

6 Q. And then what do you do? Then you take a
7 different cotton swab and you swab the stain?

8 A. Correct.

9 Q. Then what do you do with that swab?

10 A. I allow it to air dry and then I put it into a
11 paper coin envelope and I mark on the outside the
12 item designation, the laboratory number. Any
13 evidence or any case that's opened into the
14 laboratory has a unique number and we use that
15 number to identify everything associated with
16 that case.

17 So I put the lab number on it. It was
18 Item A, and it was the first stain that I
19 collected so it was A1.

20 Q. Okay. And you allow it to air dry; how long does
21 that take?

22 A. It wasn't very wet. I probably -- What I have is
23 a rack and this -- the cotton swabs, as I collect
24 the stains, are put into this rack and they are
25 left there until I'm completed. Then I put them

1 all into a envelope.

2 Q. And how big is this rack, a foot long?

3 A. No, not that long.

4 Q. Six inches?

5 A. Yeah.

6 Q. Okay. So, like square, six by six?

7 A. Yeah.

8 Q. How many different cotton swabs can fit in there?

9 A. I usually put about three, then I use another
10 one.

11 Q. And then you put those, where? Is there like a
12 table or something there you put them on?

13 A. Yes, it's an area that I designated as my work
14 surface. It has paper down and it has all the
15 tools, the forceps and everything that I use for
16 examination.

17 Q. Okay. And that little holder stand sits on that
18 table?

19 A. Correct.

20 Q. And, um -- So you take the cotton swab, put it in
21 the stand, you go on to the next stain, then, at
22 that point?

23 A. Correct.

24 Q. What do you do with that stain, the next stain,
25 same process?

1 A. Same process, correct.

2 Q. Okay.

3 A. Yes.

4 Q. Okay. Is it the same thing with the blood test
5 first, the presumptive blood test first?

6 A. Yes. And then that's discarded into a biohazard
7 box and then I take my actual sample.

8 Q. Where is that biohazard box; is that also on that
9 little table, the work table?

10 A. It's in a -- It's a box on the floor, it's a big
11 biohazard box right by where I am.

12 Q. Is it like covered, or?

13 A. What do you mean by cov -- No, it's open.

14 Q. It's just an open box?

15 A. An open box, yeah.

16 Q. Okay. You're sort of pitching stuff into?

17 A. Correct.

18 Q. Okay. Do you remember which stain you went to
19 next?

20 A. Yes, I do. I did not -- I believe there were a
21 total of 10 stains that were -- I actually
22 swabbed and collected. I only did DNA on four of
23 them. The next stain was on the cargo area, the
24 back cargo area of the car. There's a little
25 plastic strip that you get into the car. I don't

1 know exactly what it's called, but that was the
2 second stain that I took.

3 Q. That's sort of like the -- the rear of the car,
4 where the sort of carpeting ends and there's sort
5 of a little plastic area there?

6 A. That's correct.

7 Q. Right where the hatch back opens?

8 A. Correct.

9 Q. Okay. And that's -- that's the stain you did
10 next?

11 A. Yes.

12 Q. Okay. How do you get access to the stain in the
13 interior of the cargo portion? Did you go
14 through the door, or how did you get to that?

15 A. No, I just leaned over.

16 Q. You leaned over. Okay. How big of a lean is
17 that?

18 A. I don't recall, maybe a few feet.

19 Q. Okay.

20 A. Just a reach. I could comfortably reach it.

21 Q. Are you touching anything else when you are doing
22 that?

23 A. No.

24 Q. Okay. So, then this strip, you do that one next.
25 How big is that stain?

1 A. I don't recall. I would have to look at my notes
2 to see exactly.

3 Q. Okay. You would refresh your recollection by
4 looking at your notes?

5 A. Yes.

6 Q. Okay.

7 THE COURT: I'm going to interpose my own
8 objection here. Is this one of the ones you
9 analyzed?

10 THE WITNESS: No.

11 THE COURT: For purposes of this hearing, I
12 don't believe it's relevant.

13 Q. (By Attorney Johnson) Okay. So, this is not one
14 of the stains you analyzed for DNA?

15 A. That is correct.

16 Q. Okay. Why don't we go to the next stain you
17 analyzed for DNA?

18 A. Okay.

19 Q. Where was that?

20 A. There was a stain on the driver's seat. It was
21 actually in the fabric of the seat. I cut that
22 out.

23 Q. Okay. Using what?

24 A. A pair of scissors.

25 Q. Okay. Where did the scissors come from?

1 A. In the laboratory, my work scissors.

2 Q. Are they from that same work area?

3 A. Yes. Yes, all the tools that I use for my
4 processing and examination are all in the same
5 area.

6 Q. Okay. That's that little table where the little
7 stand for the swabs is sitting?

8 A. Correct.

9 Q. And how big is that table, again?

10 A. I don't recall exactly, probably maybe 3 feet by
11 2 feet.

12 Q. Okay.

13 A. It's a laboratory counter.

14 Q. Okay. All right. So -- So you get the pair of
15 scissors and your, um, and, um, you cut out
16 that -- that stain out of that driver's, uh,
17 seat; is that right?

18 A. Yes.

19 Q. Okay. And how big is that stain?

20 A. It's probably the size of my thumbnail.

21 Q. Okay. Which is half an inch? I mean, an inch?

22 A. Quarter of an inch.

23 Q. Quarter of an inch. Okay. You cut that out;
24 what do you do with it?

25 A. I put that in a coin envelope and also label it

1 with a case number, the date, and my initials,
2 and the item designation that I give it, which in
3 this case I believe it was a six.

4 Q. Okay.

5 A. It was the sixth thing I took.

6 Q. So that -- now would that stain -- You don't take
7 a swab of that stain right there?

8 A. No.

9 Q. When do you -- So what do you do with that
10 envelope?

11 A. That's put on my work surface.

12 Q. Okay.

13 A. It's folded over and sealed and put on my work
14 surface.

15 Q. Okay. In the meantime, you collected, I assume,
16 four other stains?

17 A. Correct.

18 Q. And those are all with Q-tips?

19 A. Yes, they are.

20 Q. Okay. And those Q-tips are stored in that same
21 little --

22 A. Yes.

23 Q. Okay. That's the same little stand, Q-tip drying
24 stand or something?

25 A. Yes.

1 Q. Okay. Um, and, um, and then what's the next --
2 next thing you do?

3 A. The next stain that I process?

4 Q. Yes.

5 A. The next stain that I collected, that I actually
6 did DNA on, was the stain that was right to the
7 right of the ignition.

8 Q. Okay. And how do you get that stain?

9 A. Again, I collected that on a cotton swab.

10 Q. Okay. Is that after you have done the
11 presumptive test?

12 A. Yes, same process with each one of these. Each
13 one of these stains I do a presumptive test first
14 and then I do the actual collection of the
15 sample.

16 Q. Okay. And how do you decide which ones you
17 are -- I mean are you taking swabs that you
18 intend to do DNA analysis --

19 A. Yes.

20 Q. -- on from each one of these stains?

21 A. All of the stains that are on a hard surface,
22 like the dashboard or a metal part of a car, we
23 can't actually cut that metal out, so the way to
24 remove those stains is to use a cotton swab and
25 actually take the stain off.

1 If it's a stain on a piece of fabric --
2 We don't -- it's much more efficient and we get
3 more sample out of it when we cut the stain. So
4 all the stains that were collected from like
5 cloth seats, the stain was actually cut. If it
6 was a stain that was on a hard surface, it was
7 collected with a cotton swab.

8 Q. Okay. And -- But did you not analyze some of
9 these stains later, for DNA, or did you analyze
10 all of them?

11 A. No, I didn't. I only chose four to analyze.

12 Q. Okay. And how did you decide which four?

13 A. Um, it was -- I basically just took a random
14 sampling of some of the stains -- as I said, Nick
15 Stahlke, one of the other analysts in the
16 laboratory, is proficient in blood spatter --
17 under his direction. He said that some of the
18 stains appeared to be possible drips. Those
19 stains I collected for sure. And that's how I
20 decided which ones to actually look at.

21 Q. Okay. So, he -- he basically told you which ones
22 he thought looked like blood?

23 A. Right.

24 Q. Okay.

25 A. Not looked like blood, but looked like they were

1 drips of blood. The stain -- I collected -- All
2 the stains I collected gave me a positive
3 phenolphthalein for blood and were consistent
4 with the appearance of blood.

5 Q. Okay.

6 A. I chose to do DNA on certain stains, the ones
7 that appeared to be drip marks or that appeared
8 to be isolated stains, not with the larger
9 bloodstain. I only did one of those.

10 Q. Okay. And the reason for that was because they
11 appeared to have dripped from the other stains?
12 I guess I'm --

13 A. Well, I mean they could have appeared to have
14 dripped from anything, from someone that was
15 injured, from an object, from a weapon, from
16 anything. They just appeared to be different.

17 A lot of times when we process cars, or
18 any kind of evidence, that's part of the process,
19 is to decide which stains maybe look different,
20 which stains are separated from other stains,
21 which stains might be -- give a little more
22 probative evidence than the --

23 For instance, in this case, the large
24 stain in the back, I took that stain, but there
25 were other smaller stains associated with that.

1 I took that stain, but I didn't take, you know,
2 four or five samples from that stain, I just took
3 one sample from that stain.

4 The other samples, perhaps they were
5 from another source of the blood. So that's why
6 we choose certain samples to take and certain
7 ones not to examine.

8 Q. Okay. So the -- And how long does this process
9 take?

10 A. To process a car?

11 Q. Right.

12 A. My portion of it, it took me most of the day.

13 Q. Okay.

14 A. And then someone else had to process it for
15 fingerprints. You know, it depends on the
16 vehicle. Sometimes they take a day, sometimes it
17 may be two or three days. It just depends.

18 Q. And so there is a total of 10 stains that you get
19 presumptive positive blood tests from?

20 A. Correct.

21 Q. And I think you said four of those you also
22 swabbed for -- with a swab, a cotton like, for
23 DNA?

24 A. All of them -- All of those 10 I collected.

25 Q. For DNA?

1 A. Right --

2 Q. Okay.

3 A. -- with a swab --

4 Q. Okay.

5 A. -- but I only chose to examine four of them --

6 Q. Four. Okay.

7 A. -- for DNA.

8 Q. All right. And you go through the same process

9 in each one?

10 A. Yes.

11 Q. And how many of them are drying -- drying at the

12 same time?

13 A. Well, I don't recall exactly, but as they are

14 dry, I take them out and put them into the

15 envelope as I, you know, as I go along.

16 Q. Okay. And how can you tell if they are dry; do

17 you like feel them?

18 A. Actually, I put them in the envelope and then I

19 reopen them. I reopened them at my desk and let

20 them air dry.

21 Q. Okay. So they are not quite dry, you put them in

22 the envelope --

23 A. They weren't -- I mean, they were put in the

24 envelope, then I took them up to my desk and I

25 opened -- the end of them was opened so the air

1 could circulate. But they were never taken out
2 of the envelope again.

3 Q. Okay. When you do that, how are you carrying
4 them up to your office?

5 ATTORNEY KRATZ: Objection, discovery,
6 Judge. This is well beyond the preliminary hearing.

7 THE COURT: Sustained.

8 Q. (By Attorney Johnson) Um, okay. So then, um, you
9 are finished processing the car and, um, you are
10 going to do the, uh, the analysis of these
11 stains; is that right?

12 A. Yes.

13 Q. Um, and how do you do that?

14 A. Um, these stains that I recovered?

15 Q. Right.

16 A. I take each of the stains. I cut a small portion
17 of the stain. I put it in a tube and I do a
18 procedure that basically extracts the DNA from
19 the cells. Um, I go through a process where I
20 clean it up. And in the end, I end up with a
21 vial with about 45, 50 microliters of liquid that
22 has nothing but DNA in it.

23 Q. Okay.

24 A. I take that DNA. I quantitate it, which means I
25 try and find out how much DNA, what the

1 concentration is of the DNA. Some samples have a
2 lot of DNA. Some samples don't have very much.
3 So I have to quantitate it to find out how much
4 is in there. I then set up these samples to be
5 amplified for DNA.

6 In this type of DNA analysis, we're
7 looking for specific fragments of DNA. These
8 fragments have to be amplified, which I set them
9 up for that process in the laboratory. Then I
10 run them on an instrument that detects those
11 fragments of DNA that we're looking for. When
12 the data comes off of the instrument, what I get
13 is a composite profile of DNA fragments that
14 characterizes that particular stain.

15 Q. Okay. So with the amplification, that's the PCR;
16 is that right?

17 A. Yes.

18 Q. Okay. And then you do, um, the -- the process by
19 which you look for the -- the -- the repeats, is
20 that right, the short tandem repeats?

21 A. Yes. It's a PCR based system. And STRs are the
22 fragments we're looking for. We use a
23 commercially prepared kit that tags those
24 fragments with a fluorescent dye and then our
25 instrumentation detects that dye and that's how

1 we get the actual size that comes out of the
2 fragments.

3 Q. Okay. And then, um, that ultimately ends up,
4 you -- you look for, is it 13 different
5 locations?

6 A. There are 13 core loci. In our laboratory we use
7 a kit that is produced by Promega, which has,
8 actually, two extra ones. There are no
9 statistics associated with those extra ones, but
10 we do the 13 core loci that the FBI requires, in
11 addition to two extra ones.

12 Q. Okay. So, basically, when you talk about core
13 loci, what you are talking about is 15 different
14 points, 15 different locations, right?

15 A. Yes.

16 Q. Okay. And then you are looking for what's at
17 those particular locations?

18 A. You are looking at fragments of different sizes.
19 For instance, at a particular locus, say D5, I
20 might be a 14/15, someone else is a 15/16. So
21 they have one fragment that's a little bit
22 bigger. Those fragments are determined -- The
23 difference in those fragments is determined by
24 the size of them.

25 Q. And this is all done by a computer, right, a

1 machine?

2 A. It's done by a 310 capillary electrophoresis
3 instrument?

4 (Court reporter asks her to repeat her answer.)

5 A. 310 capillary electrophoresis instrument. And
6 that detects the fragments as it goes through the
7 instrument with the dyes attached to it and that
8 tells us what the size of those fragments are.

9 Q. Do you get like a printout then --

10 A. Yes.

11 Q. -- with some peaks on it?

12 A. With peaks on it, yes.

13 Q. Okay.

14 A. And those peaks represent the fragments.

15 Q. Right. So, like if you -- you get sort of a
16 chart and one particular area there's -- which
17 represents a particular location on the DNA loci,
18 or locus, basically, I guess, if you are talking
19 about one, then you look for two peaks, if there
20 is two, or one if there's one and you -- and
21 that's the 14, or the 15, or the 16, or whatever?

22 A. Correct.

23 Q. Okay. And for each of these 13 loci, you will
24 get a reading of however many peaks there are in
25 that particular DNA sample?

1 A. Correct.

2 Q. At that -- at that locus?

3 A. Correct.

4 Q. And do you do the -- the reading of that graph,
5 that -- that chart with the peaks?

6 A. Yes, I do.

7 Q. Okay. So -- So, you are the one who -- who looks
8 and says that -- the computer tells you --

9 A. Well, we actually have a computer program, but I
10 actually analyze -- I mean, each analyst is
11 responsible for looking at their own data and
12 making those interpretations.

13 Q. Okay. So, that's your call as to whether a
14 particular peak actually represents the presence
15 of an allele there versus some background noise
16 and things like that that sometimes gets printed
17 out as well?

18 A. Correct.

19 Q. Okay. Um, and you go through this process for
20 each of these 13 core loci that the FBI tells you
21 to look at, right?

22 A. Correct.

23 Q. And plus, this particular commercially
24 manufactured thing, this is the PowerPlex 16; is
25 that right?

1 A. Yes.

2 Q. It gives you two more, that's like penta E and
3 penta D, or something like that; is that right?

4 A. Correct.

5 Q. Okay. And then -- So you look for those
6 additional loci as well?

7 A. Correct.

8 Q. Okay. And then, um, and then do you also look to
9 see if there's a, um, a genetic marker for sex?

10 A. Yes.

11 Q. Okay. And you did that with the samples that you
12 got, four of them; is that right?

13 A. Yes, from that item of evidence.

14 Q. Okay. And do you remember which four?

15 A. I believe it was A6, A8, A9 and A12. Um, A6 was
16 a stain from the driver's side front seat. A8
17 was a stain near the ignition. A9 was on the
18 front seat in the passenger side. And A12 was a
19 stain that was, um, it was between -- it was on
20 the passenger side, between the front and back
21 door, that metal panel. Um, I don't know what
22 you call it. It was on the passenger side, the
23 metal piece that -- that -- where the door
24 closes.

25 Q. Okay. Like the frame?

1 A. Yeah.

2 Q. Okay.

3 A. On the side of the frame.

4 Q. Okay. And that was on the side of the frame on
5 the passenger --

6 A. Yes.

7 Q. -- side in the rear?

8 A. Right.

9 Q. Is this a four-door or two-door?

10 A. Four-door.

11 Q. Four-door. Do you ever do any other test with
12 regard to whether or not it is blood?

13 A. No, we do not.

14 Q. Now, you generate a DNA profile based on the --
15 the presence of different alleles at these
16 different loci, correct?

17 A. Yes.

18 Q. Okay. And, then, did you compare that to, um,
19 the DNA Data Bank, Wisconsin DNA Data Bank?

20 A. Originally, yes.

21 Q. So that was the first thing you did?

22 A. Um, after I generated the profile, I requested a
23 keyboard search, um, through the Milwaukee Data
24 Bank.

25 Q. Okay. Why did you do that?

1 A. Because I was asked to do that.

2 Q. By who?

3 A. The police department. Um, there was -- My
4 initial testing indicated that it was a male
5 individual. Um, I did not have any samples from
6 anyone, um, so we thought someone may be in there
7 that matched, so we did a keyboard search. Um, I
8 think between myself and the DCI agents -- and I
9 don't remember who -- we had a discussion and it
10 was decided that we would do it.

11 Q. Okay. How -- How broad a keyboard search did you
12 do?

13 A. I did not actually do it. Dan Haase did it, who
14 is the -- in charge of the data bank over in
15 Milwaukee. I sent him the profile that I
16 developed from these stains. Um, and he searched
17 all the state -- the convicted offender -- State
18 Convicted Offender Data Base.

19 Q. Okay. But did you do, um, a search -- I mean, do
20 you know if he did a keyboard search just based
21 on those specific alleles at each one of those
22 different loci, or did he do a broader search
23 whereby he would put in more than those two
24 alleles for each loci? Do you know what I'm
25 asking you?

1 A. No, you would just --

2 ATTORNEY KRATZ: Judge, I'm going to
3 object. Whatever he's asking is well beyond a
4 preliminary hearing.

5 THE COURT: The objection is sustained;
6 it's discovery.

7 Q. (By Attorney Johnson) Now, with regard to the
8 key, when did you get the key?

9 A. I believe it was the 8th. Let me check my notes
10 to make sure.

11 Q. You are using your notes there to refresh your
12 recollection; is that correct?

13 A. Yes, I am.

14 Q. Can I just -- Can we approach?

15 THE COURT: Yes.

16 (Side bar taken.)

17 Q. (By Attorney Johnson) Does that refresh your
18 recollection as to when you got the key?

19 A. Yes.

20 Q. Okay. When did you get it?

21 A. November 8th.

22 Q. Okay. And how did it come to you?

23 A. It came into the laboratory from a DCI agent,
24 Matthew Joy.

25 Q. How was it packaged?

1 A. In a brown paper bag.

2 Q. Okay.

3 A. With evidence tape. I opened it up and then --

4 Q. I'm sorry, where was this taking place, in your
5 office?

6 A. No, in the garage.

7 Q. In the garage?

8 A. Yes.

9 Q. Same garage?

10 A. Yes.

11 Q. Okay. And is there like a table or something
12 that's set up to do this kind of thing?

13 A. No, I believe it was taken in by an evidence
14 specialist and then it was brought down to me,
15 because they wanted it swabbed before it could be
16 tested on the car to see if it -- it would turn
17 the ignition.

18 Q. Okay.

19 A. So they gave it to me. I had gloves on. I
20 opened the package. I swabbed the area, the
21 black part of the key that does the crank, with a
22 cotton swab. There was no visible staining on
23 it. That's when I took the key and put it in the
24 ignition and tested the lock on the door.

25 Q. Okay. So you, um, you swabbed the black part; is

1 that the only part you swabbed?

2 A. Yes.

3 Q. Okay. And then what do you do with that swab?

4 A. That was also laid out in my work space to air
5 dry.

6 Q. Okay. I assume there's -- that's the one swab
7 there at this time?

8 A. Yes, this was the next day.

9 Q. Okay. Um, what is the procedure? Is this the
10 same work space that you used down in this garage
11 all the time or was this sort of a temporary set
12 up?

13 A. It was a temporary set up. It's not my work
14 space that I use all the time. It's just set up,
15 an area set up for processing cars.

16 Q. Okay. And -- And it was brought to you there
17 because the car was still there and you expected
18 to -- to eventually try the key on the car; is
19 that the idea?

20 A. Yes.

21 Q. Okay. And this was -- Um, what's the procedure
22 for dealing with that work space in between the
23 time you examined the car and the time you
24 examined this key?

25 A. Well, it's used by multiple people, I mean,

1 whoever needs the space to work on the car.

2 Before I start working on it, I clean it down
3 with bleach and put down white paper.

4 Q. Okay. And what about the little Q-tip holder?

5 A. That's also cleaned down with bleach, at my desk.

6 Q. You do that personally?

7 A. Yes.

8 Q. Okay. And so you -- you -- you do that everyday
9 at the end of the day, or how do you do that?

10 A. We do it several times a day, depending on what
11 kind of evidence we have out, what we're working
12 on. We clean our pipettes. We clean our work
13 bench. We clean our forceps, our -- everything,
14 numerous times.

15 Q. Okay. Do you know how many times this was
16 cleaned?

17 A. No, I don't.

18 Q. In between the car and the key, you don't know?

19 A. No, I don't know how many times. It was cleaned,
20 because I always clean it every time I use it.

21 Q. Okay. You clean it right at the beginning of
22 processing any piece of evidence?

23 A. Yes, I do.

24 Q. Okay. And so then you swab this, this air dries,
25 and then what do you do with the key?

1 A. Then I put it back into the paper container and I
2 believe I retained custody of it.

3 Q. Were you the person that tried it in the ignition
4 then, too?

5 A. Yes.

6 Q. Okay. And you did that right after you swabbed
7 it?

8 A. Yes.

9 Q. Right. Immediately --

10 A. I -- As soon as I was done swabbing it, I tried
11 it in the car.

12 Q. Okay. And you tried it in the ignition and you
13 said, also, in the door; is that right?

14 A. Yes. I locked the door and it opened the lock.

15 Q. Okay. And then you turned the ignition and it
16 turned over?

17 A. Actually, it didn't turn over because, I
18 believe -- It didn't crank. I believe the
19 battery was disconnected?

20 Q. Oh.

21 A. But it -- I mean it turned completely over. It
22 just didn't crank the engine.

23 Q. Okay. Um, and then, um, when do you get the, um,
24 the samples from -- Mr. Kratz referred to them as
25 the intimate samples -- when do you get those

1 things?

2 A. Um, the buccal swabs?

3 Q. Right.

4 A. The standard samples?

5 Q. Right.

6 A. I will have to check my notes and evidence.

7 Q. Go ahead.

8 A. There were three buccal swabs that were

9 submitted, and they were all three submitted on

10 the 11th of November.

11 Q. Okay. And who were those from?

12 A. Allan Avery, Bryan Dassey, and Steven Avery.

13 Q. Okay. Those are the three that you got?

14 A. Buccal swabs, yes.

15 Q. Okay. And those -- And you generated profiles

16 off of those three?

17 A. Yes, I did.

18 Q. Okay. And that's the same process that you did

19 with generating the profile from the -- from the

20 stains in the car?

21 A. Yes.

22 Q. And how did those -- those swabs come to you?

23 A. How are they packaged?

24 Q. Right. How did you get them?

25 A. They came into the laboratory --

1 THE COURT: I'm going to impose my own
2 objection here, again. This goes to discovery.

3 ATTORNEY JOHNSON: Okay.

4 Q. (By Attorney Johnson) Now, the partial profile
5 that you received from the, um, the charred
6 materials, when did you receive those?

7 A. The 11th as well.

8 Q. Okay. And, um, you generated a partial profile,
9 that's because you could only -- there was only
10 enough DNA material to -- to find seven out of
11 the 13 loci; is that the idea there?

12 A. No, I suspect in this case it was because the DNA
13 was degraded.

14 Q. Okay.

15 A. It was not a very, um, good sample for DNA.

16 Q. Okay. And so what does that do to it?

17 A. Um, when you look at a DNA profile, as you are,
18 um, the larger -- when a DNA sample -- when DNA
19 begins to degrade, the larger fragments will
20 begin to break up and we don't detect them.

21 So, when you look at a sample where the
22 smaller fragments are detected, which was the
23 case in this particular instance, if it's a
24 degraded sample, you usually see the larger
25 fragments drop out. So, I only got fragments at

1 seven loci instead of 13.

2 Q. Okay. And -- and, um, so those -- those --
3 those, um, fragments that you got on the seven
4 loci would have been larger fragments?

5 A. Smaller fragments.

6 Q. Smaller fragments. The larger ones would drop
7 out?

8 A. Yes.

9 Q. Okay. The loci would be present, you just
10 wouldn't see any peaks in those particular
11 places; do I have that right?

12 A. Well, the loci basically just refers to a
13 location.

14 Q. Right.

15 A. The peaks are the actual fragments that are
16 there, but any time a biological sample starts
17 to -- such as DNA -- starts to degrade and break
18 up, it basically just breaks apart. And so the
19 DNA at those places are beginning to break apart.

20 Q. So you don't -- So what, are there no peaks at --

21 A. Nothing.

22 Q. -- those loci?

23 A. Right. There's nothing.

24 Q. Nothing --

25 A. Nothing.

1 Q. -- on the printout, there's just nothing there?

2 A. Correct.

3 Q. Okay. Using those -- At those seven different
4 loci, did you get two alleles at each one; do you
5 know?

6 ATTORNEY KRATZ: Objection, discovery,
7 Judge.

8 THE COURT: Sustained.

9 Q. (By Attorney Johnson) How do you come up with the
10 calculation of one in a billion in the Caucasian
11 population?

12 A. We use the FBI's Data Bank and, basically, each
13 one of these fragments are inherited
14 independently of each other. So, we can multiple
15 the frequencies of each one of these fragments,
16 how frequent -- how common or how rare that
17 particular fragment is in the population.

18 So, by combining those numbers, by
19 multiplying the frequencies of the fragments of
20 the alleles that I did get, and comparing that to
21 the FBI's data base, the frequency is one in a
22 billion in the Caucasian and the other numbers
23 that I stated.

24 Q. At any particular loci, you will get two alleles,
25 correct?

1 A. If that person is a heterozygote, yes.

2 Q. Okay. What does that mean?

3 A. It means they inherit -- You always inherit half
4 of your DNA from your mother and half from your
5 father. If you are heterozygote, you inherit a
6 different fragment of DNA from your mother and a
7 different from your mother -- from your father.

8 If you are homozygote, then you inherit
9 the same one from each parent.

10 Q. So, then you would have two 14's at the same
11 locus?

12 A. You would only have one peak.

13 Q. Okay.

14 A. And it would be 14.

15 Q. Okay.

16 A. So that person is homozygote.

17 Q. Okay. Um, if the DNA is not degraded, it doesn't
18 take much to get a profile; is that right?

19 A. Correct.

20 Q. How much?

21 A. When we amplify the DNA, we usually shoot for
22 around one nanogram.

23 Q. And how much is that?

24 A. I don't recall exactly.

25 Q. Okay. I'm sorry, I think I may have asked this,

1 I'm not sure. When you process the vehicle, you
2 wear a lab coat; is that right?

3 A. Yes.

4 Q. Gloves?

5 A. Yes.

6 Q. And safety glasses?

7 A. Yes.

8 Q. And -- And do you wear a face mask?

9 A. No, I didn't.

10 Q. Other people there wearing face masks?

11 A. No.

12 Q. Okay. Other people there wearing gloves?

13 A. Yes, everybody wears gloves.

14 Q. Okay. And -- And any other protective clothing?

15 A. I don't recall what the other people were
16 wearing.

17 Q. Okay. But you, yourself, no other protective
18 clothing, nothing like on your feet, anything
19 like that?

20 A. No, I didn't have anything like that on.

21 Q. Okay. And you wear gloves throughout the entire
22 process?

23 A. Yes.

24 ATTORNEY JOHNSON: That's all the questions
25 I have. Thank you.

THE COURT: Any redirect?

ATTORNEY KRATZ: No, Judge.

THE COURT: All right. The witness is excused.

ATTORNEY KRATZ: We will move the admission of Exhibits 12, 13, 14, and 15 at this time.

THE COURT: Are there -- Is there any objection to 12, 13, 14 and 15? I believe 12 and 13 are photos and 14 and 15 are lab results.

ATTORNEY LOY: No objection for purposes of this hearing.

THE COURT: All right. Those exhibits are admitted.

ATTORNEY KRATZ: Your Honor, the last piece of evidence that's being offered, and is by stipulation, is Exhibit No. 16, which is a certified copy of a death certificate -- death certificate for that of Teresa M. Halbach, having date of birth, March 22nd, 1980.

That death certificate was filed by Michael Klaeser, Calumet County Medical Examiner. It was filed in the Manitowoc County Register of Deeds Office today. And the designation of cause of death is that of a homicide. I will provide the Court with Plaintiff's Exhibit 16 at this

1 time.

2 THE COURT: Any objection to Exhibit 16?

3 ATTORNEY LOY: Not for purposes of this
4 hearing.

5 THE COURT: All right. Exhibit 16 is
6 received. Is there anything further from the State?

7 ATTORNEY KRATZ: State rests, your Honor.

8 THE COURT: Is there any evidence to be
9 offered from the defense?

10 ATTORNEY LOY: No, your Honor.

11 THE COURT: Do the parties -- either party
12 wish to make argument with respect to either of
13 these cases?

14 ATTORNEY KRATZ: I do not, Judge. I'm
15 going to move the Court for bindover, asking the
16 Court, with the evidence and the reasonable
17 inferences, to find probable cause that a felony has
18 been committed, that the defendant probably
19 committed that felony, and bind him over for trial.

20 THE COURT: Mr. Loy, or Mr. Johnson?

21 ATTORNEY LOY: Your Honor, we'll simply
22 move to dismiss, for the record.

23 THE COURT: All right. Based on the
24 evidence presented, the Court is going to determine
25 that there's probable cause to believe that a felony

1 has been committed in each of these cases, that is,
2 05 CF 375 and 05 CF 381. The Court will schedule
3 these matters for an arraignment. I will ask the
4 clerk to get me my calendar.

5 Counsel, I know there is a bail
6 reduction motion as well. We have run out of
7 time to hear it today. I can hear it at the same
8 time as the arraignment, if the parties wish.

9 ATTORNEY KRATZ: That's fine, Judge.

10 THE COURT: Mr. Loy.

11 ATTORNEY LOY: Your Honor, I could try to
12 be very brief with my bail motion.

13 THE COURT: I'm not -- I said 5:00 was the
14 deadline today. We stretched that a bit already.

15 ATTORNEY LOY: I appreciate that, your
16 Honor. That's fine.

17 ATTORNEY KRATZ: If I may, Judge, and I
18 understand that the Court had anticipated this, the
19 State is going to file with the Court at this time a
20 three count Criminal Information in case No. 05 CF
21 381. We are merging the three counts from the two
22 different Complaints into one Information. It was
23 contemplated that Mr. Loy would ask for a separate
24 arraignment date and we obviously have no objection
25 to that.

1 ATTORNEY LOY: We have been served with a
2 copy of the Information, your Honor. We would ask
3 for an arraignment at a later date.

4 THE COURT: All right. Well, the choices
5 are as follows: Next week I have some civil trials
6 scheduled. I do not know the status. There's also
7 some criminal trials, actually. The calendar is
8 thinning out a bit, but I have no days that are open
9 at this time. So, if you want to take a contingent
10 date next week, I can look at that, otherwise we're
11 looking into January. I can give you -- How about
12 3:00 on Monday, January 9th.

13 ATTORNEY KRATZ: I'm actually in a jury
14 trial that afternoon. Did the Court have
15 something -- did you say next week Tuesday or
16 Wednesday?

17 THE COURT: Well, what I said is, at this
18 time I have got trials scheduled next week. I have
19 got two trials scheduled for Tuesday and one for
20 Wednesday.

21 ATTORNEY LOY: Your Honor, actually, we
22 would prefer a January date because there are some
23 things we need to do.

24 THE COURT: All right. How about 3:00 on
25 Thursday, the 12th.

1 ATTORNEY KRATZ: I'm sorry, Judge, I'm
2 unavailable then, as well. The entire next week I
3 am available, as well as the week of the 23rd.

4 THE COURT: All right. How about 9:00 on
5 the 17th?

6 ATTORNEY KRATZ: That would be fine.

7 ATTORNEY LOY: That's fine with us.

8 THE COURT: Works fine with both parties,
9 very well, that would be for the arraignment and
10 bail reduction hearing.

11 ATTORNEY KRATZ: Just so the parties --
12 should we anticipate bringing our calendars to
13 schedule future matters at that time as well, your
14 Honor?

15 THE COURT: That would probably be
16 advisable.

17 ATTORNEY KRATZ: Thank you, Judge.

18 ATTORNEY LOY: Thank you, your Honor.

19 THE COURT: January 17th. We are adjourned
20 for today.

TRANSCRIPT OF PROCEEDINGS

Reported by Diane Tesheneck, RPR

Official Court Reporter

1 THE COURT: At this time the Court calls
2 State of Wisconsin vs. Steven Avery, Case No.'s 05
3 CF 375 and 05 CF 381. These matters are scheduled
4 for an arraignment and a bail modification motion
5 hearing today. Will the parties state their
6 appearances for the record, please.

7 ATTORNEY KRATZ: State of Wisconsin appears
8 by Calumet County District Attorney Ken Kratz
9 appearing as Special Prosecutor.

10 ATTORNEY LOY: Steven Avery appears
11 personally and by his Attorneys Erik Loy and Craig
12 Johnson, your Honor.

13 THE COURT: Very well. It's my
14 understanding that the State has filed an
15 Information in Case 05 CF 381, but has not filed an
16 Information in 05 CF 375; is that correct, Mr.
17 Kratz?

18 ATTORNEY KRATZ: That is correct, Judge.
19 We have joined the three counts, the two counts from
20 381, and the single count in 375, in a single
21 Information in 05 CF 381.

22 THE COURT: All right. The law is, then,
23 in the case of 05 CF 375, that if the Information is
24 not filed within 30 days of the bindover, the matter
25 is dismissed without prejudice. Does either party

1 have any objection to the Court dismissing that
2 matter?

3 ATTORNEY KRATZ: No, Judge, that should
4 occur.

5 ATTORNEY LOY: No objection, your Honor.

6 THE COURT: All right. Then the Court will
7 dismiss Case 05 CF 375. Mr. Loy, has your client
8 received the Information in Case 05 CF 381?

9 ATTORNEY LOY: We have the Information,
10 your Honor, we'll waive its reading and enter pleas
11 of not guilty to all charges, reserving our right to
12 object to the jurisdiction of the court and,
13 particularly, to object to adding the felon with a
14 gun charge to the Information in 381.

15 THE COURT: Very well. And before I accept
16 your plea, it's my understanding that the defendant
17 also wishes to file a motion to change of venue; is
18 that correct?

19 ATTORNEY LOY: We do, your Honor. We are
20 filing that today, pursuant to the statute; however,
21 we are also reserving our right to withdraw that
22 motion and to -- for Mr. Avery to insist on his
23 constitutional right to be tried by a jury from this
24 county.

25 THE COURT: Very well, the Court will note

1 that the motion has been timely filed. I will
2 receive it at this time. I will accept the
3 defendant's not guilty plea to the three charges in
4 the Information.

5 And at this time, before proceeding to
6 the bail modification motion, for purposes of
7 scheduling, I would like to set a deadline by
8 which pretrial motions, if any, if there be any
9 others, should be filed. I will hear the parties
10 with respect to that issue at this time.

11 Mr. Loy, how much time do you anticipate the
12 defense would need for such filing?

13 ATTORNEY LOY: Your Honor, there are a
14 number of potential motions in this case. I believe
15 there were 15 or 20 search warrants; we have to look
16 at those. Mr. Kratz has been very good about
17 providing us with discovery and we -- I think we
18 have the majority of those materials. I believe
19 there's still some more to come, though, and it's a
20 rather high stack of paper work.

21 What we would ask the Court to do is to
22 give us approximately two months to file motions
23 and perhaps set a status date near the end of
24 that time period. At that time, then, the Court
25 will know what we filed and scheduling could be

1 done.

2 THE COURT: All right. I started out
3 earlier with my calendar, but my judicial assistant
4 got it before I came out. So I will get my calendar
5 at this time.

6 I'm looking at Friday, March 17th, then,
7 as a date for filing of motions. And I could set
8 a status conference -- let's see -- how about
9 10:00 on Friday, March 10th; will that work for
10 the parties?

11 ATTORNEY LOY: I was wondering if you would
12 want to set the status conference for after the
13 deadline, that's the question I have.

14 THE COURT: All right. I misunderstood, I
15 thought you were leaving open the possibility you
16 might ask for a longer period. All right. Let's
17 set a status conference then for -- how about March
18 23rd, at 10:00?

19 ATTORNEY LOY: Your Honor, I'm scheduled to
20 be gone that day. Most of the rest of that week I'm
21 free, if the Court has any other time.

22 THE COURT: All right. Friday, the 24th,
23 at 10:00?

24 ATTORNEY JOHNSON: That's fine, unless we
25 could do it a little bit earlier.

1 THE COURT: Earlier in the morning?

2 ATTORNEY JOHNSON: By like 9:00.

3 THE COURT: I have got a sentencing set for
4 9 and a plea date for 9:30.

5 ATTORNEY JOHNSON: That's fine, then, 10
6 will work.

7 THE COURT: Okay. Otherwise, I could do it
8 at 8:30, but I know some folks are traveling to get
9 here. I would be happy to do it at 8:30, if it
10 works with the parties.

11 ATTORNEY JOHNSON: 8:30 is fine with me.

12 THE COURT: Mr. Kratz?

13 ATTORNEY KRATZ: It doesn't matter to me,
14 Judge.

15 THE COURT: All right. 8:30 it is, on
16 Friday, the 24th.

17 ATTORNEY KRATZ: So I understand, Judge, we
18 will be scheduling the motion hearings at that time
19 and will we at least begin to discuss potential
20 trial dates?

21 THE COURT: Yes. And I will ask the
22 parties at this time to -- after you have had a
23 chance to review the discovery, have some idea of
24 how long each of you believe the trial will take, to
25 have that information ready for the Court at the

1 time of the status conference so we can look at
2 scheduling this matter for trial at that time, along
3 with setting a motion date for any motions that are
4 filed.

5 (Partial Transcript begins here.)

6 At this time, then, the Court will move
7 on to the defendant's motion for modification of
8 bail. Mr. Loy, or Mr. Johnson, which one of you
9 will be heard on that motion?

10 ATTORNEY LOY: Your Honor, we filed --
11 actually, we recently filed an amended motion for
12 bail reduction. And the amendment, we're asking the
13 Court to consider allowing sureties. And the
14 sureties would be Mr. Avery's family.

15 They are here in the courtroom today. I
16 have talked with them. They are willing to
17 guarantee a recognizance bond. They have
18 property in the county. They own Avery Salvage
19 Yard, business and the land. And I believe that
20 that's worth somewhere in the neighborhood of 200
21 to \$250,000, if not more.

22 Mr. Avery is a lifetime resident of
23 Manitowoc County, except during a period of time
24 when he was incarcerated. He has very
25 substantial ties to this community. His parents,

1 his siblings, his children, all reside in this
2 county. And most tellingly, your Honor, early on
3 in this investigation, when evidence was found at
4 the Avery Salvage Yard, and Mr. Avery was
5 questioned, he was cooperative with law
6 enforcement.

7 He, despite knowing that he was at least
8 a person of interest, he didn't go anywhere. He
9 was up, I believe, in Crivitz at a family cabin
10 and he came back. There's no reason to believe
11 that -- that Mr. Avery would flee, um, given his
12 behavior before he was incarcerated.

13 Um, he talked with law enforcement
14 officers. He allowed law enforcement officers
15 access to his residence. I don't see, um, any
16 reason to think that Mr. Avery is likely to flee.

17 He has not been able to post the bail
18 that's currently set. I believe the bail right
19 at this time is \$500,000. Your Honor, we would
20 ask the Court to reduce the bail to a smaller
21 amount, perhaps a hundred thousand dollars, or we
22 would ask the Court -- and this, actually, would
23 be our preference -- to set the bail as a
24 recognizance bail, but a recognizance bail that
25 has to be guaranteed by, I think the wording of

1 the statute is solvent sureties. And the solvent
2 sureties would be his parents and other family
3 members.

4 I don't think that Mr. Avery would be
5 likely to violate his bail if he knew that, you
6 know, his family's livelihood was on the line if
7 he did so. So, your Honor, that would be our
8 request.

9 THE COURT: All right. Mr. Kratz.

10 ATTORNEY KRATZ: Thank you, Judge. When
11 the original bond issue was brought up, the State
12 cited Section 969.01 (4), the factors that this
13 Court should consider when determining bond. The
14 State had argued at that time for a \$1 million cash
15 bond. The Court did set \$500,000 noting the gravity
16 of the offense, the penalties involved, the degree
17 of violence that was used in this case, the degree
18 of violence he used in evidence hiding and
19 destruction, defendant's prior felony criminal
20 record, the character and strength of the evidence,
21 his history on release, and his ties to the
22 community.

23 Of those, the defendant only has a
24 positive consideration in ties to the community.
25 The rest of those factors weigh heavily in favor

1 of the Court not modifying the \$500,000 cash
2 bond. The only change since the last time the
3 Court visited the issue of bond is the Court has
4 now found probable cause that the defendant has
5 committed a felony offenses.

6 Defendant's attempts to raise bond money
7 have been well publicized. He's attempting to
8 raise bond money from sources unrelated to him.
9 And if raised -- if successful in raising money
10 from strangers or other sources that's, of
11 course, a factor for this Court to consider.
12 There's no incentive at all to comply with bond,
13 no financial incentive or other risk to violate
14 that particular kind of bond.

15 The suggestion, also, that a salvage
16 yard could be put up as a surety, does not
17 provide the incentive for Mr. Avery to not flee,
18 to be made available for future court
19 appearances. This Court also must consider
20 community safety; the degree of violence, again,
21 involved; the fact that this was a stranger, or
22 at the very best, casual acquaintance homicide
23 allegation. Risk of future violence to
24 additional victims or other members of the
25 community is substantial. For all of those

1 factors, I'm asking the Court to deny the defense
2 motion at this time. Thank you.

3 ATTORNEY LOY: Just a brief response, your
4 Honor.

5 THE COURT: Yes, Mr. Roy.

6 ATTORNEY LOY: I think it's worth noting
7 that Mr. Avery is, at this point, presumed innocent.
8 The State hasn't proved his guilt to a jury. So I
9 think it may be premature to assume any guilt on his
10 part of the allegations against him.

11 Regarding the efforts to raise bail
12 money, I think I can tell the Court that those
13 efforts have not met with a great deal of
14 success. I don't think that there's much chance
15 that -- that strangers are going to be donating
16 anything even remotely close to the amount of
17 money needed for bail here.

18 What we're really asking the Court to do
19 is to allow Mr. Avery's family to be sureties.
20 And Mr. Avery, I'm sure, would not want to
21 imperil his family's business by violating his
22 bail. And, um, that's -- that's all I have to
23 say at this point, your Honor.

24 THE COURT: All right. The factors that
25 the Court is to consider in setting bail are set

1 forth in Section 969.01 (4). Each of the parties
2 have touched on those factors in their arguments.

3 And there are a number of the factors
4 that warrant consideration of Mr. Avery's
5 request; specifically, his inability to make bail
6 as it is set now, and his lifelong residence in
7 Manitowoc County, and the fact that there's no
8 record that he's ever tried to flee before, and
9 was apparently cooperative with officers earlier
10 in the investigation of this matter.

11 There are also factors that support the
12 State's argument; specifically, the Court is to
13 consider the number and gravity of the offenses.
14 In this case, the defendant is charged with three
15 felonies including, most significantly, first
16 degree intentional homicide, which carries with
17 it a penalty of life in prison if convicted.

18 The Court also considers the -- whether
19 the alleged acts were violent in nature. And the
20 Court certainly, at this time, is making no
21 determination or venturing no opinion as to the
22 guilt or innocence of the defendant, but the
23 allegations are of a crime which is certainly
24 violent in nature.

25 And with respect to the strength of the

1 evidence, the Court has already found probable
2 cause to believe that the defendant committed a
3 felony and bound the defendant over for trial.

4 Based primarily on those considerations,
5 the Court feels that its initial determination as
6 to the appropriate bail amounts, or amount, is
7 still appropriate. So I'm not going to modify
8 bail; I'm going to leave it at \$500,000.

9 I will, however, indicate that in lieu
10 of cash, the Court would consider a mortgage of
11 property of the defendant's family, if that's
12 what's offered, providing there was a sufficient
13 showing of the equity in the property and its
14 fair market value to meet a part or all of the
15 \$500,000.

16 Mr. Kratz, I will direct you to prepare
17 the order with respect to the Court's decision in
18 this case. Is there anything further today
19 before we adjourn? Mr. Kratz?

20 ATTORNEY KRATZ: I don't believe so, Judge.
21 Thank you.

22 THE COURT: Mr. Loy.

23 ATTORNEY LOY: No, your Honor.

24 THE COURT: All right. If not, we're
25 adjourned for today.

24 **TRANSCRIPT OF PROCEEDINGS**

25 Reported by Diane Tesheneck, RPR

Official Court Reporter

1 THE COURT: At this time the Court calls
2 State of Wisconsin vs. Steven Avery. It's Case No.
3 05 CF 381. We're in court this morning to deal with
4 a number of motions that have been filed -- or this
5 afternoon. Will the parties state their appearances
6 for the record, please.

7 ATTORNEY KRATZ: State of Wisconsin appears
8 by Calumet County District Attorney Ken Kratz. I
9 appear as Special Prosecutor and lead counsel on the
10 case.

11 Seated with me is Norm Gahn, G-a-h-n,
12 Assistant District Attorney from Milwaukee
13 County. Mr. Gahn has been appointed by this
14 Court, also, as Special Prosecutor. The record
15 should further reflect that Jeff Froehlich,
16 Assistant District Attorney from Calumet County,
17 also is present in the courtroom.

18 ATTORNEY BUTING: Good afternoon, your
19 Honor, this is Attorney Jerome Buting of Buting
20 and Williams appearing with Mr. Avery. I'm
21 co-counsel.

22 ATTORNEY STRANG: And good afternoon, as
23 well. Steve Avery is here to the far right at
24 the table, Dean Strang of Hurley, Burish, Stanton
25 on his behalf as well.

1 THE COURT: Very well. I will indicate for
2 the record that I met with counsel briefly in
3 chambers before beginning today. The first order of
4 business that we are going to take up is the
5 defendant's motion for an order limiting public
6 disclosure. And I will also indicate for the record
7 that I had a brief telephone conference with counsel
8 about this motion a week or so ago.

9 I indicated at that time that I
10 believed, that under Supreme Court Rule 20:3.6,
11 that it's the Court's understanding that further
12 trial publicity, in the form of press releases or
13 other conversations with the press by counsel,
14 would be extremely limited by that rule. And I
15 encouraged the attorneys to meet with each other
16 and try and work out an agreement for any press
17 contacts that they felt were necessary before the
18 Court would take up the issue as a contested
19 matter.

20 But I can indicate for the benefit of
21 everyone, that under that rule, the circumstances
22 in which counsel for either party are permitted
23 to communicate with the press during the course
24 of legal proceedings are quite limited. And the
25 Court expects, and I have received assurances

1 from attorneys from both sides, that they are
2 fully aware of the rule and intend to comply with
3 it.

4 There are some exceptions in the rule
5 that apply, including discussion regarding
6 information contained in public records. And
7 it's my understanding, from speaking with the
8 attorneys, that that's the matter they are
9 intending to meet with each other about to reach
10 an agreement. Counsel, I will give each of you a
11 chance to comment on the record to confirm that
12 fact.

13 ATTORNEY KRATZ: Judge, I do confirm that
14 we have discussed this matter. Mr. Strang and I
15 are, I think, very close in our positions regarding
16 Rule 3.6 and public dissemination of information.
17 I'm quite confident that should there be any need
18 for any additional information, or should there need
19 to be an agreement reached on filing of public
20 information, that that can be accomplished between
21 Mr. Strang and myself.

22 THE COURT: Mr. Strang.

23 ATTORNEY STRANG: I think now that the
24 Court has reiterated the requirements of Supreme
25 Court Rule 20:3.6 and both counsel have acknowledged

1 those, that the Court, at the moment, need take no
2 further action on that motion. I would add that,
3 it's my recollection and understanding, in the
4 course of an off the record conversation, that the
5 State agreed, that for purposes of this motion and
6 the agreement such as it is that we have reached,
7 that the Calumet County Sheriff, other agents of the
8 state or of the Sheriff's Department, would be
9 embraced within the scope of our agreement.

10 Like Mr. Kratz, I also think that, with
11 a little bit of further talking, we ought not
12 have difficulty reaching some understanding on
13 future filings, or invited response for that
14 matter, which is something that I understand
15 Mr. Kratz also thinks worthy of discussion, and
16 I'm happy to do that.

17 THE COURT: Mr. Kratz, is that correct?

18 ATTORNEY KRATZ: That is, Judge.

19 THE COURT: All right. The Court, for the
20 time being at least, will hold that motion in
21 abeyance, with the consent of the parties and,
22 hopefully, you will be able to come to an agreement
23 that will resolve that matter.

24 The next motion has to do with the
25 State's motion to amend the Complaint and the

1 Information in this case and the filing in
2 opposition of that motion from the defense. I
3 have received both the State's request to amend
4 and a memorandum in opposition from the defense.
5 Before I get to you, Mr. Strang, I guess
6 technically it's Mr. Kratz's motion to amend.

7 ATTORNEY STRANG: And I wondered if I might
8 have a moment's indulgence, since we're being
9 broadcast as I understand and may be streamed, or
10 whatever the word is, on the web. I wonder if the
11 Court, perhaps, ought not address media rules here,
12 particularly intrusion into counsel table on either
13 side, filming during recesses, that sort of thing,
14 before we move forward.

15 THE COURT: Right. It was brought to my
16 attention, and normally we have been dealing with
17 the media matters through the media coordinator and
18 representatives of the television broadcast
19 stations, and there are a few things that counsel
20 asked me to bring up, which I will later.

21 The one that should be brought up
22 immediately is that the papers that are on the
23 desk of either counsel often contain privileged
24 information. So I'm going to ask the cameras who
25 are present in the courtroom, or the --

1 specifically, the video camera, not to zoom in on
2 papers on table which may be confidential. Is
3 that what you are looking for today, Mr. Strang?

4 ATTORNEY STRANG: That and the recess
5 issue, but the Court can deal with that at a time of
6 its choice.

7 THE COURT: Mr. Kratz, I will hear from you
8 then, first, on your request to amend the Complaint.

9 ATTORNEY KRATZ: Thank you, Judge. As the
10 Court knows, the State has filed a motion to both
11 amend the Criminal Complaint and the Criminal
12 Information, which is the formal charging document
13 in felony prosecutions. The State has cited two
14 separate cases authorizing, alternatively, the
15 filing of the Amended Complaint, and also the
16 requirement, or lack of requirement, for an
17 additional preliminary hearing upon the filing of
18 new charges.

19 The State reiterates that these new
20 offenses charging Mr. Avery with three separate
21 counts -- including first-degree sexual assault,
22 false imprisonment, and kidnapping -- are not
23 wholly unrelated to the original series of
24 charges.

25 I understand Mr. Strang has filed with

1 the Court a motion challenging, not the timing of
2 the filings, but the sufficiency of the
3 information contained in the Complaint. And with
4 approval of the Court, I will address those
5 issues at this time, unless the Court wants me to
6 wait until Mr. Strang makes his argument. I have
7 received his written argument and I'm prepared to
8 address the sufficiency of the Complaint argument
9 at this time, if the court would prefer I do
10 that.

11 THE COURT: All right. Mr. Strang, as we
12 discussed in chambers, it's my understanding the
13 defense is not challenging the State's right to
14 file, at this time, an Amended Complaint and
15 Information, but rather the sufficiency of the
16 Amended Complaint and Information that's been
17 proposed; is that correct?

18 ATTORNEY STRANG: That's the bottom line on
19 that point. The State, of course, needs leave of
20 the Court to file an Amended Complaint, or for that
21 matter, an Amended Information. Leave would be
22 withheld if the timing, or some other aspect of the
23 filing, were prejudicial to the defense, in and of
24 itself, and it's not. That's not my concern. It's
25 really the reliability, or the sufficiency of the

1 Complaint, with which I am concerned.

2 THE COURT: All right. I'm not sure which
3 one of you wishes to be heard first. Mr. Kratz is
4 proposing the amendment, and I'm sure he feels that
5 the Amended Complaint with the language included is
6 sufficient, but, Mr. Kratz, I will -- since it's
7 your motion, I'm going to let you start and briefly
8 summarize for the Court why you feel it is, and then
9 I will hear from Mr. Strang.

10 ATTORNEY KRATZ: Thank you, Judge. Your
11 Honor, as this Court knows, any Complaint needs to
12 present probable cause, or proof to the level of
13 probable cause which requires a Court to look at the
14 facts contained within the four corners of the
15 Complaint, together with any reasonable inferences
16 that may be drawn therefrom.

17 Mr. Strang has complained about the
18 sufficiency of the information in the Complaint.
19 I might -- I might add that Mr. Strang, in his
20 written motion and -- excuse me -- in his written
21 pleadings, as well as other information, contains
22 a great deal of criticism of the State for
23 providing too much information within the four
24 corners of this Amended Complaint.

25 But this Court understands that

1 reliability of information within the four
2 corners of the Complaint is something that the
3 Court must find. And so the State, in providing
4 the detail that it did, argues that that was
5 necessary, absolutely required, for this Court to
6 make that finding of reliability.

7 Mr. Strang also argues that there are no
8 claims of physical evidence or other
9 corroboration in the Amended Complaint. The
10 State obviously disagrees. There is a lengthy
11 list of physical evidence that has been
12 recovered, that was seized, and in fact analyzed
13 in this case, which is all recited in the Amended
14 Complaint.

15 I'm not going to go item by item, but
16 the statements of now co-actor, Brendan Dassey,
17 in his recounting the behavior of himself and of
18 Mr. Avery that ultimately led to the death of
19 Teresa Halbach, as well as the other criminal
20 behavior, is quite detailed indeed. The State
21 does argue, Judge, that within those details, and
22 as I have mentioned, those details are
23 corroborated by physical evidence which is
24 recited for the Court within the four corners of
25 the Complaint.

1 Finally, Mr. Strang argues that if
2 Dassey's statement alone was the basis for this
3 particular prosecution, that at trial, it could
4 not stand besides the *Lilly* as well as the
5 *Crawford* case. And the State concedes that, at
6 trial, if the State intended to convict Mr. Avery
7 on Mr. Dassey's statements alone, without any
8 physical evidence, that they may be unable to do
9 so. Or if we attempted to introduce a co-actor's
10 statement, without an opportunity to
11 cross-examine, that would also be problematical,
12 require an advanced ruling.

13 But those are trial issues, Judge.
14 Those are issues that apply to Sixth Amendment
15 Confrontation and are unique to trial. I think
16 Mr. Strang, at page 9 of his brief, concedes
17 that, that although those rules appear to the
18 trial and not to an analysis under the Criminal
19 Complaint, Mr. Strang invites this Court to,
20 nonetheless, throw out the Complaint, just in
21 case, I guess, just in case the State intended to
22 only provide that statement. Well, the State
23 does not intend to provide only that evidence at
24 trial. But, again, these are trial arguments, it
25 has nothing to do with the Criminal Complaint.

1 When this Court reviews the four corners
2 of the Criminal Complaint, it will find probable
3 cause that the defendant committed each of the
4 violations as set forth. And as I have cited in
5 the **Burke** case, B-u-r-k-e, an additional
6 preliminary hearing is not required, based upon
7 the connection, or nexus, of the six criminal
8 behaviors that our alleged, that is, that they
9 are not wholly unrelated. We will ask the Court
10 grant leave to file the Amended Complaint and
11 Information. Thank you, Judge.

12 THE COURT: All right. Mr. Strang.

13 ATTORNEY STRANG: The proposed Amended
14 Complaint founder is not, of course, on a posit of
15 detail here but rather on the unreliability of the
16 detail that is included. Let me -- let me walk
17 sequentially here through the problem that confronts
18 the Court.

19 There was an original Complaint, of
20 course, that started this criminal case back in
21 November. It charged three crimes: First-degree
22 intentional homicide, mutilation of a corpse,
23 felon in possession of a firearm. The time to
24 challenge that Complaint, or probable cause
25 showing, is gone.

1 We don't -- It's established for
2 purposes of this motion and today's proceedings.
3 I raise it because, now, in it's proposed Amended
4 Complaint, that the State has incorporated by
5 reference -- as lawyers are fond of saying -- the
6 factual allegations in the original Complaint.
7 So, let's start there.

8 No one, no one presumably at the table
9 to my left, would contend that the original
10 Complaint, without the March 2 or whenever it was
11 additions, made out probable cause to believe
12 that Steve Avery committed first-degree sexual
13 assault.

14 No one, I assume, in the courtroom,
15 would contend that the original Complaint's
16 factual basis made out probable cause, or
17 anything close to it, on kidnapping or false
18 imprisonment, which are the other two new counts
19 in the proposed Amended Complaint.

20 So the incorporation of the factual
21 basis in the first Complaint, while I acknowledge
22 it, really adds nothing at all to our problem
23 here today, focusing maybe most usefully on the
24 first-degree sexual assault allegation that the
25 State wishes to toss into the mix of this case

1 now.

2 What is new in the proposed Amended
3 Complaint, as counsel acknowledges, is a
4 statement that Brendan Dassey gave, evidently, to
5 law enforcement officers in response to law
6 enforcement questioning, out of Steve Avery's
7 presence, and that now the State would -- would
8 like to use as a reliable basis for a finding
9 that he probably committed first-degree sexual
10 assault, and kidnapping, false imprisonment.

11 Again, it's not -- it's not a lack of
12 detail, there's a great deal of ugly detail that
13 the police say Mr. Dassey provided here. It's
14 the reliability as to Steve Avery that's the
15 problem. I'm delighted to hear counsel
16 acknowledge, in a fashion here today, that the
17 Dassey statement would be inadmissible, not
18 allowed, at trial, against Mr. Avery, absent a
19 chance to cross-examine Mr. Dassey in that
20 witness chair, or some similar chair. Not
21 admissible evidence against him.

22 I also acknowledge that a Complaint can
23 include the inadmissible. The Court can look at
24 that within the four corners of the Complaint.
25 But as *Knudson* and a variety of other Wisconsin

1 decisions, at least back to 1968 with **State ex**
2 **rel. Evanow against Seraphim**, and I'm sure
3 decisions before that, before I was born, as the
4 Court knows, hearsay or not, the factual
5 assertions in a Complaint have to be reliable.

6 The State here, in the Complaint,
7 alleges that these are presumptively reliable,
8 presumed truthful and reliable, I think is the
9 exact wording of the Complaint. In fact, of
10 course, the presumption is just the opposite.
11 It's just the opposite as a matter of law. The
12 U.S. Supreme Court has made that clear at least
13 by **Bruton** back in 1968, while we're on 1968
14 cases, **Lee, Williamson, Lilly**.

15 This is sort of beyond repetition at
16 this point. This is really very clearly
17 established, that when an accomplice or someone
18 claims he is an accomplice, is questioned by the
19 police and says, yeah, I was involved, you know,
20 but he was -- he was involved too, he did this
21 and that, and points to someone else, that's
22 unreliable stuff.

23 It's blame shifting. It's literally
24 finger pointing. And it's a very effective way
25 for an accomplice, caught cold or not, to sound

1 credible by acknowledging some involvement, but
2 to lay off blame, in part, or in large part, on
3 another person. Are the risks of that
4 particularly high when we're talking about a 16
5 year old boy who may be slow and being questioned
6 by two police officers, presumably without a
7 parent or a lawyer around? Yes, the risks of
8 that are particularly high, if we get into
9 specifics on reliability.

10 But the Court's, including the Wisconsin
11 Court of Appeals in *Myren*, which Mr. Buting and I
12 have cited, has been very clear that this stuff
13 is inherently suspect, inherently unreliable,
14 presumptively unreliable, just to quote bits and
15 pieces. So the State really can't claim the
16 presumption that the amendment tenders.

17 Neither does the Complaint offer
18 anything more than a presumption that Brendan
19 Dassey's statements are truthful and reliable,
20 not as to Brendan Dassey, but as to Steve Avery.
21 And that's where the problem is. They simply are
22 not, as a matter of law, reliable as to Steven
23 Avery; hence, the motion asking the Court, not to
24 strike the original three charges, of course, but
25 to deny the State leave here to file the three

1 new charges.

2 Timing is not prejudicial, that's not
3 the issue, as we have agreed. The reliability,
4 or rather the unreliability of the entire factual
5 basis here, there being as to first-degree sexual
6 assault, kidnapping, and false imprisonment,
7 nothing but an inadmissible, unreliable statement
8 by Brendan Dassey to support this Complaint.

9 Allowing it to be filed would require
10 the Court only later, when I filed a motion
11 challenging probable cause, to dismiss those
12 three counts. Again, there's no reason to do
13 that. The Court, on the grounds we have
14 articulated, ought deny leave to file this
15 proposed Amended Complaint, at least as to the
16 three new charges. That ruling would necessarily
17 moot inquiry into what is procedurally a
18 subsequent document in Wisconsin criminal courts,
19 which is an Amended Information.

20 We also don't have to get to the
21 question of a preliminary examination, if the
22 Court denies leave to file the Amended Complaint,
23 because there's nothing on which to have a
24 preliminary examination at that point.

25 I could pause and let the Court say

1 something, but I will note that I very much
2 disagree were this Amended Complaint to be filed
3 with leave of the Court and then to withstand a
4 motion to dismiss on probable cause grounds; I
5 very much disagree that a preliminary examination
6 would be unnecessary, legally, as to those three
7 counts.

8 And I can get into **Burke**, and more
9 illuminating, **Bailey**, a decision that **Burke**
10 extends, or at least endorses. It's the facts of
11 both of those cases, suggest why, although their
12 new counts were not wholly unrelated to the
13 evidence adduced at the preliminary examination
14 here, these new counts would be wholly unrelated,
15 at least the first-degree sexual assault, and the
16 kidnapping. May not need to get there, so I will
17 yield the microphone.

18 THE COURT: Mr. Kratz, anything in
19 rebuttal?

20 ATTORNEY KRATZ: Just a couple of things,
21 briefly, Judge. Once again, if Mr. Strang and the
22 defense is allowed to extend these trial
23 confrontation principles to the Criminal Complaint
24 analysis, State argues that you would never, or at
25 least would be very difficult to ever charge

1 co-defendants, at least when one of the defendants
2 makes a statement and the other does not.

3 Again, they simply are not Complaint
4 principles, these are trial confrontation
5 principles. Let me also talk, then, to the
6 reliability question that Mr. Strang raises.
7 Reliability of statements of a co-declarant in
8 **Lilly** and in other cases cited by Mr. Strang,
9 don't just inculcate the co-defendant, don't just
10 point the finger at somebody else, but they are
11 also meant to exonerate the declarant.

12 That's not what we have here.
13 Mr. Dassey's statement in no respect, at least as
14 cited in the Amended Complaint, intended to
15 exonerate Mr. Dassey at all. Mr. Dassey
16 inculcates himself. He says I acted together
17 with my uncle, Steven, without threat, without
18 reprisal, knowingly and voluntarily engaging in
19 the same kinds of behaviors.

20 So when a defendant -- when a suspect
21 makes a statement, that against their own penal
22 interests, they deserve reliability. And that is
23 much distinguished from the kinds of statements,
24 again, that were offered in **Lilly** and others.
25 That's all I have got, Judge. Thank you.

1 THE COURT: All right. First of all, there
2 have been a number of reported decisions, especially
3 United States Supreme Court decisions, in recent
4 years involving the admissibility of the statements
5 of co-defendants at trial where the State seeks to
6 introduce the statement, not through the actual
7 person of the co-defendant, but as hearsay
8 testimony.

9 And the law in that regard has changed a
10 good deal in recent years against the State and
11 in favor of the defense, culminating with the
12 **Crawford** case, which held, as close as you can,
13 as a black letter rule, that if a co-defendant's
14 testimony is going to be used against the
15 defendant, the co-defendant in virtually all
16 cases has to testify.

17 But I think it's dangerous to simply
18 equate those cases to the situation where you are
19 dealing with a Complaint and whether or not the
20 statements of a co-defendant can be used as a
21 basis for a Complaint. The closest case from
22 Wisconsin on the facts, that I could find, is a
23 1974 case called **Ruff versus State**, which dealt
24 precisely with this issue, that is, whether or
25 not a Complaint could be based on the statement

1 of a co-defendant that implicated the defendant.

2 I will read a little bit from that
3 decision. The Court asked: Was the Complaint
4 legally sufficient to establish probable cause?
5 The defendant admits the sufficiency of the
6 Complaint to establish probable cause that the
7 alleged crimes had been committed, but challenges
8 the sufficiency to establish probable cause that
9 the defendant committed the crimes.

10 The part of the Complaint which names
11 the defendant is based upon statements made to
12 police officers by the defendant's accomplices,
13 Charles Flowers and Willy Payne. Such statements
14 were hearsay, but a Criminal Complaint may be
15 based on hearsay.

16 The Court goes on in that case to hold
17 that, the statements against penal interest made
18 by a co-defendant can be used as a basis for
19 probable cause in a Complaint where the statement
20 is not the statement of the co-defendant
21 essentially attempting to exculpate himself, that
22 is, there can be cases where a co-defendant is
23 simply trying to blame someone else.

24 But where the statements are
25 interrelated, such that the co-defendant is

1 implicating himself at the same time he's
2 implicating someone else, I believe the law in
3 Wisconsin, as it applies to Criminal Complaints,
4 remains, that such statements can be used where,
5 when considered in context, they have sufficient
6 indicia of reliability. And based on my review
7 of the Complaint, I do believe that that's the
8 case here.

9 I recognize that some of that rationale
10 has been criticized in the cases that have led to
11 testimony in those cases not being admitted where
12 it doesn't come from the co-defendant himself at
13 trial. But that's based primarily on
14 confrontation clause issues under the United
15 States Constitution. And I'm not aware of any
16 decision that has used the same rationale to say
17 that the statements of a co-defendant cannot be
18 used to supply a probable cause in a Complaint.

19 So, for that reason, I believe that the
20 statements of Mr. Dassey contained in the
21 proposed Amended Complaint can be used as a basis
22 for the Complaint. And I believe that with those
23 statements, the Complaints are sufficient as they
24 have been filed. I believe that's the only basis
25 on which the Amended Complaint is really being

1 challenged. So, the Court is going to grant the
2 State's motion to file the Amended Complaint.

3 I think implicit in Mr. Strang's
4 argument is that he may have other issues related
5 to that matter that he wishes to argue. So,
6 Mr. Kratz, I will direct you to prepare the order
7 allowing you to file your Amended Complaint.
8 And, Mr. Strang, I will give you the opportunity
9 to file additional pleadings, if you wish,
10 regarding whether your client is entitled to a
11 preliminary examination, based on the Amended
12 Complaint.

13 ATTORNEY STRANG: I can do that within 10
14 days after the order is signed, if that's sufficient
15 for the Court.

16 THE COURT: All right. I will allow you to
17 do that. At the end of today's proceedings, I can
18 see we may have to do some scheduling. But for now,
19 I will give you 10 days to file your motion in that
20 respect. Let me ask this, do the parties anticipate
21 any additional issues other than the defendant's
22 right to a preliminary examination on the Amended
23 Complaint, relating strictly to the Complaint and
24 the proposed Amended Information?

25 ATTORNEY STRANG: We can short circuit the

1 one I would see which is, I will move now to dismiss
2 the three new counts for want of probable cause,
3 relying on the arguments I have already made. And
4 if I heard correctly, the Court ruled that, with the
5 Dassey statements in, as a factual basis, there is
6 probable cause. I disagree and I will make the
7 motion, for the purpose of making it clear, that I
8 do want those three counts dismissed once the
9 Amended Complaint is filed.

10 THE COURT: All right.

11 ATTORNEY STRANG: But don't need to brief
12 it separately.

13 THE COURT: Okay. Anything further on the
14 Complaint issue before we move on?

15 ATTORNEY KRATZ: No.

16 THE COURT: All right. The next issue that
17 the Court will take up is the defendant's motion to
18 assure fair forensic testing, which involves a
19 request by the defense to either be present when the
20 State Crime Lab performs analysis on items that have
21 been seized in the course of the investigation in
22 this case, or in the alternative, to have the
23 testing procedures videotaped. And if I understand
24 correctly, Mr. Buting, you will be making the
25 defense argument on this issue?

1 ATTORNEY BUTING: Yes, your Honor.

2 THE COURT: I will hear from you at this
3 time.

4 ATTORNEY BUTING: The defense motion is
5 somewhat unusual, but I think given the nature of
6 this case and it's unique history, I think it's
7 appropriate, especially in light of concerns that
8 were raised earlier, before either Mr. Strang or
9 myself became involved in the case, about possible
10 bias from law enforcement, that I would think the
11 State would actually welcome efforts to make the
12 testing process more transparent.

13 And that would be by allowing a defense
14 representative to be present during any portions
15 of the testing where they are handled -- where
16 the evidence gets handled by the analyst or
17 technicians and/or to videotape those portions of
18 the testing process to ensure, or at least to
19 limit the possibility of there being any
20 contamination that may occur of the evidence in
21 the lab once it gets there, either accidental or
22 otherwise.

23 I believe that, although there are no
24 cases that have specifically addressed this
25 issue, I think the Court does have authority to

1 do so by considering Statutes 165.79 and 971.23
2 together. The first allows the Court to order
3 the Crime Lab to perform tests on the defense
4 behalf under certain circumstances.

5 And if the Court has the authority to do
6 that, then this is a lesser remedy, or request,
7 which is simply to allow the defense to
8 participate in observing, not to interfere with
9 the process itself, and to necessarily then be
10 present during the generation of the results of
11 the tests, which are disclosable anyway under
12 971.23. And all this would do is move up the
13 time when those rules get disclosed, that is, at
14 the time that the State learns them, the defense
15 representative would also be there and also learn
16 them.

17 There are, I think, very unusual
18 circumstances in this case that warrant that.
19 The remedy that the State suggests in their
20 response objecting to our motion, is independent
21 testing. Independent testing can work in some
22 instances and to some degree, but not if material
23 is already contaminated.

24 A repeated independent test of
25 contaminated evidence does nothing towards

1 getting at the truth, it simply repeats or
2 confirms the original erroneous results. The
3 State also suggests that, in addition to that, by
4 the way, having independent tests done subsequent
5 to the State's test, can also build an additional
6 delay.

7 I don't know how long it's going to take
8 for the State to complete the tests that they
9 have not yet done. That would be, presumably, on
10 items that were seized in the March 2nd, I think
11 it was, search warrant. But an independent test
12 would necessarily have to take place after that.
13 And that could be while Mr. Avery is at least
14 presently incarcerated.

15 The bail issue, we'll be dealing with
16 later, but if he remains incarcerated then that
17 works to his disadvantage by requiring him to sit
18 in jail longer, just because the State resists
19 transparency in the process, at this point,
20 allowing a defense view of what goes on in the
21 Crime Lab. So independent testing is not a
22 adequate remedy to the concerns that the defense
23 has in this particular case.

24 The State also, in it's written
25 objection, complained that somehow this would

1 jeopardize the accreditation of the State Crime
2 Lab if an outside observer were allowed in. And
3 I don't see that at all. Nothing that they cite
4 in their written brief indicates that.

5 Accreditation requires that a lab comply
6 with security and control and methods, which are
7 not always done, by the way, despite the fact
8 that they are supposed to be accredited. But
9 those could also be complied with very easily
10 with the defense expert who might be present.

11 I have spoken with a defense expert who
12 has done this in other labs, in various states,
13 including recently Illinois, I believe also
14 Maine. It's done very easily. He is clothed in
15 surgical type scrubs, mask, same way that the
16 State analyst should or would be.

17 He is also -- has no objection to the
18 State's concern that -- that the Crime Lab has a
19 process whereby their staff provides their own
20 DNA genotype, so that in the event results should
21 come up, or would come up, that would show that
22 there's some other DNA in it, if it turns out to
23 be the analyst's, then it could be discarded as
24 evidence -- as indication of contamination. The
25 defense expert would also be willing to do that.

1 So, I don't see anything about the way
2 that the Crime Lab is set up in it's testing that
3 would prohibit, or make it somehow a threat or
4 jeopardy to their accreditation to allow a
5 defense representative to be present simply
6 observing what's going on. The State also cites
7 in their written opposition a number of older
8 cases where the Courts did rule that it was
9 not -- or they denied defense motions to do
10 similar types of observations.

11 But one reason that this motion is
12 brought in this case is because of what we have
13 learned, what the public has learned, about Crime
14 Labs all over the nation in the last five, six
15 years. I cite to some law review articles that
16 talk about the studies that have been done.

17 Now 17 states, Crime Labs in 17
18 different states, have been found to have either
19 had fraudulent behavior by some of the analysts,
20 or erroneous test results, incompetence,
21 everything, the entire spectrum of problems that
22 result in false tests, that, in some instances in
23 Kansas, resulted in the correct suspect being
24 released, going out and committing another
25 offense. And in other instances, innocent people

1 being wrongly identified through DNA testing and
2 only later, fortuitously, was it determined that
3 the mistake was made.

4 The FBI lab, once considered the most
5 prestigious, elite lab in the world, went through
6 a horrible scandal of disclosure of, not just
7 mistakes -- and there were many, many instances
8 of that -- but also deliberate, fraudulent
9 conduct resulting in one of their analysts being
10 convicted of a misdemeanor for fraudulent
11 reporting on DNA reports. That went on for two
12 years before the lab discovered it.

13 Now, I'm sure the State will say more
14 different, this is Wisconsin, we have a very fine
15 lab here, it's never been proven to have
16 fraudulently or erroneously come up with test
17 results that have affected a case. But I am also
18 quite sure that the prosecutors in courts and
19 public believe that in all of those other states,
20 in each of those cases.

21 And yet we now know otherwise. We now
22 know that these kinds of mistakes do take place
23 and there is worldwide discussion on what to do
24 about the problems with Crime Labs. DNA evidence
25 has considered this with programs like CSI on TV

1 and other things like that, considered this the
2 ultimate proof, the pristine evidence one way or
3 the other. But that's only true so much as the
4 Crime Labs in this country and in this state are
5 competent, fair, and able to produce correct
6 results.

7 Therefore, what we're suggesting is,
8 given the implications of what has gone on in
9 this case, or what was implied anyway, earlier,
10 before we became involved, we think that the best
11 way to resolve, to assure that that doesn't
12 extend further into the testing process, is to
13 simply allow transparency.

14 That's all we're asking, no
15 interference, just transparency to allow a
16 defense representative to be present during the
17 handling of the evidence, or in the alternative,
18 a less favored alternative. But at a minimum,
19 something that certainly wouldn't cause any
20 contamination, would be to videotape at any time
21 when the analysts are handling the evidence
22 itself.

23 There's periods of time when it's sort
24 of cooking in the incubator, and it wouldn't need
25 to be filming that portion, but when it's taken

1 out, when it's moved from one step in the process
2 to the next, that could certainly be recorded and
3 preserved and that would, I think, lessen the
4 likelihood of there being any implications of
5 wrong doing or mistakes down the road. I think
6 there is authority for it. It's in the Court's
7 discretion to grant it and that's what we ask.
8 Thank you.

9 THE COURT: All right. Mr. Strang, do I
10 understand that Mr. Gahn is going to be addressing
11 this issue? Mr. Kratz, I'm sorry.

12 ATTORNEY KRATZ: Yes, Mr. Gahn.

13 THE COURT: Mr. Gahn.

14 ATTORNEY GAHN: Thank you, your Honor. I'm
15 going to rely upon the brief that I filed in
16 response to their request to be present for the
17 testing or, in the alternative, to have it
18 videotaped and just amplify a few portions of that
19 brief.

20 Again, the defense has cited no
21 authority, or any statutory authority, or case
22 precedent, to authorize them into the Crime
23 Laboratory, or for videotaping of the procedures
24 that go on in the Crime Laboratory. I must
25 emphasize to the Court that in a Crime

1 Laboratory, especially with DNA testing, the
2 issues of security and contamination are just of
3 the utmost importance.

4 And they are so very important in the
5 accreditation process of a Crime Laboratory. And
6 any time that you lessen that security, or allow
7 the potential to introduce other contaminants
8 into the Crime Laboratory, that's going to place
9 that accreditation into some jeopardy.

10 The State has cited three cases where
11 that issue has come before appellate courts and
12 they have ruled against the defense. I guess,
13 your Honor, you have to understand what happens
14 at the Crime Laboratory. We're talking about a
15 huge number of items here of evidence. This is
16 not just one item that is coming into the Crime
17 Lab. It's just a huge number of items.

18 And when the Crime Lab gets these items
19 of evidence, they are going to be screened, first
20 of all, and that can take a couple of days. And
21 once it's been screened, and they believe there
22 may be something of potential value to submit to
23 some type of DNA testing, then that's when the
24 extraction process takes place. And that can
25 take, also, a couple of days.

1 The problem is, once the extraction
2 process is finished, the items are batched. And
3 what happens is, other analysts may batch, with
4 this case, items that they are testing for their
5 cases. And then there's what's called the
6 quantitation. And this is a very important
7 process, which is, again, days and days later.

8 And once they realize how much DNA is
9 present, whether there is a certain quantity,
10 then the analysts, again, determine which are
11 going to be set up for the amplification process.
12 And then you still have a number of other
13 processes that can take two to three weeks to
14 complete.

15 The intrusiveness, the burdensome nature
16 of their request, would make it almost impossible
17 for a Crime Lab to operate when you are looking
18 at so many items of evidence, and the process,
19 and how the process -- how the analysis process
20 takes place.

21 The Crime Lab is accredited. They
22 follow very strict, stringent, national
23 standards. And one of the reasons for writing
24 such strict national standards is that the
25 defense is given, in their discovery process, and

1 it's routinely done in Wisconsin, they are given
2 the bench notes. They are given the protocol.
3 They are allowed to see the quality assurance
4 guidelines as followed, the gene scan data, the
5 genotype RE-data.

6 It's all designed so that an outside
7 expert can look at the protocol, can look at the
8 process, the analysis that was done, and
9 determine whether it was followed, so that
10 defense is not left without anything in this
11 case. They are open to all the paperwork and the
12 analytic process through the DNA typing.

13 Having someone in and trying to video
14 tape it, again, would be so burdensome and such
15 an order were granted, I think the Court can
16 appreciate, if every defendant were allowed to
17 have an expert go in to look, or a videotaping
18 done, you could almost shut down the Crime
19 Laboratory.

20 There are so many sensitive items that
21 are out at the Crime Lab. It's evidence from
22 cases all over the State of Wisconsin. It's a
23 very, very, sensitive issue and security is
24 paramount. So I would ask the Court --

25 One other issue I would like to address

1 is the unnamed independent expert. I don't know
2 what were the circumstances of this independent
3 expert, or what the circumstances were to go into
4 an Illinois Crime Lab and observe. In all
5 candor, I will admit to the Court, I have heard
6 of cases where that is done, or there's an
7 agreement between the defense and the prosecution
8 to send the item for independent testing. But
9 those generally are cases where there is one
10 critical piece of evidence and there will be a
11 total consumption of that evidence.

12 Then you get into issues of what is
13 materially relevant, what is potentially
14 exculpatory evidence, and you get into an **Arizona**
15 **vs. Youngblood** analysis. That's generally where
16 those cases come about, where it is just one
17 piece of evidence that could be inculpatory, or
18 it could be exculpatory. And the defendant has
19 no other comparable means of getting that
20 evidence analyzed.

21 Under those circumstances, I have heard
22 of where the defense and the State would get
23 together and maybe agree on an independent lab to
24 do it, or perhaps agree upon the -- a defense
25 expert viewing that process. But that is the

1 rare case. And -- From my understanding and from
2 the knowledge that I have.

3 So I would ask the Court to grant our
4 position and that the defense not be allowed in
5 to observe the testing, or to videotape it,
6 mostly because of just the burdensome nature it
7 would have upon the Crime Lab and the security
8 issues and just the integrity of the whole Crime
9 Lab set up. Thank you, Judge.

10 THE COURT: Mr. Buting, anything else?

11 ATTORNEY BUTING: Just briefly, your Honor.

12 As to the question of burdensome, there being so
13 many items, I seriously doubt that in this case,
14 because from what I understand from prosecution,
15 that most, if not all, of the items originally
16 seized back in November in this case have been
17 tested. So, we're really only talking about items
18 that are seized as a result of the most recent
19 search warrant.

20 And I don't think there are that many of
21 them that were seized, and probably a very small
22 percentage of them that, that when looked at,
23 will have any area that would be worthwhile to
24 test. So there may only be a handful, five, six
25 items perhaps, that in this case will still be

1 tested.

2 So I don't understand the argument that
3 it's so burdensome, because there are so many
4 items. There's no reason those can't all be run
5 at the same time. That would not -- In fact, it
6 would probably be the normal course, if there's
7 one analyst working on this case, which I
8 understand there would be.

9 Yes, through discovery, the State does
10 provide bench notes and raw data and that sort of
11 thing, which can be helpful to an expert, but it
12 says nothing about the potential of
13 contamination, cross-contamination between items
14 of evidence. None of that can be found after the
15 fact. That's the problem.

16 That's why, it's that very reason that
17 the State, in order to become accredited, has to
18 take all kinds of precautions to try and prevent
19 that. But accreditation, some of these other
20 labs, where these problems have been developed,
21 have been accredited, and have thought that they
22 had very good, sound protocols that were being
23 followed and, low and behold, they discover
24 that's not the case.

25 Finally, as to the question of whether

1 there is -- It's true that perhaps these motions
2 are more likely granted or agreements made when
3 there is one item of evidence that will be all
4 used up in the course of the testing, but at this
5 point I don't know whether that's going to be the
6 case here or not. I don't know yet.

7 I don't think the State knows that, that
8 there is sufficient, or that there would be, if
9 they find an area that would be worthy of
10 searching for DNA, that it would be sufficient to
11 guarantee a separate half of it, or whatever
12 sample, for a subsequent, independent test. And
13 I don't think they are going to know that until a
14 number of things happen --

15 One, they eyeball it and look at it,
16 whether it's cloth, or concrete, or whatever it
17 may be. And, secondly, only after they have run
18 it through a process to determine whether there
19 is an amount that's quantifiable, that's enough,
20 enough DNA present to try and test it further.
21 So we may find ourselves in that situation where
22 there is nothing left for the defense to test,
23 once the State completes its.

24 The last point is that I would ask, or I
25 guess maybe to make clear as a matter of a Brady

1 Demand, orally, I can follow up with something in
2 writing. In the event the Court does not grant
3 this motion, I do want to make it clear that we
4 do consider raw data, notes, charts, things of
5 that matter, and preservation of sufficient
6 quantities of future testing to be considered
7 Brady material that could be exculpatory, that
8 could point to other individuals.

9 And that would include DNA fingerprints,
10 all types of forensic evidence. That would also
11 include, particularly in this case, any test
12 results that prove positive for law enforcement
13 DNA, which in most cases are simply discarded as
14 erroneous mistakes, but in this case, given the
15 history, we view as Brady material that should be
16 preserved for subsequent review by the defense.
17 So with that I would ask the Court to grant the
18 motion.

19 THE COURT: All right. For purposes of
20 today's hearing, I'm taking up the motion as it's
21 been filed. I'm not going to comment on the last
22 items that you mentioned. I'm specifically dealing
23 with the defense request to either observe testing
24 by the State Crime Lab or to have that testing
25 videotaped.

1 The first issue I looked at was whether
2 or not there was a due process right on the part
3 of the defendant to observe such testing. I,
4 actually, before I got the State's response,
5 looked at the New York case that's cited, that is
6 ***New York vs. Monigas***, which is a case that
7 involved a request, I believe, precisely
8 identical to that that was made here. And the
9 Court in that case ruled that there was not such
10 a due process right. I have not been able to
11 find any case that creates a constitutional right
12 to observe testing in cases like this. And I
13 don't understand the defense to be arguing that
14 there is any such authority.

15 I next look at the Wisconsin Statutes.
16 We do have a statute that has been mentioned, I
17 think by both parties, that deals with this
18 issue; specifically, Section 165.79 (1). That
19 reads in relevant part as follows:

20 Evidence, information and analyses of
21 evidence obtained from law enforcement officers
22 by the laboratories -- and I understand it to
23 mean the State Crime Lab there -- is privileged
24 and not available to persons other than law
25 enforcement officers. Nor is the defendant

1 entitled to an inspection of information and
2 evidence submitted to the laboratories by the
3 State, or of the laboratory's findings, or to
4 examine laboratory personnel as witnesses
5 concerning the same, prior to trial, except to
6 the extent that the same is used by the State at
7 a preliminary hearing and except as provided in
8 Section 971.23.

9 Upon request of a defendant in a felony
10 action, approved by the presiding judge, the
11 laboratories shall conduct analyses of evidence
12 on behalf of a defendant. No prosecuting officer
13 is entitled to an inspection of the information
14 or evidence submitted to the laboratories by the
15 defendant, or of the laboratory's finding, or to
16 examine laboratory personnel as witnesses
17 concerning the same, prior to trial, except to
18 the extent that the same is used by the accused
19 at a preliminary hearing and except as provided
20 in Section 971.23.

21 The statute was discussed in the case of
22 ***State of Wisconsin vs. Franszczak,***
23 ***F-r-a-n-s-z-c-z-a-k,*** a 2002 Wisconsin Court of
24 Appeals case. And in that case, the Court
25 essentially says that the statute means what it

1 says and that is, that the State Crime Lab
2 performs testing on behalf of the State. It's
3 not subject to disclosure or discovery, except as
4 provided by the statute. And, likewise, if it
5 provides discovery on behalf of the defendant,
6 that the State can't get at the information,
7 except in the circumstances provided for in the
8 statute.

9 I'm not going to decide today whether or
10 not there might be some special circumstances
11 under which the Court could grant the request
12 made by the defense in this case. I don't see
13 anything in the statute that expressly prohibits
14 it, but at least the statute seems to suggest
15 that, in the ordinary course of things, absent
16 some extenuating circumstances at a minimum, the
17 legislature doesn't contemplate the statute
18 granting a request like this.

19 I will also note that, although there
20 have been incidents of mistakes in other Crime
21 Labs, and I think any time you are dealing with
22 human beings that's always a possibility, I'm not
23 aware that our State Crime Lab has ever been
24 involved in this type of a thing. And as the
25 State noted in the brief, it was actually the

1 State Crime Lab's tests in the defendant's prior
2 case that resulted in him being released from
3 prison after being wrongfully convicted. And the
4 State fully acknowledges that fact.

5 So based -- For those reasons, I don't
6 believe there's a basis here for granting the
7 defendant's request and I'm going to deny the
8 State's motion regarding forensic testing.

9 ATTORNEY GAHN: The defense motion, your
10 Honor.

11 THE COURT: The defense motion for forensic
12 testing. I'm certainly not foreclosing the parties
13 from coming to an agreement, if they do. Anything
14 that expedites the process and makes both parties
15 feel assured the testing is being done properly is a
16 benefit to all. But in the absence of that, the
17 statute seems to contemplate, as a general rule, a
18 different approach and, therefore, the Court is
19 denying the defendant's motion.

20 The last item to deal with today is the
21 motions that have been made by each of the
22 parties for modification of bail in this case.
23 The defense made its motion first, so I will hear
24 from the defense first. Will that be Mr. Strang
25 or Mr. Buting?

1 ATTORNEY STRANG: Mr. Strang.

2 THE COURT: Mr. Strang.

3 ATTORNEY STRANG: We have no quarrel
4 with -- today with the reasonableness of the amount
5 of bail set by the Court here, working off of the
6 half million dollar number. Our motion goes to the
7 surety or the security that the Court would accept,
8 as a financial condition, to reasonably assure
9 Mr. Avery's appearance in court, as he is required,
10 and the safety of the community.

11 And what we're asking here is for the
12 Court to allow the posting of property, the
13 tendering of a mortgage, or can be done with a
14 Quitclaim Deed that then is not filed by the
15 County Clerk unless bond conditions are violated.
16 But there are different ways to accomplish using
17 real property as security to meet the financial
18 aspect of the bail condition.

19 Mr. and Mrs. Avery, who are behind me,
20 are willing to post all of the property they own
21 in the world, the Manitowoc County property, the
22 Marinette County property. We have had that
23 appraised for fair market value. The combined,
24 unincumbered value of those properties well
25 exceeds the half million dollars in bail that the

1 Court has set.

2 These are solvent sureties, in other
3 words, and the Wisconsin Statutes have absolutely
4 no presumption against, or bias against, the use
5 of property to secure appearance and compliance
6 with bail conditions, as opposed to cash. Real
7 property as opposed to cash or other personalty.

8 The Corporation Counsel for the County
9 of Manitowoc filed a letter of his own raising
10 concerns. And I think that Corporation Counsel
11 misapprehends the very purpose of posting
12 property. The issue here is not what value the
13 Avery Salvage Yard or a property near Crivitz
14 might have to Manitowoc County. The issue is its
15 fair market value and, more importantly, it's
16 value to Steve Avery or the people he loves and
17 care about him.

18 The point, of course, is not for the
19 property to come into legal ownership of
20 Manitowoc County. The point is that if he didn't
21 follow conditions of bond, his parents would
22 lose, literally, the farm. That's the level that
23 we have to assure a defendant's compliance with
24 conditions of release, that the Court sets.

25 So, without wading into DNR issues or

1 other issues really, fundamentally, the
2 Corporation Counsel's concerns miss the point of
3 Chapter 969. There's no real question here that
4 the fair market value, regardless of what
5 Manitowoc County might pay for the property, the
6 fair market value of the property well exceeds
7 the half million dollars in cash.

8 As a practical matter, unless the Court
9 modifies bail, he is not getting out. As a
10 practical matter. Now, the Court knows, I know,
11 perhaps some in the public or some in the media
12 even have forgotten, that he's innocent. As he
13 sits here today, he is legally presumed innocent.

14 I mean, we can dress him up in something
15 that makes him look like he, you know, jumped off
16 a Monopoly game board or something. He's a
17 get-out-of-jail-free card come to life. But he
18 is innocent as he sits here today.

19 And, you know, he had his Thanksgiving
20 meal, as a presumptively innocent man, in the
21 jail. He had his Christmas meal, as a
22 presumptively innocent man, in the County Jail.
23 He is heading toward his Easter meal, as a
24 presumptively innocent man.

25 And all of this delay is necessary,

1 nobody is quarreling with the delay. But the
2 earliest, as I understand it, that he's going to
3 have a full chance to be heard, and to put the
4 State to its burden of proof here to prove what
5 it alleges, will be after his Labor Day meal, as
6 things stand, if he is not out.

7 Ten months is a long time to sit, if you
8 are presumptively innocent. And this is someone
9 who is sort of sensitive about sitting in custody
10 when he's innocent, and I understand that. He's
11 got no history of trying to evade justice,
12 skipping court. If anything, it's justice that
13 once evaded him.

14 He's lived right here in Manitowoc
15 County all his life. Lives on the parent's
16 property. This is -- This is not just a
17 homestead, but it's a place on which the family's
18 business, you know, from which it derives its
19 entire livelihood. He is not going to put that
20 at risk.

21 The reasonable perception here is he is
22 not going to put that at risk by failing to abide
23 conditions of release. His parents would stand
24 to lose everything, if he did, as would he. I
25 mean, it's his livelihood that is made on this

1 property as well.

2 The State here has relied on angry
3 letters that he wrote to his ex-wife, who
4 divorced him while he was in prison for a crime
5 he didn't commit. Those were written, the most
6 recent of them, according to Judge Hazlewood in
7 his transcript, was 15 years ago now, in 1991.
8 They were angry, they were aggressive.

9 His wife was trying to deprive him of
10 any further contact with his young children. I
11 guess I would be angry too, in his circumstance,
12 particularly where I'm sitting in prison on
13 something I didn't do, which is exactly the
14 situation he was in at the moment.

15 So it's not to excuse angry, aggressive,
16 ugly letters that he wrote 15 years, 17 years, 19
17 years ago. It is to put them into a context that
18 suggests they say very, very, little today about
19 whether he will come back to court when he's
20 supposed to and whether he will stay in his
21 house, as he's supposed to, other than when
22 conditionally allowed to leave by this Court.

23 Once we get past letters to his ex-wife,
24 now we're into the State offering past criminal
25 acts that are getting near a quarter century old.

1 We're getting into the State offering convicts
2 who only now are coming forward and saying,
3 presumably, or at least tacitly suggesting, get
4 me out of jail and I will testify that this guy,
5 you know, talked about building torture chambers,
6 and all kinds of other stuff, that inmates didn't
7 bother to report for the 15, or 18 years, or
8 whatever it's been since they say they heard it
9 from Avery.

10 This is all so much nonsense, honestly.
11 Really, so much nonsense. The State has been out
12 and searched the Avery property, with consent,
13 probably five times or more. With search
14 warrants, at least a couple times, maybe three,
15 something like that. Nobody had a torture
16 chamber. No torture chamber on the Avery
17 property, in the trailer he lived in, or anywhere
18 else.

19 So it's really, some of that is beneath
20 further comment. But what's not is the Court's
21 ability to fashion non-monetary, non-financial
22 conditions as well. And Steve Avery wanted me to
23 tell the Court, and invite the Court, to impose
24 any other non-monetary conditions it sees as
25 appropriate here, including increasing the

1 restrictiveness of the conditions of release
2 already set, since we have moved to modify.

3 Something your Honor might reasonably be
4 concerned about is, if he's out of jail, are we
5 going to be asking that he be allowed to go down
6 to Madison to see me, or down to Brookfield to
7 see Mr. Buting. And the answer is, no, we will
8 come to him. He can be restricted to Manitowoc
9 County. Electronic monitoring wouldn't be a bad
10 idea and is fully acceptable to Steve Avery.
11 Very controlled time out of the house or away
12 from the property, fully acceptable to Mr. Avery.

13 If the Court wants him to report in
14 person to the Two Rivers' Police Department, or
15 some other law enforcement agency, on a regular
16 cycle, fully acceptable to Mr. Avery. And, of
17 course, I would expect, that in the process of
18 posting real property to secure the bail that the
19 Court has set, that the State would want to look
20 at the appraisals, want to look at title and any
21 encumbrance to it. And I'm wholly prepared to
22 share all of that information with the State.

23 Indeed, the Avery's, the senior Avery's,
24 have gone to the trouble of retaining
25 Mr. Krajnek, a local lawyer here who does real

1 estate work, to assist in assembling the
2 information that would be necessary to secure
3 bail with real estate, rather than cash. So,
4 that is -- that's our request here today. I know
5 the State has a competing motion, but perhaps
6 it's better in my place to respond to the State's
7 argument in that respect.

8 THE COURT: All right. Mr. Kratz.

9 ATTORNEY KRATZ: Thank you, Judge.

10 Mr. Strang is correct, the State does have a
11 competing motion that we filed. Actually, the other
12 side of Mr. Strang's motion, the other side of the
13 coin, if you will, is our second motion, that is,
14 our motion to increase cash bail. And I'm going to
15 take this opportunity then to first argue that,
16 since it addresses those same factors that
17 Mr. Strang has argued.

18 The State no longer believes that a
19 \$500,000 cash bond is appropriate. The Court may
20 recall that this State originally requested a
21 \$1,000,000 cash bond to secure Mr. Avery's future
22 court appearances. But this Court can, and I
23 believe should, take into consideration new
24 factors, that is, what we have learned since the
25 last time we addressed bond.

1 Since the last time I was before this
2 Court and addressed bond, substantial changes
3 have occurred in this case. Now, Mr. Strang can
4 sit here and presume Mr. Avery to be innocent; I
5 don't have to do that. And when I make these
6 arguments to the Court, the statute, 969.01 (4),
7 is on the State's side in that regard when it
8 invites, in fact, requires the Court consider the
9 character and strength of the State's case.

10 Now, the character and strength of the
11 case against Steven Avery, I will argue, has
12 changed dramatically since we last visited this
13 issue. The detailed statements given by what I'm
14 calling the co-actor, the co-perpetrator in this
15 case, speak directly to the nature, number, and
16 gravity of offenses. And to leave bond at the
17 previously issued, I believe does a disservice
18 not only to this particular case, but does not
19 reflect Mr. Avery's likelihood of appearing at
20 future court appearances.

21 Those other factors that I previously
22 argued, including the degree of violence used,
23 there's new information as to those. I had
24 already argued the prior criminal record, the
25 fact that other crimes have been committed while

1 Mr. Avery was out on legal status, that he's now
2 been bound over for trial.

3 New information, though, on our request
4 to increase cash bail to \$2 million, includes the
5 allegations of his plans to flee the
6 jurisdiction. The alternatives to cash bail not
7 being warranted, as cited by Manitowoc County
8 Corp Counsel, and what I'm arguing is one of the
9 most important factors, that is, Mr. Avery's
10 character.

11 Those items contained in the
12 affidavit -- again, an affidavit, something more
13 than mere allegations, but something contemplated
14 by the motion practice in the State of
15 Wisconsin -- sets forth some specific acts of
16 violence, some specific plans of Mr. Avery that I
17 think are very important as to the State's
18 request for the increase in cash bail. And,
19 therefore, I make that request, your Honor, to
20 raise cash bail, to deny any kind of surety or
21 property bond and to increase the cash bail
22 previously authorized, to \$2 million.

23 I am prepared, Judge, although as I
24 mentioned, included in a formal detailed motion
25 and affidavit, to argue the denial of bail. But

1 I didn't know if the Court wanted to address the
2 first motion, or what I have characterized as the
3 other side of Mr. Strang's motion, first. But I
4 am prepared to proceed, your Honor.

5 THE COURT: With respect to the motion to
6 deny bail, that's a request that has not been made
7 to me before in another case. But as I read the
8 statute, and I reread it this morning, I believe it
9 involves a testimonial hearing, an evidentiary
10 hearing, with fairly extensive description. It
11 involves, essentially, a mini trial.

12 ATTORNEY KRATZ: It does, Judge, and that's
13 why I have stopped. I have the witnesses. I have
14 officers prepared for that. I don't know how much
15 time the Court has set aside for that. Let me also
16 indicate that, depending on how the Court and
17 Mr. Strang wants to proceed, it may even contemplate
18 calling other witnesses, or providing writs, or the
19 like, for what the Court calls a mini trial.

20 I don't disagree with that procedure as
21 contemplated in the statute, that's why I'm
22 stopping at this point and, I think, asking the
23 Court to rule on Mr. Strang and my motion.
24 Frankly, Judge, depending on that motion, the
25 State may ask in another manner to be heard on

1 the denial motion.

2 THE COURT: Mr. Strang, I'm looking now for
3 your response to the motion to increase cash bail.
4 I'm not seeking comment on the motion to deny bail.

5 ATTORNEY STRANG: Okay. It's -- A lot of
6 this is so academic that one wonders why the State
7 wants to talk about it. The original charges, the
8 first one, carries a mandatory life sentence. And
9 then we have got 12 and a half years of possible
10 confinement on one charge, beyond that. And I
11 haven't even looked recently, seven years, or five
12 years, or something on the other one. But once you
13 are at mandatory life, you know, adding on more
14 exposure, really doesn't alter the calculus much for
15 a defendant in deciding whether he's going to stick
16 around or try to make a run for it.

17 In terms of his proclivities, boy, I
18 mean, I didn't notice much in my television back
19 in early November, any inclination of him to
20 avoid anybody, a camera, a police officer. He's
21 consenting to searches. He's talking to anybody
22 who wants to search him. He's going up to the
23 family's cottage, to be sure, a cottage they have
24 had for decades up in Crivitz. Everybody knows
25 where he is.

1 There's nothing here, not only in the
2 lead up to this arrest, but in his earlier cases,
3 to suggest that he tries to runaway or avoid
4 obligations to come to court. There's just
5 nothing. Not a bench warrant, as far as I know,
6 at least nothing the State has tendered to the
7 Court. So, you know, and adding -- we could add
8 a hundred more charges here, if creative counsel
9 wanted to do that, and it wouldn't really change
10 the functional incentives that have been in place
11 since this case was charged with a first-degree
12 intentional homicide count.

13 Beyond that, you know, I note under our
14 statutes, and specifically 969.08 (5), it is a
15 little bit ambiguous here. If he were out on
16 release and the State alleged that he violated
17 conditions of release and wanted to tighten up or
18 add conditions to address a violation of
19 conditions of release once he's out, if that were
20 the State's request, we would be entitled to a
21 hearing. And the State would bear the burden of
22 proof by clear and convincing evidence, in
23 establishing both the violation and the need for
24 some tighter conditions.

25 Now, it is ambiguous because one also

1 can read the same statute, 969.08 (1) or (5) as
2 allowing the Court, on the State's motion, to
3 increase conditions of bail. So, I'm not hanging
4 my hat, so to speak, on this entirely. But it's
5 passing strange to say that if you were out, you
6 know, increasing cash from half a million dollars
7 to \$2 million as a response to some violation of
8 conditional release would entitle me to a hearing
9 at which there is an intermediate standard of
10 proof.

11 But when he is not out and has no
12 realistic prospect of posting half a million
13 dollars in cash, that's not happened, would have
14 happened by now if that was anywhere within the
15 realm of possibility, that the State, with no
16 showing other than statements of inmates or 20
17 year old allegations being filtered through a law
18 enforcement officer's affidavit now can quadruple
19 the amount of bail that the Court is being asked
20 to set.

21 THE COURT: Anything else, Mr. Kratz?

22 ATTORNEY KRATZ: No, not on this issue,
23 Judge. Thank you.

24 THE COURT: I'm going to take a brief
25 recess. I have my notes from the prior bail hearing

1 in chambers. I'm going to look at them and then
2 I'll come back.

3 ATTORNEY BUTING: Your Honor, could we deal
4 with that issue of recess with regard to cameras and
5 filming at this time, if we're going to break the
6 proceedings?

7 THE COURT: Yes, for purposes of today's
8 hearing, I'm going to ask the camera folks to
9 shutdown during the recess. The court proceedings
10 aren't going on during that time and the parties are
11 entitled to speak with each other privately during
12 that time.

13 ATTORNEY BUTING: Thank you.

14 (Recess taken.)

15 THE COURT: I did take the opportunity to
16 go back and review my notes from the last bail
17 modification motion hearing. I'm not going to
18 repeat all of the findings and matters I relied on
19 at that time because of the fact that the defense in
20 this case is not disputing the current level of bail
21 at \$500,000.

22 But I think it is worthwhile to review
23 the things that have changed since the last bail
24 modification hearing, as I view them. I will
25 note that, based on the Court's decision today,

1 the Court has allowed the filing of additional
2 charges against the defendant. The number and
3 gravity of the offenses are greater, as are the
4 penalties that the defendant faces. Though, as
5 noted by defense counsel, the penalties under the
6 existing charges are already significant.

7 The Court further notes that the level
8 of violence alleged in the Complaint is greater
9 than it was before, based on the new allegations.
10 And the Court, while keeping in mind that the
11 defendant is innocent until proven guilty -- and
12 the Court makes no comment on what the final
13 disposition in this case might be, a jury will
14 obviously make that determination -- but the
15 statutes do direct the Court to take into
16 consideration, in setting bail, the strength of
17 the evidence that has been presented.

18 And this is no longer purely a
19 circumstantial evidence case, based on the new
20 allegations made by the State. And the Court
21 would have to characterize the strength of the
22 evidence at this point as greater than it had
23 been in the past.

24 The State has also alleged that a
25 statement on behalf of the defendant that at one

1 point in the proceedings, before his initial
2 arrest, he considered flight. I think that
3 that's not -- as it's stated, it's not an
4 unequivocal statement.

5 It may reflect just the defendant's
6 thought at the time. There is no evidence he has
7 actually tried to flee the jurisdiction or
8 anything like that, but it was made at a time
9 before the charges were actually filed. And to
10 the extent the defendant ever would have
11 considered flight, the reasons would be greater
12 at this stage than in the past.

13 Finally, although it may not be the most
14 significant consideration, based on the fact that
15 the defendant has now retained private counsel,
16 is not represented by the Public Defender's
17 Office -- and the Court has been informed that
18 was as a result of a settlement of a lawsuit --
19 the defendant's ability to give bail is somewhat
20 greater than it has been in the past.

21 Taking those factors into account, the
22 Court believes that the bail in this case should
23 be increased from \$500,000 to \$750,000 and I'm
24 going to order that bail be increased in that
25 amount. Because of the severity of the offenses

1 involved and the possible penalties that the
2 defendant faces, the Court concludes in this case
3 that cash bail is necessary.

4 I'm not going to allow a bond to be used
5 in lieu of cash. I will note to the extent that
6 the defendant's family has assets, they could, of
7 course, borrow against those assets and obtain
8 cash. I'm aware of that. But both because of
9 the severity of the offenses and the possible
10 penalties, primarily for that reason, the Court
11 is going to have bail remain at a cash figure and
12 the amount will be \$750,000.

13 Now, before we conclude today, Counsel,
14 I believe going back to one of the earlier
15 motions, it appears we're going to need another
16 motion date. I hope you brought your calendars
17 with you. And, Mr. Kratz, I didn't say it, but
18 if you still intend to pursue your motion to deny
19 bail, I'm not going to start that at 10 minutes
20 to 4 today.

21 I think, even though you may have
22 witnesses here, I believe that the defense should
23 have an opportunity to produce evidence of their
24 own, if they wish. I believe they have that
25 under the statute and I think they would be

1 entitled to specific notice that we're going to
2 have such a hearing before we proceed. So I
3 won't require you to make that decision today.

4 ATTORNEY KRATZ: If I may suggest, Judge,
5 if the Court is going to be setting another motion,
6 if the Court would give me leave to provide the
7 Court with sufficient notice before that time to be
8 heard at that new time, or to withdraw my motion one
9 way or another, I can alert the Court what I intend
10 to do.

11 THE COURT: All right. Counsel, you may be
12 contemplating the filing of other motions that I
13 haven't heard about today, so rather than me
14 suggesting a date to you, I will let the attorneys
15 tell me when you would like to meet next. I know
16 there was going to be a defense motion relating to
17 the Complaint.

18 ATTORNEY STRANG: Yes.

19 THE COURT: And it sounded to me like
20 perhaps sometime less than a month from now.

21 ATTORNEY STRANG: I'm going to bring a
22 motion relating to the right to a preliminary
23 hearing on the three new charges, which the Court
24 has now ruled, in denying bail or property bond, are
25 significant and add something. And I guess for

1 purpose of a preliminary hearing, I share that to a
2 degree. And I had suggested that within 10 days --
3 what I said earlier was from the Court signing
4 Mr. Kratz's proposed order I can file a motion, but
5 the fact is I can do it 10 days from today. I don't
6 need to wait for a written order since I understood
7 the Court's ruling.

8 THE COURT: All right. So you are going to
9 file a motion within 10 days relating to any
10 challenges you have to the Amended complaint, which
11 the Court today allowed to be filed.

12 ATTORNEY STRANG: Right. Say by the 27th,
13 which would be 10 days, if that's acceptable.

14 THE COURT: Mr. Kratz, any objection?

15 ATTORNEY KRATZ: No. At the same time, I
16 didn't know if Mr. Strang intended to include the
17 issue of the preliminary hearing.

18 ATTORNEY STRANG: That is the issue.

19 THE COURT: Yes, that's my understanding.

20 ATTORNEY KRATZ: If I may also ask, Judge,
21 I don't know if Mr. Strang believes that oral
22 argument is required or if the Court would be
23 satisfied with just written argument, my ability to
24 respond and then just your ruling.

25 THE COURT: Are the parties willing to have

1 that matter decided on written briefs?

2 ATTORNEY KRATZ: That's fine, Judge.

3 ATTORNEY STRANG: Sure. And if the ruling
4 goes our way, then we would have to have a telephone
5 conference for purposes of scheduling a preliminary,
6 I suppose.

7 ATTORNEY KRATZ: That's right.

8 THE COURT: I'm worried about things
9 getting backed up. I would like to set contingent
10 dates that you reserve on your calendar, so that if
11 something has to be done it can be done. I don't
12 want the calendar to get out of hand here. I do
13 have the entire morning of April 13th available. I
14 would ask the parties how they feel about that.

15 ATTORNEY STRANG: It's not an issue here,
16 but for what it's worth, I know Passover begins that
17 day. I'm clear that day. Mr. Buting has to be in
18 another circuit court in the state.

19 ATTORNEY BUTING: Judge, at 1:30 I have to
20 be in Waukesha on an oral argument.

21 THE COURT: All right.

22 ATTORNEY BUTING: I suppose if it takes
23 about -- if we broke by 11:30.

24 THE COURT: I think that would work. We
25 could start at nine. Let me do this. I'm just

1 going to hold that date for now. And depending on
2 the motions that the parties file, if a hearing has
3 to be held, I would like to hold it on that date.

4 And I would also like to be kept
5 informed by the parties of progress being made
6 with respect to discovery and testing, so that if
7 there are any motions that have to be filed, they
8 can be filed in a timely manner and I can hear
9 them, so they don't jeopardize a September trial
10 date.

11 ATTORNEY STRANG: I don't want to sit on my
12 hands here and not give the Court fair warning, but
13 I think it's at least possible with the March 1,
14 March 2 developments, and now presumably further
15 testing and much material and discovery that the
16 State can't disclose to us because it doesn't have
17 it yet, I think the September 5 trial date is very
18 questionable.

19 It's not a calendar problem for me, I
20 just think it's very questionable. And I can
21 understand why the Court would not want to move a
22 date once one is set, so I don't want to sit here
23 and sound like I'm acquiescing or not raising at
24 least the concern that, for all the reasons we
25 have discussed today, just scheduling like bail

1 consideration and, you know, what charges Mr.
2 Avery is facing, all of these things may also
3 have an affect on trial scheduling.

4 THE COURT: Mr. Kratz, I don't know if you
5 have any information yet about the timing of the
6 testing that's going to be done.

7 ATTORNEY KRATZ: On Monday, Judge, we -- we
8 meaning myself and the investigator involved in the
9 case -- intend to meet directly with the Crime Lab
10 to get those answers. And so once we have a
11 timetable, I would be happy to provide that to
12 Mr. Strang and Court.

13 THE COURT: All right.

14 ATTORNEY STRANG: The Court's ruling on the
15 motion concerning fair forensic testing means that
16 now, necessarily, the only avenue open to the
17 defense would be sequential testing once the State's
18 private testing is done, so that -- I don't know
19 that we'll do that, but we may. That's what's left
20 to us.

21 ATTORNEY KRATZ: If I can be heard. We
22 have offered what's already been tested already for
23 retesting. Defense hasn't taken us up on that yet,
24 we'll see if they do. That is already available for
25 retesting. That decision should be able to be made

before this new testing is done, Judge.

ATTORNEY STRANG: That's absolutely true,
as to stuff seized in November, absolutely so,
agreed.

THE COURT: All right. Is there anything
else either party wishes to take up this afternoon?

ATTORNEY BUTING: Judge, one other matter.
When you mentioned other motions that we might need,
we may be able to just short circuit that. If
Mr. Kratz is willing to today, I could file a motion
for return of property -- I'm informed that
co-counsel has already spoken to the State and
reached some agreement on that, so that's fine.

THE COURT: All right. Anything else this
afternoon?

ATTORNEY KRATZ: No, Judge.

THE COURT: If not, we're adjourned for
today.

ATTORNEY KRATZ: Thank you.

ATTORNEY STRANG: Thank you.

24 **TRANSCRIPT OF PROCEEDINGS**

25 Reported by Diane Tesheneck, RPR

Official Court Reporter

1 THE COURT: At this time the Court calls
2 State of Wisconsin vs. Steven Avery, Case No. 05 CF
3 381. This matter is scheduled this morning for a
4 Court decision on a motion that's been filed by the
5 defense. Will the parties state their appearances
6 for the record, please.

7 ATTORNEY KRATZ: Your Honor, the State of
8 Wisconsin appears by Calumet County District
9 Attorney Ken Kratz, having been appointed as special
10 prosecutor in this case. The State also appears
11 this morning by Tom Fallon. Tom is with the
12 Department of Justice, also having been assigned
13 special prosecutor in this matter.

14 ATTORNEY STRANG: Good morning. Steven
15 Avery, second to my right, he's in custody. Dean
16 Strang appearing on his behalf and Jerome Buting,
17 also as counsel for Mr. Avery.

18 THE COURT: All right. I will indicate for
19 the record that the motion that's the subject of the
20 hearing today is a motion that was filed by the
21 defense, renewing a previous motion that the new
22 charges in the Amended Complaint should be
23 dismissed, or in the alternative, if the Court
24 permits the filing of the charges, that the
25 defendant be entitled to a preliminary examination

1 on the new charges.

2 I will also indicate for the record that
3 I met with counsel in chambers, briefly, before
4 we began this morning. And as I understand it,
5 the defense would like the opportunity to
6 supplement it's written argument, which the Court
7 has already received and reviewed, and the
8 prosecution would like a chance to respond. Is
9 that correct, Mr. Strang?

10 ATTORNEY STRANG: It is.

11 THE COURT: All right. I will hear you at
12 this time.

13 ATTORNEY STRANG: I will not belabor the
14 written arguments nor repeat arguments made at the
15 initial oral motion to dismiss the Complaint.
16 Leaving, in summary, my argument on the motion to
17 dismiss the Complaint, that when the United States
18 Supreme Court, probably close to half a dozen times
19 since 1968, has explained that statements against a
20 declarant's interest, that then go on to inculcate
21 another person, are unreliable, that those sorts of
22 unreliable statements fail Wisconsin's reliability
23 requirement for the factual assertions in a Criminal
24 Complaint. The Court already has ruled adversely to
25 me on that. I have renewed the motion in writing

1 and I will leave argument there on that point.

2 As to the question of a preliminary
3 hearing, if the Amended Complaint is allowed to
4 stand, I confess that I had been -- become
5 occupied, if not preoccupied, with **Burke** and
6 **Bailey** and the profusion of case law, criminally,
7 from the Wisconsin Supreme Court that make very
8 thick, I think, intellectually interesting, very
9 complicated, the law in an area in which the
10 underlying statutes, at least to my eye, look
11 fairly straight forward, but now have been
12 construed, or rather with such gloss that there's
13 nothing at all straight forward about the area of
14 the law. And I became very interested in that,
15 and that case law, and what it all means, where
16 it sorts out and applies here, as the focus of my
17 briefs, I think also the focus of the State's
18 written submissions.

19 And so I have written arguments that
20 suggest to the Court why it should grant a
21 preliminary hearing here and I think over looked
22 a statutory command that the Court shall order a
23 preliminary hearing in the unusual procedural
24 posture in which we find ourselves here today.

25 We step back to early in mid-March. The

1 State's request was for leave to file an Amended
2 Complaint and leave to file and Amended
3 Information. We took issue with the first of
4 those requests, to file an Amended Complaint.
5 That was the briefing, our opposition to an
6 Amended Complaint, or to the request that he be
7 granted to file an Amended Complaint, was the
8 thrust of the briefing that brought us here the
9 last time before your Honor.

10 The Court overruled my position and did
11 grant the State's request to leave to file an
12 Amended Complaint, that occasioned by oral motion
13 to dismiss the Complaint for want of probable
14 cause. And we covered that ground already.

15 But we are not here today on a request
16 for leave to file an Amended Information only.
17 We're here with an Amended Complaint now having
18 been filed on leave of the Court, no initial
19 appearance having been made on that Amended
20 Criminal Complaint. And I think, therefore,
21 we're within the field covered by Wisconsin
22 Statute Section 970.02, and for our purposes
23 here, narrowly 970.02 (5), which governs the
24 initial appearance and what's to happen and -- at
25 and after the initial appearance.

1 And the question is, or the statutory
2 command is, that if the defendant does not waive
3 the preliminary examination, the Judge shall,
4 forthwith, set the action for a preliminary
5 examination under Section 970.03. That's the
6 preliminary examination we seek. We're certainly
7 not waiving it.

8 The question becomes somewhat circular
9 because, if we don't have a right to preliminary
10 examination for some reason in the first place,
11 then there's nothing that we would be asked to
12 waive or, properly, could resist waiving. I
13 don't have any case law construing 970.02 (5) in
14 this setting, or anything that I can offer today
15 from which the Court might draw guidance, other
16 than statutory language.

17 But the procedural posture, I think, is
18 indisputable. We are here with the Court having
19 granted leave to file an Amended Complaint, which
20 is what the State had requested. We are here on
21 an Amended Complaint. There has not been an
22 initial appearance on that Amended Complaint.
23 The Amended Complaint adds three new charges, not
24 before seen in the course of this case to date.

25 We, of course, have disputed whether

1 those are transactionally related to and derived
2 from the evidence at the earlier preliminary
3 hearing. We think they aren't, the State thinks
4 they are. But the fact is, this is a new
5 Complaint and it is a Complaint on which the
6 case, as to the three new charges, presently is
7 founded.

8 We don't waive the preliminary hearing.
9 We think we have a right to it. And we think the
10 statutory command is clear, that the Court shall
11 schedule a preliminary hearing forthwith on the
12 three new counts.

13 THE COURT: All right. Mr. Kratz, or Mr.
14 Fallon?

15 ATTORNEY KRATZ: Judge, Mr. Fallon wrote
16 the brief on this issue. And with leave of the
17 Court, I would like him to argue this today.

18 THE COURT: Very well. Mr. Fallon.

19 ATTORNEY FALLON: Yes. Thank you, Judge.
20 Good morning. I think I feel compelled to address
21 counsel's concern regarding the posture of the case
22 and whether or not an additional preliminary
23 examination is needed at this time.

24 We're firmly convinced that no such
25 examination is needed for both a practical reason

1 and a legal reason. The legal reason being,
2 quite frankly, is he's not entitled to one. And
3 I say that because, interestingly enough, the
4 defendant has received a benefit to the fact that
5 the State sought and did, in fact, file an
6 Amended Complaint, which was jurisdictionally
7 unnecessary.

8 The defendant has been provided far more
9 information relative to the additional charges
10 than the law in Wisconsin normally permits. So
11 he has received a benefit already, one to which
12 he was not entitled, one in which, as a result of
13 which, no preliminary examination is required
14 under the law.

15 Once the original charges are filed,
16 once a Court finds probable cause at a
17 preliminary examination and binds the matter over
18 for trial, the Information becomes the governing
19 procedural document. The document upon which
20 this Court may exercise its authority and power
21 to determine the course of action for the
22 parties.

23 In this particular case, additional
24 information came to pass, which ethically permits
25 the prosecutor, and also based on the transaction

1 related law that each side has briefed rather
2 thoroughly, to add additional charges. Assume,
3 for the sake of argument, this Court had granted
4 the defense motion to dismiss the Complaint.
5 Would the state be precluded from being in the
6 exact posture we're in right now? Absolutely
7 not.

8 As the Court is aware, and the parties
9 are aware, the cases of ***State vs. Bailey***, ***State***
10 ***vs. Burke***, ***State vs. Richer***, ***State vs. Williams***,
11 *State vs. Akers* (sic) ***State vs. Bury***, all
12 occurred and were litigated in the context of
13 post-probable cause, based upon the original
14 Complaint and a subsequent preliminary
15 examination and no additional or Amended
16 Complaints after bindover.

17 So, in effect, the defendant has
18 received a benefit, based on a local custom and
19 practice, to provide additional information
20 should, in the average felony case, the result, a
21 change of plea. The parties would have a factual
22 basis upon which to make a determination to
23 accept a plea, to refer the matter for further
24 presentence investigations, what have you. A
25 current local custom and practice, but one which

1 is not jurisdictionally required and nor should
2 it be.

3 So, even if the Court had granted the
4 motion to say, no, I'm not going to let the State
5 file an Amended Complaint with these additional
6 counts, the State would not be precluded from
7 seeking leave to amend the Information for the
8 reasons stated in the State's brief, that the
9 additional charges are transactionally related,
10 or to borrow the phrase, not wholly unrelated to
11 the transaction which was the subject of the
12 preliminary examination, that is, the murder and
13 mutilation of Teresa Halbach.

14 I would also note, parenthetically, that
15 even if we were to get it wrong, so to speak, any
16 error relative to preliminary examination is
17 cured by a fair, impartial jury trial. And
18 that's ***State vs. Webb***. And I see that
19 possibility of no error because he is not
20 entitled to a preliminary examination and, thus,
21 looking at the law as just cited in ***Bailey***,
22 ***Burke, Richer, Williams, Akins, Bury***, the case
23 that followed ***Bailey***, I'm not going to reiterate
24 the points of my brief, I think they are very
25 clear.

1 The State is entitled to add the
2 additional charges because they are
3 transactionally related and whether we have --
4 there's no legal requirement, there's no
5 jurisdictional imperative to have a preliminary
6 examination ordered on those Complaints because
7 those Complaints were not required by law. They
8 were not jurisdictionally mandated. They were
9 not necessary. They were provided as a courtesy.

10 And I would note that 99 percent of the
11 defendants in Wisconsin law find themselves
12 wondering, well, jeez, how did that prosecutor
13 add these additional counts. None of them had
14 the benefit of the additional information being
15 provided in the Complaints, because they are not
16 necessary. They are not required. They do not
17 provide the jurisdictional predicate that the
18 defense seems to suggest that they do.

19 So, he has received the benefit. He has
20 received notice. He has received the
21 information. He is, in effect, better off at
22 this early stage in the proceedings than all the
23 other defendants who may find themselves in this
24 posture. So, that's the equitable argument. The
25 legal argument is there's no jurisdictional

1 basis. They are not required and they are
2 unnecessary.

3 So, we ask the Court to decide this
4 strictly in the context of whether or not a
5 prosecutor may seek leave and amend the
6 Information, based on the theory that the
7 additional counts are either: One, directly flow
8 from evidence adduced at preliminary examination
9 or, as we theoretically and actually posit in our
10 brief, the additional charges are transactionally
11 related to the information, to the subject matter
12 which was testified to at preliminary
13 examination. We thank the Court.

14 THE COURT: Thank you. Mr. Strang.

15 ATTORNEY STRANG: I'm very pleased to hear
16 my colleague, a very skilled lawyer, concede here
17 that the Complaint was unnecessary, the Amended
18 Complaint was unnecessary. I don't know that I
19 fully can accept his gracious concession to the
20 extent that he qualifies it by saying
21 jurisdictionally unnecessary, but it is gratifying
22 to hear the concession that this Amended Complaint
23 was unnecessary.

24 Only lawyers, though -- I think only
25 lawyers could imagine that that unnecessary

1 Complaint conferred a benefit on Steve Avery.
2 The benefit is then that he has been pilloried in
3 the press on the basis of unreliable,
4 inadmissible, hearsay accusations in the
5 Complaint. Repeatedly pilloried in the press.

6 The benefit has been that this Court
7 explicitly cited that information in the
8 Complaint as part of the reason for raising his
9 bail from a half million dollars to three quarter
10 of a million dollars cash. The benefit is that
11 we are here today fighting simply to have the
12 State stand beside and submit to the minimal
13 testing of a preliminary hearing, the information
14 that it has spread before the public in this
15 Amended Complaint and by comments to the news
16 media that tracked some of the allegations of the
17 Criminal Complaint. And the State resists the
18 minimal testing that occurs at a preliminary
19 hearing in this State where it is required only
20 to establish probable cause.

21 So, I don't share the sense that any
22 benefit has been conferred on Mr. Avery by this
23 Amended Complaint. I do have the sense that it
24 introduces altogether something new in this case.
25 And I think everybody watching, or listening, or

1 sitting behind me today, understands that there
2 are altogether new things that the State has been
3 alleging since early March, against Mr. Avery.
4 And those ought to be tested by preliminary
5 hearing.

6 THE COURT: All right. By way of
7 background, the Court notes first that the initial
8 charges in the initial Complaint in this case
9 charged the defendant with first-degree intentional
10 homicide, mutilation of a corpse, and a felon in
11 possession of a firearm. The State sought
12 permission, and the Court granted permission, for
13 the State to file an Amended Complaint adding the
14 charges of first-degree sexual assault, kidnapping,
15 and false imprisonment.

16 The defendant's motion before the Court
17 today raises two separate issues. First, the
18 defense renews its argument that the Amended
19 Complaint should be dismissed on its face, or in
20 the alternative, the defense also argues that if
21 the Court permits the filing of an Amended
22 Complaint, the defendant is entitled to a
23 preliminary examination on the new charges.

24 The Court will first, briefly, readdress
25 the argument regarding the sufficiency of the

1 Complaint. The Court has already ruled that the
2 State is permitted to add the new charges in the
3 Amended Complaint, and I don't believe there's a
4 reason for the Court to reconsider that ruling at
5 this time.

6 There is no claim of prejudice on the
7 part of the defense, based on the lack of time to
8 answer the new charges. The defense alleges that
9 there is no reliable information in the Amended
10 Complaint to support the new charges. However,
11 the statements of the alleged co-defendant can,
12 in this Court's opinion, be used to support the
13 charges in the Amended Complaint under the law in
14 the case of **Ruff vs. State**, which I cited at the
15 last hearing. And the Court still believes that
16 case to be the law in the State.

17 With respect to the reliability of
18 statements of the alleged co-defendant that form
19 the basis of the new allegations, the Court
20 cannot presume that that witness won't be
21 available to testify. The development of the law
22 in the area of confrontation certainly suggests
23 that if he doesn't testify, the State will have a
24 difficult time supporting the allegations, based
25 on the statements attributable to the

1 co-defendant.

2 But the Court is not aware of any law
3 that wouldn't find that the co-defendant's
4 statements would not be relevant if he did
5 testify. And I believe they still can form the
6 basis of the charges in the Amended Complaint.
7 Therefore, the Court does not find a basis for
8 denying the State's request to file and Amended
9 Complaint.

10 The next logical issue to take up here
11 is the new argument raised by the defense today.
12 And that is, whether or not the defense is
13 entitled to a preliminary examination upon the
14 filing of new charges in the anticipated new
15 Information, is the defendant entitled to a
16 preliminary examination under Section 970.02
17 based on the filing of an Amended Complaint.

18 The parties did not brief that issue in
19 written form, but both parties have informed the
20 Court today that they are not aware of any
21 relevant case law. So we're left with the
22 language of Section 970.02 itself.

23 Significant in the Court's mind is the
24 title of that statute. It is the duty of the
25 judge at the initial appearance. I don't believe

1 that the filing of an Amended Complaint triggers
2 a new initial appearance in this case. It can
3 result in the defendant responding to the
4 charges, but I don't believe that a second
5 initial appearance is contemplated within the
6 meaning of the statute; 970.02 (5) says, if the
7 defendant does not waive preliminary examination
8 the judge shall forthwith set the action for a
9 preliminary examination understand 970.03.

10 Implicit in the statute is that there's
11 a right of a preliminary examination to waive.
12 And I think that merely postpones the question to
13 the one that the parties have addressed in -- at
14 length in their written briefs, and that is, is
15 the defendant entitled to a preliminary
16 examination upon the filing of additional
17 charges, after the bindover.

18 I agree with the -- I believe both
19 parties today, that the case law as it is
20 developed does not appear to require, nor does
21 the statutes require, the State to file an
22 Amended Complaint as a condition precedent to
23 adding charges in the Information. The fact that
24 the State has elected to do so and provide the --
25 everyone with the alleged factual basis for the

1 additional charges, I'm not sure how, absent some
2 specific wording in the statutes requiring it,
3 that that fact alone would add anything to the
4 argument that the defendant should be entitled to
5 a preliminary examination.

6 It does provide the defendant with
7 notice of the factual basis for the State's
8 charges. And I think that that's a benefit to
9 the defense in the sense that it alerts the
10 defense as to what the basis for the new charges
11 are going to be. So, I don't find anything in
12 Section 970.02 that would independently trigger a
13 right to an additional preliminary examination in
14 this case.

15 The Court will move on then to what both
16 of the parties have focused on in the written
17 briefs as the primary argument, and that is, when
18 the State seeks to add charges in an Information,
19 that were not the subject of the Complaint at the
20 time of the original preliminary examination, is
21 the defendant entitled to a second preliminary
22 examination on the new charges.

23 I will first note that the factual basis
24 for the defendant's claim of entitlement to an
25 additional preliminary examination is largely

1 undisputed. The State did not produce any
2 evidence to support the charges it seeks to add,
3 at the time of the original preliminary
4 examination. In fact, the State does not claim
5 it was in possession of any such evidence to
6 support those charges at the time of the original
7 prelim. There is no specific evidence in the
8 record from the original preliminary examination
9 that would support the additional charges.

10 As noted by the parties in their briefs,
11 the question of whether the State can add charges
12 not included in the original Complaint, after a
13 defendant has been bound over for trial following
14 a preliminary examination, has been the subject
15 of extensive litigation over the years.

16 The governing statutes themselves are
17 not particularly clear on their face as far as
18 providing an answer to this question. And the
19 Supreme Court decisions dealing with the issue
20 have not always been unanimously decided.

21 The starting point is Section 971.01
22 (1), which provides that the district attorney
23 shall exam all the facts and circumstances
24 connected with any preliminary examination
25 touching the commission of any crime. If the

1 defendant has been bound over for trial and
2 subject to Section 970.03 (10), shall file an
3 Information according to the evidence on such
4 examination, subscribing his or her name thereto.

5 The statute is somewhat ambiguous on its
6 face and susceptible to different interpretation.
7 One interpretation certainly might be that the
8 district attorney is limited to pursuing only
9 those charges supported by evidence produced at
10 the preliminary examination. However, the
11 Supreme Court has held many times that that is
12 not the law in this state and the defense in this
13 case does not argue otherwise.

14 The question then becomes, what is the
15 test for determining whether the State can add
16 additional charges. The test was stated in the
17 case of **State vs. Richer** reported at 174 Wis. 2d,
18 231, by the Supreme Court as follows:

19 From our discussion in **Leicham** to our
20 recent decision in **Burke**, we have seen a
21 broadening of prosecutorial discretion from a
22 rule limiting charges to those supported strictly
23 within the confines of the evidence adduced at
24 the preliminary, to a rule granting prosecutors
25 the discretion to charge, in the Information, any

1 felony that is, quote, "not wholly unrelated",
2 end quote, to the initially charged crime.

3 The common denominator in all these
4 decisions was that the charges must be related to
5 one another, either from an evidentiary viewpoint
6 or a transactional one. We conclude that a
7 felony not charged in the preliminary examination
8 can be made a count in a subsequently filed
9 Information if there is evidence, direct or
10 inferential, in respect to that felony, adduced
11 at the preliminary, or if a subsequently charged
12 felony is demonstrated by the State to be
13 transactionally related, that is, not wholly
14 unrelated, to one or more of the felonies for
15 which the defendant has been bound over for
16 trial.

17 This test has been adhered to in all the
18 cases cited by each of the parties in their
19 briefs. The parties differ concerning how they
20 believe the standards to be applied to this case.
21 The defense argues that the not wholly unrelated
22 test applies to evidence introduced at the
23 preliminary hearing itself, as opposed to the
24 transaction, which was the subject matter of the
25 preliminary examination.

1 The Court concludes that while there is
2 such a distinction, the law is that charges can
3 be added which do not have to be specifically
4 related to the evidence introduced at the
5 preliminary examination. Perhaps the closest
6 case on the facts, to those in this case, is that
7 of the ***State vs. Bailey*** reported at 65 Wis. 2d,
8 331. It's a 1974 Wisconsin Supreme Court
9 decision.

10 The Complaint in that case charged
11 Bailey with one crime, first-degree murder. The
12 Information filed after the preliminary
13 examination added counts of indecent behavior
14 with a child, child enticement, and attempted
15 child enticement. The additional charges related
16 to the abduction of the child, who was
17 subsequently murdered by the defendant. In
18 upholding the prosecutor's authority to add these
19 charges, the Court ruled as follows:

20 In our view of Section 970.03 (10) does
21 not prohibit the prosecutor from including in the
22 Information, once a defendant has been bound
23 over, charges in addition to those advanced at
24 the preliminary hearing, so long as they are not
25 wholly unrelated to the transactions or facts

1 considered or testified to at the preliminary.

2 This view is consistent with the
3 legislative statement in Section 970.03 (1), that
4 a preliminary hearing is held, quote, "for the
5 purpose of determining if there is probable cause
6 to believe a felony has been committed by the
7 defendant", end quote. Once it is determined
8 that the defendant should be bound over for trial
9 on at least one count, the purpose of the
10 preliminary has been satisfied and the prosecutor
11 may, in his discretion, allege such other
12 offenses as permitted by the limitations stated
13 above.

14 In this case, assuming there is no
15 evidence presented as to them at the preliminary,
16 it is clear that the sex related offenses, Counts
17 2, 3, and 4, were not wholly unrelated to the
18 murder count. They are related in terms of
19 parties involved, witnesses involved, geographic
20 proximity, time, physical evidence, motive, and
21 intent.

22 There's a strong parallel between the
23 facts recited in **Bailey** and those here. The
24 child enticement counts were related to crimes
25 that immediately preceded the murder and were

1 part of the motive for the murder.

2 Now, as the defense points out in its
3 brief, the Court in **Bailey** went on to find that
4 the facts introduced at the preliminary
5 examination in that case would have been
6 sufficient to bind over on the enticement counts
7 anyway. So the language quoted could be
8 considered dicta not necessary to the Court's
9 decision.

10 And I believe that's an entirely valid
11 distinction on the defense's part. I think the
12 language could easily have been characterized as
13 dicta. And, in fact, it was. It wasn't really
14 necessary to the Court's decision because the
15 Court found the facts introduced at the prelim by
16 themselves would have been sufficient to support
17 the additional counts.

18 However, **Bailey** has been cited in a
19 number of subsequent Supreme Court decisions and
20 the Court has never backed away from its
21 rationale, whether or not that rationale is
22 characterized as dicta. In fact, the Supreme
23 Court has accepted the dicta from **Bailey** as the
24 law.

25 For example, in the case of **State vs.**

1 **Burke**, the Court held as follows: **Fish** and
2 **Bailey** hold that, in a multiple offense
3 transaction case, once the defendant has been
4 bound over for trial on at least one count
5 related to the transaction, the prosecutor may,
6 in the Information, charge additional counts not
7 wholly unrelated. **Bailey** further establishes
8 that the direct evidence related to the
9 additional counts may not have been presented at
10 the preliminary examination.

11 In the Court's opinion, we are not left
12 to wonder how additional charges must relate to
13 the evidence introduced at a preliminary
14 examination in order to be includable in an
15 Information. The test has been repeated often.
16 To meet the test of transactionally related or
17 not wholly unrelated, the charges must be related
18 in terms of parties involved, witnesses involved,
19 geographic proximity, time, physical evidence,
20 motive and intent. That's the test that the
21 Court is required to apply and that test can be
22 applied in this case.

23 Referring specifically to the facts in
24 this case, the Court concludes that the new
25 charges clearly meet the test which the Supreme

Court has established:

The parties involved in the alleged crime are the same, that is, it's the same defendant and the same victim.

The witnesses, who would be the persons alleged to be present at the time of the crime, are the same in each case.

With respect to geographic proximity, everything is alleged to have happened at the same location.

With respect to time, the new charges are alleged to have immediately preceded the homicide and mutilation of a corpse charge from the original Complaint.

In addition, the physical evidence involved is likely to significantly overlap the charges in the original Complaint and the Amended Complaint.

With respect to motive and intent, the kidnapping, false imprisonment, and sexual assault charges will form an important basis on the alleged motive for the homicide and mutilation charges.

The Court concludes that it's difficult to imagine how the additional charges could be

1 more closely related to the original charges in
2 this case, than they are. Thus, the Court
3 concludes that the State is permitted to add the
4 new charges and the defendant is not entitled to
5 a preliminary examination on the other charges.

6 For those reasons, the Court is denying
7 the motion of the defense to dismiss the -- I
8 will reiterate the Court's denial of the motion
9 to dismiss the Amended Complaint. And the Court
10 also denies the motion requesting an additional
11 preliminary examination on the additional
12 charges.

13 Mr. Kratz, I will direct you to prepare
14 the order in this case. Procedurally, at this
15 point, I don't know if the State is prepared to
16 proceed with an Information at this time or not.
17 Mr. Kratz.

18 ATTORNEY KRATZ: I think probably, Judge,
19 the Court should schedule an arraignment at which
20 time the Amended Information can be filed.

21 THE COURT: I know, Mr. Strang, you
22 indicated previously, in the correspondence, that
23 the defense may seek a permissive appeal from the
24 Court's ruling if the Court ruled as it did. I
25 don't know if the -- if the defense is going to seek

1 to delay with respect to arraignment or not.

2 ATTORNEY STRANG: Well, that's a question,
3 the Court is right. And I agree with Mr. Fallon's
4 assessment of *Webb*. I read that case the same way,
5 in the sense that, if we think the Court erred on
6 the sufficiency of the Complaint, or on our
7 entitlement to a preliminary hearing, the only time
8 we can raise that is now. Because the trial will
9 certainly cleanse the error, or render it harmless,
10 if in fact there was error.

11 So, this is not a usual case, the stakes
12 are very high. Obviously, we understand what
13 they are for Mr. Avery, for the Halbach family,
14 for the State, people of the State. I think it
15 prudent for us to ask the Wisconsin Court of
16 Appeals for leave to file an appeal here,
17 permissively, that the Court doesn't have to --
18 that is, the Court of Appeals doesn't have to
19 grant leave. But if I don't ask, I'm giving up
20 my only opportunity to be heard on the
21 correctness of the Court's ruling and to have
22 those rulings reviewed. So, I do and will do
23 that.

24 I have 10 days from the entry of the
25 written order, I think -- 14 days, I'm sorry,

1 from the entry of the written order memorializing
2 the Court's rulings. It seemed, although I don't
3 have an answer on whether an intervening
4 arraignment would affect the posture of a request
5 for permissive appeal, I can tell the Court this,
6 if we're put to an arraignment before we seek
7 leave to file from this appeal, we will stand
8 mute and not participate in that, not wanting to
9 waive or imperil our position on the request for
10 this interlocutory appeal.

11 So, the better practice may be to
12 schedule the arraignment after the deadline, at
13 least, for filing a petition for leave to take
14 permissive appeal. I think that's probably the
15 wiser procedural course for the Court to follow.
16 Although counsel may well view it differently,
17 that's the view at this table.

18 THE COURT: I did read the **Webb** case and I
19 understand that, as a result of that case, if you
20 want to challenge the Court's ruling you -- the
21 lesson is pretty clear, you have to do it before the
22 trial. I didn't see anything in there to suggest
23 that holding an arraignment would prejudice the
24 defendant in anyway. But on the other hand, the
25 Court didn't really address the issue in this case.

1 Mr. Kratz.

2 ATTORNEY KRATZ: On the 9th of March I did
3 file the Amended Information already. That's why,
4 when I was searching, I couldn't find it, it's
5 already been filed. If the Court can just recognize
6 today that it's been filed, however the Court wishes
7 to address the responsive pleading, you can do that.

8 ATTORNEY STRANG: I did not remember the
9 date, but I do remember seeing the proposed, at that
10 point, Amended Information. It was, I suppose,
11 filed conditionally on the granted leave to file,
12 which the Court now has granted. And I certainly
13 have a copy of the proposed Amended Information.

14 THE COURT: All right. Does the State have
15 any objection to scheduling the arraignment shortly
16 after the appeal deadline for the defense?

17 ATTORNEY KRATZ: No, Judge, once the Court
18 accepts, or recognizes the filing of the
19 Information, an arraignment can be held any time.

20 THE COURT: Well, let's see. All right.
21 How about 9:00 on -- or Mr. Strang, is life easier
22 for you -- or, actually, we have Mr. Fallon
23 traveling as well. Does 9:30 work out better for
24 you?

25 ATTORNEY STRANG: Well, I assume Mr. Fallon

1 is in the same position. I have to be seated in my
2 car three hours before the Court starts. So I
3 wouldn't be seated in my bed at 6:00 a.m., but I
4 also wouldn't be in my car.

5 THE COURT: What if we do it this way, how
6 about 10:00 on May 30th. I will tell you, here, for
7 security purposes, the Sheriff's Department likes to
8 have your hearing be the first thing done in the
9 courtroom that day. So, I have pressure on both
10 sides here.

11 ATTORNEY FALLON: I don't know about Dean,
12 but it doesn't matter to me, whatever is convenient
13 for the Court and security purposes. If you want to
14 hold this at 7:00 a.m., I will be here.

15 ATTORNEY STRANG: Right.

16 ATTORNEY KRATZ: If all we're doing is the
17 arraignment, I suspect Mr. Fallon is not going to be
18 here. It should be a 30 second hearing.

19 ATTORNEY STRANG: I will be here any time
20 the Court sets it. I was being a little bit
21 flippant. Yes, it's a three hour drive, but I will
22 be here whenever the Court sets it.

23 ATTORNEY KRATZ: Is there any chance of
24 doing it just before noon on the 4th of May? The
25 reason I say that, co-defendant, Mr. Dassey's

1 motions before Judge Fox are scheduled, I have to be
2 here that morning anyway. And if we could -- if
3 this is such a short hearing, if we could do it
4 sometime later that morning on the 4th, that would
5 sure help my schedule.

6 ATTORNEY STRANG: Both Mr. Buting and I
7 have a Criminal Law Section Board meeting for the
8 State Bar at 11:00 on the morning of May 4th.

9 THE COURT: Where is that held?

10 ATTORNEY STRANG: That one is in Madison.

11 ATTORNEY KRATZ: The 3rd is fine, Judge.
12 That's fine.

13 THE COURT: All right. Let's say 10:00 on
14 the 3rd then. All right. Is there anything else
15 that either party wants to bring up on the record
16 this morning?

17 ATTORNEY KRATZ: Not the State, your Honor.

18 THE COURT: Mr. Strang.

19 ATTORNEY STRANG: No.

20 THE COURT: All right. If not, we're
21 adjourned for this morning.

22 (Proceedings concluded.)

1 THE COURT: At this time the Court calls
2 State of Wisconsin vs. Steven Avery. This is Case
3 No. 05 CF 381. We're here this morning for an
4 arraignment on the Amended Information in this case
5 and also to hear a couple motions that have been
6 filed by the defense. Will the parties state their
7 appearances for the record, please.

8 ATTORNEY KRATZ: State of Wisconsin appears
9 by Calumet County District Attorney Ken Kratz
10 appearing as Special Prosecutor. Also appearing is
11 Tom Fallon from the Department of Justice.

12 ATTORNEY STRANG: Good morning. Steve
13 Avery is here and in custody, your Honor. Dean
14 Strang and Jerome Buting appearing on his behalf.

15 THE COURT: All right. The Court will
16 first take up the arraignment on the Amended
17 Information. Has the defense -- I believe the
18 defense has previously received a copy of the
19 Amended Information, but I would like to confirm
20 that at this time.

21 ATTORNEY STRANG: That is confirmed.

22 THE COURT: And, Mr. Strang, do I
23 understand that, before proceeding to take a plea,
24 the defense had a motion regarding the Information?

25 ATTORNEY STRANG: Your Honor, the defense

1 does. I confine my remarks to the three new counts
2 in the Amended Complaint and then reiterated or
3 replied in the Amended Information; that is, first
4 degree sexual assault, the kidnapping and false
5 imprisonment. As to those three counts, the Amended
6 Complaint demonstrated no probable cause and
7 therefore that Amended Complaint established no
8 personal jurisdiction. I moved to dismiss it, the
9 Court denied the motion. I renew the motion here
10 now, understanding that the Court has ruled.

11 We then requested a preliminary
12 examination on the three new counts, all three of
13 them felonies. We were not afforded the
14 preliminary examination. I object to that.
15 Further, I move to dismiss the Amended
16 Information because there is no personal
17 jurisdiction over Mr. Avery as to the three new
18 counts. So the three new counts in the Amended
19 Information I move to dismiss on personal
20 jurisdiction grounds.

21 THE COURT: All right. Mr. Kratz, is there
22 anything further from the State with respect to that
23 motion?

24 ATTORNEY KRATZ: No, Judge, the Court has
25 already ruled, as Mr. Strang has indicated, and

1 we'll rely upon our argument on the previous
2 findings of the Court.

3 THE COURT: All right. For reasons
4 previously stated by the Court, the Court will deny
5 the defense motion. The Clerk's Office informed me
6 that there had been an interlocutory appeal filed on
7 behalf of the defense today. I have not seen it,
8 but I assume that the rationale for the defense
9 motion is the subject of that appeal. But for
10 purposes of the hearing today, the Court will deny
11 the defense's motion to dismiss.

12 I should also note, with respect to the
13 Amended Information, while it adds three new
14 counts as Counts 4, 5, and 6, I believe it also
15 amends Counts 1 and 2 to allege party to the
16 crime, rather than the simple offense in the
17 original Complaint.

18 Mr. Strang, to those new charges, is the
19 defendant prepared to enter a plea this morning?

20 ATTORNEY STRANG: The defendant stands
21 silent.

22 THE COURT: Okay. Very well. Based on the
23 defendant standing mute, the Court will infer a
24 plea, on the defendant's behalf, of not guilty to
25 each of the six charges in the Amended Information.

1 Now, the Court has also received, and
2 agreed to hear today, a motion on behalf of the
3 defendant to extend the deadline for filing
4 motions in this case and also a motion to adjourn
5 the trial. The motion itself contains some
6 argument in support of those requests.

7 Mr. Strang, does the defense have anything in
8 addition to add at this time?

9 ATTORNEY STRANG: Your Honor, the time
10 that's intervened since I have filed this motion to
11 extend, not quite two weeks ago I guess, hasn't
12 diminished in any way the basis for the motion. I
13 still seek the relief that I have requested, namely
14 a motion filing deadline applicable to both parties,
15 on or before June 16; scheduling of a motion hearing
16 at the convenience of the State, and the Halbach
17 family, and the Court, and defense counsel; and a
18 trial in 2007, some time after the holidays and
19 accommodating holiday obligations of the Court, and
20 families, and counsel.

21 We're now at about 5400 pages of
22 discovery, give or take. The most recent search
23 warrant executed by the State I think came the
24 day I filed this. I think it was April 21,
25 thereabouts. I have received a copy of at least

1 the hard drive of the principle evidence seized
2 in that search warrant.

3 I'm informed by counsel this morning, as
4 well, that within about 10 days, give or take,
5 the State will be in a position to provide Crime
6 Lab reports, relating to March 1 seizures, to the
7 defense. So I note that if counsel's estimate is
8 good, as I expect it is, that we would be getting
9 the Crime Lab -- a large number of Crime Lab
10 reports at about the time the provisional
11 deadline for motions arrives, which is May 12, at
12 the moment.

13 I think as a matter of efficiency, it
14 makes sense here not -- or to try to avoid the
15 piecemeal filing of motions. I realize others --
16 that motions in limine will come much closer to a
17 trial date. I realize as well that the State's
18 investigation may be ongoing in this case, just
19 as it is in almost any case. The State can't
20 predict the course of future events any better
21 than I can.

22 That said, I think it makes sense to
23 acquire what we have, that is, what the State
24 has, look at it and file some, as far as
25 possible, one round of motions. June 16 ought

1 enable the defense to do that. It is a tight
2 timeline. This is not an issue on which I have
3 asked for a mile hoping to get a half mile, that
4 is not my style, or my practice, in any event.

5 I think June 16 is the minimum amount of
6 time I reasonably need, with Mr. Buting, to meet
7 my obligations to Mr. Avery under the 6th
8 Amendment. I ask the Court to do that, as well.
9 I think the September 5 trial date will not work,
10 will not afford justice to the people of
11 Wisconsin, or to the man whose liberty here is at
12 stake for the rest of his life and will not
13 assure that this Court sees counsel perform as
14 the 6th Amendment and this Court demand. So I
15 stand on the earlier requests, I don't need to
16 reiterate what I provided in writing. But that's
17 what I can add.

18 THE COURT: And I understand, along with
19 the requesting that the motion filing deadline be
20 extended to that point, that the defendant is asking
21 to have June 16 as a deadline to notify the Court
22 whether or not the defendant wishes to pursue a
23 change of venue motion as well.

24 ATTORNEY STRANG: Yes. And I would propose
25 to be bound by that. You know, at this point I have

1 straddled, in a sense. I have said, and because
2 it's true, that the defense continues to prefer a
3 Manitowoc County jury, if we can get an impartial
4 jury from this county. I recognize the practical
5 obstacles to that.

6 I also appreciate that the Court and
7 the Clerk of Court have a good deal of
8 administrative work to do if venue is to be
9 changed. In balancing all that, it strikes me as
10 fair that the defense take a final position on
11 that issue. And I see no reason not to couple
12 that with the motion deadline, if the Court will
13 indulge our scheduling needs in that respect.

14 THE COURT: All right. Mr. Kratz.

15 ATTORNEY KRATZ: Thank you, Judge. I have
16 several points. First, this Court, on the issue of
17 motion extension, I believe necessarily needs to
18 address the trial date issue first. In granting
19 relief to the defense for moving the trial date past
20 the current September 5th date, the Court very well
21 may then wish to similarly extend the motion date.

22 And let me just tell the Court that,
23 should the Court be moving the trial date, I
24 don't have any objection to Mr. Strang's request
25 that the motions themselves be put off for an

1 additional five weeks or so. As to the trial
2 date, the State does not necessarily object to
3 the September 5th date being moved, at least in
4 some some respect, given the Crime Lab analysis
5 that has now been completed, at least now that --
6 or what we have already submitted we believe is
7 completed.

8 Mr. Strang is correct that we can't
9 predict if there is going to be additional work
10 in the future, but at least that what has been
11 submitted has been completed. The reports are to
12 be forwarded do Mr. Strang in the near future.

13 In considering a motion for adjournment
14 of the trial date, this Court is required to
15 consider the position not only of the parties,
16 but also of the victim. Victim Rights, Section
17 950.04 (1v)(a) requires this Court consider the
18 victim's position. Victim in a homicide case
19 extends to the surviving family members.

20 I can tell the Court that after
21 explaining the realities of discovery, the
22 realities of the effective assistance of counsel,
23 that Mr. Avery is entitled, by Mr. Strang and
24 Mr. Buting, that the family would not object to a
25 continuance of the trial date past September 5th.

1 I'm also authorized by the family to extend their
2 request that the trial date be finished as soon
3 as this Court is able to realistically schedule
4 that.

5 The State has suggested to this Court an
6 October 16 start date, that is, jury selection to
7 begin on the 16th. That would, with at least the
8 timeline we have provided the Court, have us
9 completed by, hopefully, the 17th of November,
10 and certainly no later than the 22nd of Noember,
11 which is before the Thanksgiving holiday.

12 That would be an extension of time, I
13 believe sufficient, for those reasons set forth
14 in Mr. Strang's arguments to the Court, as
15 something certainly the State could be prepared
16 for and could live with. And that is, in fact,
17 my affirmative recommendation to the Court, that
18 the trial date be then set as a firm date
19 beginning October 16th, with motions then to be
20 filed, both by Mr. Strang and myself, no later
21 than the 16th of June.

22 THE COURT: Mr. Strang, anything with
23 respect to the date of trial, should the Court grant
24 your request to extend the trial date from the
25 current September date?

1 ATTORNEY STRANG: October 16 surely would
2 be better than September 5, but I don't think it's
3 adequate. It's better, but I think not sufficient.
4 Again, the defense proposed 2007 because that's what
5 we think is necessary to accommodate, for example,
6 defense testing, if we need to, once we have got the
7 Crime Lab results; to accommodate the exchange of
8 expert witnesses; and just to get through the mass
9 of discovery here and do the necessary defense
10 investigation.

11 So, I don't want to sound inflexible.
12 Again, October 16 is better. It's an improvement
13 on September 5. It's not what I would prefer or
14 I think we need.

15 THE COURT: All right. First of all, with
16 respect to the request to extend the motions
17 deadline, I think the information provided by the
18 defense in the motion gives a number of reasons why
19 an extension of the deadline for filing pretrial
20 motions is appropriate.

21 The volume of discovery in this case is
22 significant. And as I understand it, the
23 information that will be provided by the State to
24 the defense has not yet to be completed, although
25 it's expected to be completed in the near future.

1 The Court also recognizes that the case
2 took somewhat of a different turn, if you will,
3 by the filing of a Complaint against an alleged
4 co-defendant. And the defense legitimately
5 wishes to monitor media reports to assess its
6 request for a chain of venue.

7 For all of those reasons, the Court
8 believes that the request to extend the deadline
9 for filing pretrial motions in this case is
10 appropriate. I'm going to grant the defense
11 motion to extend the deadline for filing pretrial
12 motions in this case to June 16th of this year.

13 I will ask the parties to include
14 written argument in support of any motion they
15 file, with the filing of the motion. I will give
16 the other party until June 26th to file any
17 written response which they wish to file. And I
18 would propose hearing the motions on Thursday,
19 July 6th. Hopefully you have got your calendars
20 with you.

21 ATTORNEY KRATZ: I am not available on the
22 6th, Judge, in fact.

23 THE COURT: What about the following week.

24 ATTORNEY KRATZ: That is, I'm leaving on
25 the 6th, actually, to be out of the state until the

1 14th. I would be available on the fifth.
2 Certainly, the week before would work as well.

3 THE COURT: What about the defense?

4 ATTORNEY STRANG: The 5th is fine, the 6th
5 is fine, the 10th is fine. The Court should
6 accommodate Mr. Kratz's schedule here, so far as
7 possible, in that we're the ones moving the motion
8 deadline.

9 THE COURT: Mr. Kratz.

10 ATTORNEY KRATZ: The 5th should be fine.

11 THE COURT: All right. Let's set it for --
12 What time on the 5th?

13 ATTORNEY STRANG: The sooner we can, it
14 appears we would only have one day for that.

15 THE COURT: 9:30, 9:00?

16 ATTORNEY STRANG: I think 9:00 would be
17 most prudent.

18 THE COURT: All right. Nine o'clock on
19 July 5th. And I will hold the day for motions on
20 that day.

21 ATTORNEY KRATZ: Judge, as we have informed
22 the Court before, Mr. Strang and I will make every
23 effort, before the 5th, to discuss motions to be
24 filed. And if we can reach some stipulations, we'll
25 certainly alert the Court of that on the 5th, or

even before.

THE COURT: All right. Thank you.

Next, the Court will take up the defendant's motion to adjourn the trial date in this case. That request is based on a number of considerations that are set forth in the motion. One of them is -- relates to the effect of pretrial publicity. Needless to say, there has been a significant amount of pretrial publicity in this case. Though, I will note that the pace of media reports, at least, has slowed somewhat.

There have been no press conferences or direct communication from the defense attorney's to the media, recently. And the statements from both the victim's family and the defendant's family, to the press also, fortunately, have settled down somewhat.

In considering the request to adjourn the September trial date, I did take into consideration, and I am taking into consideration, all of the reasons offered by the defense for an adjournment. In that regard, the defense makes a number of supplemental requests: First that the Court rule on the defendant's motion of March 8 for an order limiting public

1 disclosure in this case.

2 In evaluating this request, I cannot
3 help but note a reference in the defendant's
4 motion to what purports to be exculpatory DNA
5 evidence regarding one of the items that was
6 seized in this case. I think the example of the
7 reference in this to the pleadings demonstrates
8 the difficulty of effectively keeping either side
9 from conveying evidentiary information to the
10 media even without direct communication.

11 The applicable rule that governs the
12 attorneys in this case is SCR20 3.6. That rule
13 provides in relevant part as follows: A lawyer
14 shall not make an extra judicial statement that a
15 reasonable person would expect to be disseminated
16 by means of public communication. If the lawyer
17 knows, or reasonably should know that it will
18 have a substantial likelihood of materially
19 prejudicing an adjudicative proceeding in the
20 matter.

21 The rule goes on to provide that a
22 statement referred to in Paragraph A ordinarily
23 is likely to have such an effect when it refers
24 to a criminal matter and the statement relates
25 to, among other things, the results of any

1 examination or test, or the identity or nature of
2 physical evidence expected to be presented.

3 So the reference in the pleading in this
4 case, had it been directly communicated to the
5 media, would have been within the prohibition of
6 the rule. For that reason the reference in the
7 motion was, at least technically, not in
8 violation of the rule. However, in the Court's
9 opinion, the reference was not really necessary
10 to support the motion in this case. And it was
11 placed in a pleading, which by now both parties
12 are well aware the media regularly reviews in
13 this case.

14 Therefore, the Court concludes it's
15 somewhat disingenuous for the defense to ask this
16 Court to impose a gag order on the attorneys, but
17 disseminate information to the press indirectly
18 through a pleading where it's inclusion, for
19 argumentative purposes the Court believes is
20 somewhat marginal.

21 My criticism in this regard is not
22 limited to the most recent example in this
23 pleading. I'm not at all sure that the press
24 conference, that was held when the charges were
25 filed against Mr. Dassey, was limited and

1 certainly could have an adverse affect on
2 selecting a jury in this case.

3 And I will note that when I listened to
4 one of the press reports referring to the
5 information contained in the defendant's motion,
6 the news reporter reported that the State had no
7 response at this time but would reserve the right
8 to respond to the press at a later date.

9 Mr. Kratz, I have no direct information
10 of anything you told the media, but I will note
11 that I don't believe within the context of rule
12 that if that report was accurate that there could
13 be a direct response to the press for something
14 that was contained in a pleading.

15 I'm not attempting here today really to
16 jump down on either of you because I think each
17 of you are trying to comply with the rules and
18 allow an impartial jury to be selected. However,
19 I think that the -- what's taken place here
20 serves as an example that, even if the Court did
21 issue a gag order in this case on the attorneys,
22 it would not prove especially effective.

23 So, since the Court has been requested
24 to rule on the motion for an order limiting
25 public disclosure I'm going to rule on that

1 motion at this time. And I'm going to deny the
2 motion for a number of reasons. First, the
3 granting of such a motion is highly unusual and
4 difficult to police. The Court has not, in this
5 case, seen behavior on either side so egregious
6 that in the Court's opinion it warranted a gag
7 order.

8 Secondly, the Court is satisfied, if the
9 parties religiously adhere to please with SCR 20
10 3.6 that rule will provide adequate safeguards in
11 this case.

12 And third, as the reference in the
13 defendant's pleading demonstrates, the Court is
14 not really satisfied that issuing a gag order
15 would provide the complete protection that the
16 Court might hope to gain by issuing such an
17 order. So I'm going to deny the defense motion
18 for an order limiting public disclosure.

19 The defense also asked the Court
20 strictly enforce SCR Chapter 61, as to the media.
21 Actually, Mr. Strang, I wasn't exactly sure what
22 you were driving at there. I haven't -- I
23 reviewed SCR 61 again. I have not really noted
24 in this case any violations by the media. I have
25 been communicating with the media through the

1 media coordinator, and to the best of my
2 knowledge they have complied with all my KR-SZ
3 and I think were operating under SCR 61. Is
4 there anything specific you had in mind?

5 ATTORNEY STRANG: The only ongoing problem
6 of which I'm aware, it arises with streaming video
7 on some of the -- at least one of the television
8 websites -- and probably more than one, although I
9 don't know that -- and that's -- that's with the
10 camera running when your Honor is not on the bench.
11 And that -- As I read Chapter 61, that is not
12 allowed. I think that after the Court raised this,
13 at the joint request of the parties, in March, I
14 think that zooming in on either counsel table has
15 stopped, at least I haven't noticed anything more
16 like -- like that.

17 THE COURT: All right. I did, following
18 our discussion, convey a written instruction to the
19 media, through the media coordinator. I believe, to
20 the best of my knowledge at this point, unless I
21 receive a report otherwise that those instructions
22 are being complied with.

23 The Court has also been requested to
24 keep motions in limine, seeking admission or
25 inclusion of sensitive evidence, filed under

1 seal. The motions in limine themselves, as noted
2 by the parties, will be filed at a later date,
3 closer to the trial.

4 But I do agree that motions by the
5 parties that are due now by June 16th, which
6 could include a motion from either party to admit
7 other acts evidence, could prove prejudicial and
8 make it more difficult to select a fair and
9 impartial jury. So, I am going to order that any
10 motions seeking other acts evidence, that are
11 filed by June 16th, be filed under seal.

12 I ask the parties to differentiate those
13 motions, put them in a separate document than
14 your other motions. Include any written argument
15 in favor of your request with the motion. And
16 whether or not the Court releases them from being
17 kept under seal, I will make that determination
18 after I review them.

19 Mr. Kratz, is there anything you wish to
20 raise regarding that?

21 ATTORNEY KRATZ: No, Judge, the other acts
22 motion, we were just going to point out as
23 Mr. Strang and I had discussed, and I believe it was
24 outside of the Court's presence, that the concern is
25 any motions that may require the Court to balance a

1 prejudicial effect versus probative value. Those
2 wouldn't be limited to the character type evidence,
3 or other acts evidence, but could include other
4 kinds of motions in limine where we seek advance
5 rulings of the Court where that analysis that is to
6 be made. Those are the kinds of sensitive material
7 and motions that perhaps the Court is already
8 envisioning be filed outside of the public domain.
9 And then the Court can rule on dissemination
10 thereafter.

11 THE COURT: I know the parties have
12 previously agreed to, informally at least, exchange
13 motions with each other before they are filed and,
14 certainly, I ask that do you that. If either of you
15 have any motions you see are going to be filed by
16 the other side that you file should also fall within
17 the Court's order, we can conduct a telephone
18 conference ahead of time. You can notify me of
19 those ahead of time and I would make a
20 determination.

21 The Court is also -- or the defense also
22 asks the Court to reconsider the Court's motion
23 denying modification of bail. I wouldn't take
24 such action unless a formal motion was made to
25 that effect. But I will simply state at this

1 time, I think I have addressed that issue
2 previously on the record and I'm not aware of any
3 information that would cause the Court to
4 reconsider the decision that's already been made.

5 With those considerations in mind, the
6 Court has been asked to adjourn the trial date.
7 And with respect to the trial date, first of all,
8 I agree and I don't really hear the State to be
9 seriously disputing it, that an adjournment trial
10 date from the early September date is called for
11 in this case.

12 The case not only involves voluminous
13 discovery, but there's been a second round of it
14 related to a subsequent investigation by the
15 State. I think the defense, which to this point
16 hasn't received all of the lab results from the
17 State, is entitled to adequate time in order to
18 assess the results of the State's investigation,
19 to evaluate those results, and to determine
20 whether or not the defense wishes to conduct
21 additional testing on it's own.

22 That takes time and that -- I believe
23 the time that's required would be pushing it, at
24 least if we stuck with the September trial date.
25 I do feel that there are countervailing reasons

1 for holding the trial promptly. People's
2 memories tend to fade, both parties are entitled
3 to a trial that is held as soon as it can
4 reasonably be held, giving the parties an
5 opportunity to prepare.

6 I believe, in this case, it's most
7 appropriate to adjourn the trial date in this
8 case to Monday, October 16th. I believe that has
9 a number of advantages. First of all, it -- that
10 means it would take place more than five months
11 from today. I think that would allow dissipation
12 of any adverse publicity there might have taken
13 place already.

14 It gives the party an adequate chance to
15 prepare and yet it does not unduly delay the
16 trial in this case. By starting it on
17 October 16, I think it can be completed before
18 the Thanksgiving holiday. And for those reasons
19 I think that's an appropriate delay.

20 I haven't heard anything specific that
21 would call on the Court to consider a delay
22 longer than that. So I'm going to delay the
23 start of trial until Monday, October 16th. Is
24 there anything else that either party wishes the
25 Court to take up this morning?

1 ATTORNEY KRATZ: Mr. Strang, with that new
2 trial date, had previously discussed with me an
3 exchange of experts and a more detailed scheduling
4 order regarding some more detailed discovery
5 matters. May I suggest, Judge, that the Court allow
6 Mr. Strang and I to try to resolve those matters and
7 report to the Court, within our correspondence, by
8 June 16th, as to our discussion as to exchange of
9 experts, and the like, and other kinds of scheduling
10 matters, and then should we need acquiescence or
11 approval of the Court, that we can seek that
12 sometime after the 16th.

13 THE COURT: All right. Mr. Strang.

14 ATTORNEY STRANG: That makes sense. And I,
15 further, will take as implicit and consider myself
16 bound by a June 16 deadline for making a final
17 decision on change of venue.

18 THE COURT: Yes.

19 ATTORNEY STRANG: Barring something really
20 unforeseen happening.

21 THE COURT: I meant to include that in your
22 order; yes, you can consider that included. And at
23 this point, I haven't specifically addressed an
24 additional scheduling order to deal with matters
25 before the trial. I certainly anticipate that there

will be one.

I appreciate the fact that the attorneys will be talking with each other and attempt to present the Court with joint recommendations on dates, but there will be a date, for example, for filing motions in limine and that type of thing before the trial. Anything else this morning?

ATTORNEY KRATZ: Not by the State, Judge.

ATTORNEY STRANG: Nothing here either.

THE COURT: All right. If not, the Court will prepare an order reflecting the Court's decision this morning on the motions. And with that, we're adjourned for today.

ATTORNEY KRATZ: Thank you, Judge.

THE COURT: The Clerk just reminded me of something, the May 18 and 19 dates that had been held for hearing, the motions which were due on May 1st, the hearing on those dates are cancelled.

ATTORNEY KRATZ: Thank you, Judge.

ATTORNEY FALLON: Thank you.

1 THE COURT: At this time the Court calls
2 State of Wisconsin vs. Steven Avery. It's Case No.
3 05 CF 381. This case is scheduled for a hearing on
4 a number of pretrial motions this morning. Will the
5 parties state their appearances for the record,
6 please.

7 ATTORNEY KRATZ: The State of Wisconsin
8 appears by Calumet County District Attorney Ken
9 Kratz appearing as Special Prosecutor. Also
10 appearing this morning is Tom Fallon from the
11 Department of Justice, also appointed by this Court
12 as Special Prosecutor.

13 ATTORNEY STRANG: Good morning, Steven
14 Avery appears in person, he's second to my right.
15 Jerome Buting of Buting and Williams is immediately
16 next to me, representing Mr. Avery. And I'm Dean
17 Strang, I also represent Mr. Avery.

18 THE COURT: All right. I will indicate for
19 the record that before we began today, I met with
20 counsel to discuss the logistics of the hearing
21 today. I believe both parties agree that there is
22 some overlap with some of the motions today and some
23 of those will be heard together. With respect to
24 the order of the motions, the parties have
25 requested, and the Court agrees, that we'll proceed

first on the Defendant's Motion to Dismiss.

And I understand, Mr. Strang, that the defense has some evidence to offer in relation to that motion, as well as the Motion For Change of Venue and Motion to Exclude the Sheriff's Department and It's Employees From Testifying and Overseeing Jurors; is that correct?

ATTORNEY STRANG: That is, your Honor.

THE COURT: All right. You may call your witness at this time.

ATTORNEY STRANG: Defense calls Sheriff Kenneth Petersen.

ATTORNEY KRATZ: I should note, Judge, that the examination of Sheriff Petersen and the argument on this particular motion will be done by Mr. Fallon.

THE COURT: Very well.

SHERIFF KENNETH J. PETERSEN, called as a witness herein, having been first duly sworn, was examined and testified as follows:

THE CLERK: Please be seated. Please state your name and spell your last name for the record.

THE WITNESS: Kenneth J. Petersen,
P-e-t-e-r-s-e-n.

DIRECT EXAMINATION

1 BY ATTORNEY STRANG:

2 Q. Good morning. Let's start with a little bit of
3 background if we may, Sheriff Petersen. You have
4 been with the Manitowoc County Sheriff's
5 Department for about 31 years at this point?

6 A. Correct.

7 Q. Started as a patrol deputy?

8 A. That's correct.

9 Q. You have served as sheriff for the last six
10 years, roughly?

11 A. Correct.

12 Q. Six and a half years, pretty close to that right
13 about now?

14 A. It will be six years in January.

15 Q. January, that's right, you were sworn in in
16 January, 2001, as the sheriff?

17 A. Correct.

18 Q. As the Manitowoc County Sheriff, it would be fair
19 to describe you as the chief county law
20 enforcement officer for the County of Manitowoc?

21 A. Yes.

22 Q. During your experience with the Manitowoc County
23 Sheriff's Department, sir, when was the first
24 time in which you participated, personally, in a
25 prosecution of Steven Avery on a charge related

1 to murder?

2 A. You mean murder of a person?

3 Q. Or attempted murder, yes, of a human being?

4 A. I think 1984.

5 Q. And that involved an event that since has become
6 widely-known, involved a violent assault on a
7 beach here in Manitowoc County?

8 A. Correct.

9 Q. You, personally -- I'm going to at least suggest
10 to you that I think it was 1985; does that
11 sound--

12 A. Somewhere in the mid '80's, yes.

13 Q. We're talking about a violent assault on a beach?

14 A. Yes.

15 Q. You, personally, were requested by the, then,
16 sheriff in Manitowoc County, Tom Kocourek, to
17 arrest Mr. Avery on a charge of attempted murder?

18 A. Yes.

19 Q. You did that?

20 A. Yes.

21 Q. Prior to that arrest, you already knew where
22 Steven Avery lived in 1985?

23 A. Yes.

24 Q. And that prosecution went forward following
25 Mr. Avery's arrest?

1 A. Yes, it did.

2 Q. On a charge of attempted first-degree intentional
3 homicide?

4 A. I'm not sure what the actual charge was at the
5 time of trial.

6 Q. But attempted murder charge and a sexual assault
7 charge of some kind, perhaps others, correct?

8 A. Yes.

9 Q. That resulted in a conviction?

10 A. Yes, it did.

11 Q. Resulted in a 32 year sentence being imposed?

12 A. Yes.

13 Q. You participated after the arrest of Mr. Avery,
14 personally, in that prosecution, as a witness in
15 that trial?

16 A. Yes.

17 Q. Later, in 2003 to be specific, the claim that
18 Mr. Avery had made in 1985, that he was innocent
19 of those crimes, proved to be true?

20 A. Possibly.

21 Q. That is, the State made a motion to release him
22 from prison?

23 A. Yes.

24 Q. After some DNA testing was done?

25 A. Yes.

1 Q. That motion was made by the State, by the
2 District Attorney of Manitowoc County, after
3 consulting with you?

4 A. Yes.

5 Q. And Mr. Avery was released the day, or the day
6 following the State's motion to release him?

7 A. Yes.

8 Q. Now, when you say possibly, is there any question
9 in your mind that Gregory Allen was identified by
10 DNA evidence as the sole attacker of the woman at
11 issue on the beach in 1985?

12 A. Yes, I would have doubts.

13 Q. I'm sorry?

14 A. I would have doubt.

15 Q. You have doubts about that?

16 A. Yes, I believe the DNA created reasonable doubt
17 and enough to release Steve, but I don't think
18 that single hair was enough to convict Gregory
19 Allen.

20 Q. Okay. Do you have doubts whether, in fact,
21 Gregory Allen was the person who's hair was
22 tested?

23 A. No, I believe it was.

24 Q. You base your doubts on the reliability of DNA
25 evidence?

1 A. No.

2 Q. That is, you accept the DNA evidence and that the
3 pubic hair at issue, in fact, was Gregory
4 Allen's?

5 A. Yes.

6 Q. You have no reason to question or doubt the
7 claims of the victim, the testimony of the victim
8 in that case that one man, and one man only,
9 attacked her in 1985 on the beach?

10 A. Yes.

11 Q. You do doubt that?

12 A. Oh, no. No.

13 Q. Okay. Mr. Avery, in any event, spent, give or
14 take, 18 years in prison following his conviction
15 for that crime?

16 A. I believe he had six years, also, on another
17 charge.

18 Q. Running concurrently?

19 A. Right.

20 Q. Okay. So the total time in prison was about 18
21 years?

22 A. Yes.

23 Q. Or in custody, I should say more accurately. You
24 arrested him in July of 1985?

25 A. Yes.

1 Q. He was released on September 11, 2003?

2 A. Yes.

3 Q. 18 years and two months, give or take, in
4 custody?

5 A. Yes.

6 Q. As you point out, six years of that also being on
7 a separate and unrelated conviction?

8 A. Correct.

9 Q. But running at the same time, or concurrently?

10 A. Yes.

11 Q. You know, in your life, have you -- have you ever
12 spent a day, or a night, in jail, for a crime you
13 didn't commit?

14 A. No.

15 Q. Certainly not 18 years?

16 A. No.

17 Q. Or 12 years, or anything close to that?

18 A. No.

19 Q. If you were sitting here, if you were in Steven
20 Avery's chair and you were in his shoes, so to
21 speak, would you trust the Manitowoc County
22 Sheriff's Department in the investigation and
23 prosecution of yourself, a second time?

24 MR. FALLON: Objection, speculation.

25 Q. (By Attorney Strang)~ I'm not asking you to

1 speculate at all. I'm saying, if you were Steven
2 Avery, with your present sense, on whether you
3 would trust your department?

4 MR. FALLON: Relevance, then.

5 THE COURT: I'm going to sustain the
6 objection.

7 Q. (By Attorney Strang)~ You have told us that you
8 are the chief county law enforcement officer?

9 A. Yes.

10 Q. Meaning, you run the Manitowoc County Sheriff's
11 Department?

12 A. Correct.

13 Q. The Sheriff's Department here in Manitowoc
14 County, as in most counties, is organized with
15 people in rank, correct?

16 A. Yes.

17 Q. That's a clumsy way to put it, but you hold the
18 rank of sheriff?

19 A. Yes.

20 Q. Obviously. The Wisconsin Statutes require you to
21 have something called an under sheriff?

22 A. No.

23 Q. You do have an under sheriff?

24 A. I do.

25 Q. Okay. And the under sheriff is the number two

1 person in the department?

2 A. Yes.

3 Q. Is that person, whose name I think is

4 Mr. Hermann, if I have it right?

5 A. That's correct.

6 Q. Does he have another rank or title in addition to

7 under sheriff?

8 A. Inspector.

9 Q. All right. And he's the one inspector for the

10 Manitowoc County Sheriff's Department?

11 A. Yes.

12 Q. Now, he reports directly to you?

13 A. Yes.

14 Q. Others in the department then report up through

15 him?

16 A. That's correct.

17 Q. Below him, who's the next ranking officer?

18 A. Deputy Inspector of Operations.

19 Q. And that's who?

20 A. Greg Schetter.

21 Q. I'm sorry, maybe you could spell that for the --

22 A. S-c-h-e-t-t-e-r.

23 Q. Thank you. He's the deputy inspector?

24 A. Yes.

25 Q. Below that who do we have?

1 A. Deputy Inspector of Support, that's Larry
2 Ledvina, L-e-d-v-i-n-a.

3 Q. That's not a parallel position; the one deputy
4 inspector is below the other?

5 A. Yes.

6 Q. All right. How far down -- I'm not going to go
7 through everybody at the department, but how far
8 down do we get before we get to the chief
9 investigator, or the lieutenant in charge of the
10 Detective's Bureau?

11 A. He would be under the Deputy Inspector of
12 Operation.

13 Q. As well as Mr. Ledvina?

14 A. No, it's two separate divisions.

15 Q. I understand that but, in other words, under
16 Mr. Schetter, you said --

17 A. Yes.

18 Q. -- would be the lieutenant in charge of the
19 Detective's Bureau?

20 A. Yes.

21 Q. And the other deputy inspector?

22 A. No, the Deputy Inspector of Support would take
23 care of the court services, secretarial
24 functions, records releases, that type of thing.

25 Q. It's my clumsiness. I understand they have

1 separate areas, but the person who's the
2 lieutenant in charge of the Detective's Bureau is
3 James Lenk?

4 A. Yes.

5 Q. L-e-n-k?

6 A. Yes.

7 Q. All right. Mr. Lenk and Mr. Vetter (sic) both
8 report to Mr. Schetter; is that right -- or
9 Mr. Ledvina?

10 A. Ledvina.

11 Q. Both report to Mr. Schetter?

12 A. Ledvina wouldn't directly report to him, but Lenk
13 would.

14 Q. All right. And then below Lenk, there are
15 investigators or detectives, whichever you call
16 them, and -- correct?

17 A. Correct.

18 Q. I'm sorry, I should have paused there. Where do
19 sergeants fall in the hierarchy?

20 A. Sergeants are in patrol, normally. I have
21 sergeants in the jail and on the road.

22 Q. They are in charge of deputies?

23 A. Correct. But there's lieutenants in patrol also,
24 which would supervise the sergeants in the
25 patrol.

1 Q. Got it. So if we work our way up, we have got
2 deputies in the various divisions of the
3 department?
4 A. Yes.
5 Q. They report directly to sergeants?
6 A. Yes.
7 Q. Sergeant's report directly to lieutenants?
8 A. Yes.
9 Q. You haven't described any captain's, is that --
10 A. Deputy inspector would be equivalent to a
11 captain.
12 Q. All right. And you have told us about them. So
13 the lieutenants report to deputy inspectors?
14 A. Correct.
15 Q. Who deputy inspectors report to the inspector and
16 under sheriff?
17 A. Yes.
18 Q. And then, ultimately, the top of the chart, or
19 the pyramid, is you?
20 A. Correct.
21 Q. Now, you are familiar with a man named Andrew
22 Colborn?
23 A. Yes.
24 Q. All right. He's a sergeant in your department?
25 A. Yes.

1 Q. What -- Just to identify him, what's his area of
2 responsibility?

3 A. He's a patrol sergeant.

4 Q. Patrol meaning, covering the county's roads?

5 A. Right. He would be referred to as a shift
6 commander, so he would assign the beats, the
7 vehicles, and brief the patrolmen before they go
8 out into the road.

9 Q. In the patrol division?

10 A. Yes.

11 Q. Another person who will come up is, I believe, a
12 Lieutenant named Remiker. I could be wrong. He
13 may be a detective.

14 A. Remiker is a detective.

15 Q. All right. So he's in the Detective Bureau,
16 obviously?

17 A. Correct.

18 Q. He would report directly to Mr. Lenk?

19 A. Yes.

20 Q. And, in a sense -- I don't mean this to sound
21 like a loaded question, if it does, but in a
22 sense, the Manitowoc County Sheriff's Department
23 has a paramilitary structure in that we have
24 these ranks that we have now established, and the
25 chain of command is clear and well established?

1 A. Yes.

2 Q. You, as the sheriff, set the overall tone for the
3 department?

4 A. I believe so.

5 Q. You try to express your values?

6 A. Yes.

7 Q. Your policy directives?

8 A. Yes.

9 Q. And, ordinarily, you would do that -- or I
10 shouldn't even say ordinarily -- but you may do
11 that by written directive?

12 A. Yes.

13 Q. That written directive may go directly to one of
14 your subordinates?

15 A. It could.

16 Q. Or it could go to a number of people, including
17 those several steps down the ladder, correct?

18 A. Correct.

19 Q. You may send a written directive to all staff,
20 for example?

21 A. Correct.

22 Q. But in any event, you are the person who sets the
23 tone and the policies of your department?

24 A. Yes.

25 Q. You have the power to hire?

1 A. Yes.

2 Q. You have the power to fire, probably with some
3 oversight from the County Board or some committee
4 of the County Board?

5 A. Generally, we have to inform personnel and, of
6 course, we have to follow the State Statutes.

7 Q. Yes, of course. But in -- It would be fair to
8 say that, in a rough sense, the buck stops on
9 your desk?

10 A. Yes.

11 Q. Do you find, in general, that the Manitowoc
12 County Sheriff's Department operates as a well
13 disciplined organization?

14 A. I believe so.

15 Q. That is, your directives are communicated,
16 faithfully, to those below you?

17 A. Yes.

18 Q. And they are followed?

19 A. Yes.

20 Q. On Saturday, November 5, 2005, and just to orient
21 you, that Teresa Halbach, we now know, was last
22 seen on October 31, 2005. I don't expect that
23 you necessarily know this, but I'm led to believe
24 that she was reported missing on Thursday,
25 November 3. All right.

1 So I'm talking about two days later, on
2 Saturday, November 5, 2005, at about 11:30 or
3 11:45 in the morning, a decision was made to
4 transfer control of the investigation into her
5 disappearance, and circumstances surrounding it,
6 to the Calumet County Sheriff's Department and to
7 DCI, or the Division of Criminal Investigation;
8 is that true?

9 A. Yes.

10 Q. That decision to transfer control was made by
11 you?

12 A. Indirectly, yes.

13 Q. You say indirectly, the primary focus of the
14 investigation was in Manitowoc County, within the
15 metes and bounds of Manitowoc County, correct?

16 A. Correct.

17 Q. To fall within your jurisdiction?

18 A. Correct.

19 Q. Your department had been involved in early steps
20 in the investigation of Ms Hallbach's
21 disappearance?

22 A. Correct.

23 Q. Maybe you would explain, then, for me, what you
24 mean when you say, indirectly, the decision that
25 Saturday morning was made by you?

1 A. I had been out of town the previous week. I was
2 out in Seattle, Washington. And I arrived home
3 probably 10:30, quarter to 11, Saturday morning.
4 And that decision to transfer had already been
5 made, I assume, by the inspector. I never
6 inquired. I agreed with the way it was going, so
7 I didn't interfere.

8 Q. Okay. I need to explore that just a little bit
9 further to nail down timing. When you say you
10 arrived home, do you mean physically at your
11 home?

12 A. Yes.

13 Q. All right. You didn't go in to work immediately
14 that Saturday morning?

15 A. No.

16 Q. Had you been in contact with the office during
17 the course of that week in Seattle?

18 A. No.

19 Q. So you really were --

20 A. The first I heard --

21 Q. -- out of loop so to speak?

22 A. Yeah. The first I heard about the Halbach case
23 was when a reporter called me Saturday after 11.

24 Q. Do you recall about when, after 11?

25 A. About 11:15, somewhere in that general area.

1 Q. Okay. And this was entirely news to you at that
2 point?

3 A. Yes.

4 Q. You got in contact with Mr. Hermann?

5 A. Yes.

6 Q. Inspector Hermann?

7 A. Right.

8 Q. Do you remember about when you did that?

9 A. It had been shortly after the reporter called.

10 Q. I will bet. By telephone?

11 A. Yes.

12 Q. All right. And at that point, he told you that
13 he had already decided to shift the primary
14 responsibility for the investigation to the two
15 other law enforcement agencies I described?

16 A. Yes.

17 Q. Did he tell you when he had made that decision?

18 A. No. He had talked about conferring with Corp
19 Counsel and that was what he advised. Normally
20 we follow his advice.

21 Q. You agreed with that advice?

22 A. Yes.

23 Q. You had a discussion with him on his reasoning?

24 A. Yes.

25 Q. And in a nutshell -- and you are free to disagree

1 or explain this -- but in a nutshell, the reason
2 he described to you, after consulting with
3 Corporation Counsel, was to avoid the appearance
4 or the reality of a conflict of interest?

5 A. Correct.

6 Q. Because at least a person of interest at that
7 point was Steven Avery?

8 A. Yes.

9 Q. You were told that?

10 A. No, they didn't give me any specific suspects or
11 people of interest. They merely stated that the
12 vehicle had been found on the Avery Salvage Yard
13 property.

14 Q. Correct. And what further information did you
15 need, or ask for, or inquire about, to decide
16 whether, in fact, there was a conflict of
17 interest or the appearance of one?

18 A. I didn't need anything more than that at that
19 point.

20 Q. Avery Auto Salvage Yard, car found, that was
21 enough?

22 A. Sure.

23 Q. The reason you perceived, or you agreed with
24 Inspector Hermann's assessment, that there was a
25 potential conflict of interest, is that at that

1 time a civil lawsuit by Steven Avery was pending
2 against Manitowoc County and some former
3 officials?

4 A. Correct.

5 Q. That was a civil lawsuit for 36 million dollars
6 in damages?

7 A. Correct.

8 Q. It related to the 1985 conviction that you and I
9 have discussed this morning?

10 A. Correct.

11 Q. Did you see that as a real and present conflict
12 of interest on November 5?

13 A. I don't see it so much as a conflict of interest,
14 I would say a prudent decision just to keep
15 accusation free.

16 Q. All right. And what did you -- what did you
17 understand the decision to be, in terms of the
18 shifting of responsibility?

19 A. That the Calumet County Sheriff would run the
20 investigation and I would pay for it.

21 Q. Okay. In addition to paying for the
22 investigation, what role was the Manitowoc County
23 Sheriff's Department to play, if any?

24 A. Support.

25 Q. What does support mean?

1 A. Logistics, equipment, whatever they needed,
2 manpower.

3 Q. So the Calumet County Sheriff, Mr. Pagel, was to
4 communicate with you, or your department?

5 A. As far as?

6 Q. Logistics, support, manpower, whatever he needed?

7 A. Yes.

8 Q. All right. So he would request it of you, or
9 someone in your department?

10 A. Yes.

11 Q. And then you would provide it?

12 A. Yes.

13 Q. The Manitowoc County Sheriff's Department, in
14 that way, continued to play an active role in the
15 investigation into Ms Halbach's disappearance?

16 A. Yes, I believe so.

17 Q. You monitored the progress of that investigation?

18 A. No, I have never seen a report on the actual
19 investigation.

20 Q. All right.

21 A. I have gotten copies of bills, we have had
22 conferences on security, that type of thing.

23 Q. The guy in charge usually gets the bills.

24 A. Yeah.

25 Q. But in your department, reports generated by

1 deputies, or detectives, or sergeants, or
2 lieutenants, don't necessarily all come up to
3 your desk?

4 A. Most of them do.

5 Q. And this one may have or haven't?

6 A. Have not.

7 Q. Why?

8 A. I divorced myself from the early investigation.

9 Q. You personally?

10 A. Correct.

11 Q. All right. When did that happen, Sheriff
12 Petersen?

13 A. On that Saturday.

14 Q. Immediately?

15 A. Right.

16 Q. Okay. Who did you leave as the liaison, or the
17 contact person, or the reviewing person within
18 your department, for your department's role in
19 the investigation?

20 A. Deputy Inspector Schetter.

21 Q. With a formal directive to him of some kind?

22 A. No.

23 Q. With a conversation?

24 A. No, I didn't talk to him. He may have talked to
25 the inspector, he didn't talk to me.

1 Q. Oh. Okay. Do you know whether someone directed
2 Deputy Inspector Schetter to play a reviewing
3 role?

4 A. No.

5 Q. How do you know he is?

6 A. Because he was out at the scene with the sheriff
7 and his people.

8 Q. All right. And who is getting the reports
9 generated by the Manitowoc County Sheriff's
10 Department on the Halbach investigation and,
11 ultimately, the arrest and prosecution of
12 Mr. Avery?

13 A. I would believe Calumet County Sheriff's
14 Department would.

15 Q. Not Deputy Inspector Schetter?

16 A. Well, they would still be in our files, there
17 would be copies there -- or originals there. The
18 copies would be -- would be shipped.

19 Q. All right. I will see if I can do this
20 efficiently, and the problem is, you may not know
21 some of the facts I'm going to suggest to you.

22 A. Okay.

23 Q. Because it sounds like I have seen Manitowoc
24 Sheriff's Department reports that you probably
25 have not. All right?

1 A. Sure.

2 Q. But let me suggest these things and we'll see
3 what you know and what you don't know, or what
4 you dispute. All right. The first law
5 enforcement officer to speak with -- speak
6 personally with Steven Avery about Teresa
7 Halbach, which was on November 3, was Sergeant
8 Andrew Colborn of your department; is that right?

9 A. Don't know.

10 Q. One way or the other?

11 A. Yeah, don't know.

12 Q. You don't dispute that?

13 A. Yeah, I don't know.

14 Q. All right. The first law enforcement officers to
15 search Mr. Avery's trailer, this time with
16 consent, on Friday, November 4, were two members
17 of the Manitowoc County Sheriff's Department,
18 Lieutenant Lenk and Detective Remiker?

19 A. I believe they were with a Calumet County
20 officer.

21 Q. You think they may have been with a Calumet
22 County officer?

23 A. I believe so.

24 Q. But you know that Lenk and Remiker --

25 A. Had been at the trailer.

1 Q. -- did a consent search of the trailer on Friday,
2 November 4th?

3 A. Yes, I believe so.

4 Q. On Saturday, November 5, the first law
5 enforcement officer, as opposed to citizen,
6 unsworn citizen, to see Teresa Halbach's Toyota
7 Rav 4, was a member of your department, Detective
8 Remiker?

9 A. I don't know that.

10 Q. You don't dispute it, you just don't know one way
11 or the other?

12 A. I don't know.

13 Q. All right. The first search of Mr. Avery's
14 trailer, with a search warrant, occurred later on
15 Saturday, November 5. And that involved, again,
16 Detective Remiker of your department and Calumet
17 County Investigator Gary Steier, or is that
18 something you know?

19 A. That, I believe, is what I was referring to.

20 Q. All right. The first law enforcement officers
21 that day to collect any suspected blood in
22 Mr. Avery's trailer, or on it, was, again,
23 Detective Remiker of your department, correct?

24 A. It's possible, yes.

25 Q. He gave that to Sergeant Colborn of your

1 department?

2 A. That I don't know.

3 Q. Don't dispute, but just don't know?

4 A. Yeah.

5 Q. The detached garage between Mr. Avery's trailer
6 and Barb Yanda's trailer, I believe first was
7 searched pursuant to warrant on Sunday, November
8 6. Were you aware that Detective Remiker and
9 Lieutenant Lenk and Sergeant Colborn, along with
10 a Calumet County deputy, were the first law
11 enforcement officers to search the detached
12 garage?

13 MR. FALLON: Excuse me, your Honor, I'm
14 going to impose an objection on this particular line
15 of questioning as -- and the reason is, the previous
16 testimony of Sheriff Petersen indicating that as of
17 earlier that day, 11:30, 11:45, control of the
18 investigation was passed. And given that fact, the
19 fact that there may have been some logistical or
20 support personnel provided by the Manitowoc County
21 Sheriff's Department to assist in these searches or
22 contacts, was all under the control and direction of
23 Sheriff Pagel at Calumet County. Thus, this
24 particular line of questioning, I would suggest to
25 the Court, is irrelevant.

THE COURT: Mr. Strang.

ATTORNEY STRANG: Let me ask some clarifying questions, because I'm not necessarily in disagreement with the factual portion of Mr. Fallon's statement, and I will clarify that.

Q. (By Attorney Strang)~ Any actions that members of your department took after, let's say 11:30, on Saturday, November 5, you believe would have been taken with the knowledge, or under the direction, at the request, however you want to put it, of either the Calumet County Sheriff's Department or the DCI?

A. Correct.

Q. That is, neither you, nor Inspector Hermann, nor anybody above the level of the people in your department involved, were directing, or controlling, or supervising the steps of those people?

A. Correct.

Q. My -- And I think you and I are in agreement, I'm not trying to suggest otherwise, my questions really are just inquiring into who the boots on the ground were, who the people were, not who's directing them, or telling them what to do and not to do; do you understand me that way?

1 A. Correct.

2 Q. Okay. So with that limitation, Lenk, Remiker and
3 Colborn, along with a Calumet deputy -- Calumet
4 County deputy, were the first to search the
5 detached garage on Sunday, November 6th?

6 MR. FALLON: I'm going to renew the
7 objection. I understand counsel's point, but I
8 still fail to see the relevance as it pertains to
9 the motion to dismiss and/or the motion to
10 exclude.

11 ATTORNEY STRANG: It bears more on the
12 motion to exclude. I have moved to exclude not just
13 Sheriff Petersen from further involvement in this
14 case, supervising the jury, or in a logistical or
15 support role to the Court, but have moved to exclude
16 the entire department from providing that logistical
17 or support role. So, I think this has a bearing,
18 the involvement of others in the department clearly
19 has a bearing on that motion, your Honor.

20 THE COURT: I believe it relates to the
21 motion to exclude, so I'm going to allow it.

22 ATTORNEY STRANG: Do you recall my last
23 question?

24 THE WITNESS: No.

25 Q. (By Attorney Strang)~ Sunday, November 6,

1 detached garage, first law enforcement officers
2 to search, Lenk, Remiker, Colborn, and a deputy
3 from Calumet whose has a name, and that's Dan
4 Kucharski?

5 A. I wouldn't know who searched it.

6 Q. Don't know one way or the other?

7 A. No, I don't know who was in the garage.

8 Q. Don't dispute that the three Manitowoc people
9 were among the first law enforcement people to
10 enter the garage?

11 A. It's possible.

12 Q. All right. This one you may know. On November
13 8, which is Tuesday, it was widely reported that
14 a law enforcement officer found a Toyota key that
15 fit the Toyota Rav 4, in the bedroom of Steven
16 Avery, in the trailer; do you recall that?

17 A. That would be Detective Lenk.

18 Q. That was Detective Lenk -- or Lieutenant Lenk of
19 your department?

20 A. Yes.

21 Q. Law enforcement officers first came across bone
22 fragments in a burn pit out -- south, south and
23 east of the Avery -- the Steven Avery trailer on
24 November 8 as well. Do you recall Deputy Jost,
25 or Sergeant Jost, of your department, as being

1 the first officer who claimed to see a bone
2 fragment?

3 A. I don't know who saw the bone fragments.

4 Q. One way or the other?

5 A. Correct.

6 Q. Am I pronouncing Jost's name right? J-o-s-t?

7 A. Yes.

8 Q. Now, of the names that have come up here we
9 have -- I have mentioned Lieutenant Lenk and
10 Detective Remiker and Sergeant Colborn, more than
11 once each, this morning. I want to be clear, one
12 of the reasons you disengaged personally,
13 completely, from this investigation, on November
14 5, is that you, personally, had sat for a
15 deposition in Steven Avery's civil claim against
16 Manitowoc County?

17 A. No, I don't think I had anything to do with that
18 decision, no.

19 Q. Let's break this down. First of all, you did
20 have your deposition taken in that lawsuit?

21 A. Yes.

22 Q. You had your deposition taken on October 13,
23 2005; does that sound right?

24 A. It's possible.

25 Q. About two and a half, three weeks, before Ms

1 Halbach disappeared?

2 A. Somewhere in that time period.

3 Q. And the other two members of your department who
4 had their depositions taken about the same time
5 were Lieutenant Lenk and Sergeant Andrew Colborn,
6 correct?

7 A. I don't know. I don't know who gave depositions.

8 Q. You don't one way or the other?

9 A. I saw one person, actually, two people, but I
10 don't know who they all deposed now.

11 Q. I think one of them had his deposition taken the
12 same day you did. Did you ever talk to
13 Lieutenant Lenk about having his deposition taken
14 in that lawsuit?

15 A. No.

16 Q. Or Sergeant Colborn?

17 A. No.

18 Q. You don't disagree that they both sat for
19 depositions in that lawsuit in mid-October, 2005,
20 you just don't know?

21 A. As I recall, that had something to do with some
22 information that came somewhere in the late 90's.

23 Q. Mid 1990's, that's right.

24 A. Yeah, but I don't know when they were deposed. I
25 wouldn't have a clue.

1 Q. You understand they were, you just don't know
2 when?

3 A. Correct.

4 Q. And one of the things, that initially, I think,
5 probably brought you here, was an interview, or a
6 special two part series that FOX 11 TV in Green
7 Bay did in May; do you remember that?

8 A. Yes.

9 Q. I'm not going to go into the substance of that.
10 I just want to nail down a couple of questions.
11 First of all, that was you who appeared as
12 Sheriff Petersen in that two part segment?

13 A. Yes.

14 Q. All right. Do you remember now about when you
15 actually sat for the interview, or interviews,
16 that were aired on May 10 and 11?

17 A. I believe it was somewhere in the second half of
18 April.

19 Q. Okay. So two weeks or more before this segment
20 aired?

21 A. At least two weeks before.

22 Q. Sometime after April 15, roughly?

23 A. Roughly.

24 Q. I mean that's your best recollection as you sit
25 here?

1 A. Yes.

2 Q. Do you remember whether there was one interview
3 or more than one interview?

4 A. One interview, lasted about a half hour.

5 ATTORNEY STRANG: And that's all I have.
6 Thank you.

7 THE COURT: Mr. Fallon, any questions?

8 MR. FALLON: One moment, Judge. I just
9 have probably two or three questions, Sheriff.

10 **CROSS-EXAMINATION**

11 BY ATTORNEY FALLON:

12 Q. As far as you know, all decisions, instructions,
13 and supervision of the Manitowoc County Sheriff's
14 personnel participating in the investigation of
15 this case came at either the direction or request
16 of Sheriff Pagel from Calumet County, or members
17 of the Department of Justice's Division of
18 Criminal Investigation; is that true?

19 A. That's correct.

20 Q. In your capacity as sheriff, of the county in
21 which these proceedings are being held, have you
22 instructed anyone, or told anyone, what to do or
23 what to say relative to any of the court support
24 personnel that are present here today?

25 A. No, I have not.

1 Q. Have you directed them to engage in any comments
2 with the media or anyone connected with this
3 case?

4 A. No.

5 Q. As far as you know, have you issued any orders or
6 directives at all relative to the handling of
7 these court proceedings, to your personnel, or
8 has that been left to others, or is it simply
9 something that they routinely do what they do?

10 A. You mean like court security?

11 Q. Right.

12 A. That would be what they normally do.

13 Q. All right. And you have given no other
14 instructions or directions?

15 A. No.

16 ATTORNEY FALLON: That's all I have.

17 THE COURT: Any redirect?

18 ATTORNEY STRANG: I do.

19 **REDIRECT EXAMINATION**

20 BY ATTORNEY STRANG:

21 Q. Just so I'm clear, I mean, do you have a division
22 that provides court support? Is that a separate
23 division within the Manitowoc County Sheriff's
24 Department?

25 A. That comes under the Support Division, Deputy

1 Inspector Ledvina.

2 Q. So everybody in this courtroom who is wearing a
3 Manitowoc County Sheriff's deputy uniform,
4 ultimately, calls you boss?

5 A. Yes.

6 Q. All right. On the scene of the investigation, I
7 think you testified, in response to Mr. Fallon's
8 question, that Manitowoc County Sheriff's
9 Department personnel would have been following
10 the directions of either the Calumet County
11 Sheriff's Department or DCI; did I understand you
12 correctly?

13 A. Correct.

14 Q. And within the ranks of those there in the
15 Manitowoc County Sheriff's Department, you would
16 expect the ordinary hierarchies continue to
17 apply, correct?

18 A. Yes.

19 Q. When -- You testified as well that you haven't
20 directed anyone in your department to speak to
21 the media about this investigation or
22 prosecution?

23 A. Correct.

24 Q. All right. And, in fact, I'm going to take that
25 a little bit further. On or about September 12,

1 2003, if we go back not quite three years now,
2 you had a conversation with Manitowoc County
3 Corporation Counsel in which he suggested that
4 you and members of your department make no public
5 statements at all about Steven Avery?

6 A. I don't recall.

7 Q. Do you recall issuing a directive, a written,
8 very short directive, to your department, that
9 people were to make no public statements about
10 Steven Avery?

11 A. It's possible.

12 Q. Back in December, 2003?

13 A. It's possible.

14 Q. Do you recall that?

15 A. No.

16 Q. That was, I think, marked as Exhibit 140 of your
17 deposition; would it help to look at the
18 deposition?

19 A. Could be, yeah.

20 Q. Okay. I am approaching you with a transcript of
21 your deposition. You are welcome to look at all
22 of it, but I would invite your attention
23 particularly to page 45, right after Exhibit 140
24 is identified. You can look at that yourself and
25 see if that helps restore your recollection.

1 A. I don't see what you want me to see here.

2 Q. I'm sorry, do you see where it refers to Exhibit
3 140?

4 A. Yes.

5 Q. Okay. Here we go, the lawyer who is asking you
6 questions is asking you about the circumstances
7 of making that two sentence memo that he's marked
8 as Exhibit No. 140?

9 A. Okay.

10 Q. All right. What it was, I mean, if you now
11 recall, you had done a very short memo, about two
12 sentences, telling your entire department, don't
13 talk about Steven Avery?

14 A. Okay.

15 Q. On the advice of the Corporation Counsel.

16 A. Correct.

17 Q. Do you remember doing that?

18 A. I believe so.

19 Q. Okay. When did you -- When, if ever, did you
20 lift that order?

21 A. Didn't.

22 Q. Did it apply to you in mid-April, 2006, when you
23 sat down with FOX 11?

24 A. No, I don't believe so. I believe if anyone
25 would have talked, would have been able to come

1 from myself or the inspector.

2 Q. Okay. So the two of you, the lead inspector
3 being Mr. Hermann?

4 A. Correct.

5 Q. The two of you were excepted -- outside the scope
6 of that and could make public comments about
7 Steven Avery?

8 A. I believe.

9 Q. You believe?

10 A. Yeah, I believe we could.

11 Q. You are the guy who wrote the memo, I mean, is it
12 yes or no?

13 A. Yes.

14 Q. Thank you. That's it. Oh, another question, you
15 won't need the deposition, but give me -- I don't
16 know if you have an exact number, but about how
17 many detectives do you have in the detective
18 bureau of the Manitowoc County Sheriff's
19 Department?

20 A. I believe five, including the lieutenant.

21 Q. Including Lieutenant Lenk?

22 A. Yes.

23 Q. All right. And do they cover all three shifts or
24 is that primarily a day shift bureau?

25 A. Primarily a day shift, with an on call basis.

1 Q. And then are there acting detectives as well, or
2 people who perform investigative duties outside
3 the Detective Bureau?

4 A. We have evidence techs and things like that, yes.
5 People that know how to take pictures, people
6 that know how to lift fingerprints, that type of
7 thing.

8 Q. To what division are they assigned?

9 A. Operations.

10 Q. To operations?

11 A. Yes.

12 Q. They are not assigned to the patrol division?

13 A. They come out of the patrol division, yes.
14 Patrol operations are synonomous.

15 Q. I see. All right.

16 ATTORNEY STRANG: Thank you. I will just
17 take that back. And that's all I have, your Honor.

18 ATTORNEY FALLON: Nothing further.

19 THE COURT: Any further questions?

20 ATTORNEY FALLON: No.

21 THE COURT: All right. The witness is
22 excused. Mr. Strang, any other evidence relating to
23 these motions?

24 ATTORNEY STRANG: Yes. No other testimony.
25 If, and when, we get to talking directly about a

1 change of venue, I'm -- and this was at the Court's
2 urging -- I'm going to offer two full boxes of
3 material. I have provided the same to the State,
4 identical sets.

5 And these boxes include 24 DVD's and
6 then thousands of 8 1/2 by 11 pages of paper,
7 which consist of transcripts of television and a
8 few radio broadcasts, newspaper articles that we
9 copied to reduce the bulk. I had four boxes and
10 I reduced this to 2 by photocopying, judiciously.
11 Photo copies from websites, some of newspapers,
12 some other than newspapers, for example,
13 television stations.

14 And then there are lists provided to me
15 by something called Wisconsin Media Services that
16 provides a few lines of text from television
17 broadcasts relating to Ms Halbach or Mr. Avery.
18 I used those lists to select which TV reports I
19 wanted copied to DVD.

20 And I'm going to guess that of all the
21 stories that Wisconsin Media Services covered for
22 me, I don't know, it took a quarter to a half,
23 somewhere in there, maybe more than half of some
24 of them. And I -- The DVD's all come from either
25 the Milwaukee media market or the Green Bay Media

1 Market.

2 So, in other words, the Milwaukee and
3 the Green Bay television stations, but not
4 Wausau, not Madison. I did not make any effort
5 to capture publicity in those media markets. So
6 that's what's in the two boxes behind me. That
7 may be something that's bulky enough that I
8 should discuss with the Deputy Clerk during a
9 break here this morning.

10 But if we get to the change of venue
11 after we have argued dismissal and an
12 adjournment, I'm prepared to offer that. Beyond
13 that, I have got no other evidence to tender on
14 the three motions that we're undertaking
15 initially.

16 THE COURT: Does the State have any
17 evidence to offer with respect to those three
18 motions of the defense?

19 ATTORNEY KRATZ: As to the Motion to
20 Dismiss, Judge, we did intend to call Sheriff Pagel
21 to testify.

22 THE COURT: All right. You may call him at
23 this time.

24 **SHERIFF GERALD A. PAGEL**, called as a
25 witness herein, having been first duly sworn, was

1 examined and testified as follows:

2 THE CLERK: Please be seated. Please state
3 your name, spell your last name for the record.

4 THE WITNESS: Gerald A. Pagel, P-a-g-e-l.

5 **DIRECT EXAMINATION**

6 BY ATTORNEY KRATZ:

7 Q. Mr. Pagel, how are you employed?

8 A. I am the Sheriff for Calumet County.

9 Q. And as we have heard in this last series of
10 examinations, your department, and you
11 personally, were requested to assume
12 investigative responsibility in the disappearance
13 of Teresa Halbach and the subsequent
14 investigation into how that occurred; is that
15 correct?

16 A. That is correct.

17 Q. Sheriff Pagel, do you recall on Saturday,
18 November 5, 2005, being at the Avery Salvage Yard
19 and accepting responsibility for this
20 investigation?

21 A. Yes, I do.

22 Q. After that period of time, is it a correct
23 statement, as we have heard from Sheriff
24 Petersen, that your department, in concert with
25 the Division of Criminal Investigation, made all

1 investigative decisions, that is, you directed
2 the investigation; is that correct?

3 ATTORNEY STRANG: Now that we're beyond
4 preliminary questions, I'm going to object to
5 leading, at least I assume Sheriff Pagel is not
6 hostile to Mr. Kratz.

7 THE COURT: The objection is sustained.

8 Q. (By Attorney Strang)~ Who then, Sheriff Pagel,
9 was involved in directing this investigation?

10 A. It was members of the Calumet County Sheriff's
11 Department, in conjunction with the Department of
12 Criminal Investigation, as far as a joint
13 investigation, team work.

14 Q. Mr. Strang's motions as to pretrial publicity and
15 related motions deal with pretrial publicity.
16 Let me first ask you whether you have any
17 experience or training in media relations,
18 specifically, as it relates to high profile
19 cases?

20 A. Yes, I do. I have gone to two separate training
21 sessions in media relations with law enforcement.

22 Q. Are you an elected official?

23 A. Yes, I am.

24 Q. And similar to Sheriff Petersen, do you consider
25 yourself the head of your law enforcement agency?

1 A. Yes, I do.

2 Q. Sheriff Pagel, prior to the discovery of Teresa
3 Halbach's vehicle on November 5th, was your
4 agency involved in what's been referred to as a
5 missing persons investigation?

6 A. Yes, we were.

7 Q. Could you describe, just briefly, the scope of
8 that investigation for us?

9 A. On, I believe it was November 3rd, our department
10 received a call of a missing person, that being
11 Teresa Halbach. Our agency became immediately
12 involved in speaking with the relatives and
13 friends of Teresa. And, ultimately, that
14 Thursday evening, I received a call at home from
15 Investigator Mark Wiegert, informing me of the
16 fact that Teresa Halbach was missing and that
17 last contact with her had been on October 31st.

18 Q. Have you been engaged in missing person
19 investigations before?

20 A. Yes, I have.

21 Q. As part of those investigations, Sheriff, and I
22 will just ask you directly, as part of this
23 investigation as well, did you invite
24 participation of the media or the general public
25 in assisting in locating Ms Halbach?

1 A. Yes, I did.

2 Q. How was that done?

3 A. That was done Thursday evening, shortly after I
4 received the call from Investigator Wiegert. I
5 responded to the Sheriff's Department. And it's
6 been my theory, and also information that has
7 been provided to me through investigative
8 matters, that the quicker you get information to
9 the media the better.

10 We need public's assistance in trying to
11 locate missing individuals, and this was my
12 thought that evening, was to get the information
13 about Teresa, about her disappearance, to the
14 media, so that we could have the public's
15 assistance in attempting to locate her.

16 Q. After Ms Halbach's vehicle was found on the 5th
17 of November, were there discussions as to what,
18 if anything, would be disseminated, or told, to
19 the general public?

20 A. Yes, it was felt that we needed to control the
21 information that was disseminated to the general
22 public. It was done for investigative purposes
23 and also to control the information that the
24 media received, that we needed to have
25 disseminated to them. We still had a missing

1 person and we needed, again, the public's
2 assistance in trying to locate Teresa.

3 We found her vehicle, that was true, but
4 we still had not found Teresa. So we still felt
5 that we needed the public's assistance in
6 locating her.

7 Q. Was it decided, Sheriff Pagel, who would be
8 involved in disseminating information about --
9 both about the investigation and the request for
10 assistance from the public?

11 A. Yes, a decision was made that we were going to,
12 again, control who the media went to as far as
13 gathering or obtaining information. And it was
14 felt that myself and yourself would be the
15 individuals who would disseminate the
16 information.

17 Again, we could control the information
18 that the media would obtain and, also, that it
19 would not impair the investigation. Often in
20 these type of cases, the media wishes to contact
21 investigators, contact individuals who are
22 involved in the investigation. And we felt it
23 would be better if we just had two individuals
24 who they could contact and who would be the
25 individuals that they would go to in attempting

1 to obtain information.

2 Q. While this case remained a missing persons
3 investigation, was it decided how many times per
4 day the media would receive information?

5 A. Yes, we felt that we would provide information
6 daily to the media to keep them informed, and
7 also to, again, provide information to the
8 general public as to the outcome, the scope,
9 where the investigation was going.

10 Q. Sheriff Pagel, on those early occasions, that is
11 the press conference on the 5th and perhaps the
12 6th of November, could you characterize the
13 interest from the public, that is, from both the
14 media and general public, be able to gauge how
15 interested they were in this investigation?

16 A. We were able to determine that there was a huge
17 interest in this investigation. And we knew
18 then, and we knew beginning, going into this
19 investigation, that there would be a huge, or a
20 large interest in the media for this
21 investigation, and by the public as to this
22 investigation.

23 Q. Were there any discussions held as to limiting
24 what was said and the reasons to not provide
25 information of a specific nature?

1 A. Yes, we had daily meetings to discuss what
2 information was going to be provided to the
3 media. Again, this was done for several reasons.
4 One was to -- for investigative purposes, to
5 ensure that information was not disseminated that
6 we did not wish to have disseminated.

7 We also wanted to do what is being
8 alleged here, in that not having prejudicial
9 information, inflammatory information, provided
10 to the public. And we also had a sensitivity
11 issue. We felt that we had -- we owed it to the
12 Halbach family, to the relatives, that
13 information provided to the media, to the public,
14 would be sensitive in nature and that we kept
15 them informed. They were involved in the loop.

16 In fact, before any information was
17 provided to the media, the Halbach's were
18 contacted and they were informed of what
19 information was going to be provided that evening
20 or that day.

21 Q. Was there more information that the Sheriff's
22 Department had in it's possession that was held
23 back, or not provided, to the media during this
24 investigation?

25 A. Most definitely.

1 Q. Sheriff Pagel, at any point, at least prior to
2 the 9th of November, was a specific suspect
3 identified?

4 A. No, there was not. In fact, we -- it was a wide
5 open investigation.

6 Q. On the 9th of November, Steven Avery was arrested
7 on a charge of felon in possession of a firearm;
8 do you remember holding a press conference
9 announcing that fact on the 9th?

10 A. Yes, I do.

11 Q. Do you recall any discussions on the 9th
12 regarding limiting your comments to the facts
13 that were contained within that public document,
14 that is the Criminal Complaint?

15 A. Yes, that information was going to be public
16 knowledge in the Criminal Complaint and it
17 pertained to the felon in possession. We still
18 had a missing person investigation.

19 Q. Sheriff Pagel, later in that week, between the
20 9th and the 11th of November, do you recall
21 receiving specific questions, and even at the
22 press conferences, obtaining inquiries, regarding
23 allegations made by Mr. Avery and his family,
24 regarding being set up or framed?

25 A. Yes, I do. In fact, I would be receiving phone

1 calls from the media, who indicated that they had
2 received information from either Mr. Avery or
3 members of his family. And they were making
4 inquiries about these -- this information that
5 they were receiving. And, again, I would not
6 elaborate on those type of things at that
7 particular time, via phone contacts.

8 Any members of the media would be
9 informed that any information that was going to
10 be released would be released at a news
11 conference to be determined or announced later.

12 Q. All right. That brings me, then, to questions
13 regarding a press conference held on the 11th of
14 November, Friday, the 11th; do you recall that
15 press conference?

16 A. Yes, I do.

17 Q. Do you recall specific information being
18 released, as it related to public questions, or
19 direct questions, from the Avery's, as to being
20 set up or framed?

21 A. Yes. Again, we felt that we owed it to the
22 public, to insure them that there was no
23 information, no evidence gathered through the
24 investigation, tending to indicate that there was
25 any type of conspiracy theory in effect here.

1 Q. Now, this may be a little awkward since I'm not a
2 witness in this case, but I'm going to ask you
3 about conversations that you and I had. Do you
4 recall specific conversations with me regarding
5 limiting, or being very careful about what was
6 disseminated, to insure a fair trial for
7 Mr. Avery?

8 A. Yes, I do. Again, we would have conferences
9 daily to discuss what was going to be
10 disseminated. You also indicated that it's your
11 policy, once charges are filed, that the
12 information disseminated to the media would
13 cease, and that it would be the joint thought
14 here that anything after that point would not be
15 disseminated, there would be no more conferences.

16 Q. You are aware that at some point, in fact, on the
17 5th of November, Judge Fox, from Manitowoc
18 County, appointed me as Special Prosecutor in
19 this case; is that correct?

20 A. That is correct.

21 Q. Have you worked on other criminal cases with me
22 as the Calumet County Sheriff?

23 A. Yes, I have.

24 Q. Are you familiar with my general policy of not
25 commenting on pending criminal matters, other

1 than in the courtroom?

2 A. Yes, that is your policy.

3 Q. Sheriff Pagel, while present with me at not only
4 press conferences, but other times that we may
5 have been approached, do you recall me, and other
6 members of my office, reiterating, or explaining
7 that policy, that no comment policy, if you will,
8 to members of the media?

9 A. Yes, you did.

10 Q. Have you, individually, Sheriff Pagel, received
11 offers from local, or regional, or even national
12 news sources to comment on this case?

13 A. Yes, I have received numerous requests from the
14 news media, not only in Green Bay, but in
15 Milwaukee. And I have also received numerous
16 calls from national news outlets requesting
17 interviews, requesting comments.

18 And everything nationally has been
19 refused. I indicated in the beginning that I
20 would not go on any national news show to discuss
21 this matter.

22 Q. Several months after Mr. Avery's Criminal
23 Complaint was filed, I think it was the 14th of
24 November when it was filed, but in early March,
25 March 1st and 2nd, did you become aware of a

1 second suspect having been arrested regarding the
2 homicide and related charges with Ms Halbach?

3 A. Yes, I did.

4 Q. And who was that person?

5 A. Brendan Dassey.

6 Q. On March 1st, do you recall holding a joint news
7 conference informing the public?

8 ATTORNEY STRANG: Leading?

9 ATTORNEY KRATZ: I'm sorry, what was that?

10 ATTORNEY STRANG: Leading.

11 ATTORNEY KRATZ: Oh.

12 Q. (By Attorney Kratz)~ I could ask, what day did
13 you hold the news conference that you informed
14 the public of Mr. Dassey's involvement?

15 A. I believe it was March 1st.

16 Q. All right. Then, do you recall a Criminal
17 Complaint being drafted and filed against
18 Mr. Dassey?

19 A. Yes, I do.

20 Q. Then on -- Do you recall another, in fact, the
21 last press conference jointly held in this case?

22 A. Yes, I do.

23 Q. Do you remember when that was?

24 A. That would have been the following day. I
25 believe it was March 2nd.

1 Q. Sheriff Pagel, prior to that news conference,
2 were you aware of the details; that is, were you
3 aware of the information that would be included
4 in that public document, in that Criminal
5 Complaint, against Mr. Dassey?

6 A. Yes, I was.

7 Q. Do you recall having conversations with me about
8 what information should be released and how to
9 release that information?

10 A. Yes, you had indicated that the information that
11 was going to be released was information that was
12 in the document. And we had -- a decision had to
13 be made how it was going to be released, or what
14 was going to be released. And it was felt that
15 we would, again, try to control the information
16 that was going to be released, rather than having
17 the news media take the report and then go
18 wherever they were going to go with it.

19 It was a decision that was difficult to
20 do, but was ultimately decided that we needed to
21 provide the information to the public and, again,
22 control what information was disseminated.

23 Q. Without limiting the information in that news
24 conference, what did you believe would happen if
25 that document was simply released to the public?

1 A. Personally, I felt it was going to be helter
2 skelter. That the news media was going to take
3 it and go in all directions with it. And, again,
4 we would probably lose control over what was --
5 what was gathered by the news media if we just
6 gave them the article and gave them the Criminal
7 Complaint, I mean, and let them go from there.
8 And, again, we felt that we needed to control the
9 information.

10 Q. You had mentioned sensitivity to the Halbach
11 family, to the victims, especially regarding that
12 disturbing information. Were meetings held,
13 before the 2nd of March, to disclose to the
14 family what would be included in that document?

15 A. Yes. We had met the night before, with them, and
16 provided them with the information that the
17 investigators had gathered. And that provided
18 them with the information that was going to be in
19 the Criminal Complaint.

20 Q. At any time, Sheriff Pagel, were there
21 attempts -- and I can only ask you
22 individually -- but were there attempts by you to
23 influence any potential jurors, or to in any way
24 prejudice Mr. Avery through this criminal
25 process?

1 A. None. In fact, this is, again, why we tried to
2 control the information that was released, so
3 that we could control any prejudicial
4 information, any inflammatory information, so as
5 to prevent, as much as possible, any pretrial
6 prejudicial publicity.

7 Q. And, again, that's consistent with other cases
8 that you and I have worked on; is that correct?

9 A. That is correct.

10 ATTORNEY KRATZ: That's all the questions I
11 have of Sheriff Pagel. Thank you, Judge.

12 THE COURT: Mr. Strang.

13 **CROSS-EXAMINATION**

14 BY ATTORNEY STRANG:

15 Q. Is it typical, in a missing person Complaint,
16 that you, as the sheriff, would be notified at
17 home, after hours, on the day that someone is
18 reported missing?

19 A. It's not typical, nor is it non-typical. The
20 investigators, the staff, do keep me informed of
21 their investigations and do keep me informed if
22 they want something done. And in this particular
23 case, they wanted the information disseminated to
24 the media and they felt it would be best if I
25 came in and did that for them.

1 Q. All right. You say the investigators, how many
2 investigators, or detectives, are employed in the
3 Calumet County Sheriff's Department?

4 A. We have four investigators.

5 Q. Does that include the lead investigator or chief
6 investigator?

7 A. They are all investigators. There's no lead
8 investigator. Whoever gets the case, initially,
9 is the -- basically, the lead investigator,
10 pertaining to that particular investigation.

11 Q. And to whom do the four investigators report
12 directly?

13 A. They report to either the lieutenant or to
14 myself.

15 Q. And I will keep this short, and I hope simple for
16 you, but to the extent that you know, does the
17 Calumet County Sheriff's Department have fewer
18 sworn personnel than the Manitowoc County
19 Sheriff's Department?

20 A. Yes.

21 Q. Do you know, roughly, the numbers --

22 A. No, I don't.

23 Q. -- at least to your own department?

24 A. I don't know what the difference would be.

25 Q. How about your department; how many sworn

1 officers of any rank?

2 A. Okay. We have 24 sworn officers and, I believe,
3 27 non-sworn.

4 Q. Non-sworn being support people, secretarial,
5 clerical, bookkeeping, business management?

6 A. Dispatch and correctional officers.

7 Q. Very good. Were you acquainted with the Halbach
8 family personally, before November 3, 2005?

9 A. I know members of the Halbach family, yes, I do.

10 Q. Personally?

11 A. Yes.

12 Q. Had you known Teresa Halbach personally?

13 A. No, I did not.

14 Q. But you knew some members of her family?

15 A. Yes.

16 Q. Was that in part why Detective Wiegert said he
17 was calling you that evening?

18 A. No, it was not. He had no knowledge that I would
19 have known the Halbachs.

20 Q. But what he did say was, hey, we need to get the
21 public's help, or words to that effect?

22 A. Yes, he felt that it was important that the
23 information be disseminated to the media so that
24 they could disseminate it to the public for their
25 assistance.

1 Q. The media being a tool to reach the public?

2 A. That is correct.

3 Q. All right. You agreed?

4 A. Yes. Yes, I did.

5 Q. As early as the evening of November 3?

6 A. Yes.

7 Q. That evening is the point at which -- and I think

8 your words were -- you knew going into the

9 investigation that there would be a huge amount,

10 or huge interest on the part of the public and

11 the media?

12 A. Yes. Well, I guess, not that particular evening,

13 we didn't know the enormity. November 5th is

14 when we realized that we were probably going to

15 have a large media interest.

16 Q. You testified on direct, in response to

17 Mr. Kratz's question, you knew going into the

18 investigation. And so my question is, you know,

19 is it November 5, or some time prior to or after

20 that, that you knew going into the investigation

21 it would be huge media and public interest?

22 A. What I was referring to was November 5th, the day

23 that her vehicle was found on the Avery property.

24 Q. What was it that was so hugely interesting about

25 her car being found?

1 A. The fact that Steven Avery had garnered a large
2 amount of media interest concerning his release
3 from prison, for charges that he had been alleged
4 to have committed, and the vehicle being found on
5 Avery property. You didn't have to be a rocket
6 scientist to know that the media was, again,
7 going to be interested in this.

8 Q. Steven Avery was a man you knew from the media
9 before November 5?

10 A. That is correct.

11 Q. You were familiar, at least with the general
12 outlines of his wrongful conviction and eventual
13 exoneration?

14 A. Yes.

15 Q. Release from prison?

16 A. Yes.

17 Q. Were you aware that he had filed a big lawsuit
18 against Manitowoc County over that series of
19 events?

20 A. Prior to what?

21 Q. November 5.

22 A. No, I was not aware of any lawsuit prior to that.

23 Q. But you were aware of Avery and you thought, gee,
24 this will attract the media?

25 A. Yes.

1 Q. All right. Now, that's two days after Ms Halbach
2 is reported missing. And I guess it's as early
3 as that evening, November 3, in which you
4 realized, look, we need some public assistance
5 here, and the way to accomplish that is by using
6 the media?

7 A. Yes, we felt that the information should be
8 disseminated concerning Teresa Halbach, and her
9 disappearance, and the fact that we were looking
10 for her and the vehicle.

11 Q. Giving information directly to the media was not
12 the only strategy you employed to get the word
13 out to the public?

14 A. I guess I don't know.

15 Q. For example, you had a telephone number, that you
16 encouraged members of the public to call and
17 encouraged investigators to share with the
18 public?

19 A. Our local Sheriff's Department number, yes, or
20 tip number.

21 Q. Right, sort of a dedicated line, not for this
22 case, but for tips, or for information from the
23 public?

24 A. That is correct.

25 Q. You got that out to the public?

1 A. Yes.

2 Q. You had members of your department going to
3 friends and family members of Teresa Halbach's in
4 the early days of this search?

5 A. Yes, most definitely.

6 Q. In part, to ask them when they had last seen her,
7 and what information they might have, but also,
8 in part, to encourage them to talk to others?

9 A. Yes, to try to garner any information we could
10 from them, again, when was the last time you had
11 seen her, and garner any information we could
12 about Teresa.

13 Q. Sure. And to get the network going so to speak,
14 might ask a friend who else do you know she may
15 have talked to, or called, or been e-mailing, or
16 appointments she may have had, things like that.

17 A. Yeah, would be a typical missing person
18 investigation.

19 Q. You also took some other steps that would be
20 publicly visible but controlled. I mean, for
21 example, did you -- did you rent an airplane or
22 make arrangements for an airplane at some point?

23 A. Yes, that was done on November 4th.

24 Q. Went to an aviation service and took a plane up
25 in the air?

1 A. Yes.

2 Q. And that involved circling a good deal, I assume,
3 over parts of Manitowoc County?

4 A. Manitowoc, Brown, Calumet. I don't think we got
5 down into Sheboygan, but basically a three county
6 area.

7 Q. Sure. And at fairly low altitude?

8 A. Yes.

9 Q. That, you knew, at least would attract some
10 public attention and raise the profile that
11 people should be on the lookout for a missing and
12 possibly endangered person?

13 A. The fact that we used the airplane?

14 Q. Yeah.

15 A. No. That was basically a search to try and to
16 locate her vehicle. We knew that her vehicle was
17 missing. And we were trying to locate her
18 vehicle, or anything which could be of assistance
19 in the missing person investigation.

20 Q. Okay. So, is that why you only used the plane on
21 Friday, November 4?

22 A. Yes.

23 Q. There was -- Once you found the car, the Toyota,
24 there was no need for further flyovers or that
25 kind of visible activity?

1 A. There were other flyovers done after, yes. There
2 were the use of other planes and helicopters
3 throughout the search for Teresa.

4 Q. The search continued until -- well, I mean it
5 continued beyond this, but on November 8, some
6 bone fragments were found; does that sound right?

7 A. That could be the date, yes.

8 Q. All right. Which would have been a Tuesday?

9 A. That would be about right, yes.

10 Q. Were you, personally, out at the Avery Auto
11 Salvage property on the days following this phone
12 call, at home, on November 3?

13 A. Yes, I was.

14 Q. Each day?

15 A. Yes, I was there every day.

16 Q. Starting Friday, November 4.

17 A. No, the 5th.

18 Q. So, November 5th?

19 A. Yes.

20 Q. Saturday, November 5. And then how many days in
21 a row did you remain, personally, out at the
22 Avery Auto Salvage property?

23 A. I would go out there during the daylight hours
24 and generally would leave anywhere between 7, 8,
25 9 at night.

1 Q. How long did that continue, Sheriff Pagel?

2 A. I was there the entire week that we were out

3 there.

4 Q. And until the road was reopened and the searching

5 was done?

6 A. That's correct.

7 Q. All right. Now, during that time that you were

8 out there, during these long daylight hours,

9 essentially, did you, personally, direct the

10 activities of Lieutenant Lenk?

11 A. Did I, personally? How did you phrase it?

12 Q. Direct the activities of Lieutenant Lenk of the

13 Manitowoc County Sheriff's Department?

14 A. Not personally, no. It was -- Could have been

15 done either through the command post. Again,

16 they were there as a support group. So we would

17 utilize our investigators, our officers, our

18 personnel, along with agents from the Department

19 of Criminal Investigation and individuals would

20 then be assigned to those particular individuals

21 who would be the lead people doing particular --

22 particular programs or parts of the investigation

23 out there.

24 Q. Activities. All right. So you set up a command

25 post?

1 A. Yes.

2 Q. You set that up in conjunction with the DCI?

3 A. Yes.

4 Q. There were other law enforcement agencies, also,
5 at the command post?

6 A. Yes, there were other agencies involved in the
7 investigation who were there for support and
8 assistance.

9 Q. In the command post?

10 A. Not necessarily inside the command post. We
11 tried to limit individuals who would be in the
12 command post. We had a number of individuals who
13 were out there on any particular day and we
14 couldn't have all those individuals in the
15 command post, but we would have the individuals
16 who were going to be responsible for doing a
17 particular activity, given their assignments.

18 Q. Okay. Physically, what was the command post?

19 A. Physically, what was it?

20 Q. Yeah.

21 A. It's our command trailer that we have at the
22 Sheriff's Department?

23 Q. Like a Winnebago type?

24 A. It's a good size.

25 Q. Okay. But not everybody can crowd into those

1 things?

2 A. Right.

3 Q. Okay. So people, law enforcement officers, would
4 come in as necessary to participate in
5 discussions?

6 A. Yes. Whoever we needed to discuss matters with
7 would be invited into the command post and we
8 would then discuss our information with them.

9 Q. The -- You ran this investigation in conjunction
10 with DCI, you said?

11 A. Yes.

12 Q. And then, jointly, with a number of other
13 agencies?

14 A. Yes.

15 Q. The FBI was involved?

16 A. Yes, the FBI.

17 Q. They were in the command post from time to time?

18 A. They were -- They were only out there for a short
19 period of time. They arrived and indicated that
20 if we needed their assistance for anything we
21 should feel free to contact them. I think they
22 might have been there personally, only a couple
23 of hours.

24 Q. Okay. But they said, call if you need help?

25 A. Yes.

1 Q. The Wisconsin State Patrol was out there for a
2 longer period of time?

3 A. They were there several days, yes.

4 Q. They had command officers in and out of the
5 command post?

6 A. Yes, they would have had individuals in and out.

7 Q. The Two Rivers Police Department?

8 A. Yes.

9 Q. They had senior staff in and out of the command
10 post?

11 A. I don't know if they would have had individuals
12 in or out, specifically, or if they were just
13 part of the support group.

14 Q. All right. But what you tried to do was run this
15 as a collaborative, or a joint effort?

16 A. Yes.

17 Q. You consulted with Manitowoc County Sheriff's
18 personnel?

19 A. Yes.

20 Q. They were in and out of the command post?

21 A. Yes.

22 Q. At least the ranking members were?

23 A. Yes.

24 Q. So you weren't necessarily, personally, directing
25 things, but you were part of a group that was

1 making conjunctive, or joint, or collaborative,
2 investigative decisions, so that all the tasks
3 got done?

4 A. Attempting to, yes.

5 Q. Right. Were you aware, on November 5, let's say,
6 that Lieutenant Lenk and Sergeant Colborn of the
7 Manitowoc County Sheriff's Department recently
8 had given depositions in Steven Avery's civil
9 lawsuit?

10 A. No, I was not aware of that.

11 Q. When did you first learn that?

12 A. Today, in court.

13 Q. Mr. Avery, then, was arrested on November 9, if I
14 understood your testimony correctly?

15 A. I believe that would be correct, yes.

16 Q. Charged, initially, with being a felon in
17 possession of a firearm?

18 A. That's correct.

19 Q. Now, you have had enough time in the criminal
20 justice system to know that, typically, at least
21 when somebody is charged in a Circuit Court of
22 the State of Wisconsin, there's a Criminal
23 Complaint filed?

24 A. Yes.

25 Q. With the court?

1 A. Yes, will eventually be filed.

2 Q. With the court, correct?

3 A. Yes.

4 Q. And, typically, as far as I know, always, that's

5 a publicly available document?

6 A. Yes.

7 Q. That is, anyone from the public, including a

8 reporter, could go to the Clerk of Court's Office

9 and say, May I see the Criminal Complaint against

10 Joe Blow, or Steven Avery, or anyone else?

11 A. That is correct.

12 Q. Make a copy of it?

13 A. Yes.

14 Q. And leave with it?

15 A. Yes.

16 Q. All right. So in terms of making something --

17 making information available to the public, one

18 way to do that is to file, at least, an unsealed

19 public document in court?

20 A. It would be a public document, yes.

21 Q. That was done here with the felon in possession

22 of a firearm Complaint, as to Mr. Avery, correct?

23 A. I believe so, yes.

24 Q. It was done with the criminal charge against

25 Brendan Dassey on or about March 2, 2006?

1 A. That's correct.

2 Q. You know, of your personal knowledge, that
3 Mr. Dassey, although 16 years old, was charged as
4 an adult from the outset?

5 A. Yes.

6 Q. So you knew that that was a public proceeding
7 from the outset, not a juvenile and closed
8 proceeding?

9 A. Yes.

10 Q. You knew that the Criminal Complaint against
11 Brendan Dassey, therefore, was a public document?

12 A. That is correct.

13 Q. You and Mr. Kratz began to talk about public
14 dissemination of information in this
15 investigation, when?

16 A. The dissemination of information to the media and
17 to the public?

18 Q. Yeah.

19 A. That was done on the first day, that Saturday
20 that we were at the Avery property.

21 Q. Mr. Kratz was out there as well?

22 A. Yes.

23 Q. You learned on November 5, or shortly after, that
24 a number of people lived on what we are calling
25 the Avery property, correct?

1 A. That is correct.

2 Q. Family members, including extended family
3 members, correct?

4 A. Yes.

5 Q. Husbands, wives, boyfriends, girlfriends, a whole
6 collection of people?

7 A. That is correct.

8 Q. This is a large -- relatively large parcel of 40
9 acres, plus?

10 A. Yes.

11 Q. Steven Avery being one of the people who lived
12 somewhere on what you are calling the Avery
13 property?

14 A. That is correct.

15 Q. On November 5, when you and Mr. Kratz were on the
16 Avery property, you began to discuss, I guess,
17 gee, how are we going to disseminate information
18 to the media?

19 A. And what information was going to be
20 disseminated.

21 Q. And what. Were you and Mr. Kratz the only two
22 decision makers on those discussions?

23 A. No. The investigative staff, agents from DCI,
24 investigators from my office, would meet, and
25 discuss, and come up with what investigative

1 material. What information was going to be, and
2 should be, and needed to be, released to the
3 media and to the public.

4 Q. So, again, I guess, a little bit, as you were
5 describing the investigation itself, your
6 personal style, or your approach to dissemination
7 of information to the media, was more collegial
8 or collaborative and inclusive?

9 A. That would be correct.

10 Q. And that's just a matter of personal style for
11 you?

12 A. No, it's done for a number of reasons: One, to
13 ensure that information that investigators have,
14 information that they do not wish to be divulged,
15 is not divulged. And, again, it's better to do
16 it jointly, together, so that you don't say or
17 disseminate information that should not be, and
18 disseminate information that should be.

19 Again, we had a missing person. We were
20 still looking for Teresa Halbach. And throughout
21 this case we were looking for Teresa Halbach.

22 And we felt that it was important that the media,
23 the public, be provided with this information.

24 Q. In a criminal investigation -- Well, first of
25 all, a criminal investigation would be different

1 in your world, in the jargon of law enforcement,
2 than a missing persons investigation, correct?

3 A. Yes, there would be different aspects.

4 Q. You separate those two things, or distinguish
5 between them?

6 A. You can, occasionally, but sometimes they run
7 hand in hand. If you still do not have a
8 missing-- if you still have not located the
9 missing person, you still have an individual you
10 are trying to locate, so they can run jointly.

11 Q. Of course, but at the outset, in law enforcement,
12 at least in Calumet County, you distinguish
13 between those two, a missing person investigation
14 and the criminal investigation?

15 A. Yes.

16 Q. Many missing person investigations turn out to be
17 a teenager who was upset with mom and ran away
18 for a few hours?

19 A. That can be true, yes.

20 Q. And I think even here, I don't remember which
21 news conference, but I think at some point you or
22 Mr. Kratz made a comment that, we now have a
23 criminal investigation, not just a missing
24 persons investigation. This isn't verbatim, I
25 don't remember the exact words.

1 A. Yeah, but words to the effect that the
2 investigation was tending to lead towards a
3 criminal investigative nature.

4 Q. Right. And that would have been -- Regardless of
5 when and who said it, you began to think of this
6 as a criminal investigation, or at least leading
7 that way, when?

8 A. Probably after information was obtained from the
9 Crime Lab, which was providing us with details as
10 to information being found in Teresa's vehicle.

11 Q. So the vehicle was found November 5?

12 A. Yes.

13 Q. What looks like blood is found that same day,
14 November 5?

15 A. Yes, I believe so.

16 Q. Some swabs for collection of the blood is
17 undertaken?

18 A. Yes. The entire vehicle is removed from the
19 Avery property and taken to Madison, to the Crime
20 Lab.

21 Q. What day was it removed?

22 A. It was removed Saturday evening, late Saturday
23 evening.

24 Q. Taken directly to the Crime Lab?

25 A. Yes.

1 Q. And further collection of evidence is done, then,
2 from the vehicle?

3 A. Yeah, the evidence -- the vehicle is then
4 analyzed for evidence.

5 Q. When -- When, then, did you get your first
6 information back from the Crime Lab that caused
7 you to think of this as looking like a criminal
8 investigation?

9 A. Again, it was probably Monday or Tuesday. I
10 can't recall, specifically, what day it was.

11 Q. Okay. Maybe this will help, you remember
12 somebody first saying, gee, I think we have got
13 bone fragments?

14 A. That would have probably been on Tuesday, I think
15 you said, was the 8th.

16 Q. Right.

17 A. Then, yeah, we discovered some bone fragments on
18 the property. And, again, they had to be
19 analyzed to determine whether they were human in
20 nature.

21 Q. But had you heard back from the Crime Lab before
22 somebody said we have got bone fragments, or
23 after?

24 A. I believe it was before, that we had some
25 information back, some preliminary information

1 back from the Crime Lab.

2 Q. So probably Monday, November 7th?

3 A. Could be, correct.

4 Q. Okay. Now, in a criminal investigation, one of
5 the things that law enforcement people do in
6 disseminating information publicly is attempt not
7 to disclose information that should be known only
8 to the culprit, or the perpetrator, correct?

9 A. We try to do that, yes.

10 Q. So that if you find someone, and in talking with
11 that person they have that information, you know
12 that they haven't gotten it by watching
13 television?

14 A. That would be correct.

15 Q. Or reading the newspaper or something. What sort
16 of information, prior to a criminal
17 investigation, do you not want disclosed in a
18 missing persons investigation?

19 A. Well, in a missing persons investigation, you
20 want to get information out to the public as to
21 the person who was missing, what the person might
22 have been wearing, a general description of the
23 person, and in this particular case, her vehicle.

24 Q. Okay. And by elimination, then, certain personal
25 information you would not want disclosed, I

1 assume?

2 A. Personal information?

3 Q. About the missing person, private information?

4 A. You possibly could want to withhold that, yes.

5 And it's a -- a decision is made, is it

6 pertinent --

7 Q. Right.

8 A. -- to this particular missing person.

9 Q. If it's not particularly pertinent, then privacy

10 concerns would prevail?

11 A. Sure.

12 Q. All right. Now, the purpose, then, of these

13 collaborative or collegial meetings, was to find

14 out, gee, guys, what information do you think we

15 should and should not disclose?

16 A. Yes.

17 Q. Reach some agreement on that, as a group?

18 A. Yes.

19 Q. And then, you know, as people say, make sure

20 we're all on the same page?

21 A. Correct.

22 Q. Then, you and Mr. Kratz would be the public

23 spokespeople?

24 A. That was a decision that was made, yes.

25 Q. Who were the decision makers on that, in the end?

1 A. As far as what information is released?

2 Q. Right. And by whom?

3 A. Again, it is a collaborative effort among
4 everybody who's involved in the investigation.
5 There were several incidences where the
6 investigators said, no, we can't release this, or
7 maybe we should release this, and a discussion
8 was held.

9 Q. And maybe an agreement was reached each of those
10 occasions, but to the extent that there was no
11 agreement, or somebody had to make the call, make
12 the decision, so to speak, who was doing that?

13 A. Well, I guess that information, the ultimate
14 information that was released, would have been
15 Mr. Kratz and myself, because we were the
16 individuals who released the information.

17 Q. Jointly, not one over the other?

18 A. Yeah, I would believe probably, right, he would
19 release information, I would release information,
20 but we knew what information was going to be
21 released.

22 Q. And you decided that jointly?

23 A. Yes.

24 Q. The press conferences on March 1 and March 2, of
25 course, were well after Mr. Avery had been

1 charged with murder?

2 A. Yes.

3 Q. The March 1 press conference was before Brendan
4 Dassey had been charged with murder and other
5 crimes?

6 A. He was in custody.

7 Q. Right.

8 A. But he had not --

9 Q. Before a Criminal --

10 A. Yes.

11 Q. -- Complaint had been filed?

12 A. Yes, before he had been taken to court.

13 Q. The March 2 press conference was after he had
14 been charged formally, a Criminal Complaint had
15 been filed against Mr. Dassey?

16 A. Yes.

17 Q. The Criminal Complaint was distributed to
18 interested members of the media at the March 2
19 press conference, or after?

20 A. I can't recall if it was before or after.

21 Q. But one or the other?

22 A. Yes.

23 Q. You made copies available?

24 A. Yes. Yes.

25 Q. To save them the trouble of going to the Clerk of

1 Court?

2 A. Right.

3 Q. So the press conference wasn't going to replace
4 disclosure of the Criminal Complaint?

5 A. Again, it was felt, a decision was made, that
6 maybe we needed a press conference so that we
7 could discuss this information with the news
8 media and kind of inform them of what they were
9 going to be reading and seeing in the Criminal
10 Complaint.

11 It was felt that it was important. And
12 it was a tough decision to make, should we just
13 give it to them, or not. We felt that it was
14 better to be able to control and to answer
15 questions, I guess, that the media might have.

16 Q. Well, what control did you have after you handed
17 them a copy of the Complaint?

18 A. Well, you still are able to answer questions and
19 you are still able to provide them with some
20 information that is of help, I guess,
21 sensitivity, again, to the family in this matter.

22 Q. Okay. You had no -- you had no serious question
23 about the ability of the assembled reporters to
24 read English?

25 A. No, we knew that they were going to be doing

1 that, yes.

2 Q. They would read the Complaint for themselves?

3 A. Yes.

4 Q. All right. So I guess, necessarily, the purpose
5 of answering questions, or providing further
6 information, was to tell them details, or
7 explanations, beyond those contained in the words
8 of the Criminal Complaint?

9 A. Yes. And, again, the concern was that they were
10 going to take this and go in all directions. And
11 we wanted to be able to control, again, the
12 information. You have to look at it as a whole
13 picture here, not just -- excuse me -- not just
14 little pieces, but a whole picture.

15 Q. And I guess my question was, how in the world
16 were you going to control the media after they
17 left that room? And we have something called the
18 First Amendment in this country, right?

19 A. Mm-hmm.

20 Q. Did you ask them not to print certain things, not
21 to broadcast certain things?

22 A. No, but I think by being able to answer questions
23 and providing them with information, it's going
24 to enhance our ability to be able to provide them
25 and not let them run in all directions with this

1 Complaint, talking to individuals, trying to
2 gather more information than what was in the
3 Criminal Complaint.

4 And that's always a concern that
5 everybody has in major investigations, is that
6 the media, or anybody else, is going to take
7 information that they have obtained and go
8 further and try to enhance what they are reading,
9 and what they are seeing, or what's in the
10 Criminal Complaint.

11 Q. Okay. Now, you have used the word control here
12 at least -- at least a half dozen times or
13 something, I haven't counted, but. By control,
14 you certainly could control what you and
15 Mr. Kratz were saying, correct?

16 A. Yes.

17 Q. You could put out the information under your
18 control, that you chose to disseminate. You had
19 control in that sense, correct?

20 A. Yes.

21 Q. You could decline to put out information, that
22 was a way to exercise control?

23 A. Yes, that's true.

24 Q. You could phrase information in a certain way,
25 that was another form of control you had?

1 A. Yes.

2 Q. You -- These news conferences didn't just happen,
3 invitations were sent, or notices were sent to
4 media outlets?

5 A. They were provided with a date and time so that
6 we could have everybody together at one time,
7 rather than having individuals from the media
8 calling and getting information at this time, and
9 this time, and that time.

10 Q. Sure. Sure. So either your office or
11 Mr. Kratz's office, somebody was either mailing
12 or faxing, you know, here's the date, here's the
13 time, here's the place, kind of information to
14 media outlets?

15 A. Yes. And, again, this goes back to some training
16 that I have received as to providing one news
17 conference where everybody gets the same
18 information.

19 Q. Fair enough. And you made a facility available
20 at which cameras could be set up?

21 A. Yes.

22 Q. Microphones could be set up?

23 A. Yes.

24 Q. And that was another form of control, in the
25 sense that, if your words are recorded on tape

1 or, you know, orally, as opposed to visually.
2 Now, you know, somebody plays the tape, you know
3 exactly what the viewer will see and hear?
4 A. Yes.
5 Q. But what the media did after they left your news
6 conference, after they shut off the lights, and
7 turned off the cameras, and took the microphones,
8 that you couldn't control?
9 A. That is correct.
10 Q. What Steven Avery might choose to say, you could
11 not control?
12 A. That is correct.
13 Q. What his family members might say, you could not
14 control?
15 A. That is correct.
16 Q. Other than the week or thereabouts that you had
17 control of the Avery property, you couldn't
18 prevent the media from going and talking to the
19 Avery family members?
20 A. Yes, and that happened.
21 Q. How many times in your -- Well, how long have you
22 been a law enforcement officer?
23 A. 33 years.
24 Q. Part of a long line of Pagels, I think, with the
25 Sheriff's Department in Calumet County, right?

1 A. Yes.

2 Q. And during your 33 years in law enforcement, on
3 how many occasions have you held a televised news
4 conference, as you did on November 11, to respond
5 to something that somebody, charged with being a
6 felon in possession of a firearm, may have said
7 publicly?

8 A. How many times have we had similar type --

9 Q. Yes.

10 A. -- news conferences? I would have to go back and
11 check through my notes and records but --

12 Q. I bet you remember.

13 A. There have been a couple.

14 Q. There have been a couple?

15 A. Yes, we have had a number of major investigations
16 that we have conducted, that we have had these
17 type of news conferences.

18 Q. But my question was really more narrow. I mean,
19 how often have you had a news conference to
20 respond to something that an arrested defendant
21 has said publicly?

22 A. Myself, probably none.

23 Q. This was the only time?

24 A. Yes, I believe so.

25 Q. This case?

1 A. Myself, as sheriff, investigating or being
2 involved?

3 Q. Yes.

4 A. Yes. I know there's been other cases, but not
5 myself, no.

6 Q. Ever -- Ever in your experience with him, ever
7 hear Mr. Kratz give a news conference to respond
8 to some claim that a defendant has made publicly?

9 A. I don't know. I guess that would be something
10 you would have to ask Mr. Kratz if he can --

11 Q. But you don't remember seeing --

12 A. I don't know.

13 Q. -- or hearing such a thing?

14 A. I would have to look back. I don't know. I
15 can't answer that.

16 Q. As you sit here today, you don't recall?

17 A. I don't recall, sitting here today.

18 Q. Okay. If I understood your testimony on direct,
19 you were getting phone calls from Avery family
20 members, or members of the general public, saying
21 something like, are you framing Steven Avery?

22 A. No, the news media was calling my cellphone and
23 indicating that they were getting calls from Mr.
24 Avery, or from family members, and that certain
25 information was being released to the news media

1 via them.

2 And they were trying to confirm whether
3 this was factual or not. And they would be
4 informed that any information that was going to
5 be divulged would be divulged at the news
6 conference, or at the press conference.

7 Q. Referring to the November 11 news conference?

8 A. This was numerous times throughout this. And, in
9 fact, even the day of March 1st, I was receiving
10 phone calls from the news media inquiring about
11 the fact that, we understand that Brendan Dassey
12 has been interviewed, the Avery's have called us
13 and told us this.

14 And, again, they were disseminating the
15 information themselves. And we had -- we felt we
16 had an opportunity, or we should be dispelling
17 some of the information that the Avery's were
18 providing.

19 Q. Well, let me be clear. I mean, it was members of
20 the news media who were telling you that the
21 Avery's had called them?

22 A. Yes.

23 Q. You probably saw some Avery family members back
24 before Steven was in custody so, that is, before
25 November 9, probably saw some film footage, if

1 you watched the TV's at all, of him and other
2 family members?

3 A. That is correct.

4 Q. But you also know that you were getting calls
5 from media people in which they claim that they
6 had gotten information from the Avery's that had
7 not been made public by those media sources?

8 A. Yes.

9 Q. And so you and Mr. Kratz made a decision to
10 respond publicly to these phone calls on your
11 cellphone, that you were getting from the media
12 people, saying the Averys are calling us and
13 telling us X, Y, or Z?

14 A. The news media was told that any information that
15 was going to be released would be done at the
16 press conference and that we weren't going to be
17 speaking to them, or giving them information
18 without having a joint conference.

19 Q. Okay. Although, you did do that, you sat down
20 for an interview on air, in your office, at one
21 point, didn't you?

22 A. Yes, I have had interviews in my office.

23 Q. About this case?

24 A. Yes.

25 Q. Including about claims that evidence was not

1 handled appropriately?

2 A. Yes, there was one, yes.

3 Q. Prior to November 11, which I think was the news
4 conference that responded to suggestions of
5 mishandling of evidence, or improper motives,
6 prior to that date, what investigation had you,
7 or those under your direction, done to assure
8 yourself that there had not been mishandling of
9 evidence?

10 A. Interviews were done, and the information that we
11 were obtaining from the State Crime Lab was
12 tending to indicate, or inform us, that this was
13 impossible.

14 Q. When you say interviews were done, who did you
15 interview about the possible mishandling of
16 evidence?

17 A. We would be conversing with individuals out at
18 the scene. And we knew that there was no
19 possibility, because there was always an
20 investigator, either from the Sheriff's
21 Department of Calumet County, or from DCI, with
22 these individuals. So we knew that wasn't a
23 possibility.

24 Q. So when you say these individuals, you were
25 referring to Manitowoc County Sheriff's

1 Department personnel?

2 A. That's who I thought you were referring to.

3 Q. I'm just asking who you were referring to?

4 A. Yes.

5 Q. Okay. So the safeguard, so to speak, was, well,
6 we will make sure we always have a Calumet County
7 person with the Manitowoc people?

8 A. Calumet, DCI, yes.

9 Q. Somebody from outside the Manitowoc County
10 Sheriff's Department?

11 A. That was -- That was done, yes.

12 Q. Was that actually a policy that was put in place
13 for this investigation?

14 A. Yes.

15 Q. When was that policy put in place?

16 A. Shortly after the investigation was turned over
17 to Calumet County and DCI.

18 Q. And who put that policy in place?

19 A. It was a joint decision made through our agency,
20 the Calumet County District Attorney's Office,
21 and the Manitowoc County D.A.'s Office, and Corp
22 Counsel, and Sheriff's Department.

23 Q. Okay. So, the three Manitowoc County agencies,
24 D.A., Sheriff's Department, and Corp Counsel,
25 correct?

1 A. Yes.

2 Q. Two Calumet County agencies, Sheriff's Department
3 and District Attorney's Office?

4 A. Yes.

5 Q. And I think I missed someone. DCI?

6 A. DCI.

7 Q. DCI. So among these six groups, this decision
8 was made, we will always have somebody from
9 another department there with any Manitowoc
10 County Sheriff's Department person involved in
11 this investigation?

12 A. Yes, because of the fact that we were the lead
13 agency and we found out about the pending
14 litigation against Manitowoc County by Mr. Avery.

15 Q. That's done on November 5, right?

16 A. Yes.

17 Q. Why would that be done on November 5, if Steven
18 Avery was not a suspect, or a person of interest,
19 until November 9?

20 A. Again, the evidence -- the vehicle was found on
21 the Avery property. There's a lawsuit filed by
22 Steven. So -- So, as to not look like there was
23 any type of tampering, we felt it was important
24 that we do the investigation properly from the
25 beginning. And this is the reason it was done.

1 Q. Again, I don't think that that addresses my
2 question. Why, if Steven Avery was not a
3 specific person of interest, or a suspect, until
4 November 9, why the great concern to be
5 shadowing, or accompanying, and watching over the
6 shoulder of the Manitowoc County Sheriff's
7 Department?

8 A. Because --

9 ATTORNEY KRATZ: Judge, I'm sorry. Judge,
10 I'm going to interpose an objection if Mr. Strang is
11 meaning to quote a previous answer or question. The
12 question was why was he not identified as a suspect.
13 Mr. Strang has now said, if he was not a suspect.
14 It is a mischaracterization of the previous question
15 that was placed.

16 ATTORNEY STRANG: I will have the court
17 reporter read back my original question.

18 (Question read back.)

19 Q. (By Attorney Strang)~ Maybe you could answer that
20 question?

21 A. Okay. We have a vehicle that's found on the
22 property. We have a missing person
23 investigation. We have Steven Avery being one of
24 the individuals who is living on this property as
25 were other members of his family.

1 Because of the litigation, it was felt
2 that, let's insure that there's no thing in the
3 future that's going to be construed as being a
4 cover up, or anything like that. Let's ensure
5 that if we are going to do this investigation, we
6 are going to do it properly, and let's do it from
7 the beginning. And that's why it was done that
8 way.

9 Q. All right. Now, do I understand, then, that as
10 to what investigation you had done into the
11 possible mishandling of evidence as of the
12 November 11 news conference, the answer is none,
13 but that you had put this policy in place on
14 November 5?

15 A. The policy, meaning the policy as far as?

16 Q. If someone from another law enforcement agency is
17 looking over the shoulder of any Manitowoc County
18 Sheriff's Department person involved in this
19 investigation.

20 A. Again, that's the reason that Manitowoc asked us
21 to do the investigation in the first place --

22 Q. I understand.

23 A. -- because of this litigation. And so, because
24 of that litigation, we felt it was very
25 important, that if you wanted us to be the lead

1 agency, that we do it properly from the beginning
2 and start, and so that there can't be any
3 inference in the future that it wasn't done
4 properly.

5 Q. Understood. And the question was, as of November
6 11, then, putting this policy in place was the
7 only step you had taken to assure yourself that
8 there was not mishandling of evidence, or other
9 misconduct by law enforcement officers?

10 ATTORNEY KRATZ: Judge, I am also going to
11 interpose an objection. I think we're well beyond
12 the change of venue or pretrial publicity portion of
13 these motions. These might be relevant to other
14 motions, but I don't know as to pretrial publicity,
15 the motion to dismiss, or the change of venue that's
16 before the Court.

17 ATTORNEY STRANG: I will leave it with his
18 answer, if he's permitted to ask that question --
19 answer that question, I should say.

20 THE COURT: All right. Are you withdrawing
21 your objection if this is the last question?

22 ATTORNEY KRATZ: Yeah, if we can move on.

23 THE WITNESS: I guess I'm still confused as
24 to what you are asking.

25 ATTORNEY STRANG: Do you want to read it

1 back.

2 (Last question read back.)

3 ATTORNEY STRANG: Judge, I don't think we
4 have got that exactly right.

5 Q. (By Attorney Strang)~ What I meant to ask was, as
6 of November 11, other than putting in place the
7 policy that you have described, of watching over
8 Manitowoc County people --

9 A. Okay.

10 Q. -- you had taken no step to assure yourself that
11 there had not been mishandling of evidence or law
12 enforcement misconduct?

13 A. I guess that was the reason.

14 Q. That was the step.

15 A. The step we took that day to ensure --

16 Q. Right. And the question is --

17 A. -- that could not be a question in the future,
18 yes.

19 Q. Is that the only step, as of November 11?

20 A. I believe so, yes.

21 Q. Last area I have -- and I'm shifting gears off
22 that, or shifting off that. You told Mr. Kratz
23 that you had --

24 THE COURT: Mr. Strang before you start,

THE COURT: Three minutes, go ahead.

Q. (By Attorney Strang)~ You told Mr. Kratz, on direct examination, that you have gotten many phone calls, or approaches from national media, as well as local and regional media?

A. Yes.

Q. You have turned down all the national media requests for comment?

A. Yes.

Q. Have you, personally, been approached by anyone for a book deal, or a movie deal, or something of that kind?

A. Approached, no. I don't know what you mean. No.

Q. Well, now, I don't know what you mean. I mean, by approached, I mean a letter written, a call made, an e-mail received, has anybody suggested to you that you ought to become involved in a book, or a television movie, or a commercial movie, or something like that, about the Avery or the Halbach case?

A. No.

ATTORNEY KRATZ: Thank you. That's all I have then.

THE COURT: Counsel, if you have got some

1 redirect, I'm going to have you do it after lunch.

2 ATTORNEY KRATZ: I think I only have two
3 questions, Judge. I promise it will be very brief.

4 THE COURT: All right. Go ahead.

5 ATTORNEY KRATZ: If I may.

6 **REDIRECT EXAMINATION**

7 BY ATTORNEY KRATZ:

8 Q. Sheriff Pagel, just a couple of questions. The
9 press conference on the 2nd of March, do you
10 recall, before that press conference, or before I
11 made any comments, an admonition, or a reminder
12 to the public that all accused individuals are
13 presumed innocent until proven guilty?

14 A. Yes, you did.

15 Q. And that wouldn't be something, if the Complaint
16 was just released, that would be included,
17 typically, in the Complaint; is that correct?

18 A. That is correct, yes.

19 Q. Finally, the sensitivity to the Halbach family
20 and to crime victims, was that discussed in how
21 details would be released? I'm specifically
22 talking about the March 2nd Complaint and the
23 details within there, how things would be
24 phrased, what should be left out regarding a
25 sensitivity to the Halbach's.

1 A. Oh, yes, most definitely. That was done on
2 March 2nd, and it was done throughout the
3 investigation.

4 ATTORNEY KRATZ: That's all the questions
5 as to the venue and the publicity issue, Judge.

6 THE COURT: All right. You are excused.
7 Counsel, then as I understand it, we're going to
8 have one more evidentiary witness after lunch and
9 then I will hear argument on the motions; is that
10 both parties understanding?

11 ATTORNEY STRANG: Not necessarily
12 immediately after lunch -- I shouldn't speak for
13 Mr. Fallon.

14 ATTORNEY FALLON: The remaining testimony
15 anticipated for today has nothing to do with any
16 motion that will be decided today, that's relative
17 to a motion set for the 19th. So I think it would
18 be better to hear the arguments, or get through as
19 many of the arguments as we can before we take the
20 testimony of that other witness.

21 THE COURT: Very well. I think in most
22 cases, these motions, each of the parties have
23 submitted written arguments already, so they will be
24 somewhat supplemental. I assume they won't be too
25 lengthy.

THE COURT: At this time we're back on the record, all counsel are present. And I believe that, with the exception of some testimony we're going to hear on one of the July 19 motions later this afternoon, we have completed the evidence portion of the hearing today; is that correct, Counsel?

ATTORNEY KRATZ: Judge, there may be some brief testimony as to the bond modification motion of Mr. Strang that we intend to come much later this afternoon, once that motion is addressed.

THE COURT: All right. Moving on to the motions themselves, and before dealing with a particular motion, I know there were a number of motions and supporting documents filed under seal. And it's my understanding from our status conference leading up to today's hearing, that the parties were going to request that a number of the documents that had been filed be unsealed. Is that correct, counsel?

ATTORNEY STRANG: I don't know that it's a

1 great number. The principal issue, at least as I
2 recall it, your Honor, was the -- the defense motion
3 to exclude the Manitowoc County Sheriff's
4 Department, which I filed under seal in deference to
5 Mr. Kratz's expressed view that it ought to be. So
6 I thought it only fair to honor that, in the first
7 instance, and then to let the Court decide rather
8 than, in effect, deciding it myself by filing it
9 other than under seal.

10 I don't think it's properly sealed.
11 That is, I couldn't defend a media request to
12 unseal it. It concerns information that already
13 has been broadcast publicly. And in general
14 here, Steve Avery is aware that the public nature
15 of trials in this country has been an aid to the
16 defense. It's been a protection for the citizen
17 accused. And I would err here on the side of
18 making court documents publicly available where
19 they possibly can be, and certainly there still
20 will be some that cannot, consistent with a fair
21 trial and the Court's obligation.

22 But I think this one reveals nothing
23 that hasn't already been broadcast publicly by
24 FOX 11 TV. So I suggest to the Court that the
25 Motion to Exclude the Manitowoc County Sheriff's

1 Department, and any response from the State,
2 rightly ought to be unsealed.

3 THE COURT: All right. Mr. Kratz and
4 Mr. Fallon.

5 ATTORNEY KRATZ: Judge, I do agree with
6 Mr. Strang's position on that particular motion.
7 Our concern was providing an additional forum for
8 additional pretrial publicity on such a volatile
9 issue, or at least as framed by Mr. Strang. But at
10 this time, as the matter has been brought before the
11 Court, and as the Court is about to receive at least
12 brief oral argument on it, I have no objection to
13 that course.

14 THE COURT: All right. The Court will
15 order then that that motion, and any papers filed in
16 support of or in opposition to it, can be unsealed.

17 The next item I have got is the State's
18 motion concerning third party liability evidence,
19 or a *Denny* motion. Is there any reason that that
20 pleading, and the briefs submitted in support and
21 opposition to it, cannot be unsealed?

22 ATTORNEY KRATZ: It's fine from the State's
23 perspective, Judge.

24 THE COURT: Mr. Strang?

25 ATTORNEY BUTING: Judge, I'm handling that

1 motion. I don't know that it was, actually,
2 originally sealed, but I don't see there is any need
3 to have it sealed, or any of the responses.

4 THE COURT: Okay. Court will order that
5 motion, and the briefs relating to it, unsealed.

6 The next item is -- well, actually, the
7 State I think groups together a number of
8 preliminary motions in limine. The one that I'm
9 looking at to be dealt with next is the motion
10 concerning the admissibility of evidence
11 regarding the defendant's wrongful conviction.
12 This would be designated as item one in the
13 pleading entitled Motion in Limine Series One
14 from the State.

15 Now, there's other related motions made
16 in the same document. I will start out I guess,
17 Mr. Kratz, with you, since you filed it. Is
18 there anything in there that the State feels
19 requires sealing at this point?

20 ATTORNEY KRATZ: Not in paragraph -- I'm
21 sorry, Judge, not in Paragraph 1, no.

22 THE COURT: Well, let's take the entire
23 document. I don't think I can unseal a paragraph.
24 I think there is, later in the document, some
25 evidentiary matters that are set forth in some

1 detail, the admissibility of which is yet to be
2 determined.

3 ATTORNEY KRATZ: Paragraph 5 and 6, Judge,
4 may still be appropriate to be sealed as it
5 requires, at least in part, a balancing test of the
6 Court and seeks a pretrial ruling of the Court. As
7 I told the Court, in chambers, and Mr. Strang,
8 Paragraph No. 7, dealing with out of the court
9 statements of Teresa Halbach, this Court understands
10 the recently decided case of *Davis vs. Washington*
11 decided by the US Supreme Court, June 19th, was very
12 relevant to the analysis the Court must undertake in
13 this regard.

14 The Court had asked for a supplementary
15 memorandum of law to be prepared. I have done
16 that. I have provided that to defense counsel.
17 I at least want to provide the Court the original
18 of that; although, it's not going to be argued
19 until the 19th, that's been completed, Judge.

20 THE COURT: All right. What's the State's
21 position on the sealing or unsealing of the State's
22 Series One Motions in Limine.

23 ATTORNEY STRANG: Defense's position?

24 THE COURT: Defense's position, I'm sorry.

25 ATTORNEY STRANG: This is an appropriate

1 case to use redacting of a public copy rather than
2 sealing. And I think that Paragraph 1 may be made
3 available publicly, that is, not redacted.

4 Paragraph 2 may be made available
5 publicly, not redacted.

6 Paragraph 3, I think is appropriate for
7 public disclosure, not redacted.

8 Paragraph 4, need not be redacted.

9 Paragraph 5, in my view, need not be
10 redacted.

11 All of Paragraph 6 should be redacted at
12 this point.

13 Paragraph 7, need not be redacted. The
14 argument that follows need not be.

15 And, then, Paragraph 8 need not be
16 redacted.

17 THE COURT: So the defense is asking for
18 the document to be unsealed with the exception of
19 Paragraph 6 being redacted, correct?

20 ATTORNEY STRANG: I'm sorry?

21 THE COURT: Paragraph 6 is the only one
22 that you are asking to be redacted.

23 ATTORNEY STRANG: Yes, your Honor.

24 THE COURT: Any objection from the State?

25 ATTORNEY KRATZ: No, Judge, other than

1 there was discussion previously about Paragraph 5,
2 and this Court asking for additional argument as to
3 that may or may not include information that will be
4 made public. Actually, the suggestion, or offer, in
5 Paragraph 5, is probably not something that is all
6 that noteworthy and so I would have no objection to
7 the Court, other than Paragraph 6, allowing this
8 document to be made public.

9 THE COURT: All right. Let's move on then
10 to --

11 ATTORNEY STRANG: May I make a suggestion--

12 THE COURT: Yes.

13 ATTORNEY STRANG: -- about the mechanics of
14 this, which then could apply to any future issue
15 where the document itself would be public, but parts
16 of it may be redacted. My suggestion would be that
17 the author of the document, in this case the State,
18 go back to the word processing system, create a
19 copied over document of this and then just remove
20 Paragraph 6 and put Paragraph 6 redacted, rather
21 than black ink and that kind of thing, which people,
22 then, invariably are holding up to the light and
23 trying to guess about.

24 I think it's just a more effective way
25 to redact. And then the document, as refiled,

1 would clearly say redacted at the appropriate
2 paragraph. And I, of course, would have no --
3 there's every reason why a redacted copy should
4 be treated as filed on the original date of
5 filing, nunc pro tunc.

6 THE COURT: Any objection Mr. Kratz?

7 ATTORNEY KRATZ: My secretary might, Judge,
8 but I don't. We'll try to accomplish that.

9 THE COURT: All right. Let's move on then
10 to the next item to be addressed today. That was
11 actually, let's see, I think an additional part of
12 the same document, which would be Paragraph 3. So
13 that's dealt with there.

14 ATTORNEY BUTING: Judge, the only filings
15 on that motion so far is the State's Motion in
16 Limine Series One that we just discussed, Paragraph
17 3, and then my letter response. I don't think that
18 needs to be sealed.

19 THE COURT: Okay. All right. So -- Well,
20 that's a good point. The written arguments, in
21 support of or in opposition to the request for each
22 of these items, with the exception of Paragraph 6 at
23 this time, I would think could be unsealed or
24 submitted open, if you will, without prior request
25 to and permission of the Court. Fair enough?

1 ATTORNEY STRANG: Right. And in that vein,
2 I filed a memorandum that relates only to
3 Paragraph 6 and the State's argument there. So my
4 memorandum probably just could be sealed.

5 THE COURT: That would remain sealed. Very
6 well. The Court was also going to take up
7 Paragraph 2 of the State's motions in limine today
8 and that's covered by the part that has already been
9 decided to be unsealed.

10 ATTORNEY STRANG: And that's a matter on
11 which I have no doubt we'll reach a substantive
12 stipulation at some point.

13 THE COURT: The State's Motion to Dismiss,
14 I believe is already open. I don't think there's
15 anything left to unseal there; is that correct,
16 Counsel?

17 ATTORNEY KRATZ: The defense motion, I
18 don't think I filed one, Judge.

19 THE COURT: Right.

20 ATTORNEY STRANG: Right, I think that's
21 unsealed.

22 THE COURT: And then there was also a
23 defense motion concerning interference with right to
24 counsel that I was led to believe might be resolved
25 by today, relating to the other person.

1 ATTORNEY STRANG: The cell mate?

2 THE COURT: Yes.

3 ATTORNEY STRANG: It's not even a motion,
4 it's a notice.

5 THE COURT: True.

6 ATTORNEY STRANG: What I'm awaiting from
7 the State, and I'm sure I will get when Mr. Kratz
8 has five minutes, is an explanation of why this
9 gentleman was in the jail at all. CCAP doesn't
10 disclose a reason. I know that Mr. Kratz knows and
11 he's commented about where the gentleman is now. So
12 he has that information.

13 At this point I wanted the State and the
14 Court to be on notice that we have a concern
15 about cell mates and inquiry that may be made of
16 Mr. Avery by cell mates. But as the notice
17 itself says, I think at this point there hasn't
18 been a "messiah problem" that arose as to that
19 gentleman.

20 THE COURT: Mr. Kratz, do you have
21 materials with you today that are hopefully going to
22 resolve that?

23 ATTORNEY KRATZ: I have information.
24 Actually, if the Court anticipates a mid-afternoon
25 break, Mr. Wiegert from the Sheriff's Department can

1 provide that relevant information and I'm sure it
2 will be to Mr. Strang's -- or that it will conclude
3 the matter without further discussion with the
4 Court.

5 THE COURT: All right. The last item up
6 for consideration today is the defendant's motion to
7 reduce bail which was also, I believe, submitted
8 under seal. What's the position of the parties on
9 that particular motion? Mr. Strang?

10 ATTORNEY STRANG: This is Mr. Buting's
11 department.

12 THE COURT: Okay. Sorry, Mr. Buting.

13 ATTORNEY KRATZ: We're just talking on the
14 sealing issue?

15 THE COURT: The sealing issue of the bail
16 motion, correct.

17 ATTORNEY BUTING: Judge, I have no reason
18 that this could not be unsealed.

19 THE COURT: What is the State's position?

20 ATTORNEY KRATZ: Well, Judge, this was what
21 we had alerted the Court that would require some
22 brief testimony. It deals with statements made by a
23 co-defendant, which may or may not be admissible at
24 trial. Quite frankly, Judge, the State doesn't --
25 doesn't mind if it is unsealed and discussed. We

1 can certainly do that in open court.

2 As an officer of the court, however, I
3 need to alert the Court, and I'm sure defense
4 counsel understands, that portions of those
5 statements may or may not be admissible. So I
6 want to at least tell the Court that.

7 If we are getting into those statements,
8 we can certainly do that in open court. That
9 seemed an area, however, that was a little less
10 clear about whether the Court wanted to air that
11 in open court. But we are prepared to do so
12 today, if the Court wishes.

13 THE COURT: Mr. Buting.

14 ATTORNEY BUTING: Again, I'm fine with
15 unsealing it. I don't think there is any reason
16 that it can't be.

17 THE COURT: Very well. The Court will
18 allow that motion to be unsealed. And I will
19 prepare an order regarding the documents to be
20 unsealed, which I will submit for -- to the parties
21 before I sign it, just so everyone is in agreement.

22 ATTORNEY STRANG: There's one more document
23 that's under seal, your Honor.

24 THE COURT: Okay.

25 ATTORNEY STRANG: The -- I filed a motion

1 to suppress Mr. Avery's November 5 statement to a
2 Marinette County detective and any products or
3 fruits of that statement. The motion itself was not
4 under seal, but I filed a supporting affidavit from
5 Steve Glynn that has some pages from the discovery
6 attached to it and, therefore, I sealed -- I filed
7 under seal Mr. Glynn's affidavit, because it was my
8 understanding if we were attaching discovery
9 documents, it should be filed under seal.

10 All that said, I don't think there's --
11 you know, there's nothing all that terribly
12 prejudicial in the document -- in the discovery
13 documents that were attached to Mr. Glynn's
14 affidavit. So I -- I don't feel strongly about
15 keeping it sealed.

16 THE COURT: Mr. Strang -- Mr. Kratz, I'm
17 sorry.

18 ATTORNEY KRATZ: I have no objection to
19 that as well, Judge. There was -- and I didn't know
20 if the Court wanted to deal with the July 19th
21 motions as well. This Marinette issue is to be
22 dealt with, at least contemplated, partly today and
23 partly on the 19th. And I noted the Court did not
24 address other motions, including the other acts
25 motions, which I'm sure should remain under seal.

1 But that having been said, I don't have any
2 objection to the Marinette detective's reports, or
3 at least portions of them included in Mr. Glynn's
4 affidavit, to be made public.

5 THE COURT: Very well. I will include that
6 as part of the order then.

7 ATTORNEY STRANG: Mr. Buting points out
8 that there is one more document that remains under
9 seal, which is the Defendant's Memorandum on
10 Evidence of Wrongful Conviction and Accusations of
11 Prisoners.

12 THE COURT: That sounds like it would fall
13 under Paragraph 6 of the --

14 ATTORNEY STRANG: Some of it does and some
15 of it concerns Paragraph 1. You know, we could -- I
16 don't have a -- I was pretty circumspect in what I
17 have said about the Paragraph 6 material in this
18 memorandum; although, I did file this under seal. I
19 don't have an objection to unsealing it.

20 And, indeed, maybe a good balance to
21 strike here is there's probably about four lines
22 of it that could be redacted with the rest of the
23 document being unsealed. And obviously I, as the
24 author, would handle the word processing task
25 that I described earlier.

1 If the State would prefer that it not be
2 redacted, then I don't have an objection to
3 unsealing it in the entirety.

4 THE COURT: Mr. Kratz.

5 ATTORNEY KRATZ: I don't have a position,
6 Judge. I think Mr. Strang is correct, there isn't
7 anything in there that is so prejudicial that it
8 needs to remain sealed.

9 THE COURT: All right. I will include that
10 as part of the Court's proposed order. Do the
11 parties have a preference as to which motion they
12 wish to present argument on first?

13 ATTORNEY KRATZ: Is the Court contemplating
14 receiving argument on the Change of Venue, Exclusion
15 of the Sheriff's Department and Motion to Dismiss --

16 THE COURT: Yes.

17 ATTORNEY KRATZ: -- altogether, or did the
18 Court want to receive separate argument on those?
19 We certainly can since we -- we meaning defense
20 counsel and the State -- have in one form or another
21 presented the lion's share of the argument to the
22 Court. I expect this Court wishes a very brief
23 summary of the arguments as to those. I have no
24 objection, Judge, to providing them en masse, that
25 is, all three together, since they are interrelated.

1 THE COURT: Mr. Strang, are you going to be
2 arguing these for the defense?

3 ATTORNEY STRANG: I am.

4 THE COURT: Any objection to combining your
5 argument?

6 ATTORNEY STRANG: I don't.

7 THE COURT: All right. You may proceed.

8 ATTORNEY STRANG: I will start with
9 Mr. Avery's Motion to Dismiss the five counts
10 relating to Teresa Halbach. I was clear on the
11 motion, but I will reiterate here that we have not
12 moved to dismiss the felon in possession count,
13 because I don't think the problems of which we
14 complain relate anywhere near as strongly to that
15 Count of the Amended Information.

16 The facts here, largely, are undisputed,
17 your Honor. In terms of what -- what has
18 happened. But I will simply review them as I
19 understand them.

20 There have been eight news conferences
21 of which I'm aware in this case. All eight of
22 them have been set up by the State, presented by
23 the State, as part of a decision, as Sheriff
24 Pagel testified this morning, to disseminate
25 information to the media and, thereby, to the

1 public, and to do so with control of the Calumet
2 County Sheriff and the Calumet County District
3 Attorney who serves here as Special Prosecutor,
4 of course.

5 Each of those eight news conferences was
6 broadcast, in full, by one or more, I think
7 probably all, of the Green Bay television
8 stations. Some of them were covered in full, or
9 in large excerpt, by Milwaukee stations.

10 The defense appeared at none of those
11 and there have been no news conferences called by
12 counsel for the defense at any juncture, either
13 current counsel or, to my knowledge, predecessor
14 counsel, for Mr. Avery.

15 Of the State's eight televised news
16 conferences, four of those came after formal
17 charges, or a formal charge, was filed against
18 Mr. Avery. The Court will have available to it,
19 DVD's of all eight in full, but I will represent
20 to the Court, as an officer, that Steven Avery,
21 by name, and then the Avery family more
22 generally, are discussed in all eight of the news
23 conferences, some of that incidentally, some of
24 it in response to questions from media people,
25 some of it just in the statements of Mr. Kratz or

1 Sheriff Pagel.

2 And, you know, to be clear, obviously,
3 it's conceded by the defense that the locus of
4 much of the investigated activity here was the
5 Avery Auto Salvage property. So I don't cast
6 dispersions or lay motives, in and of itself, to
7 talking about the Averys, or the Avery family, or
8 the Avery property that was the locus of many of
9 the investigative steps here.

10 But it is clear that the Avery name, and
11 Steven Avery's name in particular, was attached
12 immediately in the news conferences, and then
13 consistently in the news conferences, to the
14 information that the State was making public.
15 That included, at the March 1 and March 2 news
16 conferences, the impetus of which we are told was
17 the arrest, and then the plans to charge, and
18 eventually the charging of Brendan Dassey.
19 Impetus that may have been for the March 1 and
20 March 2 press conference but, again, much of the
21 content of both of those concerned Steven Avery.

22 There have been claims of superior
23 knowledge made -- salted throughout these various
24 news conferences by either Mr. Kratz or
25 Mr. Pagel. And I don't remember right now anyone

1 else speaking at them, although, I can't be
2 certain.

3 Well, I take that back, I think
4 Manitowoc County District Attorney Mark Rohrer
5 spoke very briefly at one of them. And I know
6 that others appeared on camera, but I don't
7 recall them speaking, all of them law enforcement
8 officers or representatives of the State. So not
9 at every one of these conferences, but salted
10 throughout, there are references to what the
11 State now knows, or what is now clear.

12 And assurances to the public that law
13 enforcement and the prosecuting authorities were
14 in possession of information beyond that
15 disclosed to the public and that they found, or
16 viewed, the information known only to them as
17 reliable and as informing their conduct and their
18 decisions in the case.

19 One of the press conferences, March 2,
20 2006, was sufficiently graphic, or lurid, or
21 colorful in its details, that Mr. Kratz did
22 something I had not ever seen before, which is at
23 the beginning, urge children under age 15, and
24 friends or family members of Ms Halbach, not to
25 watch. Essentially the State made an effort to

1 impose and R rating on its final televised news
2 conference here on something that it knew was to
3 be broadcast in the media market covering this
4 county and, therefore, the jury pool, during
5 daytime hours.

6 There have been at least two other
7 appearances by law enforcement figures on TV:
8 One, a televised interview of Sheriff Pagel, as I
9 recall. And that was a topic of some brief
10 testimony by him earlier this morning.

11 And then, probably something that's
12 drawn much more focus, a two part series run by
13 WLUK TV, which is FOX 11 out of Green Bay, that
14 featured prominently, although not exclusively by
15 any means, Sheriff Kenneth Petersen from
16 Manitowoc County who, it is undisputed,
17 personally has next to no role in the actual
18 investigation of this case, but who spoke as the
19 chief law enforcement officer at the county level
20 for Manitowoc County. That was aired two nights
21 in a row, May 10 and 11. And I think the Court
22 has already a DVD carrying the 17 plus minutes of
23 those two segments.

24 I note, as well, that one of the early
25 steps that I took, after undertaking

1 representation of Steve Avery, was to move for a,
2 what we call locally, a gag order. The motion
3 had a little bit more elegant title than gag
4 order motion. But the gist of it was, that I was
5 moving to limit public comment.

6 From my recollection, and I'm sure the
7 Court's notes or recollection are to be relied
8 on, at least as much, if not more than mine, and
9 the public record here. But my recollection is
10 that the State did not join in that motion. And
11 the Court, after some prompting to the parties to
12 try to work things out in a reasonable way,
13 eventually denied the motion.

14 The defense also, here, has sought an
15 adjournment of the trial date, initially set for
16 September 5; an October 16 date was proposed.
17 The defense position, in a nutshell, was
18 October 16 was better than September 5, but not
19 sufficient. And that we thought an adjournment
20 date into 2007 was necessary for adequate defense
21 preparation and to permit a diminution in the
22 publicity, and particularly the more inflammatory
23 publicity that has attended this case from the
24 outset, as Sheriff Pagel correctly anticipated
25 back on November 5.

1 The State, as I recall it, agreed that
2 on balance it was appropriate for the Court to
3 adjourn the September 5 trial date, but the State
4 preferred an October 16 trial date. And as we
5 stand here today, it's the October 16 date that
6 the Court has scheduled for trial on this.

7 So, I don't think there is any question
8 that the publicity has been intense here, that at
9 least to the extent of the eight news conferences
10 and a couple of other televised appearances that
11 I have described, that the State has participated
12 actively in that; indeed, made a conscious choice
13 to engage in the dissemination of information
14 that way, publicly, as Sheriff Pagel testified
15 this morning.

16 And that a foreseeable result of that
17 would be to impair or threaten, put at serious
18 risk, Mr. Avery's right to a fair trial at all,
19 because some of this publicity has been statewide
20 or even national, as the testimony acknowledged
21 this morning. More specifically, has imperiled,
22 put at risk, Mr. Avery's right to a trial at
23 which citizens of Manitowoc County would serve as
24 jurors.

25 Both of these are constitutional rights

1 that he has, the fair trial in general being both
2 federal and state constitutions as providing the
3 basis for those constitutional claims. And as to
4 a trial in this vicinage, or a trial venued in
5 Manitowoc County, the Wisconsin Constitution
6 guarantees Mr. Avery that right.

7 Now, I don't disagree with the State's
8 observation in the abstract, that sometimes
9 constitutional rights come into tension with one
10 another. Sometimes, one, a defendant, an
11 accused, is put to a choice in, do I, for
12 example, exercise my constitutional right to be
13 heard at trial, as a matter of due process, by
14 trying -- by testifying at trial, or do I
15 exercise my 5th and 14th amendment and, for that
16 matter, state constitutional privilege against
17 self-incrimination by declining to testify,
18 knowing that the State, then, can't comment on my
19 decision not to testify and meet the charges.

20 That would be the classic dilemma or
21 potential conflict of constitutional rights. The
22 defendant who chooses to testify necessarily
23 gives up the privilege in self-incrimination.
24 The defendant who stands on that privilege,
25 necessarily, then, can't testify in his defense

1 at trial and exercise that aspect of his due
2 process right to be heard.

3 But that's not the kind of conflict of
4 constitutional rights that the Court confronts
5 this afternoon; that is, the constitutional
6 rights we raise here. The right to a fair trial,
7 the right to a trial in the venue in which the
8 crime is alleged to have occurred, are not
9 unavoidably in conflict as are self-incrimination
10 and the right to be heard. And this isn't a
11 situation where mere fate has caused these two
12 constitutional rights to collide, where forces
13 outside anyone's control, or as I say, fate, for
14 shorthand, have put Steven Avery to an unhappy
15 choice.

16 This is not fate, this is the State that
17 has done this. The State has fostered the
18 publicity. The State has contributed to the
19 publicity. The State is not to blame for all the
20 publicity, and I don't suggest for a moment that
21 the State is.

22 Today we're being televised, I assume,
23 or there will be newspaper reports about the
24 proceedings today, and that's not attributable to
25 the State. It doesn't lay at their feet. I

1 haven't attributed any fault, any wrong doing, to
2 the Halbach family. They have entirely separate
3 interests. Those interests are important, they
4 are legitimate. They are not under the State's
5 control.

6 And nobody is complaining here about
7 statements that the Halbach family have made, or
8 when they have been intruded upon by cameras, the
9 way they have handled that. Although, there have
10 been -- there has been other publicity.

11 So the State, you know, the State is
12 responsible only for some of the publicity in
13 this case. But that responsibility is
14 significant.

15 When I looked around at cases, primarily
16 on change of venue, I find references to, you
17 know, one short informational news conference,
18 for example, Briggs (phonetic), the defendant not
19 mentioned by name, purely an informational short
20 news conference. Now, I can't say that there's
21 no reported case in which there's been more than
22 one news conference. I haven't seen one, but
23 there may well be one.

24 Even in the State Courts of Wisconsin,
25 I'm sure if I cast a wider net, nationally or in

1 the federal decisions, I'm sure I would find
2 situations where there have been more than one
3 news conference held by the prosecution, the
4 State, the government, but eight is a great
5 number. They were televised and these were not
6 purely informational.

7 These included a great amount of detail,
8 a fair amount of opinion, assertions of
9 knowledge, as if that epistemologically were
10 absolute, and based on information not to be
11 disclosed to the public. In the case of March 2,
12 the presentation was so graphic and I think
13 effective, to give Mr. Kratz his due, that he
14 himself warned some viewers not to watch.

15 And gave what I thought was a pretty
16 effective opening statement or closing argument,
17 running through a Criminal Complaint that was
18 graphic and highly detailed; a Criminal Complaint
19 that went well beyond what was necessary to
20 establish fair probable cause against Mr. Dassey,
21 in the information that it detailed, and then
22 that Mr. Kratz repeated on television.

23 The participation of Sheriff Petersen
24 hardly needs much further comment. I will go out
25 on a limb and say that we will not find, in

1 reported decisions, another case in which the
2 sheriff of the county in which the alleged crimes
3 occurred opines not just that the defendant is
4 guilty of the charged offense, but opines that if
5 he's acquitted, somehow he will murder someone
6 else in the future, on what possible basis, I
7 have no idea, that assertion would be made.

8 I will venture further that the Court
9 will not find a close analog to the chief county
10 law enforcement officer in the affected county,
11 describing with, or agreeing with a description
12 of an accused person as a psychopath. And then
13 suggesting further, in his own words, in a case
14 having nothing to do with fraud, deception, that
15 sort of wrong doing, that the defendant may be a
16 con man.

17 This was really remarkable. Before we
18 even get to the bizarre discussion of how it
19 might have been easier to kill Steven Avery than
20 to frame him. Off the charts.

21 And the direct participation of the
22 sheriff of this county, his words, his image on
23 TV, two nights in a row, in an interview that he
24 said took about half an hour, that occurred in
25 the second half of April, about five months into

1 the prosecution of this case and at that point
2 almost four full months before the September 5
3 trial date that this Court anticipated. I will
4 add also, the interview being given at a time
5 when the defense already had made clear that we
6 prefer, we want, a jury from Manitowoc County to
7 hear this case.

8 So the conflict here in constitutional
9 rights, the fair trial right, bumping up against
10 the right to a trial in the proper venue, isn't
11 one of fate entirely. There has been significant
12 State action in creating that conflict. It's a
13 choice to which the defendant ought not be put.

14 Because when the State takes action to
15 interfere with any constitutional right, yet
16 alone to bring two constitutional rights into
17 direct contact so one cannot enjoy the one if he
18 claims the other, the State is interfering with
19 the defendant's constitutional rights, his bundle
20 of trial rights assured by a Federal, in part,
21 and the State, in full, Constitution.

22 And that's a denial of due process, it
23 seems to me. I don't know what could be more
24 fundamental to due process and to fair play than
25 the State not interfering with, or impeding, or

1 imperiling the defendant's constitutional rights,
2 particularly when they go directly to where the
3 trial will be held and how fair that trial will
4 be.

5 It is a fundamental denial of due
6 process, in addition to an interference with the
7 specific constitutional right at issue. That's,
8 I think, what we have here. Dismissal is an
9 extreme remedy. Dismissal is an extreme remedy.
10 But we have also seen extreme conduct.

11 And if I thought there was some remedy
12 short of dismissal, I understand -- I understand
13 just how unpalatable that is to the public, how
14 horribly unpalatable that is to the Halbach
15 family, if they believe Mr. Avery guilty.

16 I understand how unpalatable that is to
17 the Court, which sits as a neutral in this, but
18 in all events sits to see that justice is done,
19 which ordinarily means that causes are tried.
20 Allegations are presented to a fact finder and
21 they stand proven or unproven, but they are
22 tried. So I understand this is unpalatable
23 stuff.

24 Maybe I'm not smart enough to think of
25 the lesser remedy that would remove the conflict

1 between the right to a fair trial and the right
2 to a trial in this venue. The only alternative I
3 have come up with, and I stand on, is to adjourn
4 this trial for a number of months, into February,
5 2007, and to couple that adjournment with an
6 order limiting the public disclosure by lawyers
7 in this case and by law enforcement agencies
8 involved in the prosecution of this case.

9 I think the Court has the power to do
10 that. It's unusual to ask for an order limiting
11 disclosure by law enforcement officers, but the
12 Court in general has the right to control what
13 witnesses say. And the Court has the right to
14 preserve the integrity of the proceedings before
15 it and to assure the rights to a fair trial that
16 he enjoys as a matter of the constitution and
17 that the public enjoys as a matter of common
18 sense, as a matter of tradition in this country.

19 And although it's not a constitutional
20 right for the public or the State, it's certainly
21 a tradition, and a hope, and aspiration in this
22 country, that the public too would have a fair
23 trial. So maybe -- maybe an adjournment coupled
24 with an order limiting disclosure, but I don't
25 have more to offer, short of dismissal of the

1 affected charges. And, again, I tried to tailor
2 that as best as I can to the problem.

3 So the first course, the one I prefer,
4 is that the five counts relating to Ms Halbach be
5 dismissed, without prejudice; without prejudice
6 on the hope that at some point, if the State
7 wishes to proceed, again, that that could be done
8 without irreparable harm to the constitutional
9 rights of the accused.

10 As a matter of second preference to
11 adjournment, coupled with a pretty strong order
12 eliminating public disclosure, that order would
13 exclude the Halbach family, they would not be
14 covered by it. And that order would exclude the
15 defendant himself, because I don't think a Court
16 can, or should, mute the accused himself, who has
17 everything at stake in terms of his liberty,
18 anything more than I think the Court should mute
19 or gag the family of someone who's been killed,
20 who's been lost. Because that family has a great
21 deal at stake emotionally and in seeking justice.

22 But I will say this, that I think
23 Mr. Avery has been less voluble since Mr. Buting
24 and I have arrived on the scene. Specifically,
25 none of the Avery family members agreed to

1 comment for the FOX 11 report, for example, as
2 the reporter, Lauren Cook notes at the end of
3 both of those segments. I know that I have tried
4 to keep my tongue in check with the media, not
5 with 100 percent success, but I haven't had any
6 news conferences.

7 And while it wouldn't be proper for the
8 Court to order Mr. Avery to say nothing in
9 asserting his innocence, I will say, if he says
10 anything, he's got his lawyers to explain that
11 to. And he understands we won't be very happy.
12 So those are the alternatives.

13 The third, and to us, least palatable
14 alternative, is to change venue entirely in this
15 case. Our motion is for relief under Section
16 971.22 of the Wisconsin Statutes. It is not an
17 invitation to, or an invocation of, the use of
18 Section 971.225.

19 We think that if venue has to be
20 changed, as a least palatable alternative here,
21 that the entire trial ought be moved to a less
22 tainted county, in the hope that the jury there
23 would not have to be sequestered and that we
24 wouldn't visit that sort of imposition on 12, or
25 14, or 15, or 16, citizens, depending on the

1 number of alternates the Court might pick for a
2 trial that well could go five weeks or
3 conceivably longer.

4 So, I prefer the dismissal. Failing
5 that, an adjournment coupled with the restriction
6 of public comment by law enforcement officers, as
7 well as lawyers. And only last would I address
8 change of venue.

9 Now, I have more to say about the change
10 of venue, but I want to end in -- for the moment,
11 in talking about an adjournment. And this is
12 new, I have something new to say on that. I have
13 not put this in writing and I have struggled with
14 how to say it, when to say it, and whether to say
15 it, but I'm going to say it.

16 The Wisconsin legislature, acting rather
17 rapidly on the last day of a special session, saw
18 fit to decree that on this November's ballot for
19 statewide and federal offices, the citizens of
20 Wisconsin will be asked to give their advice, if
21 you will, to vote, that is, on an advisory
22 referendum on the death penalty.

23 Wisconsin has gone 153 years now without
24 the death penalty. No state in the nation has an
25 unbroken period of that length in administering

1 justice without killing people. That referendum
2 will happen just about the time the State is
3 resting its case, give or take a few days, or a
4 week, in this trial, if this trial remains set
5 for October 16th.

6 And in a state where, for example, in
7 1917 a bomb blew up and killed nine members of
8 the Milwaukee Police Department; in a state that
9 produced Ed Gein in the 1950's; in a State that
10 produced David Spanbauer, in this neck of the
11 woods, in the 1980's; in a state that produced
12 Jesse Anderson, who was cynical enough to blame
13 his own murder of his wife on a young black man
14 figuring that would be the easiest guy to frame;
15 in the state that in the 1990's featured Jeffrey
16 Dahmer; in a state in which this horrible,
17 alleged crime probably isn't even the worst
18 Halloween crime in this part of the state, I
19 guess that honor probably would go, dubious
20 though it is, to Gerald Turner, in the late
21 1970's.

22 In a state with this history, Steven
23 Avery now has become the poster child, the poster
24 boy, for some politicians in pushing the death
25 penalty referendum. Whether they like it or not,

1 to some degree, Teresa Halbach's life and death
2 have been politicized with the death penalty.

3 And I tell you, I don't like it that
4 Steven Avery, for whom I feel responsible for
5 here, has become politicized with the death
6 penalty. But that's how it's playing out.
7 That's what's happening in our state capitol, and
8 that's the reality in terms of the referendum the
9 citizens face this November. And they ought not
10 be going to the polls in the super heated
11 atmosphere that this trial will produce, at least
12 in the Manitowoc County and northeastern
13 Wisconsin area.

14 His own jurors shouldn't be taking a day
15 off to go vote on the death penalty referendum at
16 about the time they have heard the best the State
17 has to offer in this case and probably before the
18 defense has been heard, or heard in full.

19 It's an unfortunate confluence. No one
20 in this room is to blame for any of it. But --
21 And, you know, I hesitated to address it.

22 The one, I feel very strongly about the
23 death penalty in general. And, two, it's just
24 one of these events out there in Wisconsin. But
25 the fact is, and you see this if you go through

1 the media reports that I have assembled for the
2 change of venue motion, the fact is, that
3 politicians, and the media themselves, have
4 linked the death penalty referendum to the
5 prosecution of Steven Avery.

6 Senator Lasse from Depere, the principal
7 sponsor of the death penalty referendum, said in
8 televised interviews that he revised the wording
9 that he had intended. He adjusted course on his
10 referendum proposal because of the Steven Avery
11 case, or the Teresa Halbach case. I don't
12 remember whether he used her name or his, and
13 they are, unfortunately, linked by this case.

14 But it was this set of events, that
15 brings to the courtroom, that caused the
16 principal author, he said on television, to
17 revise his proposal. And this case simply is a
18 link to it. It is not good democracy, in terms
19 of this referendum, and it's certainly not good
20 justice, in this particular case, to have these
21 two things going on at the same time. So, in
22 speaking on behalf of an adjournment, as the
23 second of the three possible alternatives I have
24 proposed here, I will close with that.

25 If we get to the change of venue issue,

1 the Court wanted me to be more specific about
2 what was prejudicial about the publicity, and
3 also to make a full record by submitting what I
4 have gathered on the publicity, and I will do
5 that. But I'm going to yield the floor to
6 counsel for the State on the initial matters I
7 have addressed.

8 THE COURT: All right. Mr. Kratz, will you
9 or Mr. Fallon be addressing?

10 ATTORNEY KRATZ: I will, Judge. Your
11 Honor, I have filed with the Court written argument
12 as to the request by Mr. Strang to dismiss these
13 charges as the appropriate remedy for what he
14 describes as improper pretrial publicity. What
15 Mr. Strang also identifies as the only logical
16 remedy, I'm using his words, Mr. Strang recognizes
17 in citing the 1968 case, the **Schulter** case, that
18 dismissal due to pretrial publicity is not deemed an
19 acceptable remedy, at least in this state, and has
20 not been deemed an acceptable remedy when others are
21 available.

22 The defense has available to it, not
23 only increased care in the voir dire and jury
24 selection process, but also that of change of
25 venue. Both **Schulter** and **Mendoza**, certainly,

1 when read together, suggest just what Mr. Strang,
2 I believe, already knows; that is, when change of
3 venue is, and would be, an appropriate remedy.

4 Even should this Court find the pretrial
5 publicity to be improper, dismissal just is not
6 an appropriate remedy.

7 I do not, Judge, intend to go through
8 the purposes of the press conferences. I think
9 Sheriff Pagel did a good job in doing that. This
10 Court, however, needs to understand that the
11 first half of those press conferences related to
12 a missing persons investigation. Great care was
13 taken never to identify Steven Avery as a
14 suspect.

15 And, in fact, the purpose of those
16 disclosures were to limit information. That
17 sounds a little bit unusual that you would hold a
18 press conference to limit release of information.
19 But that's exactly what was done, was exactly the
20 plan by the State, to disseminate very little
21 information, only that necessary to request
22 assistance of the public and to release
23 information already made public, both which are
24 allowed and prescribed under Rule 3.6 that I
25 cited in my brief as well.

1 Let me also mention that -- things that
2 Mr. Strang did not concede; that is, the
3 admonition by the State when reporting the filing
4 of the Complaints, that accused persons are
5 presumed innocent. Not noting that, I believe,
6 fails to recognize the very serious nature of
7 these press conferences and the serious manner in
8 which the State, particularly in which I, took
9 them.

10 Care was taken not to prejudice
11 Mr. Avery, not to unnecessarily identify him, and
12 to move forward in the criminal prosecution of
13 Mr. Avery with all deference and with all
14 recognition of his constitutional protections.
15 Objective, factual, non-editorial reporting is
16 not prejudicial. That is something I will,
17 however, also save for the change of venue
18 discussion.

19 This Court can't, however, forget the
20 facts of this case. This Court cannot forget the
21 allegations of what happened to Teresa Halbach.
22 And it is those facts, it is the way in which Ms
23 Halbach was abducted, and killed, and mutilated,
24 that has raised the intense media attention.

25 Mr. Strang may blame the State for that,

1 may say it was the State who was bringing the
2 attention upon Mr. Avery, but this gentleman
3 seated furthest to my right, who enjoyed a degree
4 of celebrity, when you talk about a poster child,
5 he enjoyed being the Innocence Project poster
6 child, didn't shy away from media attention.

7 In fact he, together with his supporters
8 and family members, continued to make allegations
9 of being framed, of being set up. And their
10 responsibility exists for members of law
11 enforcement, including prosecutors, under
12 Rule 3.6, to address just such comments made on
13 the other side, to avoid improper publicity and
14 improper inferences being raised.

15 So, Judge, not reiterating, but asking
16 this Court to accept those arguments set forth in
17 our motion, recognizing that the current state of
18 Wisconsin law is to discount the possibility, or
19 remedy, of dismissal of the charges, I'm asking
20 the Court to reject that motion by the defense.

21 Secondly, the continuance of the trial
22 is not an appropriate remedy. Mr. Strang's tying
23 this case to the death penalty referendum is
24 something that is improper. I can see why he was
25 reluctant to mention it, because it has no place

1 in this courtroom. It has no place in this
2 Judge's decision, whether or not to grant a
3 continuance.

4 The final remedy, the change of venue,
5 again, is something that the State is prepared to
6 argue, is something that **Schulter** and **Mendoza**
7 both provide for a Court, as a logical remedy,
8 should the Court find that the publicity prevents
9 a trial within this county for at least from
10 jurors from within this county, and would ask the
11 Court to deny this motion and move on, then, to
12 the change of venue motion. Thank you, Judge.

13 THE COURT: All right. I'm not going to
14 issue a decision from the bench today on the motion
15 to dismiss.

16 With respect to the venue motion I do
17 have a couple of questions. First of all, I know
18 in the original motion, Mr. Strang indicated that
19 if the State opposed the motion, he requested an
20 evidentiary hearing. I'm not sure that we have
21 heard, on the record, yet, the position of the
22 State on the motion, on the defense's motion to
23 change venue, if it came to that. What is the
24 State's position on the defense motion to change
25 venue?

1 ATTORNEY KRATZ: Judge, first, Mr. Strang
2 framed this issue as not inviting the Court to
3 accomplish a change of venue in one manner or the
4 other. That concerned me in addressing my position.

5 In other words, as I read **Fonte**, and the
6 other change of venue cases, if this Court
7 believes that pretrial publicity endangers the
8 defendant's right to a fair trial, and this Court
9 decides that a change of venue is appropriate,
10 it's the Court's decision to decide how to
11 accomplish that, whether to bring a jury from
12 another county, or whether the entire trial
13 moves.

14 By Mr. Strang imposing upon the Court
15 what appears almost to be an ultimatum, that this
16 Court is not invited to use one method or the
17 other, again, is of concern. That's the
18 preference, Judge -- or preface, excuse me, to my
19 position. Should this Court agree with the
20 State, that if pretrial publicity is believed to
21 endanger the defendant's right to a fair trial,
22 and if this Court believes it is the Court's
23 responsibility on how best to accomplish that,
24 the State does not intend to argue or to
25 challenge the motion.

1 If this Court agrees, however, with
2 Mr. Strang, that it is the defense's prerogative
3 to preclude the Court from accomplishing change
4 of venue, in one manner or another, the State
5 very well may put the defense to its burden
6 regarding the publicity and whether or not the
7 change of venue is appropriate.

8 THE COURT: I'm not sure I understand what
9 the State's position is yet. To be sure, it's the
10 Court's decision to determine whether or not there
11 is going to be a change of venue. I'm not sure that
12 prevents the State from taking a position, either in
13 support of or in opposition to the defense's
14 request.

15 The defense is making a conditional
16 request, as I understand it, for change of venue.
17 Its hope is, number one, that the Court will
18 grant the defense's motion to dismiss, or in the
19 alternative, number two, the Court will grant the
20 defense's motion for a continuance of a trial
21 date. But if the Court denies those two motions,
22 I understand the defense to be asking for a
23 change of venue. Is that a correct
24 interpretation, Mr. Strang?

25 ATTORNEY STRANG: That's right.

1 THE COURT: What I'm asking you, Mr. Kratz,
2 if it came to that, and because I'm taking these
3 motions globally and together, today, if it comes to
4 that, what is the State's position on the defense
5 motion?

6 ATTORNEY KRATZ: But Mr. Strang also said,
7 we're only asking for a change of venue if you move
8 the whole trial to a different county. I don't
9 think the defense can do that. And I read the
10 statute as, they either ask for a change of venue or
11 they don't. And it's the judge, then, who decides
12 how best to accomplish that. If that's a correct
13 reading of the law, I have no objection to the
14 change of venue motion.

15 ATTORNEY STRANG: That's fair. I mean
16 there is a legal issue lurking here. I am
17 suggesting that 971.22 does not automatically give
18 the Court the power, over defense objection, to
19 proceed under 971.225. Now, I'm not aware of any
20 case law on the question on -- one way or the other.

21 But Mr. Kratz is right, to this limited
22 extent, we are specifically making a motion, in
23 the alternative, as the Court correctly
24 described, to move the entire trial; that is, to
25 pick a jury from another county, and in that

1 county to conduct the trial.

2 I'm not trying to impose anything on the
3 Court. But I am arguing to the Court, or
4 submitting to the Court, that here, where we have
5 questions about the involvement of the Manitowoc
6 County Sheriff's Department and, indeed, the
7 Sheriff's Department of this county electively,
8 on November 5, recusing itself from lead
9 responsibility in this investigation, I'm asking,
10 in effect, for the Court to hold the department
11 to that, or to continue and keep in place that
12 recusal, that stepping back, by not having the
13 Sheriff's Department participate in contact with
14 jurors here, unsupervised, any more than it
15 participate in the collection of evidence,
16 unsupervised, by other law enforcement agencies.

17 So, if we moved the trial to another
18 county altogether, we would solve that problem.
19 We would be using another county's sheriff's
20 department to provide support to the Court in
21 terms of witnesses, and courtroom security, and
22 superintending the jury, and all the things that
23 the sheriff's department, in the capacity as
24 bailiffs, do.

25 So, yeah, I mean Mr. Kratz is right, I'm

1 not trying to impose anything on the Court. But
2 he views -- he reads the statutes as leaving,
3 entirely to the Court, the decision whether to
4 proceed under 971.22 or 971.225 once the defense
5 has asked, generally, for change of venue.

6 And I'm saying that on these facts here,
7 the willingness of the defense to relinquish its
8 constitutional right to a trial in this venue,
9 hinges on the denial of the first two remedies we
10 seek; and, finally, then, hinges on moving the
11 trial altogether, if in fact we have to use
12 jurors from a county other than Manitowoc. I
13 don't know if that helps clarify or not.

14 THE COURT: So, setting aside for the
15 moment the question of whether the Court alone has
16 the power to utilize 971.225 as an alternative, you
17 are saying, if the defense -- the defense position
18 is, that if the Court does not dismiss the case and
19 does not adjourn the trial, the defendant is
20 requesting a change of venue, but only if the Court
21 actually moves the trial to another county. And
22 that if the Court -- if the Court's position was
23 that it would consider a change of venue, if it only
24 meant bringing jurors from another county here, then
25 the defense would withdraw it's request for a change

1 of venue?

2 ATTORNEY STRANG: Right.

3 THE COURT: Assuming you have the power to
4 do that?

5 ATTORNEY STRANG: Right. That's right.

6 Mr. Avery would not relinquish his right to a trial
7 in this venue under the circumstances the Court just
8 outlined. I mean the Court has described our
9 position exactly correctly.

10 THE COURT: All right. And Mr. Kratz, it
11 appears I unfairly jumped on you. I didn't perceive
12 what the issue was deciding the parties -- or
13 dividing the parties. So the State's position,
14 then, is what?

15 ATTORNEY KRATZ: The State's position is,
16 should the defense request this Court for a change
17 of venue, I have no objection to that change of
18 venue. I'm confident in reading 971.225 that it
19 then becomes the Court's obligation how best to
20 accomplish that. Now that I have 971.225 in front
21 of me, I don't believe -- I'm quite confident the
22 defense doesn't get to place that condition upon its
23 request. They either ask for it, or they don't.

24 THE COURT: All right. Because of the
25 criteria that apply, to evaluate a request for

1 change of venue, I'm not going to hear additional
2 oral argument on that today. I think it depends,
3 not exclusively, but in significant part, on not
4 only the publicity the case has received but the
5 nature of that publicity.

6 And I think the most effective way for
7 me to evaluate your arguments on that issue is to
8 get citations perhaps to specific news media
9 accounts that relate most closely to your
10 arguments and then have a DVD that I can look at
11 to evaluate those arguments.

12 So I'm going to ask, I know the defense
13 does, I'm not sure what the State's position is
14 going to be but, Mr. Strang, to supplement your
15 argument on the venue motion, which I understand
16 to be a contingent or conditional argument,
17 please address it in writing and direct me to
18 those news media accounts which you wish to cite
19 either as examples of a general theme or specific
20 accounts. I don't think I'm going to look at
21 every DVD that's in the box.

22 ATTORNEY STRANG: Right.

23 THE COURT: I think I have a general idea
24 what the publicity has been.

25 ATTORNEY STRANG: Right. And I very easily

1 can do that, your Honor, in fact, since I pulled out
2 several pages of examples and put them down in
3 writing already, I can just change that to a format
4 appropriate for the Court.

5 And the Court is right, the way I
6 approached this was to -- I will give the Court
7 everything I have, and then in writing I can
8 provide examples, some with specific dates, some
9 just more general things to look for, and maybe
10 with exemplars of the general problem. And in
11 writing is just fine. That's no problem at all.
12 Now, I have the boxes of the raw material, which
13 if we have to have a fight over change of venue,
14 I will want, as a matter of making a record.

15 THE COURT: All right.

16 ATTORNEY STRANG: But rather than making
17 the Court search for needles in a haystack, I can
18 give some examples.

19 THE COURT: And with respect to the prior
20 argument on the Motion to Dismiss, I know that the
21 news conferences play a more significant role in
22 that motion, they may also relate to the venue
23 motion as well. As I understand it, at this point
24 there isn't a DVD that has those on, but the parties
25 think they can get one.

1 ATTORNEY STRANG: That's right. And I
2 should take, obviously should take responsibility
3 for that. They used to be online on wfrv.com and
4 between the time I looked at them and watched them,
5 and when Mr. Buting tried to do the same thing, they
6 got taken down. I assume to save band width or
7 something so what I'm going to do is, by subpoena or
8 request to WFRV, or to one of the channels, try to
9 get one or more, probably more than one DVD that has
10 all of that footage, to the Court.

11 THE COURT: All right. Anything further on
12 those three motions?

13 ATTORNEY KRATZ: So I'm clear, and I don't
14 mean to belabor this issue, Judge, is the Court then
15 unwilling to rule on whether or not the defense is
16 legally able to make a conditional change of venue
17 request? And here is why, I don't know how to
18 respond.

19 There are 30 family members sitting
20 behind me, there are 75 cops that are going to
21 testify. I have a room full of evidence that I
22 prefer not to trek over to La Crosse. And that
23 is a very, very candid and very practical
24 approach to how I mean to respond.

25 If the Court believes that the defense

1 has that ability, the Court believes that the
2 defense can say, Judge, you are precluded under
3 971.225, despite saying the Court shall, you are
4 precluded from making that decision. Then the
5 State very well may put the defense to it's
6 burden. Very well may argue that it was not
7 inflammatory.

8 THE COURT: All right. Since the Court
9 hasn't been focused on this particular issue until a
10 few minutes ago, I can tell you for sure, I'm not
11 prepared to rule on it today. I welcome you to
12 submit written argument if you wish. And maybe the
13 question is easy to address and maybe it isn't. I
14 don't know, since I haven't looked at it until now.
15 But you should submit your argument in writing.

16 ATTORNEY KRATZ: Would the Court permit,
17 and Mr. Strang permit, me to argue in the
18 alternative; would that be acceptable?

19 THE COURT: Yes.

20 ATTORNEY KRATZ: All right. Thank you.

21 ATTORNEY STRANG: In terms of getting the
22 written highlights or examples for change of venue
23 purposes, does the Court have a date that I should
24 meet?

25 THE COURT: How long do the parties believe

1 it will take them to submit their arguments to me?

2 ATTORNEY KRATZ: I will need to see the
3 DVD's from Mr. Strang and then we're able to
4 respond. I doubt we can have this ready for
5 decision by the 19th.

6 ATTORNEY STRANG: Okay. Now, what DVD's?
7 I'm sorry, the news conferences or the 24 DVD's
8 about pretrial publicity?

9 ATTORNEY KRATZ: I understood that we were
10 waiting for something from Mr. Strang by way of the
11 news conferences but, also, there was going to be
12 some opportunity that the Court provided the defense
13 to supplement its argument as to change of venue.
14 After I receive that, Judge, I can respond.

15 THE COURT: I think it's fair that the --
16 since the State is at least reserving the right to
17 oppose the change of venue request, that they have a
18 right to see what the basis is for the change. So I
19 think the defense is going to have to go first and
20 the State is going to have to get a chance to reply.

21 ATTORNEY STRANG: I agree.

22 THE COURT: So with that in mind,
23 Mr. Strang, I guess I ask you first, how long do you
24 think it will take?

25 ATTORNEY STRANG: I really think that if I

1 had to, by the end of the week I could submit the
2 written highlights of the publicity. I don't know
3 how long it will take me to get the eight news
4 conferences on to DVD, but I would think, certainly,
5 by the 14th that could be done. That's a reasonable
6 target.

7 THE COURT: All right. So the defense by
8 July 14th, and then, Mr. Kratz, what do you need for
9 response time?

10 ATTORNEY KRATZ: A week is fine, Judge. I
11 can have it by the 21st.

12 THE COURT: State by the 21st. Fair
13 enough. Anything else on those three motions?

14 ATTORNEY KRATZ: No, Judge.

15 THE COURT: If not, we're going to take our
16 afternoon break now and then resume. I think some
17 of the other motions are a bit less time consuming
18 than these were.

19 ATTORNEY KRATZ: I'm sure they are, Judge.
20 Thank you.

21 (Afternoon recess taken.)

22 THE COURT: At this time we'll go back on
23 the record and move on to the next motion, which is
24 the State's motion concerning Third Party Liability,
25 or a *Denny* motion. And it's really in two parts.

1 The first is requesting that if the defense is going
2 to -- or intends to introduce any evidence
3 suggesting that someone else is guilty of the crime,
4 other than Brendan Dassey, that they comply with the
5 requirements of **Denny**, before the Court allows such
6 evidence.

7 And, secondly, that the same standard be
8 applied to any allegedly planted evidence;
9 though, I'm not sure if -- in light of
10 Mr. Fallon's response, if the State is still
11 making that argument or not, that is, that the
12 **Denny** standards be applied to any allegedly
13 planted evidence.

14 First of all, with respect to the motion
15 as it relates to **Denny** type evidence itself, I'm
16 not sure that there's a disagreement between the
17 parties. Counsel?

18 ATTORNEY STRANG: I don't think there is,
19 although, that's Mr. Buting's motion to respond to.
20 But I just want to make sure I have got the batting
21 order, are we skipping over excluding the Manitowoc
22 County Sheriff's Department, for now?

23 THE COURT: Well, let's see. Actually, I
24 thought that the other arguments were including that
25 one. I thought we were dealing with items 1, 2, and

ATTORNEY STRANG: No.

THE COURT: Well, let's do **Denny** and then we'll go back, as long as we're here.

ATTORNEY BUTING: Judge, as to the first question you had, we recognize that **Denny** is the binding authority on third party evidence and that we would be required to comply with that as to any identified third parties, other than the co-defendant, obviously, Mr. Dassey. So I don't think there's any dispute on that particular point.

The dispute between the parties came on whether **Denny** should apply to any so-called frame-up or planting kind of argument. And I think Mr. Fallon conceded that **Richardson, State vs. Richardson**, now makes it clear that **Denny** does not apply under those circumstances. And then the question becomes: What, if any, rules do apply to that, and whether there needs to be a pretrial motion and any sort of foundation laid. So that would be the area that would still be in dispute.

THE COURT: All right. In reading the arguments of both of the parties and looking at the issue, it struck me that even the planted evidence

1 matter could actually have two sub-issues. I could
2 see how the defense could make such an argument,
3 just as an inference from the evidence as it came
4 in, without any independent evidence, or as in some
5 of the cases -- and I forget which case it was --
6 where they wanted to show evidence that the officer
7 had committed similar offenses, if you will, against
8 other arrested defendants, that there actually would
9 be other independent evidence of planted evidence.

10 Let me deal with the first issue first.

11 If the -- Does the State feel that the defense
12 has to do anything special to argue from
13 evidence, as it comes in from the State, that
14 evidence may have been planted, just as a logical
15 inference from the evidence that the State
16 introduces?

17 ATTORNEY FALLON: Thank you, your Honor.

18 Yes, we do. I think the best way to characterize
19 this issue is in this light. I would submit to
20 Court, and Counsel, that it is an entirely different
21 argument, a far different argument, to say that the
22 constable has blundered and negligently collected
23 the evidence, negligently transported the evidence,
24 negligently cared for the evidence.

25 That's one argument. And I would

1 suggest they are free to make that argument and
2 ask the jury to draw whatever reasoned inference,
3 from that, they choose to draw, during the course
4 of the deliberations.

5 However, the argument that the constable
6 is crooked, is an entirely different argument to
7 be offered, with respect to the presentation of
8 evidence, the collection of evidence, the storage
9 of evidence, the transportation of the evidence
10 and, hence, the actual -- the integrity of the
11 evidence itself.

12 The point of the State's argument is
13 simply this, if that is the argument, if that is
14 the inference the defense chooses to have the
15 jury draw from the presentation of evidence, then
16 we ought to know what that evidence is.

17 It is clearly -- As I argue in the
18 brief, it clearly contemplates consideration of a
19 variety of potential issues: The integrity of
20 the officers, or the citizens, or whomever may be
21 involved in the evidence which is at issue. The
22 Court cannot make a determination of relevance
23 and, hence, balance the competing interest to
24 determine the admissibility of evidence, if we
25 don't know what the evidence is, if we don't know

1 what the issue is.

2 As I suggest in my -- in the written
3 argument, waiting until the trial to deal with
4 objections as to the admissibility of evidence,
5 or the appropriateness of certain arguments
6 relative to inferences drawn from the evidence,
7 waiting to the point of trial is not practical,
8 nor logical. By analogy, any other trial in
9 which evidence of this type, or similar type, is
10 always handled pretrial, there's always a
11 question as to its admissibility.

12 And while, for instance, the State may
13 very well be prepared to concede relevance,
14 depending on what the evidence is and what the
15 argument is and what the theory is, conceding
16 relevance does not in any way mean that the
17 evidence would be admissible. And we're simply
18 asking for the notice, and the opportunity to be
19 heard, relative to that particular type of
20 evidence.

21 So, again, it comes down to, there's a
22 big difference regarding negligent handling of
23 evidence and deliberately contaminating or
24 tampering with the evidence, which goes to the
25 very essence of the trial's goal, which is to

1 search for the truth. So anything that in that
2 way suggests impropriety, challenges the fairness
3 of the trial itself, ought to be handled
4 pretrial.

5 We normally do that in a whole host of
6 whether it's other acts motions, which we will be
7 doing in a couple weeks, whether it's a rape
8 shield issue. There are certain types of
9 evidentiary issues which must be handled
10 pretrial. And the obvious -- or the policy
11 reason is that we have more time to think about
12 the impact of that evidence and those arguments,
13 and weigh the competing inferences and do the
14 balancing test that Section 904.03 suggests.

15 And that's the point of our motion. If
16 you look at **Richardson** and you don't look at the
17 Supreme Court case, **Holmes vs. South Carolina**,
18 even in that case, they dealt with the issue
19 pretrial. And in **Denny** it's a pretrial issue,
20 and in **Scheidell**, which dealt with unknown third
21 party evidence, it's handled pretrial.

22 And when you look at that interplay
23 between the statutes at issue, 901.04, 904.02,
24 904.03, the Court talked at length as to the
25 interplay of that. And the whole idea is to

1 avoid surprise, waste of time, confusion. And I
2 think there's a very distinct possibility of a
3 possible mistrial, if we don't handle that
4 evidence correctly.

5 And it just seems to me that we should
6 deal with that upfront and not in the middle of
7 the trial, and not have an argument and have to
8 delay the trial for a day or two, which is often
9 the remedy, if there's a problem in that regard.

10 So that's the point of our motion, we
11 would just like a little notice. We may very
12 well concede the relevance, and it's possible, we
13 might even concede the admissibility. Possible,
14 but not likely, but that's a possibility.

15 So the question then becomes, what is
16 the evidence, how can we -- how can the Court
17 fulfill its function of applying the rules of
18 evidence to engage in the balancing test, and to
19 provide the parties sufficient notice to prepare
20 the case and present it as smoothly as possible.
21 That's what the whole point of the pretrial
22 motion practice is.

23 THE COURT: All right. Mr. Buting, are you
24 going to handle this?

25 ATTORNEY BUTING: Yes, I am, Judge.

THE COURT: Fine.

ATTORNEY BUTING: I think the Court, really, in its introductory remarks, distinguishes what is going on here; and that is, that I think the State has sort of muddled the issues together, the question of whether or not the defense can argue reasonable inferences from the evidence that they present, or that the defense themselves presents, versus whether the defense can introduce extrinsic evidence of other -- perhaps other cases where officers committed misconduct.

That was the case, I believe Missouri -- ***State vs. Missouri***, a recent Court of Appeals case, where the defense was that the officer was biased against Missouri, the defendant, as evidenced by his bias and racial bias in numerous other cases. And the Court of Appeals said, that comes in.

Not only can they challenge his bias towards this individual defendant, but that they could use extrinsic evidence from his past cases to support the bias on this case. That's very different than what the State seems to be arguing though.

What they seem to ask for is something

1 much more radical than **Richardson**. **Richardson**
2 dealt with extrinsic evidence. First of all, the
3 State filed a motion in limine, as I understood
4 the procedural history, to exclude two collateral
5 pieces of extrinsic evidence. Not to prevent any
6 argument that the defendant may make that he was
7 being framed by his ex-wife, but to prevent
8 testimony from the ex-wife, or the divorce
9 attorney that she had called and made some kind
10 of accusation. And the other item was that the
11 defendant had successfully obtained a child abuse
12 injunction against the ex-wife.

13 Well, the Court said that **Denny**, first
14 of all, did not apply to those kinds of requests
15 for evidence, and then the Court went through
16 this 901.04 or .03, I think, type of analysis
17 and -- because it was extrinsic evidence. And in
18 that case, they said it was very much collateral
19 because there was -- And, actually, there's one
20 paragraph in that decision that troubles me that
21 may, frankly, be overruled by **Holmes vs. South**
22 **Carolina**. And that's Paragraph 27 of **Richardson**,
23 where they sort of do a weighing of the State's
24 evidence when they are trying to determine what
25 is the probative value of the defense proffered

1 evidence.

2 They go through the whole State's case,
3 including the fact that this young girl had
4 physical evidence of a sexual assault, that there
5 was semen, that there was three or four other
6 things that certainly made it look like his claim
7 was -- was of little probative value, his claim
8 that the ex-wife was framing him who, by the way,
9 was not even the mother of the child who was
10 accusing him. So he had a rather tenuous
11 argument there.

12 I think under *Holmes vs. South Carolina*,
13 that whole analysis is, frankly, very
14 questionable. Because they say you can't do
15 that, you can't analyze, just look at the one
16 side to determine if there is strong forensic
17 evidence, or if there's strong whatever kind of
18 evidence, that somehow that affects the
19 admissibility of the defense.

20 But, again, *Richardson* was very, very
21 different, because it really was not talking
22 about whether or not the defense needs to provide
23 notice to the State if they are going to
24 challenge the State's evidence. I have said it
25 as clearly as I can say it in our response and

1 we're giving them notice now. Mr. Avery is
2 challenging the State's evidence, including the
3 forensic evidence. And we're going to put them
4 to their proof.

5 And as a party to a litigation, we have
6 a right to challenge the authenticity of
7 evidence, first, to see if it could even come in;
8 chain of custody, whether its been properly
9 maintained; and then even if it does come in and
10 is relevant, we have a right to challenge its
11 reliability, its integrity, the credibility of
12 the officers who seized it.

13 All of that is fair game. That is
14 direct physical evidence in this case. It's not
15 extrinsic. It's not some other case, or some
16 tangential argument. So, what they are asking
17 is -- is an absurdly high burden.

18 They want us, the defendant, in his own
19 case, to be able to apparently show who -- if
20 there is any evidence of a frame-up, or any
21 argument, or innuendo, or inference to be made,
22 that first the defense has to be able to show who
23 did it, how they did it, how many people are
24 involved, who else knows about it.

25 Now, how could a defendant possibly do

1 that, in any case, if the allegation is that the
2 misconduct is on the part of the police. That
3 may or may not be the allegation that's raised
4 here.

5 The integrity of the evidence that
6 appears to indicate Mr. Avery's involvement is
7 very much going to be in play, whether it's
8 something the police did or something someone
9 else did. But we are free to argue any
10 reasonable inference that comes from the evidence
11 presented, as to how that evidence was found,
12 seized, and secured, from that point forward, and
13 tested, if it's forensic evidence.

14 Indeed, nowhere, I was able to find no
15 case anywhere in this country that has ever --
16 and the State has certainly cited none -- that
17 has ever held what they are asking, to somehow
18 prevent an entire defense argument, from
19 reasonable inferences of physical evidence in the
20 defendant's own case, to somehow go through this
21 whole relevance and balancing test.

22 The Court doesn't have to go through
23 that whole balancing test if we're talking about
24 arguments from the evidence or inferences from
25 the evidence. There are no cases that talk about

1 that, because that's not required.

2 That would be required if we were
3 seeking to introduce extrinsic evidence, such as,
4 for instance, that one of the officers in this
5 case had committed some misconduct in the past
6 that was related to this. Then we would be
7 filing a motion, and we would go through that
8 sort of analysis, and the Court would have to
9 weigh and go through the balancing test.

10 But they are, as I understand the
11 State's motion, at least it's written motion,
12 going way, way, way beyond that. And I think the
13 Court accurately distinguished those two issues
14 in its initial comment. So if we intend to
15 introduce extrinsic evidence of some misconduct
16 in other cases, then I anticipate we would be
17 filing a motion.

18 But we do not need to file any motion,
19 or give any further notice than we have today, to
20 the State, that we intend to challenge all of
21 their evidence they marshal against Mr. Avery.

22 THE COURT: All right. Mr. Fallon, let me
23 ask you a question. Because I -- There might be one
24 argument being made one way, or a different answer
25 being given the other way. To go back to the prelim

1 in this case, I just recall it vaguely, but the car
2 key was found on the carpet, and I think the
3 testimony was that there had been a couple police
4 run-throughs through the room where the key was
5 found. And on the third time they found it.

6 And I think -- Let's say the defense
7 wants to argue that, well, since the key wasn't
8 found the first couple times, that one logical
9 reading is that somebody from the police
10 department planted the key and that's how they
11 found it the third time.

12 If that's what happened, if the State's
13 evidence would come in as it did at the prelim,
14 and the defense didn't introduce any other
15 evidence on the issue, but simply made that
16 argument, are you saying that they have to meet
17 some burden, or produce something, or notify the
18 parties and the Court ahead of time, that they
19 are going to make that argument? Or is it just
20 if they -- if they want to argue, as Mr. Buting
21 said, that they had some evidence that some
22 member of the police department had been guilty
23 of planting evidence in the past, say, and put
24 that in?

25 I think they are admitting that if they

1 want to introduce any extrinsic evidence they
2 would have to provide advance notice, but I think
3 the question comes down to, aren't there times
4 when they just want to argue, based on the
5 evidence as it's come in, that some evidence was
6 planted. What do they have to give a notice of?

7 ATTORNEY FALLON: If you are going to make
8 the argument -- If you are going to make the
9 argument that somebody put that key there, then it
10 seems to me the State should have the opportunity to
11 examine and question. It's a lot easier to make an
12 allegation of police misconduct than there is to
13 prove it.

14 And what we're trying to avoid, is this
15 trial becoming a whole series of allegations of
16 police misconduct which are not supported by
17 fact. I suppose you could make the argument that
18 that's a "reasoned" inference; although --
19 reasoned is in quotes -- from those particular
20 facts. But I have already obtained -- We have
21 already obtained one concession right now,
22 because the defense is clearly saying that any
23 extrinsic evidence that would require a motion.
24 That's fine, then we're half way home. That's
25 exactly what we're looking for. If they are

1 acknowledging the fact that they are going to
2 bring in any type of extrinsic evidence, that's
3 fine.

4 But, okay, the key is planted there.
5 Well, who was there? Well, we know the officers
6 who were involved in the search and we know the
7 officer who uncovered the key. So, is there then
8 -- Are we led to believe there's a conspiracy?
9 Seems to me the conspiracy, for instance, is a
10 reasonable inference. And if we're going to have
11 inferences alleging conspiracy, conspiracy is one
12 of those things that always requires a pretrial
13 motion. Obviously, it's usually the State which
14 is seeking to introduce evidence of conspiracy,
15 but not always. It's sometimes offered by the
16 defense as a theory.

17 And in *Richardson*, that involved
18 somewhat of an extrinsic evidence, but it clearly
19 set forth the analysis, that if you're going to
20 reach to make an argument, or an inference, then
21 you have to have a reason to make that reach,
22 that argument, that inference. And, again, I
23 come down to, it's a far different argument that
24 the constable is crooked than the constable
25 blundered.

1 They can make whatever argument. I
2 don't challenge their ability to question every
3 bit of evidence we produce, the manner in which
4 it was collected, preserved, maintained,
5 transported. They are free to do that.

6 But I take issue with the fact that we
7 can willy nilly walk in an accuse police officers
8 of misconduct. To me, before that evidence is
9 submitted to the jury and argued to the jury,
10 there ought to be a reason for that, for not
11 every argument and not every inference, although
12 relevant, should be heard.

13 THE COURT: All right. Well, in the
14 example I gave, I mean, are you arguing that they --
15 What you are really arguing, I think, and I don't
16 want to put words in your mouth, so I will give you
17 a chance to respond. But are you really arguing
18 that the defense should have to provide notice of
19 the argument it is going to make -- or that the
20 defense is going to make, from the facts as they
21 come in? Because there could easily be a scenario
22 where the defense has no more facts than the State
23 introduces, they just argue that there's a different
24 inference from those facts.

25 In the example I gave, I think as I

1 recall the testimony, was that the key fell out
2 or something. I don't want to get into the facts
3 because, number one, my memory isn't that good.
4 But if the defense wishes to make an argument of
5 evidence being planted, simply based on the way
6 the evidence is introduced on examination and
7 cross-examination of the State's witnesses, what
8 do they have to provide notice of?

9 ATTORNEY FALLON: I guess I'm envisioning
10 you are taking one bit of evidence and looking at it
11 in isolation, to draw an argument or an inference,
12 and is that appropriate. And it seems to me that
13 whether you are defending or prosecuting a case,
14 that there are lines of evidence, there are theories
15 of evidence, there are themes, there are
16 admissibility strains, as it were.

17 And it's hard to analyze and accept the
18 Court's proposition of looking at, for instance,
19 the key, in isolation. I mean, there's a lot of
20 other physical evidence that is subject to
21 dispute. And just as an example, there is a fair
22 amount of blood evidence obtained from the
23 vehicle of the victim here. Well, how did that
24 blood evidence get there?

25 And there's a fair amount of other

1 physical evidence collected elsewhere, from the
2 garage of Mr. Avery, for instance, so how does
3 that get there? So, are we just saying that, and
4 can the defense just, willy nilly, say, well, we
5 think that piece was planted and this is not.

6 How do you make the argument? That's my
7 concern. How do you make that argument in
8 isolation? How do you tie it all together? Or
9 is it just, rudimentally, they can make the
10 argument because it is the defense and,
11 therefore, it's admissible? That's a reasoned
12 inference?

13 Because you have to -- I guess the point
14 I'm trying to make, and I'm not being very
15 artful, is that you have to look at the evidence
16 as a total, as it is anticipated to come in.
17 Admittedly, that's difficult. But generally we
18 have a pretty good idea of what the evidence will
19 be in this particular case; although, some of it
20 is still the subject of motion and debate.

21 But I don't think you can make a
22 determination as to whether or not a particular
23 inference is reasoned, under the circumstances,
24 until you consider everything. And if somebody
25 wants to make the argument that there's a

1 planting of evidence, or that Mr. Avery is being
2 framed, it seems to me that there ought to be
3 proof of that.

4 It may be in extrinsic form or, to
5 borrow a phrase, it may be intrinsic. It may be
6 directly related to the case. But if you are
7 going to make that argument, or you are going to
8 introduce evidence of that, then we ought to know
9 what it is. I'm more concerned about the
10 evidence than the argument.

11 THE COURT: But that's a big "or" there,
12 because I think as I hear the defense, they are
13 saying, if they do intend to introduce evidence,
14 that they will provide notice. I don't know,
15 Mr. Buting, maybe now is the time to ask whether I'm
16 reading too much into what you are saying.

17 But that's the way I understood you to
18 say, that if the defense was going to offer any
19 extrinsic evidence relating to the issue of
20 planted evidence, that the defense would provide
21 notice, but that you didn't feel that you had to
22 make any pretrial offer if you were simply going
23 to argue, from the evidence as it came in, that
24 some evidence could have been planted.

25 ATTORNEY BUTING: Yes. Well, if we sought

1 any extrinsic evidence that's not related to the
2 evidence directly in this case, then, yes, we would
3 have to go through that, file a motion, I think --
4 or we would. And then the Court could go through
5 that balancing test. If it relates to the evidence
6 in this case, it's fair game for us to challenge it
7 in any way we can, whether it's by calling our own
8 witness or cross-examining their witnesses.

9 This whole notion, that somehow the
10 Court decides ahead of time what's a reasonable
11 inference that we can argue, is absurd. That's
12 for the fact finder. A party can argue any
13 reasonable inference from the evidence.

14 Now, if our inferences are just totally
15 absurd, then the State will get up there on its
16 rebuttable argument and make that very argument
17 to the jury. And the jury, collectively, will
18 decide whether or not the inferences that the
19 defense is advancing are reasonable or not.

20 And that's -- As I understand it, he
21 seems to be trying to take that away from the
22 defense and put -- making the Court rule in
23 advance what -- whether or not any reasonable --
24 or whether or not any inferences we want to argue
25 from their evidence should even go to the jury.

1 And that's a complete denial of the defense's
2 right to present a defense, a constitutional
3 right to present a defense. And, again, there's
4 no case law anywhere that says that. Because
5 it's clear that the jury is the one that decides
6 whether or not something is reasonable.

7 You know, I don't see anything that
8 unusual about a defendant getting up and
9 challenging the police for misconduct or
10 otherwise. Think about -- Think about drug
11 cases, hand-to-hand deliveries, dropsy type
12 cases. Defendants do that all the time, where
13 the defendant testifies one way, the police
14 officer testifies another.

15 You know, that's not negligence that's
16 being alleged by the defendant in those cases.
17 The defendant is saying, I'm telling the truth
18 and the officer is not. You don't have to file a
19 motion ahead of time to do that, that's
20 fundamental.

21 And so, if somehow the notion that in
22 this case it's different, and that we cannot go
23 off willy nilly accusing the police of something,
24 you know, if the State or its witnesses put
25 themselves in the position in this case where

1 they are subject to that kind of attack, and the
2 jury finds that it's a reasonable inference to be
3 drawn, then we can do that, plain and simple.

4 THE COURT: Mr. Fallon.

5 ATTORNEY FALLON: Again, I'm less worried
6 about whatever argument they choose to make. I'm
7 more concerned about what evidence they choose to
8 introduce in support of that argument, or that
9 inference.

10 The key is one thing, but when you
11 consider the amount of physical evidence, for
12 instance, taken from the vehicle, the vehicle
13 wasn't processed by anyone from Manitowoc County.
14 It wasn't processed even at the scene. It was
15 processed at the Crime Lab in Madison. So if
16 you're going to challenge the evidence, it
17 necessarily involves introduction of extrinsic
18 evidence, almost.

19 What about the other physical evidence
20 that was obtained, in this particular case.
21 Counsel is correct to a degree, he can make
22 whatever argument he wishes to make. And if the
23 jury rejects it out of hand, then they are stuck
24 with that.

25 Again, our concern is, and the motion

1 is, frame-up evidence, not frame-up argument.
2 So, just to be clear on that, and perhaps we got
3 sidetracked on inference and argument as opposed
4 to evidence, the motion is focussed on what
5 evidence is there of a frame-up that's going to
6 be introduced.

7 And that's the question, admittedly.
8 And they have conceded, if they are going to
9 introduce extrinsic evidence, then it would
10 require a motion. That's fine. We're
11 comfortable with that. But it just seems to me,
12 that if that's going to be the tact, we ought to
13 be able to talk about that and determine how that
14 evidence is going to be used. That's the point
15 of the motion, not so much the argument or the
16 inference. So I should be clearer.

17 THE COURT: On the issues that relate to
18 this motion, there was one other one. I think in
19 Mr. Kratz's original argument, he indicated that he
20 felt the *Holmes* case modified *Denny*, but it seems to
21 me that if the result had been different, it might
22 have modified *Denny*, but that the *Holmes* -- that the
23 South Carolina Supreme Court result was reversed.

24 ATTORNEY FALLON: Right.

25 THE COURT: Was it not?

1 ATTORNEY BUTING: But I'm not so sure that
2 **Holmes** does anything for us, other than suggest that
3 this should be discussed pretrial. Because **Holmes**
4 did deal with third party liability. It did deal
5 with an identified, informed third party that was
6 suspected of committing the crime.

7 And the actual focus is whether or not
8 the South Carolina rule of evidence went above
9 and beyond what other courts have held; in other
10 words, above and beyond, say, our **Denny** rule.
11 And I think it clearly did in that case and
12 that's why the United States Supreme Court
13 reversed that conviction and sent it back.

14 So, it didn't deal with frame-up
15 evidence per se, but it is instructive for the
16 proposition, I think, that it's the type of issue
17 that's appropriately discussed pretrial. But I
18 think **Richardson** is the closest we have.

19 THE COURT: All right. I will allow either
20 side to correct me, but I don't really detect that
21 there's a big disagreement between the parties here.
22 I think, number one, both parties agree that **Denny**
23 is still good law, **Denny** applies, and that if the
24 defense wishes to suggest that some third party,
25 other than Mr. Dassey, is involved in the crime, the

1 defense will have to comply with the requirements of
2 *Denny*.

3 Number two, that if the defense wishes
4 to introduce any extrinsic evidence to suggest
5 that evidence was planted, or the defendant was
6 framed, the defense will have to seek the
7 admissibility of that -- of such evidence before
8 the trial and have the matter addressed at that
9 time.

10 But, third, if the defense wishes to
11 argue, that the evidence as it comes in and is
12 offered by the State, subject to
13 cross-examination by the defense, without any
14 extrinsic evidence being offered, that the
15 defense is not prohibited from making such an
16 argument, and the defense can argue that
17 different inferences than those suggested by the
18 State can be accepted by the jury.

19 That's what I'm hearing here. And I'm
20 not -- I'm not detecting that the parties differ
21 on this motion.

22 ATTORNEY FALLON: I accept your explanation
23 and summary of those arguments.

24 THE COURT: Mr. Buting?

25 ATTORNEY BUTING: I think we're clear, if

1 we have the same understanding of extrinsic
2 evidence, I guess. That would be evidence that's
3 not related to this case. If there's evidence that
4 we could present, I can't really think of any
5 analogy right now, but -- so it's probably foolish
6 to speculate at this point.

7 But I -- Again, if it relates to the
8 actual physical evidence in this case, and it
9 somehow relates to authenticity, or chain of
10 custody, I do not accept, by the way, the State's
11 claim that somehow there was no opportunity for
12 this to have been tainted by anyone, that the
13 vehicle could not have been tainted. I don't
14 accept that. And I don't think the evidence will
15 show that.

16 But, certainly, anything that would go
17 to chain of custody, or authenticity, or
18 credibility, or reliability of the State's -- or
19 bias -- of any of the State's evidence, or
20 witnesses presenting the evidence, is fair game,
21 and is not extrinsic. In fact, it is very clear,
22 bias is not extrinsic to a case, authenticity is
23 not. All of those fundamental building blocks is
24 what I'm talking about.

25 THE COURT: Mr. Fallon.

1 ATTORNEY FALLON: To the extent of the
2 comments on bias, and those other things, that's
3 fair game. But I do foresee a possible argument on
4 the scope of extrinsic. But as counsel has stated,
5 those comments there, we can live with that.

6 THE COURT: All right. The Court will
7 prepare its own ruling, written decision, on this
8 motion.

9 All right. Then moving back to the
10 defense motion to exclude members of the
11 sheriff's department from testifying and
12 overseeing jurors. Mr. Strang, are you handling
13 this one?

14 ATTORNEY STRANG: I am. Or trying to.
15 There's conceptually two parts to this motion: One,
16 supervision of jurors, or contact with jurors. And,
17 two, exclusion as a witness from the State's
18 case-in-chief. Let me address supervision of jurors
19 first.

20 We learned today, that on November 5,
21 the Manitowoc County Sheriff's Department decided
22 to turn over responsibility for the investigation
23 to other departments and to play a background
24 role. And then we learned that the Calumet
25 County Sheriff, according to the policy of having

1 someone from another department look over the
2 shoulder, so to speak, of any Manitowoc County
3 Sheriff's Department employee who's involved in
4 the investigation.

5 Really, what we're asking for here is a
6 continuation of that decision by the Manitowoc
7 County Sheriff's Department and, in a sense, that
8 policy that the Calumet County Sheriff
9 implemented. There is, you know, a department
10 that was concerned enough about a conflict of
11 interest, or the appearance of a conflict, to
12 take itself out of investigative responsibility
13 and turn it over to two other departments that
14 then were concerned enough about potential
15 conflict of interest, or the appearance of a
16 conflict, that, you know, they provided a
17 chaperone, or an accompanying officer, from
18 another department, any time a Manitowoc County
19 Sheriff's Department employee was involved at the
20 scene.

21 Certainly, I think ought to be -- I'm
22 not sure why you would oppose, then, implementing
23 that same thinking when you are not talking about
24 an investigation, and a scene, and collection of
25 evidence, but rather talking directly about

1 contact with the fact finders in the case.

2 And if -- if we simply extend this
3 recusal, or sort of turning over of
4 responsibility from the scene, to the jury, and
5 the fact finding process in this case, we would
6 have law enforcement officers, other than the
7 Manitowoc County Sheriff's Department, serve as
8 bailiffs, move the jury to and fro, move the
9 defendant to and fro, if he were to remain in
10 custody.

11 It's -- I think it's really not much
12 different. Indeed, the argument for it is more
13 compelling when you are talking about dealing
14 directly with jurors, because they are the fact
15 finders rather than just talking about the
16 assembly of evidence, or the processing of
17 potential evidence at a scene.

18 The fact is, that in any trial, the
19 Court is left to rely on court officers,
20 bailiffs, you know, usually Sheriff's Department
21 personnel in this State, but I will call them
22 court officers here. You have to rely on them
23 heavily. They are the point of contact with the
24 jury, at the beginning of the day, at the end of
25 the day, lunch, if a jury is sequestered.

1 These people are housed in the hotel
2 with the jurors. They are transporting the
3 jurors. They are supervising what jurors can see
4 and who they can talk to. And there isn't
5 anybody looking over their shoulder. There is no
6 one from an independent law enforcement agency to
7 look over their shoulder.

8 Now, I don't have any question about the
9 ability of the Manitowoc County Sheriff's
10 Department to do that, in the ordinary case, just
11 as they would investigate the ordinary crime in
12 Manitowoc County, rather than recusing themselves
13 because of concerns about a conflict, or the
14 appearance of one.

15 But in that sense, this case was tabbed
16 on November 5, by the Manitowoc County Sheriff,
17 well, or more accurately, by his under sheriff,
18 as not the ordinary case, as requiring a
19 different response. And that -- that really
20 ought to extend to contact here with the jury,
21 particularly if we -- if we have got a
22 sequestered jury.

23 The trial, obviously, should be fair and
24 it also should appear to be fair to the public,
25 and to the defendant, and everybody else who is

1 interested in it. I think it's an unusual case.
2 It's an unusual request. But it's pretty well
3 matched to the situation which we find ourselves,
4 where the department itself decided that it ought
5 not be the front line in the investigation and
6 the collection of evidence.

7 So, as to that first part, I guess to
8 some degree I'm adopting the reasoning that we
9 have already seen Sheriff Petersen describe to
10 his under sheriff, and seen Sheriff Pagel
11 implement at the scene.

12 As to the second part, excluding
13 Manitowoc County Sheriff's Department witnesses
14 from the case-in-chief, Mr. Fallon, who is a very
15 good lawyer, and a neat colleague and, you know,
16 I enjoy his company and his work, but he's very
17 deftly turned this and redefined this as a
18 defense request for suppression.

19 It's not. Not looking to suppress any
20 physical evidence. Not looking to suppress any
21 testimony, actually. What I'm looking for, what
22 I'm asking the Court to do, is to exclude
23 particular witnesses as a limited sanction, only
24 from the State's case-in-chief, so the defense
25 could call them, or the defense could open doors

1 on cross-examination during the State's
2 case-in-chief.

3 It would permit, then, the State to call
4 in members of the Manitowoc County Sheriff's
5 Department in rebuttal. And if, indeed -- if,
6 indeed, Sheriff Pagel is right, and at least as
7 of November 5 this policy of always having an
8 independent law enforcement agency person
9 accompanying any Manitowoc County law enforcement
10 officer, if that indeed was complied with, was
11 made practice, not just policy, then I don't know
12 how the State even would be impeded in presenting
13 it's case-in-chief, by the relief that I'm
14 requesting.

15 Because there always would be somebody
16 from DCI, or somebody from the Calumet County
17 Sheriff's Department, or someone from the State
18 Patrol, or some other agency, to testify to what
19 was happening when a Manitowoc County Sheriff's
20 Department employee was present. It's a little
21 hard to know why -- why the State even would
22 object to the exclusion, but they are, the State
23 is.

24 And this is really, I think, not akin to
25 suppression, but something much closer to the

1 kind of sanction a Court might impose on a party
2 in a civil case, when that party fails timely to
3 disclose witnesses, fails timely to respond to
4 interrogatories, or requests for production of
5 documents.

6 It's the sort of sanction that is used
7 for a failure of timely disclosure, or timely
8 action in civil cases, regularly. Used
9 occasionally, at least, in criminal cases for the
10 same sort of disciplinary reason on lawyers who
11 may be dilatory, or not following the rules.

12 And here the -- you know, the remedy is
13 even more closely matched to the problem, in the
14 sense that the Manitowoc County Sheriff, I think,
15 conducted himself very poorly, to put it mildly,
16 on FOX 11. Made highly inappropriate and
17 inflammatory comments directed, by name, at
18 Steven Avery. I went through some of them
19 before.

20 I didn't touch on, you know, the sheriff
21 dredging up and discussing on television, prior
22 criminal acts and convictions dating back more
23 than 20 years. It's the kind of stuff, he's been
24 around long enough to know, juries aren't suppose
25 to hear and, ordinarily, don't hear. It's at

1 least potentially inadmissible and highly
2 prejudicial information.

3 So, you know, there -- this wasn't one
4 stray comment at issue here. And he is the man
5 who leads the department. He is the man who sets
6 the tone. He is the man who makes the
7 directions. He's the principal, if you will, and
8 the others under him in that department are
9 agents. And so this, I think, is a remedy that's
10 pretty well tailored to the problem, as to
11 exclusion of witnesses, on the basis that I have
12 sought.

13 THE COURT: Mr. Fallon. By the way, I have
14 read your written arguments and I will read them
15 again. So you don't have to be repetitive.

16 ATTORNEY STRANG: That's a very kind way of
17 saying that I'm long winded.

18 ATTORNEY FALLON: Thank you, Judge. I just
19 want to make a couple of points. First and
20 foremost, remedies should be connected to the wrong.
21 And in this particular case, the defense seeks to
22 exclude from participation in the administration of
23 the jury selection process, and court security, the
24 Manitowoc County Sheriff's Department without, in
25 any way, shape, or form, connecting the comments of

1 Sheriff Petersen to concerns that somehow members of
2 his staff can't follow your instructions, can't
3 follow the common sense, and what is, in effect, a
4 policy that, from even Sheriff Petersen's comments
5 this morning, run itself.

6 He's given no orders, no instructions,
7 no information to his staff, per him, other than
8 do what you guys usually do, make it safe,
9 etcetera; in other words, follow the policies
10 that we have. There is no connection between the
11 comments and a concern that somehow members of
12 his staff are going to contaminate the jury pool.

13 That's outrageous. There is not a single shred
14 of information that connects those two.

15 If the defendant has concerns about
16 security for himself, or courtroom security, and
17 wants the Calumet County Sheriff's Department to
18 continue, as it were, and take over all facets of
19 this particular case, then we might as well have
20 the trial in Calumet County.

21 Are we going to bring the entire Calumet
22 County Sheriff's Department here and let them set
23 up camp across the courtyard here, and tell the
24 Manitowoc folks how to run the jail, how to walk
25 the prisoner over, and don't talk to the jurors,

1 don't say anything about the case, don't even
2 talk about the weather. Do we need Sheriff Pagel
3 to do that?

4 Again, let's have the trial in Calumet
5 County, if we're going to rely on everything else
6 Calumet County has to resolve. And in that
7 regard, depending on what this Court chooses to
8 do relative to the motion to dismiss
9 (sic)/adjourn/change of venue, depending on how
10 you resolve that issue, the change of venue may
11 very well moot this issue out.

12 With respect to exclusion and
13 suppression, rather than trade compliments with
14 counsel on deftability to craft an argument, I
15 will simply make this observation. If you say
16 that a witness can't testify, then it may very
17 well make it difficult for information collected
18 by that witness, to present it in court. So if
19 the witness can't testify, then perhaps some
20 further pretrial motion practice and perhaps some
21 testimony, not perhaps, definitely, some
22 testimony at the trial will be affected.

23 Perfectly example, Detective Remiker was
24 the one -- was the first law enforcement officer,
25 I believe, on the scene, to verify the location

1 of Teresa Halbach's car, on Mr. Avery's property.
2 Now, that's obvious, because he's here in
3 Manitowoc County, where as the folks in Calumet
4 County have to get in their car and drive here.
5 So, it only stands to reason that the first
6 person here is going to be someone from Manitowoc
7 County.

8 So, if we're saying, for instance -- and
9 this is a for instance -- Detective Remiker can't
10 testify, then that certainly creates some issues
11 regarding the circumstances, regarding the
12 preservation of the evidence and the scene, until
13 the official takeover takes place. So, in terms
14 of deftness or clever, you can certainly make the
15 argument that, well, we're not asking for the
16 suppression of evidence, we're just asking for an
17 exclusion of a witness. Well, that may very well
18 impact the nature and the presentation of the
19 evidence.

20 And, finally, to say that it's not
21 suppression is a rather interesting issue. For
22 instance, if the statement of an accused in a
23 case is suppressed, for reasons of a Miranda
24 violation, that testimony may still be heard,
25 perhaps in rebuttal, or in an impeachment form,

1 should that given witness take the stand.

2 But it's still referred to as
3 suppression. It's not necessarily referred to as
4 exclusion. So whether or not you characterize it
5 as exclusion or suppression, I think it doesn't
6 matter. The real connection is, is that the
7 appropriate remedy.

8 In *Hudson vs. Michigan* and *State vs.*
9 *Ward*, clearly tell us it's not. And the reason
10 it's not is because the harm, i.e., the comments
11 of Sheriff Petersen are entirely unrelated to,
12 not connected to, the evidence which is sought to
13 be excluded.

14 And if, for instance, we are not to be
15 impeded, and this is not that big a deal, I can't
16 imagine why the State is troubled, your Honor,
17 then my question is, if it's not meant to impede
18 us, then why bring it. It makes no sense. The
19 remedy must be connected to the wrong. And in
20 this case, it's not.

21 THE COURT: Mr, Strang, anything else?

22 ATTORNEY STRANG: Yeah. As he did on
23 brief, Mr. Fallon expresses a good deal of concern
24 and distress with me that I have not connected
25 Sheriff Petersen to the people under him in the

1 department. And, indeed, I'm not trying to impugn
2 the gentleman sitting here, or anybody else in the
3 department. I'm simply following Petersen's lead,
4 and Pagel's.

5 I mean, the Court wouldn't know this,
6 but in his deposition, Sheriff Petersen testified
7 that he's the last remaining member of the
8 Manitowoc County Sheriff's Department who was
9 involved in the 1985 case against Steven Avery.
10 Last one, who was around in 1985. Most of the
11 deputies, I imagine, in this department, were in
12 Junior High School in 1985.

13 None of the current Manitowoc County
14 Sheriff's Department personnel were named as
15 parties in the civil lawsuit that occasioned this
16 concern about a conflict of interest. As far as
17 I know, nobody had any specific concerns about,
18 you know, Detective Remiker, or Sergeant Jost or
19 anybody else on the Sheriff's Department, and yet
20 all of them, by the department, were taken out of
21 lead responsibility, for an investigation of
22 crimes that occurred in Manitowoc County and
23 ordinarily would be within their jurisdiction.

24 So, I'm just simply picking up on the
25 same connection, as a matter of agency law, that

1 the under sheriff and Sheriff Pagel themselves
2 drew here. As I say, I don't know if there was
3 any specific concern on their part about the
4 reliability of, or integrity of, this or that
5 specific deputy, or sergeant, or detective.

6 But the concern about a conflict of
7 interest, by its nature, pervades the
8 organization. And that concern is at least as
9 great when we're talking about direct contact
10 with the people who will decide the facts, as
11 opposed to simply direct contact with the items
12 of evidence that ultimately may be introduced to
13 assist a jury in finding the facts.

14 So that's -- I can be flayed for the
15 want of a connection, but Sheriff Petersen and
16 Sheriff Pagel would fall under the same switch.

17 THE COURT: All right. Also on the agenda
18 today is the State's preliminary motion in limine
19 regarding the jury hearing evidence concerning the
20 defendant's 1985 wrongful conviction. I will hear
21 argument on that motion at this time. It's the
22 State's motion, who's going to argue that?

23 ATTORNEY KRATZ: Thank you, Judge. Judge,
24 this is a straight relevance argument. Both 904.01,
25 .02, and .03 if a balancing test is to be performed,

1 relevancy, of course, being defined as having any
2 tendency to make the existence of a fact of
3 consequence more or less probable. The State argues
4 that the defendant's wrongful conviction, or the
5 fact that the defendant was convicted and spent some
6 time in prison, has absolutely no relevance in this
7 case, does not implicate any fact at consequence.

8 In other words, it would not be offered
9 to prove, or disprove, or assist the jury on any
10 element of the offense or other matter of
11 consequence, but simply would be, in the State's
12 opinion, offered for an impermissible purpose.
13 Sympathy is not something for a jury to consider.
14 Feeling sorry for Mr. Avery that he spent time,
15 for a crime that he was later exonerated for, is
16 the exact kind of evidence that should not be
17 allowed.

18 I appreciate the response by the defense
19 suggesting bias on the part of investigating
20 officers, but the State argues, still, that when
21 compared with, or when balanced against, the risk
22 of impermissible reasons, the whole discussion of
23 the defendant being previously wrongfully
24 convicted, has no place in this trial.

25 Importantly, Judge, I believe it's

1 instructive to consider the other side of the
2 coin, to consider why evidence of prior
3 convictions are precluded. It's impermissible
4 for the State to inflame a jury, to indicate that
5 a defendant has previously been convicted of a
6 crime, again, absent some permitted purpose under
7 904.04.

8 But the fact that the defendant was
9 previously convicted of a felony, we know is
10 inadmissible. It conjures bias and it conjures
11 prejudice -- prejudice, excuse me, and the State,
12 therefore, argues that a prior exoneration would
13 equally be impermissible.

14 Lastly, Judge, when we talk about
15 904.04, we talk about other acts. We're talking
16 about behaviors. We're not talking about prior
17 convictions, or prior exonerations, or prior not
18 guilty findings. We're talking about behaviors.
19 And when relevant for intent, or identification,
20 motive, or those other permissible reasons, we
21 are talking about behaviors.

22 Prior exoneration does not mean that the
23 defendant is more likely to be exonerated in this
24 case, or more likely to be not guilty of this
25 particular offense, which is exactly what the

1 defense would be offering this kind of evidence
2 for. So the risk -- the very high risk of unfair
3 prejudice to one of the parties, which is the
4 State, which this equally applies to, that is,
5 the relevance standard equally applies to
6 evidence offered on behalf of the State as well
7 as the defense and should be applied in this
8 case. We're asking that the Court exclude that
9 evidence. Thank you, Judge.

10 THE COURT: All right. Mr. Strang.

11 ATTORNEY STRANG: Evidence of Mr. Avery's
12 prior wrongful conviction, and the ensuing lawsuit
13 against Manitowoc County, is what the State seeks to
14 exclude, absolutely, as I understand the motion.
15 Now, like any other evidence, if this is proper at
16 all, as I have argued on brief that it is, there is,
17 concededly, a role for the Court under Section
18 904.03.

19 How much do we get into the 1985
20 conviction? How much do you get into the 1983
21 lawsuit -- Section 1983 lawsuit, from whom, what
22 kind of details. All of this raises 904.03
23 questions. And the Court had a good idea in
24 chambers, that I will act on, which is to file a
25 motion in limine here, ourselves, as to what

1 specific evidence do we wish to offer of the
2 wrongful conviction and the prior lawsuit.

3 But the absolute position just can't
4 prevail here, in the end. I have argued on
5 brief, and I won't repeat here, the bias and the
6 credibility value of this evidence, explaining
7 why the Manitowoc County Sheriff's Department,
8 and other officers, may have acted as they did;
9 explaining, if he becomes a witness, why
10 Mr. Avery may have acted as he did, or helping
11 the jury to understand and evaluate his
12 credibility if he testifies at trial. I will
13 stand on my brief on all of that.

14 I do want to add here, briefly, without
15 repeating the arguments in the brief, that it's
16 awfully hard for the State, fairly, to say we
17 need to introduce evidence of what Mr. Avery said
18 to three men in prison, and the pictures he drew
19 for them in prison; and we want to introduce
20 evidence, if we have Mr. Dassey testify, that,
21 gee, Steve Avery wanted to go back to prison
22 because life on the outside was tough; and then
23 not allow the defense at least some room to
24 explain that he shouldn't have been in prison in
25 the first place, and spent 18 years trying to get

1 himself out, saying he was innocent. At a bare
2 minimum, that kind of context is necessary, if
3 the State is to offer the evidence that it has
4 sought to offer, and pursues.

5 I agree with Mr. Kratz wholly, that if
6 the issue were sympathy for Mr. Avery, that's not
7 a proper purpose for this. It happens to be not
8 why we're offering it, but it's not a proper
9 purpose, simply to make a pitch for sympathy.
10 The same, of course, would be true for Teresa
11 Halbach's life history, which the State proposes
12 to offer.

13 Had that no purpose other than
14 generating sympathy for her, or her family, it
15 would be improper and, indeed, that's why there's
16 a pattern jury instruction in this state, in
17 which this Court, I'm confident, will instruct
18 the jury that it is not to decide this case on
19 the basis of bias, or prejudice, or sympathy, for
20 one party, or for anyone, for that matter.

21 So that can be handled very well with a
22 jury instruction. And just as Ms Halbach's life
23 history evidence invariably will present a 904.03
24 question for this Court, how much is right, how
25 much is too much, how much distracts, or

1 confuses, or misleads, or wastes its time; I
2 think the same is true of the wrongful conviction
3 and the lawsuit.

4 It's clearly a Section 904.03 issue. It
5 should be addressed before trial, an absolute
6 position by the State on this, particularly if
7 it's offering other evidence informing the jury
8 that Mr. Avery was in prison. It just goes too
9 far. Just as I think an absolute position by the
10 defense, that nothing about the life or history
11 of Teresa Halbach can come in, also would be
12 mistaken and would go too far.

13 So we're going to be into, it seems to
14 me, a balancing area. And I will try to assist
15 the Court by filing a motion in limine here by
16 July 14, talking about just exactly what we hope
17 to get into, with whom, and how.

18 THE COURT: Question for Mr. Strang, with
19 respect to the bias basis for getting the evidence
20 in, what -- what witness, or witnesses, of the
21 State, is the defense seeking to argue that the
22 wrongful conviction and the attendant lawsuit would
23 show bias on the witness's part?

24 ATTORNEY STRANG: Anyone from the Manitowoc
25 County Sheriff's Department. Now, in practice in

1 this trial, that's likely to turn out to be, I can't
2 rank order these, but it's likely to turn out to be
3 Detective Remiker, it's likely to be Lieutenant
4 Lenk, Sergeant Colborn, you know, anybody. Those
5 are likely to be the main players.

6 But, you know, when you work for a
7 department, or a firm, or a company, and you are
8 getting sued for \$36 million, your department
9 is -- and it's been an embarrassment, it's been
10 public, you know, somebody who shouldn't have
11 been in prison was -- I think that's likely to
12 effect the morale, the bias. May be
13 sub-conscious, but it really is likely to have a
14 human effect on the people in the department.
15 There can't have been warm feelings about Steven
16 Avery, or even neutral feelings, about Steven
17 Avery, at the time this was going on.

18 THE COURT: Mr. Kratz, if the State
19 allowed -- or if the Court allowed into evidence,
20 any of the statements that would, by their nature,
21 suggest that Mr. Avery was in prison at the time,
22 wouldn't it be fair to let the jury know that he was
23 not there serving a sentence for a crime that he is
24 still convicted of?

25 ATTORNEY KRATZ: I'm not sure that we

1 would -- excuse me -- I'm not sure that we would
2 have to include where the statements were made or
3 under what context. And I appreciate Mr. Strang's
4 concern in that regard, and I may need to fashion a
5 explanation as to how, or in what context those
6 statements may have been made, but I'm sure it could
7 be done. I don't think that we have to include that
8 these were statements that were made by Mr. Avery in
9 prison. Let's not forget, that the first six years,
10 Mr. Avery was not there for some un -- or
11 impermissible reason.

12 THE COURT: I understand that, but I think
13 it is significant that, at the time the statements
14 were made, he wasn't supposed to be there.

15 What about the -- What's the State's
16 response to the bias argument? As I understand,
17 and I don't have, obviously, first hand
18 familiarity with the lawsuit, but the argument is
19 that the -- not only was the defendant cleared of
20 the crime, but that the -- another police agency
21 had provided the Sheriff's Department with
22 information about the person who was really
23 responsible.

24 And the sheriff, on the stand here
25 today, indicates he still doesn't really accept

1 the fact that the defendant wasn't guilty of that
2 offense, does not show bias on the part of at
3 least the sheriff himself, if not other members
4 of the department?

5 ATTORNEY KRATZ: Here's where I agree with
6 the defense, that the balancing test under 904.03
7 has to come into play, but then this Court has to
8 decide whether or not it's relevant. This Court has
9 to decide whether it's reasonable that police
10 officers would try to set up Mr. Avery, because of a
11 civil lawsuit, whether they would pick some
12 unsuspecting woman and kill her, if in fact that's
13 going to be the argument, that bias went to that
14 extent, and dispose of her body, because of this
15 lawsuit.

16 So, it's in those kinds of suggestions
17 of bias, and how far they extended, whether or
18 not this is for a permissible bias reason, or
19 whether or not it goes beyond that into something
20 that we're talking more about sympathy, or an
21 impermissible reason, rather than appropriate
22 bias.

23 ATTORNEY STRANG: I can -- I can say a
24 couple things. First of all, the Court -- and the
25 Court doesn't sit to decide the reasonableness of

1 the inference of bias, the jury does. That said, I
2 can't imagine that anybody at this table is going to
3 argue that someone in law enforcement murdered
4 Teresa Halbach. I just don't expect that to be an
5 argument.

6 Will there be questions about the
7 fairness and integrity of the investigation, and
8 how they came to focus on Steven Avery? You bet.
9 Will there be questions about the reliability of
10 physical evidence? Yes. Will there be questions
11 about the reliability of testimony? Yes.

12 THE COURT: All right. The next motion I
13 have was the motion relating to the State's motion
14 to offer -- let's see -- evidence concerning the
15 victim's life history. I know I got a letter from
16 Mr. Buting, I think yesterday or the day -- I guess
17 it was, technically, the 3rd, indicating that it was
18 premature to address this motion until the
19 information proposed was offered with a little more
20 specificity. And I got as far as getting your
21 pleading on my bench here, Mr. Kratz. I'm not sure
22 what --

23 ATTORNEY KRATZ: Judge, that pleading has
24 to do with statements of Ms Halbach.

25 THE COURT: Oh.

1 ATTORNEY KRATZ: That's number seven.

2 THE COURT: All right.

3 ATTORNEY KRATZ: That's to be addressed on
4 the 19th.

5 THE COURT: I'm not sure that I can address
6 your request in the abstract without knowing exactly
7 what it is. I mean, I'm certain that, to put
8 anything into context, some background information
9 is always appropriate. But I think, as Mr. Buting
10 points out, there could be a lot more evidence that
11 would be appropriate at the time of sentencing, that
12 wouldn't necessarily get in at the trial. So, I'm
13 not sure that the Court can issue any meaningful
14 decision on the request, as it's currently framed.

15 ATTORNEY KRATZ: If I may, Judge, I don't
16 know that Mr. Buting and I are very far apart. We
17 understand that, in a homicide case, when taking of
18 a human life is at issue, some aspects of the
19 victim's life becomes relevant, her contacts with
20 Avery, her employment, her family relationships,
21 those things that intersect, if you will, her life
22 with that of Mr. Avery.

23 That being done through at least some
24 photographs of the victims, or some evidence of
25 those characteristics, or part of Teresa's life

1 that, again, puts her in contact with Mr. Avery,
2 will be relevant. State has no intent to
3 overstep its authority or to offer any of this
4 evidence for sympathy or other reasons, just
5 those that are relevant.

6 It's my, perhaps, clumsy attempt to
7 obtain pretrial rulings when I can so that we
8 don't have to stop the trial, or have those
9 discussions in the middle. I intend, Judge, and
10 I think perhaps this is best addressed by sharing
11 it with the defense, if there are going to be
12 photographs, if there are going to be kinds of
13 evidence that, again, are relevant as to Ms
14 Halbach, and especially as they intersect with
15 Mr. Avery, and as I previously mentioned, I don't
16 think that Mr. Buting and I, when I read his
17 response, are very far apart at all.

18 THE COURT: All right, Mr. Buting.

19 ATTORNEY BUTING: I guess I would just
20 suggest that perhaps they do the same thing that
21 we're doing on -- or that the Court's asked us to
22 do, which is to file a motion in limine on how we
23 would use the wrongful conviction. If the State
24 wants to identify, certainly, any way that Teresa's
25 life intersected with Mr. Avery, I think is going to

1 be fair game, just to set the context.

2 I'm not sure about relationships with
3 her family and all those kinds of things. But I
4 think if the State wants to do that, they can
5 file a motion and, then, before trial, share his
6 concern about all these things coming up in the
7 middle of the trial. But I think a motion in
8 limine before trial, where he can lay out the
9 limits and the parameters of this kind of
10 evidence, is the way to go.

11 THE COURT: All right. I'm going to trust
12 Mr. Kratz to do that. I don't know that it's
13 necessary, in every case, that the State provide the
14 defense with a summary of background victim
15 information, but given the length that the parties
16 are anticipating for this trial, and the fact that
17 wherever we have a jury, they are going to be
18 around, take a sizeable chunk of time out of their
19 lives, I think to the extent that we can resolve
20 matters ahead of time we should do so.

21 There's another motion filed by the
22 State regarding prior criminal convictions of the
23 defendant. And it's my understanding the parties
24 were going to work together to resolve that.

25 ATTORNEY KRATZ: We will, Judge. We will

1 reach a stipulation on that, and we'll attempt to
2 reach stipulations on any witness, whether called by
3 the State or the defense, prior to trial.

4 If we have issues that the Court needs
5 to resolve, whether it's issues of remoteness or
6 relevance, we will bring those to the Court. But
7 I'm quite confident, with the number of years of
8 experience between all of us, we should come
9 pretty close to coming up with correct numbers.

10 ATTORNEY STRANG: Right. This will
11 probably get worked out. We can raise our hands if
12 it doesn't.

13 THE COURT: Okay. I think that takes us to
14 the motion for bail reduction. I believe everything
15 else has been addressed, unless I have missed
16 something.

17 ATTORNEY KRATZ: There was the issue of the
18 Marinette detective, and we do recognize, Judge,
19 with the Court's previous ruling on the change of
20 venue, that it's quite clear that a third hearing is
21 to be set in this case. There was, as the Court
22 knows, an audiotape recording of Mr. Avery's
23 interviews with the Marinette detective.

24 We felt it fair to at least suggest to
25 the Court that that be provided before they have

1 an opportunity to cross-examine the detective.
2 And so we plan to do that. And anticipating, we
3 will set a date before we leave here today. We
4 suggest, at least the State suggests, that that
5 entire motion, then, be dealt with on that third
6 motion date that we are contemplating.

7 THE COURT: Any objection?

8 ATTORNEY BUTING: No, Judge.

9 THE COURT: So I will hear the bail motion
10 today and we'll set another hearing date then for
11 the other motion.

12 ATTORNEY STRANG: I'm sorry, do we have his
13 schedule?

14 ATTORNEY FALLON: He's still here. Would
15 it be possible?

16 THE COURT: We can set the date now. How
17 about Thursday, August 3rd; what does that look like
18 for the parties.

19 ATTORNEY BUTING: Judge, that's the week
20 I'm going to be out of town and out of state.
21 Mr. Strang, I think, is gone the week before, but
22 the week after that perhaps.

23 THE COURT: Wednesday, August 9th.

24 ATTORNEY FALLON: That's fine with us.

25 ATTORNEY BUTING: That's good.

1 ATTORNEY STRANG: That's good.

2 THE COURT: All right. 9:00 on the 9th.

3 ATTORNEY KRATZ: And so that we're clear,
4 Judge, that is, at least, the change of venue
5 motion, and the statement of the Marinette detective
6 and, perhaps, whatever we don't accomplish on the
7 19th; does that sound fair?

8 THE COURT: Everybody agree with that?

9 ATTORNEY BUTING: Change of venue in the
10 sense of argument and decision or?

11 THE COURT: Well, let's see, I'm going to
12 have -- I'm anticipating it would be a decision at
13 that time because I'm going to get some written
14 submissions from the parties, correct?

15 ATTORNEY KRATZ: That's fine.

16 THE COURT: Between the written submissions
17 and the media reports I'm going to have to review, I
18 think that's fair. I don't believe any further
19 argument or evidence is necessary, is it?

20 ATTORNEY BUTING: Right.

21 THE COURT: Very well.

22 ATTORNEY STRANG: On the change of venue,
23 here's the -- here are the two boxes.

24 THE COURT: Okay.

25 ATTORNEY BUTING: Should we mark them?

1 THE COURT: The Clerk will happily take
2 them to the Clerk's Office when we're done today,
3 I'm sure.

4 ATTORNEY STRANG: I'll be happy to help.

5 THE COURT: Maybe you can help her out.

6 ATTORNEY STRANG: I can carry them,
7 physically. What I'm -- For the record, what I'm
8 tendering her, two bank boxes, to include thousands
9 of pages of the copies -- photo copies I described
10 earlier, and 24 DVD's of television clips concerning
11 this investigation and the prosecution.

12 THE COURT: Very well. All right. At this
13 time, then, I will hear argument on the bail motion.
14 Mr. Strang, will that be you or Mr. Buting?

15 ATTORNEY BUTING: It's going to be me,
16 Judge. Judge, we filed a motion for reconsideration
17 of the bail -- our motion to reduce bail, I believe
18 on June 2nd. June 1st is the date here that we
19 signed it. I think it was filed in this court on
20 June 2nd. This is our first chance to argue it.

21 There have been some changes since that
22 date, in what we would have put in the motion, or
23 presented to the Court. But when we last
24 discussed bail it was on March 17th, and it was
25 in conjunction with the State's motion to amend

1 the Criminal Complaint, adding additional counts
2 against Mr. Avery, based upon the statements,
3 alleged reliable, credible statements of
4 Mr. Dassey, the 16 year old nephew.

5 And we argued at that time, and provided
6 whatever case law we could, that Mr. Dassey's
7 statements were simply not reliable and shouldn't
8 be admissible, or considered, to establish
9 probable cause in the Criminal Complaint. And
10 the Court disagreed and found that they were
11 reliable for that purpose.

12 The State then objected to our motion to
13 reduce bail. And, in fact, filed their own
14 motion to increase the bail, based, again, upon,
15 solely, the statements of 16 year old Brendan
16 Dassey, which were set forth in lurid detail in
17 the Criminal Complaint. And on that basis, the
18 Court found that, because of those statements,
19 and only those statements, Mr. Avery's bail
20 should be increased from 500,000 to 750,000.

21 Now, since that time, substantial
22 evidence has disproved -- certainly called into
23 question -- the reliability of that young man's
24 statements that are in this Complaint. As a
25 matter of fact, the majority of the story, of how

1 Teresa Halbach supposedly lost her life at the
2 hands of these two individuals, has been proven
3 to be incorrect, either lies or guesswork made up
4 by Mr. Dassey at the urging, coaching, of his
5 interrogators, some of which we placed in our
6 written motion.

7 He claimed, for instance, that she was
8 handcuffed to the bed when he saw her for the
9 first occasion. The Crime Lab tested those
10 handcuffs. Her DNA was not found on the
11 handcuffs. But, suggesting that they were not
12 wiped off or wiped clean, Mr. Avery's was found
13 on the handcuffs, as well as another individual,
14 not Mr. Dassey, again, suggesting that these
15 handcuffs were not used, that she was not
16 retrained by handcuffs as Dassey claimed.
17 Because if she was, one would certainly expect
18 the poor woman, struggling, would have left at
19 least as much DNA as somebody else, like
20 Mr. Avery or the other unknown individual would
21 have, just handling them.

22 So, that immediately called into
23 question the credibility and reliability of
24 Brendan Dassey's version of what happened. But
25 then there were some other things that developed.

1 His statement also claimed that they cut off
2 3-inches of her hair, I believe it was. And the
3 Crime Lab ripped up all of the carpet from
4 Mr. Dassey's -- I'm sorry, Mr. Avery's trailer.
5 And they took all of the wood paneling off of the
6 walls as well. They found no hair.

7 He also claimed that she was brutally
8 stabbed, her throat cut in a horrific
9 description, pure fantasy, of how that woman
10 supposedly died at Mr. Avery's hands, in a manner
11 that would have obviously left blood on the
12 mattress, soaked through the bedding. Even if
13 the bedding had been disposed of, the mattress
14 would have had evidence.

15 Everybody was talking about it, even on
16 the street, well, where's the evidence of this,
17 wouldn't there be blood on the mattress. Well,
18 sure enough, they took the mattress, and it's the
19 same mattress, and there was not a speck of blood
20 on it.

21 And he also claimed that Mr. Avery,
22 then, after she had been brutally stabbed and
23 bleeding all over the mattress, then carries her
24 over his shoulder, out into the garage, obviously
25 would have been dripping blood all the way,

1 again, not a speck of blood anywhere on the
2 carpet, or on the steps, or anywhere leading out.

3 And as a matter of fact, with all the
4 tests that they have done, of all the stuff in
5 his trailer, not one speck of Teresa Halbach's
6 blood or DNA has been found in Mr. Avery's
7 trailer, directly contrary to what they claim in
8 this Complaint to be reliable, credible evidence,
9 sufficient to have this Court increase his bail.

10 Now, recognizing that, the interrogators
11 went back to Mr. Dassey, on May 13th, I believe,
12 and did another interview of him, once again,
13 coaching, leading, trying to change his story to
14 fit their theory of what happened in this case.
15 And thank God for *State vs. Jerrell*, because it's
16 recorded, for you to see, or anyone else to see,
17 eventually, in this case, or in his case.

18 And the manner that they questioned him
19 is -- it would be laughable, if it wasn't a real
20 case with real people's lives at stake. He is
21 fed information to change his story. Now, it
22 turns out, according to this young man, that the
23 whole story about him getting off the bus,
24 finding a letter of Mr. Avery's, and going down
25 and hearing this poor woman screaming, was

1 totally made up.

2 He hears no screaming outside the
3 trailer. He claims that he goes in the trailer
4 and, yes, she's there. But, again, the entire
5 time he's there she's never screaming, which is,
6 frankly, rather preposterous. He now, because he
7 knows, with his lawyer, and what's been made
8 public, that there's no DNA on the handcuffs.

9 It's like, oh, I was wrong about that.
10 It was rope, her arms were bound by rope, to the
11 headboard. So they test the headboard and
12 there's no rope fibers on it. They swab it
13 specifically for that purpose. No evidence, once
14 again.

15 And his interrogators press him about
16 that and they say, well, was that a lie? And he
17 says, yes. Did you cut off her hair? No, that
18 was a lie. Why did you tell us these things?
19 Where did you come up with these things? Just
20 guessing, is his response.

21 Recognizing that there's no blood or DNA
22 in his trailer, it is now obvious this young
23 woman was not killed in his trailer. So the
24 interrogators get him to try and move the
25 location. Again, not accepting the possibility

1 that Brendan Dassey's entire story is wrong.
2 They just want to change it and somehow make it
3 fit the physical evidence.

4 And so, now, she is supposedly killed in
5 the garage. And there's one piece of evidence
6 that they have found, that in some way might
7 support part of his story. Allegedly, there is a
8 very small amount of her DNA that was found on a
9 bullet somewhere in the garage; although, it
10 wasn't found until after March some time, when
11 they re-searched the garage.

12 But, as we put in our written motion,
13 it's a garage that is fairly accessible to many
14 people, not just Mr. Avery. And, of course, it
15 wasn't found until five months after Mr. Avery
16 has been in custody. So, many people had access
17 to it during that period of time.

18 But other than that, again, and -- and
19 they -- and they challenge him, frankly, it's
20 pretty obvious. And, frankly, I have a copy of
21 it. I can offer it to the Court, introduce it if
22 you would like to look at -- listen to this. But
23 you can tell that the interrogators don't even
24 believe most of what he's saying, until they get
25 him to say what it was -- what they want to hear,

1 that they think might somehow fit the evidence.
2 But they say, well, where's the blood? Where's
3 the knife? They never found any knife. There
4 was no evidence that there was ever any stabbing
5 of this woman. He's got no explanation for it.

6 And they say, well, one would think that
7 there would be blood because, again, now the
8 killing is supposedly in the garage. And it's
9 not just a gunshot. In fact, originally it was
10 10 times that he shot her, now he's changed it to
11 five. But there's still the stabbing that's
12 going on, with her now in the garage. There's no
13 blood to support it.

14 And they are relying, now, on, oh, well,
15 they cleaned it up with bleach and gasoline, and
16 all that stuff. Well, in truth, there was blood
17 stains found -- or there were blood stains found
18 on the floor of the garage, Mr. Avery's. The man
19 works on cars in there for -- every day. He cuts
20 himself repeatedly. His blood is found in
21 numerous places, but not hers. If it's all
22 cleaned up with bleach, why is his blood found
23 anywhere. Again, it doesn't fit.

24 In essence, he has now retracted almost
25 everything. This dramatic press conference

1 statement that people -- the children should not
2 listen to this, it's so terrible to hear, was
3 pure fantasy, unsupported by any other physical
4 evidence, and now retracted by the guy who
5 supposedly told it.

6 I feel sorry for the Halbachs, that they
7 think all these horrible things happened to their
8 daughter and sibling. Now, we know that's not
9 even true, but that's, unfortunately, the
10 reality. I can go on and on. Did he punch her,
11 or did she -- did Avery punch her in the mouth?
12 Now, he's like, no, he never hit her at all.

13 Not only that, he now retracts any --
14 any knowledge that he has that Mr. Avery ever had
15 any sexual assault. He's still on his newest
16 statement, newest I'm aware of, admits that he
17 had sex with her; although, the way he admits it
18 is certainly suspect. But he says, no, I didn't
19 see Avery have sex with her. No, he didn't tell
20 me he had sex with her.

21 So the whole sexual assault charge
22 against Mr. Avery that's in this Criminal
23 Complaint, and for which his bail went up, is now
24 going to be out the window.

25 In Mr. Dassey's own bond hearing, the

1 prosecution revealed -- and by the way, I think
2 the description of Sheriff Pagel's, the purpose
3 of these press conferences was to control the
4 information that went out, is a very good
5 description of what's been going on in this case,
6 in the public's eye all along; which is, the
7 prosecution has controlled the evidence that the
8 public hears, and construed it in a way that
9 makes it look like this guy should be the poster
10 boy for the death penalty, when, in fact,
11 everything that they construed is one sided. It
12 leaves out all kinds of other things.

13 Looking at that press conference, you
14 would have expected that that young boy, who was
15 holding this in for months and just had to
16 unburden himself with this terrible story that he
17 had -- experience that he had, was emotionally
18 upset and came out with this whole, long story
19 when, in fact, there is not an iota of emotion
20 expressed by the guy.

21 He never cries, he's not upset at all,
22 he's not coming out with any narrative. It's one
23 sentence or one word responses to their
24 questions, the entire way, all the way through
25 that first statement. And the second statement

1 is more of the same. There is no emotion. If
2 this kid had any involvement with it, he
3 certainly hasn't described what happened, or what
4 his involvement really was, because there's no
5 emotional connection or affect there.

6 But back to the bond hearing, the
7 prosecutor announced, oh, well, now we have new
8 information that this was a planned murder and
9 that they selected Teresa Halbach several days
10 earlier. And, again, I suggest to the Court,
11 look at that statement. Brendan Dassey says
12 nothing about any planning until they suggest it,
13 as the only explanation they can come up with for
14 why there isn't more evidence.

15 And after he's -- he's badgered with
16 this, he finally starts, well, yeah, I suppose;
17 again, guessing, answering their questions. But
18 when they press him about, okay, what was the
19 plan; there is no plan. There's no discussion
20 about who is going to do what, how it's going to
21 be carried out. No plan to have sex. No plan on
22 why Teresa Halbach.

23 When they start pressing him on -- on
24 the obvious questions, he can't answer any of
25 them, because it's, again, it's just fantasy.

1 It's not the truth. And, then, when they ask
2 him, well, why -- why would Steven Avery have
3 planned this, why would he have done this, again,
4 there's long pauses in all these answers. And he
5 comes up with, well, he wanted to go back to
6 prison, because he missed it.

7 And even their own interrogator throws
8 up his hands and says, He didn't say that, did
9 he? Come on, start telling us the truth. And
10 then there's a long sequence where they start
11 badgering him about how he has got to help
12 himself, and he is not being honest with them.
13 On and on and on. So they don't even buy that
14 story, yet they offer it, in Mr. Dassey's own
15 bond hearing, and probably would do so here too.

16 So, in short, the Criminal Complaint is
17 no longer credible and that all of the evidence
18 that they have done, all the testing that they
19 have done so far, has disproved Mr. Dassey's
20 credibility, and his involvement, and, therefore,
21 the involvement of Steven Avery in the murder,
22 and any other offenses that go along with that,
23 of Teresa Halbach.

24 What we're asking is the Court to,
25 therefore, reconsider the bond, to once again

1 consider, first, reducing the bond back down to
2 the 500,000 that was originally set, before this
3 Brendan Dassey fantasy was filed. And, then, to
4 once again, consider a property bond posted by
5 Mr. Avery's family.

6 He's shown no evidence of a risk of
7 flight. He's fought for 18 years to get himself
8 out of prison. He intends to -- He's conducted
9 himself in jail, and in this courtroom, with
10 perfect decorum, and showing no evidence of being
11 a disruptive individual who's a risk of flight.

12 Yes, he's facing serious charges, with a
13 great deal of prison time, but that's the purpose
14 of monetary bail, or property bond bail, to
15 ensure that he will return. Five hundred
16 thousand dollars is a lot. It's his parent's
17 entire property, his brother's and sister's
18 entire property. He's not going to risk
19 forfeiture of that by failing to reappear in
20 court.

21 So for those reasons I would ask the
22 Court to reconsider and reduce the bail to what
23 was originally asked on March 17th. Thank you.

24 THE COURT: All right. Mr. Kratz, or
25 Mr. Fallon, which one will be addressing?

1 ATTORNEY KRATZ: I will, Judge. And I'm --
2 I must say, I'm surprised that somebody, you know,
3 we have given a lot of compliments around here,
4 somebody with Mr. Buting's reputation, would come
5 into this court, and express to this Court that he
6 knows for certain, or that he has some personal
7 opinion that this statement by Brendan Dassey is
8 fantasy, or that it's made up, or that there are
9 such inconsistencies in this statement that it
10 should be disregarded.

11 Mr. Buting doesn't know that.
12 Mr. Buting can discuss inconsistencies of
13 Brendan's statements, but what Mr. Buting hasn't
14 expressed to the Court, at least what the State
15 would argue, in a factual or proper manner, are
16 the consistencies that Brendan did provide in his
17 second statement.

18 Brendan Dassey, in his second statement,
19 which, by the way, was at the invitation of a
20 defense attorney, after his statement was not
21 rejected by Judge Fox, does include
22 consistencies. The consistencies that it was he
23 and Steven Avery who killed Teresa Halbach. That
24 it was Steven Avery who stabbed Teresa Halbach.
25 That it was Steven Avery that shot Teresa

1 Halbach. That it was the shooting that occurred
2 in the garage. That it was he and Steven Avery
3 who mutilated the body of Teresa Halbach, hid her
4 car and, thereafter, tried to clean up or destroy
5 evidence. All of that information was included
6 in Brendan's second statement.

7 What Mr. Buting did indicate in kind of
8 an, oh, by the way, manner, was that there was a
9 bullet now found in that man, Steven Avery's,
10 garage, that had the victim, Teresa Halbach's,
11 DNA on it. That is not insignificant, Judge.
12 That is additional evidence that this Court did
13 not have, since the March 1st statement that was
14 given, and should not be given such a short
15 shrift.

16 What Mr. Buting, perhaps, forgot to tell
17 the Court was that Mr. Avery's DNA was also found
18 on the hood latch of the SUV of the victim, since
19 the first statement by Brendan Dassey. And
20 because of Brendan Dassey's first statement, that
21 Steven was fooling around with and opened up the
22 hood of the victim's vehicle, the hood latch was
23 swabbed and a full DNA profile match of Mr. Avery
24 was, in fact, developed. That's been provided to
25 the defense and, again, maybe Mr. Buting forgot

1 to tell the Court that.

2 Mr. Buting and Mr. Strang also know that
3 additional admissions have been made by this
4 young man, admissions to family members, that not
5 only was he involved in the murder of Teresa
6 Halbach, but very clearly that Steven Avery was
7 responsible for her death. The defense, now,
8 also knows that the victim's PDA Palm Pilot was
9 found with the cell phone and camera, on the
10 Avery property.

11 So, together with the inconsistencies,
12 there have been additional, not only consistent
13 statements made, but additional physical
14 evidence, which has been developed. I also wish
15 to alert the Court, or direct the Court, to my
16 previous bond arguments. All of the previous
17 evidence about the degree of violence; the prior
18 record of this man; the ties, or lack of ties, to
19 the community; flight risk; the penalties that he
20 faces; and the gravity of the offense, apply
21 today, equally, as they did previously. I'm
22 asking this Court deny the motion for the
23 reduction of bond. That's all I have, Judge.
24 Thank you.

25 THE COURT: Mr. Buting, anything in

1 rebuttal?

2 ATTORNEY BUTING: No, your Honor.

3 THE COURT: All right. The Court, in
4 addition to the oral argument today, I, before
5 today, read the written argument in support of the
6 motion. And I gather that, from what I know, there
7 appear to be at least some inconsistencies in
8 Mr. Dassey's version of events that was originally
9 given to the police, versus what he said recently.

10 The significance of those
11 inconsistencies is in dispute here today. We're
12 only at the bail stage. The Court is not in a
13 position to weigh credibility of the parties, or
14 make determinations as to who's telling the truth
15 and who isn't. That's the province of the jury.

16 When the Court last reviewed bail on
17 March 17, I did consider the fact, at that time,
18 that the State's case appeared to have been
19 strengthened from what it had been earlier, to
20 the extent that it was no longer based on purely
21 circumstantial evidence, but that another person
22 claiming to be an eye witness and, in fact, a
23 co-defendant, had been identified, and made
24 statements incriminating himself, along with
25 Mr. Avery.

1 While different statements that he's
2 given since then may have some affect on the
3 credibility of the version of events he gave,
4 that's still the case; that is, there's still
5 another person who's made incriminating
6 statements identifying himself and Mr. Avery.
7 The nature of those statements seems to be such
8 that -- they are at least not obviously, on their
9 facts, or on their face, designed to shift blame
10 to someone else, because they are heavily
11 incriminatory of himself, namely Mr. Dassey.

12 I would also point out that it's not
13 true that the Court, at the last hearing, only
14 based its decision on the statements of
15 Mr. Dassey. Of at least equal significance was
16 the fact that the defendant's financial situation
17 had changed considerably; specifically, it
18 settled a lawsuit for \$400,000.

19 The facts, as they existed back on March
20 17, are largely still present today, even if the
21 defense may have some additional argument to
22 discredit Mr. Dassey's version of the events.

23 For purposes of this bail hearing, I do
24 not find that there's been any measurable change
25 in circumstances. And so for the reasons that I

gave on March 17, and as I have reiterated them today, the Court is not going to modify bail. I will leave it at \$750,000 cash. The motion to modify bail is denied.

Counsel, is there anything further to address before our next hearing on the 19th?

ATTORNEY BUTING: Not from our standpoint, Judge.

ATTORNEY KRATZ: I don't think so, Judge. We'll see you on the 19th. Thank you.

THE COURT: Very well. We'll see you on the 19th. We're adjourned for today.

1 THE COURT: At this time the Court calls
2 State of Wisconsin vs. Stephen Avery. It's Case No.
3 05 CF 381. We are here this morning to take
4 evidence on some of the pretrial motions that have
5 been filed. Will the parties state their
6 appearances for the record, please.

7 ATTORNEY KRATZ: State appears by Calumet
8 County District Attorney Ken Kratz appearing as
9 Special Prosecutor. Also appearing for the State is
10 Tom Fallon from the Department of Justice.

11 ATTORNEY BUTING: Buting and Williams by
12 Attorney Jerome Buting, appearing on behalf of
13 Mr. Avery. Also present, Attorney Dean Strang.

14 THE COURT: All right. We did meet in
15 chambers, briefly, before beginning today. I
16 believe the parties agreed that the first evidence
17 to be presented would be on the defense motion to
18 suppress statements made to media, and the State was
19 going to begin. Mr. Fallon, are you going to be
20 handling this portion?

21 ATTORNEY FALLON: Yes. Yes, your Honor, I
22 will be conducting the evidentiary portion and
23 argument, if any, relative to this issue.

24 THE COURT: All right. You may call your
25 first witness.

1 ATTORNEY FALLON: The State would call
2 Emily Matesic.

3 ATTORNEY BUTING: Judge, could we just ask
4 for a sequestration order of any other witnesses
5 that are anticipated?

6 THE COURT: Are there any?

7 ATTORNEY FALLON: There is one other media
8 person, who I have not had an opportunity to talk
9 to, who interviewed the defendant on two entirely
10 different occasions.

11 ATTORNEY STRANG: And there's the Jail
12 Administrator --

13 ATTORNEY FALLON: And there's the Jail
14 Administrator.

15 ATTORNEY STRANG: -- to Calumet County who
16 should be sequestered.

17 THE COURT: All right. Any objection to
18 having those folks excluded from the courtroom?

19 ATTORNEY FALLON: No, I have no objection.
20 Ms Kolbusz, I guess you will have to step out, and
21 Mr. Byrnes. Very good.

22 ATTORNEY STRANG: Before we begin with Ms
23 Matesic, I'm informed by counsel that she provided
24 some documents today, two of which I think we should
25 get copied before.

1 ATTORNEY FALLON: That's correct. The
2 witness did provide some additional information, and
3 I have asked one of our assistants to make a couple
4 of copies. So it will just be another moment or two
5 before those copies appear. They are very short,
6 two or three pages apiece. So, it will be just
7 another minute or two and counsel will have those.

8 THE COURT: Okay. The clerk can swear the
9 witness at this time.

10 **EMILY MATESIC**, called as a witness
11 herein, having been first duly sworn, was
12 examined and testified as follows:

13 THE CLERK: Please be seated. Please state
14 your name and spell your last name for the record.

15 THE WITNESS: Emily Matesic M-a-t-e-s-i-c.

16 THE COURT: Mr. Strang, do you object to
17 questioning beginning?

18 ATTORNEY STRANG: No, on the understanding
19 I will have these in a couple minutes, we can go
20 ahead.

21 ATTORNEY FALLON: All right. Very well.

22 **DIRECT EXAMINATION**

23 BY ATTORNEY FALLON:

24 Q. What do you do for a living?

25 A. I'm a television news reporter.

1 Q. And for whom are you a reporter?

2 A. WBAY-TV.

3 Q. How long have you been a reporter for that
4 entity?

5 A. Almost 11 months.

6 Q. All right. And are you currently assigned to any
7 particular duties as a reporter with that news
8 outlet?

9 A. Just a general assignment reporter.

10 Q. All right. And specifically, then, directing
11 your attention to November, 2005, did you have an
12 opportunity to interview the defendant in this
13 case, Steven Avery?

14 A. Yes.

15 Q. And first of all, would you describe for us how
16 it came to be that you interviewed Mr. Avery; in
17 other words, how did it start?

18 A. Which interview?

19 Q. I'm talking about the first interview, on
20 November 12th, in fact, that's a good question.
21 So let me ask you this, how many times did you
22 interview Mr. Avery?

23 A. A couple, twice.

24 Q. All right. And in what format was he
25 interviewed?

1 A. The first one was in person, on camera, and the
2 second one was over the phone.

3 Q. All right. And so the focus of our hearing
4 today, so it's clear in your mind, would be for
5 the first interview, which was on camera.

6 A. All right.

7 Q. With respect to that particular interview, do you
8 recall when that occurred?

9 A. I believe it was November 12th.

10 Q. Tell us how it happened.

11 A. The case had been going on for a couple of weeks.
12 And I was with some co-workers on the night of
13 the 11th and we were just kind of talking about
14 everything that day. There had been a news
15 conference that Steven Avery would be charged
16 with Teresa Halbach's murder the following week.

17 And we were just sitting around talking
18 about it. And he had been talking to the media
19 throughout this whole investigation and we -- and
20 so I -- I got into work on Saturday morning and
21 called the Calumet County Jail to see if he would
22 be willing to do an interview with us.

23 Q. Tell us about the call.

24 A. I called the jail and told whoever answered the
25 phone who I was and what I was interested in, and

1 asked if Steven Avery would be interested in
2 doing another -- doing an interview with us. And
3 they said, hold on, we'll go ask him. Put me on
4 hold. A couple minutes later, came back and
5 said, yes, he will talk to you.

6 Q. And was there any other instructions, or any
7 other feedback, or comments from the
8 administrator at the jail, or whomever it was
9 that you spoke to, any other instructions or
10 comments, requests?

11 A. No.

12 Q. All right.

13 ATTORNEY STRANG: I'm going to object.
14 Move to strike the prior question, or at least the
15 answer, as inadmissible hearsay, as to the person on
16 the phone.

17 ATTORNEY FALLON: I would object for two
18 reasons: One, I don't believe the evidentiary rules
19 are applicable, in terms of a motion in limine like
20 this, to determine the admissibility of evidence.
21 And number two, it does have a substantial, quote,
22 "affect on the listener", closed quote, as to the
23 course of conduct to be embarked upon. So under
24 either theory, this statement would be admissible.

25 ATTORNEY STRANG: Well, I think under

1 911.01 the rules of evidence do govern this
2 proceeding, one. And, two, clearly the
3 representation of what Mr. Avery said is offered for
4 the truth here, not just for the state of mind of Ms
5 Matesic, which wouldn't be relevant anyway.

6 THE COURT: Okay. Your objection is going,
7 now, to which question and answer?

8 ATTORNEY STRANG: What happens when she's
9 talking to the administrator, and leaving the phone,
10 and coming back, and purportedly relaying Mr.
11 Avery's statement. So we have two levels of hearsay
12 there. His would be admissible under 908.01, but
13 the person on the phone is an inadmissible level of
14 hearsay and it's offered for its truth.

15 THE COURT: I think it's acceptable to at
16 least explain why she came to the interview, so I'm
17 going to allow it.

18 ATTORNEY FALLON: Thank you.

19 Q. (By Attorney Fallon)~ After this conversation,
20 what did you do?

21 A. My photographer and I got in the car and drove to
22 the Calumet County Jail.

23 Q. All right. What occurred when you arrived at the
24 jail?

25 A. We signed in at the front desk and they said

1 we'll take you into the room, we'll let you get
2 set up, and then we'll bring Mr. Avery in.

3 Q. All right. And describe the room for us.

4 A. Very small room, there's just a small table and
5 either two or three chairs.

6 Q. All right. Was there any -- How many doors to
7 the room?

8 A. There were two doors.

9 Q. Any windows to the room?

10 A. Both doors had windows.

11 Q. All right. And in terms of the walls, any
12 windows there?

13 A. No.

14 Q. All right. Who arrived in the room first, you
15 and your cameraman, or Mr. Avery?

16 A. Mr. Avery was sitting in there when we walked in.

17 Q. All right. When he was sitting there, was there
18 any conversation, that you recall, between
19 yourself and Mr. Avery, prior to going on camera?

20 A. I think just small talk, hello, that sort of
21 thing.

22 Q. All right. In your meeting with Mr. Avery at
23 that time, did he give you any indication,
24 whatsoever, that he did not want to participate
25 in such an interview?

1 A. No.

2 Q. As you recall now, thinking back on that moment,
3 can you describe his demeanor for us?

4 A. Just -- He was just relaxed, just kind of sitting
5 there.

6 Q. All right. Once the -- Who else was in the room?

7 A. My photographer.

8 Q. Was there any member of the Calumet County
9 Sheriff's Department in the room with you, as you
10 were setting up to conduct this interview?

11 A. I believe they were in there when they walked us
12 in. I don't remember how long they were in there
13 while we were setting up.

14 Q. All right. During the course of the interview
15 itself, was there any member of the Calumet
16 County Sheriff's Department present?

17 A. No.

18 Q. All right. In terms of the windows you have
19 previously described in the door, were there any
20 members of the Sheriff's Department posted
21 outside the doors?

22 A. Yes.

23 Q. All right. Which door, or both doors?

24 A. I believe there were both doors, one was behind
25 me, so I couldn't see that one.

1 Q. Right. All right. Prior to engaging in a
2 discussion with Mr. Avery, did you or your
3 cameraman, and that being him in your presence,
4 have any discussions with any member of the
5 Calumet County Sheriff's Department regarding the
6 nature of your interview?

7 A. No.

8 Q. Did you have any discussions with them with
9 respect to what topics would be covered in the
10 interview?

11 A. No.

12 Q. Did they suggest any questions to ask of
13 Mr. Avery during the course of the interview?

14 A. No.

15 Q. Your best estimate, approximately how long did
16 the interview of the defendant take?

17 A. We were probably there between 20 and 30 minutes.

18 Q. All right. Were you given any instructions as to
19 how to conduct the interview, or for the length
20 of the interview, by members of the Sheriff's
21 Department? In terms of -- when I say conduct, I
22 mean, for instance, turning the camera on,
23 turning the camera off, positioning of the
24 person, or anything like that.

25 A. No.

1 Q. All right. And in terms of the length, was that
2 regulated at all by the members of the Sheriff's
3 Department?

4 A. No.

5 Q. All right. Now, Ms Matesic, this morning,
6 immediately prior to going on the record, my
7 assistant provided us some documents that you
8 brought along, and I would like to have you just
9 identify them for purposes of the record.

10 ATTORNEY FALLON: And if I may approach the
11 witness and have an exhibit marked?

12 THE COURT: Yes. The clerk can mark the
13 exhibit.

14 ATTORNEY FALLON: Thank you.

15 (Exhibit 1, 2, and 3 marked for identification.)

16 Q. (By Attorney Fallon)~ Ms Matesic, I'm showing you
17 what has been marked for identification purposes,
18 for this hearing, as Exhibit No. 1. First of
19 all, we'll start with that, what is Exhibit
20 No. 1?

21 A. It's a VHS copy of five stories, I think. Yeah,
22 five stories involving interviews that I did with
23 Mr. Avery.

24 Q. All right. And with respect to the interview
25 which is at issue today, the November 12th

1 interview, is there a videotape of that
2 particular interview?

3 A. Yes -- Not of the interview, of the stories that
4 aired on our station.

5 Q. Just of the stories that aired?

6 A. Correct.

7 Q. Very well. All right. And as far as you know,
8 as the stories aired, is this a true and accurate
9 video recording of those stories that were aired,
10 relative to your interviews with Mr. Avery?

11 A. Yes.

12 Q. Very good. With respect to Exhibits 2 and 3,
13 could you identify these documents for us,
14 please.

15 A. Those are the scripts from the two interviews --
16 or the two stories I did on the 12th.

17 Q. Okay. And scripts, would it be fair to say that
18 scripts are what you use for purposes of
19 broadcasting a story?

20 A. Yes.

21 Q. And likewise, these do not contain the full
22 content of the interview with Mr. Avery, relative
23 to November 12?

24 A. No.

25 Q. Okay. So they are the media broadcast accounts?

1 A. Correct.

2 Q. Very good. Thank you. As far as Exhibits 2 and
3 3, are they true and accurate scripts, relative
4 to the broadcasts of the story, relative to the
5 interview on November 12th?

6 A. Yes.

7 Q. Very well. Thank you.

8 ATTORNEY FALLON: Subject to Counsel's
9 cross, would move to the introduction of those
10 exhibits.

11 ATTORNEY STRANG: I have no objection to 1,
12 2, or 3.

13 THE COURT: All right. Exhibits 1, 2, and
14 3 are admitted.

15 Q. (By Attorney Fallon)~ What occurred upon your
16 conclusion of the interview?

17 A. We finished up the interview. I thanked
18 Mr. Avery for talking to us. And at that point a
19 deputy from the jail had come back into the room,
20 because we were finished. And I said, can I
21 leave him my card, and he said -- the deputy
22 said, I can take it. I couldn't actually give it
23 to Mr. Avery.

24 Q. All right. And at any point during the -- I
25 think you said 20 to perhaps 30 minutes that you

1 spent with him -- at any time during that
2 particular interview, did Mr. Avery express to
3 you that he did not wish to participate in the
4 interview?

5 A. No.

6 Q. How would you characterize his willingness to
7 participate in an interview, which was on camera?

8 A. He continued to ask my questions.

9 Q. I'm sorry?

10 A. He continued to ask -- answer my questions.

11 Q. All right. Prior to beginning the interview, did
12 you explain to Mr. Avery what the nature or
13 purpose of your coming to interview him was?

14 A. I don't really recall.

15 Q. All right. How did the interview begin, what did
16 you tell him, in terms of why you were there,
17 perhaps?

18 A. I think I -- if my memory serves me correctly --
19 just said, you know, don't know if you're aware,
20 but they announced you are going to be charged
21 with Teresa Halbach's murder, and we just sort of
22 started the interview.

23 Q. All right. Do you recall, at this particular
24 time, the general framework of any of the
25 questions that you asked him, in terms of leading

1 into the interview; do you remember how it
2 started?

3 A. I don't.

4 Q. Do you have any specific recollection as to
5 whether -- Well, let me rephrase that question.
6 Was it made clear to Mr. Avery that the interview
7 was likely to be broadcast, or parts of the
8 interview would be broadcast on television?

9 A. I don't think I ever said anything like that, but
10 I guess you assume, when you go in with a camera
11 and a microphone, that you are eventually going
12 to use the interview for a story.

13 Q. Did you identify yourself to him?

14 A. Yes.

15 Q. And how did you identify yourself to him; do you
16 recall?

17 A. I said, I'm Emily Matesic from Channel 2.

18 Q. And did he seem to recognize either who you were
19 or perhaps your news station?

20 A. That I don't recall.

21 Q. Okay. At any point during the interview, did he
22 ask that the camera be turned off?

23 A. No.

24 Q. At any point in the interview, did he refuse to
25 answer any of your questions?

1 A. No.

2 ATTORNEY FALLON: I will pass the witness.

3 THE COURT: Mr. Strang.

4 **CROSS-EXAMINATION**

5 BY ATTORNEY STRANG:

6 Q. Ms Matesic, if I understood you correctly, you
7 began working at WBAY in August, 2005?

8 A. Correct.

9 Q. You previously had not worked in Wisconsin?

10 A. No.

11 Q. The first time you heard the name Steven Avery
12 would have been shortly after November 3, 2005?

13 A. That I don't recall.

14 Q. First time you heard the name Steven Avery was in
15 connection with Teresa Halbach's disappearance?

16 A. I believe so.

17 Q. You were assigned to that story as a general
18 assignment reporter?

19 A. Yes.

20 Q. You explained to Mr. Fallon, on direct
21 examination, your belief that on November 11,
22 when you were chatting with one or more
23 co-workers, whatever it was, that the case had
24 been going on for a couple of weeks at that
25 point; do you recall that?

1 A. Yes.

2 Q. By that, you mean the public awareness of the
3 disappearance of Teresa Halbach?

4 A. Yes.

5 Q. Mr. Avery, himself, was under arrest, you knew,
6 by November 11?

7 A. Correct.

8 Q. You had been following the news conferences that
9 Mr. Kratz and Sheriff Pagel, principally, had
10 been holding?

11 A. Yes.

12 Q. Had you attended those?

13 A. A few of them.

14 Q. Not all of them, but some of them you had
15 attended, personally?

16 A. Yes.

17 Q. You had introduced yourself to Sheriff Pagel at
18 some point?

19 A. I believe -- Yes.

20 Q. Sure. Introduced yourself to Mr. Kratz at some
21 point before November 11?

22 A. Probably.

23 Q. Had you met other members of the Calumet County
24 Sheriff's Department, let's say during or at
25 about the time of those news conferences?

1 A. You would see them and just say hello. I don't
2 know if I was on a first name basis with any of
3 them, or given my name.

4 Q. That included Detective Mark Wiegert?

5 A. Possibly.

6 Q. Okay. When did you become on a first name basis
7 with any of the members of the Calumet County
8 Sheriff's Department?

9 A. I don't think I was ever on a first name basis
10 with any of them. Sheriff Pagel was the one that
11 I had any sort of conversation with.

12 Q. All right. And November 11, you're having this
13 discussion. I missed it, I don't know how many
14 co-workers it was, or if that matters, but you
15 are talking with them about Avery?

16 A. Yes.

17 Q. Or the case. Tell me a little bit more about
18 that conversation, who says what.

19 ATTORNEY FALLON: I'm going to ask for a
20 little foundation as to when and where this
21 foundation -- or this conversation took place.

22 Q. (By Attorney Strang)~ I think you described only
23 one, it was on November 11, and you were at work;
24 am I correct?

25 A. We weren't at work.

1 Q. You weren't at work. All right. Would it be
2 polite to tell me where you were, even if it's
3 not polite to ask?

4 A. We were having a couple of cocktails in a bar.

5 Q. All right. Reporters will do that. So you are
6 having a couple of cocktails at the bar; how many
7 co-workers?

8 A. I think there were three of us that worked at the
9 station together, but I don't remember, there
10 might have been a couple other people there. We
11 don't all just hang out together, we have other
12 friends.

13 Q. You have friends. Okay. All right. That's
14 good.

15 ATTORNEY STRANG: You don't need the name
16 of the bar for foundation; do you, Mr. Fallon?

17 ATTORNEY FALLON: Nope.

18 ATTORNEY STRANG: Thank you.

19 Q. (By Attorney Strang)~ This was only one
20 conversation, on November 11, if I understood you
21 correctly?

22 A. Yes.

23 Q. All right. So, you know, I wasn't there. I
24 don't drink cocktails. And it was -- I would
25 have no way of knowing who said what. But how

1 did the subject of Steven Avery come up?

2 A. I think it had been a story that we had been
3 covering for a couple weeks, and the news
4 conference from that day kind of sparked our
5 conversation. I think we were -- it was the
6 first time we were all together and just kind of
7 rehashing the day.

8 Q. And who had the idea that, hey, let's go try to
9 talk to Mr. Avery?

10 A. That I don't remember.

11 Q. Had -- Was there any discussion about, you know,
12 whether the Calumet County Sheriff's Department
13 would, or would not, allow that to occur in the
14 jail?

15 A. I think someone did mention, or I mentioned, and
16 I said, I wonder if we would be allowed in to
17 talk to him.

18 Q. Okay. And what was the response to that?

19 A. I don't know, we'll make a phone call in the
20 morning.

21 Q. All right. And that's exactly what you did?

22 A. Yes.

23 Q. About when in the morning?

24 A. I'm scheduled to be into work at 9:30, so
25 sometime around there.

1 Q. All right. And you called, what, the general
2 number for the Calumet County Jail, or what --

3 A. Yes.

4 Q. -- or what did you do? And was it the person who
5 answered the phone to whom you addressed the
6 inquiry, hey, can we come down and interview
7 Mr. Avery?

8 A. Yes.

9 Q. All right. Do you know who that person was?

10 A. I don't.

11 Q. Do you remember if it was male or female?

12 A. That I don't even remember.

13 Q. And if I understood you, you said, on direct
14 examination, that the person said something like,
15 I don't know, we'll ask?

16 A. Yes.

17 Q. You were put on hold, or the phone was put down
18 in any event?

19 A. Yes.

20 Q. All right. And how much time passed before a
21 voice came back on the jail end of the telephone?

22 A. A minute or two, not very long.

23 Q. At most, two minutes?

24 A. Probably, I really am not 100 percent sure.

25 Q. Okay. But a short time?

1 A. Yes, I wasn't on hold for a half hour or anything
2 like that.

3 Q. All right. And was it the same person, if you
4 recognized the voice, who came back?

5 A. That I don't remember. I'm assuming it was the
6 same person, or at the time I assumed. I don't
7 know for sure.

8 Q. Okay. Whether it was someone new, or the same
9 person?

10 A. Right.

11 Q. And that person said, as best as you recall,
12 what?

13 A. He agreed to do the interview.

14 Q. And what was left for you, then, to discuss with
15 the person on the phone from the jail?

16 A. I said, what do I need to do. And they said,
17 just come down here and we'll take you into a
18 room for the interview.

19 Q. Did they ask when you were coming?

20 A. I think I asked what time, and they said
21 whenever. I said, okay, we'll leave in a few
22 minutes.

23 Q. All right. So the response from them was, you
24 can come whenever you like?

25 A. Yes.

1 Q. Did you ask, would there be a time limit on how
2 long we could see Mr. Avery?

3 A. No.

4 Q. And they didn't volunteer that there would be a
5 time limit?

6 A. No.

7 Q. In fact, there turned out not to be anyone
8 knocking on the door, saying times up, or trying
9 to regulate the amount of time you spent?

10 A. No.

11 Q. So, you said, we'll hop in the car, we'll come
12 down. I can show you the sign-in registry if you
13 want, but if I suggest to you, that at least what
14 you wrote signing in was 11:15 in the morning, on
15 Saturday, November 12, does that sound about
16 right?

17 A. I guess, yeah, it was in the morning. It was in
18 the morning. I believe you, on the sign in
19 sheet.

20 Q. Okay. You are welcome to see it if you want.

21 A. That's probably about right.

22 Q. About 11:15 in the morning. All right. And did
23 you have any conversations with anyone from law
24 enforcement? You know, by that, I would include
25 the District Attorney's Office, the Calumet

1 County Sheriff's Department, certainly the
2 Calumet County Jail, or any other law enforcement
3 agency, before you arrived at the jail, just
4 before 11:15?

5 A. Nothing, other than the phone call to the jail.

6 Q. All right. You came down with one cameraman?

7 A. Yes.

8 Q. Now, your purpose in interviewing Steven Avery,
9 was to ask him about the events that you had seen
10 discussed on the news conferences?

11 A. Yes.

12 Q. Ask him, in general, about the Halbach
13 disappearance and the charges arising from her
14 disappearance?

15 A. Yes.

16 Q. You had no other reason to want to interview
17 Steven Avery?

18 A. No.

19 Q. You weren't interested in his opinions on other
20 topics?

21 A. No.

22 Q. Didn't regard him as newsworthy, on November 12,
23 2005, other than for his connection to the
24 charges that, then, had been filed against him,
25 and the events surrounding Teresa Halbach's

1 disappearance?

2 A. Correct.

3 Q. Did you explain to the person who answered the
4 phone, in the jail, when you called shortly after
5 9:30, that you wanted to talk to Mr. Avery about
6 the Halbach case, or about the charges against
7 him?

8 A. Yes.

9 Q. How many times have you been in the Calumet
10 County Jail, total?

11 A. Once, in the jail.

12 Q. All right. And how many times in the Calumet
13 County Sheriff's Department, total?

14 A. Once in the Sheriff's Department.

15 Q. Are we talking about the same time, November 12?

16 A. No.

17 Q. No. Separate times?

18 A. Yes.

19 Q. All right. And the Sheriff's Department was
20 when?

21 A. That I don't recall.

22 Q. Before or after the November 12 televised
23 interview of Mr. Avery?

24 A. It was before.

25 Q. And that was to see whom?

1 A. Sheriff Pagel.

2 Q. To interview him, or for some other purpose?

3 A. For a different -- To interview him for a

4 different story in the county.

5 Q. Unrelated to --

6 A. Unrelated to the Avery --

7 Q. -- to Teresa Halbach?

8 A. Yes. Unrelated to that, completely unrelated.

9 Q. Okay. And in fact, do you recall, was that

10 interview with Sheriff Pagel before you were

11 aware that Ms Halbach had been reported missing?

12 A. Well before, I believe, yes.

13 Q. Okay. So -- I mean, it couldn't have been before

14 August 2005?

15 A. Correct.

16 Q. But late summer, fall, before Ms Halbach

17 disappears?

18 A. Yes.

19 Q. All right. I'm actually going there because I'm

20 going to try to ask you about the jail layout,

21 and if you have only been there once, it would be

22 fair if you don't recall. But let me ask, okay.

23 There's a heavy metal security door to the left

24 of the bullet proof window where you first see a

25 jail receptionist; do you recall that?

1 A. I don't remember the door to the left. I believe
2 we went in a door to the right.

3 Q. To the right. Okay. Did you have to be buzzed
4 in?

5 A. Yes.

6 Q. Security door. All right. And then do you
7 remember where you signed the book, where you
8 wrote your name, and the time in, and the date?

9 A. Outside of that window, before we were escorted
10 into the jail area.

11 Q. Before you're within the secure area?

12 A. We walked in the door and that window is right
13 there, that's where we signed in.

14 Q. Oh, okay. And then you think you went into a
15 door to the right and now you are in the secure
16 area of the jail.

17 A. I believe so, yes.

18 Q. All right. The small room that you described
19 doing -- you know, in which you did the
20 interview, is that the -- sort of the first room,
21 on the left, in the hallway?

22 A. Yes. I don't know if it's the first room, but it
23 was at the beginning of that hallway.

24 Q. When you went in to get to the interview room and
25 went through that first secure door, did you go

1 through an area that had some desks, people
2 sitting out and some offices against the back?

3 A. No, I don't remember that at all.

4 Q. You just went straight into a hallway?

5 A. Into a hallway.

6 Q. All right. And the room, you think, was the
7 first one on the left?

8 A. It was on the left. I don't know if it was the
9 first room.

10 Q. Okay. Fair enough. You were aware of a deputy
11 posted outside each door, while you were in the
12 room?

13 A. Yes.

14 Q. You could see them through the windows on the
15 door?

16 A. I could see the one, because the one door was
17 behind me. So, I don't have eyes in the back of
18 my head, but I could see the one, you know.

19 Q. How did you know there was somebody standing
20 behind you, behind that door?

21 A. The deputy that walked us in said that there
22 would be a deputy at each door.

23 Q. All right. And the deputies were uniformed?

24 A. Yes.

25 Q. They were standing immediately at the door?

1 A. The one that I could see wasn't right at the
2 door, a little bit away from the door.

3 Q. Looking in, or watching?

4 A. That I don't know. My eyes weren't focused on
5 the deputy while I was in there.

6 Q. Right. But you were able to see him yourself?

7 A. Yes.

8 Q. So it follows that he could see you?

9 A. Yes.

10 Q. All right. You conducted the interview --

11 A. Yes.

12 Q. -- with Mr. Avery, 20 or 30 minutes, correct?

13 A. Yes.

14 Q. Setting aside small talk, and I'm Emily Matesic,
15 nice to meet you, that kind of stuff, the
16 entirety of the interview was committed to Teresa
17 Halbach, and the charges against Mr. Avery?

18 A. Yes.

19 Q. You did not go into other topic areas with
20 Mr. Avery?

21 A. No.

22 Q. Did you -- Did you buzz to let -- to ask that the
23 deputy then come in at the end of interview, or
24 did the deputy simply let himself, or herself, in
25 as the interview appeared to be wrapping up?

1 A. Before the interview started, the deputy said
2 when you are done, or you need us at any time,
3 just raise your hand. And when we were done, I
4 raised my hand.

5 Q. Okay. And, obviously, again, then one of them
6 was -- at least one was positioned such where he
7 could see you raise your hand?

8 A. Yes.

9 Q. And they came, correct?

10 A. Yes.

11 Q. They took Mr. Avery?

12 A. Yes.

13 Q. And then you and the cameraman were escorted out?

14 A. Yes.

15 Q. Did you talk to anyone from the Calumet County
16 Sheriff's Department before leaving that property
17 to return to Green Bay?

18 A. Nothing, other than thank you and goodbye.

19 Q. Did you make arrangements at any point, at any
20 time, to provide a videotape, or a DVD, or
21 anything of the interview, to anyone from law
22 enforcement?

23 A. No.

24 Q. Were you asked to bring the videotape today?

25 A. Yes.

1 Q. By whom?

2 A. By Mr. Fallon.

3 Q. Okay. And you were able to accommodate
4 Mr. Fallon's request?

5 A. I referred him to my news director. I referred
6 him to my news director. I'm not the one that
7 makes those decisions.

8 Q. Sure. But in any event, you were given the tape
9 to bring today, by someone at WBAY?

10 A. A tape only of the stories that aired from my
11 interview, not the complete interview itself.

12 Q. So you're aware of that little dispute that's
13 ongoing about the raw footage versus the aired
14 footage?

15 A. Yes.

16 Q. Okay. What's on the raw footage that is not on
17 the aired footage?

18 A. The entire interview is on the raw footage, and
19 the tape I brought today has the stories that I
20 did, containing little bits of the interview.

21 Q. But, again, just to be very clear about this, if
22 we had -- if we could see the raw footage, all
23 the film that your cameraman shot in that room,
24 other than true small talk, the entire discussion
25 would have been about Teresa Halbach, or the

1 allegations in the original Criminal Complaint,
2 against Mr. Avery?

3 A. Yes.

4 Q. You referred, as well, to a second interview with
5 Mr. Avery, that occurred over the telephone?

6 A. Yes.

7 Q. Do you remember about when that was?

8 A. I believe it was in December.

9 Q. How did that come to be?

10 A. The interview, I sent a fax to the Calumet County
11 Jail requesting an interview.

12 Q. To whom did you address the fax?

13 A. To Steven Avery.

14 ATTORNEY FALLON: Object to this line of
15 inquiry as being irrelevant, based on the pleadings
16 and focus. If we're concerned solely with the on
17 camera interview, as opposed to initiated telephone
18 conversations, that was my understanding as to our
19 limited focus today, so it seems to me that this
20 would be irrelevant.

21 ATTORNEY STRANG: Well, it's a fair point,
22 but as I understand the scope of our motion and
23 intend the scope of the motion, your Honor, I am not
24 seeking to suppress, or exclude, any statement to
25 media representatives that Mr. Avery initiated.

1 Now, I was not aware of this telephonic
2 interview with Ms Matesic, and to the extent that
3 she initiated it, it is within the intended scope
4 of this motion. I certainly could re-plead the
5 motion, but the division line here is if he
6 initiated it, I don't see it as being subject to
7 the Sixth Amendment claim. If someone else
8 did--

9 THE COURT: I'm not sure I have got a copy
10 of the motion handy. It was filed on June 16th.
11 It's a motion -- Do one of you have a copy of the
12 motion handy?

13 ATTORNEY STRANG: I do. I don't want to
14 suggest that I addressed this, because I didn't. I
15 didn't no about this particular one.

16 ATTORNEY KRATZ: Here you go.

17 THE COURT: So, Mr. Fallon, your objection
18 relates to the description of in person interviews?

19 ATTORNEY FALLON: It is my understanding
20 that that was the focus, otherwise I would have gone
21 into more questioning on my direct examination of
22 the witness relative to the telephone interviews
23 occurring a couple of weeks after the interview at
24 issue here.

25 As I understand it from the pleading, it

1 says on page two, Mr. Avery does not seek
2 suppression of statements he made in telephone
3 calls that he placed from the jail to members of
4 the news media. So this motion addresses only in
5 person interviews with the media, in the jail.
6 So that's why, that's the basis for my objection.

7 THE COURT: You seem to be talking about a
8 third category here, that's not an in person
9 interview at the jail, but also not a telephone call
10 that was originated by the defendant.

11 ATTORNEY STRANG: Right. And I have no
12 objection to breaking my cross and allowing a
13 resumption of direct. I mean, that's a fair point.
14 I'm learning here for the first time that she
15 initiated it.

16 THE COURT: You can have this back. Why
17 don't you finish your cross and I'll let Mr. Fallon,
18 on redirect, start from scratch, if he wishes here.

19 ATTORNEY FALLON: That's fine. I suspect,
20 on further cross-examination by counsel, the issue
21 may disappear, or become far more ripe for argument.
22 Go ahead.

23 THE COURT: You may proceed, Mr. Strang.

24 Q. (By Attorney Strang)~ You faxed a letter, or
25 something, to the jail, addressed to Steven

1 Avery?

2 A. Yes.

3 Q. Did you follow that with a phone call to the
4 jail?

5 A. I believe I placed a phone call first, and then
6 was told I couldn't make my request over the
7 phone, so I sent the fax.

8 Q. You had made the request over the phone on
9 November 12?

10 A. Yes.

11 Q. The answer, though, was different this time?

12 A. Yes.

13 Q. Were you given an explanation for why the answer
14 had changed?

15 A. No.

16 Q. Were you ever told that Mr. Avery had written out
17 a statement saying that he did not want to be
18 interviewed, in jail, by members of the media,
19 including TV reporters?

20 A. No.

21 Q. Nobody at the jail ever told you that?

22 A. No.

23 Q. What did they tell you after saying, no, you
24 can't make this request over the phone?

25 A. That it needed to be in writing.

1 Q. All right. And did they tell you to whom to
2 address the writing?

3 A. To him, I believe. I'm not sure.

4 Q. Okay. That's fine, if you don't remember. Do
5 you have that letter or fax?

6 A. I don't, no.

7 Q. What happened to it?

8 A. I threw it out.

9 Q. Did anybody, you know, explain to you how a fax
10 would get to Mr. Avery, in the jail?

11 A. No.

12 Q. But they gave you a fax number?

13 A. I believe I asked for the fax number.

14 Q. And you were given the fax number?

15 A. Yes.

16 Q. All right. And off you sent this fax?

17 A. Yes.

18 Q. Was it a letter to Mr. Avery, is that your best
19 recollection?

20 A. Yes, just a short letter.

21 Q. What did you next hear from either Mr. Avery or
22 someone in the Calumet County Jail?

23 A. Mr. Avery called me.

24 Q. When did he call you?

25 A. Shortly after the fax was sent.

1 Q. All right. And was that a collect call?

2 A. Yes.

3 Q. You had provided your telephone number in the

4 fax?

5 A. Yes.

6 Q. It had invited him to call collect?

7 A. Yes.

8 Q. Did you tell him, in the letter, what it was you

9 wanted to talk about?

10 A. I don't recall.

11 Q. Okay. That's fine. You do recall, that in your

12 mind, again, the topic of interest as to

13 Mr. Avery was the charges against him, relating

14 to the disappearance and death of Teresa Halbach?

15 A. Yes.

16 Q. You weren't interested in his opinion of what was

17 going to happen to the Nasdaq in 2006, or

18 anything like that?

19 A. No.

20 Q. All right. That interview lasted about how long?

21 A. Probably about 20 minutes.

22 Q. Did you tape it?

23 A. Yes.

24 Q. Did you know, at that time, that the jail would

25 be taping you as receiving an outgoing call from

1 the jail?

2 A. No.

3 Q. When did you first learn that you were on tape,
4 on the jail end, when you were talking to an
5 inmate of the jail?

6 A. I think during the course of the interview, there
7 was a recording, or something, that comes up on
8 the phone, that -- I think it says -- it says
9 something, I'm -- I don't remember what, but at
10 that point, I guess, is when I kind of realized
11 that we were probably being taped.

12 Q. Right. It's a tape that says something like this
13 call was placed by an inmate from the Calumet
14 County Jail, something to that effect?

15 A. I will have to take your word for it, I don't
16 really remember.

17 Q. But some voice --

18 A. Yes.

19 Q. -- on what you took to be a taped message?

20 A. Yes.

21 Q. Did you hear it more than once?

22 A. Yes.

23 Q. So on some cycle, this voice comes on the line?

24 A. Yes.

25 Q. All right. And you assumed at that point, that

1 you were being taped?

2 A. Yes.

3 Q. You had no objection to that?

4 A. No.

5 Q. Because you were also taping on your end?

6 A. Correct.

7 Q. And the point was to get all of this on tape?

8 A. Right.

9 Q. Was that interview then broadcast, or aired?

10 A. Parts of the interview and stories that I had
11 written.

12 Q. So that one, again, you sort of chopped, or
13 edited, and assembled into a story, rather than
14 running the raw interview tape?

15 A. Yes.

16 Q. Look, I don't want to get off track here, but I'm
17 curious, because I just don't know. Does any of
18 the two interviews that we're talking about,
19 would segments of those have run on the WBAY
20 website, if you know?

21 A. No.

22 ATTORNEY FALLON: Objection, relevance.
23 And I will renew my previous objection. It's clear
24 that Mr. Avery initiated the phone contact, so this
25 matter is not the subject of the motion, unless

1 counsel is amending his motion.

2 THE COURT: Well, in a sense he initiated
3 it, in that he made the call, but it also was in
4 response to a fax that was sent by the witness. So
5 I'm going to give the defense some latitude here. I
6 will overrule that part of the objection.

7 ATTORNEY FALLON: Just for the record, the
8 basis of my motion on that is a case called **State**
9 **vs. Pischke**, P-i-s-c-h-k-e, regarding initiation.
10 And I think the argument can be made, although the
11 case is not directly on point, that Mr. Avery was
12 the one who initiated the contact here. So, just
13 for the record.

14 THE COURT: All right. I'm not -- Let me
15 make sure if my ruling is understood here. I'm not
16 saying that the manner in which the defendant
17 returned the call doesn't have some legal
18 significance as to the substantive portion of the
19 motion. I'm just saying, for evidentiary purposes,
20 I'm going to allow the questioning.

21 ATTORNEY FALLON: Very well. Thank you.

22 Q. (By Attorney Strang)~ But there was another
23 objection to that and that was to what the
24 website runs. And I don't even know if you know
25 the answer to my question.

1 A. I believe the only thing that would have run on
2 the website was my story that aired on our
3 station.

4 Q. But that may have been on the website both times?

5 A. The entire interviews?

6 Q. No, the stories.

7 A. The stories, yes.

8 Q. Okay. Were there any other attempts, by you, to
9 interview Mr. Avery since he's been in custody?

10 A. One other time, I believe, yes.

11 Q. When was that?

12 A. I think it was in March.

13 Q. You initiated that with a fax?

14 A. With a phone call to the jail, at first. I was
15 told it needed to be in writing, and asked if I
16 could send a fax, and it was, no, it had to come
17 through the mail.

18 Q. Oh.

19 A. The request had to be --

20 Q. So it changed again?

21 A. Yes.

22 Q. So this time you couldn't fax it. Did you mail a
23 request?

24 A. No.

25 Q. Why?

1 A. It would take a day or so for the letter to get
2 there, and by that time it wouldn't be very
3 timely.

4 Q. I see. And you didn't hear, then, from
5 Mr. Avery, at any time after this December
6 telephonic interview that you described?

7 A. No.

8 Q. You are aware of no other attempt by him to call
9 you collect?

10 A. No.

11 Q. Aware of no other attempt by him to call anyone
12 at WBAY-TV, collect?

13 A. No.

14 ATTORNEY STRANG: That's all I have. Thank
15 you.

16 THE COURT: Mr. Fallon.

17 ATTORNEY FALLON: Yes, just to complete the
18 record.

19 (Exhibits 4, 5, and 6 marked for identification.)

20 ATTORNEY FALLON: May I approach?

21 THE COURT: Yes.

22 **DIRECT EXAMINATION**

23 BY ATTORNEY FALLON:

24 Q. Ms Matesic, I show you what's been marked for
25 identification purposes as Exhibits 4, 5, and 6,

1 can you take a moment to look at those and tell
2 us what they are.

3 A. These are the scripts from the stories I did with
4 the telephone interview of Mr. Avery.

5 Q. All right. And these are the scripts relative to
6 the telephone interviews that were the subject of
7 Counsel's cross-examination a few moments ago?

8 A. Yes.

9 Q. And these are the outtakes, or broadcasts,
10 comments, and not the entire substance of the
11 interview; is that correct?

12 A. Correct.

13 ATTORNEY STRANG: I'm sorry, I'm not sure I
14 understand the question. You said these are the
15 outtakes, not the substance of the --

16 ATTORNEY FALLON: Not the entire interview.
17 These are what was broadcast.

18 ATTORNEY STRANG: So they are not outtakes?

19 THE WITNESS: They were taken out of the
20 interview, bites that were taken out of the
21 interview.

22 ATTORNEY FALLON: Okay. Choice of words.

23 Q. (By Attorney Fallon)~ And as far as you know,
24 these are true and accurate reflections of what
25 was actually broadcast, relative to these

1 telephone interviews.

2 A. Yes.

3 Q. Okay. Thank you.

4 ATTORNEY FALLON: We would move for
5 introduction of Exhibits 4, 5, and 6. For the
6 record, it's marked by the duration, apparently; 133
7 is Exhibit No. 4, duration 137 is Exhibit 5; and
8 duration 157 is Exhibit 6. And I don't believe
9 there will be an objection from counsel.

10 ATTORNEY STRANG: No. No, these can be
11 admitted, your Honor.

12 THE COURT: All right. Those exhibits are
13 admitted.

14 ATTORNEY FALLON: That's all I have for
15 this witness, I'm not going to do any redirect.

16 THE COURT: All right. The witness is
17 excused.

18 ATTORNEY FALLON: State would call it's
19 next witness, Jennifer Kolbusz.

20 THE COURT: Is somebody bringing the next
21 witness in?

22 ATTORNEY FALLON: I believe so.

23 THE COURT: Okay.

24 THE CLERK: Please raise your right hand.

25 **JENNIFER KOLBUSZ**, called as a witness

1 herein, having been first duly sworn, was
2 examined and testified as follows:

3 THE CLERK: Please be seated. Please state
4 your name, spell your last name for the record.

5 THE WITNESS: Jennifer Kolbusz,
6 K-o-l-b-u-s-z.

7 **DIRECT EXAMINATION**

8 BY ATTORNEY FALLON:

9 Q. What do you do for a living?

10 A. I'm a reporter at Channel 5.

11 Q. And where is Channel 5 located?

12 A. In Green Bay.

13 Q. How long have you been employed with Channel 5?

14 A. It will be two years in September.

15 Q. Do you have a current assignment, or detail, for
16 the type of reporting you do at this time?

17 A. I'm a general assignment reporter.

18 Q. And have you been a general assignment reporter
19 for the entire two years at Channel 5?

20 A. Yes, I have.

21 Q. Directing your attention to November and December
22 of the year 2005, starting first with November;
23 did you have an opportunity to interview an
24 individual by the name of Steven Avery?

25 A. Yes.

1 Q. And with respect to Mr. Avery, tell us where that
2 interview took place?

3 A. In the Calumet County Jail.

4 Q. Do you recall the date of your first interview
5 with Mr. Avery?

6 A. Yes, it was November 18th.

7 Q. Describe for us, if you will, how that interview
8 came to be?

9 A. On the morning of November 18th, I called the
10 Calumet County Jail from my apartment, and I
11 asked what the visiting hours were at the jail.

12 Q. And what information did you receive in response
13 to that request?

14 A. The woman who answered the phone told me there
15 were specific days and times. I don't recall
16 what she said; however, it differed from what I
17 had heard from other reporters who I work with.
18 So, at that point, I questioned her further and
19 she asked if I would like to speak to a
20 supervisor.

21 Q. All right. And did you in fact speak to a
22 supervisor?

23 A. Yes, I did. She transferred me to John Byrnes.

24 Q. And before we get into that, my question would
25 be, did you identify yourself as a news reporter

1 during this first conversation with the woman?

2 A. Yes, I did.

3 Q. All right. And did you indicate the reason for
4 your inquiry?

5 A. Yes.

6 Q. All right. And the best you can recall, what did
7 you tell the person who answered the phone, in
8 terms of the reason for your inquiring as to the
9 visiting hours?

10 A. I said that I would like to interview Steven
11 Avery in the jail.

12 Q. All right. Subsequent to this woman answering
13 the phone, you indicated you spoke with one of
14 the supervisors?

15 A. I'm sorry?

16 Q. I'm sorry. You did speak to a supervisor?

17 A. After, right. After I talked to that woman.

18 Q. All right. And to whom did you speak?

19 A. John Byrnes.

20 Q. And what did you ask of Mr. Byrnes?

21 A. Well, again, I told him, I'm a reporter and that
22 I wanted to see if I could do an interview with
23 Steven Avery. And I asked him how I could go
24 about doing that.

25 Q. All right. And what instructions were you given?

1 A. He said I could mail a letter to Steven Avery,
2 that was one option.

3 Q. All right. Any other options?

4 A. Yes, I in fact said, well, I was trying to see if
5 I could interview him that day. And he said I
6 could write a letter and then hand deliver it to
7 the jail, just ask for John Byrnes, when I got
8 there, and he would hand deliver the letter to
9 Steven Avery.

10 Q. All right. And did you in fact hand deliver such
11 a letter?

12 A. Yes, I did.

13 Q. At this particular point, do you know if that
14 letter still exists?

15 A. I don't.

16 Q. Do you -- Did that letter that you wrote ever
17 come back to you?

18 A. No.

19 Q. All right. Tell us what happened, specifically,
20 when you arrived at the Sheriff's Department that
21 day?

22 A. We went to the jail, the photographer I was
23 working with, and I asked to speak to John
24 Byrnes. John Byrnes, then, came out to the area
25 where we were, and I introduced myself, and I

1 gave him the letter that I had handwritten in the
2 car ride over to the jail.

3 Q. All right. And as best you can recall now, can
4 you tell us the contents of that letter?

5 A. Yes, I identified myself as Jennifer Kolbusz, who
6 works for Channel 5, and said that I would like
7 to do an interview with him. And I said that I
8 had no intention of convicting him on television,
9 or had no agenda, but rather just wanted to hear
10 his side of the story.

11 Q. All right. And when you came to the Sheriff's
12 Department, to whom did you give that letter?

13 A. John Byrnes.

14 Q. And when you handed him that letter, what
15 occurred?

16 A. He looked it over, but at the same time, had also
17 turned his back and started walking back into the
18 jail. And my understanding is that he delivered
19 it to Steven Avery.

20 Q. All right. And what led you to believe that it
21 was actually delivered to Mr. Avery?

22 A. He said he was going to deliver it to him, and
23 then, also, a few minutes later, another member
24 of the jail staff opened the door and said that
25 Steven Avery had agreed to let us in.

1 Q. All right. And what occurred then?

2 A. That jail staff member took our identification,
3 had us sign in, and then we were led into a room,
4 and then Steven Avery was led in a few minutes
5 later.

6 Q. All right. Could you describe, first and
7 foremost, the room in which you were sent to?

8 A. It was located just right there from the door
9 that I initially entered. It wasn't far into the
10 jail at all.

11 And it was just a plain room with a
12 small table. A small plain room. And there were
13 some windows on the doors, so I could see the
14 guards through both sides, I believe, as we were
15 talking to Steven.

16 Q. All right. And how many doors were in the room?

17 A. Two.

18 Q. And these windows, were they the only windows in
19 the room?

20 A. I believe there were other windows, I'm not
21 positive.

22 Q. All right. Who accompanied you into the room?

23 A. The photographer I work with.

24 Q. Did any member of the Sheriff's Department
25 actually walk into the room with you?

1 A. I don't remember.

2 Q. Was there any conversation with either
3 Mr. Byrnes, or the person who opened the security
4 door for you, regarding Mr. Avery?

5 A. They said he would be in shackles, and that was
6 it.

7 Q. All right. Prior to commencing the interview
8 with Mr. Avery, did you have any discussions,
9 whatsoever, with Mr. Byrnes, as to the nature and
10 content of your interview with Mr. Avery?

11 A. No.

12 Q. Did Mr. Byrnes, or any other member of the
13 Sheriff's Department, put any restrictions on the
14 topics that were to be covered in the interview?

15 A. No.

16 Q. Were you suggested -- excuse me -- let's rephrase
17 that. Were any questions suggested to you that
18 should be asked of Mr. Avery?

19 A. No.

20 Q. In terms of the interview, during -- describe for
21 us, if you will, Mr. Avery's appearance when he
22 came into the room?

23 A. When he came into the room, he had shackles
24 around his ankles and he was handcuffed.

25 Q. All right.

1 A. And he had, I believe, recently had a haircut.
2 And he just simply came in and sat down.

3 Q. All right. Describe his demeanor for us, if you
4 will.

5 A. I would say casual. He was pleasant. I would
6 just say, fairly neutral.

7 Q. All right. Well, would you say he was excited,
8 relaxed, cordial, angry; how would you describe
9 him?

10 A. I would describe him as relaxed.

11 Q. All right. When he came into the room, did any
12 of the Sheriff's Department personnel remain in
13 the room with you, and your cameraman, and
14 Mr. Avery?

15 A. No.

16 Q. All right. As best you can recall, how did --
17 what were the first words spoken upon his arrival
18 in the room, by you?

19 A. What did I say first?

20 Q. What did you say first?

21 A. I said thank you for speaking with us.

22 Q. And what response, if any, did you receive from
23 him?

24 A. You're welcome.

25 Q. All right. At any point at the beginning here,

1 did he suggest to you that he did not wish to be
2 interviewed?

3 A. No.

4 Q. At any point, did he tell you, that he had told
5 members of the Sheriff's Department, that he did
6 not want to have any media interviews?

7 A. No.

8 Q. At this particular point, did you then tell him
9 what you wanted to do, in terms of the interview?

10 A. Yes.

11 Q. All right. And as best you can recall, tell us
12 what you told him, as to what your plan was for
13 the interview?

14 A. I said I just wanted to hear his side of the
15 story.

16 Q. All right. And how did he respond to that
17 comment?

18 A. He just said, okay. And then, as I proceeded to
19 ask questions, he answered them.

20 Q. All right. At what point, if you recall, was the
21 camera turned on, as it were, for purposes of
22 recording this interview?

23 A. Probably within a minute of Steven Avery taking a
24 seat.

25 Q. All right. Is the camera which was utilized by

1 your cameraman -- is there a light on that camera
2 that would suggest to someone observing that the
3 camera was on, and/or recording?

4 A. Yes.

5 Q. All right. During the course of the interview,
6 did you indicate to Mr. Avery, if you can recall,
7 whether the content of the interview might
8 actually be broadcast to the public at large?

9 A. I never said that specifically, but my
10 understanding was that it was implied.

11 Q. All right. And just so that we're clear, what
12 was it about the circumstances that led you to
13 conclude that he was aware that it could very
14 well be broadcast?

15 A. Well, I identified myself as a reporter for
16 Channel 5, and I entered the room with a
17 photographer.

18 Q. All right. During the entire interview with
19 Mr. Avery, at any point, did any member of the
20 Calumet County Sheriff's Department come into the
21 room?

22 A. No.

23 Q. At any point during the course of the interview,
24 did Mr. Avery indicate to you that he did not
25 wish to be interviewed any longer, in other

1 words, he didn't want to answer any more
2 questions?

3 A. No.

4 Q. At any point during the course of the interview,
5 did he indicate to you that he didn't want the
6 interview publicly aired or broadcast, during the
7 course of the interview?

8 A. No.

9 Q. Tell us how -- your best estimate of how long
10 this interview lasted?

11 A. I would say probably about a half hour.

12 Q. How did the interview terminate?

13 A. I would say that it ended on cordial terms.

14 Q. All right. Did you make any requests of
15 Mr. Avery, at the conclusion of the interview,
16 that you recall at this time?

17 A. I said that chances are I would try to contact
18 him again and do another interview.

19 Q. Okay. How did he respond to that?

20 A. He said, okay.

21 Q. All right. Did he make any requests of you, or
22 your cameraman, relative to the interview
23 process, at the conclusion of the interview?

24 A. No.

25 Q. How did you let members of the Sheriff's

1 Department know that the interview was concluded?

2 A. We stood up, and I'm assuming that they just
3 knew, at that point, we were done, because we
4 were collecting our equipment.

5 Q. All right. And as you were doing that, did the
6 deputies enter the room, or did you open the door
7 and ask them to come in?

8 A. They opened the door, and then escorted Steven
9 Avery out one door, and then we were led out of
10 the other door.

11 Q. Who left the room first, Mr. Avery, or you and
12 your cameraman?

13 A. I believe Steven Avery did, but I'm not sure.

14 Q. All right. Did you have any additional
15 discussion, that you recall at this time, with
16 the deputy sheriff who escorted you from the
17 room, back to the general public waiting area?

18 A. No.

19 Q. When you -- During the course of that, I think
20 you said it was a brief walk, did you have any
21 encounters with Mr. Byrnes?

22 A. No.

23 Q. Upon your leaving the secure area of the jail and
24 going into the general reception area, did you
25 have any additional discussion with Mr. Byrnes at

1 that time?

2 A. No.

3 Q. Did you have any discussion with any member of
4 the Calumet County Sheriff's Department regarding
5 the nature and content of the interview you had
6 just conducted with Mr. Avery?

7 A. No.

8 Q. Were there any requests made for copies of the
9 video or audio parts of that interview?

10 A. No.

11 Q. All right. I believe you indicated there was a
12 second interview that occurred with Mr. Avery.

13 A. Yes.

14 Q. Your best recollection, approximately when did
15 that second interview take place?

16 A. On December 14th.

17 Q. Tell us how that interview came to pass?

18 A. That interview, I had not contacted the jail that
19 morning. I had said in our afternoon news
20 meeting that I would like to try talking to
21 Steven Avery again. And our staff agreed that I
22 should try. And we just -- my photographer and
23 I -- again, the same photographer -- just drove
24 to the Calumet County Jail.

25 And, once again, I hand wrote a letter.

1 And when I got into the jail, I asked for John
2 Byrnes, and he came out. And, once again, took
3 that letter back to Steven Avery.

4 Q. Okay. And, again, your best recollection --
5 Well, first of all, let me ask, did you ever see
6 that letter again?

7 A. No.

8 Q. All right. Your best recollection, could you
9 tell us what you put in the letter this time, for
10 the December 14th interview?

11 A. Yes. I said, my name is Jennifer Kolbusz. We
12 talked about a month ago. And there have been
13 some recent developments in the case and I would
14 just like an opportunity to talk to you again,
15 about those developments and, once again, give
16 you an opportunity to share your side of the
17 story.

18 Q. All right. When you encountered Mr. Byrnes this
19 time, was there any additional discussion between
20 you and him, or did you simply just present the
21 letter to him?

22 A. I just gave him the letter.

23 Q. All right. And what response, if any, did you
24 receive from him?

25 A. None. He just looked it over, once again, and

1 turned and walked into the jail.

2 Q. Approximately how long, or how much time passed,
3 before you saw him again, Mr. Byrnes?

4 A. I don't believe I did see him again. The next
5 person I saw was a different member of the staff.

6 Q. All right. And do you recall who that may have
7 been?

8 A. No.

9 Q. All right. Male or female?

10 A. Male.

11 Q. All right. And what did this person -- Well,
12 what happened when they appeared?

13 A. They opened the door and said that Steven Avery
14 agreed to let us in.

15 Q. All right. And is this the same door that you
16 entered on November 18th?

17 A. Yes.

18 Q. When the door opened, and the person escorted you
19 through the door, where did you go?

20 A. Once again, we were asked to give our ID's, and
21 we signed in, and then we were led into the same
22 room we were in a month before.

23 Q. All right. And when you arrived in that
24 particular room, was Mr. Avery already there, or
25 did he come in later?

1 A. He came in later.

2 Q. When Mr. Avery came in, how did he appear on this
3 particular date, December 14th?

4 A. I know this time his hands were not in cuffs.
5 And he seemed, actually, to be in quite a good
6 mood. He was smiling, and he extended his hand,
7 and said, good to see you, and we shook hands.

8 Q. Did he greet the photographer as well, or just
9 you?

10 A. I don't remember.

11 Q. All right. After the greeting or -- excuse
12 that -- While the greeting was occurring, were
13 members of the Sheriff's Department present, or
14 had they left the room?

15 A. They had left the room.

16 Q. So, at this particular time, there were only
17 three of you in the room?

18 A. Yes.

19 Q. All right. After the greetings were exchanged,
20 tell us what occurred next, or how you began?

21 A. I don't remember the exact content of the
22 conversation, but I know I started with, more or
23 less, small talk. And I asked him if he had been
24 following the news, reading the newspapers, and
25 he said, somewhat. I did say to him, you seem

1 like you are in a good mood, because he was
2 smiling.

3 Q. All right. And how did he respond to your
4 comment?

5 A. He just kind of shook his smile off. And I would
6 say he got fairly serious at that point.

7 Q. All right. And at this particular point, did he
8 express to you any unwillingness to participate
9 in another on camera interview?

10 A. No.

11 Q. At any point, did he alert you to the fact, or
12 tell you that he had declined other news media
13 interview requests?

14 A. No.

15 Q. As you proceeded during the course of this
16 interview, at any time, was there any indication
17 from Mr. Avery that he just did not want to
18 participate in the interview with you?

19 A. No.

20 Q. At any point during the course of the interview,
21 did he refuse to answer any of your questions?

22 A. No.

23 Q. At any point in the interview, did he appear
24 confused as to the nature or purpose of the
25 interview?

1 A. No.

2 Q. Were his responses to the questions posed by you
3 coherent?

4 A. Yes.

5 Q. Were they actually in response or -- to the
6 particular question that had been asked?

7 A. Yes.

8 Q. All right. During the course of the interview,
9 did any member of the Calumet County Sheriff's
10 Department enter the room?

11 A. No.

12 Q. Prior to the interview taking place, did any
13 member of the Calumet County Sheriff's Department
14 discuss with you the nature or content of the
15 interview?

16 A. No.

17 Q. Did anyone suggest to you certain questions that
18 could, or should, be asked?

19 A. No.

20 Q. Did anyone suggest to you certain areas which
21 should not be discussed during the course of the
22 interview?

23 A. No.

24 Q. Would it be fair to say that you had complete
25 license, as it were, to conduct the interview as

1 you saw fit, as a reporter?

2 A. Yes.

3 Q. In any way, did you feel constrained, or
4 restricted, by any member of law enforcement, for
5 purposes of conducting the interview?

6 A. No.

7 Q. Your best estimate, approximately how long did
8 this second interview, on December 14th, last?

9 A. About a half hour.

10 Q. How would you characterize Mr. Avery's demeanor
11 during that half an hour?

12 A. Relaxed.

13 Q. How did the interview end?

14 A. I wrapped it up, once again, with lighter
15 conversation. We were approaching Christmas and
16 I asked him if his family planned on visiting him
17 for Christmas.

18 Q. All right.

19 A. He also mentioned that it was almost time for
20 them to eat dinner, at the jail. And I asked him
21 what kind of food they served.

22 Q. All right. So would it be fair to say that this
23 interview occurred late afternoon?

24 A. Yes.

25 Q. All right. How did the deputy -- Strike that.

1 Let me ask you this, during the course of the
2 interview, were there members of the Sheriff's
3 Department standing outside of each of the doors?

4 A. Yes.

5 Q. All right. And how did you let them know that
6 the interview was concluded?

7 A. Once again, I stood up, and Steven did shake my
8 hand again, and I just assumed, that they
9 assumed, we were finished.

10 Q. All right. And when you stood up, he stood up,
11 you shook hands; did anyone from the Sheriff's
12 Department enter the room at that point?

13 A. I believe that at that point they opened the
14 door.

15 Q. All right. All right. And what occurred then?

16 A. They escorted Steven Avery out of the room.

17 Q. And then what occurred?

18 A. And then my photographer and I left, the other
19 door.

20 Q. All right. As you proceeded out the other door,
21 were you escorted by any member of the Calumet
22 County Sheriff's Department?

23 A. Escorted, in the sense that there was somebody
24 who opened the door for us.

25 Q. All right. And did they at least direct, or

1 point you to the way out, or did you already know
2 that from past experience?

3 A. We already knew where we were going. It was such
4 a short distance, we just showed ourselves out.

5 Q. All right. During that short distance, were you
6 approached by any member of the Sheriff's
7 Department regarding the nature or content of
8 your interview?

9 A. No.

10 Q. After the interview was completed and after you
11 left the secure area, did you have any additional
12 conversations with John Byrnes, for instance?

13 A. No.

14 Q. Before leaving the Calumet County Sheriff's
15 Department and Jail that day, did anyone from the
16 Sheriff's Department make any requests of you
17 with respect to obtaining copies, for instance,
18 of the interview that you had just conducted?

19 A. No.

20 Q. Did anyone approach you at all, for that matter,
21 after completion of the interview, before you
22 left?

23 A. No.

24 Q. Were you required to sign out, or did you just
25 walk out the door and keep going?

1 A. I believe we just walked out the door.

2 Q. All right.

3 A. I don't recall, though.

4 Q. Just a concluding question, what motivation, if
5 any, did you have to approach Mr. Avery on both
6 November 18th and December 14th? I mean, what
7 was your thinking?

8 A. It's my job as a reporter.

9 Q. All right. Were you aware of the fact of any
10 other media interviews which may have occurred,
11 since the time of his arrest until the time that
12 you interviewed him on November 18th, for
13 instance? Were you aware of other media
14 interviews?

15 A. Yes.

16 Q. All right. And with respect to the time frame
17 from November 18th to December 14th, were you
18 aware of other media attempts to interview
19 Mr. Avery?

20 A. Attempts, yes.

21 Q. All right. And being a news reporter, is there a
22 certain amount of competition out there, amongst
23 reporters, to get a story?

24 A. Yes.

25 Q. All right. So that also played a factor in your

1 attempt to obtain an interview of Mr. Avery,
2 because you would like to have gotten the story,
3 correct?

4 A. Correct.

5 Q. Okay.

6 ATTORNEY FALLON: That's all I have for the
7 witness. I will pass the witness for
8 cross-examination.

9 ATTORNEY STRANG: Were you --

10 THE COURT: Mr. Strang.

11 ATTORNEY STRANG: I'm sorry. Thank you. I
12 apologize.

13 THE COURT: Go ahead.

14 **CROSS-EXAMINATION**

15 BY ATTORNEY STRANG:

16 Q. Were you new to Wisconsin, in September, 2006,
17 when you joined WFRV?

18 A. I'm sorry, can you repeat that?

19 Q. In September, 2004, when you joined WFRV, if I
20 understood you right, were you new to Wisconsin?

21 A. Yes.

22 Q. Steven Avery was a new name to you in the fall of
23 2005, when you first began working on this story?

24 A. I had heard of who Steven Avery was, before this
25 case ever started.

1 Q. What had you heard?

2 A. I had heard that he was wrongfully convicted of a
3 rape and was released from prison a couple of
4 years ago.

5 Q. Okay. And so when this story started, you are
6 referring to the disappearance of Teresa Halbach?

7 A. Yes.

8 Q. The name Steven Avery, at that point, rang a bell
9 with you?

10 A. Yes.

11 Q. His release from prison in 2003 was not, at that
12 point, fresh news?

13 A. No.

14 Q. But the disappearance of Ms Halbach was?

15 A. Yes.

16 Q. So was Mr. Avery's possible connection to that?

17 A. Yes.

18 Q. You were assigned to this story when, the general
19 story, I mean, the Halbach/Avery story?

20 A. The first time I covered this story was a
21 Saturday, the Saturday that investigators had set
22 up a perimeter on the Avery property.

23 Q. Okay. That is, that's when you were first
24 assigned?

25 A. Yes.

1 Q. You went to the Avery property, or to the
2 perimeter?

3 A. Correct.

4 Q. Were met there by law enforcement officers?

5 A. There weren't any law enforcement officers right
6 there by the media, at the time, but eventually
7 someone did come out to the media to release a
8 statement.

9 Q. Okay. Who was that?

10 A. I don't know.

11 Q. Okay. What I'm interested in, that's Saturday
12 November 5?

13 A. Mm-hmm.

14 Q. At least, I will suggest that to you and I think
15 I'm right. Did you meet any members of the
16 Calumet County Sheriff's Department that day?

17 A. I don't -- I don't even know if the person that
18 we talked to was with the Calumet County
19 Sheriff's Department.

20 Q. Fair enough. And that was the only law
21 enforcement person with whom you had contact?

22 A. Yes.

23 Q. You then followed the news conferences?

24 A. Yes.

25 Q. Did you attend some of news conferences?

1 A. Yes.

2 Q. And do you remember how many, or just that you
3 attended some of them?

4 A. Throughout the whole course of this case, I have
5 attended two of those news conferences, that one
6 on Saturday, and then one, I don't recall the
7 date.

8 Q. But in an inside room?

9 A. Yes.

10 Q. The Saturday one was outdoors?

11 A. There was one that was held -- There was one that
12 was held in the fire department, indoors.

13 Q. That you attended?

14 A. Yes.

15 Q. That Saturday?

16 A. Yes.

17 Q. And then a second?

18 A. Yes.

19 Q. All right. During those two interviews, have you
20 made the acquaintance of Sheriff Pagel?

21 A. Not directly.

22 Q. Have you made the acquaintance of anyone else
23 from the Calumet County Sheriff's Department?

24 A. No.

25 Q. When you called on November 18, 2005, to the

1 jail, you identified yourself as a reporter, to
2 the woman who answered the phone?

3 A. Yes.

4 Q. Said that you wanted to interview Steven Avery?

5 A. Correct.

6 Q. Asked about the visiting hours, and the
7 opportunity to do that?

8 A. Yes.

9 Q. If I understood you correctly, she then gave you
10 information that was at odds with, or varied,
11 from the information you had gotten from other
12 reporters?

13 A. Yes.

14 Q. That is, she said you could not come to interview
15 Mr. Avery?

16 A. She said that the visiting hours were, as she had
17 stated.

18 Q. Certain days for certain last names?

19 A. Something like that.

20 Q. Mm-hmm. And certain hours?

21 A. Right.

22 Q. And you understood, that that day was not a
23 permissible visiting day under the set of rules
24 that she was describing to you?

25 A. Correct.

1 Q. Because of the news, the time cycle on news, you
2 wanted to accomplish the interview that day?

3 A. Yes.

4 Q. Had, at any point, you met the Calumet County
5 District Attorney, Ken Kratz, by that time?

6 A. No.

7 Q. Had seen him at news conferences, but not been
8 introduced to him?

9 A. Correct.

10 Q. All right. Did you ask for someone in specific,
11 at the jail, when the woman with whom you were
12 speaking proposed that you talk with the
13 supervisor?

14 A. No.

15 Q. Did you ask for, by description, I want to talk
16 to the top person, or the captain, or, you know,
17 what did you say?

18 A. Well, I never asked to speak to anyone, she said
19 would you like to speak to my supervisor, and I
20 said yes.

21 Q. Why was it -- Well, you couldn't know that. What
22 had you said immediately before her proposing
23 that you speak to a supervisor?

24 A. I said that I had heard differently, what the
25 hours were for visitation, and we were just

1 discussing that. And I think that in a situation
2 of being sort of flustered, she just asked if I
3 would like to speak to the supervisor.

4 Q. All right. So while you were polite to her?

5 A. Yes.

6 Q. Correct. You expressed some irritation, or
7 disappointment that you were getting the answer
8 that you were?

9 A. Yes.

10 Q. Who told you what to expect, in terms of visiting
11 hours?

12 A. A reporter at my station.

13 Q. Who?

14 A. Olga Halaburda.

15 Q. All right. Had she been in to interview Mr. Avery
16 in the jail herself?

17 A. No.

18 Q. How -- Did you ask her, how do you know the jail
19 visiting hours down in Chilton?

20 A. She said that she had called.

21 Q. Okay. And gave you the information, and now this
22 woman's information didn't square with that?

23 A. I'm sorry, can you repeat that.

24 Q. The woman's information didn't square with what
25 Olga Halaburda had given you?

1 A. Correct.

2 Q. How long before Mr. Byrnes got on the phone,
3 roughly?

4 A. A matter of seconds.

5 Q. As if he was somewhere standing nearby?

6 A. My understanding is that it was a phone that was
7 transferred.

8 Q. Okay. So, but it was just a matter of
9 transferring a phone call, just a few seconds.

10 A. Yes.

11 Q. Did he identify himself to you?

12 A. Yes.

13 Q. How?

14 A. He said that his name is John Byrnes, and that
15 he's the jail supervisor.

16 Q. You understood him to be in charge of the jail?

17 A. Correct.

18 Q. You then repeated your request?

19 A. Yes.

20 Q. For an interview?

21 A. Yes.

22 Q. With Mr. Avery?

23 A. Yes.

24 Q. You told him that you wanted to talk with
25 Mr. Avery about the pending Criminal Complaint,

1 the charges against him?

2 A. Yes.

3 Q. You said that you wanted to do it that day?

4 A. Yes.

5 Q. He initially told you that you would have to
6 write a letter?

7 A. Yes.

8 Q. But it was he, then, after hearing you wanted to
9 accomplish the interview that very day, it was he
10 who suggested that you could hand deliver a
11 letter to the jail?

12 A. I asked if I could hand deliver it.

13 Q. All right. And he agreed?

14 A. Yes.

15 Q. Did he tell you to ask for him?

16 A. Yes.

17 Q. That he would meet you?

18 A. Correct.

19 Q. Did he tell you that he would personally take the
20 letter to Mr. Avery?

21 A. Yes.

22 Q. Do you remember about what time of day you are
23 having this conversation on November 18, with
24 Mr. Byrnes?

25 A. It was in the morning, my guess is that it was

1 around 10 o'clock in the morning.

2 Q. All right. Now, I have the sign in sheet, and
3 I'm happy to show it to you if you would like to
4 see it. At least it looks like a fellow named
5 Dave Duchan --

6 A. Duchan.

7 Q. -- and Jennifer Kolbusz, signing into the jail at
8 2:05 p.m.?

9 A. Mm-hmm.

10 Q. Does that sound about right?

11 A. Yes.

12 Q. Okay. So some time passed between this
13 conversation with Mr. Byrnes and your arrival,
14 obviously?

15 A. Yes.

16 Q. More time than necessary to drive down from the
17 Green Bay area, from where you were coming?

18 A. Yes, I wasn't at work yet. I was calling on my
19 own time, from my apartment.

20 Q. All right. So did you talk to anyone at all at
21 the jail, or in law enforcement, between your
22 conversation with Mr. Byrnes and arriving at the
23 jail around 2:00 that day?

24 A. No.

25 Q. Hand wrote a letter to Mr. Avery in the car?

1 A. Yes.

2 Q. Asked for Mr. Byrnes at the receptionist window,
3 outside the jail?

4 A. Yes.

5 Q. How long did it take him to come?

6 A. About a minute.

7 Q. Again, as if he was nearby?

8 A. I guess.

9 Q. Had you told him what time to expect you?

10 A. No.

11 Q. Had he said anything to you about, you know, gee,
12 you have to avoid this mealtime, or that shift
13 change, or any sort of restrictions like that?

14 A. No.

15 Q. Did he tell you you could come any time at all?

16 A. No.

17 Q. Was there any discussion at all about when you
18 were coming that day?

19 A. I said that, I think I'm going to come today, but
20 I would have to go in to work and discuss it with
21 other members of our news staff.

22 Q. That's where you left it with Mr. Byrnes?

23 A. Yes.

24 Q. So, your understanding, at least of his
25 conversation with you, was the only he had, is

1 that about 10 in the morning, he's told by a
2 reporter on the telephone, she thinks she's
3 coming today, but there's a contingency to that?

4 A. Correct.

5 Q. He then disappears into the jail, or somewhere,
6 with the letter you handed him?

7 A. Yes.

8 Q. And Mr. Avery appears, then, in the company of
9 some other uniformed member of the Calumet County
10 Sheriff's Department?

11 A. Right, after we were led into that other room.

12 Q. Roughly how much time passes between when Byrnes
13 leaves with your letter and Avery and the other
14 deputy show up?

15 A. Five minutes.

16 Q. I understand that the letter was handwritten, you
17 prepared it in the car. You didn't make a copy
18 of the letter, obviously?

19 A. No.

20 Q. It was on WFRV letterhead?

21 A. No, it was just on a legal pad.

22 Q. Okay. But you explained that you were from
23 WFRV,--

24 A. Yes.

25 Q. -- to Mr. Avery. And if I understood you on

1 direct examination, you think that you said, in
2 the letter, something like, I have no intention
3 of convicting you?

4 A. Correct.

5 Q. I just want to hear your side of the story?

6 A. Yes.

7 Q. So, this was, you were intending to be welcoming,
8 correct?

9 A. Yes.

10 Q. Intending to encourage Mr. Avery to speak freely?

11 A. Yes.

12 Q. Presenting yourself as a neutral?

13 A. I presented myself as a reporter --

14 Q. Right.

15 A. -- without a bias.

16 Q. That is, you know, suggesting, whether in words
17 or effect, that every story has two sides and you
18 know, I would like to hear your side of it?

19 A. Yes.

20 Q. The small talk in the interview room started with
21 that kind of pattern as well, correct?

22 A. Yes.

23 Q. Thank you for talking with us, we want to hear
24 your side of the story, that sort of thing?

25 A. Yes, there was some other small talk.

1 Q. That was intended, by you, to try to put
2 Mr. Avery at ease?

3 A. Both of us at ease.

4 Q. Sure. He seemed to be at ease when he sat down
5 for the interview?

6 A. Yes.

7 Q. Now, I want to -- I think I understood you, but
8 you described two uniformed members of the
9 Sheriff's Department, they were immediately
10 outside the doors to this interview room?

11 A. I believe so.

12 Q. They are not in the room during the interview?

13 A. No.

14 Q. Okay. But you could see them through the glass
15 in the doors?

16 A. Yes.

17 Q. Within a couple of feet of the doors?

18 A. Yes.

19 Q. Now, the interview itself, you estimated at about
20 30 minutes?

21 A. Correct.

22 Q. Setting aside small talk, okay, introductions,
23 and how are you doing today, that kind of thing,
24 the substance of the interview concerned the
25 charges against Mr. Avery?

1 A. Correct.

2 Q. Concerned Ms Halbach and the allegations related
3 to her?

4 A. Yes.

5 Q. The camera was running during the entire
6 substantive portion of the interview?

7 A. Yes.

8 Q. So, when you say the interview lasted for about
9 30 minutes, you would expect that there would be,
10 again, about 30 minutes of tape of that
11 interview?

12 A. There might have been a few more minutes than
13 that, because after we're done doing the
14 interview, the photographer tries to get what we
15 call cut-away shots, just wider shots of us
16 talking.

17 Q. I see, to sort of fill in for visual --

18 A. Correct.

19 Q. -- presentation on the story?

20 A. Yes.

21 Q. All right. Would the small talk have been
22 filmed, or taped, whatever it is -- it's probably
23 digital image these days -- but the camera had
24 been on for the small talk portion of this?

25 A. Some of it.

1 Q. This story itself, then, ran that evening?
2 A. Correct.
3 Q. It was shorter than 30 minutes?
4 A. Correct.
5 Q. Do you know how long that story was, as run on
6 air?
7 A. I believe it was slightly over two minutes.
8 Q. Probably ran at 5, and 6, and 10, or that kind of
9 thing, on the broadcast?
10 A. Parts of it ran at 5, and 6. And then the longer
11 version, which was more than two minutes, ran at
12 10 o'clock.
13 Q. How long was the longer version?
14 A. At 10 o'clock it was about two -- a little over
15 two minutes.
16 Q. And 5, and 6, a little bit under two minutes?
17 A. Correct.
18 Q. You edited the 30 minutes, roughly, of film that
19 you had?
20 A. I didn't personally edit it, but I logged it and
21 selected what pieces of it would be used.
22 Q. And my clumsiness, that's really what I meant.
23 You made the selection --
24 A. Correct.
25 Q. -- of what snippets, or segments of that

1 interview to use in your story?

2 A. Correct.

3 Q. And then you wrote some text to fill in and make

4 it flow into a story?

5 A. Yes.

6 Q. Somebody else actually did the clipping, or the

7 editing?

8 A. Correct.

9 Q. All right. But the design, then, was to make --

10 to render about 30 minutes down into about two

11 minutes of good news cast material?

12 A. Well, just to tell what happened during the

13 interview.

14 Q. Right. And something that would be interesting

15 to the viewers, right?

16 A. Provided that it was an accurate representation

17 of what happened.

18 Q. Well, sure. I mean, I assume the camera takes

19 down accurately what's being said and done,

20 correct?

21 A. Correct.

22 Q. And you want to present a balanced story, true?

23 A. Yes.

24 Q. And unbiased story?

25 A. Correct.

1 Q. But the accuracy of the actual film is not in
2 issue, correct?

3 A. I'm sorry?

4 Q. The accuracy of the actual film isn't an issue,
5 correct?

6 A. No.

7 Q. There's selection decisions on how to present it,
8 true?

9 A. Yes.

10 Q. And you want it to be interesting?

11 A. Yes.

12 Q. You want it to attract viewers, rather than cause
13 them to switch over to FOX 11, right?

14 A. Well, it depends on what you mean by good, and
15 interesting. But the idea, yes, is to do a story
16 that's fair and accurate, but at the same time,
17 not boring.

18 Q. Sure. And that's what I mean, will help to cause
19 someone to decide to watch Channel 5, rather than
20 Channel 2, or Channel 26, or Channel 11, correct?

21 A. That's not my primary motivation when I do a
22 story, but I guess you could say that.

23 Q. Sure. I'm not suggesting that it's your primary
24 motivation, but it's a consideration.

25 A. Sure.

1 Q. Have you been asked to produce the balance of the
2 roughly 30 minutes of film from November 18?

3 A. No.

4 Q. Are you willing to do that?

5 A. I don't know whether or not I would have to. I
6 would just wait for direction from my supervisor.

7 Q. That is, in the scheme of things, you don't get
8 to make that decision?

9 A. I don't know.

10 Q. You don't know if you get to make the decision?

11 A. About whether or not the tape is released?

12 Q. I'm asking for all 30 minutes, what's your
13 answer?

14 A. Oh, I know it's not my decision.

15 Q. Okay. After the November 18 interview ended, did
16 you -- did you have any further communication, of
17 any kind, with Mr. Byrnes, before December 14th?

18 A. No.

19 Q. What caused you simply to hop in the car on
20 December 14 and drive down to Chilton with a
21 cameraman?

22 A. There had been more developments in the case, as
23 there were weekly. And we just decided that a
24 month had passed and it seemed like it was time
25 to attempt to talk to Steven Avery again.

1 Q. What -- What recent developments caused this?

2 A. I don't recall, specifically, what they were. I

3 believe it was that -- something to do with a

4 small cabinet being found, in his trailer.

5 Q. Okay.

6 A. I can't recall, specifically, what --

7 Q. But something excited you, or drew your attention

8 at the time, and you said, let's go back and try

9 to talk to him again?

10 A. Right.

11 Q. All right. The offices in which you work are,

12 physically, in the City of Green Bay?

13 A. Actually, I work out of the Fox Cities Bureau,

14 which is in Little Chute.

15 Q. All right. And as does your cameraman?

16 A. Yes.

17 Q. How long did it take the two of you to drive from

18 the office in Little Chute to the Calumet County

19 Jail in Chilton?

20 A. Probably about an hour.

21 Q. In each direction, obviously?

22 A. Yes.

23 Q. All right. So -- And you work roughly an eight

24 hour shift?

25 A. Correct.

1 Q. You -- Obviously, you have deadlines you have to
2 hit, because at 5 o'clock the newscast will be on
3 air?

4 A. Yes.

5 Q. If I understand you correctly, you had spoken to
6 no one before grabbing a cameraman, or asking the
7 cameraman to accompany you, and taking a one hour
8 car trip to Chilton, spoken to nobody at the
9 Calumet County Jail?

10 A. Correct.

11 Q. Hadn't spoken to Mr. Avery?

12 A. No.

13 Q. As far as you know, Mr. Avery hadn't tried to
14 contact you after November 18, 2005?

15 A. Correct.

16 Q. If you got to this jail and they said, sorry,
17 we're not letting you in, you have now -- you're
18 facing the risk of having wasted two hours of
19 your time and two hours of the cameraman's time,
20 correct?

21 A. Yes.

22 Q. You arrived at the jail that day at 3:40ish,
23 something like that, in the afternoon?

24 A. That's likely.

25 Q. So, if you got turned around right away, you

1 would be back at 4:40, or something like that,
2 true?

3 A. Yes.

4 Q. Twenty minutes before the 5 o'clock newscast?

5 A. Yes.

6 Q. Empty handed?

7 A. Yes.

8 Q. We took a drive to Chilton today, wouldn't make
9 much of a story?

10 A. It happens more than you think.

11 Q. Okay. So you arrived, and did you ask to see
12 Mr. Byrnes immediately?

13 A. Yes, I did.

14 Q. He appeared quickly?

15 A. Yes.

16 Q. Did he ask why you were there?

17 A. Well, I spoke first and said that I would like
18 him to deliver this letter to Steven Avery.

19 Q. And then we have been through what happened,
20 correct?

21 A. Yes.

22 Q. Here, again, about a 30 minute interview?

23 A. Yes.

24 Q. About two minutes, give or take, that gets aired
25 in the story later that evening?

1 A. Correct. The story only aired at 10 o'clock,
2 though. We did not do anything at 5 or 6.

3 Q. All right. Did the raw footage, you know, the 30
4 minutes, approximately, of either November 18 or
5 December 14, ever get posted on, or made
6 available to the public on wfrv.com?

7 A. No.

8 Q. When you -- When you came into the jail on
9 December 14, did any of the jail staff, anybody
10 in a uniform, you know, working there, whether it
11 was Mr. Byrnes or anyone else, say anything at
12 all to you about their schedule, for instance,
13 for meals?

14 A. No.

15 Q. Say anything at all to you about shift change
16 schedules?

17 A. No.

18 Q. Put any time limit on how long you could be with
19 Mr. Avery?

20 A. No.

21 Q. Put any other limitations on what sort of
22 resources you'd be drawing from the jail?

23 A. No.

24 Q. Were there, again, two uniformed deputies posted
25 outside the two doors to this interview room?

1 A. I believe so.

2 Q. As far as you know, did they remain there for the
3 entire course of the roughly 30 minute interview?

4 A. As far as I know.

5 Q. Again, as on November 18, setting aside small
6 talk about Christmas, or food, or family, the
7 substance of this interview was about the
8 criminal allegations against Mr. Avery, pending
9 in Manitowoc County?

10 A. Yes.

11 Q. It was about nothing else?

12 A. Correct.

13 Q. You explained to Mr. Fallon that, well, for
14 starters, that you never actually said to
15 Mr. Avery, we're going to broadcast this
16 interview?

17 A. Correct.

18 Q. But you did come in carrying a microphone, and
19 identifying yourself as a reporter, and with a
20 cameraman, and all this sort of equipment, right?

21 A. Yes.

22 Q. Saying you were from WFRV-TV?

23 A. Correct.

24 Q. And you took it as implied that -- and obviously
25 implied -- that some portion of the interview, at

1 least, would be broadcast?

2 A. Yes.

3 Q. Was it also implied to Mr. Byrnes, in the same
4 way, that you would be interviewing Mr. Avery
5 about the pending criminal allegations?

6 A. Yes.

7 Q. Were you asked, or to your knowledge was anyone
8 else at WFRV asked, to provide either a CD or a
9 DVD, of your November 18, 2005 interview of
10 Mr. Avery, to law enforcement, or to the Calumet
11 County District Attorney's Office?

12 A. I was never asked, and I don't know of anyone
13 else who was.

14 Q. All right. Do you have any idea how the Calumet
15 County District Attorney's Office would have
16 obtained what's described as a CD of that Avery
17 jail interview on November 18, 2005, to then
18 produce to the defense?

19 A. No.

20 ATTORNEY STRANG: I think that's all I
21 have. Thank you.

22 THE COURT: Any redirect?

23 ATTORNEY FALLON: I have no redirect for
24 the witness. She may be excused.

25 THE COURT: All right. You are excused.

1 ATTORNEY FALLON: I do have two requests of
2 the Court. I would ask the Court to take judicial
3 notice of the fact that the Criminal Complaint in
4 this case, charging Mr. Avery with first-degree
5 intentional homicide, was filed, I believe, on
6 November 15th, 2005. And I would further ask the
7 Court to take judicial notice of the fact that the
8 preliminary examination in this case occurred on or
9 about December 6th, 2005.

10 ATTORNEY STRANG: I think it's appropriate
11 for the Court to take judicial notice of anything on
12 the docket, or in the court files, on this case.
13 And, indeed, as we proceed to further briefing, or
14 argument on this, I also may ask the Court to take
15 notice of, you know, certain dates, for example,
16 when the Original Criminal Complaint was filed.

17 THE COURT: All right. The Court will do
18 so. We have got one more witness on this issue?

19 ATTORNEY FALLON: That's correct. We're
20 going to defer to the defense to call that witness.
21 We're going to rest our presentation of evidence.

22 THE COURT: All right. I'm going to take a
23 10 minute break at this time and then we'll come
24 back at that time and hear that witness.

25 (Recess taken.)

1 THE COURT: Mr. Fallon, do I understand the
2 State has no further witnesses on this issue.

3 ATTORNEY FALLON: No, we'll pass the
4 presentation of evidence to the defense.

5 THE COURT: Mr. Strang.

6 ATTORNEY STRANG: We'll call Lieutenant and
7 Jail Administrator, John Brynes.

8 THE CLERK: Please raise your right hand.

9 **LIEUTENANT JOHN BYRNES**, called as a
10 witness herein, having been first duly sworn, was
11 examined and testified as follows:

12 THE CLERK: Please be seated. Please state
13 your name and spell your last name for the record.

14 THE WITNESS: John Byrnes B-y-r-n-e-s.

15 **DIRECT EXAMINATION**

16 BY ATTORNEY STRANG:

17 Q. Mr. Byrnes, tell us just a little bit about how
18 you are presently employed?

19 A. I'm a Jail Administrator for the Calumet County
20 Jail, that's my present position.

21 Q. All right. Jail Administrator, meaning you have
22 general responsibility for all facets of the
23 operation of the Calumet County Jail?

24 A. That's correct.

25 Q. You report directly to Sheriff Pagel?

1 A. Yes.

2 Q. But anyone who actually works in the jail reports
3 to you?

4 A. Correct.

5 Q. In addition to being Jail Administrator, you
6 remain a sworn officer of the Calumet County
7 Sheriff's Department?

8 A. Yes.

9 Q. In that department, you presently hold the rank
10 of Lieutenant?

11 A. Correct, yes.

12 Q. How long have you been in the position of Jail
13 Administrator at Calumet County?

14 A. It's been four years.

15 Q. Continuously?

16 A. Yes.

17 Q. So, for the period, let's say November 9, 2005,
18 through the end of December, 2005, you're the
19 Jail Administrator?

20 A. Correct.

21 Q. Did you bring with you today, any documents?

22 A. Yes. From reading the subpoena, I brought a copy
23 of the visitation policy that's used by the jail.

24 Q. Thank you. May I have that?

25 A. Sure.

1 Q. Thank you, very much. I have got several
2 questions about this. You have given me three
3 pages stapled together, but the first two are two
4 sided, that is, there's typing on both sides?

5 A. Yes.

6 Q. All right. This is an excerpt out of a larger
7 book of jail rules and regulations?

8 A. Yes.

9 Q. But these are all the rules relating to
10 visitation?

11 A. Yes.

12 Q. These rules were in effect, in this form, during
13 the period November and December of 2005?

14 A. Yes.

15 Q. For ease of reference, that's the time frame I'm
16 going to use here, that 60, 61 days here, unless
17 I tell you otherwise, all right?

18 A. Okay.

19 Q. Did you bring more than one copy today?

20 A. No, that's the only copy I have.

21 Q. All right. I'm going to give this back to you --
22 I think what I will do is mark it as an exhibit.
23 Is your Honor's preference that we just mark
24 exhibits sequentially or separate?

25 THE COURT: Yes.

1 (Exhibit 7 marked for identification.)

2 Q. I want to be careful about this Mr. Byrnes,
3 because although I except what you said, that
4 these rules are unchanged and they were in effect
5 as you have been given them to me in Exhibit 7,
6 in November and December of 2005, the last page
7 looks to me like it says they were approved on
8 March 24, 2006?

9 A. That's correct. Many of the policies that I
10 personally worked on, I set them for an annual
11 review, and I take a look at the policy,
12 determine if there needs to be any changes. When
13 I checked my history document, the previous
14 change to the visitation policy was made in 2003.
15 So this policy, although it was examined and
16 reviewed within the past year, it was unchanged.

17 Q. Great. Thank you.

18 A. Sure.

19 ATTORNEY STRANG: Now, I will offer Exhibit
20 7 with that explanation.

21 THE COURT: Any objection?

22 ATTORNEY KRATZ: None.

23 THE COURT: Exhibit 7 is received.

24 ATTORNEY FALLON: No objection.

25 Q. (By Attorney Strang)~ Very quickly introduce the

1 Court, if you would, to the command structure
2 within the Calumet County Jail during the time
3 frame we're interested in.

4 A. The head of the department, of course, is the
5 sheriff. I report to a captain, Captain Paul
6 Rusch. And underneath me would be one sergeant,
7 and then our corrections officers.

8 ATTORNEY STRANG: Should we push the mike
9 just a little bit closer to the Lieutenant?

10 Q. (By Attorney Strang)~ So when you say one
11 sergeant, there's not one per shift, there is
12 only one sergeant of the jail?

13 A. One position, yes.

14 Q. Okay. And that's a daytime position?

15 A. Yes, daytime, evening, generally works 9:30 a.m.
16 until 5:00 p.m.

17 Q. And your general hours are what?

18 A. 6:00 a.m. to 2:00 p.m.

19 Q. Okay. So he is then in charge of the jail from 2
20 to 5:30, roughly?

21 A. Correct.

22 Q. Overnight, what's the authority structure from,
23 you know, 5:30 p.m. to 6 a.m., when you come
24 back?

25 A. There's just corrections officers on duty. And

1 if there would be an issue, they would report to
2 the patrol supervisor.

3 Q. During the -- Between the hours of 9:30 in the
4 morning and 5:30 in the afternoon, again, during
5 the time period of interest, what's the total
6 staff complement in the Calumet County Jail?

7 A. It can vary. Generally, on a weekday, myself,
8 the sergeant, at least two jailers, corrections
9 officers, would be on duty, and perhaps a third.
10 We also may have transport officers. They
11 generally work under the sergeant and I. So we
12 may have transport officers working.

13 Q. Transport officers in Calumet County are
14 temporary duty employees?

15 A. Correct.

16 Q. They don't report to work unless requested, on a
17 particular day at a particular time?

18 A. Correct.

19 Q. So the -- the actual staff of the jail would be
20 either 4 or 5, from 9:30 in the morning until
21 5:30 in the afternoon?

22 A. Yes.

23 Q. When one comes to, what I think of as the
24 reception window near that little historical
25 display in the lobby --

1 A. Yes.

2 Q. -- those people, although they wear uniforms,
3 they are not jail staff?

4 A. Yeah, the window on the right is clerical staff.

5 Q. For the Sheriff's Department?

6 A. For the Sheriff's Department, yes.

7 Q. Not attached to the jail, per se?

8 A. One of the clerical staff is attached half-time
9 to the jail.

10 Q. Fair enough. The 9:30 a.m. to 5:30 p.m. staffing
11 complement that you have described is the same,
12 or different, on the weekends, during this time
13 period?

14 A. On the weekends, it would just be corrections
15 officers.

16 Q. Two or three people on duty?

17 A. Correct.

18 Q. And no transport officers on the weekend?

19 A. Generally not, unless they are called in.

20 Q. You have the original of Exhibit 7 in front of
21 you?

22 A. Yes, I do.

23 Q. Okay. The Calumet County Jail -- Again, all my
24 questions are going to be during the time frame I
25 have described. Calumet County Jail controls

1 access to inmates, true?

2 A. True.

3 Q. Almost self-obviously, members of the public do
4 not have access to the inmates, other than on
5 terms under the control of yourself and the
6 people working for you in the jail?

7 A. Correct.

8 Q. When I say members of the public, that would
9 include lawyers for inmates?

10 A. Yes.

11 Q. Religious advisors, or chaplains, that type of
12 thing, who may wish to see inmates?

13 A. Yes.

14 Q. Alcoholics Anonymous counselors, those kinds of
15 people?

16 A. Yes.

17 Q. Family members?

18 A. Yes.

19 Q. Friends of the inmate?

20 A. Yes.

21 Q. And even law enforcement officers?

22 A. Yes.

23 Q. They would gain access to an inmate in the jail,
24 that is, law enforcement officers would, through
25 you or your corrections staff?

1 A. Correct.

2 Q. That said, there are different rules that apply
3 to some of these different groups I have
4 described, correct?

5 A. Yes.

6 Q. Let's start with lawyers and clergy members. And
7 I think we can group in probation and parole
8 agents there as well, correct?

9 A. Yes.

10 Q. There's a specific rule that applies to the three
11 groups I have just described?

12 A. Yes.

13 Q. Their access will be permitted to the inmate for
14 lawyers, clergy members, probation and parole
15 agents, during reasonable hours?

16 A. Yes.

17 Q. You ultimately decide what those reasonable hours
18 are?

19 A. Yes.

20 Q. Reasonable hours would not include during shift
21 changes?

22 A. Correct.

23 Q. It would not include when you are trying to serve
24 meals?

25 A. Correct.

1 Q. That is, you, as the Jail Administrator, are
2 responsible for the care, feeding, and safe
3 keeping of inmates in your custody?

4 A. Yes.

5 Q. Moving visitors, or dealing with visitors,
6 distracts from -- or requires manpower, I guess I
7 would put it that way, right?

8 A. Yes.

9 Q. So at critical times like a shift change, when
10 one would be leaving and another would be coming,
11 it's not reasonable to expect changing shifts
12 also to juggle professional visitors?

13 A. Generally not. If a visit was started prior to a
14 shift change, they may allow it to continue.

15 Q. But probably not to terminate, requiring movement
16 of the visitor out, and the inmate back to the
17 cell, during the shift change?

18 A. Correct.

19 Q. Same with the mealtime?

20 A. Yes.

21 Q. Might allow the inmate to continue a visit
22 through the meal and maybe you would hold the
23 meal for him, correct?

24 A. Yes.

25 Q. But you aren't going to be doing inmate movement

1 or visitor movement during the actual process of
2 feeding?

3 A. Generally not. Again, if it's important to move
4 an inmate, they will hold a meal. It really
5 depends on the situation.

6 Q. And the guide is reasonableness, as I understand
7 the rule?

8 A. Yes.

9 Q. So we're talking of, generally, the visitors,
10 even the professional visitors we have described,
11 would avoid mealtimes and shift changes?

12 A. If we can, yes.

13 Q. Other than that, do you expect advance notice
14 from, let's say, an inmate's lawyer?

15 A. We prefer it but, again, we understand schedules
16 and, yeah, sometimes they drop in and we do our
17 best.

18 Q. You try to accommodate?

19 A. Yes.

20 Q. But, again, it's a rule of reason?

21 A. Yes.

22 Q. All right. Law enforcement officers are not
23 covered, specifically, in terms of their visits
24 with inmates, in these rules, Exhibit 7, correct?

25 A. I don't believe so.

1 Q. There again, though, the law enforcement officer
2 would have to contact you, or someone working for
3 you, to arrange a visit?

4 A. Yes.

5 Q. Lawyers, probation agents, clergy members, are
6 allowed what's called a contact visit?

7 A. In most cases, yes.

8 Q. And Exhibit 7 refers to that a little bit
9 obliquely in paragraph -- what is it, I'm
10 sorry -- 29.00.30 (g), as in golf, right?

11 A. Yes.

12 Q. By identifying the two visiting rooms that may be
13 used by clergy, lawyers, and probation agents?

14 A. Yes.

15 Q. Those are what's called contact visit rooms?

16 A. Correct.

17 Q. By contact visit, there is no barrier separating
18 the inmate from the visitor?

19 A. Correct.

20 Q. No need to use a telephone to speak through the
21 barrier?

22 A. Correct.

23 Q. Law enforcement officers also are permitted
24 contact visits?

25 A. Yes.

1 Q. Law enforcement officers also can visit at any
2 reasonable hour?

3 A. Yes.

4 Q. Their visits can last for a reasonable duration?

5 A. Correct.

6 Q. So, in many ways, they are treated much like the
7 lawyer, the clergy member, or the probation
8 agent?

9 A. Yes.

10 Q. When we step away from law enforcement officers,
11 the inmate's lawyer, clergy members, and
12 probation agents supervising the inmate, and we
13 get into family members, friends of the inmate,
14 the rules are different?

15 A. Yes.

16 Q. There are more rules?

17 A. There are structured hours that they can visit,
18 yes, and rules limiting the amount of friends
19 that can visit.

20 Q. Rules limiting the length of a visit?

21 A. Yes.

22 Q. In the case of your jail, to 20 minutes?

23 A. Yes.

24 Q. There's no limit on time length of a lawyer's
25 visit, or a clergy member's visit, other than

1 reasonableness, again?

2 A. Correct.

3 Q. So you have got this, you have got the visiting

4 schedule for friends and family members set up

5 Thursday and Sunday evenings?

6 A. Yes.

7 Q. Females from a certain time, male inmates to

8 another time?

9 A. Yes.

10 Q. These are not contact visits?

11 A. No.

12 Q. At least ordinarily?

13 A. Yes. Ordinarily it's a non-contact visit through

14 the phone.

15 Q. And a --

16 A. Glass barrier.

17 Q. -- reinforced glass barrier?

18 A. Yes.

19 Q. Okay. Those visits routinely are tape recorded

20 by the jail?

21 A. Yes.

22 Q. Contact visits are, or are not, tape recorded by

23 the jail?

24 A. Not.

25 Q. Just not at all?

1 A. No, there is no recording device, I'm aware of,
2 in there.

3 Q. Okay. And you would know?

4 A. I would hope to.

5 Q. Okay. Further, the inmate who wishes to have
6 family or friends visit must compile a visitor
7 list?

8 A. Yes.

9 Q. Within the jail?

10 A. Yes.

11 Q. There is a limit on how many names can be on that
12 visitor list?

13 A. Three.

14 Q. And those can be changed, one name can be
15 substituted for another?

16 A. Yes, we allow that on occasion.

17 Q. Right. There again, not willy nilly, whatever
18 the inmate wants?

19 A. Yes.

20 Q. I'm seeing these for the first time, but I also
21 take it that visits by people other than lawyers,
22 clergy members, law enforcement officers, or
23 probation agents, require an identification
24 procedure for the visitor?

25 A. Yes. Family, or friends, or most anybody, we

1 prefer to see an identification. Especially if
2 we don't know the person.

3 Q. Sure. Okay. Now -- And, again, setting aside
4 the four groups, the professionals, so to speak,
5 that I have been talking about, with the family
6 and friend visitors, what is the identification
7 procedure?

8 A. We request a picture ID, if we don't know the
9 person. The information is recorded, and if the
10 visit is allowed, generally there's a check done
11 to make sure there's no wants or warrants for the
12 person.

13 Q. Right. Is a criminal record check done as well,
14 or just to see if there are open wants or
15 commitment wants?

16 A. Generally just a basic wants check.

17 Q. All right. So, that when the person, the
18 visitor, is in a law enforcement environment, and
19 if somebody is wanted by a law enforcement
20 agency, you wouldn't want them to walk in and out
21 unmolested and be out there with an open warrant?

22 A. Correct.

23 Q. The general visitor may not bring recording
24 equipment into the jail for the visit?

25 A. No.

1 Q. The general visitor, the father, the mother, the
2 wife, whomever, can't bring a camera in for the
3 visit?

4 A. We try to limit personal property to a purse.
5 But I don't know that we specify cameras. I
6 would request that they don't. I would request
7 that they don't bring a camera.

8 Q. Sure. And you would have the ability, then, to
9 prevent that person from entering with a camera.

10 A. Yes.

11 Q. You have to leave it out here, or that kind of
12 thing, or leave it in your car?

13 A. Correct.

14 Q. So there's some screening of the visitor in terms
15 of what he or she is carrying with him?

16 A. Correct. Primarily because the room is small and
17 there's -- there can be up to eight people, you
18 know, in the room, or more, so.

19 Q. Right.

20 A. Primarily just for that reason.

21 Q. Fair enough. Are there any rules in Exhibit 7
22 that address members of the media in specific?

23 A. No.

24 Q. Do you have any other rules, written or
25 unwritten, that you apply generally, with respect

1 to visits by reporters, members of the media?

2 A. No.

3 Q. You are familiar with Mr. Avery, two chairs to my
4 right?

5 A. Yes.

6 Q. He is a current inmate of your jail?

7 A. Correct.

8 Q. Has been since November 9, 2005.

9 A. Yes.

10 Q. Other than for a brief time with a
11 hospitalization and a transfer to the Brown
12 County jail, he's been continuously in your
13 custody since that time?

14 A. Yes.

15 (Exhibits 8 & 9 marked for
16 identification.)

17 Q. You can just drop 7 there, and I will give you
18 Exhibit 8 and 9; do you recognize those?

19 A. Yes.

20 Q. What's number 8?

21 A. Number 8 is a -- it's a copy of two separate
22 forms. The first one is the Fifth Amendment
23 Rights Invoked, indicating that Steven Avery has
24 invoked his Fifth Amendment rights and that he's
25 requesting that an attorney be present during

1 questioning. And that was signed by Correction
2 Officer Hansel on 11/9/2005.

3 Q. Hansel is H-a-n-s-e-l?

4 A. Correct.

5 Q. First name is Noel?

6 A. Noel, yes.

7 Q. And the bottom, I'm sorry?

8 A. The bottom is a Notification of Victim Form. If
9 a person is released from the jail and there's a
10 victim, or somebody involved in the case that
11 needs to be notified, this form is to alert the
12 corrections officer to do that.

13 Q. Both of these forms, then, that are copied
14 together on Exhibit 8 are Calumet County Jail
15 forms?

16 A. Correct.

17 Q. They normally would be found in an inmates file?

18 A. These were stapled to the front of the file.

19 Q. Routinely?

20 A. Yes. These two forms are on the front of the
21 file so they are very prominent.

22 Q. In Mr. Avery's case, as in the case of every
23 other inmate?

24 A. Correct.

25 Q. There is a unique file created, or a single file

1 created, for every inmate, for any duration in
2 the jail?

3 A. There is a paper file created, yes.

4 Q. All right. So Exhibit 8 goes on the front, and
5 both of them do, stapled on the front, to be
6 prominent?

7 A. Yes.

8 Q. And Exhibit 9 is what?

9 A. It's a note written by Steve Avery. It indicates
10 that he does not want to talk with any reporters,
11 from any news media. This includes TV,
12 newspaper, radio, internet, magazines, or any
13 other media.

14 Q. Is that dated, Mr. Byrnes?

15 A. It's dated November 12, 2005.

16 Q. When did you first see it?

17 A. I believe I first saw it when I copied the
18 contents of his folder for you, a couple weeks
19 ago.

20 Q. Okay. You found it in the inmate file for
21 Mr. Avery?

22 A. Yes.

23 Q. That file is available to all of the corrections
24 officers staff, you have described for us?

25 A. Yes.

1 Q. Do you not routinely look at an inmates file, as
2 the Jail Administrator?

3 A. On occasion, yes, I will.

4 Q. Maybe we have gone past each other. I asked you,
5 do you not routinely do that?

6 A. I don't make it a habit, but I generally handle
7 most of the files.

8 Q. Okay. So how is it that you first saw Exhibit 9
9 when you set out to copy the Avery file for me?

10 A. I guess -- I guess what confuses me with this
11 exhibit, if I would have seen it, or I believe if
12 my sergeant would have seen it, it would have
13 been date stamped, and it's not date stamped. So
14 I'm not sure when I saw it. I may have seen it
15 before, but I didn't recall reading it.

16 Q. And the question is why, why would you have not
17 seen that until I asked you to copy Mr. Avery's
18 file for this hearing?

19 A. It was probably given to a corrections officer,
20 the corrections officer may have noted it in the
21 jail log and then placed it in the file.

22 Q. You found it in the place it should be, correct?

23 A. Yes.

24 Q. I mean the correct place for this Exhibit 9 to
25 have been filed, is in the inmate's file?

1 A. Yes.

2 Q. Where you found it?

3 A. Yes.

4 Q. You have no reason to think that one of the
5 corrections officers hid it, or misfiled it, or
6 did anything mistaken or improper with it?

7 A. No.

8 Q. You just had not looked for it?

9 A. I didn't recall reading it until I viewed it and
10 made you a copy.

11 Q. Fair enough. And I guess, if I'm hearing you,
12 you may have read it earlier, you just don't
13 recall?

14 A. Yes.

15 Q. Have you talked to your jail sergeant about
16 whether he or she was familiar with it?

17 A. No, I did not.

18 Q. Have you had conversations with anyone at all
19 about Exhibit 9 before today?

20 A. No.

21 ATTORNEY STRANG: I will offer Exhibit 8
22 and 9, your Honor.

23 THE COURT: Any objection?

24 ATTORNEY FALLON: No objection.

25 THE COURT: Exhibits 8 and 9 are admitted.

1 Q. (By Attorney Strang)~ Mr. Byrnes, you are aware
2 of three televised interviews that occurred in
3 the Calumet County Jail, involving Mr. Avery,
4 during November and December of 2005?

5 A. Yes.

6 Q. Are you aware of any more than that, televised
7 interviews now, I'm speaking of?

8 A. No.

9 Q. The first of these would have been November 12
10 with Emily Matesic, of Channel 2, out of Green
11 Bay?

12 A. Yes, I believe so.

13 Q. Was the second, November 18, Jennifer Kolbusz,
14 Channel 5, out of Green Bay?

15 A. Yes.

16 Q. And the third was Ms Kolbusz again, December 14;
17 does that sound right?

18 A. I would agree, that sounds right.

19 Q. Okay. When did you first have any contact, of
20 any kind, with Emily Matesic?

21 A. I'm not sure if I did.

22 Q. Ever?

23 A. No, I'm not sure that I did.

24 Q. Wouldn't know if she walked in the room?

25 A. Well, I believe I saw her when she testified, and

1 did not look familiar.

2 Q. Okay. When did you first have any contact at all
3 with Jennifer Kolbusz?

4 A. I'm not sure if I spoke with her on the phone, or
5 if she came to our lobby, but I was present when
6 she did an interview with Mr. Avery.

7 Q. Do you know whether that was the first or second
8 interview that she did?

9 A. I believe it was the first.

10 Q. What caused you to be present, in the lobby, for
11 that interview?

12 A. I think she asked to speak with somebody in
13 charge, or she explained what she wanted and she
14 was referred to me, and I went out and spoke with
15 her.

16 Q. What did she tell you?

17 A. She indicated that she wanted to conduct an
18 interview with Mr. Avery and requested to see
19 him.

20 Q. Your response?

21 A. At that time, I requested that she write a note
22 to Mr. Avery, and I indicated to her I would show
23 that to Mr. Avery and he could make that
24 decision.

25 Q. Was Jennifer Kolbusz on Mr. Avery's visitor list

1 on November 18, 2005?

2 A. No.

3 Q. Was she his lawyer?

4 A. No.

5 Q. Was she a member of the clergy?

6 A. No.

7 Q. She wasn't his probation agent?

8 A. No.

9 Q. How about law enforcement?

10 A. No.

11 Q. What provision of the jail rules or regulations
12 might we look to for a suggestion that somebody
13 could appear in the lobby, write a letter to an
14 inmate, and the Jail Administrator would take the
15 letter to the inmate?

16 A. There's nothing in policy.

17 Q. You took a letter to Mr. Avery, personally?

18 A. I believe I did, yes.

19 Q. All right. And what -- what was your
20 conversation with him?

21 A. I just explained the situation, that there was a
22 person from the media in the lobby requesting to
23 see him. I handed him the note and waited for
24 his reply.

25 (Exhibit 10 marked for identification.)

1 Q. (By Attorney Strang)~ I show you Exhibit 10.
2 Now, that's just one page out of what I'm sure is
3 a longer document, but maybe you recognize it?

4 A. Yes. It's copies of our jail log entries. The
5 date would be November 12th, 2005. The first
6 entry on this page was made at 9:17 and the last
7 entry at 1933 hours.

8 Q. Thank you. Is Exhibit 10 something that is
9 prepared by Calumet County Jail staff, in the
10 ordinary course of their business duties?

11 A. Yes.

12 Q. Is it prepared at, or about, the time of the
13 events it reflects?

14 A. As close as possible?

15 Q. Prepared by someone with knowledge of the facts
16 or the events that they are entering in the
17 comments line?

18 A. Correct.

19 Q. And is it then maintained and kept, in the
20 ordinary course of business, at the Calumet
21 County Jail?

22 A. Yes.

23 ATTORNEY STRANG: I offer Exhibit 10.

24 THE COURT: Any objection?

25 ATTORNEY FALLON: And Exhibit 10, which is

1 just one page or page two.

2 ATTORNEY STRANG: I just marked the one
3 page as Exhibit 10.

4 ATTORNEY FALLON: I have no objection.

5 THE COURT: Exhibit 10 is admitted.

6 Q. (By Attorney Strang)~ Now, I want to go back to
7 this first entry that you started describing to
8 us in identifying Exhibit 10. There's a code
9 number there, I see No. 801 and, then, for
10 instance, in the next entry, I see a number 700,
11 those numbers refer to people; correct?

12 A. That's correct.

13 Q. Who's Number 801?

14 A. 801 would be Sheriff Pagel.

15 Q. He's got ultimate responsibility for the Calumet
16 County Jail?

17 A. Correct.

18 Q. As well as for the Calumet County Sheriff's
19 Department?

20 A. Yes.

21 Q. And Number 700, is that you, the Jail
22 Administrator.

23 A. Yes.

24 Q. All right. So on November 12, 2005, at 9:17,
25 going on 9:18 in the morning, somebody named

1 Juckem, I guess, receives a call from Sheriff
2 Pagel, correct?

3 A. Yes, that's Corrections Officer Denise Juckem.

4 Q. She's somebody who works for you as a corrections
5 officer?

6 A. Yes.

7 Q. So, what she's telling us, is that Sheriff Pagel
8 called and he states, if the media want to
9 interview Avery, we can allow them to do so,
10 right?

11 A. Yes.

12 Q. Avery refers to Steven Avery?

13 A. Yes.

14 Q. If Avery wants to talk to them, right?

15 A. Correct.

16 Q. This can occur in the conference room, in the
17 jail, right?

18 A. Yes.

19 Q. We are to make sure all the media logs in?

20 A. Yes.

21 Q. Make sure we get the TV station, reporter, and
22 camera person's name?

23 A. Yes.

24 Q. Also, make a copy of their ID?

25 A. Correct.

1 Q. All right. Were you aware of that direction from
2 Sheriff Pagel the morning of November 12th?

3 A. I believe so. I believe we had discussed that
4 within the first couple days that Steven was in
5 the jail.

6 We were getting a lot of requests from
7 media for information, and also to see him. And
8 I did, at one point, approach the sheriff and
9 asked him how he wanted to handle that. And what
10 is written down here was pretty much what we had
11 discussed.

12 Q. Okay. Do you remember if it was November 12 that
13 you approached the sheriff about that?

14 A. I believe it would have been before that,
15 probably the 10th or 11th. It was within the
16 first couple of days that Steven Avery was in the
17 jail.

18 Q. Okay. And the next thing that Denise Juckem
19 does, according to the log, Exhibit 10, is
20 roughly 27 minutes after the phone call from
21 Sheriff Pagel, she makes a 1021, which is just a
22 call, right?

23 A. Yes, a phone call.

24 Q. To you?

25 A. Yes.

1 Q. And tells you what Sheriff Pagel advised, right?

2 A. Correct.

3 Q. And then she asks you questions about,
4 essentially, how -- how you want them to move
5 Mr. Avery back and forth for such a visit?

6 A. Yes.

7 Q. And you then tell her if we need extra help while
8 the media is here, we can call someone in to
9 assist with jail duties; is that what you told
10 her?

11 A. Yes, generally we do have five part-time people.
12 And if they felt they needed help, I had told
13 them they were free to call in some help.

14 Q. Now, November 12, we have had testimony here, I
15 think it was a Saturday morning. I don't expect
16 you to remember that, but I think the calendar
17 will bear me out. So, if you are going to have
18 to call in help on short notice, on any day of
19 the week, you are going to incur some extra costs
20 at the jail, correct?

21 A. Yes.

22 Q. Labor costs, right?

23 A. Pardon me?

24 Q. Labor costs.

25 A. Labor costs, yes.

1 Q. And if it's going to be a Saturday or Sunday,
2 those costs may be higher still?

3 A. No, the hourly rate is the hourly rate.

4 Q. They need a union. But, essentially, if I
5 understand you here, what you -- what you are
6 telling the corrections officer, is the checkbook
7 is open. We'll pay extra labor costs, if we need
8 to, in accommodating the media, if they want to
9 see Mr. Avery?

10 ATTORNEY FALLON: Objection, speculation as
11 to the intent.

12 THE COURT: I will sustain the objection.

13 Q. (By Attorney Strang)~ Did you put in any limits
14 on how much extra help, how often, for how long,
15 on who's say so?

16 A. Not necessarily, but it's always been our policy
17 in the jail, that they are free to call in a
18 part-time staff person for any visiting night,
19 any visiting time. So, it's not unusual to allow
20 them to do that.

21 Q. Well, let's talk about what's unusual. Prior to
22 November 12, 2005, during your entire tenure as
23 Jail Administrator at the Calumet County Jail,
24 can you recall one occasion on which a TV camera
25 crew interviewed an inmate of the jail -- in the

1 jail?

2 A. I couldn't give a specific.

3 Q. No one comes to mind?

4 A. Not off hand.

5 Q. How long have you been with the Calumet County
6 Sheriff's Department?

7 A. Twenty-seven years.

8 Q. In your 27 years with the Calumet County
9 Sheriff's Department, do you remember any other
10 inmate -- I don't need the name -- but do you
11 remember any other inmate who has attracted as
12 much media attention as Steven Avery?

13 A. No.

14 Q. The next entry, and now we have got a corrections
15 officer named Konen?

16 A. Yes.

17 Q. The next entry is at 10:16, roughly, that same
18 morning, November 12. And we have got Channel 2
19 calling, right?

20 A. Yes.

21 Q. And who's -- who's number 714?

22 A. That would be Denise Juckem.

23 ATTORNEY STRANG: Where's my second copy?
24 Your Honor, I realize I'm leaving you in the dark.

25 ATTORNEY FALLON: Never a good thing to do

1 to a Judge.

2 THE COURT: Thank you.

3 ATTORNEY STRANG: Sure. May I share with
4 you? May I share with you?

5 THE WITNESS: Sure.

6 ATTORNEY STRANG: I gave away my last copy
7 to the Judge.

8 Q. (By Attorney Strang)~ So, you know, some 30
9 minutes, not even, or I guess 32 minutes after
10 this discussion that you have about how we're
11 going to move Avery if the media wants to see
12 him, low and behold we get a call from the media,
13 at least according to Exhibit 10?

14 A. We were getting a lot of calls.

15 Q. Okay. And Ms Juckem, or Officer Juckem and
16 Officer Konen go back and, at least according to
17 this, they talk to Avery, ask him if he would
18 speak to the media?

19 A. Correct.

20 Q. And Avery stated -- and here they quote -- "Yeah,
21 for a second."

22 A. Yes.

23 Q. Have you given instructions to corrections
24 officers on when to use quotations in the jail
25 log, quotation marks?

1 A. No.

2 Q. And your understanding, though, would be that the
3 use of quotation marks connotes a verbatim
4 statement from the person being quoted?

5 A. Yes.

6 Q. That's certainly how you would rely on this
7 document, in reading it?

8 A. Yes.

9 Q. And then it looks like, within 30 minutes,
10 there's some further discussion between Officer
11 Konen now and, again, Sheriff Pagel? I'm sorry,
12 go ahead, you take it. 10:46 a.m.?

13 A. Yes.

14 Q. And at least what -- is it Mr. Konen?

15 A. Yes.

16 Q. Officer Konen?

17 A. Yes, Todd.

18 Q. Says is, that Sheriff Pagel advises, corrections
19 officers are to stand outside the conference
20 room, not inside, when above is being interviewed
21 by the media?

22 A. Yes.

23 Q. Did Sheriff Pagel explain to you, at any time,
24 why he wanted the officer standing outside the
25 room?

1 A. At that time, it was the first few days that he
2 was in our jail, and due to what he had been
3 accused of, we wanted to be close, for security
4 reasons, yes.

5 Q. Okay. Why have them outside the room, not inside
6 the room, according to Sheriff Pagel; what did he
7 tell you about that?

8 A. I'm not sure he explained it. But generally,
9 with all professional visits, we don't stay in
10 the room, unless there is an immediate security
11 concern.

12 Q. Sure.

13 A. We allow the conversation in private.

14 Q. When -- When a lawyer visits, for professional
15 visit, contact visit, it would not be the
16 practice to have even one correction officer
17 standing outside the door, would it?

18 A. No.

19 Q. Let alone two.

20 A. No.

21 Q. So this, having two corrections officers outside
22 the door, was an improvised procedure here, to be
23 used with media -- media interviews of Mr. Avery?

24 A. It was a decision based on everyone's safety.

25 Q. And that decision was Sheriff Pagel's?

1 A. Yes.

2 Q. The interview room itself, that was used here,
3 you are familiar with?

4 A. Yes.

5 Q. It has what I would call linoleum floor, or tile
6 floor?

7 A. Correct.

8 Q. The hallway through which the visitor comes and
9 goes, is the same linoleum tile?

10 A. Correct.

11 Q. The hallway through which the inmate passes into
12 the other door, the second door, is a poured
13 concrete floor?

14 A. There's some sort of covering on it but, yeah, it
15 is a hard surface.

16 Q. It's a hard surface. The two doors into this
17 visiting room are heavy metal security doors?

18 A. Yes.

19 Q. With security glass?

20 A. Yes.

21 Q. They are not flush with the floor?

22 A. No.

23 Q. That is, there's a gap of an inch or something
24 under each of those doors?

25 A. Probably, yes.

1 Q. One standing within a couple feet of those doors
2 can hear, with relative ease, what people are
3 saying in a normal conversational tone inside the
4 visiting room?

5 A. It's not been my experience. I disagree, no.

6 Q. You could not hear, if you're standing at the
7 door, what people are saying in a normal
8 conversational tone, in the interview room?

9 A. I don't believe so. As I said, I did stand
10 outside the door during one of the media
11 interviews, and I couldn't hear the conversation.

12 Q. At all?

13 A. No, I may have heard some of the noise, but it
14 wasn't to the point where I could understand the
15 words.

16 Q. Could make out the words, okay.

17 A. Correct.

18 Q. Fair enough. And, yet, the privacy concern, the
19 not being overheard, with lawyers or clergy
20 visiting an inmate, causes you not to station
21 someone near the door?

22 A. Not so much a privacy concern with an attorney
23 visit. It's primarily a security concern with
24 the media, why we wanted someone close. With an
25 attorney, there's generally not that concern

1 about the attorney's safety. It's somebody that
2 -- In most cases. It's someone that the inmate
3 is looking forward to, to help them, so they are
4 usually glad to see them.

5 Q. Okay. You know, I don't disagree with that. Any
6 reason to think that -- here, that Mr. Avery was
7 not glad to see the media?

8 A. No. But I have seen media at times, it depends
9 on their approach. And not knowing Mr. Avery at
10 that time, we didn't want to take a chance.

11 Q. You had a concern, potentially, or at least
12 didn't want to take a chance, on the safety of
13 the two people from the media?

14 A. Correct.

15 Q. That is, he may not have been happy to see them,
16 was your concern?

17 A. He may not have been happy, or they may have done
18 something to provoke him during the interview.

19 Q. You know, I have done lots of things to provoke
20 clients during interviews in a jail, but I have
21 never had a sheriff's deputy standing there for
22 my safety. So what was the concern about the
23 media provoking Mr. Avery?

24 A. I guess, as I said, we weren't sure. Unfamiliar
25 with Steven Avery, we weren't sure what types of

1 questions they would ask, or what they would
2 imply and what his reaction might be.

3 Q. Okay.

4 A. Because they are his professionals, in a way,
5 that I felt there was a duty to protect them.

6 Q. Okay. Giving you back Exhibit 10, it was a busy
7 day for Mr. Avery, because a couple hours,
8 roughly, after Emily Matesic and her cameraman
9 leave, in comes Mr. Avery's lawyer, right?

10 A. Correct, at 1:24 p.m.

11 Q. He meets with Mr. Avery?

12 A. Correct.

13 Q. No corrections officers are stationed outside the
14 doors for that meeting?

15 A. I don't believe so.

16 Q. That would reflect it if there were?

17 A. It probably would.

18 Q. And what's the entry there concerning the note
19 that Mr. Avery writes?

20 A. It indicates the entry was made at 4:04 p.m. It
21 should be noted, that the above subject,
22 Mr. Avery, they are referring to, wrote a note to
23 the jail staff, that he wishes not to speak with
24 any media, newspapers, internet, etcetera. All
25 calls inquiring about subject should be directed

1 to his attorney, Erik Loy, per his note.

2 Q. Erik Loy is an Assistant State Public Defender
3 who's responsible for Manitowoc and Calumet
4 Counties?

5 A. Yes, he was his attorney at that time.

6 Q. That's something you knew at the time?

7 A. Yes.

8 Q. That's something your staff knew at the time?

9 A. Yes.

10 Q. The jail log is maintained for access to you, or
11 access by you?

12 A. Yes, I review it daily.

13 Q. Your jail sergeant reviews it daily?

14 A. Yes.

15 Q. The corrections officers are expected to review
16 it daily?

17 A. Yes.

18 Q. That's an entry, then, you would have seen on
19 Monday, November 14th.

20 A. Correct.

21 Q. You did see that entry on Monday, November 14?

22 A. I believe so, yes.

23 Q. You reviewed the jail log first thing in the
24 morning, essentially?

25 A. Yes.

1 Q. At any time after November 14, 2005, are you
2 aware of Mr. Avery submitting a contrary, or
3 overriding written instruction, to the jail,
4 about his preferences with respect to contact
5 with the media?

6 A. Not that I'm aware of.

7 Q. You searched his file carefully?

8 A. Yes.

9 Q. You personally copied the contents of the entire
10 Avery inmate file?

11 A. Most of it, there were some private letters that
12 I didn't forward to you.

13 Q. Private letters?

14 A. I believe there were letters that were written to
15 Mr. Avery, that for some reason probably weren't
16 delivered. They were denied for some reason and
17 kept in the file.

18 Q. Kept in the file?

19 A. Yeah.

20 Q. Okay. But you saw no document superseding or
21 modifying Exhibit 9, which is in front of you?

22 A. No.

23 (Exhibit 11 marked for identification.)

24 Q. I show you Exhibit 11, which I believe to be the
25 very next page of the jail log that you have

1 described, and that we marked as Exhibit 10?

2 A. Correct.

3 ATTORNEY STRANG: This is Exhibit 11, your
4 Honor.

5 Q. (By Attorney Strang)~ Now we're back to Noel
6 Hansel, who you told us about with respect to the
7 Invocation of Fifth Amendment Rights. He makes
8 an entry at, I think, just about 5 p.m., does he
9 not?

10 A. 1715.

11 Q. Okay. 5:15 p.m.?

12 A. 5:15.

13 Q. Right?

14 A. Yes.

15 Q. What's the -- Why don't you --

16 ATTORNEY STRANG: Well, I will offer
17 Exhibit 11 as well.

18 ATTORNEY FALLON: I have no objection. I'm
19 confident -- I have no objection. I'm confident
20 this is accurate documents provided by the business
21 records from the jail, so that's fine.

22 THE COURT: All right. Exhibit 11 is
23 admitted.

24 Q. (By Attorney Strang)~ What's the entry from
25 Mr. Hansel, at 5:15 in the afternoon?

1 A. Noel would be a female.

2 Q. I'm sorry. I apologize.

3 A. That's all right. I will read the entry. At
4 approximately 1700 hours, Owen Jensen, a reporter
5 for NBC 26, was in the Sheriff's Department
6 lobby. I talked with Jensen. Jensen requested
7 an interview this evening with Inmate Avery.

8 I told Jensen that Inmate Avery has
9 refused, in writing, to speak with the media. I
10 referred Jensen to Inmate Avery's attorney, Erik
11 Loy, per Inmate Avery's written request.

12 Q. Following the directions, or at least consistent
13 with the directions set forth in Exhibit 9 by
14 Mr. Avery, correct?

15 A. Correct.

16 (Exhibit 12 marked for identification.)

17 Q. Showing you Exhibit 12, yet another page from the
18 same jail log?

19 A. Correct.

20 Q. Prepared and maintained under the same
21 circumstances?

22 A. Yes.

23 ATTORNEY STRANG: Offer Exhibit 12.

24 ATTORNEY FALLON: I have no objection.

25 THE COURT: Exhibit 12 is admitted.

1 Q. (By Attorney Strang)~ Let's look at the
2 November 18, 2005, entries. You will recall that
3 as the day we agreed that Jennifer Kolbusz did
4 her first televised interview from the jail,
5 right?

6 A. Correct.

7 Q. Okay. And is there an entry there concerning FOX
8 11?

9 A. Yes, at 9:50 a.m. The entry was made by
10 Corrections Officer Cheryl Mason. I will read
11 it. Mark Leland from FOX 11 called and wanted to
12 give a message to above subject, to call to
13 arrange for an interview. I gave subject the
14 message and he refused to take it, and did not
15 want to call. And stated that all inquiries to
16 be forwarded to his attorney. I called Mark
17 Leland back and advised him what Avery stated and
18 gave him Erik Loy's number.

19 Q. Now, the subject, or the above subject referred
20 to there, is Steven Avery?

21 A. Correct.

22 Q. So this time it appears that a corrections
23 officer, rather than just turning away the
24 inquiry, goes and asks Mr. Avery, correct?

25 A. Yes. And that had been the procedure we had set

1 up.

2 Q. But Avery's letter, Exhibit 9, clearly said, I
3 just don't want to talk to these people, correct?

4 A. Yes, but I guess as a corrections officer, if the
5 sheriff tells me I deliver the message, I would
6 deliver the message.

7 Q. Was Sheriff Pagel involved?

8 A. Well, he had -- the previous orders were to, if
9 there was a message, give it to Mr. Avery.

10 Q. Okay. Do you know whether Sheriff Pagel reviews
11 inmate files at the jail?

12 A. On occasion I have seen him in the jail office.

13 Q. Reviewing an inmate file?

14 A. Possibly, I'm not sure.

15 Q. Does he review the jail log, Exhibits 10, 11, and
16 12, that document, regularly?

17 A. That I couldn't answer.

18 Q. One way or the other?

19 A. I couldn't answer.

20 Q. Is it available to him?

21 A. It's -- This is available on computer terminal.
22 It should be available to him.

23 Q. But in any event, Avery refuses FOX 11 and says,
24 tell them to call my lawyer, or words to that
25 effect?

1 A. Correct.

2 Q. What's the next entry relating to Mr. Avery,
3 after that? And that's at, I don't know, 9
4 something in the morning? Yeah, 9:51,
5 essentially, November 18, we have that entry,
6 right?

7 A. Yes.

8 Q. And then the next entry related to Mr. Avery is
9 when?

10 A. At 2:44 p.m.

11 Q. Same day?

12 A. Correct, made by Corrections Officer Cheryl
13 Mason.

14 Q. Same officer?

15 A. Correct.

16 Q. And what's that?

17 A. Says, interview with news media done. Started
18 approximately 1400.

19 Q. No reference to asking Mr. Avery about that one?

20 A. There is no reference, no reference to which
21 media it was.

22 Q. No reference to anyone walking a letter back to
23 him?

24 A. No.

25 Q. No reference to any action at all by you?

1 A. No.

2 Q. Had you engaged in any action at all on
3 November 18, with respect to admission of
4 Jennifer Kolbusz to the jail, would you expect
5 your actions to be reflected on Exhibit 12?

6 A. Yes.

7 Q. If we assume, for a moment, that a reporter shows
8 up at the jail, unannounced, asks to see you, and
9 hands you a letter, to Mr. Avery -- and maybe we
10 don't need to assume this -- did that happen, on
11 at least one occasion?

12 A. Yes.

13 Q. With whom?

14 A. I believe it was the interview we talked about
15 before, with Channel 5.

16 Q. The last interview, the December 14 interview, or
17 the --

18 A. Yes.

19 Q. Or did it happen twice with Channel 5?

20 A. Could have happened twice.

21 Q. Okay. And I'm not trying to trap you on this,
22 once, twice, it happened?

23 A. I recall -- I mean, I recall talking to the media
24 quite a bit in our lobby, during this time
25 period, and just, specifically, to name a date

1 and time, would be difficult.

2 Q. I agree. And I'm not -- Again, I'm not trying to
3 go there, okay. But you at least -- You remember
4 at least one occasion, and maybe there was more
5 than one, when Jennifer Kolbusz, in specific,
6 gave you a letter -- and showed up unannounced,
7 and gave you a letter, and asked you to give it
8 to Mr. Avery?

9 A. Yes.

10 Q. You did that?

11 A. Yes.

12 Q. And came back, told Ms Kolbusz, essentially, he
13 will see you?

14 A. If he agreed to, yes.

15 Q. You recall, at least, her conducting these two
16 interviews with Mr. Avery?

17 A. I recall the one interview, as I said, where I
18 stood outside the door.

19 Q. All right. And that interview started within
20 minutes after you handed Mr. Avery the letter
21 from Ms Kolbusz?

22 A. Yes.

23 Q. Not time for Erik Loy to drive from Sheboygan, or
24 Manitowoc, wherever his office is?

25 A. No.

1 Q. You have -- After reviewing the entire inmate
2 file for Steven Avery, you have no document
3 suggesting that Mr. Avery requested, or
4 initiated, the November 12, 2005 interview with
5 Emily Matesic, true?

6 A. True, the notes were given to Steven. And I'm
7 not sure what he did with them.

8 Q. Same as to the November 18, 2005 interview with
9 Jennifer Kolbusz?

10 A. Correct.

11 Q. Same with the December 14, 2005 interview with
12 Jennifer Kolbusz?

13 A. Yes.

14 ATTORNEY STRANG: Your Honor, I'm missing a
15 page of a jail log that I had. I wonder whether
16 this would be a good time for a break, and I will
17 get a copy of that page, or I can just take a couple
18 moments now.

19 THE COURT: No, it's 1:00, let's take our
20 lunch break at this time. Given the fact that the
21 pace isn't going as quickly as we thought, let's
22 resume at quarter to two.

23 (Noon recess taken.)

24 ATTORNEY STRANG: Two quick things before
25 we resume with him, your Honor, if I may.

1 THE COURT: All right.

2 ATTORNEY STRANG: One, Mr. Kratz and
3 Mr. Fallon were kind enough to tell me that, at
4 least to them, I left an impression that the Calumet
5 County District Attorney's Office had the entire
6 November 18, 2005 interview, including raw footage.
7 That wasn't my intended implication at all.

8 The DVD or the CD that was produced is
9 what was aired on TV, and nothing more. I
10 intended no -- if the Court took it that way, I
11 certainly intended no such implication.

12 THE COURT: The only impression I got was
13 that they would have had the telephone interview, by
14 virtue of the fact that it was conducted over the
15 telephone, not --

16 ATTORNEY STRANG: Right.

17 THE COURT: -- for any other reason. But I
18 did not get the impression that they had any of the
19 full length TV interviews.

20 ATTORNEY STRANG: Right. I just wanted to
21 make that very clear, if it wasn't already. Second,
22 I think Mr. Fallon and I agreed here that it would
23 make sense, and be appropriate for the Court, to be
24 permitted to take judicial notice of the calendars
25 for 2005 and 2006, so that we don't have to worry

1 about what's a Saturday and what's a Wednesday and
2 that kind of -- the days of the week, as we're going
3 through things with witnesses, including on the next
4 motion, I assume.

5 ATTORNEY FALLON: Yeah. I think that's
6 true. I think we can agree, for instance, that the
7 5th, the 12th, the 19th, and 26th of November were
8 Saturdays.

9 THE COURT: Very well.

10 ATTORNEY FALLON: And we would also just
11 note for the record, that a request has been made to
12 Corporate Counsel in New York for the substance of
13 the entire interview. The initial request was not
14 granted, and we'll see where that takes us, whether
15 or not that results in further hearings elsewhere or
16 not, but at least so the record is clear, that a
17 request was made for the entire interview. It has
18 not been adhered to at the moment.

19 ATTORNEY STRANG: That's -- Not only is
20 that not in dispute, but I have heard that before
21 from Mr. Fallon.

22 THE COURT: Answer me something here, the
23 motion in this case is a motion to suppress
24 statements made to the media. If the State doesn't
25 have the statements, what's the relevance of the

1 other content.

2 ATTORNEY STRANG: If the motion is denied
3 for any reason, then we have a doctrine of
4 completeness problem. I'm sure that's what counsel
5 has in mind.

6 ATTORNEY FALLON: That's correct, yes,
7 because some of those comments and statements were
8 actually aired, parts of the interview were aired
9 publicly.

10 THE COURT: Okay. And I understand --

11 ATTORNEY FALLON: So either party may
12 choose to use some of the on air snippets from the
13 interview. At this particular point, the defense is
14 challenging the three in issue, as not wanting that
15 to occur. But that's a separate issue on the rule
16 of completeness. And in the interest of accuracy,
17 which was, I think, something that Ms Kolbusz was
18 attempting to provide in her testimony. But that's
19 a separate issue over and above the admissibility
20 per se of the statements which were aired publicly.

21 THE COURT: All right. Mr. Strang, you may
22 proceed with your examination of the witness. And,
23 Mr. Byrnes, you are still under oath.

24 MR. BYRNES: Yes.

DIRECT EXAMINATION, CONT.

BY ATTORNEY STRANG:

Q. Mr. Byrnes, this is Exhibit 15, do you recognize at least the type of form?

A. Yes, the form is an Inmate Communication Form that we use.

Q. Part of the business of the Calumet County Jail is to make regular, the communication of inmates to jail staff and jail staff back to inmates, by the use of this form?

A. Correct.

Q. It's a standard form that your jail, at some time, created?

A. Correct.

Q. You maintain these in the ordinary course of the business of the Calumet County Jail?

A. Yes.

ATTORNEY STRANG: Move Exhibit 15.

ATTORNEY FALLON: No objection.

THE COURT: This exhibit is what number?

ATTORNEY STRANG: Fifteen.

ATTORNEY FALLON: We have no objection to the introduction of Exhibit 15.

THE CLERK: I put the wrong number on, do you want me to change it to 13.

1 THE COURT: I thought it was 13.

2 THE CLERK: It should be, I just put the
3 wrong sticker on it.

4 THE COURT: Yes, let's make it 13.

5 ATTORNEY STRANG: All right. Thirteen it
6 is. All right. Exhibit 13, so I that's the one I
7 move.

8 THE COURT: There's no objection, as I
9 understand it, from the State?

10 ATTORNEY FALLON: No. It's been
11 re-numbered to 13 now?

12 THE COURT: Correct. Exhibit 13 is
13 admitted.

14 Q. (By Attorney Strang)~ The top half of Exhibit 13
15 is the part on which the inmate writes?

16 A. Correct.

17 Q. And then the bottom half is for a response by
18 jail staff?

19 A. Correct.

20 Q. The top half here is written by Steven Avery?

21 A. Yes.

22 Q. The bottom half is written by you?

23 A. Yes.

24 Q. What's the date of Steven Avery's request, or his
25 communication?

1 A. This is January 9, 2006.

2 Q. And you write back to him on what date?

3 A. Would have been January 9th, 2006.

4 Q. Same day?

5 A. Yes.

6 Q. What's Mr. Avery asking?

7 A. It's addressed to Jail Administrator, John
8 Byrnes. It says, I have got TV 26 NBC for a
9 interview on 1/11/06. Aaron Keller, he is going
10 to come to see me. Thank you.

11 Q. And then what's your reaction, or your response
12 to Mr. Avery?

13 A. My response was, I cannot approve a special visit
14 for this, you will have to do this interview by
15 phone.

16 Q. Okay. Thank you. In fact, we'll just leave that
17 there. Now, I think we agreed, before lunch,
18 that Mr. Avery had not made any request for the
19 three televised interviews that we have already
20 discussed, but we now have him making a written
21 request for a 4th televised interview?

22 A. Correct.

23 Q. And although he had not requested the first
24 three, you arranged those, and we have gone
25 through the sequence of your involvement, and

1 Sheriff Pagel's involvement, and that of
2 corrections officers. This one you are turning
3 down, when he finally does request one, and my
4 question for you is, why?

5 A. At some time, I believe it was later in November
6 or December, the sheriff redirected us, I think
7 after speaking with Mr. Avery's counsel, not to
8 grant interviews. It was an agreement that we
9 would abide by the counsel's wish, the attorney's
10 wish, that we stop that process.

11 Q. Erik Loy at that time?

12 A. I believe so.

13 Q. Are you aware of any document reflecting that
14 agreement?

15 A. I'm sure that Sheriff Pagel issued a memo; I
16 don't have a copy of it.

17 Q. Okay. So that would have -- You would have
18 received such a memo, or some kind of directive
19 from Sheriff Pagel, after the third interview we
20 discussed before the lunch break, but before this
21 request. So the answer simply is, no, even
22 though Mr. Avery is initiating the request.

23 A. Correct.

24 Q. Sheriff Pagel had not directed you to prevent
25 telephone interviews with Mr. Avery, correct?

1 A. There's really no way to prevent it.

2 Q. If the inmate places the call?

3 A. Correct.

4 Q. Right?

5 A. Yes.

6 Q. Okay. Was there any direction about request for
7 a telephone interview initiated by a member of
8 the media?

9 A. I believe that any request, whether it was for a
10 telephone interview or anything, since that
11 change in direction, it has to be addressed to
12 Mr. Avery at the Calumet County Jail. They have
13 to send a letter, or -- we're not even providing
14 notes to Steven any more.

15 Q. Since this December directive from Sheriff Pagel?

16 A. Correct.

17 Q. As to the three interviews that did happen on
18 camera, you had an understanding of the topics on
19 which the reporters wished to interview
20 Mr. Avery, true?

21 A. Not specifically. It was related to the case.

22 Q. Right. Generally, you understood them to be
23 wanting to interview him relating to the case?

24 A. Correct.

25 Q. By the case, you mean the pending charges against

1 Mr. Avery, concerning the disappearance and death
2 of Teresa Halbach?

3 A. Correct.

4 ATTORNEY STRANG: That's all I have. Thank
5 you.

6 THE COURT: All right. Mr. Fallon.

7 ATTORNEY FALLON: Yes, thank you.

8 **CROSS-EXAMINATION**

9 BY ATTORNEY FALLON:

10 Q. Do you have the exhibits in front of you?

11 A. Just 13.

12 Q. All right.

13 THE COURT: Counsel, your microphone is
14 still on there.

15 ATTORNEY FALLON: May I approach the
16 witness?

17 THE COURT: Yes.

18 Q. (By Attorney Fallon)~ Lieutenant, I'm showing you
19 what has been received into evidence as Exhibit
20 No. 8, are you familiar with that form?

21 A. Yes.

22 Q. And do you know its purpose?

23 A. There's two forms here. The Fifth Amendment, or
24 the notification?

25 Q. And my attention is directed -- I'm directing

1 your attention to the top part of the Fifth
2 Amendment Form?

3 A. Yes, the purpose is to ensure that the jail staff
4 understands and makes any law enforcement officer
5 that may come in to question an inmate,
6 understand that that inmate has invoked his Fifth
7 Amendment rights, does not wish to give a
8 statement without an attorney present.

9 Q. So, that's to alert any other law enforcement
10 officer who may wish to interview a defendant or
11 suspect, on any other crime, on any other matter,
12 that they would be prohibited from doing so,
13 because the individual has invoked his right to
14 counsel on all unrelated and related matters,
15 correct?

16 A. Correct.

17 Q. All right. And that's for law enforcement
18 personnel seeking to come and interview a given
19 inmate who is detained at the jail?

20 A. Correct.

21 Q. Okay. Now, you indicated in your direct
22 examination that there were at least two distinct
23 classes, or groups of individuals, and that the
24 rules were different for purposes of facilitating
25 visitation; is that correct?

1 A. Yes.

2 Q. And one group, or one class of individuals, you
3 have lawyers, clergy, probation and parole, and
4 medical personnel?

5 A. Yes.

6 Q. And on the other side of the ledger, the other
7 group, we have family members, friends,
8 relatives, and perhaps other members of the
9 general public?

10 A. Correct.

11 Q. All right. Now, I believe, also, you said in
12 your examination that there wasn't anything
13 specific in the visitation rules governing
14 contacts with the media; is that correct?

15 A. That's correct.

16 Q. All right. So, for purposes of assessing the
17 media, in your opinion, which category does the
18 media fall into? Do they fall into the lawyers,
19 clergy, professional, law enforcement,
20 doctor group; or would they fall into the family,
21 friends, relatives, and others group?

22 A. We consider them professional visitors, as a
23 doctor or an attorney.

24 Q. All right. And why were they afforded this
25 professional status?

1 A. Well, because we -- Obviously, generally, they
2 are not family, and the inmates are limited to a
3 specific number of friends that can visit. I
4 guess, to allow the visitation, which the inmate
5 does have a right to access the media, we just
6 consider them a professional visit.

7 Q. Well, let's talk about that right of access to
8 the media. Where does that come from?

9 A. The courts uphold that inmates have certain
10 rights in jail, such as access to the courts,
11 access to their attorneys, access to their legal
12 materials, and access to the media, or other
13 organizations that do help them.

14 Q. Now, is that something that you learned in
15 training?

16 A. Yes.

17 Q. Could you tell us about that, please.

18 A. I believe, specifically, I learned -- I attended
19 a Department of Corrections Seminar on writing
20 policies and procedures. And part of the
21 materials that we were provided talked about
22 specific inmate rights that should be protected.

23 Q. All right. So would it be fair to say that you
24 were sensitive to any given inmate's right to
25 have access to the media?

1 A. Correct.

2 Q. So, sensitive to their First Amendment right to
3 free speech?

4 A. Correct.

5 Q. All right. And does that sensitivity somewhat
6 inform you in exercising your policy of
7 reasonableness?

8 A. Yes.

9 Q. All right. There was a fair amount of discussion
10 relative to -- to flexibility that needed to be
11 afforded to permit professional visits; is that
12 correct?

13 A. Yes.

14 Q. All right. As a matter of fact, Monday, in
15 Calumet County, is criminal court intake day; is
16 it not?

17 A. Yes.

18 Q. And things get rather hectic on that particular
19 day, correct?

20 A. Yes.

21 Q. There's a lot of court appearances to be held?

22 A. Yes.

23 Q. And as a result, there's a lot of visits by
24 retained counsel for inmates?

25 A. Yes.

1 Q. As a matter of fact, there may very well be
2 visits by the State Public Defender's Office
3 doing indigency evaluations and things of the
4 sort to see if some in custody person is entitled
5 to a right of counsel, correct?

6 A. Correct.

7 Q. Now, on a given day like that, do you sometimes
8 have to call in extra personnel to make these
9 visits happen?

10 A. Yeah, we generally like to, if we can, staff
11 heavier on busier court dates.

12 Q. I believe you said the staffing is somewhat more
13 limited on weekends; is that correct?

14 A. It's limited in the way that there's not always a
15 supervisor working. The corrections officers
16 depend more on the patrol supervisors to assist
17 them.

18 Q. All right. And in terms of the correctional
19 individuals, or sometimes referred to as jailers,
20 the staffing, does that depend on the number of
21 inmates that may be housed at any given time at
22 the jail? Do you have to put on extra staffing,
23 in other words, if you're full versus half full,
24 for instance?

25 A. We prefer, but there's so many factors that

1 influence it, that it's really hard. We like to
2 have as many working as we can, but as I said
3 there's a lot of factors that limit it.

4 Q. And those factors, then, necessitate an exercise
5 of reasonableness in attempting to facilitate
6 visits that someone -- that any given inmate may
7 wish to have?

8 A. Yes.

9 Q. All right. Let's talk about the situation with
10 Jennifer Kolbusz. As I understand your
11 testimony, she provided you with a letter briefly
12 explaining her purpose for visiting Mr. Avery; is
13 that correct?

14 A. Correct.

15 Q. And you examined the letter?

16 A. Yes, I reviewed it.

17 Q. All right. And you found it to be appropriate,
18 under the circumstances?

19 A. Yes.

20 Q. And you took that letter and you went down to
21 Mr. Avery's cell, correct?

22 A. Yes.

23 Q. You handed him the letter, correct?

24 A. Yes.

25 Q. You waited for a reply?

1 A. Yes.

2 Q. And what we didn't hear is, what was his reply?

3 A. Said he would talk to them.

4 Q. All right. At that particular point, was he at
5 all hesitant to grant the interview?

6 A. Didn't appear to be. He studied the letter, and
7 thought about it, and agreed to it.

8 Q. All right. At any time during your contact with
9 him, did he express an unwillingness to meet with
10 them?

11 A. No.

12 Q. As a matter of fact, you gave him the letter,
13 correct?

14 A. Yes.

15 Q. You never took that letter back, correct?

16 A. No, I did not.

17 Q. For all you know, that letter is in his
18 possession to this day?

19 A. Probably, unless he disposed of it.

20 Q. All right. And there was a -- I will withdraw
21 that. When you were discussing with him the fact
22 that Ms Kolbusz, from Channel 5, was wanting to
23 interview him, he never once mentioned Attorney
24 Erik Loy to you, did he?

25 A. No.

1 Q. As a matter of fact, he never mentioned once to
2 you, Exhibit No. 9, which was the handwritten
3 letter that he wrote out and was found in your
4 files, correct?

5 A. No.

6 Q. As a matter of fact, there was no real hesitation
7 whatsoever in terms of his willingness to meet
8 with the reporter, correct?

9 A. Correct.

10 Q. And that held true, as far as you know, for both
11 interviews conducted by Ms Kolbusz, the
12 November 18th letter circumstance we were just
13 talking about, and the December 14th?

14 A. Correct.

15 Q. Now, with respect to this media access issue and
16 Mr. Avery, it's true, is it not, that initial
17 counsel in this case, Erik Loy, and his
18 associate, were concerned about the interviews
19 given to the media by their client, Mr. Avery,
20 correct?

21 A. Yes.

22 Q. As a matter of fact, he was not heeding their
23 advice not to give those interviews was he?

24 A. No.

25 Q. And as a matter of fact, the change in the policy

1 that you alluded to by Sheriff Pagel, came at the
2 request of the attorneys that -- basically, in
3 effect, asking for a favor that they not -- that
4 he not grant access or pass on information to
5 their client, correct?

6 A. Correct.

7 ATTORNEY STRANG: Personal knowledge here,
8 but I think we need some foundation.

9 THE COURT: I will sustain the objection on
10 foundational grounds, at this point.

11 Q. (By Attorney Fallon)~ What's your understanding
12 as to why there was a change of policy in
13 January of '06?

14 A. As I explained earlier, my understanding from
15 conversations with the sheriff was that
16 Mr. Avery's counsel at that time had requested
17 that we no longer grant access, by the media, to
18 Mr. Avery. And the sheriff at that time changed
19 his policy of passing notes and asking if
20 Mr. Avery wanted to do an interview and, in
21 effect, stopped it.

22 Q. All right. And that, specifically, was at the
23 request of his attorneys of record at that time?

24 A. That was my understanding.

25 Q. All right. Now, in terms of the interviews, who

1 were granted interviews -- Well, let's rephrase
2 that. In terms of the individuals for whom Mr.
3 Avery agreed to be interviewed, those interviews
4 were conducted by Emily Matesic, correct?

5 A. Yes.

6 Q. All right. And they were also interviews
7 conducted by Jennifer Kolbusz, correct?

8 A. Yes.

9 Q. And it's true, is it not, that Mr. Avery declined
10 to be interviewed by Mark Leland, from FOX 11
11 news, correct?

12 A. Yes, it's in the jail log.

13 Q. As a matter of fact, in the jail logs, the
14 individuals to whom Mr. Avery granted interviews
15 are all women, correct?

16 A. Correct.

17 Q. As a matter of fact, for instance, Ms Matesic and
18 Ms Kolbusz are young, attractive, dark-haired
19 professional women, correct?

20 ATTORNEY STRANG: Stipulated.

21 A. Correct.

22 Q. (By Attorney Fallon)~ One other matter, in
23 November and December, which is the time frame in
24 question, it was customary for you and/or other
25 jail staff to sit down and have discussion with

1 Mr. Avery as to how he was doing, how he was
2 adjusting in the jail, correct?

3 A. Yes.

4 Q. As a matter of fact, you would review everything
5 from his visitation list, to his medication
6 needs, to his entertainment needs, whatever the
7 case may be; you wanted to see if he was
8 adjusting correctly?

9 A. Yes.

10 Q. And comfortably?

11 A. Yes.

12 Q. All right. How often would these meetings take
13 place with Mr. Avery?

14 A. I couldn't say specifically, I know I tried to
15 speak with him weekly, it's probably not that
16 frequent any more.

17 Q. And as a matter of fact, you did have a meeting
18 with him on November 30th; would that be correct?

19 A. I guess.

20 Q. Well, perhaps I can show you a page from the
21 report.

22 (Exhibit 14 marked for identification.)

23 ATTORNEY FALLON: May I approach?

24 THE COURT: Yes.

25 Q. (By Attorney Fallon)~Lieutenant, I show you

1 what's been marked for identification purposes as
2 Exhibit 14; is that correct?

3 A. Yes.

4 Q. Directing your attention to the last entry on
5 Exhibit 14.

6 A. That's a narrative that Sergeant Hemauer wrote
7 about a meeting that we had with Mr. Avery.

8 Q. Tell us about that meeting. What does the entry
9 say?

10 A. I will read it. Earlier this afternoon JA Byrnes
11 and I invited Inmate Avery into the office to
12 discuss any concerns, requests, or complaints, he
13 may have. Inmate Avery stated he is doing as
14 good as can be.

15 I asked Inmate Avery if everything was
16 working properly in his housing unit. The only
17 complaint Inmate Avery indicated, were that
18 sometimes the water in the shower is too hot and
19 the reception on the television is poor.

20 Inmate Avery stated he has no problems
21 with the correctional staff and is -- that's all.

22 ATTORNEY FALLON: I believe the next page
23 is already an exhibit -- No, it's not. All right.

24 THE COURT: If you are going to add a page,
25 can the parties agree just to make it part of --

1 ATTORNEY FALLON: Yeah, I'm going to add
2 Page 6, in the interest of completeness.

3 THE COURT: All right.

4 ATTORNEY STRANG: Sure.

5 Q. (By Attorney Fallon)~ All right. There's the
6 rest of the that note, would you continue,
7 please.

8 A. It's, again, on the first page, Inmate Avery
9 stated he has no problems with the correctional
10 staff and is being treated okay.

11 I asked Inmate Avery about a report by a
12 television station, that his mother made the
13 comment he is depressed. Inmate Avery stated he
14 was doing okay.

15 Inmate Avery was advised that should he
16 ever need services from the Calumet County
17 Department of Human Services, the jail will
18 assist him in arranging to have someone speak
19 with him. Inmate Avery again stated he was doing
20 okay and would let correctional staff know if he
21 needs assistance from CCDHS.

22 Lastly, we talked about being housed
23 alone. Inmate Avery stated he is okay with it,
24 but sometimes he wishes he had someone to talk
25 to. Inmate Avery made the comment he's facing

1 more time this time than the last. It was
2 decided that Inmate Avery will continue to be
3 housed alone, but will be revisited at Inmate
4 Avery's request, in the future.

5 Inmate Avery thanked JA Byrnes and
6 myself for our time and was turned over to
7 correctional staff.

8 Q. Thank you. So it would be fair to say -- or
9 would it be fair to say that those types of
10 meetings or debriefings would occur periodically
11 during his detention?

12 A. Yes.

13 Q. And at that particular meeting, it's obvious he
14 didn't have any concerns or express any problems
15 with having media interviews, correct?

16 A. Correct.

17 Q. So, during the course of these periodic reviews,
18 to your recollection did he ever -- and I'm now
19 talking specifically from the time frame of
20 November. Well, that note was November 30th,
21 through December 15th, were there ever any
22 concerns expressed by Mr. Avery regarding, geez,
23 I just don't want any more media contact?

24 A. No.

25 ATTORNEY FALLON: I move into evidence

1 Exhibit 14 and tender the witness for redirect.

2 THE COURT: Any objections?

3 ATTORNEY STRANG: No objection.

4 THE COURT: All right. The exhibit is
5 admitted. Mr. Strang.

6 **REDIRECT EXAMINATION**

7 BY ATTORNEY STRANG:

8 Q. With respect to an inmate's access to the media,
9 okay, discussed on cross-examination, one of the
10 things an inmate ordinarily has available to him
11 in the jail is a telephone?

12 A. Correct.

13 Q. Each block, or pod, however the jail is
14 organized, has such a phone?

15 A. Yes.

16 Q. That phone can be turned off by jail staff?

17 A. Yes.

18 ATTORNEY FALLON: Objection, beyond the
19 scope of cross.

20 ATTORNEY STRANG: It's clearly within.

21 THE COURT: I'm trying to remember.

22 Mr. Strang.

23 ATTORNEY STRANG: All I'm going is, Avery
24 was able to initiate calls to the media, by
25 telephone.

1 ATTORNEY FALLON: I don't recall bringing
2 that up on cross-examination.

3 ATTORNEY STRANG: Yes, the right of access
4 to the media and his training on right of access to
5 the media.

6 THE COURT: Yeah. I will allow the
7 question.

8 Q. (By Attorney Strang)~ This is a phone that can be
9 turned off by jail staff.

10 A. Correct.

11 Q. But unless it's abused, ordinarily it's on?

12 A. Correct.

13 Q. Doesn't receive incoming calls?

14 A. No.

15 Q. But the inmate can place outgoing calls, collect?

16 A. Yes.

17 Q. There was a short time in March of 2006 where you
18 turned off Mr. Avery's phone, or at least moved
19 him to a cell that had no phone, correct?

20 ATTORNEY FALLON: Objection, relevance as
21 to what went on in March, we're talking November and
22 December.

23 THE COURT: Mr. Strang, what's the --

24 ATTORNEY STRANG: It's just a counter
25 point. What I'm going to is, he, other than for a

1 very brief period of time in March, has had access
2 to a telephone and could make collect calls.

3 THE COURT: I don't know that that's
4 contested. I'm going to sustain the objection.

5 Q. (By Attorney Strang)~ Mr. Avery, to your
6 knowledge, was able to place collect calls to any
7 media outlet he wished, who would accept his
8 collect call?

9 A. Correct.

10 Q. We discussed the three interviews, television
11 interviews, Mr. Avery did not request, and the
12 one television interview he did request and was
13 turned down. And Mr. Fallon explored the sex and
14 the physical characteristics of the reporters.
15 The one reporter Mr. Avery ever asked to speak to
16 was a gentleman named Aaron Keller, wasn't it?

17 A. I'm not familiar with Aaron Keller -- pardon
18 me -- but the note indicates "he".

19 Q. Finally, the November 30 meeting, which I
20 understand was one of several similar meetings
21 that you have had with Mr. Avery, --

22 A. Yes.

23 Q. -- correct? And so you are the Jail
24 Administrator, and with you for that meeting was
25 your Jail Sergeant, Sergeant Hemauer?

1 A. Correct.

2 Q. During the period of November and December, 2005,
3 were you and Sergeant Hemauer in the habit of
4 regularly visiting every inmate of the Calumet
5 County Jail, to inquire how things were going,
6 whether he was depressed, whether the water in
7 the shower was too hot, how the TV reception was
8 doing; were the two of you running around and
9 talking to every inmate, during that time period,
10 about these solicitous matters?

11 A. I would say we didn't have formal meetings with
12 them. I'm not sure how formal this was but,
13 yeah, we keep in touch with the inmates and, I
14 mean, I want to know what's going on and how they
15 are doing. And he is not the only inmate in
16 there, and not the only one I'm concerned about.

17 Q. Sure, but I have had a chance to look at the jail
18 log, and we have only marked a few pages of it,
19 but I don't see that -- that sort of attention to
20 the other inmates. Am I missing something, or
21 was Mr. Avery a little bit different?

22 A. The jail log that you were provided are entries
23 that deal solely with Mr. Avery, nothing with the
24 other 40, 50 inmates that we house. That log was
25 provided by querying his booking number. And

1 from that I obtained all the log entries specific
2 to him only.

3 Q. Very well. So the question, really, the final
4 question is, was Mr. Avery treated differently in
5 terms of your solicitude, the Jail Sergeant and
6 the Administrator, visiting him and making these
7 sort of inquiries; was he treated differently, in
8 the last two months in 2005, than the other 40 or
9 50 inmates?

10 A. No.

11 ATTORNEY STRANG: That's all I have.

12 THE COURT: Any other questions?

13 ATTORNEY FALLON: Nothing further for the
14 witness.

15 THE COURT: You may be seated.

16 THE WITNESS: Thank you.

17 THE COURT: Does the defense have any
18 further witnesses on this motion?

19 ATTORNEY STRANG: We do not.

20 THE COURT: Any other witnesses for the
21 State?

22 ATTORNEY FALLON: One moment. We have
23 nothing further.

24 THE COURT: All right. I know each party
25 has submitted a written argument in support of their

1 position on their motion, does either party wish to
2 be heard orally, after today's evidence on the
3 motion?

4 ATTORNEY STRANG: I would like an
5 opportunity to get a transcript, which I'm willing
6 to pay for on an expedited basis, and submit a
7 written argument. Because I think we will find no
8 case that directly controls this on the question of
9 where the line falls on a citizen becoming, de
10 facto, an agent of the police. I think it's an
11 interesting issue. And I would like a chance to
12 look at the testimony and argue it in writing.

13 ATTORNEY FALLON: Your Honor, I guess I
14 would disagree. I think there is case law both in
15 Wisconsin and elsewhere. I cited some of it in my
16 brief. We have argued it. We have done our
17 preliminary research. We have taken the testimony.
18 And I would be prepared to orally argue further
19 comments, based on the testimony, while it's fresh
20 in our minds.

21 THE COURT: I think on the general
22 question, the memoranda submitted by both parties
23 adequately addressed the point. There was a -- I
24 don't know that the written memoranda addressed the
25 significance, if any, of the written request that

1 was made by the defendant, not to have access to any
2 media people.

3 ATTORNEY STRANG: No, we had none of that
4 at the time of the memoranda.

5 THE COURT: All right. In light of that
6 fact, I will grant the request to allow the parties
7 to submit written argument, a supplemental memoranda
8 on this issue. I will just make it due by
9 August 9th.

10 (Discussion about expedited transcript.)

11 THE COURT: I also think that the parties
12 can probably start researching their memoranda
13 before they get a copy of the transcript. I don't
14 think the evidence is that complicated here.

15 ATTORNEY FALLON: Let me ask, Judge, are
16 you contemplating, then, a simultaneous filing,
17 since we each have already filed our initial replies
18 or responses, so that each party will file our final
19 position by the 9th; is that the contemplation?

20 THE COURT: Yes, that is exactly what I
21 contemplate.

22 ATTORNEY FALLON: That's fine.

23 THE COURT: All right. Then we move on to
24 the **Franks** motion regarding the basis for the search
25 warrant. I believe the defense is going to begin

1 here. Mr. Buting, you are handling this one?

2 ATTORNEY FALLON: Excuse me, your Honor,
3 before we begin, if I could have a moment, since I'm
4 doing this one as well, to reorganize my paperwork.
5 But I would like the right to be heard on whether or
6 not the pleading is sufficient to justify an
7 evidentiary hearing on part of the defense motion
8 dealing with the **Franks** issue.

9 THE COURT: All right.

10 ATTORNEY BUTING: Judge, I think the State
11 has had an opportunity to respond to this motion,
12 several weeks, if they were going to reply and
13 object to this motion being heard, having a hearing
14 on that part of it, they could have filed it in
15 writing. I can't say that I have all the case law
16 at my fingertips right now, on these issues, because
17 it wasn't raised as a concern until right now.

18 THE COURT: Mr. Fallon.

19 ATTORNEY FALLON: Yes, Judge. Well, I
20 would have liked to have had the time to file a more
21 written rendition of the argument I'm about to make,
22 but like other counsel, I have been away from the
23 office quite a bit in the last few weeks.

24 And I did write a brief for the November
25 5th proceeding, and I wrote a brief with respect

1 to the issue we just had. I did not have time to
2 write the third brief. That's all I can say.

3 I would note for the record that, in
4 reading the case law, the courts have often times
5 footnoted comments regarding the fact that the
6 issue was not raised at the trial court, and
7 probably should have been raised, so I did not
8 want to be put in a situation, should there be an
9 appellate review, of not having argued the point.

10 THE COURT: All right. I will acknowledge
11 that you have raised the issue at this time, and I
12 will take it under advisement, but I think, given
13 the fact I haven't had a chance to review any
14 arguments that might have been made either, I would
15 have difficulty ruling on it at this time. So we
16 will proceed with the evidentiary hearing.

17 ATTORNEY FALLON: At some point, may I
18 submit at least a brief offer of what my argument
19 would have been had the Court entertained it, just
20 to preserve the record.

21 THE COURT: Yes. And if it turns out that
22 the Court can still grant your motion --

23 ATTORNEY FALLON: All right.

24 THE COURT: -- even if I take evidence
25 today, if the Court is satisfied that the defense

1 wasn't entitled to an evidentiary hearing, based on
2 the material provided. Likewise, Mr. Buting gets an
3 opportunity to make the counter-argument.

4 ATTORNEY BUTING: All right. Thank you.

5 THE COURT: And I suppose we should have
6 that due by August 9th as well.

7 ATTORNEY BUTING: My witness is probably in
8 the hall. Let me check.

9 ATTORNEY FALLON: Your Honor, I will let
10 you swear the witness, but there's one other
11 housekeeping matter I thought we might want to take
12 up regarding the scope of the claim, so that I'm
13 certain I know exactly what the defense is wishing
14 to accomplish in terms of what is to be suppressed
15 and what is not.

16 THE COURT: Okay.

17 **INVESTIGATOR MARK WIEGERT**, called as a
18 witness herein, having been first duly sworn, was
19 examined and testified as follows:

20 THE CLERK: Please be seated. Please state
21 your name --

22 THE COURT: All right. Mr. Fallon.

23 ATTORNEY FALLON: Just so that we're clear,
24 as I understand the suppression motion, Counsel, you
25 are challenging the -- primarily and exclusively,

1 the searches of your client's trailer and garage,
2 based on the initial averments in the affidavit
3 prepared by this witness; is that correct?

4 ATTORNEY BUTING: On the **Franks** motion, no,
5 it would be the question of whether any part of this
6 warrant is sufficient for probable cause, to
7 anything that they search, including the property of
8 the whole salvage yard.

9 ATTORNEY FALLON: If you are asserting
10 that, then, my point at this time is, I would like a
11 demonstration of standing by the defendant, if he
12 would prove that he has standing to object to
13 searches of locations on the salvage yard, above and
14 beyond his private trailer and his garage. If he's,
15 then, challenging the entire fruits of everything,
16 then he ought to show standing that he's entitled to
17 challenge.

18 ATTORNEY BUTING: Again, Judge, this is --
19 I would have thought that if the State was going to
20 object to standing, they would have replied. I
21 filed this June 15, I think it was, approximately a
22 month ago. They haven't raised an issue on the
23 **Franks**, whether there is a right to a hearing. They
24 haven't raised an issue on standing. Mr. Avery
25 lived and worked on the property, just like any of

1 the others. I think, beyond that, I don't have
2 witnesses to establish that today.

3 ATTORNEY FALLON: I would note for the
4 record, that standing is the first issue that needs
5 to be dealt with when you are dealing with a
6 comprehensive search warrant such as this. And if
7 the defense is challenging everything, if everything
8 is in play, then it seems to me, the fact that the
9 defendant worked there, it doesn't cut the mustard
10 in terms of establishing that he has standing, for
11 instance, to challenge the searches of burn barrels,
12 of fire pits, of the residences of Delores, and
13 Steven Avery, the residence of Barb Janda, the
14 business office.

15 He's an employee, as I understand it,
16 he's not an owner. So my question is -- That's
17 why I asked the question, what is really being
18 suppressed and where is the standing? I mean,
19 that's hornbook law.

20 ATTORNEY BUTING: Counsel is correct, he
21 would not have standing to object to searches of
22 other private residences encompassed in this
23 warrant. And maybe I should have been more clear on
24 that, but the motion does go to the search of the
25 properties, which would include the Rav 4 vehicle

1 that was found, as well as his personal residence,
2 garage, and areas within the general purview of
3 those particular buildings.

4 ATTORNEY FALLON: Again, my question then
5 is, well, what is the defendant's reasonable
6 expectation of privacy in a vehicle owned by Teresa
7 Halbach? Just because it's found in the salvage
8 yard, that makes it a reasonable expectation of
9 privacy? I think not.

10 ATTORNEY BUTING: The issue is not what
11 privacy he has in the vehicle. The issue is what
12 privacy interest he has on the property. And if the
13 State wishes to challenge that, we can take
14 testimony today on these issues and I can try and
15 supplement the record later to establish the
16 standing questions.

17 But they have not raised that until
18 today, as a concern. And I think my motion was
19 pretty clear as to what is involved here. I
20 mean, obviously, issues related to the business
21 office, business records, are not in play. There
22 is nothing there anyway. I think counsel knows
23 that.

24 As to other private residences on the
25 property, again, there is no issue there either,

1 as counsel is aware of. So there's really only a
2 few areas of this 40 acre property that are at
3 issue here.

4 ATTORNEY FALLON: And that's the point of
5 the pleading. The pleading does suggest suppression
6 of derivative fruits, etcetera. But when you read
7 the argument, the entire argument is obsessed with
8 the numerous entries to both his trailer and the
9 garage, and not much else.

10 So there's -- that's the reason for my
11 question, what is at issue. And if it's the
12 trailer and the garage, and those entries, then,
13 I will concede standing. I don't have a problem
14 with that. But if everything else is in play,
15 then Mr. Avery should take the stand and
16 demonstrate he has a reasonable expectation of
17 privacy, sufficient to be acknowledged by a court
18 of law, in the remaining 39 and a half acres.

19 ATTORNEY BUTING: Perhaps there's confusion
20 here. What we -- I anticipate we're going to take
21 testimony from the witnesses this afternoon on is
22 the **Franks** portion of the motion. That's separate
23 from the separate violation alleged, which is the
24 exceeding the scope of the warrant.

25 Before you can even get to that

1 question, we have to determine if the warrant
2 itself was valid under **Franks**. We have to look
3 at the alleged untruthful -- or statements made
4 with reckless disregard for the truth, see if we
5 can meet our burden to establish the **Franks**
6 standard. And then, if so, those paragraphs are
7 stricken from the warrant.

8 Then we look at the warrant to see if
9 there's probable cause to support it at all. If
10 there is no probable cause left, then the whole
11 second part of the motion, which is the exceeding
12 the scope because they entered over, and over,
13 and over, and over, after -- all on one warrant,
14 then that becomes moot.

15 If the warrant is found to be invalid,
16 lacking probable cause, after we strike and
17 redact those portions for which the **Franks**
18 standard has been met, then the rest of it is
19 mooted. The rest of all of those entries would
20 be illegal, I think. I think counsel would agree
21 with that.

22 ATTORNEY FALLON: That assumes he has
23 standing to challenge the warrant. He has standing
24 to challenge the warrant as it may pertain to his
25 residence, and his garage, and probably his yard

1 area. But the -- For instance, the Toyota Rav 4,
2 which the evidence will show, is about as far away
3 from Mr. Avery's particular curtilage as you could
4 possibly be on that property.

5 So while I would concede that he has
6 standing and, thus, the ability to challenge the
7 warrant on our **Franks** theory, for purposes of
8 the -- his trailer and his garage, I would
9 concede that, and we're ready to go. But that's
10 why I asked the question, what is in play. If
11 it's all in play, then there should be a
12 standing.

13 ATTORNEY BUTING: Judge, if you think about
14 it, it really doesn't matter at this point. We can
15 establish the standing question later, if we need
16 to. But if the warrant is invalid as to the -- as
17 to Mr. Avery's residence, and his garage, then, I
18 mean, that's obviously an important legal
19 determination that's going to have to be made.

20 It's a separate question whether, then,
21 that means he also has standing, or that somehow
22 the rest of the property also would be --
23 evidence would be suppressed from other parts of
24 the property as well. But either way, if there's
25 a **Franks** motion -- if there's a valid **Franks**

1 motion as to his residence, then we should
2 proceed today.

3 THE COURT: All right. Well, I have
4 already indicated that the Court is going to take
5 under advisement the State's motion that the defense
6 is not entitled to a hearing on a **Franks** challenge
7 to the search warrant, based on the allegations in
8 the pleading.

9 We'll hear evidence at this time, on the
10 **Franks** motion portion of the motion. I'm not
11 sure, actually, how far we're going to get to the
12 other challenge to the search warrant today. So
13 Mr. Buting.

14 ATTORNEY FALLON: That's fine.

15 THE COURT: You may proceed, Mr. Buting.

16 ATTORNEY BUTING: I talked with counsel
17 about this, I will limit my questioning of -- this
18 witness actually would have some relevance to the
19 other part of the motion on the multiple entries,
20 but for today's purposes, I'm going to limit it to
21 the parts that deal with the **Franks** motion, and the
22 issuance of the warrant in the first instance. I
23 would move to sequester any other witnesses that the
24 State intends to call.

25 ATTORNEY FALLON: I don't believe any of

1 them are here, but if I can have a moment --

2 THE COURT: Go ahead.

3 ATTORNEY FALLON: -- to canvass.

4 ATTORNEY KRATZ: I will take care of it,
5 Judge.

6 ATTORNEY FALLON: Okay. Good.

7 THE COURT: Detective, would you spell your
8 name and state it for the record, please.

9 THE WITNESS: Sure. Mark Wiegert,
10 W-i-e-g-e-r-t.

11 DIRECT EXAMINATION

12 BY ATTORNEY BUTING:

13 Q. And how are you employed?

14 A. I'm an Investigator with the Calumet County
15 Sheriff's Department.

16 Q. And how long have you been there?

17 A. About 14 years.

18 Q. And as part of your responsibilities, did you go
19 through some training, in law enforcement, before
20 you arrived?

21 A. Yes.

22 Q. On the job?

23 A. Yes.

24 Q. And what did that involve?

25 A. I have a associate's degree in police science. I

1 have a lot of specialized classes as far as
2 investigations, interviews, and things like that.

3 Q. Okay. And I assume, then, that part of your
4 training involved the Fourth Amendment and how it
5 applies to law enforcement?

6 A. Yes.

7 Q. That would be the rights with regard to searches
8 and seizures, right?

9 A. Yes.

10 Q. Okay. And did you -- I assume you learned about
11 the standard that is to be applied under the
12 Fourth Amendment, that is, probable cause?

13 A. Yes.

14 Q. And you have learned about searches with warrants
15 and searches without warrants?

16 A. Yes.

17 Q. And you were also taught how to apply for a
18 search warrant?

19 A. Yes.

20 Q. And that you do so -- And how do you go about
21 applying for a search warrant?

22 A. Basically, getting your information together,
23 putting together an affidavit for the search
24 warrant, and putting the search warrant together,
25 and presenting it to a judge.

1 Q. And the affidavit that you put together is -- is
2 that something that you type up yourself?

3 A. No.

4 Q. Is it something that you dictate to someone else,
5 or what?

6 A. Depends on the situation. Sometimes it's
7 dictated. Sometimes it may be called in over the
8 phone. Sometimes we may get it off a report,
9 depends on the situation.

10 Q. Are they fill in the blank kind of things?

11 A. The affidavit, generally not.

12 Q. Okay. So, it's usually, the words in it, though,
13 come from you, prepared by some typist somewhere?

14 A. Generally, yes.

15 Q. Not like -- You don't have the District Attorney
16 prepare your warrants?

17 A. It's usually a member of the District Attorney's
18 Office that would prepare that for us.

19 Q. Okay. Some clerical staff, is that what you are
20 saying?

21 A. Yes.

22 Q. And then you are aware that these affidavits have
23 to be sworn -- that you have to be sworn before
24 you sign the affidavits, right?

25 A. Yes.

1 Q. And you swear that everything in them is the
2 truth, right, as you know it?

3 A. The truth, yes.

4 Q. Now, in this particular case, you were working on
5 an investigation of a complaint, or concern about
6 a missing person, initially, correct?

7 A. Yes.

8 Q. Teresa Halbach, right?

9 A. Yes.

10 Q. And that complaint, or call, came in to you on
11 November 3rd, or into your department on November
12 3rd; is that right?

13 A. That's correct.

14 Q. About 5:30 p.m., something like that?

15 A. Yeah, I think, roughly.

16 Q. Okay. And were you then assigned? How did you
17 manage to get involved in the case?

18 A. Initially, no. Initially it went to a road
19 officer, who eventually contacted me for
20 assistance in the case.

21 Q. Okay. And did you know the Halbach family, or
22 Teresa?

23 A. No, I did not.

24 Q. And one of your first duties, or one of the first
25 things you did, anyway, was to go to Teresa's

1 residence, right?

2 A. Yes.

3 Q. And you spoke to some of her friends and
4 roommates who were there, right?

5 A. Friends, roommates, family.

6 Q. Okay. And did you have an opportunity to look at
7 a list of phone calls that she had made?

8 A. Yes.

9 Q. How did that come about?

10 A. I believe her -- one of her best friends and her
11 roommate had located her phone records on her
12 computer.

13 Q. So somebody had a password, they were able to get
14 into her online records?

15 A. I assume so, yes.

16 Q. And so you looked at a list of phone calls that
17 she had made on her cell phone on -- in
18 particular, on October 31st, right?

19 A. Correct.

20 Q. And there were no other outgoing phone calls from
21 her cell phone after that date, right?

22 A. Yes.

23 ATTORNEY FALLON: Your Honor, I'm going to
24 interpose an objection as to the relevance of this
25 particular line of inquiry, as it may pertain to

1 whether or not there was a lie or a reckless
2 disregard for the truth in a November 5th affidavit.
3 It seems to be a bit tenuous in terms of its
4 connection. It seems to be more exploratory, or
5 discovery in nature.

6 THE COURT: Mr. Buting.

7 ATTORNEY BUTING: It's foundational, Judge.
8 I'm leading up to what -- how he developed his
9 investigation, and in particular, with volunteers?

10 THE COURT: Well, some background might be
11 appropriate, but I think it's getting a little more
12 detailed than it needs to be, so I will ask you to
13 move it along.

14 Q. (By Attorney Buting)~ At some point, after going
15 through this list of phone numbers, you noticed
16 that one of them was a phone call to a Barb
17 Janda's house, right?

18 A. Yes.

19 Q. And somehow you determined that that was
20 Mr. Avery -- could have been to Mr. Avery, to
21 Steven Avery; is that right?

22 A. We had learned that it was a relative of Steve
23 Avery, specifically his sister.

24 Q. Okay. So you contacted -- He lived in Manitowoc
25 County, you are in Calumet; right?

1 A. That's correct.

2 Q. So you contacted the Manitowoc County Sheriff's
3 Department and requested their assistance?

4 A. Yes.

5 Q. And when you called, you spoke to Sergeant
6 Colborn?

7 A. Yes.

8 Q. And did he just answer the phone, or did he
9 somehow get assigned to you?

10 A. I called their department directly and requested
11 to speak with a shift commander, or supervisor.
12 And I believe Sergeant Colborn called me back.

13 Q. Okay. And so you spoke to him about some
14 investigation you wanted to do. And then shortly
15 after that, you got a call from Lieutenant Lenk;
16 is that right?

17 A. I spoke with Sergeant Colborn first, and then,
18 yeah, some time after that, I believe -- I
19 believe Lieutenant Lenk had called me.

20 Q. So, he called you, you didn't call him?

21 A. No, I didn't call him.

22 Q. Okay. And you learned later, sort of passing
23 over some things here, but you learned later that
24 Sergeant Colborn had gone out and talked to
25 Mr. Avery, Steven Avery, correct?

1 A. Yes.

2 Q. And, in fact, had actually gone into his
3 residence, looked around, saw that no evidence of
4 Teresa Halbach or anything amiss, correct?

5 A. I don't know if, initially, Sergeant Colborn went
6 into the residence. Without reviewing my report,
7 I don't know that. I know he spoke with Steven
8 Avery.

9 Q. Okay. Next day is when Detective Remiker, or
10 somebody, actually went over and went to his
11 house?

12 A. Yes, eventually somebody did.

13 Q. Okay. Now, at some point, then, on -- was it on
14 the first night, November 3rd, did you learn that
15 there was some family or friends who were
16 interested in assisting the investigation in some
17 way?

18 A. No.

19 Q. No?

20 A. Not on November 3rd.

21 Q. Okay. Did you learn that on November 4th?

22 A. On November 4th, I spoke with one of Teresa's
23 friends who was at her residence, and they
24 indicated they were going to hang some posters.

25 Q. Okay. Let me just go back for a second, just to

1 clarify the record. Actually, on November 3rd,
2 that same evening, you contacted Sheriff Pagel,
3 correct?

4 A. That's correct.

5 Q. And he took steps to see that the missing person
6 complaint was distributed to the media, right?

7 A. Yes.

8 Q. With the hope that that would generate some
9 public assistance in locating Teresa or her
10 vehicle, right?

11 A. Yes.

12 Q. And did that include -- Did the request that went
13 out to the public include a description of
14 Teresa's vehicle?

15 A. Yes, it did.

16 Q. Do you recall what it was?

17 A. It was -- I believe it was a 1999 Rav 4, greenish
18 in color. And we had the license plate put out
19 there as well.

20 Q. Okay. And so, did you get calls from people,
21 then, interested in providing assistance?

22 A. Yes, we got several calls from the public.

23 Q. Okay. And did some of those actually include
24 people who were interested in going out, boots on
25 the ground, doing a search?

1 A. We had gotten inquiries, I believe, the following
2 day, that people were wondering if there was a
3 search organized or not.

4 Q. Okay. And that would be November 4th, correct?

5 A. Yes.

6 Q. And that's also the day that you did a flyover of
7 the Manitowoc County area; is that right?

8 A. I did not, personally, but our department did.

9 Q. Sheriff Pagel, I think, was involved?

10 A. Yes.

11 Q. And that included a flyover of the Avery
12 property, correct?

13 A. Yes.

14 Q. Were there any other flyovers done of the Avery
15 property, by the way, on other dates, that you
16 are aware of?

17 A. I believe after her vehicle was found, I think
18 there was a flyover done then.

19 Q. Okay. So, after you learned that there were
20 people interested in helping search and wondering
21 if anybody was organizing a search, is the word
22 you said, right?

23 A. Correct.

24 Q. What did you do, or what did you suggest, with
25 regard to the request for citizens who were

1 interested in doing that kind of a search?

2 A. Well, basically, when they would call me, I told
3 them that at this point we would take their
4 names, and if our department was going organize
5 anything, and if we were intending on using
6 anybody, that we would call them. But at that
7 point, we had no intention of forming any kind of
8 search.

9 Q. Now, were you concerned, have you ever done any
10 -- Let me go back for a second. Had you ever
11 done any other missing person cases?

12 A. Yes.

13 Q. Had you ever done any large scale searches for
14 missing persons?

15 A. Yes.

16 Q. Where citizens get involved and actually start
17 doing searches themselves?

18 A. The other large one that I can remember doing, we
19 used firefighters for, and not just citizens. I
20 should say, not citizens at all, we used
21 firefighters, for the other one that I was
22 involved in.

23 Q. Okay. And as an investigator, if there was
24 concern about there being a possible crime and
25 possible evidence, you might have some concern

1 about citizens just running amok, so to speak,
2 doing their own searches, freelance, correct?

3 A. If I had a specific area where I thought the
4 crime was committed, yes, I would have that
5 concern.

6 Q. Okay. And even without that, I assume if there's
7 a large scale search, it would be best that it be
8 organized in some way, so that people are not
9 re-searching the same areas and, you know,
10 searching over the same areas; is that right?

11 A. Yeah. Yes.

12 Q. Okay. So, for instance, in the fire, the one
13 where you used the firemen, you often do
14 something called a grid search?

15 A. Yes.

16 Q. And that's where people are kind of running, or
17 walking along in parallel, covering ground, the
18 same ground, in almost a grid shaped pattern,
19 right?

20 A. That's correct.

21 Q. So at what point, then, did you learn that some
22 of these citizens were actually going to do
23 searches themselves, they actually wanted to get
24 out into the field and start walking and
25 searching?

1 A. I had received a phone call late Friday
2 afternoon, evening area, by somebody, and I don't
3 even recall who it was, that they had intended on
4 getting a search party together to go to the
5 Manitowoc or Mishicot area to look for her
6 vehicle in ditches and things. They were
7 concerned that she had an accident.

8 Q. Okay. And did you -- Why did they call you?

9 A. I can't answer why they called me, I don't know
10 that.

11 Q. Did you give them any advice, or suggestions?

12 A. No, I did not. They had just advised me that
13 they were planning on doing that. And what I
14 told them is, that I would notify Manitowoc
15 County, if they were intending on searching road
16 areas and ditches, that the searchers would be in
17 that area, that they may want to have somebody
18 out there for traffic control.

19 And after hanging up with that person, I
20 did contact the shift commander in Manitowoc
21 County, again, late Friday evening, and told them
22 that there were going to be volunteer searchers
23 in the area, looking through ditches, things like
24 that, that they may want to have an officer in
25 the area for traffic control, because I did not

1 know how big it was going to be, or how small it
2 was going to be.

3 Q. And this was late on, you said Friday afternoon,
4 that's November 4th, right?

5 A. Yes.

6 Q. And the shift commander that you spoke to was
7 who?

8 A. I don't know who was working that afternoon.

9 Q. Late afternoon, but before 5?

10 A. I want to say it was after 5, before 8, I
11 believe. I worked quite late that night, on the
12 case, so I'm really not sure. I believe between
13 5 and 8 some time.

14 Q. Would it have been Sergeant Colborn who you spoke
15 to earlier?

16 A. I don't believe it was Sergeant Colborn. It was
17 somebody who I had not spoke to at all on this
18 case, at that point.

19 Q. So it wasn't -- You had spoken to Sergeant
20 Colborn and Lieutenant Lenk, it was neither of
21 those?

22 A. No, it was neither of those.

23 Q. Detective Remiker you also spoke with?

24 A. No, it was not him either. It was one of their
25 road shift commanders.

1 Q. Okay. Okay. And your understanding was that
2 this search party was going to do this on
3 Saturday, the 5th?

4 A. That's correct.

5 Q. Okay. And so on Saturday, did you also get some
6 calls from any of these citizen searchers,
7 telling you any further plans that they had?

8 A. No, I did not.

9 Q. Did you talk with any of the searchers about
10 trying to get together with a meeting somewhere,
11 where they could sort of coordinate their
12 efforts?

13 A. No.

14 Q. Did you ever suggest that perhaps the searchers
15 could meet at the Manitowoc Sheriff's Department,
16 or somewhere nearby there, to try and coordinate
17 their efforts?

18 A. No. What I did have, was a discussion with
19 Sheriff Pagel and Investigator Dederling on
20 Saturday morning. And we had come up with a --
21 basically a plan that we were going to go to the
22 Sheriff's Department in Manitowoc and meet with
23 one of the detectives there.

24 And we thought as long as there were
25 volunteers in the area, that we would see if the

1 Avery's would give us permission to go on their
2 property. And if there were volunteers willing
3 to assist us, that we would go out there and see
4 if we could get permission, and permission to use
5 those volunteers, for that purpose.

6 Q. So you had this meeting with Sheriff Pagel and
7 Dederling, you said?

8 A. That's correct.

9 Q. And your specific interest, or area of interest
10 at that point, though, was the Avery property?

11 A. During our discussion, that's what we thought we
12 would do, yes.

13 Q. And prior to that time, had you ever asked any of
14 the Averys for permission to go into their
15 salvage area and search?

16 A. I, personally, did not, no.

17 Q. Are you aware of anybody in your department, or
18 in Manitowoc, whoever asked them, personally?

19 A. Outside of what you asked me earlier, I know
20 there were some officers who had, days earlier
21 had talked to some of the Averys, but I don't
22 know what they asked them.

23 Q. Well, you are aware that they -- they went to
24 Mr. Steven Avery's residence?

25 A. Yes, I'm aware of that.

1 Q. This is the Manitowoc Sheriff's people?

2 A. Correct, yes.

3 Q. And that he allowed them to come into his
4 residence and look around?

5 A. Yes.

6 Q. My question then is, do you know whether -- did
7 either you, or to your knowledge, the Manitowoc
8 Sheriff's Department, ask any of the Avery's,
9 Steven or otherwise, if they could go through the
10 rest of the property, all of the salvage vehicles
11 and all of that, to search?

12 A. I never did, personally, no. And I don't know if
13 anybody from Manitowoc did. I'm not aware if
14 they did.

15 Q. Okay. So -- But Saturday morning you stated that
16 you were interested, then, in searching that
17 salvage yard?

18 A. Yes.

19 Q. And why?

20 A. Well, after doing interviews both Thursday night,
21 Friday, researching Teresa's financial records,
22 researching Teresa's phone records, knowing that
23 one of the last places we believe that she was
24 was on the Avery property, or at least one of the
25 last places that we think she was, and one of

1 last people she had contact with, on the phone,
2 we thought that would be a good place for us to
3 start.

4 Q. And, indeed, Sheriff Pagel had done a flyover of
5 the property just the day before, correct?

6 A. That's correct.

7 Q. And did he see anything of suspicion?

8 A. Not that I am aware of.

9 Q. Not that you are aware of?

10 A. Not that I'm aware of.

11 Q. But at least you had some idea of how massive the
12 undertaking would be. How many -- Approximately
13 how many vehicles do you think there were there
14 in the salvage yard?

15 A. At that time, I didn't know. As a result of
16 consequence, or the other search warrants that we
17 did, you know, I have a good idea now how many
18 vehicles there were out there.

19 Q. Which is?

20 A. I believe there was roughly 3,800 vehicles.

21 Q. Okay. So, approaching 4,000 vehicles. And
22 Sheriff Pagel saw that in it's totality, from the
23 air, on November 4th, right?

24 A. I would assume so, yes.

25 ATTORNEY FALLON: Your Honor, I'm going to

1 interpose an objection on two grounds. Still, I'm
2 not entirely sure that I see the relevance of all
3 this, vis-a-vis, the challenge to the averments and
4 the warrant. And number two, even if the Court does
5 find its relevance, I think we're at the point where
6 counsel is leading the witness and should be doing a
7 direct, and not a cross.

8 THE COURT: Mr. Buting.

9 ATTORNEY BUTING: Well, I can rephrase it
10 so it's not leading.

11 THE COURT: I'm going to sustain the
12 objection on relevance. This is not a trial, it's a
13 motion hearing. I read your documents. I think
14 it's time to get to the meat of your motion.

15 Q. (By Attorney Buting)~ Okay. So going back to
16 Saturday morning, November 5th, then, you talked
17 about -- your plan was that you would go to the
18 Manitowoc Sheriff's Department, that is, you and
19 who?

20 A. Myself, Sheriff Pagel, and Investigator Dederling.

21 Q. And that you would try and meet with some of the
22 citizens who were interested in searching?

23 A. No, our intention was to meet with Detective
24 Remiker, who was working that morning for the
25 Manitowoc Sheriff's Department.

1 Q. And did you tell Detective Remiker that you were
2 interested in getting some space where the
3 citizens could meet and organize their searches?

4 A. No, my phone conversation with Detective Remiker
5 consisted of basically telling him that we would
6 like to come down and meet with him. I did
7 inform him, over the phone, that there were
8 volunteer searchers in the area of the Avery
9 property, and that we would like to get
10 permission from the Avery family. And if we
11 gained that permission, that we would like to use
12 those volunteer searchers to go and search the
13 Avery property.

14 Q. Well, did you tell Detective Remiker that you
15 were aware that several of the searchers were
16 willing to go to the Avery property and search
17 the junkyard salvage area?

18 A. No, I couldn't have, because I had no knowledge
19 of that at all. I hadn't talked to any of the
20 volunteer searchers up to that point, except for
21 the one phone call that I received the night
22 before, basically, indicating they were going to
23 do that. So, no, I did not tell him that. I
24 told him we would like to meet with him and use
25 those volunteer searchers, if we had permission

1 from the Averys to do so.

2 Q. So, your phone call the night before, did it --
3 did the individuals you spoke with, the citizens
4 you spoke with, express any interest in searching
5 the Avery's property?

6 A. No, again, their primary focus when they spoke
7 with me, is they were concerned, as I think you
8 get a lot of times, initially, in a missing
9 persons complaint, that maybe she ran off the
10 road somewhere, maybe she's laying in a ditch.
11 There's a lot of deep ditches in that area, if
12 you're familiar with the area, where that 147,
13 for example, there's a lot of deep ditches,
14 there's ponds, there's things like that.

15 So, in my conversations with the
16 searchers at that time, they were more concerned
17 about that than anything else.

18 Q. Well, had you had any phone conversations with
19 any of the volunteer searchers on Saturday
20 morning?

21 A. Again, I don't believe I did.

22 Q. Did you tell Detective Remiker that you wanted to
23 come meet at the Manitowoc Sheriff's Department,
24 with volunteers, and coordinate your efforts with
25 theirs?

1 A. No, what I told Detective Remiker, was that I
2 would like to meet with him, and that there were
3 volunteer searchers in that area, and if we got
4 permission from the Avery's, that we would like
5 to use those volunteer searchers. I believe -- I
6 believe I know what you are referring to, and I
7 believe that Detective Remiker may have
8 misunderstood me on the phone.

9 Q. Well, how were you going to get any of the
10 searchers to Manitowoc Sheriff's Department where
11 you would meet and use any of their services?

12 A. Wasn't our intention to bring them to the
13 Manitowoc Sheriff's Department. It was our
14 intention to go out to the Averys first and get
15 permission. We knew from the conversation on
16 Friday that they were going to be in that area
17 looking through the ditches. So we knew there
18 would be searchers in that area. We could meet
19 with them there. That's how we were going to do
20 that.

21 Q. So, your plan was you were just going to go, so
22 then why go to the Manitowoc Sheriff's Department
23 at all?

24 A. Because we wanted to meet with Detective Remiker
25 and see what his thoughts were on it. It was his

1 jurisdiction at that point. We didn't have
2 jurisdiction over anything at that point. So we
3 wanted to go down and meet with him and see what
4 his thoughts on it were.

5 Q. Why didn't you just pick up the phone -- or --
6 and call one of Averys, or go over there yourself
7 and ask the first question, which is, is it okay
8 if we and perhaps some other volunteers come and
9 search this salvage yard?

10 A. Again, we were out of our jurisdiction at that
11 point. We had not been named the lead
12 investigative agency at that point, number one.
13 Number two, the media had contacted us on
14 Saturday and requested if we had any new
15 information.

16 And we also instructed the media to meet
17 us at Manitowoc Sheriff's Department. At that
18 point, we were trying to get it out to the media
19 as much as we could because we had a missing
20 persons complaint. We were concerned about her.
21 That was the other reason that we went to the
22 Manitowoc Sheriff's Department, because the media
23 was going to meet us there.

24 Q. Oh, so you had actually arranged to have the
25 media meet you at the Manitowoc --

1 A. They were calling us constantly, obviously. And
2 Saturday morning they were, again, on the phone
3 with us. And we thought we would meet with them
4 in Manitowoc at that point.

5 Q. And, again, the idea was you were going to do all
6 that before you contacted the Averys and got --
7 and even asked if they would give you permission?

8 A. We were going to do what, I'm not sure?

9 Q. Meet at Manitowoc Sheriff's Department with
10 Manitowoc people and media?

11 A. We were going to meet with detectives and the
12 media, yes.

13 Q. Before going -- before contacting the Averys?

14 A. Yes.

15 Q. Okay. Did you have any reason to believe, or any
16 concerns that the Averys would not have given
17 permission?

18 A. Not at that point, no.

19 Q. And I assume, at that point, you didn't believe
20 you had probable cause to get a search warrant
21 for the Avery property?

22 A. No, I did not have any probable cause at that
23 time.

24 Q. So, did you ever meet with any of the -- any of
25 the volunteers on Saturday morning?

1 A. No -- Well, let me go back from there. After we
2 got the call from Pam Sturm, who was a volunteer
3 searcher, obviously we talked with her. But
4 prior to that, no, I did not meet with any
5 volunteer searchers.

6 Q. Did you -- Do you know whether the volunteer
7 searchers had any kind of maps that they were
8 working with?

9 A. I found that out later in talking to
10 Mr. Hillegas. He instructed me, or told me
11 later, basically, that he had gotten some maps
12 and things together. At the time, I did not know
13 that.

14 Q. Did the maps come from you?

15 A. No.

16 Q. Do you know if they came from the Manitowoc
17 Sheriff's Department?

18 A. In speaking with Mr. Hillegas, at a later date,
19 he had told me that he had taken them off the
20 internet.

21 Q. All right. So, is it your testimony, that until
22 you got a phone call from a woman by the name of
23 Pamela Sturm, while you are at the Sheriff's
24 Department in Calumet, that you had no idea
25 whatsoever that any of the volunteers were going

1 to be searching the Avery property?

2 A. That is correct.

3 Q. But you don't know what Manitowoc may have known
4 as to that?

5 A. No, I don't know.

6 Q. Was there some effort to -- in the public, in the
7 media, information that was distributed, or was
8 there some effort to centralize a phone number
9 where people could call if they had found
10 something?

11 A. During our initial press conference, or news
12 release, on the night, actually, that she was
13 reported missing, on the third, we had given out
14 our Sheriff's Department and our Crime Stopper's
15 number. If anybody had any information about
16 Teresa, we instructed them to call those numbers.

17 Q. And when you got a call, you got a call at some
18 point on Saturday morning, from Pamela Sturm,
19 right?

20 A. Yes.

21 Q. And do you know what number it came in on?

22 A. I believe it was our regular line. From what I
23 understand, she had called from her cell phone.
24 Then she called the Sheriff's Department phone
25 number, the regular line, is my understanding.

1 Q. All right. Now, that phone call, actually, part
2 of it took place before you got on the phone, I
3 understand; is that right?

4 A. Yes.

5 Q. And that was because it was -- originally, the
6 call was given to Sheriff Pagel?

7 A. Yes.

8 Q. Okay. And so, then, how did you become involved
9 in it?

10 A. Actually, Sheriff Pagel, myself, and Investigator
11 Dederling were physically walking out the back
12 door of the Sheriff's Department to go to
13 Manitowoc when Sheriff Pagel got called back into
14 the Dispatch Center, so we all went back in the
15 Dispatch Center.

16 At that time, the dispatcher informed
17 Sheriff Pagel that there was a phone call from a
18 lady named Pam, I believe. I think that's what
19 she had said, something about a Rav 4 which she
20 believed she had found. Sheriff Pagel initially
21 took the phone, and eventually handed the phone
22 over to me, because he did not have his glasses
23 and could not read a VIN number which he was
24 trying to compare.

25 Q. So, then you got on the phone and spoke to this

1 woman; is that correct?

2 A. Yes.

3 Q. Now, did you know who this Pamela Sturm woman
4 was?

5 A. No.

6 Q. Never met her before?

7 A. No.

8 Q. Never talked to her before?

9 A. No.

10 Q. Okay. And Sheriff Pagel passed it to you because
11 you had the full VIN number somewhere?

12 A. No, the dispatcher had the full VIN number.
13 Sheriff Pagel had the VIN number in his hand,
14 which was given to him by the dispatcher, but
15 didn't have his glasses with him so he couldn't
16 read it, so he handed the phone to me and the VIN
17 number to me.

18 Q. Okay. Now, when you talked with her, did she
19 give you a description of the vehicle that you --
20 that she saw?

21 A. Yes.

22 Q. And did she tell you that it was green?

23 A. I believe she said it was greenish blue.

24 Q. Did she tell you that it matched the description
25 of the vehicle that had been passed out on any of

1 the fliers or anything?

2 A. I don't know her exact words, but she said
3 something to the effect, I think she thought it
4 was similar to it.

5 Q. Okay. But she did not use the word that it
6 matched the description, correct?

7 A. I don't know the exact words she used. Without
8 looking at the transcript, I couldn't say the
9 exact words she used.

10 Q. Well, did she, in fact, express some concern
11 about whether it was -- about a difference in the
12 color?

13 A. Yes.

14 Q. She said it was more blue, than green, correct?

15 ATTORNEY FALLON: Excuse me, your Honor.
16 In an effort to expedite the proceedings, we did
17 bring an audiotape of that phone conversation, if
18 counsel would like to play it. It's four minutes in
19 length, thereabouts, and that might speed things
20 along. I will offer.

21 THE COURT: Mr. Buting.

22 ATTORNEY BUTING: I don't know, at some
23 point we may introduce that into evidence, but what
24 I'm getting at right now is what his knowledge and
25 what his information was at the time that he

1 prepared the affidavit. So I don't know that it's
2 directly --

3 ATTORNEY FALLON: It's his call. It's his
4 presentation of evidence. I just thought I would
5 offer.

6 THE COURT: All right. You may continue.

7 ATTORNEY BUTING: Okay.

8 Q. (By Attorney Buting)~ So, she told you that she
9 had found this vehicle, that was a Rav 4, but she
10 didn't tell you that it matched the description
11 of what she was looking for, right?

12 A. I believe -- And again, without seeing the
13 transcript I don't know her exact words, but it
14 was similar. I believe she said it was similar.
15 She just didn't know exactly.

16 Q. And in fact, she asked what the VIN number was of
17 Teresa's vehicle so that she could try and
18 compare it to the one that she had found; is that
19 right.

20 A. Yes.

21 Q. And did you give it to her?

22 A. No, actually, I requested that she give me the
23 VIN number so I could compare it to what I had.

24 Q. Is there some reason for doing it that way?

25 A. I just thought it would probably be the easier

1 way for her. No other reason at that point, no.

2 Q. Okay. So -- So, did she actually find the VIN
3 number? Did you help assist her in locating
4 where -- telling her where she could locate that
5 on the car?

6 A. Yes.

7 Q. And did she read the numbers to you?

8 A. She did.

9 Q. Or, actually, she had a similar problem with no
10 glasses, did she not?

11 A. Yes, she did.

12 Q. And she had her daughter try and read some of it?

13 A. Correct.

14 Q. Now, in fact, she was not able to, neither she
15 nor her daughter, were able to actually relay to
16 you all of the VIN numbers that were on this
17 unknown Rav 4 that they had located; isn't that
18 right?

19 A. I believe that she provided me with 10 of the
20 characters of the 17 that are in the VIN number.

21 Q. Okay. So she had not -- She was unable to do all
22 17 characters of the VIN number?

23 A. Correct.

24 Q. VIN numbers have a full 17 numbers, correct?

25 A. Correct.

1 Q. All right. Now, at that point, did you -- did
2 you -- what did you tell her to do, after she had
3 given you those 10 numbers?

4 A. Actually, I asked her if she had permission to be
5 there, first.

6 Q. And why did you ask that?

7 A. Because that was important, to establish that,
8 whether she had permission to be on that
9 property, from the Avery family.

10 Q. And what difference would it make if she had not?

11 A. I didn't want her -- First of all, for her
12 safety, I didn't want her in a place where she
13 shouldn't be, obviously. I thought if she was
14 there with permission, it would probably be a
15 little safer for her. Because, if you listen to
16 the phone call, by the tone of her voice, she
17 seemed somewhat concerned. She even mentioned
18 that there were other people walking around.

19 Q. Were you concerned about whether, legally, the
20 search -- any search that might result, might
21 have some problems, if she was there without
22 permission?

23 A. Well, certainly, that would be a concern as well.
24 But at the point, again, in the phone
25 conversation, it appeared that she was concerned

1 about her safety as well.

2 Q. So did you tell her she could leave, then, and
3 retreat to some place of safety?

4 A. What I told her to do is just stay where she was,
5 that I would be contacting someone from
6 Manitowoc, basically, get somebody over there as
7 soon as possible, and if she had any problems,
8 that she should dial 911.

9 Q. Okay. So then you called Detective Remiker?

10 A. Yes.

11 Q. And you also set off from the Calumet Sheriff's
12 Department to the Avery property?

13 A. Yes.

14 Q. And you went with someone else?

15 A. I rode over with Investigator Dederling and
16 Sheriff Pagel had followed us there.

17 Q. So two vehicles, right?

18 A. Yes.

19 Q. And when you talked with sheriff -- I'm sorry,
20 with Detective Remiker, did you talk with him
21 after he had gotten to the property, but before
22 you did?

23 A. I don't think so, because we arrived not long
24 after he did. I talked to him on our way there.
25 I called him with some more information that I

1 had.

2 Q. Was this -- This communication, was this over the
3 dispatches, or over the radio, or over some
4 personal cell phones, or what?

5 A. It was on work cell phones.

6 Q. And when you say you called him to tell him that
7 you had some additional information, what was
8 that?

9 A. Pam Sturm had informed me that there was a
10 Lemieux Toyota sticker on the vehicle, and I had
11 contacted Karen Halbach to inquire if she knew if
12 there was one. At which time she said she didn't
13 know, but she would find out for me. And then
14 Karen, in fact, had called me back and told me
15 she believed there was one on there. And I
16 relayed that to Investigator Remiker.

17 Q. All right. So, then, when you arrived at the
18 property, the Avery compound, had you ever been
19 there before?

20 A. No.

21 Q. How did you know where to go?

22 A. Investigator -- Detective Remiker gave me
23 directions.

24 Q. Before he arrived, or after he had gotten there?

25 A. Before he arrived.

1 Q. And how did he know where to go, on the property,
2 I mean?

3 A. On the property?

4 Q. Yes.

5 A. If I recall Pam telling me, saying that she was
6 down at the end of the property, or something to
7 that effect. She kind of explained where she
8 was. I don't know exactly how Detective Remiker
9 found her, that I can't answer. But she kind of
10 described a little bit where she was on the
11 property.

12 Q. Do you know whether Detective Remiker spoke with
13 her while he was on his way?

14 A. Not to my knowledge.

15 Q. Did you give Detective Remiker her cell phone, or
16 anything like that?

17 A. I don't recall doing that, no. I don't think so.

18 Q. Okay. So, okay, you arrived at the Avery
19 property and you drove down to where?

20 A. Well, when I arrived at the property, there was
21 an officer at the end of Avery road, which is a
22 town road. And he said he believed that they
23 were down towards the end of the property. He
24 said, kind of go straight, just follow the gravel
25 road down.

1 Q. And this was some Manitowoc officer you were
2 talking about?

3 A. I believe it was a Manitowoc road officer at the
4 end of the road, yes.

5 Q. All right. So, when you drove on to the
6 property, then, there is a sort of a cluster of
7 buildings, business kind of buildings, that you
8 first come into, on your left there; is that
9 right?

10 A. Mm-hmm, yes.

11 Q. And then, beyond that, is this large sort of
12 sunken area where all the salvage cars are,
13 correct?

14 A. Yes.

15 Q. And did you drive your vehicle down into that
16 depressed area?

17 A. We drove down into the salvage yard area, yes.

18 Q. And drove all the way towards the back, southeast
19 corner of it?

20 A. Not all the way to the back, no. We drove down
21 past, if you will, past the salvage yard shop and
22 then down a small embankment to a clearing area
23 where there was a car crusher.

24 Q. And you saw Detective Remiker's vehicle there?

25 A. Yes.

1 Q. And you parked next to it?

2 A. Yes.

3 Q. All right. Now, did you, personally, get out and
4 go over and look at the -- this unknown Rav 4?

5 A. I did not.

6 Q. You spoke with Detective Remiker?

7 A. Yes.

8 Q. And did he tell you that he had gone and looked
9 at it?

10 A. Yes.

11 Q. And did he tell you that he had been able to see,
12 himself, that he had been able to read all 17
13 characters of the VIN number?

14 A. Yes, he did.

15 Q. He didn't tell you that he had -- he was unable
16 to read the first two or three numbers?

17 A. Eventually, and I don't know when I learned this,
18 but I know eventually he indicated that he had
19 difficulty seeing the first several digits of the
20 VIN number. However, he used a small flashlight,
21 I believe he said he had gotten from another
22 officer, and he was able to read the entire VIN
23 number at that time.

24 Q. Now, did you know -- or let me ask you this. You
25 didn't stop at the -- other than with the officer

1 out on Avery Road and the highway, did you stop
2 and talk with any of the Averys, or anybody that
3 looked like they would -- they were in charge
4 there, before you drove down into the pit?

5 A. Not prior to going in the pit, no.

6 Q. And did you have any knowledge whether Detective
7 Remiker had received consent to be where he was
8 at, at that point?

9 A. I can't answer that. I don't know.

10 Q. Okay. Now, at some point, you were -- other
11 personnel from Manitowoc and your department
12 arrived, I take it.

13 A. Yes.

14 Q. And some agreement was made, because of some
15 concern, that your department would take over the
16 lead investigation?

17 A. Yes, there was a representative of the Manitowoc
18 Sheriff's Department, as well as my sheriff, and
19 eventually the Manitowoc County District
20 Attorney, as well as the Calumet County District
21 Attorney, and then that decision was made at some
22 time during that.

23 Q. And the concern was, that because Steven Avery
24 had a pending lawsuit, \$36 million dollar civil
25 lawsuit against Manitowoc County, that there

1 might be some impropriety, or appearance of it,
2 with having that county and that department now
3 investigating this case; was that it?

4 A. There was no concern on my part, but obviously
5 there must have been some concern, somewhere,
6 that there would be the appearance of
7 impropriety. But I didn't have any concern at
8 all.

9 Q. Did you see, while you were at the property --
10 I'm sorry. Let's get the time down here, so that
11 we're clear for the record. What time did you
12 arrive at the property, Avery property?

13 A. I believe it was around 10 after 11 in the
14 morning, give or take.

15 Q. Okay. And this is November 5th, right?

16 A. Yes.

17 Q. Did -- And you were in charge of this
18 investigation up to that point, correct?

19 A. Yes.

20 Q. Did you direct that members of your department
21 should take over custody of the vehicle, or
22 anything of that sort?

23 A. At that point it was not my call, it was still
24 Manitowoc County's call at that point, until the
25 people that are obviously higher up than me made

1 the decision that we were taking it over.

2 Q. And what -- How much longer was that, couple
3 hours, or what?

4 A. I would say, yeah, a couple hours. I don't have
5 a time on it, but would be a couple of hours
6 before it was determined and, actually, that's
7 the way it went.

8 Q. Actually, could it have been as soon as 11:45?

9 A. Again, I don't know. It was some time after.
10 There was some discussions, obviously, that took
11 place prior to that happening. It could have
12 been. I really don't know.

13 Q. All right. But is it your testimony, that even
14 after that, you didn't have any involvement in
15 the directing who would take custody, or maintain
16 the custody, of the Rav 4?

17 A. Well, at that point, there was an officer from
18 Manitowoc that was with the Rav 4. I know,
19 eventually, one of our officers -- and I don't
20 know the time frame on it -- but one of our
21 officers eventually had taken over staying with
22 the Rav 4 until the Crime Lab would arrive on
23 scene.

24 Q. And you were parked about how far away from where
25 the Rav 4 was located?

1 A. I would guess about 100 yards.

2 Q. And there's a little strip of trees kind of along
3 that pond area where you --

4 A. There's a brushy area.

5 Q. Okay. And this was -- The Rav 4 was actually
6 behind the brushy area?

7 A. Yes.

8 Q. Between the brushy area and the berm, right?

9 A. Yes.

10 Q. And so that brushy area was obscuring some of
11 what you could see from your location?

12 A. Some, yes. I mean, you could see the vehicle
13 there. Did you have a plain sight at it, no.

14 Q. At some point, was a decision made to try and get
15 a search warrant for the property?

16 A. Yes.

17 Q. Do you know when that was?

18 A. Timewise, no. Again, the two District Attorney's
19 had arrived on scene. And after conferring with
20 them, we decided that that was the route we would
21 take.

22 Q. Okay. And did you then participate in getting a
23 warrant?

24 A. I did.

25 Q. And did you actually draft the affidavit for that

1 warrant yourself?

2 A. No, it was drafted by a representative from the
3 Calumet County D.A.'s Office.

4 Q. Did you call it in?

5 A. I did speak with them, yes, and gave them the
6 information.

7 Q. Okay. So, you provided the information that was
8 supposed to be put in the affidavit; is that
9 right?

10 A. Myself, and with the assistance of Detective
11 Remiker.

12 Q. Well, whose affidavit was it supposed to be,
13 yours or --

14 A. It's mine. It's mine.

15 Q. Okay. So, you were responsible for insuring that
16 the information in the affidavit was truthful,
17 right?

18 A. Yes.

19 Q. And when -- I know the search warrant -- Let me
20 ask you this. Let's mark this.

21 (Exhibit 15 marked for identification.)

22 Q. Okay. We're up to 15. I'm showing you Exhibit
23 15, can you identify that?

24 A. Yes, it's a search warrant.

25 Q. And just for the record, could you just indicate

1 how many pages it is?

2 A. With the affidavit, or without?

3 Q. With the affidavit, the whole exhibit.

4 A. Be 10 pages.

5 Q. Let me just show it to counsel. Okay. Maybe,

6 just so we're clear then, can you tell us how

7 many pages of that are the affidavit?

8 A. There's two pages that are search warrant, three

9 pages of affidavit, including the signature page,

10 obviously.

11 Q. Okay. And -- I'm sorry, what's the remainder?

12 A. The remainder, there's two, that's three, that's

13 five, there would be five other pages, I guess.

14 Q. And those are the return; is that right?

15 A. The return, and then there's a, yeah, a face page

16 from a fax, for the return, yes.

17 Q. For an amended return, actually?

18 A. Yeah, right.

19 Q. And you obtained this at what time; do you

20 recall?

21 A. Not off hand, I don't recall what time we

22 obtained it. It's endorsed by me at 3:10 p.m.

23 Q. Okay. So around -- At about 3:00 you signed it

24 and then obtained a signature from Judge Fox, was

25 it?

1 A. Yes.

2 THE COURT: All right, Counsel, I think
3 since we're going to take a break sometime this
4 afternoon, I don't think you are going to get
5 through with him in the next few minutes, we'll take
6 an afternoon break at this time, resume in 10
7 minutes.

8 ATTORNEY BUTING: Thank you.

9 (Recess taken.)

10 THE COURT: At this time we're back on the
11 record. I will indicate that I spoke with Counsel
12 during the break. And it's obvious we're not going
13 to be able to complete the hearing today, on the
14 **Franks** motion. It's my understanding that the
15 attorneys for both sides have gathered in the
16 courtroom. The witnesses that have been sequestered
17 earlier, who will be testifying regarding this
18 motion; is that correct, Counsel?

19 ATTORNEY FALLON: We have made an effort to
20 do that, I believe there might have been one or --
21 one civilian witness excused already?

22 ATTORNEY BUTING: Is Detective Remiker
23 here?

24 OFFICER: He is on the way.

25 ATTORNEY FALLON: So we have one witness

1 that was --

2 ATTORNEY BUTING: Three, actually, he is
3 with Lenk and Colborn.

4 ATTORNEY FALLON: We're waiting for three
5 Manitowoc.

6 THE COURT: All right. And for the rest of
7 today's proceedings, I believe, Mr. Buting, you
8 believe you can finish your direct examination of
9 Mr. Wiegert and then you are going to take a couple
10 civilian witnesses?

11 ATTORNEY BUTING: Yes, Patricia (sic) and
12 Nikole Sturm. And the other witnesses we could
13 release, if the Court can give some sequestration
14 instructions. But since some of them aren't here, I
15 don't know if you want to do it twice, or wait a few
16 minutes until we're concluded with him, and hope
17 that the others arrive? Did somebody call for them?
18 They did.

19 THE COURT: All right. And Mr. Fallon you
20 are going to --

21 ATTORNEY FALLON: Yes.

22 THE COURT: -- postpone your
23 cross-examination of this witness?

24 ATTORNEY FALLON: Yes, in an effort to
25 accommodate Pamela Sturm and her daughter, Nikole,

1 that I would defer cross of this witness until the
2 9th. In an effort, since they both took the entire
3 day off, they have been patiently waiting, we will
4 make an effort to get them in by the close of
5 business today, so that they could be excused.

6 THE COURT: All right. We still don't have
7 some witnesses here, correct?

8 OFFICER: They are on their way.

9 THE COURT: From where?

10 OFFICER: Sorry, the District Attorney's
11 Office.

12 THE COURT: That's not that far away. I
13 hope they get down here quicker than we get D.A.'s
14 when we need them. Call up and make sure they are
15 on their way.

16 THE CLERK: Who am I calling?

17 THE COURT: The D.A.'s Office. Oh, here we
18 go. All right. Do we have all of the -- We don't.
19 Who are we missing?

20 OFFICER: Colborn and Lenk.

21 THE COURT: Do we know where they are?

22 OFFICER: Here they are. They are both
23 here.

24 THE COURT: Okay. It's my understanding
25 that we now have, in the courtroom, all of the

1 witnesses who were subpoenaed to appear at the
2 hearing today on the defendant's motions regarding
3 the search warrants in this case. Because we're not
4 going to complete taking testimony today, we're
5 going to excuse a number of you. And I believe that
6 is everyone, Counsel, except for who?

7 ATTORNEY FALLON: I believe Earl Avery was
8 subpoenaed and he was released earlier in the day.

9 THE COURT: Okay.

10 ATTORNEY BUTING: Who was that?

11 ATTORNEY FALLON: Earl Avery.

12 ATTORNEY BUTING: Okay.

13 THE COURT: The two Sturm witnesses.

14 ATTORNEY BUTING: Sturm, yes.

15 THE COURT: We're going to take their
16 testimony?

17 ATTORNEY BUTING: Correct.

18 THE COURT: They will be asked to leave the
19 courtroom in a few minutes. But we'll get their
20 testimony in. The rest of you will not have to come
21 back until August 9. But I want to, because the
22 hearing has started, I want to make sure you
23 understand that the exclusion order continues to
24 apply to you.

25 That means, you should not talk to any

1 of the other witnesses in this case who have been
2 called, or will be called. You are permitted to
3 talk to Counsel between now and the next hearing.

4 However, in order to make sure that the
5 exclusion order has effect, you are not to watch
6 any news casts concerning these proceedings, this
7 evening, nor to look at any webcast of today's
8 proceedings, between now and the next scheduled
9 hearing, on August 9. And you should not discuss
10 this case either with any of the other witnesses
11 who have been subpoenaed, or with anyone else,
12 except for Counsel in this case.

13 Counsel, are there any other admonitions
14 either of you wishes the Court to give at this
15 time?

16 ATTORNEY FALLON: I guess I would add the
17 written print accounts of the testimony of this
18 witness, and the two civilians yet to come.

19 THE COURT: That's correct, no news
20 accounts of any kind. Make sure that you don't read
21 any account of today's proceedings until after you
22 testify at the conclusion of this hearing. Anything
23 else?

24 ATTORNEY BUTING: Judge, just that the
25 witnesses should be instructed that they should

1 return on the 9th, so that we don't have to
2 re-subpoena them. And maybe warn some of them that
3 it may possibly extend into August 10th as well.

4 THE COURT: I hope it won't extend into
5 August 10th, at least on this particular motion
6 hearing, because we will start at 9:00. But that's
7 correct, for those of you who are here under
8 subpoena, you should report back at 9:00 on
9 August 9th, for the continuation of today's hearing.
10 Mr. Fallon.

11 ATTORNEY FALLON: Yes, I just ask if any of
12 the witnesses are going to have a problem with
13 appearing on the 9th if they would immediately let
14 Counsel, or Counsel's staff, know that there is a
15 conflict and we'll see if we can work around that.

16 THE COURT: All right. Very well, then the
17 witnesses who were subpoenaed today can step out in
18 the hall. Except for the Sturm's, the rest of you
19 are free to leave today. And after we complete the
20 examination of this witness, we'll -- I assume
21 defense counsel will be calling the Sturms.

22 All right. Mr. Wiegert is still on the
23 stand. Mr. Buting, you may resume your direct
24 examination.

25 ATTORNEY BUTING: Thank you, Judge.

1 Q. (By Attorney Buting)~ We were talking about the
2 search warrant affidavit that you filed on
3 November 5th at around 3:10 p.m., I think it was.
4 And you indicated that you didn't type it
5 yourself, but you did receive a typed copy at
6 some point, correct?

7 A. Yes.

8 Q. And you reviewed it?

9 A. Yes.

10 Q. And you -- did you read it carefully?

11 A. I believe so, at the time, yes.

12 Q. And you swore an oath that what was in that
13 affidavit was the truth, as you knew it?

14 A. Yes.

15 Q. In fact, though, there are a few items that are
16 not entirely accurate in it, are there not?

17 A. There is one item that I can see, from reviewing
18 it now, that it's not 100 percent accurate, yes.

19 Q. And which item is that?

20 A. If you look at the affidavit -- I have to find it
21 here -- Paragraph 5 of the affidavit.

22 Q. All right. And what specific item are you
23 referring to within Paragraph 5, that's not
24 correct?

25 A. It indicates that the search provided the VIN

1 number and lists the VIN number taken from the
2 vehicle, which they located. In the affidavit,
3 it has got the full VIN number, and I did not
4 receive the full VIN number from the volunteer
5 searchers.

6 Q. And you also indicated, on the second line, that
7 the volunteer searchers said they had located a
8 vehicle that matched the description of Teresa
9 Halbach's?

10 A. Yes.

11 Q. Did they tell you that it matched -- I think we
12 have been through this, but just so it's clear --
13 they did not, in fact, tell you that it matched
14 the description, they told you it was similar to,
15 right?

16 ATTORNEY FALLON: Objection, argumentative,
17 as to context.

18 THE COURT: Mr. Fallon, can you explain
19 your objection a little more.

20 ATTORNEY FALLON: It seems to me that --
21 maybe it's premature, depending on what the next
22 question is -- but in terms of a question of
23 semantics, or matched, or matching, or similar to,
24 whatever the case may be, it seems, given the tone
25 of voice and the manner in which the question was

1 asked, it seemed argumentative. But it's been a
2 long day.

3 THE COURT: Well, just a second, let me
4 look at the -- Mr. Buting, what is your question?

5 ATTORNEY BUTING: I don't know if it is
6 possible to read it back, Madam Reporter.

7 (Last question read back.)

8 THE COURT: I think the objection goes more
9 to the weight of evidence or the inferences to be
10 drawn from it. I will allow the question.

11 Q. (By Attorney Buting)~ Could you answer it?

12 A. Again, I believe they had told me that it was
13 similar.

14 Q. All right. And you also said that Investigator
15 Remiker was able to confirm the VIN number. And
16 then you list all 17 characters, again, of the
17 VIN number, and that's not accurate; isn't that
18 right?

19 A. No, that's accurate.

20 Q. By the time of this preparation of the warrant,
21 you are saying that Detective Remiker had been
22 able to do that?

23 A. Yes, he did.

24 Q. Okay. And Detective -- or Investigator Remiker
25 actually assisted in the preparation of this

1 warrant?

2 A. Yes.

3 Q. This affidavit?

4 A. Yes.

5 ATTORNEY BUTING: I will pass.

6 THE COURT: That's the end of your
7 questions?

8 ATTORNEY BUTING: That's the end of my
9 questions, your Honor.

10 THE COURT: Mr. Fallon, I understand you
11 are going to postpone your cross until the 9th.

12 ATTORNEY FALLON: Yes, I will defer cross
13 until the 9th in an effort to get the Sturms done.

14 THE COURT: Very well. This witness is
15 excused.

16 THE WITNESS: Thank you, your Honor.

17 THE CLERK: Please raise your right hand.

18 **PAMELA STURM**, called as a witness

19 herein, having been first duly sworn, was

20 examined and testified as follows:

21 THE CLERK: Please be seated. Please state
22 your name, spell your last name for the record.

23 THE WITNESS: My name is Pamela Sturm,
24 S-t-u-r-m, P-a-m-e-l-a.

25 **DIRECT EXAMINATION**

1 BY ATTORNEY BUTING:

2 Q. Now, ma'am, did you review anything prior to your
3 testimony today, to refresh your recollection?

4 A. I read my statement.

5 Q. And that would be the statement that was taken by
6 the Calumet County Sheriff's Department; is that
7 right?

8 A. Deputy Dederling.

9 Q. Okay. You didn't review your prior testimony you
10 have given?

11 A. No.

12 Q. No?

13 A. No.

14 Q. Okay. Didn't see any maps, or diagrams, or
15 photos, or anything of that nature?

16 A. I saw a photo in the break room.

17 Q. And what was that photo of?

18 A. It was an aerial view of the salvage yard.

19 Q. Okay.

20 A. Yeah.

21 Q. Do you have any familial relationships -- or
22 relationship with the Halbach family?

23 A. They are my relatives, yes.

24 Q. In what degree?

25 A. Tom Halbach is my first cousin, so Teresa would

1 be my second cousin.

2 Q. Okay. And I understand that you became involved
3 as a volunteer -- volunteered your services, I
4 should say, to help search, once Teresa turned up
5 missing; is that right?

6 A. That's correct.

7 Q. Can you tell me why you felt it necessary for you
8 to provide some services like that?

9 A. Well, I guess our motto is family helps family.
10 And Betty had called me on Friday night, which
11 would be the 4th of November, and told me that,
12 you know, Teresa was missing.

13 And I sure wanted to do my part, so I
14 said, is there a search going to be conducted
15 tomorrow, which would have been the 5th, and she
16 said yes.

17 Q. I'm sorry who was this conversation going on
18 with?

19 A. Betty Halbach, who is Tom's sister.

20 Q. Okay. And did you -- Did you have in mind any
21 particular place that you were going to search,
22 or area you were going to search, when you were
23 having this phone conversation on Friday, the
24 4th?

25 A. No, I had no idea where the search party was

1 going to go the next day.

2 Q. Did you -- Let me ask you this first, before I
3 get to the next stage. Did you have any prior
4 experience doing any kind of searches of this
5 nature?

6 A. Not exactly this nature, no.

7 Q. Like for missing persons, or large areas of
8 geography, land?

9 A. Never for a missing person, and never for a large
10 geographical area.

11 Q. You have some experience as a private
12 investigator; is that right?

13 A. That's correct.

14 Q. And what -- Are you presently licensed?

15 A. No, I'm not.

16 Q. Were you licensed on November 5th?

17 A. No, I wasn't.

18 Q. Is there some reason for that? Were you ever
19 suspended, or revoked?

20 A. No, I wasn't suspended or revoked. It was my
21 choice.

22 Q. Okay. So you just let it lapse?

23 A. Correct.

24 Q. And how long ago was it that you had that
25 license?

1 ATTORNEY FALLON: Objection, relevance.

2 THE COURT: Mr. Buting.

3 ATTORNEY BUTING: I can go on. I think it
4 goes to her question of whether -- One of the issues
5 we're dealing with here is whether she's a volunteer
6 or not, so.

7 THE COURT: I'm going to sustain the
8 objection. I haven't heard anything to tie it in.

9 Q. (By Attorney Buting)~ Let me ask you it this way,
10 then, as part of your training to be -- did you
11 have training to be a private investigator?

12 A. Yes.

13 Q. And did part of that training involve learning
14 some of the law about Fourth Amendment searches?

15 A. Yes.

16 Q. But, in other words, you learned what the
17 standard of probable cause is, correct?

18 A. That's correct.

19 Q. And did you learn about the need for search
20 warrants?

21 A. That's correct.

22 Q. Did you also learn about warrantless searches?

23 A. Yes.

24 Q. Consent searches?

25 A. Yes, I believe so.

1 Q. Okay. Now, up to that point of that Friday
2 after -- or Friday evening phone call, had you
3 any contact with any members from the Calumet
4 County Sheriff's Department?

5 A. No.

6 Q. Had you ever worked with them on any of your
7 other cases before?

8 A. No.

9 Q. Besides your private investigator experience,
10 have you had any law enforcement experience?

11 A. No.

12 Q. So you have never been a sworn officer anywhere?

13 A. No.

14 Q. Had you had any contact with Manitowoc County
15 Sheriff's Department, up to the point of Friday
16 evening, November 4th?

17 A. No.

18 Q. Now, on Saturday morning, then, did you make
19 plans? Were you going to meet somewhere, after
20 this discussion you had with Betty?

21 A. Betty said that the search party was going to
22 meet at Teresa's house at approximately eight
23 a.m. on Saturday. So my daughter and I decided
24 that we were going to go and help with that
25 search.

1 Q. Okay. And any particular reason why your
2 daughter was involved too?

3 A. She was just eager to assist the family.

4 Q. Okay. And this daughter you are referring to is
5 Nikole?

6 A. That's correct.

7 Q. And how old is she?

8 A. 29.

9 Q. Okay. So you went -- Did you go, in fact, to
10 Teresa's residence, on Saturday morning?

11 A. Yes, we did.

12 Q. And that was based on information you had
13 received from Betty?

14 A. That's correct.

15 Q. Did you talk to anybody else, between that time,
16 about what was going on?

17 A. I talked to my sisters and my mom.

18 Q. And were they also going to this meeting or
19 this --?

20 A. No, they weren't going to.

21 Q. They weren't part of the search?

22 A. No.

23 Q. Did you know any of the people who were going to
24 be part of this search party?

25 A. I assumed my first cousins would be there?

1 Q. Okay. And so, you did arrive on Saturday morning
2 at Teresa's residence?
3 A. Yes, that's correct.
4 Q. And who was there?
5 A. Scott and Ryan were both there.
6 Q. Is that Scott Bloedorn (phonetic)? Is that how
7 you say his name?
8 A. That sounds right.
9 Q. And the Ryan you are referring to is Ryan
10 Hillegas?
11 A. Yes.
12 Q. And Ryan is -- was a former boyfriend of
13 Teresa's, is that --
14 A. I heard that.
15 Q. -- right?
16 A. I'm not sure.
17 Q. And Scott was her roommate at the time, when she
18 disappeared; is that right?
19 A. Yes.
20 Q. Okay. Were there any other people there when you
21 arrived?
22 A. No.
23 Q. So, did you ever attend any meeting with other
24 searchers, to coordinate who would do what?
25 A. No.

1 Q. Just when you got to Ryan -- or to Teresa's
2 house, and those two people were there, is your
3 only meeting; is that what you're saying?

4 A. That's correct.

5 Q. Did you -- Were you given reason to think that
6 others had been there earlier and had gone, or
7 were they still coming, or what?

8 A. I just thought it was peculiar that there were
9 only a couple cars in the parking lot. But we
10 got there at 9:00, so we thought we must have
11 missed the main group.

12 Q. And when you went into the residence, was that
13 confirmed?

14 A. Yes --

15 Q. That others had been --

16 A. -- they already had left.

17 Q. And were there some sort of maps that you were --
18 that they were looking at when you came in?

19 A. Yes, they had several maps.

20 Q. And how was it determined what you would search?

21 A. There was already a group dispensed to a certain
22 area, and he gave us a map of that area.

23 Q. And what area was that?

24 A. I'm not sure.

25 Q. So, did you go to that area then?

1 A. No. I said something to Ryan, that I would like
2 to actually go to the Avery Salvage Yard and
3 search there.

4 Q. Was that on any of the maps that he had?

5 A. It just showed the Avery road. It really wasn't
6 part of the search.

7 Q. So were these maps that you were looking at, did
8 they have -- were they divided up into quadrants,
9 or sections, or anything like that?

10 A. It was like a map quest, and it had several roads
11 on it. I'm not sure if it's a specific property
12 they were looking at, or boundaries.

13 Q. Okay. But you are saying that the map he had
14 didn't actually have the Avery Salvage yard on
15 it?

16 A. It just had Avery Road on it.

17 Q. And was it your understanding that none of the
18 other searchers who had left earlier were going
19 to go to the Avery yard?

20 A. He said there was no one else that had gone
21 there.

22 Q. Did you have any information whether the police
23 or law enforcement had already done a search of
24 that area, that is, the Avery Salvage Yard?

25 A. I don't believe so. I didn't have any knowledge

1 of that.

2 Q. So, it was your understanding that it had not
3 been searched; is that -- would that be correct?

4 A. It had not been searched by any of the search
5 party people, that wasn't part of the search.

6 Q. Okay. So it was your suggestion that you felt
7 like going there; is that what you are saying?

8 A. It was my suggestion.

9 Q. And why did you have that interest in going to
10 that particular area?

11 A. Because Teresa was last seen on the Avery Salvage
12 Yard. And I thought that's the point where I
13 should start, search that area first.

14 Q. And who told you that she was last seen there?

15 A. It was on a press release on Friday morning, I
16 believe it was.

17 Q. So, that was a press release from Sheriff Pagel?

18 A. One of the news stations maybe it was, I'm not
19 sure.

20 Q. Okay. So your understanding, though, is that you
21 learned that from some specific media information
22 that was provided?

23 A. Right.

24 Q. On Friday morning?

25 A. Mm-hmm.

1 Q. By the way, do you know Sheriff Pagel,
2 personally?

3 A. No, I don't.

4 Q. Before this case, had you ever met him?

5 A. No, sir.

6 Q. Or talked with him at all?

7 A. No, sir.

8 Q. Okay. So you decided you wanted to go to the
9 Avery Salvage, because that was the last place
10 that you knew that she was seen?

11 A. That's correct.

12 Q. And did you have any fears, or concerns, about
13 your safety in going to that location?

14 A. Yes.

15 Q. What were those?

16 ATTORNEY FALLON: Objection, relevance.

17 THE COURT: Mr. Buting.

18 ATTORNEY BUTING: I will move on. I will
19 go to something else, actually.

20 Q. (By Attorney Buting)~ You decided, though, to go
21 with just yourself and your daughter?

22 A. That's correct.

23 Q. And neither one of you were armed, or anything
24 like that, right?

25 A. No.

1 Q. And did you make any kind of arrangements to have
2 any -- Two women alone, going to this strange
3 place, did you make any kind of arrangements to
4 have any kind of back up security, or anything
5 like that?

6 A. No.

7 Q. Did you tell anybody that you were going there?

8 A. I told Ryan.

9 Q. Do you know whether Ryan told -- called the
10 police, or let anybody know that you were going
11 to that location?

12 A. I don't know if he did or not.

13 Q. Did you ask Ryan to come along with you?

14 A. No.

15 Q. Is there any particular reason?

16 A. He was the coordinator for the search party.

17 Q. Okay. And by coordinator, what does -- what did
18 you mean?

19 A. Well, if anybody called in, they would know -- he
20 would know where to send them, for that search,
21 for that day.

22 Q. Okay. So the plan was that if people were to
23 call him and he would coordinate it from there?

24 A. I believe so.

25 Q. So, if anybody found anything suspicious, or

1 untoward, they would call him and report in; is
2 that right?

3 A. I received Sheriff Pagel's personal telephone
4 number to contact him, in case I found any kind
5 of evidence.

6 Q. Okay. And how did you get that?

7 A. I got that from Ryan.

8 Q. Okay. So Ryan -- Did Ryan tell you that he had
9 spoken with Sheriff Pagel, then, and gotten this
10 personal phone number?

11 A. No, he didn't tell me that.

12 Q. You just assumed it, since he gave it to you; is
13 that right?

14 A. I wasn't sure --

15 ATTORNEY FALLON: Objection, relevance as
16 to what she assumed. It also calls for speculation.

17 THE COURT: Sustained.

18 Q. (By Attorney Buting)~ All right. So when you say
19 you had Sheriff Pagel's personal phone number,
20 did you understand that to be his cell phone, or
21 something like that, or what?

22 A. All I understood, it was his direct line to him.

23 Q. Okay. So when you arrived at the Avery property,
24 had you ever been there before?

25 A. No.

1 Q. Did you know, have any idea how many cars there
2 were in that?

3 A. I had no idea how many cars were in that area.
4 All I heard, it was a 40 acre plot.

5 Q. So, would it be fair to say you knew there could
6 have been thousands of cars?

7 A. Yes.

8 Q. And what was your intent in going to that
9 property?

10 A. I was going to look in each and every car to try
11 to find a trace of Teresa.

12 Q. Okay. You were going to look inside of each
13 vehicle?

14 A. We looked inside the vehicle. We didn't actually
15 go inside a vehicle, but we looked in the
16 windows.

17 Q. So it was your intent to not only look for her
18 vehicle, but also to look for her, perhaps in
19 some other vehicle, right?

20 A. Correct.

21 Q. And did you think that, with just the two of you,
22 that you would be able to cover the whole yard?

23 A. We hoped we could get it done that day.

24 Q. Okay. And were you -- Besides looking for her,
25 were you also looking for her vehicle?

1 A. Yes.

2 Q. And did you have some description of the vehicle?

3 A. Yes, we had the sheet on the vehicle, and what it
4 looked like.

5 Q. And the sheet --

6 A. The plate number.

7 Q. -- what kind of sheet are you referring to?

8 A. It was, I believe, a picture of the car.

9 Q. Okay. And did the car -- What kind of
10 information was on the sheet?

11 A. It was a Toyota Rav 4, and there was a license
12 plate number, the color.

13 Q. The what?

14 A. The color.

15 Q. And what was the color?

16 A. Green.

17 Q. Okay. And was there a year, also, on there,
18 model year?

19 A. I think so, but I can't remember.

20 Q. All right. So when you arrived at the Avery
21 Salvage Yard, and you drive in, there's a number
22 of sort of business type buildings; is that
23 right?

24 A. Yes.

25 Q. One of which has a sign that says Avery Salvage

1 Yard, correct?

2 A. Yes.

3 Q. You stopped there, rather than driving into the

4 rest of the yard, right?

5 A. I stopped there? Where is there?

6 Q. Well, I'm sorry, you stopped at that building

7 that said Avery Salvage Yard on it?

8 A. Yes.

9 Q. From there, you could see that there was a sort

10 of a pit, depressed area with many, many, many

11 cars, off in the distance?

12 A. Yes.

13 Q. But you didn't drive on into, past these

14 buildings, and go down into that pit, initially,

15 did you?

16 A. No.

17 Q. And why was that?

18 A. Because I wanted to ask permission first, before

19 we went.

20 Q. Okay. And did it appear obvious to you that --

21 that before you would go into that back area

22 where all these cars were, that you should get

23 permission?

24 A. Yes.

25 Q. Didn't appear to be an area where it was just

1 open to the public, without any permission at
2 all?

3 A. I didn't think so.

4 Q. Okay. And then, did you speak with anyone there?

5 A. Yes.

6 Q. And who was that?

7 A. Earl Avery.

8 Q. And what did you tell him?

9 A. I asked him if we could search the salvage yard
10 for Teresa, or Teresa's car, or any evidence of
11 Teresa?

12 Q. And by Teresa, did he seem to know who you were
13 talking about?

14 A. Absolutely.

15 Q. Did he have any hesitation at all?

16 A. He hesitated a little bit, yes.

17 Q. And when you say hesitated a little bit, what did
18 he do, or what did he say?

19 A. He said that someone else tried to search the
20 area, and they used their car, and they almost
21 got stuck, and came right back out.

22 Q. Okay. So did you have to use your powers of
23 persuasion, then, to allow him to search, or
24 what?

25 A. Well, I just told him that we would search on

1 foot, that we wouldn't take our car.

2 Q. And did he have any -- seem to have any problem
3 with that?

4 A. No, he recommended walking.

5 Q. And did you tell him anything that you were in
6 anyway there on behalf of the police, to give you
7 any kind of authority, or anything of --

8 A. No.

9 Q. -- that nature?

10 A. No.

11 Q. Did you tell him that you were part of some sort
12 of official search party that had been organized
13 by the police?

14 A. No.

15 Q. So you didn't mention that you had any connection
16 in any way to the police?

17 A. No.

18 Q. I mean, is that yes?

19 A. I told him that I didn't have. No. He never
20 even asked if I had any, you know, contact with
21 the police, or was with the police. And I never
22 said I was with the police.

23 Q. All right. Thank you. Did you have a discussion
24 with Earl Avery about hunting season coming up?

25 A. Yes.

1 Q. And talking about hunters, perhaps, finding
2 something; do you recall that?

3 A. Yes.

4 Q. Did you say that -- that you were hoping that,
5 perhaps, hunters could find some evidence of
6 Teresa out in the woods or something?

7 A. Yes.

8 Q. Was it your assumption that she was already dead?

9 A. No.

10 Q. Then why would you be expecting hunters to find
11 something?

12 A. I said some type of evidence.

13 Q. What sort of evidence were you expecting that
14 hunters would find?

15 ATTORNEY FALLON: Objection, speculation,
16 relevance, to the narrow issue for what we're here
17 for.

18 THE COURT: Sustained.

19 Q. (By Attorney Buting)~ All right. So you are
20 saying it was your assumption that she was still
21 alive?

22 A. Well, I surely hoped so, yes.

23 Q. Okay. And so, then, you did proceed to walk into
24 the pit, you and your daughter?

25 A. That's correct.

1 Q. Now, it was your intention, you said, to look
2 inside each vehicle, as well as look for Teresa's
3 vehicle?

4 A. Yes.

5 Q. Why did you pick the part of the yard that you
6 went to, to start searching?

7 A. I believed that God led us that way, through
8 prayer.

9 Q. Okay. Did you say a prayer before you went in?

10 A. Sure, I did.

11 Q. And, I mean, were you asking for some guidance on
12 which place to start searching or?

13 A. Yes. And I think all my cousins were praying
14 too, so it really worked.

15 Q. Okay. I believe in that power as well, but I
16 guess my question would be, as far as the area
17 that you chose to search, in the salvage yard, of
18 those thousands of cars, were you asking for that
19 kind of guidance?

20 A. I sure was.

21 Q. Dear God, tell me which way to go?

22 A. Sure, I was.

23 Q. Okay. And so that's how you decided?

24 A. Yes.

25 Q. There was nothing about any aspect of the

1 property you were searching, that gave you any
2 reason to go one place versus the other?

3 A. No.

4 Q. Were there other people in the salvage yard as
5 well?

6 A. Yes.

7 Q. Did you speak with any of them?

8 A. No.

9 Q. Did you -- You didn't ask them to see if they
10 could help you search as well?

11 A. No.

12 Q. Did you ask them whether they had seen a car like
13 hers, a Rav 4, anywhere in there?

14 A. No, the people I came upon were speaking Spanish.

15 Q. Okay. So, is that why you didn't go up to them,
16 because you thought you wouldn't be able to
17 communicate?

18 A. No.

19 Q. Well, why did you not?

20 A. Because I did not want to get them involved?

21 Q. Was there some reason?

22 A. I didn't know these people, and I'm on Avery's
23 Salvage Yard.

24 Q. Well, did you have some reason to feel guilty
25 about being there on the --

1 A. No, I just thought perhaps they may be dangerous,
2 so I would not approach them.

3 Q. Okay. So you were concerned, already, that there
4 was something, some foul -- something --
5 something amiss in the whole Avery Salvage Yard;
6 is that what you are saying?

7 ATTORNEY FALLON: Objection, he's leading
8 the witness. And she just said she just perceived
9 danger. So I would object to the use of the term
10 foul, or something amiss. I think her testimony is
11 clear, she felt there was some danger, and that's
12 why she didn't approach.

13 THE COURT: The objection is sustained. In
14 addition, I guess I'm not following how some of this
15 line of questioning is relevant to the motion here.

16 ATTORNEY BUTING: All right. I will move
17 on, Judge.

18 Q. (By Attorney Buting)~ Can you tell me, was there
19 anything that drew your attention to that
20 particular area where you found it?

21 A. No, sir.

22 Q. And you had looked through how many vehicles
23 before you came upon this Rav 4?

24 A. Approximately 50.

25 Q. And that was looking inside, as well as looking

1 at the vehicle?

2 A. Yes.

3 Q. Opening trunks and all that, or no?

4 A. No.

5 Q. Just inside?

6 A. Right.

7 Q. Okay. And when you came upon this particular
8 vehicle, this Rav 4, was it -- about how long do
9 you think you had been searching?

10 A. Approximately 20, 25 minutes.

11 Q. Okay. Just a short while. And did the -- If I
12 understand the area where you found it, it was in
13 a single row of cars, it was kind of double
14 parked?

15 A. It was up on a ledge. The quarry is shaped like
16 a bowl. And up on the ledge were about seven or
17 eight cars.

18 Q. Okay. And they were all in a single file, except
19 for this one?

20 A. I think they were zigzagged a little bit, not
21 exactly bumper to bumper.

22 Q. Okay. And the Rav 4, though, was it sticking out
23 to some degree?

24 A. No, I don't believe so.

25 Q. Okay. Now, when you walked up to it, did you --

1 did you look inside?

2 A. Yes.

3 Q. Did you see any blood?

4 A. No.

5 Q. You didn't see Teresa?

6 A. No.

7 Q. Did you see anything with her name on it? I'm

8 sorry. Do you need some tissues?

9 A. What was the last question?

10 Q. Did you see anything with Teresa's name on it,

11 inside the vehicle?

12 A. No.

13 Q. Did you try the doors?

14 A. No, I didn't.

15 Q. Did you see your daughter try the doors?

16 A. I was actually on the -- looking at the VIN

17 number when she was trying to open the doors.

18 Q. And was that just the front passenger and front

19 driver's side door, to your knowledge?

20 A. I'm not sure.

21 Q. Okay. Did you see -- notice -- take note of

22 anything else inside the vehicle?

23 A. There was a pop can on the floor, on the

24 passenger side, in the front.

25 Q. Did you look under the vehicle?

1 A. I don't recall.

2 Q. Okay. Now, was it at that time -- I skipped over
3 some stuff. Your daughter was separated from you
4 for a short period of time, right?

5 A. Yes.

6 Q. But you called her over to come look at the
7 vehicle as well?

8 A. Yes.

9 Q. And you thought that there was -- that this was
10 similar to what the description was?

11 A. Yes.

12 Q. Would you say that it matched the description
13 exactly or?

14 A. It was real close to the description.

15 Q. You had some concern about the color?

16 A. Yes.

17 Q. Looked more -- Did it look more blue than green,
18 I think?

19 A. Right.

20 Q. And then you called this special number that you
21 had; is that right?

22 A. Um --

23 Q. Or did your daughter?

24 A. You will have to ask my daughter.

25 Q. Okay. So you didn't dial it?

1 A. No.

2 Q. Did your daughter speak to anybody, or did she
3 hand it right to you?

4 A. She handed it to me.

5 Q. And did you speak with Sheriff Pagel, then,
6 immediately or --

7 A. It went to his voice mail first. And then I
8 dialed zero again and the operator answered.

9 Q. So, it gave you -- From the voice mail, it gave
10 you an option to dial zero and go to an operator,
11 on the voice mail, rather than leaving a message?

12 A. Yes.

13 Q. Okay. I didn't understand at first, but. And
14 then when you spoke to the operator, or the
15 dispatcher, she put you in touch with Sheriff
16 Pagel?

17 A. Yes, she did.

18 Q. And did you tell him that you had -- or you
19 explained to him that you had found the vehicle,
20 or a vehicle that was similar to it, right?

21 A. I believe it was her vehicle, yes.

22 Q. You told -- You asked for the VIN number, though,
23 right? You didn't have the VIN number?

24 A. No, we didn't have the VIN number.

25 Q. And there were no license plates on it, right?

1 A. No plates on it.

2 Q. And it was more blue than green, like you were
3 expecting, right?

4 A. It was bluish green.

5 Q. So you had some doubt, enough doubt that you
6 wanted to see if you could compare the VIN
7 number?

8 A. Right. But it was camouflaged, so, yeah, we
9 probably suspected it was her car.

10 Q. Okay. And then he wasn't able to give you the
11 VIN number, so he passed you off to someone else?

12 A. I don't recall that.

13 Q. Do you recall speaking to Investigator Wiegert?

14 A. I don't recall that.

15 Q. Okay. So, at any rate, then, you weren't -- I
16 don't want to lead, but I'm trying to move things
17 along. You weren't provided with the actual VIN
18 number, though, correct?

19 A. It was on some sheet, but we didn't have that
20 specific sheet with us.

21 Q. I see. So instead, they asked you to look and
22 see if you could find the VIN number on that
23 vehicle, though?

24 A. Yes.

25 Q. And were you able to provide all of the numbers

1 in that VIN number to the officer you spoke with?

2 A. I didn't have my glasses on, so my daughter read
3 the numbers to me, while I read it to the officer
4 on the phone.

5 Q. Okay. And do you know, was she able to see all
6 of them, or only a partial?

7 A. You will have to ask her.

8 Q. Okay. She didn't tell you? I mean you heard
9 her, she was passing the numbers to you?

10 A. Right.

11 Q. And she didn't say whether some of it was
12 obscured or not?

13 A. I think she did say that, yes.

14 Q. That she could not see all of them?

15 A. That she couldn't see all of them.

16 Q. All right. You -- I have the advantage of having
17 seen the transcript of your call, but you
18 indicated you thought it was a particular model
19 year, a 1999, or year 2000; do you recall that?

20 A. No, I can't recall that.

21 Q. Okay. Did you have any sort of knowledge, or
22 information, that would enable you to tell the
23 year of a vehicle like that?

24 A. No, I have no knowledge of that.

25 Q. And then the officer that you spoke with told you

1 to standby?

2 A. He told us not to touch anything and to move away
3 from the car.

4 Q. And how long was it before the officers arrived,
5 first officer?

6 A. I would say approximately 20 minutes.

7 Q. Do you know who that officer was?

8 A. It was Officer Remerick, Remerak (phonetic).

9 Q. Remiker?

10 A. Remiker. I'm sorry, yes.

11 Q. While you were waiting, did you speak with that
12 Officer Remiker?

13 A. My daughter did.

14 Q. Your daughter spoke with him by cell phone?

15 A. I believe so.

16 Q. And then, how long were you at the scene after
17 that, before you were allowed to leave?

18 A. I don't believe we left until about 12:30.

19 Q. So -- And -- I'm sorry. Do you know what time it
20 was when you discovered the car, the Rav 4?

21 A. Approximately 10:20 to 10:25.

22 Q. All right.

23 ATTORNEY BUTING: I have nothing further.

24 Thank you.

25 THE WITNESS: Thank you.

1 THE COURT: Mr. Fallon.

2 ATTORNEY FALLON: Yes, just one moment.

3 Yes, your Honor, a moment or two, we're going to ask
4 the witness to identify an audio recording.

5 THE COURT: Is there any chance of the
6 parties stipulating that the recording is the
7 correct one?

8 ATTORNEY BUTING: Sure.

9 THE COURT: I assume this is something
10 that's been exchanged?

11 ATTORNEY FALLON: It has been exchanged and
12 there is a transcript that I'm able to provide the
13 Court and Counsel. We would like to mark that and
14 hand it to the witness. We can do that.

15 THE COURT: All right. Defense has a copy,
16 I take it?

17 ATTORNEY STRANG: I do.

18 ATTORNEY BUTING: I do.

19 THE COURT: All right. We'll have one
20 marked. And then, do you wish to introduce the CD
21 of the actual conversation into evidence?

22 ATTORNEY FALLON: I would.

23 THE COURT: We'll have that marked.

24 ATTORNEY FALLON: Is the stipulation, then,
25 Counsel, that the voices which appear on the tape

1 are the voices of this witness, Pamela Sturm,
2 Sheriff Pagel, and Investigator Wiegert?

3 ATTORNEY BUTING: And the dispatcher.

4 ATTORNEY FALLON: And the dispatcher.

5 ATTORNEY BUTING: Whose name I don't know
6 that I have. Do you?

7 ATTORNEY FALLON: I don't have the
8 dispatchers name. We could certainly supplement the
9 record with that.

10 ATTORNEY BUTING: Yes, we would stipulate
11 that those are the voices.

12 THE COURT: Very well.

13 ATTORNEY FALLON: All right. Very well.

14 (Exhibit 16 & 17 marked for identification.)

15 ATTORNEY FALLON: May I approach the
16 witness?

17 THE COURT: Yes.

18 **CROSS-EXAMINATION**

19 BY ATTORNEY FALLON:

20 Q. Ms Sturm, have you ever had an opportunity to
21 review a transcript of that audio recording?

22 A. No, I haven't.

23 Q. All right. Very good. I will take that. Thank
24 you.

25 ATTORNEY FALLON: Pursuant to the

1 stipulation, I would offer Exhibit 17. The Court
2 may examine it at its leisure.

3 THE COURT: Any objection to Exhibit 17,
4 Mr. Buting?

5 ATTORNEY BUTING: No objection.

6 THE COURT: All right. Exhibit 17 is
7 admitted.

8 Q. (By Attorney Fallon)~ Just so I'm clear, I just
9 have a few questions, Ms Sturm. You became aware
10 of Teresa's disappearance, when?

11 A. Approximately November 4th at like 10 a.m, over
12 the TV.

13 Q. So that would have been Friday morning, about 10
14 o'clock?

15 A. Correct.

16 Q. And you hadn't caught any of the newscast, or any
17 of the information from the previous day?

18 A. No.

19 Q. And your first contact with anyone regarding her
20 disappearance would have been your cousin, Tom
21 Halbach's sister, Betty, called you?

22 A. Yes.

23 Q. And that occurred on Friday evening, that same
24 day?

25 A. Yes.

1 Q. About how late in the day would that call have
2 occurred, your best recollection? Before dinner,
3 after dinner?

4 A. I think after dinner.

5 Q. All right. On that day, Friday, did you have any
6 discussions with any member of law enforcement,
7 regarding Teresa's disappearance?

8 A. No, sir.

9 Q. Directing your attention, then, to Saturday
10 morning, on Saturday morning, prior to your
11 calling Sheriff Pagel, did you have discussion
12 with any law enforcement officer, whether it be
13 Manitowoc County, Calumet County, any police
14 officer whatsoever, regarding Teresa's
15 disappearance?

16 A. No, sir.

17 Q. Did you have any discussion, whatsoever, with any
18 law enforcement officer, regarding the volunteer
19 search efforts; in other words, letting them know
20 that you were ready to join the search?

21 A. No, sir.

22 Q. When you arrived at the residence where Ryan
23 Hillegas and Scott Bloedorn were coordinating, as
24 it were, these efforts, there was no law
25 enforcement officer present, correct?

1 A. No, sir.

2 Q. Just so that we're absolutely clear, your
3 decision -- or excuse me -- the idea to go to the
4 Avery Salvage Yard was entirely your idea?

5 A. That's correct.

6 Q. And as far as you knew, from your discussions
7 with Mr. Hillegas and Mr. Bloedorn, no one else
8 had offered to go to that particular local?

9 A. Yes.

10 Q. And your reason for choosing it was because it
11 seemed to you, logical, that that would be a
12 place to look, because according to the
13 information you had become aware of, that was the
14 last place that she was located?

15 A. That is correct.

16 Q. Now, did that information, in terms of the last
17 place seen by her, did that come in in that 10
18 o'clock news information; or did that come later
19 in the day, from Betty Halbach; or perhaps did it
20 come on Saturday morning; when in the sequence
21 did you become aware of that?

22 A. It was Friday morning on the TV.

23 Q. All right.

24 A. The news release.

25 Q. And you had no discussions with any law

1 enforcement officer about that particular aspect
2 of the missing person case, that she was last
3 seen, or last believed to be seen, at that
4 property, for a business appointment?

5 A. No.

6 Q. When you arrived at this salvage yard, you spoke,
7 I believe you said, with Mr. Earl Avery; is that
8 correct?

9 A. That's correct.

10 Q. Did you speak with him inside a building, or was
11 it out on the grounds?

12 A. It was out on the grounds.

13 Q. And do you recall which building it was in front
14 of, or near, that you had your conversation with
15 him? In other words, did it appear to be a
16 business office, a residence, a shed, anything
17 stick in your mind?

18 A. It appeared to be a building with an office
19 inside.

20 Q. Did you, at all, go into the office?

21 A. Yes, I did.

22 Q. All right. And in the office, did you observe,
23 for instance, any missing poster -- missing
24 person poster of Teresa Halbach in that office?

25 A. No.

1 Q. All right. You indicated that Mr. Avery had --
2 your belief was that Earl Avery had no -- he knew
3 exactly what you were there for and who you were
4 looking for?

5 A. Yes, he did.

6 Q. All right. And how was it that you reached the
7 conclusion that he was quite sure what you were
8 wanting to do?

9 A. He agreed to the search. And I told him that we
10 were searching for Teresa, or her vehicle, or any
11 trace of Teresa.

12 Q. Or any trace of her?

13 A. Yes.

14 Q. Okay. All right. You go down to the -- You
15 start in one area, you search for 20, 25 minutes,
16 and you come upon her vehicle; is that correct?

17 A. Yes.

18 Q. All right. Now, there was some questions from
19 counsel regarding your attempt to -- or you or
20 your daughter's attempt to get into the vehicle.
21 So I want to talk a little bit about that. Just
22 so I'm clear, you, yourself, did not attempt to
23 get into the vehicle?

24 A. No.

25 Q. All right. Your daughter, you think attempted to

1 get into the vehicle, at least perhaps tried one
2 or more of the doors?

3 A. Yes.

4 Q. All right. And the doors were locked, correct?

5 A. Correct.

6 Q. And you could not get into the vehicle, correct?

7 A. Correct.

8 Q. Now, describe for us, was the vehicle -- When you
9 came upon it, describe the condition of the
10 vehicle. How was it -- You said, you used the
11 word camouflaged. Tell us about that.

12 A. There were branches leaning up against it. Also
13 a hood from another car leaned up against it.
14 Plywood. And on the roof there were branches, so
15 it was covered.

16 Q. Be fair to say it was difficult to look inside
17 the vehicle, because of this stuff?

18 A. No, it wasn't really difficult to look inside. I
19 could see, you know, through the branches.

20 Q. All right.

21 A. There was a viewing area.

22 Q. In your initial efforts to read the VIN number,
23 did you have to move anything?

24 A. No.

25 Q. Did your daughter have to move anything?

1 A. No.

2 Q. When she attempted?

3 A. No.

4 ATTORNEY FALLON: Okay. That's all.

5 THE COURT: Any redirect?

6 ATTORNEY BUTING: No.

7 THE COURT: All right. The witness is
8 excused.

9 ATTORNEY BUTING: Can we have just a
10 minute, your Honor?

11 THE COURT: Sure. We'll take a two minute
12 break and then come back.

13 (Brief recess taken.)

14 THE COURT: All right. Counsel, you may
15 call your next witness.

16 ATTORNEY BUTING: The other witness I was
17 going to call today would have been the daughter,
18 Nikole; however, I think, given the testimony of her
19 mother, it's probably not necessary. So I would --
20 I will not do that.

21 THE COURT: All right. So does that -- Now
22 wait a minute, that doesn't conclude the evidence.

23 ATTORNEY FALLON: I think that just gives
24 us, we adjourn for today, I think is what it means.

25 THE COURT: And, Mr. Buting, you will have

1 more witnesses to call on the **Franks** motion, on the
2 9th.

3 ATTORNEY BUTING: Correct.

4 THE COURT: All right. Is there anything
5 else to address today before we adjourn?

6 ATTORNEY BUTING: One last -- Just one last
7 thing. The State subpoenaed Mr. Hillegas. And he
8 was here and was told to come back. But because the
9 State subpoenaed him and I did not, I would just
10 ask, if you intend to withdraw your subpoena at any
11 point, let me know. Otherwise, I will assume, by
12 the Court's comments, that he will be here next
13 time.

14 ATTORNEY FALLON: I will make sure that we
15 contact him. I believe we told him to come back on
16 the 9th.

17 ATTORNEY BUTING: Oh, was he not one of the
18 ones who was here?

19 ATTORNEY FALLON: He was here.

20 ATTORNEY BUTING: He was. That's fine,
21 then, Judge.

22 THE COURT: All right. Anything further?
23 If not, we're adjourned for today.

24 ATTORNEY STRANG: Thank you.

3 05 CF 381. We are here this morning on a
4 continuation of a hearing regarding some pretrial
5 motions filed by the defense; specifically, the
6 remaining testimony on the **Franks** motion that's been
7 filed by the defense, and also to your testimony on
8 defense motions regarding the execution of the
9 search warrant that was issued. And a motion to
10 suppress statements made by the defendant to the
11 Marinette County Sheriff's Department.

12 Will the parties state their appearances
13 for the record, please.

14 ATTORNEY KRATZ: The State appears by
15 Calumet County District Attorney Ken Kratz,
16 appearing as Special Prosecutor in this matter. Tom
17 Fallon, from the Department of Justice, also appears
18 having been appointed Special Prosecutor.

19 ATTORNEY BUTING: Good morning, your Honor.
20 Buting and Williams by Attorney Jerome Buting,
21 appearing on behalf of Mr. Avery, who is present.
22 Also, Attorney Dean Strang, appearing on behalf of
23 Mr. Avery.

24 THE COURT: All right. As I recall, when
25 we left off, Mark Wiegert was testifying. The

1 defense had completed its direct exam, and the State
2 is going to cross-examine the witness today; is that
3 correct?

4 ATTORNEY FALLON: That's correct, Judge.

5 THE COURT: All right. Is Mr. Wiegert
6 here?

7 ATTORNEY FALLON: Yes, he is.

8 THE COURT: The Court will have the clerk
9 re-swear the witness.

10 **DETECTIVE MARK WIEGERT**, called as a
11 witness herein, having been first duly sworn, was
12 examined and testified as follows:

13 THE CLERK: Please be seated.

14 ATTORNEY BUTING: Judge, I assume the
15 sequestration order remains, as to any other
16 witness?

17 THE COURT: Yes, it does.

18 ATTORNEY FALLON: Yes, it does. I don't
19 believe any other witnesses, relative to the **Franks**
20 matter, is present. Our Victim/Witness person
21 advises me that is the case. Officer Fassbender is
22 here for the next motion, unless there is any
23 objection, by counsel, on him sitting in on this
24 part.

25 ATTORNEY BUTING: No.

1 ATTORNEY FALLON: Very well.

2 THE COURT: All right. Mr. Fallon, you may
3 proceed.

4 ATTORNEY FALLON: All right. Thank you.

5 **CROSS-EXAMINATION**

6 BY ATTORNEY FALLON:

7 Q. Detective Wiegert, before you spoke to Pam Sturm
8 on that Saturday morning, November 5th, you had
9 spoken only to one other volunteer searcher in
10 this particular matter; is that correct?

11 A. That is correct.

12 Q. As a matter of fact, you received only one call
13 from that person?

14 A. Yes.

15 Q. And to this day, you don't really recall the name
16 of the person who called you?

17 A. No, I do not.

18 Q. All right. You were informed by that person that
19 the searchers would be searching county roads,
20 and ditches, etcetera, for evidence of Teresa
21 Halbach, their thinking perhaps that she had some
22 type of motor vehicle accident?

23 A. That's correct.

24 Q. All right. The volunteers indicated they would
25 be searching from Manitowoc to Mishicot to the

1 area where she lived, that general stretch of
2 road?

3 A. Right, the Mishicot area over towards the Hilbert
4 area.

5 Q. All right. And you spoke to no other volunteers
6 on that particular day, November 4th, that's a
7 Friday; is that right?

8 A. That's correct.

9 Q. All right. So, with respect to the events of
10 November 4th, you did not organize any volunteer
11 search group?

12 A. No, not at all.

13 Q. You did not coordinate anything with that
14 particular group?

15 A. No.

16 Q. You did not direct them in any way?

17 A. No.

18 Q. You did not instruct them in any way?

19 A. Did not.

20 Q. You did not suggest any locales where they should
21 commence their search?

22 A. No.

23 Q. And you certainly didn't give them any details of
24 any other places, or buildings, or things to
25 search?

1 A. No.

2 Q. And it's fair to say you gave them no
3 instructions, whatsoever; you basically were a
4 conduit of information received from them?

5 A. That's correct.

6 Q. All right. As a result of receiving that
7 information, you then called the Manitowoc
8 Sheriff's Office?

9 A. Yes, I contacted the shift commander at the
10 Manitowoc County Sheriff's Department.

11 Q. And you advised the shift commander of the
12 information you received from this volunteer
13 searcher; is that correct?

14 A. That's correct, yes.

15 Q. All right. And because -- You did this because
16 there were some safety issues or concerns, with
17 respect to people being out on the roads, either
18 late at night or early in the morning, looking
19 for Teresa Halbach?

20 A. Yeah. My concern was that they would be parked
21 on the side of the road and there would be a lot
22 of people, obviously, in the area, for their
23 safety.

24 Q. All right. Now, on Saturday, November 5th, that
25 particular morning, you contacted Detective

1 Remiker; is that correct?

2 A. Yes.

3 Q. And you wanted to meet with him at the Manitowoc
4 Sheriff's Office?

5 A. Yes.

6 Q. In thinking you were wanting to come up with some
7 type of game plan, or organization as to how you
8 were going about this, finding the missing person
9 of Theresa Halbach?

10 A. That's correct.

11 Q. You wanted to -- And one of the things, I believe
12 you indicated you wanted to ask consent
13 because -- of the Avery family -- because one of
14 the places you wanted to search, or look for her,
15 was their property; is that correct?

16 A. Yes.

17 Q. And that's because, as far as anyone knew at that
18 point, that was the last place she had been seen
19 alive?

20 A. Correct.

21 Q. All right. And it was at that point, with
22 respect to your discussions with Detective
23 Remiker, that it was your thinking, at least in
24 your mind, that if consent were granted to look
25 at the Avery property and the surrounding area,

1 you might, at that point, call upon the
2 volunteers to assist in a search of that area?

3 A. Yes. We had an idea of how big the salvage yard
4 was, and we thought if they would grant us
5 permission, since we were there with people in
6 the area, we would ask them for their help.

7 Q. All right. Now, up to this particular point, you
8 had not asked for any volunteers help, correct?

9 A. No, did not.

10 Q. Were you actually planning on meeting with
11 volunteers at the Sheriff's Department, or just,
12 at some point later on, asking for their help in
13 search of various locales?

14 A. No, our purpose was to meet with Detective
15 Remiker, to discuss with him our ideas and see
16 what kind of ideas he might have. But no, we had
17 no intentions of meeting with any volunteer
18 searchers at that time.

19 Q. As a matter of fact, no such meeting with
20 Detective Remiker, regarding your thoughts, ever
21 occurred that morning, did it?

22 A. That's correct.

23 Q. You never asked for any volunteers for assistance
24 on November 5th, correct?

25 A. Correct.

1 Q. You did not organize them on that day?

2 A. No.

3 Q. You did not direct them on that day?

4 A. No.

5 Q. You did not coordinate any of their efforts?

6 A. Did not.

7 Q. You did not suggest a place to search?

8 A. No.

9 Q. And prior to that day, you had never had any
10 telephone or contact with Pamela Sturm regarding
11 her intentions?

12 A. That's correct.

13 Q. All right. After your discussion with Detective
14 Remiker, it was at that point where your
15 department received a phone call from Pamela
16 Sturm; is that correct?

17 A. Yes.

18 Q. All right. And it was pursuant to that phone
19 call, that you then responded to the scene, to
20 the Avery property?

21 A. Yes.

22 Q. All right. And, again, prior to that phone
23 conversation from her, you had no idea that
24 anyone was actually going to that property that
25 morning did you?

1 A. No idea.

2 Q. All right.

3 ATTORNEY FALLON: Your Honor, does the
4 Court have Exhibit 15 available for our perusal, for
5 the witnesses perusal?

6 THE COURT: We will in a minute.

7 ATTORNEY FALLON: Very well.

8 Q. (By Attorney Fallon)~ Detective, you were the
9 affiant in the search warrant, issued on November
10 5th, 2005?

11 A. Yes, I was.

12 Q. All right. And that means you set forth specific
13 facts which you believed established probable
14 cause to justify a search warrant of the Avery
15 property, correct?

16 A. Correct.

17 Q. All right. Now, in that particular affidavit,
18 and until we get the official one, I will let you
19 examine my copy of Exhibit 15. I would like to
20 direct your attention to Paragraph 5.

21 ATTORNEY FALLON: May I approach the
22 witness?

23 THE COURT: Yes.

24 ATTORNEY FALLON: Thank you.

25 Q. (By Attorney Fallon)~ For the record, Detective,

1 you have a copy of Exhibit 15?

2 A. I do, yes.

3 Q. Now, that copy of the Exhibit 15, however, does
4 not have the return of the officers on it,
5 correct?

6 A. It does not, you are correct.

7 Q. All right.

8 THE COURT: Just for my benefit, is this --
9 This affidavit is attached to the defense motion,
10 correct?

11 ATTORNEY FALLON: Yes, the warrant and
12 affidavit are attached to the defense motion.

13 THE COURT: Because I have got a copy of
14 the motion here, so at least I have something to
15 follow along with.

16 ATTORNEY FALLON: All right. Very well.

17 Q. (By Attorney Fallon)~ Now, in Paragraph 5, you
18 use a phrase, a vehicle matching the description
19 of the vehicle owned by Teresa Halbach was found
20 on the Avery property; is that correct?

21 A. Yes.

22 Q. All right. Now, there was much questioning
23 regarding the discussion of matching. And, first
24 of all, let me begin by asking you this question,
25 Detective Wiegert. What were the sources of

1 information that you used to prepare that
2 warrant?

3 A. Actually had three different sources: One was
4 Pam Sturm, and the information she called in,
5 such as the color of the vehicle, the sticker on
6 the back of the vehicle, the Le Mieux Toyota
7 sticker; the vehicle that was covered up by --
8 was covered up by branches, for example; and the
9 partial VIN number that she provided me. Also,
10 information I received from Karen Halbach,
11 Teresa's mother, that the Le Mieux Toyota sticker
12 should be on the back of her truck, which matched
13 the one that was out at the scene.

14 Also, information that I had gotten from
15 Detective Remiker. He had went to the scene and
16 verified the complete and entire VIN number,
17 which matched Teresa Halbach's vehicle.

18 Q. All right. Now, Detective Remiker arrived at
19 that scene, before you and other members of the
20 Calumet County Sheriff's Department arrived
21 there, correct?

22 A. Yes, he did.

23 Q. All right. Were you in communication with
24 Detective Remiker, by telephone, prior to your
25 arrival at the salvage yard?

1 A. By telephone, and I believe, also, on the radio,
2 one or two times, yes.

3 Q. All right. Now, you also, did you not, have
4 information from the Wisconsin Department of
5 Transportation, some teletype communication, with
6 a more detailed description of the vehicle
7 registered to Teresa Halbach?

8 A. Yes, we did.

9 Q. All right. So you knew, then, that it was a
10 1999, or 2000, Toyota RAV 4?

11 A. Yeah. And as a matter of fact, when Pam Sturm
12 had called, she had told me that she believed it
13 was a '99 or 2000 RAV 4, so that also matched.

14 Q. All right. And with respect to -- For purposes
15 of our discussion now, would you describe for
16 us -- Well, first of all, let me ask this: When
17 you arrived at the scene, did you have an
18 opportunity to examine the vehicle yourself?

19 A. I stayed at least 100 yards from the vehicle.

20 Q. All right.

21 A. I did not get close to the vehicle.

22 Q. All right. Since that time, have you had an
23 opportunity to get a close look at the vehicle?

24 A. Absolutely, yes.

25 Q. All right. Now, for purposes of our discussion,

1 describe the color of that vehicle for us?

2 A. I would say it's a greenish, bluish color. It
3 depends on when the light hits it, you know, what
4 color it is. It kind of differs with the
5 different type of light you have. But it's a
6 greenish blue.

7 Q. All right. And in your particular affidavit
8 there, you use the phrase dark blue; is that
9 correct?

10 A. Yes.

11 Q. All right. Now, with respect to the information
12 provided by Ms Sturm, you indicated that she --
13 you received a partial VIN number. First of all,
14 with respect to VIN's, to be more grammatically
15 correct, how many characters are commonly
16 associated with a VIN.

17 A. Seventeen characters in a VIN number.

18 Q. And with respect to the information provided by
19 Ms Sturm, how many characters did she provide of
20 that number?

21 A. She provided 10 of the 17 numbers, off the VIN.
22 And those matched, obviously, Teresa's vehicle.

23 Q. All right. And with respect to Detective
24 Remiker's involvement here, did Detective Remiker
25 advise you that he had confirmed the remaining

1 numbers?

2 A. Yes, he did. As a matter of fact, he indicated
3 that he had a match, and that all the numbers
4 were verified.

5 Q. All right. Now, so -- And that all occurred
6 before you applied for the search warrant, which
7 is reflected in Exhibit 15?

8 A. That's correct, yes.

9 Q. All right. So, at the time you prepared that
10 warrant, you knew that you were -- a vehicle that
11 was dark blue, or greenish blue, had been located
12 at the Avery property?

13 A. Yes.

14 Q. You knew the vehicle was secreted in some way, in
15 so far as it was covered by brush and other
16 automobile parts?

17 A. Yes.

18 Q. You knew that the -- that you had 10 of 17 VIN
19 characters from Ms Sturm, and the remaining seven
20 provided by Detective Remiker?

21 A. Yes.

22 Q. You had a teletype from the Department of
23 Transportation regarding the registration and
24 description of the vehicle?

25 A. Yes.

1 Q. And you also confirmed, with Karen Halbach, that
2 there was a Le Mieux Toyota sticker available --
3 or located on that vehicle?

4 A. Yes.

5 Q. All right. And at the time of -- As a matter of
6 fact, you knew before you even got there, from
7 your discussion with Ms Sturm, that such a
8 sticker -- dealer sticker, was on that vehicle?

9 A. Yes, I did.

10 Q. All right. Now, Detective, did you deliberately
11 misstate any facts in that affidavit?

12 A. Absolutely not.

13 Q. And in your mind, did you omit any significant
14 facts which would affect the determination of
15 probable cause by this Court?

16 A. No.

17 ATTORNEY FALLON: No other questions.

18 THE COURT: Mr. Buting.

19 **REDIRECT EXAMINATION**

20 BY ATTORNEY BUTING:

21 Q. Now, Detective, so it's your testimony that you
22 did not tell Detective Remiker, from the
23 Manitowoc Sheriff's Department, that you had --
24 I'm referring now to Saturday morning, the
25 November 5th before the vehicle was discovered.

1 A. Mm-hmm.

2 Q. Is it your testimony that you did not tell him
3 that you had volunteers that were willing and
4 interested in going to the Avery property?

5 A. I did not tell him that there were volunteers
6 willing to go to the Avery property, that's
7 correct.

8 Q. Okay. And you did not tell him that several of
9 the volunteer search parties would be coming to
10 the Manitowoc Sheriff's Department to meet and
11 coordinate efforts; is that your testimony?

12 A. That's correct.

13 Q. Okay. And you are familiar -- We have discussed
14 it briefly, but just to refresh your
15 recollection, we talked about it earlier, you
16 have had training in how to apply for search
17 warrants, right?

18 A. Yes.

19 Q. And you know that it's very important that you be
20 completely truthful and honest when you prepare
21 an affidavit for a search warrant, right?

22 A. That's correct, yes.

23 Q. And that that's so that the judge, or the
24 magistrate, can form his or her own opinion, as
25 to whether or not there's probable cause to

1 justify the warrant, right?

2 A. Yes.

3 Q. In other words, the judge is not supposed to
4 simply rely on your belief that probable cause
5 exists, correct?

6 A. Yes.

7 Q. That you have to provide the facts to him or her
8 so that an independent decision can be made,
9 correct?

10 A. That's correct.

11 Q. And in your affidavit, Exhibit 15 --

12 THE COURT: The record should reflect that
13 he's holding the actual Exhibit 15 at this point.
14 It was handed to him during his testimony on
15 cross-examination.

16 ATTORNEY BUTING: Thank you, your Honor.

17 Q. (By Attorney Buting)~ In Exhibit 15, directing
18 your attention to Paragraph 5, you prepared the
19 words -- the wording in this paragraph are your
20 words, are they not?

21 A. Yes.

22 Q. Anybody else help you formulate this?

23 A. Detective Remiker was there when we put it
24 together.

25 Q. Okay. So it was -- was it a mutual effort

1 between you and Detective Remiker?

2 A. Yes.

3 Q. Both of you read it over?

4 A. I can't say if he read it over. I know I did. I
5 can't testify to what he did, for sure.

6 Q. All right. And you read it over and you swore to
7 it?

8 A. I did.

9 Q. And in that, you specifically said that the
10 volunteer searchers had located -- I'm sorry, I
11 will use the exact phraseology here -- that
12 officers had received information, quote, from
13 volunteer searchers, that they had located a
14 vehicle matching the description of the vehicle
15 owned by Teresa Halbach, closed quote, right?

16 A. Yes.

17 Q. But, in point of fact, you had no information
18 that the volunteers told you the vehicle matched
19 the description?

20 A. No, she told me what type of vehicle it was. She
21 told me that there was a sticker on the back.
22 She told me the color of the vehicle. She told
23 me the year of the vehicle. To me, that's
24 matched.

25 Q. So, the volunteers did not tell you that it

1 matched, you concluded that it matched?

2 A. I concluded, from the information that the
3 searcher gave me, that there was a match.

4 Q. And you did not, however, put in your affidavit,
5 for the judge to make his or her own
6 determination on whether or not the vehicle
7 matched, the following facts: You did not
8 mention anything about a Le Mieux sticker; isn't
9 that correct?

10 A. It is not in the affidavit, that's correct.

11 Q. You did not mention anything about the model
12 year; is that correct?

13 A. I would have to review the affidavit to be sure.

14 Q. Take your time.

15 A. That's correct.

16 Q. And you did not put anything in your affidavit to
17 tell the judge that the volunteer you personally
18 spoke with, that is, Pamela Sturm, told you that
19 she was concerned that the color did not appear
20 to match the description of the vehicle as she
21 understood it?

22 A. She indicated that it was a bluish green color.
23 And I don't know exactly what's in the affidavit,
24 again, without looking at it, but that's what she
25 told me.

1 Q. And she told you, though, also, that she was --
2 as a result of the fact that the information had
3 gone out that the vehicle was green, that's
4 correct, is it not?

5 A. Yes, that's correct.

6 Q. She told you, therefore, that she was not certain
7 that this was really the same vehicle, right?

8 A. She initially was concerned about the color,
9 because she said it was bluish green. However,
10 after discussing other facets of the vehicle:
11 The sticker, what she said was the year of the
12 vehicle, and the VIN number, I took it that she
13 believed that it was the vehicle.

14 Q. But she never told you that, you just took it at
15 that?

16 A. She asked me several times, is this the vehicle,
17 and I said I can't tell you that at this time.

18 Q. Okay. And that uncertainty, about the difference
19 in the color, that she expressed to you, was not
20 something that you included in your affidavit;
21 isn't that right?

22 A. No, because I believed --

23 Q. That's fine. Answer the question. The answer is
24 no; is that right?

25 A. That's correct.

1 Q. The sources of the information that you said went
2 into this Paragraph 5, you included information
3 from Detective Remiker, who had actually arrived
4 at the scene, correct?

5 A. Yes.

6 Q. Now, are you aware that Detective Remiker did not
7 have any consent from the property owners, to be
8 in the location he was at, when he made his
9 observations?

10 A. No.

11 ATTORNEY FALLON: Objection.

12 THE COURT: What is the objection?

13 ATTORNEY FALLON: Speculation, it's
14 irrelevant at this point.

15 THE COURT: Mr. Buting?

16 MR. BUTING: Well, it is relevant. It goes
17 directly to the issue of what can be relied upon in
18 a search warrant.

19 ATTORNEY FALLON: I don't see how that is
20 relevant to the averments in the affidavit, under
21 the circumstances in which the affidavit was
22 presented.

23 THE COURT: All right. I'm not going to
24 say that it's not relevant for purposes of the
25 defense motion, but I think for purposes of this

1 witness's testimony, I agree with Mr. Fallon. The
2 Court will sustain the objection.

3 Q. (By Attorney Buting)~ All right. As part of your
4 experience and training with regard to search
5 warrant applications, you know that you cannot
6 put information into a warrant, for a judge to
7 rely on, that was obtained unlawfully by the
8 police; is that right?

9 A. Yes.

10 Q. And that you are also aware that observations
11 that an officer may make on private property, the
12 lawfulness of those observations would depend on
13 whether that officer had a lawful purpose in
14 being there at the time he made such
15 observations, right?

16 A. Yes.

17 Q. And that if Detective Remiker, in this instance,
18 did not have a lawful reason to be in the place
19 where he made the observations you relied upon,
20 you would not have included those in this
21 affidavit, right?

22 A. If I knew he wasn't there lawfully, are you
23 asking --

24 Q. Yes.

25 A. -- would I have included that? If I knew he was

1 there illegally, I would not include that, no.

2 Q. Okay. And he was with you when you prepared this
3 affidavit?

4 A. That's correct.

5 Q. Did you ask him whether he had consent to be in
6 the -- that portion of the Avery property where
7 he was making his observations of the RAV 4
8 vehicle?

9 A. I did not ask him if he had permission to be
10 there; I assumed he did.

11 Q. And he never told you that he had permission to
12 be there?

13 A. I never asked him.

14 Q. That's not my question. Did he ever tell you?

15 A. No, not specifically.

16 Q. Okay. And you actually arrived at the scene
17 later, yourself, correct?

18 A. Later than?

19 Q. Than Detective Remiker?

20 A. Yes.

21 Q. A matter of a few minutes, I believe, correct?

22 A. Correct.

23 Q. And you had an opportunity to speak with one of
24 the property owners or managers, correct?

25 A. I did speak with Earl Avery, that's correct.

1 Q. And you did so when you -- after you had been
2 there for a period of time, right?

3 A. Yes.

4 ATTORNEY FALLON: Objection, on two
5 grounds. Irrelevant and, two, beyond the scope of
6 cross-examination.

7 THE COURT: Sustained, as beyond the scope.

8 Q. (By Attorney Buting)~ Did you -- Did you know --
9 Well, first of all, when you first arrived, did
10 you see Mr. Earl Avery, or any other property
11 owner, speaking or standing next to Detective
12 Remiker?

13 A. Earl Avery was in the area. I don't know if he
14 was speaking to anybody or not. I don't recall
15 that.

16 Q. In fact, it wasn't until five or so minutes later
17 that Mr. Avery, Earl Avery, came up to where you
18 were located and asked what was going on; isn't
19 that right?

20 A. I believe Earl Avery was already in that area, on
21 a four-wheeler, when we arrived.

22 Q. Was he over by the vehicle?

23 A. He was probably within feet of one of the squad
24 cars. I don't know that.

25 Q. Did you have personal knowledge about whether he

1 had consented to Detective Remiker being in the
2 location he was when he made his observations of
3 the vehicle?

4 ATTORNEY FALLON: Again, objection, beyond
5 the scope. It's irrelevant.

6 THE COURT: The Court will sustain the
7 objection. It is beyond the scope of redirect.

8 Q. (By Attorney Buting)~ So, just so we're clear,
9 then, the information you relied upon in terms of
10 the description of the vehicle, and whether or
11 not it was similar to, or matched, the Teresa
12 Halbach vehicle, did not come from your own
13 personal observations?

14 A. No, it came from other people, that's correct.

15 Q. Because even when you arrived at the scene, you
16 did not physically walk up to the vehicle to
17 check out any of the information you had received
18 about it, right?

19 A. I could see the vehicle. I did not walk up to
20 the vehicle.

21 Q. So you couldn't see its VIN number, for instance?

22 A. That's correct.

23 Q. And it's your testimony that Detective Remiker
24 told you that he had walked up to the vehicle?

25 A. Yes.

1 Q. And that he had actually obtained the entire VIN
2 number, all 17 numbers?

3 A. Yes.

4 Q. When you say that, in Paragraph 5, that
5 Investigator Remiker -- this is half way down --
6 your affiant is informed that Investigator
7 Remiker was provided with the VIN number of the
8 RAV 4, located at the Avery Auto Salvage, you are
9 saying that it was provided by somebody else to
10 him or?

11 A. I'm not understanding your question. He was
12 provided with the VIN to match up to the one that
13 was on the truck at the salvage yard.

14 Q. But you say that he was provided with the VIN
15 number of the RAV 4, that was located at the
16 Avery property, right? And then the rest of your
17 sentence after the semicolon, goes on, the
18 searchers provided the VIN number, and you list
19 all 17 numbers, right?

20 A. Yes. Well, I believe what happened is, the
21 number that Pam Sturm called in, I discussed that
22 with Detective Remiker, I believe that's what
23 that's referring to.

24 Q. So, when you say, in this affidavit, that the
25 searchers provided the VIN number, and you list

1 all 17 characters, that, in fact, is not true;
2 isn't that right?

3 A. No, they provided 10 of the 17 numbers.

4 ATTORNEY BUTING: All right. I have no
5 other questions.

6 THE COURT: Any recross?

7 ATTORNEY FALLON: A couple questions.

8 **RECROSS-EXAMINATION**

9 BY ATTORNEY FALLON:

10 Q. Counsel asked you about your experience in
11 applying for search warrants and the need for
12 accurate, reliable, truthful information, so I
13 have a few questions regarding that. With
14 respect to your experience in applying for search
15 warrants, you are aware that the legal standard
16 is probable cause?

17 A. That's correct.

18 Q. All right. And that is a standard of proof
19 that's somewhat, or significantly, less than
20 beyond a reasonable doubt?

21 A. Yes.

22 Q. It's a standard of proof which is less than --
23 more likely than not, by less than 50 percent?

24 A. Yes.

25 Q. Probability?

1 A. Yes.

2 Q. All right. And based on the information that you
3 had at the time, from Ms Sturm, that you had a
4 dark blue or bluish green, late model, 1999-2000
5 Toyota RAV 4; that it had a Le Mieux sticker on
6 it; that it was secreted in brush and other
7 automobile parts; that you had, at minimum,
8 before you even arrived, 10 of the VIN
9 characters; in your mind, did you believe that
10 was probable cause right there?

11 A. Absolutely. I think that would have been enough
12 to get a search warrant, right there, in my
13 opinion.

14 Q. As a matter of fact, setting aside for the VIN
15 number, the fact that Teresa Halbach was last
16 seen on the Avery property on October 31st; the
17 fact that the defendant, Steven Avery,
18 acknowledged her being there as recently as
19 November 4th, that she was there to take pictures
20 of a vehicle he was selling; the fact that he was
21 the last person known to have seen her alive; the
22 fact that a late model, dark blue, greenish RAV 4
23 was located on that property; setting aside the
24 VIN number, setting aside all that; in your mind
25 is that probable cause?

1 A. Absolutely, yes.

2 ATTORNEY FALLON: That's all I have.

3 ATTORNEY BUTING: Just one quick follow up.

4 **RE-REDIRECT EXAMINATION**

5 BY ATTORNEY BUTING:

6 Q. Until the vehicle was located by Ms Sturm on the
7 5th, you did not believe there was probable cause
8 to get a warrant; isn't that right?

9 A. Maybe not at that point, but looking at it now,
10 yeah, I believe it would have.

11 Q. You didn't -- In other words, the mere fact that
12 Mr. Avery -- that Teresa Halbach had been at the
13 Avery property four or five days earlier, and
14 that Mr. Avery had acknowledged that, was not
15 enough for you to get probable cause for a search
16 warrant?

17 A. I think the fact that she was missing for that
18 many days, coupled with the fact it was the last
19 place she was seen, I think looking back on it
20 now, we may have been able to use that for enough
21 probable cause.

22 Q. But you did not seek a warrant at that time?

23 A. At that point, we did not, no.

24 Q. And during that period of time, you were
25 obviously concerned about doing whatever you

1 could to locate Teresa Halbach?

2 A. That's correct.

3 Q. And, nevertheless, you did not seek a warrant
4 until after Ms Sturm located the vehicle on the
5 property?

6 A. That is true, yes.

7 ATTORNEY BUTING: Thank you. No further
8 questions.

9 ATTORNEY FALLON: Nothing else.

10 THE COURT: Witness is excused.

11 THE WITNESS: Thank you.

12 THE COURT: Mr. Buting, you may call your
13 next witness.

14 MR. BUTING: I call Detective Remiker.

15 THE CLERK: Raise your right hand.

16 **DETECTIVE DAVID REMIKER**, called as a
17 witness herein, having been first duly sworn, was
18 examined and testified as follows:

19 THE CLERK: Please be seated. Please state
20 your name, spell your last name for the record.

21 THE WITNESS: Dave Remiker, R-e-m-i-k-e-r.

22 **DIRECT EXAMINATION**

23 BY ATTORNEY BUTING:

24 Q. And you are a detective; is that correct?

25 A. Yes.

1 Q. How long have you been a police officer, or in
2 law enforcement?

3 A. About 13 years.

4 Q. And how long have you been a detective?

5 A. I have been an investigator since January of '99.
6 Part of that included narcotics.

7 Q. And you are employed by whom?

8 A. Manitowoc County Sheriff's Department.

9 Q. And on November 4th, 5th, in that time period of
10 last year, were you also so employed?

11 A. Yes.

12 Q. And in your experience as a officer or detective,
13 with the Manitowoc County Sheriff's Department,
14 have you had experience in applying for search
15 warrants?

16 A. Yes.

17 Q. Have you had training to do so as well?

18 A. Depends on what part of the search warrant you
19 are talking about. I don't recall any specific
20 training in reference to applying for search
21 warrants.

22 Q. Never had any training on how to prepare an
23 affidavit in order to get a search warrant, on
24 the job, or otherwise?

25 A. On the job experience, that type of training.

1 Q. Okay. You do know, though, that when you prepare
2 an application for a search warrant and, in fact,
3 when you prepare an affidavit in support of that,
4 that you must be truthful in the information
5 that's provided?

6 A. Definitely.

7 Q. Could you tell me when you first became involved
8 in the Teresa Halbach matter?

9 A. I believe it was on a Thursday, that would have
10 been November 3rd, I believe.

11 Q. And how did that come about?

12 A. I was paged. I was requested to come into the
13 Sheriff's Department. I arrived there and I met
14 with some of the detectives from our department
15 and Calumet County.

16 Q. And you were asked to come in by who; was that
17 Lieutenant Lenk?

18 A. Probably.

19 Q. When you came in, did you meet with Lieutenant
20 Lenk?

21 A. He was there, yes.

22 Q. As well as an investigator from the Calumet
23 County Sheriff's Department?

24 A. Investigator Dederling, correct.

25 Q. And at that time, was it your understanding that

1 you were being called in to assist with a Calumet
2 County matter, or a Manitowoc County matter, or
3 which?

4 A. Missing person.

5 Q. But an investigation involving which department?

6 A. Well, the female that was missing was from
7 Calumet County. They had received some
8 information that some of her last contacts
9 included an address in Manitowoc County.

10 Q. Okay. And did that address, in fact, turn out to
11 be the Avery property in Manitowoc, Town of
12 Gibson?

13 A. That was one of the locations, yes.

14 Q. Okay. And did you have occasion to check with
15 Steven Avery on Thursday night, November 3rd, as
16 to whether he had any information about the
17 missing woman?

18 A. I did not.

19 Q. Someone from your department did?

20 A. Correct.

21 Q. And that would have been?

22 A. Sergeant Colborn.

23 Q. You know, did he go out to the property, or was
24 it by phone?

25 A. I believe he went out to the property and spoke

1 with Steven, and maybe some additional people.

2 Q. Okay. And the following day, did you, in fact,
3 have an opportunity to go out to the Avery
4 property as well?

5 A. Yes.

6 Q. Were you asked to do that, or did you do that on
7 your own?

8 A. I was asked.

9 Q. By?

10 A. It was Calumet County. I believe one of the main
11 contacts we had was with Investigator Wiegert.

12 Q. Okay. And do you know what time it was you went
13 to the Avery property on the 4th?

14 A. 10:30.

15 Q. 10:30 in the morning?

16 A. Correct.

17 Q. Did you have a warrant at that time?

18 A. No.

19 Q. And did you approach the trailer in which Steven
20 Avery resided in?

21 A. At one point, yes.

22 Q. Do you know the address, actual address of that?

23 A. 12932.

24 Q. Avery Road?

25 A. Correct.

1 Q. Okay. Did you speak with other -- You are aware,
2 from your investigation, that there are other
3 people that live at that same general area or
4 compound, correct?

5 A. That was the first time I have ever been on the
6 Avery property.

7 Q. Okay.

8 A. I had no idea who lived out there.

9 Q. So at that time, you didn't know -- you were
10 directed to go to that specific address?

11 A. Correct.

12 Q. And that specific address related to the trailer
13 resided in by Mr. Steven Avery?

14 A. I believe that's the information I received, yes.

15 Q. And when you drove on to the property, you had to
16 turn right and go down sort of a dirt road to get
17 to the end of the road before you reached that
18 particular trailer; isn't that right?

19 A. I recall, when we first got out there, I had no
20 idea where to go. I wasn't sure where his
21 trailer was. At one point, we went down that
22 road that leads to Steve's trailer, yes.

23 Q. And when you knocked on the door, was he there?

24 A. No.

25 Q. Did you enter without him being there?

1 A. No.

2 Q. After a period of time, did he arrive, or did he
3 come up to you?

4 A. We attempted to make contact at that trailer,
5 then we went to another trailer. That was the
6 trailer that was resided by Barb Janda. And
7 then, when there was no contact there, we started
8 leaving. And as we were driving down the road,
9 Steven, and I believe Delores, arrived, made
10 contact with us. They were in a golf court.

11 Q. When you say us and we, who are you referring to?

12 A. Myself and Lieutenant Lenk.

13 Q. Lieutenant Lenk was actually out there with you?

14 A. Yes.

15 Q. Okay. And, so, did you talk with Mr. Steven
16 Avery at that point?

17 A. Yes.

18 Q. Do you explain what your purpose was in being
19 there?

20 A. Yes.

21 Q. And what was that? What did you tell him?

22 A. I told him that we were investigating a missing
23 female. He seemed a little surprised. I told --
24 I explained to him that he had contact with
25 Sergeant Colburn the night before, and then I

1 asked if I could search his trailer.

2 Q. Okay. And did he agree to do that?

3 A. Yes.

4 Q. Gave his consent freely?

5 A. Freely.

6 Q. Appeared to cooperate fully?

7 A. Yes.

8 Q. And, so, then did you walk back, or drive back,

9 to the end of the road where his trailer was

10 located?

11 A. Yeah, he told me to go ahead and search. I told

12 him I wanted him to come with me, and then we

13 drove over to his trailer, and then he followed

14 in the golf cart.

15 Q. So he was willing to let you just go into his

16 trailer and let you search without him even being

17 there?

18 A. I believe so, yes.

19 Q. But you wanted him to be there?

20 A. Correct.

21 Q. And when you walked into the trailer, did you

22 look around, through the complete trailer?

23 A. Yes.

24 Q. And can you just briefly describe what the

25 layout -- or what the layout of the trailer is

1 inside?

2 ATTORNEY FALLON: Objection, relevant.

3 THE COURT: Mr. Buting?

4 ATTORNEY BUTING: Well, we're going to get
5 to it eventually, so to make the record clear, I
6 think it's helpful.

7 THE COURT: We may get to it eventually, as
8 part of the case, but I'm hoping that the testimony
9 here will focus on your motion. And I am having
10 trouble understanding the relevance of what he found
11 in the trailer, or what he observed in the trailer,
12 to the motion.

13 ATTORNEY BUTING: Well, we do have a burden
14 to establish some standing, and so some of these
15 questions need to go towards that so. I can --

16 THE COURT: I'm not sure I follow that.

17 ATTORNEY BUTING: I can rephrase it.

18 Q. (By Attorney Buting)~ When you went in the
19 trailer, did it become clear to you that
20 Mr. Steven Avery did in fact reside in that
21 trailer?

22 A. Yes.

23 Q. Okay. You had no reason to doubt that?

24 A. No, he let us in.

25 Q. Okay. And you went and searched all of the rooms

1 and opened up all the doors and closets at that
2 time, right?

3 A. Yes.

4 ATTORNEY FALLON: Your Honor, I'm going to
5 renew my objection as to the relevance of this. If
6 Counsel is trying to lay foundational evidence for a
7 standing argument, as I already argued last week,
8 and in written pleadings, we do not challenge the
9 fact that Mr. Avery has standing to challenge a
10 search of his residence or his garage. Our argument
11 goes to everywhere else. I'm not sure how this
12 questioning, on November 4th, is relevant to the
13 events on November 5th.

14 MR. BUTING: Nevertheless, Judge, we do
15 have to make a record to establish standing, as
16 Mr. Fallon has pointed out. And this is -- This
17 detective was there and can testify about
18 Mr. Avery's standing to object to this warrant,
19 which included this particular trailer. That's what
20 I'm trying to establish.

21 THE COURT: I don't know that that's
22 disputed. I think that that's established already.
23 I don't know how, what he found in the various
24 rooms, relates to that, so I'm going to sustain the
25 objection.

1 ATTORNEY BUTING: All right.

2 Q. (By Attorney Buting)~ In any event, you walked
3 through the trailer and then came out, right?

4 A. Correct.

5 Q. Didn't find anything inside that gave you any
6 reason to think that Teresa was there, or had
7 been there?

8 A. I had no reason to believe that Teresa was there.

9 Q. Okay. And then, did Steve allow you to -- Well,
10 let me go back for a second. There's also a
11 detached garage that's near that particular
12 trailer; isn't that right?

13 A. Yes.

14 Q. And it has a door on it?

15 A. Correct.

16 Q. Actually, two doors, a service door and an
17 overhead door?

18 A. Correct.

19 Q. And were those doors opened?

20 A. I don't recall.

21 Q. Did Steve allow you to go in and look into the
22 garage as well?

23 A. I didn't ask to go in the garage.

24 Q. I'm sorry?

25 A. I didn't ask to go in the garage.

1 Q. Okay. And he didn't do anything to prevent you
2 from going in the garage, though?

3 A. There wasn't any discussion about the garage.

4 Q. Did you look around to see if there was any
5 evidence that her vehicle was on the property
6 somewhere, in that area?

7 A. We may have looked as we were driving in and out,
8 that's about it.

9 Q. Did you walk around any of the property to the
10 side or back of the trailer?

11 A. No.

12 Q. Did you see any burn barrels located nearby the
13 Steven Avery trailer?

14 A. On the day of the consent search?

15 Q. Or before you actually filed the warrant?

16 A. I know there's burn barrels out there, from my
17 contact out there. When I exactly seen them, I
18 don't know.

19 Q. Did it appear to you that the burn barrels you
20 saw were in some way connected to the Steven
21 Avery trailer, that somehow there was some
22 connection between them, as opposed to anywhere
23 else?

24 A. Well, when I was out there on Saturday and
25 Sunday, and I seen the burn barrels, at that

1 point, obviously, I sensed that there was some
2 connection between Steven's house and the burn
3 barrels, yes.

4 Q. And that's because of the proximity to the house,
5 or what?

6 A. Yes.

7 Q. The barrels you are referring to were in the --
8 Are we talking about one or more barrels?

9 A. I believe there's one, just prior to you arriving
10 at Steven's trailer, and on the right hand side
11 of the driveway.

12 Q. Sort of in the front, still, of the trailer?

13 A. Correct.

14 Q. And did you -- Did you at any point see a
15 burning -- a burn pit to the rear of the detached
16 garage, next to Mr. Avery's trailer?

17 A. Are you still talking about that Friday, or into
18 Saturday/Sunday; what date are we talking about?
19 They are quite different.

20 Q. For purposes of clarifying the record, on this
21 question, we can include your subsequent.

22 A. Saturday and Sunday?

23 Q. Yes.

24 A. Yes, I seen a burn pit back there.

25 Q. And did that burn pit appear to be connected in

1 any way to the Steven Avery residence, as opposed
2 to any of the neighboring ones?

3 A. It's right behind his garage.

4 Q. So your answer would be?

5 A. Yes, it is.

6 Q. Did you do anything else before you left the
7 Avery property on November 4th?

8 A. No.

9 Q. So you and Detective Lenk came together in the
10 same vehicle?

11 A. Correct.

12 Q. Now, the following day, Saturday, November 5th,
13 were you working?

14 A. Yes.

15 Q. Do you know what time you started?

16 A. 8:00 a.m.

17 Q. Did you receive a call from Investigator Wiegert
18 that morning?

19 A. Yes.

20 Q. Do you know what time?

21 A. I would say between 8:00 a.m. and 10:00 a.m.

22 Q. And did, in that -- I'm talking about the first
23 conversation that you had with Investigator
24 Wiegert, did you have a discussion about
25 volunteer searchers?

1 A. Yeah, he gave me some information about some
2 volunteer searchers.

3 Q. And did Investigator Wiegert tell you that there
4 were numerous volunteer searchers who were
5 coordinating their efforts to do some searches of
6 properties within Manitowoc county?

7 A. Not those exact words, no.

8 Q. Have you reviewed anything prior to your
9 testimony today?

10 A. Yes.

11 Q. What was that?

12 A. My report, um, recorded phone calls, um, recorded
13 radio transmissions.

14 Q. And are those transcribed, those radio
15 transmissions you are talking about?

16 A. No.

17 Q. Did you bring those with you today?

18 A. I did not.

19 Q. Where are they located?

20 A. At the Sheriff's Department.

21 Q. What radio transmissions are you referring to?

22 A. There's recorded conversations, phone
23 conversations between myself and Investigator
24 Wiegert. And I also reviewed the radio traffic
25 that I participated in.

1 Q. And those recordings, are they -- what day are
2 they referring to?

3 A. Saturday, the 5th.

4 Q. So this is around the time of this phone call
5 that we were talking about?

6 A. Correct.

7 Q. And, thereafter, as you are approaching the Avery
8 property, later?

9 A. Yes.

10 Q. How many different recordings did you listen to?

11 A. Phone calls or radio conversations?

12 Q. Do you have tape recordings of the phone calls
13 too?

14 A. Yes.

15 Q. Which ones?

16 A. There were a couple conversations between myself
17 and Investigator Wiegert, prior to me arriving at
18 the Avery property.

19 Q. Were those while you were located, still, at the
20 Sheriff's Department, or while you were on the
21 road?

22 A. At the Sheriff's Department.

23 Q. And would that include your first conversation
24 with Investigator Wiegert that morning?

25 A. I believe so.

1 Q. And, so, approximately how many phone
2 conversations did you have, or did you review,
3 before your testimony today, that concerned your
4 conversations with Investigator Wiegert?

5 A. I believe there's two phone calls between myself
6 and Investigator Wiegert.

7 Q. And did both of those take place while you were
8 still located at the station?

9 A. Correct.

10 Q. And the radio transmissions that you are
11 referring to that you reviewed, were those ones
12 that took place after you had left the station?

13 A. Correct.

14 Q. And included what period of time?

15 A. From the time I left the south parking lot of the
16 Sheriff's Department until the time that --
17 shortly after I confirmed the VIN number on the
18 vehicle.

19 Q. And did those radio transmissions also include
20 your conversation, in other words, statements you
21 were making on the radio?

22 A. Yes.

23 Q. I will get back to the recordings in a minute.
24 But you also indicated that you reviewed your
25 report?

1 A. Yes.

2 Q. As part of your testimony today?

3 A. Correct.

4 Q. And by your report, are we talking about a -- a
5 portion of a 22 page report prepared by the
6 Manitowoc County Sheriff's Department?

7 A. Yes.

8 Q. And that goes in a sort of sequential,
9 chronological time, the way it's organized?

10 A. For the most part, yes.

11 Q. And is that something you dictate, your part of
12 it?

13 A. Yes.

14 Q. And then it gets transcribed by somebody?

15 A. Correct.

16 Q. And then you review it?

17 A. Yes.

18 Q. To make sure that it's accurate?

19 A. Yes.

20 Q. And that's done shortly after the events that you
21 are investigating, right?

22 A. I can tell you, that report was probably dictated
23 about a week after the last day I was out there.

24 Q. Okay. Now, would you agree with me, since you
25 reviewed your report, that in your report, you

1 state, quote, I, Detective Remiker, was working
2 at the MTSO -- is that an abbreviation for
3 Manitowoc County Sheriff's Department?

4 A. Yes.

5 Q. -- at which time I received a phone call from
6 CASO -- Calumet Sheriff's Department, right?

7 A. Correct.

8 Q. -- Investigator Mark Wiegert. Investigator
9 Wiegert indicated there were numerous volunteer
10 searchers who were coordinating their efforts to
11 do some searches of properties within Manitowoc
12 County. Does this all sound familiar with what
13 you reviewed?

14 A. That's what my report says.

15 Q. Did you bring it with you today?

16 A. Yes.

17 Q. Do you want to retrieve it quickly?

18 A. Sure.

19 Q. I believe we're on Page 4 of 22?

20 A. Got it.

21 Q. Okay. And do you also go on to say in your
22 report, quote, Wiegert indicated that several
23 searchers were willing to go to the Avery
24 property, on Avery road, to search the
25 junkyards/salvage area.

1 A. That's what it says.

2 Q. And does it also say, quote, Investigator Wiegert
3 stated he and several of the volunteer search
4 parties would be coming to the MTSO within the
5 next hour, to meet and coordinate efforts.

6 Right?

7 A. Correct.

8 Q. That's what your report says?

9 A. Correct.

10 Q. And, finally, Investigator Wiegert requested my
11 assistance for this follow up. Closed quote.

12 A. Yes.

13 Q. That's what your report says, right?

14 A. Yes.

15 Q. And is your report true and accurate?

16 A. It's close.

17 Q. You try to make a complete and true report, I
18 assume, right?

19 A. Absolutely.

20 Q. And when you say it's close, what -- that's based
21 upon what?

22 A. Well, during my conversations with Investigator
23 Wiegert, um, in the first conversation I had with
24 him, he indicates that, he says to me, just so
25 you know, the family is doing their own thing out

1 there with searches. In case you get calls of
2 trespassers, in case you get calls that there's
3 people walking the ditches, the family is out
4 there doing their own thing. That was my first
5 conversation with him.

6 Q. And this -- this conversation that you are
7 relating right now, is that based on some
8 independent recollection you have now, of an
9 event?

10 A. That's based on my review of the phone calls.

11 Q. That's based on your review of the phone calls
12 that you did to prepare for today's testimony?

13 A. Yeah, I mean, some of the conversation I can
14 recall, but I was able to, I guess, verify a
15 little bit more once I reviewed that.

16 Q. Anything else about your report, or is there
17 anything about your report that's not true?

18 A. Well, I guess I misunderstood Investigator
19 Wiegert in which -- at some point I had thought
20 that he was bringing some people to our
21 department, some volunteer searchers to
22 coordinate our efforts, that wasn't the case.

23 Q. Well, that is what you put in your report,
24 though?

25 A. Correct.

1 Q. So, is your report not true on that?

2 A. I would say that part is a little, yeah, a
3 little -- it's not quite accurate.

4 Q. Not quite accurate, doesn't really cut it. My
5 question is, did Wiegert say that several
6 searchers were willing to go to the Avery
7 property to search the junkyard/salvage yard
8 area.

9 A. The part that there were volunteer searchers out
10 there, that's accurate. Another conversation
11 that I had with Wiegert after that was, he calls
12 me, he says, Hey, we have a change of plans. I
13 think we should reinterview Steven and another
14 individual. And he also indicated that there
15 were some volunteer searchers who were willing to
16 go out and do some searches in different
17 locations. And he had thought that we should
18 meet up and talk about that and it was possible
19 that we would go and try to get consent from the
20 Avery's to search the salvage yard. That was the
21 second conversation I had with him.

22 Q. And all of this recollection that you are
23 relating to us now comes from your review of the
24 phone calls?

25 A. It's a little bit of both. As I reviewed the

1 phone calls, I remembered a couple more things,
2 an independent recollection of that exact date.

3 ATTORNEY BUTING: Judge, at this time, I
4 request we take a break. We have not had an
5 opportunity, did not even know of such recordings,
6 even though we have requested them. And I think at
7 this point we have got to take a break so that we
8 have an opportunity to review those before I can
9 complete my cross-examination of Detective Remiker.

10 THE COURT: Mr. Fallon.

11 ATTORNEY FALLON: We don't have any
12 objection to that. Counsel and I were unaware that
13 Manitowoc actually had recordings of those, I
14 believe. We had some information from Calumet
15 County, or things that they had recorded. And,
16 quite frankly, never dawned on us that they would
17 have recordings of something 10 months old, so.

18 THE COURT: All right. Does anyone have
19 any idea how long it's going to take to get these
20 together?

21 THE WITNESS: I know they are in the
22 process of getting it all together. There's a lot
23 of information, a lot of recordings. I don't know
24 where they are at. I believe they are -- they are
25 finishing up.

1 ATTORNEY FALLON: Let me ask, this, If I
2 may, Judge?

3 THE COURT: Go ahead.

4 ATTORNEY FALLON: Detective, is it
5 possible -- Apparently there's a lot of radio
6 traffic relative to that day, so let me ask this
7 question. Is it possible to obtain, for instance, a
8 recording of the telephone conversations you had
9 with Investigator Wiegert and, perhaps, what would
10 you say, gentlemen, the first hour of radio traffic,
11 and then we can wait, for the rest of it may not
12 have any pertinence at all to the balance of the
13 motion? What do you think, if we just -- Is there
14 any way we can get like --

15 THE WITNESS: Probably have it to you
16 within the hour.

17 ATTORNEY FALLON: Within the hour.

18 Q. (By Attorney Buting)~ Can I ask you this, when
19 you reviewed them, were they on -- did you just
20 review them through some central system, or were
21 they on cassettes already, or what?

22 A. The individual that was collecting the
23 information, doing the recordings, he had -- I
24 had requested that I be able to listen to a few
25 things. And he had centralized, or itemized

1 those specific ones. And I think they are all on
2 some hard drive, some main data base within the
3 Department.

4 Q. When you listened to them, you had some
5 headphones plugged into something, or what?

6 A. No, they were just right on the computer.

7 Q. Okay. Is that right next door?

8 A. Correct.

9 THE COURT: Well, let me ask this, what are
10 the other witnesses that the parties anticipate
11 calling, with respect to this motion? Does the
12 defense have any further witnesses?

13 ATTORNEY BUTING: We do, your Honor, but I
14 view this new information as extremely important to
15 all of the witnesses. If we're talking about actual
16 recordings of communications that are directly at
17 issue here, that is, Detective Wiegert's testimony
18 and Detective Remiker's testimony, about their
19 contacts with the volunteers and all of that, if
20 that's recorded somewhere, then that's obviously
21 very important. And it would really, potentially,
22 impact how I would question other witnesses, if I
23 had that information, which I had requested but --
24 and apparently it was in the process of being
25 prepared, but had not yet been prepared to us.

1 THE COURT: What I'm wondering is, if we
2 can't continue taking testimony either on this
3 motion, or one of the other motions, while people at
4 the Sheriff's Department are getting the recordings
5 together, so perhaps over an hour and a half break
6 for lunch, the parties could listen to the
7 recordings, but not put us too far behind schedule
8 here today.

9 I understand perfectly, before you
10 complete your examination of Detective Remiker,
11 you are going to want to listen to those
12 recordings. I also acknowledge that it may well
13 play a role in your examination of other
14 witnesses on this particular motion. But I would
15 prefer that we not be wasting time, with
16 everybody here, while somebody at the Sheriff's
17 Department is compiling the information.

18 I would hope that someone over at the
19 Sheriff's Department could be instructed to get
20 that together so that it's ready over the noon
21 hour. And we can take testimony, either
22 additional testimony on this motion, or move on
23 to one of the other motions before the lunch
24 break.

25 ATTORNEY BUTING: Let me ask one other

1 question, first, of Detective Remiker.

2 Q. (By Attorney Buting)~ These phone calls that are
3 recorded that you reviewed, do any of them
4 involve discussions with an individual by the
5 name of Ryan Hillegas?

6 A. That name is never mentioned.

7 Q. I'm sorry?

8 A. That name is never mentioned.

9 Q. Or any phone conversations with the Halbach
10 family?

11 A. No.

12 Q. Or Patricia (sic) Sturm?

13 A. That's all it is, is I think two phone calls
14 between myself and Investigator Wiegert, and then
15 some radio traffic from myself going out to the
16 Avery property. I have it kind of written down,
17 word for word --

18 (Court reporter couldn't hear.)

19 A. I have it written down almost word for word what
20 the conversation is.

21 ATTORNEY BUTING: All right. We could call
22 one other witness, then, if we would take a break,
23 and Detective Remiker be instructed to contact the
24 Sheriff's Department and expedite making copies of
25 those.

1 THE COURT: All right. Is that
2 satisfactory to everyone?

3 ATTORNEY FALLON: That's fine.

4 DETECTIVE REMIKER: Clarify exactly what
5 you want.

6 ATTORNEY BUTING: I'm talking about the
7 phone conversations, as well as the radio traffic,
8 right up to the point where you say you stopped
9 reviewing it, that is, I think you were looking at
10 the VIN number or something.

11 THE WITNESS: There's myself talking about
12 the VIN number quickly, and then dispatch contacts
13 me and tells me that there's somebody waiting at the
14 Sheriff's Department, the media shows up at the
15 Sheriff's Department. And that's about where it
16 ended.

17 ATTORNEY BUTING: Okay. So all of that, up
18 to that point. After that, if you haven't reviewed
19 that for today, then we'll deal with it later.

20 DETECTIVE REMIKER: Correct.

21 THE COURT: Is the -- Is someone at the
22 Sheriff's Department in the process of transcribing
23 these conversations?

24 DETECTIVE REMIKER: We're in the process of
25 providing radio, telephone, various types of

1 communication that's recorded, to the defense, in
2 it's original form.

3 THE COURT: All right. Why don't I excuse
4 you at this time. You can contact the Sheriff's
5 Department and ask them to get that together. We'll
6 move on to the next witness. Okay. And, hopefully,
7 it will be ready to be reviewed over the noon hour.

8 (Witness excused.)

9 ATTORNEY BUTING: We are waiting for Ryan
10 Hillegas. That's H-i-l-l-e-g-a-s, Ryan with a y.

11 THE CLERK: Please remain standing. Please
12 raise your right hand.

13 **RYAN HILLEGAS**, called as a witness
14 herein, having been first duly sworn, was
15 examined and testified as follows:

16 THE CLERK: Please be seated. Please state
17 your name and spell your last name for the record.

18 THE WITNESS: Ryan Hillegas,
19 H-i-l-l-e-g-a-s.

20 **DIRECT EXAMINATION**

21 BY ATTORNEY BUTING:

22 Q. And, Mr. Hillegas, do you reside in Calumet or
23 Manitowoc County?

24 A. I don't anymore.

25 Q. Where do you reside?

1 A. I'm in Waukesha County now. I moved in February.

2 Q. Okay. In November of 2005, did you reside in
3 this area?

4 A. I did.

5 Q. In which county?

6 A. Calumet.

7 Q. And what is your occupation?

8 A. I'm a registered nurse.

9 Q. Do you know, or did you know Teresa Halbach?

10 A. I did.

11 Q. And what was the nature of your relationship with
12 her?

13 A. Um, we were close friends. We dated for a while
14 in high school; basically, just remained friends.

15 Q. So for a period of time you were
16 boyfriend/girlfriend?

17 A. Mm-hmm.

18 Q. You have to say yes or no for the court reporter?

19 A. Yes.

20 Q. And when did you discover that she was missing?

21 A. That Thursday right after Halloween.

22 Q. Thursday, November 3rd, would that?

23 A. That's correct.

24 Q. Okay. And how did you learn this?

25 A. Her roommate called me and, basically, asked me

1 if I had talked to her, or heard anything about
2 her?

3 Q. Her roommate being who?

4 A. Scott Bloedorn.

5 Q. B-l-o-e --

6 A. -d-o-r-n.

7 Q. -d-o-r-n. Okay. And had you seen her recently,
8 before that?

9 A. I saw her -- let's see, I believe it was --
10 Halloween was a Monday, I saw her on Sunday.

11 Q. So the very day before?

12 A. I believe so, yes.

13 Q. And were you familiar with her vehicle?

14 A. Yup. Yes.

15 Q. Did you ever personally see it, in other words?

16 A. Yes.

17 Q. Did you ever drive it?

18 A. No.

19 Q. Ever ride in it?

20 A. Yes.

21 Q. And did you, at some point, become involved in
22 some searches of the area?

23 A. Yes.

24 Q. And how did you become involved in that?

25 A. Um, once we -- I heard she was missing, I believe

1 it was Friday morning, it would have been the
2 4th. I talked to the family that morning, and we
3 had arranged to pick up posters and -- pick up
4 posters in Appleton, at a missing person
5 organization and, basically, it kind of started
6 there.

7 Q. Did you help put together the posters or
8 suggest--

9 A. Um, the posters were already put together. I'm
10 not sure if the family collaborated. I'm pretty
11 sure it was the family that got together with the
12 missing person organization. They put the
13 posters together and printed them up for us.

14 Q. Did you use those posters yourself and later
15 distribute them to others?

16 A. Yes.

17 Q. What sort of information was contained on them?

18 A. Um, there was a picture of Teresa, some of the
19 posters had a picture of Teresa as well as the
20 vehicle. There was information about her,
21 describing her, her height, weight, what she was
22 possibly wearing, and then, I believe, just a
23 little information that if anybody seen her that
24 they should call the number and there was the
25 number for the Sheriff's Department there, for

1 them to call.

2 Q. And so after you -- you picked up some of these
3 posters -- and this was Friday morning you said,
4 right?

5 A. Yes.

6 Q. How did you then go from there to becoming
7 involved in some kind of search?

8 A. I agreed to go pick the posters up, and I guess I
9 kind of had the most access to, like, phone
10 numbers of her friends, stuff like that. And we
11 just started calling, basically, anybody we new,
12 to come help. And by the time I returned with
13 the posters that afternoon there was, I don't
14 know, 50, 60 people waiting in the driveway to go
15 out and hang the fliers.

16 Q. So, the idea, then, was to have these people go
17 out and post the fliers, not actually search?

18 A. On Friday, we put up the posters, correct. So it
19 wasn't so much a search. It was more or less
20 getting the information out, and getting people
21 in the local areas to realize what was going on.

22 Q. So, did you sort of become the coordinator of all
23 of this, the volunteers?

24 A. Basically, yes.

25 Q. And, then, at some point did your -- did your

1 thinking go from just a matter of putting up
2 posters to actually using these people to do some
3 searches?

4 A. Yes. Basically, how I was advised, through the
5 missing person agency, was they kind of go in
6 steps. First, you get posters out, make people
7 aware. And you kind of move, you get a little
8 more invasive from there, I guess.

9 Q. Do you know the name of this agency?

10 A. It is the -- I believe it's the YES Foundation,
11 in Appleton.

12 Q. Is it connected with the police department there?

13 A. I have no idea.

14 Q. Okay. But you knew the police were already
15 involved in their own investigation at that time,
16 right?

17 A. Yup.

18 Q. So, why did you feel it necessary to do any other
19 searches with these volunteers, if the police
20 were already involved?

21 A. Well, the more help you could get, the better
22 odds we would have of finding her quick, I guess.

23 Q. Did you have any experience in --

24 A. No.

25 Q. -- searches of this sort?

1 A. No.

2 Q. And did you talk to anybody, any police officers,
3 or anybody, to help explain to you how you could
4 go about doing these searches?

5 A. No, I talked to the police, but none of it was --
6 none of it really regarded how to search, or I
7 guess I didn't get any pointers from the cops on
8 that.

9 Q. When you say you talked to the police, who did
10 you speak with?

11 A. Let's see, I know Thursday night, when we were at
12 the house, I went over -- after Scott called me,
13 I went to the house and we kind of started
14 calling around and started calling friends then.

15 But I believe it was Jerry Pagel and
16 Detective Wiegert, who were at the house Thursday
17 night, collecting belongings and asking
18 questions. The family was there also.

19 Q. Did you know either of those individuals before
20 that night?

21 A. No, I had heard of Jerry Pagel before, only
22 because he was the County Sheriff, but I don't
23 think I had ever met him before.

24 Q. Didn't have any other dealings with him on
25 anything?

1 A. No.

2 Q. And, then, after Thursday night, did you also
3 have some contact with police, or law
4 enforcement, on Friday?

5 A. I believe on Friday -- I believe on Friday I
6 talked to Jerry Pagel. And I'm pretty sure it
7 was regarding, you know, more -- they had -- I
8 spoke to the police every day regarding questions
9 about Teresa, personal items, and friends of
10 hers, people who may know information about her.

11 I did talk to -- I talked to Jerry on
12 Friday, just shortly, and just mentioned what we
13 were doing. I said we had put up posters and
14 just kind of told him the game plan for things.

15 Q. And did you tell him that -- When you say him,
16 you are referring to?

17 A. Jerry Pagel.

18 Q. Jerry Pagel, Sheriff Pagel. Did you tell him
19 that you were intending to use these volunteers
20 and go out and do searches?

21 A. I believe so. And I believe what we had -- what
22 we had told them was -- or what I had told them,
23 sorry, was that we were just going out on
24 Saturday to do car searches. I told him we were
25 putting up flyers on Friday. And our plan was to

1 go out on Saturday and drive around the
2 countryside and look for anything that was
3 interesting, or worth taking a second look at.

4 Q. So, did you tell Sheriff Pagel that you had sort
5 of become the coordinator of all of this?

6 A. I don't believe so. I think it was just kind of
7 assumed, I was kind of the contact for the whole
8 search. If anybody wanted to help, they were
9 instructed to call me. Basically, I guess it
10 started with me.

11 Q. Did you also speak with Investigator Wiegert on
12 Friday?

13 A. I don't know that for sure.

14 Q. What about Saturday morning, did you speak with
15 him?

16 A. I don't know that for sure either.

17 Q. Is it possible that you did?

18 A. I don't know.

19 Q. Well, did you -- Let me ask it this way. Did you
20 speak to any law enforcement people on Saturday
21 morning, November 5th?

22 A. I don't know.

23 Q. And why is it that you don't know?

24 A. Well, I guess a lot was going on. We had been up
25 for, you know, most of Thursday night, planning

1 all day Friday, all day Friday night, making maps
2 and posters, and sizing them and scaling them, to
3 hand out to everybody to their assigned driving
4 areas. Yeah, I guess, you know, three days
5 without sleep will -- I don't know what else to
6 tell you.

7 Q. Did Sheriff Pagel or any other law enforcement
8 individual tell you that they did not want you to
9 do any of these searches?

10 A. No.

11 Q. They didn't say, like, butt out, this is our
12 investigation, anything of that sort?

13 A. No.

14 Q. Did they -- any of them tell you that they had
15 some concerns about whether your searches might
16 compromise their own investigation?

17 A. No.

18 Q. Did you have any concerns of your own about
19 whether searchers, or all these volunteers going
20 out over the countryside, might somehow
21 compromise the police investigation?

22 A. No, not really. I guess our main concern was to
23 find Teresa, and find her quick, if she was still
24 alive, or still somewhere.

25 Q. But had you considered the possibility that she

1 was not alive at that point?

2 A. It was always a possibility, I guess.

3 Q. And were your searchers instructed to search, not
4 just for her, but anything, any evidence of her,
5 or anything that might point to her?

6 A. Sure, yes.

7 Q. And did you tell that to Sheriff Pagel, that that
8 was your purpose?

9 A. Maybe not specifically like that but, you know, I
10 think the intent was just to go out there and
11 search for anything that would lead to her, yeah.

12 Q. And so to that effect you conveyed that
13 information to Sheriff Pagel?

14 A. Yeah.

15 Q. Other than the Thursday, November 3rd, which is
16 the day I think you said you actually met with
17 Investigator Wiegert, right?

18 A. Yes.

19 Q. Did you have any phone conversations with him
20 after that, between that time and when the
21 vehicle was located?

22 A. Detective Wiegert, I don't know.

23 Q. Is it possible, or are you sure either way?

24 A. I don't know, like I said. I talked to so many
25 of the detectives and police throughout the whole

1 search, not just those first two days, you know,
2 regarding personal items, numbers of contact for
3 Teresa, people who knew her. I can't say for
4 sure.

5 Q. All right. So I take it then that you put the
6 word out to these volunteers to get together
7 somewhere, you talked about working on maps and
8 all of that?

9 A. Mm-hmm, yes.

10 Q. And was there some group meeting of these
11 volunteers?

12 A. Yeah, I guess Friday, when I got back with the
13 posters, most of the calls were put out, you
14 know, family and friends. I know the family had
15 contacted a lot of people. A lot of people were
16 just calling to see what they could do.

17 Basically, we were just telling them to
18 meet at the house. So, Friday, everybody met me
19 there, when I came back with the posters. And
20 Saturday morning -- Friday night we planned that
21 Saturday morning everybody would meet at the
22 house. I'm not sure what time it was, 6, 7.

23 Q. So, you had a big meeting on Friday night of
24 everybody, as well as Saturday?

25 A. Not -- Not so much a meeting as it was everybody

1 just met and then we kind of divvied up, I guess,
2 driving assignments and where everybody should
3 go.

4 ATTORNEY FALLON: Excuse me, just for
5 purposes of clarification, we're losing the
6 sequence. Is this Friday night, or is this
7 Saturday, that we're talking about right now?

8 ATTORNEY BUTING: We'll talk about Friday
9 and then we'll move immediately to Saturday.

10 THE WITNESS: Right now, I think we're
11 talking about both days, yeah.

12 Q. (By Attorney Buting)~ So, Friday evening there
13 was a gathering of 50 some people, something like
14 that?

15 A. Yes.

16 Q. When you say at the house, which house are you
17 referring to?

18 A. At Teresa's house, where Teresa lived.

19 Q. Okay. And were there assignments made on Friday
20 night as to who would do what or was that --

21 A. Friday wasn't as organized as Saturday was. It
22 was, you know, rather fly by the moment. I
23 picked the posters up and everybody met. And
24 when we got back, just had a big circle around
25 me, I guess, and started telling people what

1 cities we needed posters put up in. And
2 people -- people volunteered for mostly the areas
3 they knew, but people just kind of picked areas,
4 we wrote them down for what cities, and made sure
5 that all the surrounding.

6 Q. Is this still Friday night we're talking about?

7 A. This is Friday afternoon, Friday night, yeah.

8 Q. And then, so what was the purpose of meeting
9 again then on Saturday?

10 A. To get a group of people together to do a road
11 search, a car search.

12 Q. So, were there other assignments handed out on
13 Friday evening, that were different than that?

14 A. Friday was just putting up posters. Friday
15 wasn't driving around the countryside looking for
16 a vehicle or anything like that. It was
17 basically --

18 Q. I'm talking about Friday evening, when you had
19 this gathering?

20 A. Friday was all posters. We had one gathering.
21 Everybody met. I handed out posters to
22 everybody, gave them city assignments. They went
23 and handed their posters out and that was it for
24 that day.

25 Q. Okay. So the Friday meeting didn't have any

1 discussion with actual doing any searches, it was
2 just where are we going to put the posters?

3 A. Getting the information out, correct.

4 Q. I gotcha. Okay. So, then, on Saturday morning,
5 did it change to, let's now use them for
6 searches?

7 A. Saturday morning, right, it changed. Everybody
8 met and we decided to do a car search, basically.

9 Q. Was that your decision?

10 A. Basically, yeah. We were up all night Friday
11 night, making maps. Basically, just took
12 satellite images off the internet, blew them up
13 to scale, gave everybody a blown up version of
14 their roads that we wanted them to search.

15 Q. And did the areas you selected -- How did you
16 select what areas to search?

17 A. Um, well, we -- we searched pretty much every
18 town and every road from just about the St. John,
19 Sherwood area, to all the way to Lake Michigan,
20 off to Green Bay.

21 Q. Let me ask you this way. Did you have any
22 information from the police, or otherwise, as to
23 where Teresa was last seen or where she was going
24 on the day she was last seen.

25 A. I'm not sure. I don't believe that -- that we

1 knew where she was last seen then. I'm not real
2 clear about that, like I say.

3 Q. Did you know anything about her travels, her
4 activities on the 31st?

5 A. I knew that she had been taking pictures out in
6 the Manitowoc County area.

7 Q. Okay. And did you know that one of the locations
8 was the Avery Salvage property?

9 A. I believe I did, yes.

10 Q. Okay. You are saying you just don't know if you
11 knew it was the last place that she was seen, but
12 you --

13 A. Right. I don't know when that information was
14 specifically figured out.

15 Q. Okay. But you did know when you were gathering
16 these searchers together, that the Avery property
17 was one place she had been?

18 A. Yes.

19 Q. And so as you are dividing up the property, or
20 the areas to search, did you give that particular
21 area to any individual?

22 A. I didn't, per se, give it to anybody, somebody
23 volunteered -- Well, we had -- we had that whole
24 area covered anyways, all the roads, all the back
25 country roads. But the property itself was --

1 was went through, I guess.

2 Q. Was what?

3 A. I guess you could say went through. Pam -- Pam
4 Sturm had went there, found the vehicle, yes.

5 Q. I'm talking, now, about the meeting on Saturday
6 morning?

7 A. Sure.

8 Q. Did one of the -- one of the sectors -- or you
9 said you had maps, right?

10 A. Mm-hmm, yes.

11 Q. Okay. And you divided them up in certain
12 sectors, would we say, or sections?

13 A. Yeah.

14 Q. And then people were assigned, or volunteered, to
15 take certain sections?

16 A. Yes.

17 Q. And one of those sections included the Avery
18 property?

19 A. No, that's not correct.

20 Q. So, you did not -- That was not something that
21 was considered, by you, to be an area that should
22 be searched?

23 A. By me, I considered it an area that, you know, we
24 definitely should look at. That morning, as you
25 were talking, we did not specifically tell

1 anybody to go there. It was more or less the
2 surrounding areas and the counties around there.

3 Q. Okay. And there's like gravel pits, and
4 quarries, and things like that in that area, too?

5 A. Right.

6 Q. And were people actually going to be walking over
7 land, or just driving on the roads?

8 A. No. That morning, the plan was for everybody to
9 go out in their cars and look for anything
10 conspicuous, tracks going into the ditch, her
11 vehicle, anything, basically, that would lead to
12 where she was.

13 Q. But my question is, were they restricted to just
14 the roads, or was it anticipated that people
15 would then get out and walk?

16 A. I did not restrict anybody. If they wanted to
17 get out of their vehicles and walk spots, that
18 was kind of up to them. My plan was just to get
19 the people out there and have them looking.

20 Q. All right. Now, Pamela Sturm, did you know her
21 before that day?

22 A. No.

23 Q. Never met her?

24 A. No.

25 Q. Did she -- So you had never talked with her at

1 all before Saturday morning?

2 A. Um, she may have been there on Friday, when we
3 handed out the posters. I took names down, I
4 don't remember who I talked to. Basically, we
5 were in such a hurry by the time I got back, that
6 I didn't have time to meet and greet with
7 anybody.

8 Q. Okay. By the way, did you review anything before
9 your testimony today, to help you refresh your
10 recollection about your testimony?

11 A. No.

12 Q. No reports or notes of your own?

13 A. No.

14 Q. Okay. So, did Pamela Sturm arrive with all the
15 other groups?

16 A. No.

17 Q. When did she arrive?

18 A. I don't remember the time. The large group that
19 met that morning left the house at approximately
20 between 7 and 8, I'm going to guess. Pam showed
21 up maybe an hour or two after everybody else had
22 left.

23 Q. And what was discussed at that point?

24 A. Pam came to the house and, basically, introduced
25 herself and asked what she could do. I explained

1 to her what we were doing for the day, what our
2 plan was, showed her the maps.

3 By that time, most of the areas were
4 already covered. And she, basically, mentioned
5 to me, you know, has anybody gone to the Avery
6 car lot, or Avery's Salvage Yard. I don't
7 remember the correct terms for it that she used
8 but.

9 Q. And did you know that she was a former private
10 investigator?

11 A. At that time, I don't know if I did.

12 Q. Did she -- Do you recall her telling you anything
13 about any experience she might have had, with
14 searches?

15 A. I don't remember that. I don't know.

16 Q. Okay. When she mentioned that she might want to
17 take that section and search the Avery Salvage
18 lot, did you understand she meant actually going
19 onto the property?

20 A. Yes.

21 Q. Not just the roads nearby?

22 A. Yes.

23 Q. And did you discuss with her at all, you know,
24 whether she should get permission, or what her
25 procedure should be, or anything of that sort?

1 A. I don't remember that. I really don't remember
2 what was discussed. Basically, that she wanted
3 to go in there and just said, well, if that's
4 what you want to do. I wasn't going to tell her
5 no, but I, specifically, didn't want to tell
6 anybody that they should either, but.

7 Q. But you were coordinating all this, right?

8 A. Yes.

9 Q. So there wouldn't be overlap?

10 A. Yes.

11 Q. And did you talk to her at all about, well, you
12 know, the police might also be searching that
13 area and you should check with them, or did you
14 have any discussion like that?

15 A. I do not think so. I guess I'm not real sure,
16 though. I don't believe so.

17 Q. Okay. Did she tell you that she had spoken to
18 any police officers about it?

19 A. No.

20 Q. No, she didn't or --

21 A. No, she did not.

22 Q. She did not tell you that?

23 A. She didn't tell me that.

24 Q. Okay. Now, you mentioned that these fliers had
25 phone numbers on them, like a hot line number or

1 something?

2 A. Some type of number, yes.

3 Q. Not a number that you got yourself?

4 A. Excuse me?

5 Q. I mean, not a number -- You didn't have anything
6 to do with putting that number on the flier?

7 A. No.

8 Q. You got some other numbers that you could also
9 use to contact the law enforcement, right?

10 A. Yes.

11 Q. And what were those?

12 A. Most of the investigators that I had been
13 speaking to.

14 Q. Okay. They all gave you their phone numbers?

15 A. Pretty much, yes, and cards.

16 Q. So that would be their direct lines?

17 A. Yes.

18 Q. So Sheriff Pagel gave you his card, with his
19 phone number?

20 A. Yes.

21 Q. Investigator Wiegert gave you his card, with his
22 phone number?

23 A. Yes.

24 ATTORNEY FALLON: Objection, leading.

25 ATTORNEY BUTING: I'm asking, did he. I

1 will rephrase it.

2 Q. (By Attorney Buting)~ Did Investigator Wiegert?

3 THE COURT: You may answer.

4 A. Ask me that again, please.

5 Q. Did Investigator Wiegert give you his business
6 card with his phone number?

7 A. Yes.

8 Q. And did you provide those phone numbers to the
9 volunteer searchers?

10 A. I don't -- not that morning, I did not, but I had
11 also -- I had tried to call that number for
12 information and it was -- the number on the
13 flier, I believe, was the number for the general
14 dispatch in Calumet County, which it is not a
15 fast way to get a hold of anybody you need to, if
16 you have direct numbers.

17 Q. So, the faster way was to call which number,
18 then?

19 A. Well, for me, I had direct access to all the
20 investigators, so I could just call their
21 numbers.

22 Q. So, what was the plan, were the volunteers, if
23 they found anything, were they supposed to call
24 you? Were they supposed to call the sheriff?
25 How did you organize that?

1 A. The plan was to call the sheriff, or to call 911,
2 or whatever number they had available to them, to
3 get a hold of somebody.

4 Q. So, did you give them any of those direct phone
5 numbers?

6 A. I gave Pam -- Pam Sturm, I gave her Jerry Pagel's
7 number that morning. The cell phone coverage out
8 in that area is absolutely horrid. And to get a
9 call out to -- most of the time when I used my
10 phone out there, I only had 30 seconds or a
11 minute to talk before your phone cut off on you.
12 But I gave Pam that number, Jerry Pagel's number,
13 that morning, with the intent that if she was
14 going into the car lot and needed to call
15 somebody quick, and get somebody out there, that
16 would be the best way for her to.

17 Q. Is she the only one you gave that personal number
18 to?

19 A. I believe so.

20 Q. Who else was -- Who else had already been on that
21 Avery property, to your knowledge?

22 A. To my knowledge, I don't know if anybody had. I
23 knew that there were cars that were in that area,
24 whether any of them got out and got into the
25 property, I do not know.

1 Q. When you say cars in that area, you mean other
2 volunteers?

3 A. Yeah, searchers from that morning.

4 Q. What about the prior day, were there any
5 searchers in that area, volunteer searchers in
6 that area?

7 A. Not searchers, per se, more or less handing out
8 fliers at, you know, bars, restaurants, grocery
9 stores, post offices.

10 Q. So a volunteer may, in fact, have actually gone
11 to the Avery property and left a flier?

12 A. There is a possibility, if that was their choice
13 to go there and put a flier up, maybe they did.
14 I never instructed anybody or heard that it
15 happened.

16 Q. Okay. Before the morning of November 5th, had
17 you ever been out to the Avery property?

18 A. The 5th, no.

19 Q. That Saturday morning?

20 A. No.

21 Q. So, before the vehicle was located, you had never
22 been -- in your whole life, you had never been to
23 that Avery property?

24 A. No.

25 Q. I mean, that's correct?

1 A. That is correct.

2 Q. Okay. Did you have any idea, though, how many
3 vehicles might have been on that property, that
4 Pam Sturm was going to have to --

5 A. I didn't know how many vehicles were there, no.

6 Q. You hadn't seen any aerial photographs that would
7 give you a clue, or anything of that sort?

8 A. I don't know if I had seen the aerial photographs
9 by then, when the news was covering it.
10 Obviously, there was coverage from above,
11 helicopter shots of the property. I don't recall
12 when I saw those and realized the scale of it,
13 though.

14 Q. So, you don't know whether that was before the
15 vehicle was found, or not?

16 A. No, I don't.

17 Q. Did you -- Did you at some point ever go to the
18 property, the Avery property?

19 A. Yes.

20 Q. When was that?

21 A. Geez, when did we go there? I'm not real sure on
22 the dates. It was possibly that Monday or
23 Tuesday, which would have been, let's see, was
24 that the 6th or 7th, that Monday?

25 Q. Let me ask you this. When you went to the

1 property, was it still, to your knowledge, in the
2 custody of the law enforcement?

3 A. Yes.

4 Q. Did you pass through any checkpoints?

5 A. Yes.

6 Q. And what were you doing there? What were you
7 supposed to be?

8 A. We had met, let's see -- we went and we talked
9 to, I believe it was Jerry Pagel, and just showed
10 him our maps, showed him the lands that we had
11 searched. We had been walking fields and
12 outlying areas of the sector off areas of the
13 Avery property. We had went through county parks
14 around there, river bottoms, fields, forest,
15 basically, to show on the maps and show them the
16 lands we have covered.

17 Q. So, did you actually go into the salvage lot
18 area, though, and start searching on that day?

19 A. No.

20 Q. I don't understand.

21 A. Well, I will correct myself. We had went there
22 and showed them the maps, yes, that morning. And
23 I believe it was that -- like I say I'm not clear
24 on the days that we were out there. But we did
25 go into -- I don't know if it was the sector off

1 off areas, but the very outskirts areas of the
2 enclosed areas, I guess.

3 We walked just a flat winter green field
4 with nothing in it. Walked across the road
5 on some -- I believe it was public land, just
6 forested, and fields by some houses.

7 Q. But were you walking around in the Avery property
8 area, or its immediate outskirts?

9 A. Not in the salvage yard. And I don't know who
10 owned the land, if it was the Averys or not, it
11 was farm field.

12 Q. But it was past the police checkpoint?

13 A. On the road, yes. Police checkpoint was a mile
14 out on each side.

15 ATTORNEY FALLON: I'm going to object to
16 the relevance of this. We don't even know what day
17 it is. We don't know if it was Monday. We don't
18 know if it was Tuesday. We don't know if it's
19 inside, outside the property, and whether it is or
20 isn't is irrelevant.

21 THE COURT: Mr. Buting?

22 ATTORNEY BUTING: I'm just trying to
23 clarify whether it is or isn't.

24 THE COURT: I'm going to give Mr. Buting a
25 little latitude here to answer some of the questions

1 raised by Mr. Fallon.

2 ATTORNEY FALLON: Just so the record is
3 complete, I just would note that whatever is
4 occurring here is well after the warrant was applied
5 for.

6 ATTORNEY BUTING: We may have to recall the
7 witness, potentially. But I'm almost done with my
8 questions of him anyway, so.

9 THE COURT: All right. Go ahead.

10 Q. (By Attorney Buting)~ Just so we're clear, at
11 some point, you were allowed in past some police
12 checkpoint, to do some searches?

13 A. Correct.

14 Q. You are just alone or with other volunteers?

15 A. Myself at first, and then other volunteers to
16 follow after we kind of got a land assignment.

17 Q. And did the officers who let you in know that you
18 had a relationship as a former boyfriend with the
19 missing woman, at that point?

20 A. I don't know if anybody knew I was an
21 ex-boyfriend of hers. I guess I never saw the
22 relevance in it.

23 Q. Did Sheriff Pagel know that?

24 A. What's that?

25 Q. Did Sheriff Pagel know of your relationship with

1 her?

2 A. I don't believe so. I think everybody just
3 assumed I was a good friend.

4 Q. Did Sheriff Pagel know that you had seen Teresa,
5 yourself, just the day before she disappeared?

6 A. I believe so.

7 MR. BUTING: That's all the questions I
8 have, Judge?

9 THE COURT: All right. We'll take our
10 morning break at this time and come back in 15
11 minutes.

12 (Recess taken.)

13 THE COURT: Mr. Buting, it's my
14 understanding that you have finished your direct
15 examination of Mr. Hillegas?

16 ATTORNEY BUTING: Yes, your Honor.

17 THE COURT: Mr. Fallon, or Mr. Kratz?
18 Mr. Fallon.

19 ATTORNEY FALLON: Thank you, Judge.

20 **CROSS-EXAMINATION**

21 BY ATTORNEY FALLON:

22 Q. Mr. Hillegas, the YES Organization which you
23 mentioned, that is an acronym for the Youth
24 Education and Safety Organization.

25 A. I believe so, yeah.

1 Q. And that's an organization that was founded by
2 Mr. Breyer?

3 A. Yes.

4 Q. And as far as you know, he has no association
5 with any law enforcement entity whatsoever?

6 A. I don't believe so, no.

7 Q. All right. Okay. So we're clear, you became
8 involved in the efforts to find Teresa Halbach on
9 Thursday, November 3rd?

10 A. Yes.

11 Q. And that's when you became aware of the fact that
12 she was actually missing?

13 A. Yes.

14 Q. And you were aware of the fact that a missing
15 persons report was filed by the Halbach family,
16 regarding Teresa?

17 A. Yes.

18 Q. All right. And at some point, there was a
19 gathering of people on Thursday evening?

20 A. Friday, it was Friday afternoon.

21 Q. Friday afternoon. Okay. I'm not clear from your
22 testimony on direct examination, did you
23 participate at all in any meeting with any
24 volunteers, any family members, anyone, on
25 Thursday night, November 3rd?

1 A. Yes.

2 Q. Okay. Where did that take place?

3 A. That was at Teresa's house.

4 Q. Teresa's house. And where she lived with her
5 roommate, Mr. Bloedorn?

6 A. Yes.

7 Q. And there were other family members there?

8 A. Karen and Tom came over to the house that
9 evening.

10 Q. All right. Now, as you sit and think now, as to
11 that particular day, do you recall whether
12 Sheriff Pagel was even present on Thursday
13 evening, November 3rd? Do you have an
14 independent recollection of that?

15 A. I believe that it was Pagel and Wiegert that were
16 over Thursday night, with the family, looking for
17 belongings.

18 Q. Looking for belongings. As opposed to Friday, as
19 opposed to any other day?

20 A. I believe it was Thursday but, honestly, I
21 believe there was somebody at the house for about
22 the first four or five days, once she was filed
23 missing, to pick up items and belongings.

24 Q. Now, would it be fair to say that, as a matter of
25 fact, you became involved on Thursday, November

1 3rd, and your involvement didn't really end until
2 the following Wednesday?

3 A. Yes.

4 Q. All right. Which would be about the 9th, I
5 believe?

6 A. Yeah.

7 Q. All right. Now, during that particular time, you
8 did have numerous contacts with law enforcement,
9 throughout the days?

10 A. Yes.

11 Q. All right. Specifically, my questions are going
12 to be focussed on Thursday, Friday, and Saturday
13 morning. Think about those particular times, all
14 right. Now, first and foremost, you indicated
15 that posters were obtained on Thursday,
16 November 3rd?

17 A. Actually, the posters were obtained Friday, on
18 the 4th.

19 Q. All right. When did you become aware that
20 posters were on order, as it were?

21 A. I believe it was Friday morning. I had spoken
22 with the family and they had mentioned to me that
23 this foundation in Appleton was printing up the
24 posters. And they asked me if I could pick them
25 up.

1 Q. When did it become apparent, either directly or
2 implicitly, that you were going to coordinate the
3 volunteer effort?

4 A. Um, I guess it kind of just happened Friday, when
5 I got back with the posters. Basically, had a
6 whole group of people, I guess, wanting to know
7 what they could do, and somebody had to get them
8 on the way.

9 Q. All right. So would it be fair to say that, on
10 Thursday evening, you volunteered to go get the
11 posters?

12 A. Friday morning I volunteered to go pick them up.

13 Q. So, in terms of Thursday evening, there was no
14 discussion really, no formal discussion,
15 regarding the organization or coordination of a
16 poster effort, or a volunteer effort, at that
17 particular point?

18 A. No.

19 Q. And there was no -- no instruction, or guidance,
20 or direction, provided by anyone from law
21 enforcement, to you, relative to the creation of
22 a volunteer effort on Thursday evening?

23 A. No.

24 Q. That's a correct statement?

25 A. That is a correct statement.

1 Q. All right. Now, let's -- let's go to Friday
2 morning. Friday morning you volunteered to go
3 pick up the posters?

4 A. Yes.

5 Q. And the posters were provided by this YES
6 Organization?

7 A. Yes.

8 Q. They were not provided by law enforcement?

9 A. No.

10 Q. All right. You returned back with the posters,
11 there's a group of individuals gathered at Teresa
12 Halbach's residence?

13 A. Yes.

14 Q. All right. And at that particular point, you and
15 Mr. Bloedorn discuss things and, apparently, or
16 implicitly, you become the director, as it were,
17 or the coordinator of this volunteer effort to
18 find Teresa Halbach?

19 A. Yes.

20 Q. All right. Now, at that Friday morning meeting,
21 regarding the placing of the posters, it was your
22 decision to focus efforts, on that day, of
23 getting the word out to the community?

24 A. That's correct.

25 Q. And it was your idea to organize people in such a

1 way as there would be specific areas targeted for
2 the publication, as it were, of the information
3 regarding Teresa's disappearance?

4 A. Yes.

5 Q. All right. And that information was going to be
6 disbursed to the public by means of these
7 posters?

8 A. Yes.

9 Q. And they were going to be tacked up in public
10 places throughout Manitowoc and Calumet County?

11 A. Yes.

12 Q. All right. And in terms of taking that approach,
13 that was your idea, correct?

14 A. Um, I guess it wasn't so much my idea to do it
15 that way, it was the YES Foundation that had
16 mentioned that, you know, first thing is get the
17 information out. So I guess that's how I kind of
18 pictured that we needed to do it.

19 Q. All right. So you got advice from them?

20 A. Yes.

21 Q. All right. Who were you in contact with, from
22 the YES Organization, that provided that advice;
23 do you recall?

24 A. Yup, Jay Breyer.

25 Q. All right. And you had a number of conversations

1 with him?

2 A. Yes.

3 Q. He had some experience, as it were, in trying to
4 find missing persons, or engaging in this type of
5 work?

6 A. Yeah, some type of experience. I know he had a
7 daughter or a niece that was abducted or missing,
8 and that's how he began. But he had helped out a
9 lot of searches across the state.

10 Q. So you conferred with him regarding a relative
11 game plan, as it were, to get the word out?

12 A. Yes.

13 Q. All right. So you were following his advice?

14 A. Yes.

15 Q. So with respect to the placing of the posters,
16 and dividing people up and sending them to
17 various locales in the two-county or tri-county
18 area, there was no one from law enforcement
19 telling you to do that?

20 A. No.

21 Q. There was no one coordinating you, or directing
22 you, in that regard?

23 A. No, that is correct.

24 Q. All right. So you come back, you disburse the
25 people to cover their respective areas for these

1 poster placements; did anything else occur on
2 that particular day, other than disbursing the
3 posters?

4 A. No.

5 Q. All right. Now, the phone number, which was on
6 the poster, was the general dispatch number for
7 the Calumet County Sheriff's Department, correct?

8 A. I believe so, yes.

9 Q. All right. Now, at some point during that day,
10 you did have some contact with Sheriff Pagel,
11 correct?

12 A. Yes.

13 Q. And you were -- The point of that conversation or
14 contact was to advise him of what you were doing,
15 correct?

16 A. Yes.

17 Q. All right. At no point during your conversation
18 was Sheriff Pagel, that day --

19 ATTORNEY BUTING: I'm sorry, what day are
20 we talking about?

21 ATTORNEY FALLON: Friday.

22 Q. (By Attorney Fallon)~ At no point during your
23 conversation -- Well, first of all, before I even
24 ask that question, how many times, your best
25 recollection -- if you are not sure, tell us you

1 are not sure -- how many times you spoke with
2 Sheriff Pagel on Friday, November 4th?

3 A. I guess, how many times, I am not exactly clear
4 or sure.

5 Q. Could it have been once, could have been twice?

6 A. It was at least once. I don't know if it was any
7 more than that.

8 Q. At some point during the course of your
9 discussion, to advise him what you were doing,
10 you obtained a more direct phone number for --
11 from him, should somebody find something?

12 A. Well, I had received his card the night before,
13 when he was at the house.

14 Q. All right.

15 A. So, I guess that's when I obtained the number.

16 Q. All right. But the night before, you didn't have
17 any discussions with him regarding what you were
18 doing, or how you were going to go about it, or
19 anything like that?

20 A. No, we didn't have a plan, basically, until
21 Friday morning.

22 Q. In fact, you don't even know if you talked to him
23 that night, other than to receive his card and
24 exchange pleasantries?

25 A. Basically, yes.

1 Q. Okay. So, on Friday, when you did talk to him,
2 at some point, either one or possibly two
3 occasions, you did obtain a more direct phone
4 number, or was that already on the card?

5 A. I had that on the card.

6 Q. All right. Now, on these conversations with
7 Sheriff Pagel that day, in no way did he direct
8 you to -- where to place these posters, correct?

9 A. That's correct.

10 Q. And there was no discussion with him, whatsoever,
11 regarding any perceived or intended plan to
12 actually conduct searches with the volunteers who
13 were placing the information in the general
14 public?

15 A. Yes.

16 Q. That's correct?

17 A. Yes.

18 Q. All right. And, similarly, you think that you
19 may have had contact with Detective Wiegert on
20 Friday, November 4th, or are you not sure about
21 that?

22 A. I'm not sure if I had any contact with Wiegert on
23 Friday.

24 Q. All right. And it's difficult for you to recall
25 when you had contact, because at some point

1 during the seven days or so that you were
2 involved in looking for Teresa, you did have
3 contact with law enforcement from time to time?

4 A. Yes.

5 Q. Okay. Now, with respect to later that Friday,
6 were there -- on Friday was there -- when did it
7 become apparent, or when did the idea come to you
8 that maybe we should do more than put posters
9 out, maybe we should actually use some of these
10 folks to actually look for Teresa; when did that
11 come about?

12 A. I believe it was late Friday night. I don't
13 exactly recall how we got started on that idea.
14 I did know that I had a whole lot of -- well, a
15 whole lot of volunteers that wanted to do
16 something. Everybody was willing to help. So I
17 guess we just figured we would put them to use.

18 Q. When you say, we figured we would put them to
19 use, are you referring to yourself and
20 Mr. Bloedorn?

21 A. We means, me and Scott, yes.

22 Q. Now, the decision that maybe we can take
23 advantage of these folks in that regard, was
24 entirely your decision?

25 A. Um, I don't know if it was entirely my decision.

1 And I guess, like I said, I'm not clear how
2 that -- how that started, or how we came upon the
3 idea of it.

4 Q. When I say your, I mean yours, meaning you and
5 Mr. Bloedorn's.

6 A. Right, yes.

7 Q. No one from law enforcement told you that, hey,
8 this would be a great idea if you collected some
9 people and went out and helped to look, right?

10 A. No, nobody from law enforcement told us that.

11 Q. All right. Now, Saturday morning, you indicated
12 that, at some point then, on Friday evening, you
13 must have gotten word out to get everybody to
14 come to the house on Saturday morning?

15 A. Yup. Friday -- Friday evening, late evening, we
16 had started telling people to just meet at the
17 house the following morning and we would have a
18 plan.

19 Q. And you were drawing from the pool of 50 to 60
20 people who assisted in putting posters up that
21 day?

22 A. That, and there were probably 20 to 40 more
23 people that were there the following day, on
24 Saturday morning.

25 Q. All right. So on Saturday morning, you had

1 perhaps as few as 70 and maybe almost 80, 90
2 people?

3 A. I would say that's probably accurate.

4 Q. All right. Now, of that 80 to 90 people, it's
5 true, is it not, that there was not one single
6 solitary law enforcement officer present; is that
7 true?

8 A. That is true. That's correct.

9 Q. And the meeting, you said, was scheduled for
10 somewhere between 6, maybe 7 o'clock in the
11 morning, your best recollection?

12 A. I believe, yeah.

13 Q. All right. Now, during the course of the
14 meeting, you had a large gathering of individuals
15 there and the decision was -- tell us how the
16 meeting went.

17 A. Well, by the time people had started showing up
18 in the driveway on Saturday, to go out and do the
19 search, me and Scott had already, basically, had
20 maps of sectioned out areas that we were ready to
21 hand out to people and, basically, when they got
22 there, we had them line up and come through the
23 house. When they got in the kitchen, we made
24 them take a look at the map, gave them a larger
25 version of the map, and then we gave them a

1 smaller version, also, that we wanted them to
2 cover, that's where they went from there.

3 Q. Where did the maps come from?

4 A. Me and Scott made them that night.

5 Q. And where did you make them? How did you make
6 them? Where did you get the information to
7 create the maps?

8 A. Satellite imaging off the internet.

9 Q. Your best estimate, how long did the meeting
10 last, for you to process all the helpers, as it
11 were?

12 A. To go through everybody, it was pretty quick,
13 once they started filing through the house and
14 taking assignments. From start, to the end of
15 the large group that was there in the morning,
16 probably maybe took an hour, hour and a half, to
17 get everybody out of the house.

18 Q. So, after an individual group or person received
19 their assignment, were they then released to go
20 search that area, or did they stick around for
21 any further instructions?

22 A. No, they left right away.

23 Q. They left right away. So it was basically in,
24 get your assignment, and they were out the door?

25 A. As soon as they talked to me and got their

1 assignment, they were, basically, out on their
2 own and ready to leave.

3 Q. All right. And you pretty much left it in each
4 individual searchers discretion as to how they
5 would go about conducting the search?

6 A. Yes.

7 Q. Similar to, I think you said, whether people
8 wanted to get out of their vehicles and walk the
9 area, that was up to them. You certainly didn't
10 put any restrictions, or even give advice, as to
11 how they should go about doing it?

12 A. No, I basically told them to look for anything
13 suspicious, her vehicle, tracks, anybody who had
14 seen her.

15 Q. As a matter of fact, the focus still, at that
16 time, was under the impression or hope that there
17 might have been just some automobile mishap and
18 that perhaps her car was stuffed some side of the
19 road somewhere and no one had discovered it?

20 A. I guess, yes.

21 Q. All right. Now, during the course of handing out
22 these assignments, you didn't hand out any
23 assignments to go search any personal property?
24 By that, I mean any particular residence or
25 buildings?

1 A. No.

2 Q. And the assignments to search areas were more or
3 less public roads and lands which were readily
4 accessible from public roads?

5 A. Yes.

6 Q. They included county parks, gravel pits, for
7 instance, and fields, farms, etcetera?

8 A. Yes.

9 Q. All right. Now, after the initial group of
10 people were processed and given their assignment
11 and sent on their way, later that morning, Ms Pam
12 Sturm and her daughter, Nikole, showed up?

13 A. Yes.

14 Q. Your best estimate, that was maybe as much as an
15 hour, could be even more, after the general group
16 had passed through?

17 A. Yes.

18 Q. Now, Ms Sturm comes to your particular meeting
19 here, and by and large was she the only one left,
20 had everyone else pretty much passed through?

21 A. The large group of people that left that morning,
22 everybody was gone from that group. Throughout
23 the entire day, people were stopping in, people
24 who just got off work, or people who just found
25 somebody to watch their kids. So all throughout

1 the day there were stragglers coming in.

2 Q. Stragglers coming in. Now, when Ms Sturm came
3 in, as I understand it, just so that we're clear,
4 it was she who asked, without any prompting from
5 you, or anyone else, whether anyone had been
6 given the assignment of going to the Avery
7 property?

8 A. Yes.

9 Q. All right. And she said, well, then I'll take
10 that; is that correct?

11 A. Yeah.

12 Q. It was her idea?

13 A. Basically, yes.

14 Q. All right. Well, when you say basically?

15 A. Yeah, it was entirely her idea. She was the one
16 that mentioned it to me.

17 Q. And that's because she told you, well, isn't that
18 the last place where Teresa was seen?

19 A. It was.

20 Q. That was her thinking, I might as well go there?

21 A. Yes.

22 Q. All right. So she and her daughter, then, took
23 that assignment, and they left to go there,
24 correct?

25 A. Yes.

1 Q. Now, before they left, did you give them a phone
2 number, just in case they had problems, or they
3 found anything?

4 A. I did.

5 Q. All right. And what number did you give them?

6 A. I gave them Jerry Pagel's, his cell number.

7 Q. His cell number. From the card that he gave you?

8 A. Yes.

9 Q. All right. And other than that, you had no other
10 discussion with her regarding law enforcement's
11 potential involvement in her effort to search the
12 Avery property?

13 A. Right, that's correct.

14 Q. Okay. Her time at your -- at the meeting place
15 was just, literally, a matter of minutes, maybe
16 10 minutes?

17 A. I would say between 5 and 10 minutes.

18 Q. Did she take any maps or did she just kind of go
19 on her own?

20 A. We gave her maps, I believe, of the area.

21 Q. The general area?

22 A. Right. The same map that we had handed to
23 everybody else.

24 Q. Okay. Similarly, I know I asked you about
25 Saturday, let me back up to the Friday meeting,

1 about divvying up the posters and deciding who
2 was going to put the information and the posters
3 in what particular area. There was no one from
4 law enforcement involved in that meeting either?

5 A. No.

6 Q. All right. Let's talk about the Sunday, Monday,
7 Tuesday.

8 ATTORNEY FALLON: If I may, and if the
9 Court wants to put another exhibit on there, I would
10 like to direct the witness's attention to Exhibit
11 No. 2, from the preliminary examination, dated 12/6
12 of 05. If the clerk would prepare another
13 exhibit -- sticker, I would be happy to put it on
14 here, whatever the next number in order is.

15 THE CLERK: 18.

16 (Exhibit 18 marked for identification.)

17 Q. (By Attorney Fallon)~ All right. Mr. Hillegas, I
18 would like to direct your attention to
19 Exhibit 18, which is an aerial photograph; do you
20 recognize this particular property?

21 A. Yes.

22 Q. And what is that property?

23 A. That's the Avery Salvage Yard.

24 Q. All right.

25 ATTORNEY FALLON: And if the clerk would

1 prepare one more exhibit, 19, please.

2 Q. And I would also like to direct your attention to
3 the aerial photograph which is behind you on the
4 chalkboard, which will be marked Exhibit No. 19.

5 (Exhibit 19 marked for identification.)

6 All right. I just want to clear up some
7 perceived misconception from your examination.

8 First of all, let's look at 18. Now, you
9 indicated at some point on Monday or Tuesday, you
10 passed a checkpoint and were permitted -- you and
11 a few of your volunteers were permitted to do
12 some searching past a checkpoint; is that
13 correct?

14 A. Yes.

15 Q. Now, with respect, first of all, to Exhibit 18,
16 did any of the searching that you and your
17 volunteers did, on either that Monday or Tuesday,
18 occur within the parameters of Exhibit 18?

19 A. No.

20 Q. All right. As a matter of fact, the closest you
21 got to Exhibit 18 is the far corner, upper right
22 hand corner; is that correct?

23 A. Yes.

24 Q. You never passed in through this area, where
25 we're -- into the main business area, correct?

1 A. That's correct.

2 Q. All right. And you had never been on
3 this property before, in your life, correct?

4 ATTORNEY BUTING: Could the record just
5 reflect where you are pointing?

6 ATTORNEY FALLON: Let the record reflect
7 that I'm pointing a laser pointer, in the upper
8 right hand corner, about 4 or 5 inches in from the
9 right side and about 6 inches down from the top,
10 between an area, wide spot in the road with four
11 buildings.

12 ATTORNEY BUTING: That's fine.

13 ATTORNEY FALLON: Good enough?

14 Q. (By Attorney Fallon)~ And, now, you have never
15 been in that particular area before that,
16 correct?

17 A. Correct.

18 Q. All right. Now, directing your attention, again,
19 to Exhibit 19, which is behind you, and if you
20 would be so kind as to get up and use the
21 pointer, the laser pointer, and tell us if you --
22 First of all, can you identify Exhibit 19? You
23 are familiar with what's depicted?

24 A. Right. It's an aerial -- it's like an aerial or
25 a satellite image of, this would be the Avery

1 property, pretty much dead center of the map.

2 Q. All right. Would you point the laser pen,
3 there's a button on there.

4 A. Sure. Right there is the salvage area.

5 Q. And what is depicted there is, in fact, a smaller
6 version of Exhibit 18?

7 A. Yes.

8 Q. All right. Now, you indicated at some point
9 during questioning by Counsel, that you passed a
10 particular checkpoint, to assist law enforcement
11 in doing a search. In looking at Exhibit 19, do
12 you have an idea where that checkpoint would have
13 been?

14 A. Yeah. Am I allowed to get up and look closer?

15 Q. Yes, please do.

16 A. The checkpoint I'm speaking of, I believe that
17 the roads were blocked off here and here, and
18 this is the checkpoint that I'm talking about.

19 Q. All right. I'm going to let you put your
20 initials in red on the spot where that was, your
21 best recollection. Okay. Now, as you are
22 standing there --

23 ATTORNEY BUTING: If you could put a
24 circle, it would make it a little bit more obvious.

25 ATTORNEY FALLON: Sure.

1 Q. (By Attorney Fallon)~ All right. Now, you have
2 marked there, that's the checkpoint, you believe,
3 that you were allowed to pass through with your
4 volunteers?

5 A. Yes, the road block, one of the roads were
6 blocked.

7 Q. Okay. You indicated on direct examination that
8 on either this Monday or Tuesday, and you are not
9 sure when that was, that you were allowed to
10 assist in a search of a couple of areas. Can you
11 draw a line, or put a series of X's to the
12 property which you believe you and your group
13 searched?

14 A. Sure.

15 Q. Just so we're clear.

16 A. Yes. To the edge of this, it's just a plain
17 winter wheat field.

18 Q. All right. And you are making a series of X's?

19 A. I'm making a series of X's.

20 Q. Go ahead. Continue.

21 A. Just, you know, a strip like right here. And
22 then we did some searches of here as well.

23 Q. Perhaps this red might be a little deeper. You
24 could improve upon that. All right. So for
25 purposes of our discussion here -- thank you --

1 you have marked an area, a rectangle as it were,
2 with a series of X's, and that is below -- what
3 is this road right here?

4 A. That's a highway.

5 Q. Do you recall what the name of that highway was?

6 A. I don't recall what it is right now.

7 Q. Okay. Fair enough. Below that highway, you have
8 a rectangled box containing X's?

9 A. Yes.

10 Q. And above the highway you have a four-sided --
11 the geographical -- the box here that --
12 containing X's as well, reflecting an area that
13 you searched?

14 A. Yes.

15 Q. Now, is the area above the road, which passed
16 through, was that past the checkpoint, or was
17 that --

18 A. It was past where the roads were blocked.

19 Q. Where the roads were blocked.

20 ATTORNEY BUTING: Do you want to just
21 stipulate, for the record, what the name of that
22 road is, so it's clear?

23 ATTORNEY FALLON: 147.

24 ATTORNEY BUTING: Is that Highway 147?

25 ATTORNEY KRATZ: Yes, I believe so.

1 ATTORNEY FALLON: Highway 147. All right
2 Very good, have a seat.

3 Q. (By Attorney Fallon)~ And just so that we're
4 clear, there was one other point during your
5 testimony, when you and/or Mr. Bloedorn were
6 collecting this information and coordinating
7 these searches, you would, from time to time,
8 check in with Sheriff Pagel and tell him what you
9 were doing?

10 A. Yes.

11 Q. And you would tell him the areas that you were
12 searching?

13 A. Yes.

14 Q. At no time, however, did he ask you to search any
15 particular place, did he?

16 A. No.

17 Q. He never directed any particular area to be
18 searched, correct?

19 A. That's correct.

20 Q. And, basically, all he did was, well, if you find
21 something, or anything interesting, call us?

22 A. Yes.

23 Q. That was the extent of the direction that you
24 received from Sheriff Pagel.

25 A. Yes.

1 Q. And that was the extent of the direction you
2 received from any law enforcement officer,
3 relative to the search efforts for Teresa
4 Halbach.

5 A. Yes.

6 ATTORNEY FALLON: That's all. Would move
7 into evidence Exhibits 18 and 19.

8 ATTORNEY BUTING: No objection.

9 THE COURT: Those exhibits are admitted.
10 Mr. Buting.

11 ATTORNEY BUTING: Thank you, Judge.

12 **REDIRECT EXAMINATION**

13 BY ATTORNEY BUTING:

14 Q. You mentioned that you had these satellite maps
15 that you had generated off the internet; is that
16 right.

17 A. Yes?

18 Q. Were they similar to Exhibit 19 that you were
19 marking on?

20 A. Yes.

21 Q. Or were they more in, close up, that's a pretty
22 high aerial shot?

23 A. No, our maps were probably like that, or actually
24 farther out. We had no reason to go real close
25 with them, we just wanted to see the roads.

1 Q. Okay. And you mentioned that there was a general
2 map, a big one, and then like a smaller one of
3 certain areas?

4 A. Mm-hmm. Yes.

5 Q. When you say smaller, in what way, were they
6 closer up?

7 A. We handed out a general map to everybody, which
8 covered, basically, the whole -- everything from
9 Lake Winnebago to Lake Michigan, that whole strip
10 of land in there, Manitowoc, Calumet Counties.

11 Q. Like a satellite deal?

12 A. No, that was just a far away -- just a road view.

13 Q. Okay.

14 A. Just a normal map, I guess you could say. And
15 then we made closer versions also, on Friday, to
16 give the people a closer look at the roads we
17 wanted them to travel on. Because the larger
18 maps didn't show all the small country roads and
19 such.

20 Q. So, the smaller ones, were they -- did they cover
21 smaller areas than is depicted in Exhibit 19?

22 A. No, no smaller.

23 Q. So they were about like that?

24 A. Some of them were like that. Some of them were
25 just normal maps that we blew up. It just

1 depended if we could see the roads or not.

2 Q. By normal maps, are you referring to like a Map
3 Quest map, or are you talking about satellite
4 maps?

5 A. A Map Quest map, or just a plain piece of paper
6 with lines on it that had boundaries and roads.

7 Q. Okay. In any event, one of them contained the
8 Avery property as well, right?

9 A. Yup.

10 Q. And the map that you then gave to Pamela Sturm,
11 was it similar to Exhibit 19, then?

12 A. No.

13 Q. What was it like?

14 A. I just gave her the general map that I gave
15 everybody, the large view of all the highways and
16 the roads, nothing close up.

17 Q. Okay. And she said that one of the reasons she
18 wanted to go search that property was because she
19 knew that Teresa had been there the day that she
20 was last seen?

21 A. I believe so, yes.

22 Q. And you were aware of that as well, right?

23 A. Yes.

24 Q. And did you know what her purpose was in going
25 there?

1 A. I knew that she was taking pictures for Auto
2 Trader that day.

3 Q. Did she have any other purpose that you were
4 aware of?

5 A. No.

6 Q. No other reason for being there?

7 A. Not that I'm aware of.

8 Q. Okay. Your discussions with Sheriff Pagel, you
9 said you kept him informed about where people
10 were going to search?

11 A. Just basically let him know what we were doing.

12 Q. And did he ever say, don't go to the Avery
13 property?

14 A. No.

15 Q. Did he ever tell you not to actually go onto
16 private property, without permission?

17 A. I don't know.

18 Q. Did he ever talk to you at all about making sure
19 that the volunteers would get permission if they
20 were on private property?

21 A. I don't recall. I don't know. Like I say, I
22 never really received instruction from him, as to
23 what to do. I basically just told him that we
24 were going out to search.

25 Q. I understand, but what I'm getting at is maybe

1 any advice or instruction he gave you of what not
2 to do. Did he warn you about not to do certain
3 things?

4 A. No.

5 Q. There was no instruction or warning not to pick
6 up evidence, if you found it, or anything like
7 that?

8 A. We -- I guess I pretty much knew that from common
9 knowledge. I didn't need anybody to tell me that
10 I shouldn't tamper with evidence. I, basically,
11 just instructed people from my point of view and
12 from the YES Foundation's, you know, that if
13 anybody did find anything, the first thing you do
14 is get a hold of somebody and leave it alone.

15 Q. It wasn't clear to me from the way you were just
16 testifying in the chronological sequence; did you
17 have any phone conversation with Detective
18 Wiegert, or Investigator Wiegert, on Saturday
19 morning?

20 A. I don't know.

21 Q. Do you remember talking to him about how you were
22 going to have this -- how this meeting was going
23 to take place on Saturday morning to organize all
24 these people?

25 A. I don't know if I told that to Detective Wiegert.

1 I guess I'm not sure.

2 Q. Okay. But you told it to somebody at the
3 Sheriff's Department?

4 A. That I had told Jerry Pagel that we were just
5 going to go out and do a car search.

6 Q. Okay. By car search, you mean --

7 A. Driving the roads and looking for anything
8 conspicuous.

9 Q. And you told him that you were going to do that
10 Saturday morning?

11 A. Yeah.

12 Q. And when you searched the areas that you marked
13 on Exhibit 19, was that just you alone, or was
14 that other volunteers as well?

15 A. Me, as well as other volunteers.

16 Q. How many would you say?

17 A. Between 30 to 50 people came and went, some had
18 prior obligations or couldn't get there until
19 later, so.

20 Q. So, in terms of that little parcel that you first
21 marked, that you searched, south of Highway
22 150 -- 147, how many people were walking through
23 that field with you?

24 A. Between 30 to 50.

25 Q. Okay.

1 A. Like I said, people came and went as they needed.

2 Q. And were there any police officers with you when
3 you were doing that part?

4 A. Yes.

5 Q. Walking with you?

6 A. Yes.

7 Q. How many?

8 A. I believe two.

9 Q. Manitowoc or Calumet?

10 A. I do not know.

11 Q. Don't know their names?

12 A. No.

13 Q. And that first area that you marked is a field
14 that is directly adjacent to the north -- on the
15 north, to the Avery salvage property, right?

16 A. Yes.

17 Q. And did you get Sheriff Pagel's permission to do
18 that?

19 A. Yes.

20 Q. And I'm sorry, I don't remember, but by that
21 point had you told Sheriff Pagel that you were
22 her -- Teresa's former boyfriend?

23 A. I don't know. Like I said earlier, I really
24 wasn't, you know; I guess I didn't tell too many
25 people about it. It never really occurred to me

1 that it was an issue. And it was quite a while
2 ago, that we dated.

3 Q. But you were still seeing her as recently as the
4 day before, that she disappeared, right?

5 A. Yes.

6 Q. And Sheriff Pagel knew that?

7 A. Yes, I believe so.

8 ATTORNEY BUTING: All right. Thank you.
9 No further questions.

10 THE COURT: Anything else?

11 ATTORNEY FALLON: Nothing for this witness.

12 THE COURT: All right. You are excused.
13 With the understanding, Mr. Buting, that you still
14 have the right to recall Detective Remiker, are
15 there any other witnesses for the defense on this
16 motion?

17 ATTORNEY BUTING: Well, Judge, I do know --
18 I understand that the CD's are prepared now, of the
19 information that we talked. I don't know whether
20 you would like to take maybe an early break at this
21 point and we could then proceed.

22 THE COURT: All right. We'll take a lunch
23 break now and resume at 1 o'clock; will that work
24 for the parties?

25 ATTORNEY KRATZ: Sure.

1 ATTORNEY BUTING: Okay.

2 THE COURT: Very well. We'll take our
3 lunch break at this time and then resume at 1
4 o'clock.

5 (Lunch break taken.)

6 THE COURT: At this time, we'll go back on
7 the record. Do I understand, Mr. Buting, you are
8 going to be recalling Detective Remiker?

9 ATTORNEY BUTING: Yes, if we could do that,
10 Judge. And Detective Remiker is involved in both
11 motions, but we thought maybe we would finish his
12 testimony related to the **Franks** part of the motion,
13 including the State's cross-examination. And then
14 we can recall him when we're ready to switch gears
15 into the next motion.

16 THE COURT: Is that acceptable to the
17 State?

18 ATTORNEY FALLON: I think that is
19 acceptable, as far as I know. I told Lieutenant
20 Lenk to be available. We thought it would be in the
21 morning; but I told him, don't plan anything for the
22 day depending on -- so we would have maximum
23 flexibility, so that should work.

24 THE COURT: All right. Is Mr. Remiker
25 here?

1 ATTORNEY BUTING: Yes.

2 THE COURT: Mr. Remiker, you are still
3 under oath. Mr. Buting, you may continue.

4 ATTORNEY BUTING: Thank you, Judge.

5 **CONTINUED DIRECT EXAMINATION**

6 BY ATTORNEY BUTING:

7 Q. All right. Detective, we had an opportunity over
8 the noon hour to listen to the recordings that
9 you used to refresh your recollection. And I
10 guess, so we put on the record, that included,
11 you had 2 CD's, one of which was phone
12 conversations that you had that morning of
13 November 5th; is that right?

14 A. Yes, that's correct.

15 Q. And the other one, the other CD contained radio
16 dispatch information?

17 A. Correct.

18 Q. Okay. Now, the first call that you had on
19 Saturday morning -- I'm sorry, what time did you
20 say you got to work?

21 A. 8:00 a.m.

22 Q. Okay. If I understood from the records, at 9:03
23 a.m., you made a phone call to Investigator
24 Wiegert; is that right?

25 A. Yes.

1 Q. And during that time, you were asking him if they
2 had a timeline or anything for the missing
3 person?

4 A. Correct.

5 Q. And at that time, Investigator Wiegert had some
6 phone records that he had relied on, evidently,
7 and was telling you certain times the phone calls
8 were made?

9 A. Yes.

10 Q. And at that time, the belief was that Teresa
11 Halbach made an appointment -- or made it to her
12 appointment in New Holstein, sometime around
13 1:30 p.m. on October 31st?

14 A. I believe that was part of the conversation, yes.

15 Q. And that the understanding or belief, at that
16 time, was that after that she went to the Avery
17 property?

18 A. Yes.

19 Q. And then after that, she went to her appointment
20 at the Zipperer, Z-i-p-p-e-r-e-r --

21 A. There were discussions about those appointments,
22 whether you are in the correct order or how
23 exactly that discussion took place, I'm not sure,
24 but.

25 Q. But you do you recall at that time, there was a

1 belief or understanding that she had made a
2 subsequent -- an appointment subsequent to
3 meeting with Mr. Avery?

4 A. Correct.

5 Q. Okay. You also talked about some tips that
6 various people had called in; is that right?

7 A. Yes.

8 Q. But in that conversation, there was no discussion
9 about volunteer searchers -- Well, I take that
10 back, there was a reference that Wiegert advised
11 you that the family was doing their own search?

12 A. Yes. Investigator Wiegert tells me, he says,
13 Just so you know, in case you get any calls, the
14 family is doing their own thing. They are out
15 there doing some searches, in case you see them
16 or get some calls of somebody out in some yards
17 or doing some stuff. Just so you know, they are
18 doing their own thing.

19 Q. When he told you that, you said, Yes, I got that,
20 or I read that note?

21 A. Yes, I say that on the phone call.

22 Q. Did you actually get some sort of written
23 instruction about that?

24 A. I don't recall.

25 Q. You haven't seen any kind of written note or

1 instruction about that since?

2 A. No, based on the phone call, I'm assuming it was
3 something in reference to maybe a note in the
4 Shift Commander's Office, or somebody had called
5 the shift commander and just let him know that
6 there's people out there doing some searches --

7 Q. Okay.

8 A. -- in case you get any reports.

9 Q. Okay. And then you also got a second call
10 from -- incoming, from Investigator Wiegert, at
11 about 10:07 a.m., correct?

12 A. Yes.

13 Q. And in that call, did he tell you that there was
14 a change of plans?

15 A. Yes.

16 Q. And did he tell you that his boss wanted them --
17 I don't know if I have the exact words but,
18 wanted to see about using the search -- the
19 volunteer search party, to see if they would go
20 to the Avery junkyard and search that property?

21 A. What he says to me is that, he identifies him as
22 his boss, wants him to reinterview Steven Avery,
23 and another individual, and that there also are
24 some volunteer searchers out there who would be
25 willing to do some searching and that he was

1 going to come and talk to me, and there was a
2 chance maybe we could see if those searchers
3 could get consent to go out on the Avery property
4 and search. I think he called it the junkyard.

5 Q. Maybe we should -- Could we mark your copy? And
6 then could you get another one, if we marked
7 yours as an exhibit?

8 A. No problem.

9 Q. Do you have just the CD of the phone calls with
10 you?

11 A. I had two copies, I gave one to you --

12 Q. Okay.

13 A. -- and one to the State.

14 ATTORNEY FALLON: Are you going to play it,
15 Counsel?

16 ATTORNEY BUTING: No, I just want it
17 marked.

18 ATTORNEY FALLON: Marked?

19 ATTORNEY BUTING: Yeah.

20 ATTORNEY FALLON: Is this the phone or --

21 ATTORNEY BUTING: It says phone call. This
22 is the one, right?

23 THE WITNESS: Correct.

24 ATTORNEY BUTING: Could you mark this?

25 (Exhibit 20 marked for identification.)

1 Q. (By Attorney Buting)~ I'm showing you Exhibit 20,
2 can you identify that for the record?

3 A. That is a CD recordable device that contains
4 audio recordings of conversations on recorded
5 phone lines at the Sheriff's Department.

6 Q. And that includes the phone conversation that we
7 have been discussing this morning, or this
8 afternoon now?

9 A. Should.

10 Q. And that would be the best evidence of what
11 actually was said by Investigator Wiegert, to
12 you, and vice versa?

13 A. That's exactly what he said.

14 Q. Okay. And then you also got another call from
15 Investigator Wiegert; that was on your cell phone
16 though, correct, later that morning?

17 A. The last recorded call that I have between myself
18 and Investigator Wiegert, I give him my cell
19 phone, that's the best way of getting a hold of
20 me. And there were some additional calls that he
21 made to me on my cell phone.

22 Q. And that was before you left the station, even,
23 to go to the Avery property?

24 A. Yes.

25 Q. And we don't have a recording of those phone

1 calls, though?

2 A. We do not.

3 Q. Okay. And in those phone calls, did he talk with
4 you any more about any searches of the Avery
5 property?

6 A. At one point he calls me and says, Hey, I just
7 got a call from some lady, supposedly they are
8 out at the Avery property, they said they got
9 permission from Earl to be out there, and they
10 observed a vehicle that might be Teresa's.

11 Q. Okay. But before that call, were there any other
12 discussions that he had about plans to search, or
13 get consent of -- for a search of the Avery
14 property?

15 A. No, the last recorded call you have there, the
16 second recorded call, he says, I will meet you at
17 the department in about an hour. So then I was
18 waiting for him and then I receive a phone call
19 from him, on my cell phone, advising me that
20 somebody is out there, they found a car.

21 Q. So your understanding was then, the plan would be
22 that he would come to your department and the two
23 of you would go out to the Avery's, or would
24 contact the volunteers, or what?

25 A. He just said we were going to come to your

1 department, we'll discuss it, we'll go from
2 there. We never got to that point.

3 Q. But that his boss wanted to contact the volunteer
4 searchers to see if they would be able to get
5 permission to go onto the Avery property and look
6 there?

7 A. He does make a statement similar to that, yeah.

8 Q. Okay. Now, after you got the call on your cell
9 about -- from Wiegert -- about two women being at
10 the Avery property, you got in your car and left
11 the station, right?

12 A. Yes.

13 Q. And you also made a call to -- or had dispatch
14 contact Lieutenant Lenk, sometime during that
15 point?

16 A. A ways after that.

17 Q. And Lieutenant -- Was Lieutenant Lenk your
18 supervisor at the time?

19 A. Yes.

20 Q. Was he -- He was directly involved with you on
21 this particular Halbach missing person matter as
22 well, wasn't he?

23 A. Yes.

24 Q. And he did also come to the Avery property then?

25 A. Eventually, yes.

1 Q. Do you know what time?

2 A. No idea.

3 Q. Within an hour or so after you called?

4 A. He was out of town. I would say within three
5 hours of calling him, would be a fair guess.

6 Q. Do you know if he arrived before or after you
7 obtained -- you and Investigator Wiegert obtained
8 the actual search warrant?

9 A. Before.

10 Q. Before you did?

11 A. Yes.

12 Q. And then you left the property. You and
13 Investigator Wiegert left the Avery property, to
14 go get the warrant signed by Judge Fox, right?

15 A. Yes.

16 Q. So there's a period of time when you two are gone
17 from the Avery property and from the vehicle,
18 while you are getting that warrant, right?

19 A. Correct.

20 Q. About how long were you gone?

21 A. I'd have to look at my report, several hours.

22 Q. Okay. And then, during that time period, who was
23 the highest ranking officer who would be in
24 charge of your Department's involvement,
25 Lieutenant Lenk, or someone else?

1 A. Deputy Inspector Schetter.

2 Q. Okay. And he arrived about when?

3 A. I would say within two hours after we had

4 verified that it was Teresa's car on the

5 property.

6 Q. And just so we have a time of that, time of the

7 reference, what -- you arrived at the property

8 and about what time was it when you made that

9 verification?

10 A. Approximately 11:00.

11 Q. Okay. Now, I'm sorry, did you actually -- did we

12 talk about you going to the -- We already talked

13 about you going to the Avery's property on the

14 4th, didn't we?

15 A. We did talk about that, yes.

16 Q. Okay. Did you ever -- Before you arrived at the

17 property on November 5th, and saw the vehicle,

18 did you ever talk to any volunteer searchers

19 yourself?

20 A. No.

21 Q. Any volunteers come to your department and say, I

22 want to help, I'm going to be involved in some

23 kind of a search, anything like that?

24 A. None.

25 Q. Any contact with the Halbach family that you had?

1 A. I have never met them.

2 Q. Okay. And when you arrived at the Halbach -- at
3 the Avery property, if I could refer you to
4 Exhibit 18. I'm going to hand you this pointer,
5 maybe you could just show us where you went, how
6 you arrived, with the pointer, and then we'll
7 state it for the record as well?

8 A. I travelled from the Village of Mishicot onto
9 147, which isn't pictured in this diagram. And I
10 would have taken a left onto Avery Road, which is
11 a town road. It actually extends above this a
12 little bit.

13 Q. You are indicating the upper right hand corner of
14 the exhibit?

15 A. Yeah. The picture doesn't actually show Avery
16 Road real well. I would have travelled down this
17 roadway. I wasn't sure where the searchers were.
18 I continued -- this is just a main -- I think
19 it's a gravel portion. There's shops, there's
20 buildings, there's a residence right here. I
21 just continued to go straight down. Continues a
22 gravel portion, some sort of roadway. And then I
23 just continued all the way down here. Right
24 where this lighter area is, is about where I
25 stopped, as it gets a little bit darker here.

1 Q. Let me just state, the record reflects then that
2 your route of entry was a -- is a gravel dirt-
3 type road on the far right of the exhibit, that
4 runs sort of behind the cluster of buildings; is
5 that right?

6 A. Correct.

7 Q. Did you stop at -- First of all, had you ever
8 been to the Avery property? That's right, you
9 were there the night before.

10 A. Friday was the first time I can ever recall ever
11 being on Avery Road.

12 Q. Okay. And when you were there that night, were
13 you aware that the main area where the public
14 would go normally, would be branching on a fork
15 to the right as you come in there, because there
16 is an office building there; is that right?

17 A. Are you asking what my thoughts were when I first
18 got there? I'm not sure what you are asking.

19 Q. Did you ever go to the office, the night before
20 when you were there?

21 A. No.

22 Q. So you have never been there at all?

23 A. I have never been on that property, ever.

24 Q. Until --

25 A. With the exception of Friday, when I did the

1 consent search.

2 Q. I was going to say the morning before, it was
3 Friday morning when you were there, right?

4 A. Correct, 10:30 a.m.

5 Q. Okay. And in any event, you didn't stop anywhere
6 to talk with any of the owners or managers of the
7 property, to see if you had permission to go all
8 the way down to where you did; is that right?

9 A. Correct.

10 Q. And how far away from the Toyota RAV 4 were you,
11 where you parked your vehicle?

12 A. My vehicle is parked right about where that dot
13 is and, obviously, you see there is an indication
14 of where the Toyota is.

15 Pam and Nikole Sturm are also standing
16 right there. I remember them, they were pointing
17 to me the direction as to where that vehicle was.
18 I could see the vehicle from right here where I
19 was standing.

20 ATTORNEY FALLON: All right. Let the
21 record reflect the witness is using the laser
22 pointer to indicate a spot on the exhibit, which is
23 about five inches up from the bottom of the exhibit,
24 on the right hand side, and slightly to the right of
25 the area, or linear line where the RAV 4 was found.

1 In other words, about 4-inches from the far right
2 side and about five inches up from the bottom, in
3 the right hand corner.

4 THE COURT: Parties agree with that
5 characterization?

6 ATTORNEY BUTING: That's fine.

7 THE COURT: All right. The record will so
8 reflect.

9 ATTORNEY BUTING: I can clarify it a little
10 bit more.

11 Q. (By Attorney Buting)~ Are you aware there's a
12 little pond in that area, or a depression with
13 some sort of water?

14 A. Yeah. There's a depression, I think eventually
15 filled up one of those days because it was
16 raining or snowing.

17 Q. You were -- Your car was parked to the north of
18 that?

19 A. Yes.

20 Q. And you were looking across that depression or
21 pond-type area, to the south, where the RAV 4 was
22 found; is that fair?

23 A. That's pretty accurate.

24 Q. Okay. And about how many feet away from the
25 vehicle would you say?

1 A. I'm going to guess at least 200 yards.

2 Q. Okay. Did you eventually go up to the RAV 4
3 yourself?

4 A. Yes.

5 Q. And did you approach it yourself or with others?

6 A. I believe Sergeant Jason Orth was just ahead of
7 me. He arrived just before me. Lieutenant Todd
8 Hermann, we either walked together or we were
9 very close together. I don't remember if we
10 walked together or where he was.

11 Q. And when you did that, that was -- When you first
12 approached the vehicle, that was before the
13 Calumet people had arrived; that is, Investigator
14 Wiegert, or Dederling, or Sheriff Pagel?

15 A. Yes.

16 Q. Okay. And what were you able to determine when
17 you walked up to the vehicle?

18 A. Well, there was a Toyota RAV 4. I had in my hand
19 a manila folder that had the, I call it a
20 teletype or the registration of the vehicle, with
21 me. It was the same make and model, didn't have
22 license plates, it had a Le Mieux Toyota sticker
23 on the back, I believe. There were tree branches
24 covering it. There was a vehicle hood alongside
25 the passenger side. I walked to the driver's

1 side and I just -- I just started looking at the
2 VIN plate.

3 Q. Were you able to look inside the vehicle?

4 A. At one point I looked in the vehicle, yes.

5 Q. And did you see any blood or anything?

6 A. I did not observe any blood then, no.

7 Q. Didn't see any person, obviously?

8 A. Not that I could see.

9 Q. Did you have to use a flashlight to do that or
10 was the daylight bright enough?

11 A. I had to use a flashlight to get the whole VIN
12 number. I may have used -- I looked under the
13 car, to see if Teresa was under there.

14 Q. Did it appear that the drive train was disengaged
15 at all or did it look --

16 A. The grass was kind of high, just -- I made a
17 quick determination that there was nobody under
18 the vehicle, and from what I could see in the
19 vehicle, and confirm the VIN number, and I walked
20 out.

21 Q. Okay. Now, you -- you weren't actually able to
22 get all of the VIN numbers; isn't that right?

23 A. No, that's not right.

24 Q. Do you still have your report with you?

25 A. Yes.

1 Q. If you could look at Page 5, please.

2 A. Okay.

3 Q. Right about in the middle, there was a reference
4 of 11/05/05, 1100 hours?

5 A. Mm-hmm.

6 Q. Third line from the bottom, don't you say in your
7 report, I was able to verify all but the first
8 two numbers on the VIN.

9 A. That's what it says.

10 Q. So would that be more accurate than your memory
11 today?

12 A. If you read the next paragraph, I think it
13 explains it. The VIN was confirmed as the VIN
14 number for missing Halbach vehicle.

15 Q. Confirmed how?

16 A. I read all 17 numbers.

17 Q. So four minutes later -- At first you couldn't
18 read it, and then you did read it later?

19 A. The VIN plate was moved. And with the sunlight
20 and the windshield, you couldn't see it real
21 well. I got a flashlight from -- it was either
22 Orth or Hermann -- and I used the flashlight to
23 illuminate the numbers. I could get all the VIN
24 numbers then.

25 Q. Is this the VIN number that's found up on the

1 dashboard, by the driver's side?

2 A. Correct.

3 Q. You say it was moved?

4 A. Well, it looked like somebody had tampered with
5 it. It was bent. And it wasn't in original
6 factory condition.

7 Q. Okay. And you weren't able to see it without the
8 use of a flashlight?

9 A. I believe it was the first two numbers I couldn't
10 get. Then when I got the flashlight, I shined it
11 in there and I was able to get all 17 numbers.

12 Q. Okay. Did you check any of the doors?

13 A. I didn't touch that vehicle.

14 Q. Okay. So, how long were you in that presence of
15 the vehicle?

16 A. Well, I -- I arrived at 1100 hours, 1106 I
17 walked away from the vehicle. Sergeant Orth
18 stayed by the vehicle as security.

19 Q. Okay. And then you went back to where your car
20 was, or someplace else?

21 A. I went and made contact with Nikole and Pam, told
22 them that it was the vehicle. They started
23 crying, comforted them for a little bit, and then
24 Calumet County showed up.

25 Q. Okay. And then how long was it after that that

1 Calumet County showed up?

2 A. 1110 hours.

3 Q. When you say Calumet County, it's Sheriff Pagel,
4 Investigator Wiegert, and Investigator Dederling,
5 right?

6 A. My report says Sheriff Pagel and Investigator
7 Wiegert. I know Investigator Dederling was there
8 also. When he arrived, I'm not sure.

9 Q. Did you see how they entered the property?

10 A. They came down -- They came down the road that --
11 in the area where I was parked. So, that's all I
12 know.

13 Q. And then also in that area then was, when they
14 arrived, was yourself, Sergeant Orth -- and was
15 Lieutenant Hermann down there near your car?

16 A. Sergeant Orth was standing by the vehicle.

17 Q. Okay.

18 A. Lieutenant Hermann was by me somewhere, and then
19 Wiegert and Sheriff Pagel arrived.

20 Q. And you were all clustered in that lower right
21 hand corner of Exhibit 18?

22 A. Yeah. I would say between where the road ends,
23 and there's a car crusher right along the side
24 here.

25 Q. Okay. So that's about 11:10 a.m., and at that

1 time point there's six law enforcement officers
2 clustered in that area, including Orth?

3 A. I would say at least five.

4 Q. And to your knowledge, none of them had actually
5 obtained consent to come into the property and go
6 to that location, yet, from the property owners?

7 A. They did not.

8 Q. Okay. Did you actually have contact with the --
9 one of the owners or managers of the property?

10 A. Earl drove down there on his four-wheeler.

11 Q. At what point was that?

12 A. Well, I have Wiegert and Sheriff Pagel arriving
13 at 1110 hours. In my report I indicate, a short
14 time later a four-wheeler came to our location,
15 so.

16 Q. Five minutes or so?

17 A. Yeah, I would say.

18 Q. So in terms of time then, from about 11:00 a.m
19 when you first arrived -- Were you the first one
20 to arrive or Sergeant Orth?

21 A. We were all within a minute or two.

22 Q. Okay. So, from about 11 a.m. to about 11:15, one
23 or more law enforcement officers was down in the
24 Avery property, without yet having had any
25 contact, to gain consent from one of the owners?

1 A. At one point, Lieutenant Hermann made contact
2 with Earl and got consent for us to be there and
3 to start conducting an investigation.

4 Q. And that was at about 1117; is that right?

5 A. It's in the report here, somewhere. Yeah, 1117,
6 Lieutenant Hermann spoke with Earl Avery. Earl
7 gave verbal consent at this time for conducting
8 an investigation in the salvage yard.

9 Q. All right. Now, at what time was it determined
10 that there might be a change in the leadership of
11 the investigation?

12 A. I documented a time of 1145 hours. There was a
13 decision made to turn over the scene to Calumet
14 County Sheriff's Department and DCI.

15 Q. And did you participate in that decision?

16 A. I was present during the discussions. I don't --

17 Q. Who actually made the decision?

18 A. I think that was collectively made between Deputy
19 Inspector Schetter, Calumet County Investigator,
20 Sheriff Pagel. They were all in on the
21 discussions.

22 Q. Okay. Were there any -- any attorneys on the
23 scene at that point?

24 A. Attorney Kratz showed up.

25 Q. District Attorney Rohrer?

1 A. Yes. And I believe -- I believe Assistant
2 District Attorney Griesbach was out there also.

3 Q. And did any of the attorneys involved -- or did
4 they -- Were they involved at all in the decision
5 to transfer authority from Manitowoc Sheriff's to
6 the Calumet, if you know?

7 A. I don't know.

8 Q. Okay. Were you then asked to get information
9 together that could be placed in a warrant -- a
10 search warrant application?

11 A. I was asked to drive down some of the driveways
12 and get some physical legal descriptions of
13 certain pieces of property.

14 Q. And that would include the residences that you
15 were aware of, and the properties?

16 A. Yes.

17 Q. Including Steven Avery's trailer and garage?

18 A. Yes.

19 Q. And you got physical description of that, that
20 you could then -- but you had to drive over there
21 to get it; is that right?

22 A. Yes.

23 Q. Did you go inside any buildings during that
24 period of time?

25 A. Never left my vehicle.

1 Q. Okay. And then, did you participate in the
2 drafting of the warrant?

3 A. I'm sure I was asked some questions and gave
4 verbal information to Investigator Wiegert. We
5 were in phone contact with Calumet County's
6 paralegal or secretary, District Attorney Kratz.

7 Q. But did you -- Did you read the warrant before it
8 was presented to the Judge? I understand you
9 didn't sign it.

10 A. I may have, I don't know.

11 Q. It wasn't -- Since you weren't the one that was
12 signing it, it wasn't as important that you make
13 sure that everything in it was accurate?

14 A. I know there were some changes made, certain
15 people would review it, a phone call was made
16 back to the paralegal to change this or change
17 that. Eventually there was sufficient
18 information that we felt comfortable. I don't
19 remember if I specifically read it at the end.

20 Q. Okay. In any event you didn't, or did you, make
21 any corrections to the information in the
22 affidavit before it was presented to the Judge?

23 A. I know there were changes made periodically,
24 whether it was in direct correlation to what I
25 say, or based on myself reviewing it, I don't

1 know.

2 Q. Okay. But your position was that you weren't --
3 It wasn't directly your application, it was
4 Investigator Wiegert's; would that be fair?

5 A. He was the lead investigator, so, we were all
6 working together on it.

7 ATTORNEY BUTING: All right. I have no
8 other questions on this *Franks* part.

9 THE COURT: Very well. Mr. Fallon.

10 ATTORNEY FALLON: Thank you.

11 **CROSS-EXAMINATION**

12 BY ATTORNEY FALLON:

13 Q. Is it detective or investigator; does it matter?

14 A. Either one is fine.

15 Q. Okay. Detective Remiker, on Friday,
16 November 4th, you had no contact with any
17 volunteer, or anyone associated with
18 Mr. Hillegas' and Scott Bloedorn's volunteer
19 search efforts; would that be correct, on Friday,
20 November 4th?

21 A. No.

22 Q. All right. And on Saturday, November 5th, just
23 so that we're clear, you did not have any
24 conversations, on the phone or in person, with
25 anyone representing themselves to be a member of

1 Mr. Hillegas's search efforts?

2 A. No.

3 Q. Okay. So that's correct, you had no contact?

4 A. I'm not sure who Mr. Hillegas is.

5 Q. Okay. Fair enough. Did you have contact with
6 anyone representing themselves to be a searcher,
7 anyone that you believed was a volunteer
8 searcher, on Saturday?

9 A. The only contact I had was when I was attempting
10 to get more information from Investigator
11 Wiegert, about these two females down in the
12 gravel pit or salvage yard. He said, Here's
13 their number, call them.

14 Q. So --

15 A. And I called, I think I spoke to Nikole. And she
16 told me where she was and what was going on.
17 Other than that, I had no idea anybody was out
18 there.

19 Q. Other than that. Very well.

20 A. Other than that.

21 Q. Okay. Now, I would like to clarify something
22 regarding the phone conversations you had with
23 Investigator Wiegert on Saturday morning,
24 November 5th. On his second call with you,
25 that's to you, Investigator Wiegert said, there's

1 been a change of plans, correct?

2 A. Yes.

3 Q. And in that call, he indicated that his boss,
4 which you took to mean Sheriff Pagel?

5 A. I don't know who I took it as. He just said his
6 boss, whoever that is.

7 Q. Indicated that at that time that he wanted them,
8 presumably himself and other people involved in
9 the missing persons case, to reinterview Steven
10 Avery and another individual, possibly
11 Mr. Zipperer or someone?

12 A. That's correct.

13 Q. And as a matter of fact, the intention was that
14 we should go talk to them and see if we can gain
15 consent to look around the salvage yard, correct?

16 ATTORNEY BUTING: Objection as to what --
17 what their intent would be, since he's speculating
18 as to that.

19 ATTORNEY FALLON: I'm saying the stated
20 intent.

21 ATTORNEY BUTING: Okay.

22 Q. (By Attorney Fallon)~ Is that correct?

23 A. My understanding is that --

24 THE COURT: Your objection is withdrawn?

25 ATTORNEY BUTING: If it's focussed on what

1 was stated, yes.

2 THE COURT: Okay.

3 A. Can I hear your question again, I'm sorry?

4 Q. Sure. The reason for the reinterview was to --
5 one of the reasons -- was to see if they would
6 gain consent of Mr. Avery, or others at the
7 property, to look around the property, correct?

8 A. My impression was, it's kind of separate, do
9 some -- reinterview Steven and Mr. Zipperer; and
10 there's some searchers that are out there, they
11 are willing to do some searches. Maybe at some
12 point we can contact the Averys and see if they
13 would allow these searchers to go out on the
14 property.

15 Q. Maybe?

16 A. Possibly.

17 Q. That meeting never took place, correct?

18 A. Correct.

19 Q. And there was no other further discussions
20 regarding that idea, were there?

21 A. No.

22 Q. And the reason that occurred is because shortly
23 thereafter you got a call from Mr. Wiegert,
24 Investigator Wiegert, saying, Hey, we have one of
25 these people on the property, they think they

1 found the car?

2 A. Correct.

3 Q. And that's when things really changed?

4 A. A lot.

5 Q. All right. Now, when you went to the property
6 that Saturday morning, there were no gates
7 around, at that particular time, precluding entry
8 to the property, right?

9 A. No gates, no chains, nothing. I continued down a
10 gravel portion, if you extend Avery Road, right
11 down into the gravel pit. There was a road, went
12 past a residence, went by shops.

13 Q. Well, obviously, and it hasn't been made clear
14 yet, but this is a commercial business, right,
15 this is a salvage yard?

16 A. Yes.

17 Q. They were open for the public that day, right?

18 A. I would assume so, yes.

19 Q. In fact, there were other people milling around,
20 upon your arrival, right?

21 A. Yes.

22 Q. As a matter of fact, one of the reasons that Ms
23 Sturm called, she indicated, Well, there's some
24 people walking around here, and she was a little
25 uncomfortable, right?

1 A. Yes, there were people walking around the salvage
2 yard, traffic in and out.

3 Q. Traffic in and out. So people were coming and
4 going. In fact, since people were coming and
5 going, you actually had some of the officers
6 stopping or checking license plate numbers for
7 vehicles that were coming and going from the
8 property, as you members of law enforcement were
9 first arriving?

10 A. Yes.

11 Q. And that's because there was traffic in and out
12 of the Avery property. When I say the Avery
13 property, I'm referring to the salvage yard,
14 which is depicted on Exhibit 18?

15 A. There were people walking around, within these
16 cars, as we were down there. There were people
17 coming in off 147 and Avery Road, constantly.

18 Q. All right. As a matter of fact, one of the
19 reasons why it took Mr. Avery -- Mr. Avery, I'm
20 referring to Earl Avery -- a few minutes to get
21 down there is because he was talking to some
22 people; is that right?

23 A. That, I don't know.

24 Q. All right. Now, with respect to the location of
25 the vehicle, you did, yourself, walk from where

1 you parked your squad, up to the vehicle,
2 correct?

3 A. Yes.

4 Q. All right. Did Pamela Sturm and her daughter,
5 Nikole, walk with you to the vehicle, or was it
6 readily visible from where you stopped your car
7 and parked?

8 A. They stood right by my vehicle. I did not allow
9 them to go any further than that. I walked back
10 from my vehicle, back to where the Toyota was,
11 they stayed there. I returned, and they were in
12 that same location.

13 Q. All right. So you walked to the vehicle alone?

14 A. Lieutenant Hermann and Sergeant Orth were
15 either -- I think Sergeant Orth was just ahead of
16 me and Lieutenant Hermann was by me, or somewhere
17 in the vicinity.

18 Q. At the time you were investigating the VIN
19 characters, were you alone or were the other two
20 officers, with you?

21 A. The other two were with me.

22 Q. All right. And as a matter of fact, when you
23 first examined it, you were able to get 15 out of
24 the 17 characters?

25 A. First two, I couldn't see.

1 Q. Because of the light and position?

2 A. Yes.

3 Q. Now, a few minutes later you were able to borrow
4 a flashlight?

5 A. Yes.

6 Q. And you were able to get the last two vehicle
7 identification numbers?

8 A. I matched up all 17 from that -- that vehicle
9 registration that I had in my hand, with the
10 vehicle that was parked there.

11 Q. All right. And, now, describe for us, if you
12 will, you indicated there was some trouble
13 reading the VIN number, and why was that?

14 A. It was tampered with. It was moved. I guess my
15 best recollection would be as if somebody maybe
16 took a screwdriver or something and pushed it, or
17 moved it, or bent it. It wasn't in its normal
18 position. It wasn't flat.

19 Q. And did that contribute, along with the sunlight
20 and difficulty in initially reading all of the
21 numbers?

22 A. Yeah. Yeah, I'm sure it did.

23 Q. All right. If you would take the pointer and
24 tell us, you said you never left your vehicle
25 when you went out and looked for better -- or

1 physical descriptions of some of the buildings on
2 the parcel of land here. Tell us how you went
3 about that, if you would, with the pointer, show
4 us what you did, where you drove?

5 A. I drove from this lower portion here, back up
6 this road.

7 Q. So you are going south to north, back toward the
8 entrance?

9 A. Yes. And then I know I travelled down this road,
10 which actually leads to Steve's residence, Barb's
11 residence. And I continued to drive down here.
12 I parked at the end of this driveway.

13 Q. All right. Now, that's the driveway that runs
14 across the top of the exhibit?

15 A. Correct.

16 Q. And you showed us a course of driving east to
17 west; is that correct?

18 A. Yes.

19 Q. All right.

20 A. I either wrote down the legal descriptions, or I
21 was on a phone with Calumet County and I was
22 giving it to them. Then I drove back. I know I
23 got a legal description of Barb's trailer, which
24 is right there. And I don't know how many other
25 buildings I got information from.

1 And then I just drove back here and came
2 back down. In fact, my car battery went dead
3 here. I used somebody else's car. My car
4 actually stayed here. I used somebody else's car
5 and drove down here.

6 Q. For the initial foray, or did you have to go back
7 and redo it because -- or -- I'm not sure, when
8 did the car die on you?

9 A. When I went back -- When I was given instructions
10 to go get legal descriptions, I went back to my
11 car and then it was dead. And I went and grabbed
12 somebody else's car and I drove here and got
13 those descriptions and then I came right back.

14 Q. Now, how about the area where there's a cluster
15 of buildings in the northeast corner there,
16 toward the entrance way, there is one, two,
17 three, four, looks like five buildings; were
18 those included in the general description that
19 you were asked to get or did you somehow already
20 have that information?

21 A. I know I got Barb's and Steve's. I don't know --
22 I don't recall if I got descriptions of all these
23 other buildings. I don't know. I may have
24 gotten Chuck's trailer, which is right here. I
25 don't know about those other buildings. I don't

1 recall.

2 Q. All right. How that information was obtained?

3 A. I'm not sure.

4 Q. Okay. Now, when you first made contact with Earl
5 Avery, shortly after 11:10 a.m., he indicated to
6 you that most of the family, Charles, Allen,
7 Delores, and Steven, were up at their family
8 property in Marinette County, correct?

9 A. Yes.

10 Q. So he was the one that was more or less in charge
11 of the property and the business area at that
12 time, correct?

13 A. I think I asked him. I think he said he was part
14 owner, or owner, of the property or the business.

15 Q. At any time during that particular meeting with
16 him, the one shortly after 11:10 a.m., did he
17 ever ask you to leave?

18 A. No.

19 Q. Did he ever indicate any displeasure or -- with
20 your presence on the property?

21 A. Earl was very cooperative. He didn't know much
22 about what was going on, but he was very
23 cooperative.

24 Q. Right.

25 ATTORNEY FALLON: That's it.

1 THE COURT: Mr. Buting, any redirect?

2 ATTORNEY BUTING: Judge, I would move
3 Exhibit 20 into evidence. And I wonder, just so we
4 can clear the record, maybe the -- that second phone
5 call, we could just play it. It's only about a
6 minute or two and we would have the exact. There's
7 been some -- It's been described various ways as to
8 what Investigator Wiegert said about the use of
9 volunteers in searching the Avery property. I think
10 that would be the best evidence.

11 ATTORNEY FALLON: We could do that, or the
12 Court could listen to it at your leisure as well.
13 It doesn't matter to me; whatever you think is
14 easiest.

15 THE COURT: You don't object to it's
16 admission?

17 ATTORNEY FALLON: Not at all.

18 THE COURT: I will admit it into evidence.
19 I think it's just as easy for me to listen to it
20 later.

21 ATTORNEY BUTING: Okay.

22 THE COURT: It's in evidence.

23 ATTORNEY BUTING: The one thing that we
24 should maybe clarify, though, or that he could
25 clarify for here is, who's speaking. They don't

1 identify themselves. And the second phone call, the
2 first voice, I don't know if it's obvious to the
3 Court which one is Wiegert.

4 THE COURT: It's Detective Remiker calling
5 Mr. Wiegert?

6 ATTORNEY BUTING: No, that's the first one,
7 that's a longer call, the second one is much
8 shorter.

9 THE COURT: I'm sorry, the second one is
10 Wiegert calling Remiker.

11 ATTORNEY BUTING: Right.

12 THE COURT: Are they the only two
13 participants in the call?

14 ATTORNEY BUTING: Yes.

15 ATTORNEY FALLON: Yes.

16 THE COURT: Okay. I think I can figure it
17 out.

18 ATTORNEY FALLON: I have no objection to
19 the receipt of the exhibit, that's fine.

20 THE COURT: Exhibit 20 then is received. I
21 will ask the Clerk, are there any exhibits that have
22 been marked today that haven't been received yet?

23 THE CLERK: No.

24 THE COURT: Okay.

25 ATTORNEY BUTING: I do have just one last

1 question, now that I think about it.

2 REDIRECT EXAMINATION

3 BY ATTORNEY BUTING:

4 Q. You indicated there were other customers or
5 people in the salvage yard, right, when you were
6 there?

7 A. Yes.

8 Q. Nobody else's vehicles were parked down where you
9 were, right, operating vehicles, in other words,
10 not junk ones?

11 A. I don't believe so.

12 Q. So any customers that would be in that area,
13 their cars would be parked up by those business
14 buildings, or don't you know?

15 A. I have no idea where they are parked.

16 ATTORNEY BUTING: Okay. No further
17 questions.

18 ATTORNEY FALLON: Nothing.

19 THE COURT: Anything else? All right. The
20 witness is excused. Does the defense, then, have
21 any further witnesses on the **Franks** motion.

22 ATTORNEY BUTING: No, your Honor.

23 THE COURT: Does the State have any
24 witnesses to call on the **Franks** motion?

25 ATTORNEY FALLON: Just one.

1 THE COURT: Very well.

2 ATTORNEY FALLON: We have just one witness,
3 we call Earl Avery.

4 THE COURT: Mr. Avery, you can just step up
5 to the witness stand, please. Remain standing and
6 the Clerk will swear you in.

7 THE CLERK: Please raise your right hand.

8 **EARL AVERY**, called as a witness herein,
9 having been first duly sworn, was examined and
10 testified as follows:

11 THE CLERK: Please be seated. Please state
12 your name, and spell your last name for the record.

13 THE WITNESS: Earl Avery A-v-e-r-y.

14 ATTORNEY FALLON: Thank you.

15 **DIRECT EXAMINATION**

16 BY ATTORNEY FALLON:

17 Q. Mr. Avery, you are the brother of Steven Avery?

18 A. Yes.

19 Q. All right. And what do you do for a living, sir?

20 A. I run a salvage yard with my brother.

21 Q. All right. And which brother do you run the
22 salvage yard with?

23 A. Chuck.

24 Q. Is that short for Charles?

25 A. Yes.

1 Q. And you run the business which is depicted here
2 on Exhibit 18; that's a picture of the property
3 that you run?

4 A. Yes.

5 Q. All right. And just so I'm clear, who owns all
6 that land or property?

7 A. My mom, my dad.

8 Q. All right. And their names are Delores and Allen
9 Avery?

10 A. Yes.

11 Q. All right. And in terms of who keeps the books,
12 and works on the purchasing orders, and sales,
13 and things of that sort for the salvage yard
14 business?

15 A. That would be my dad, Al.

16 Q. I'm sorry, I didn't hear your answer?

17 A. That would be my dad, Al.

18 Q. All right. And how long have you been running
19 the business, as it were?

20 A. I couldn't tell you, last couple years.

21 Q. All right. And as of last November, that's how
22 it was, you and your brother, Chuck, were running
23 the business and your mom and dad were handling
24 the books, as it were?

25 A. I guess, yes.

1 Q. All right. And what kind of decisions that you
2 and your brother, Chuck, would make -- I mean
3 what kind of business, what activities, did you
4 do as in terms of running the business?

5 A. I mainly just disassembled cars, and picked up
6 cars, picked up junk cars. I was mostly on the
7 road.

8 Q. On the road. Who handled the customer traffic
9 that would come in? Say, for instance, I wanted
10 to come in and pick up an automobile part, or
11 maybe I wanted to sell you some crushed cars, or
12 I should say, not crushed, but crashed cars, or
13 something like that?

14 A. Whoever was there.

15 Q. Whoever was there. So that would either be you
16 or --

17 A. Me and Chuck.

18 Q. Chuck. Would your dad sometimes handle that
19 work?

20 A. No.

21 Q. How about your mom?

22 A. No.

23 Q. All right. Now, did your brother, Steve, was he
24 a co-owner of the business?

25 A. No.

1 Q. Was he an employee of the business?

2 A. No, he was just helping us out.

3 Q. He would help you out from time to time?

4 A. Yeah.

5 Q. What were some of the things that he would help

6 you out with?

7 A. The same thing, disassemble cars and get them

8 ready for to go down in the yard, and everything

9 else.

10 Q. All right.

11 A. Drain the fluids.

12 Q. And did your brother, Steve, have any say in how

13 the business was run, or pretty much you and

14 Chuck?

15 A. Mainly just me and Chuck.

16 Q. Any big decisions or final decisions, were those

17 made by you, or made by your dad?

18 A. Mostly my dad.

19 Q. All right. Now, in recent years, your dad was

20 gone quite a bit to your property up in Marinette

21 County; would that be fair?

22 A. Huh?

23 Q. Would that be fair, he would take a lot of time

24 off, you know, and go to the property in

25 Marinette County?

1 A. Yeah. Just Monday through Thursday, he was
2 usually at the yard.

3 Q. Monday through Thursday. And he would take long
4 weekends to go up north?

5 A. Yeah.

6 Q. All right. That had been going on for a couple
7 years?

8 A. Yes.

9 Q. All right. So, for the day-to-day business, you
10 and your brother, Chuck, would pretty much handle
11 most things that came up?

12 A. Yes.

13 Q. All right. Now, what were the business hours for
14 the salvage yard?

15 A. Eight to five, Monday through Friday.

16 Q. All right. How about Saturdays?

17 A. Eight till noon.

18 Q. Eight till noon. All right. If, for instance, I
19 wanted to come in and see if you had any parts
20 for a particular car that I needed to repair,
21 would I come in and check in the office or could
22 I, if I wanted to, just wander through the yard
23 and see if I could find something that might fill
24 my need?

25 A. No, you have to check in the office.

1 Q. Okay. And so then we probably would come in, say
2 I'm looking for a part to a 1999 Chevrolet
3 Impala, and you might say, well, try this part of
4 the yard?

5 A. Yes.

6 Q. Okay. All right. Of your family, Mr. Avery, who
7 actually lived in the parcel of land that's known
8 as the Avery property, or the -- Who lived there,
9 who had residences?

10 A. It was my brother, Chuck, and my ma and dad, and
11 that was it.

12 Q. Your brother, Steve, had a residence, right?

13 A. Yeah, but that wasn't on Avery's Auto Salvages.

14 Q. I'm sorry?

15 A. That wasn't on Avery's Auto Salvages property.

16 Q. Of the 40 acres, 37 was actually salvage yard
17 property; would that be about right?

18 A. I guess, yes.

19 Q. Something like that?

20 A. Yeah.

21 Q. All right. And your sister, Barb, was -- where
22 was her property?

23 A. Hers was down on the end.

24 Q. All right.

25 A. Yeah.

1 Q. Now, I would like to direct your attention to
2 Saturday morning, November 5th. Did their come a
3 time where you had some people come to your
4 property expressing an interest regarding the
5 whereabouts of Teresa Halbach?

6 A. Yes.

7 Q. All right. Did you have more than one person
8 come to the yard that morning?

9 A. Yes.

10 Q. Um, tell us about that, you had someone come?

11 A. Yeah, I had -- At first I had two -- two people
12 come. I don't know what time it was, but there
13 was a man and a lady there that asked if they
14 could take a ride through the yard, just to take
15 a look. And I told them, go ahead, I'm more than
16 willing to help you guys out.

17 Q. Did they give you anything to hang up in the
18 office?

19 A. Yeah, they gave me a poster or something to hang
20 up in the office. Actually, they asked me if
21 they could hang it up and I said, yes.

22 Q. Okay. So they did, and they kind of asked if
23 they could take a ride around?

24 A. Yes.

25 Q. Do you know if they did?

1 A. As far as I know, they went down into the pit and
2 they took a ride around, but I didn't see them
3 leave after that.

4 Q. Okay. Now, did you have other visitors that had
5 come that morning, expressing an interest in
6 Teresa Halbach's whereabouts?

7 A. Yes.

8 Q. Tell us about that.

9 A. I was outside with a neighbor, talking to a
10 neighbor outside. And they come up to me and
11 they asked me -- there were two ladies, maybe it
12 was about 45 minutes after.

13 Q. After the first group?

14 A. Yes.

15 Q. Okay.

16 A. And they asked me if they could take a walk. And
17 I told them there was a man and a lady down there
18 already, that they are more than welcome to go
19 down and take a walk through the yard. And I
20 kind of pointed to them, where they can start, or
21 whatever.

22 Q. Mm-hmm. So these two women asked permission to
23 look around?

24 A. Yes.

25 Q. All right. And you -- And they told you they

1 were looking for anything that would help them
2 locate Teresa Halbach?

3 A. Yes.

4 Q. All right. And you had no problem with that?

5 A. I had no problem with it.

6 Q. All right. And what was your thinking there?

7 A. Huh?

8 Q. What was your thinking? Why did you have no
9 problem with that?

10 A. I was just trying to help them out.

11 Q. As a matter of fact, you would want someone to
12 help out if it was your sister who was missing,
13 right?

14 A. Yes.

15 Q. So, they came in and they started looking around,
16 and they decided what direction they were going
17 to go, or did you make any suggestions?

18 A. Well, I told them, I kind of just pointed, you
19 know, what was down in the -- how to get down
20 into the pit and how to get on the top. That's
21 about all I did.

22 Q. Did you give them any directions, or express
23 anything about the roads, or the condition of the
24 yard, or anything they should do to be careful,
25 so they didn't get hurt?

1 A. No, I didn't. I don't think I did any way.

2 Q. Okay. After they came in and asked permission,
3 you let them go and look around?

4 A. Mm-hmm, yes.

5 Q. All right. As being one of the owner's of the
6 business, would it be a fair idea that you would
7 have a pretty good idea of what kind of vehicles
8 you have in the salvage yard?

9 A. Yes.

10 Q. All right. And you would need to know that for
11 your own inventory purposes in case somebody came
12 and asked questions about do you have a part for
13 such and such and whether or not you have that
14 vehicle on hand?

15 A. Yes. Like I said before, is a lot of times I was
16 more on the road picking vehicles up. And I
17 usually remember what kind of vehicles I pick up
18 or what kind of vehicles I put down in the yard.

19 Q. All right.

20 A. With the loader and that.

21 Q. Okay. Did your brother, Chuck, do that kind of
22 work or were you pretty much involved in securing
23 the vehicles for use in the salvage yard?

24 A. No, he did it once in awhile to.

25 Q. Once in a while. Now, if a vehicle were brought

1 in by, say your brother, Chuck, or anyone else,
2 at some point would you have knowledge that that
3 was brought in just so that you would know what
4 is on the property?

5 A. Yes.

6 Q. Okay. Now, were you surprised when they found
7 this Toyota RAV 4 that appeared to be Teresa
8 Halbach's vehicle?

9 A. Yes, I was.

10 Q. And did you even have any idea that that vehicle
11 was there?

12 A. No. And I didn't, after I went down there to see
13 what was going on, I still didn't know that it
14 was down there. I still couldn't see it.

15 Q. All right.

16 A. I was down there for an hour, until they pointed
17 it out to me. And then I finally seen it.

18 Q. All right. You had no idea that vehicle was
19 there?

20 A. No. It was like two days -- two days or three
21 days before that, we were just through there
22 rabbit hunting with my brother-in-law and that
23 vehicle wasn't there.

24 Q. All right. Well, tell me about that, that rabbit
25 hunting; when did that happen, do you think?

1 A. It was during the week my brother-in-law come
2 over. He wanted to hunt for some rabbits.

3 Q. Okay. And what's his name, by the way?

4 A. Robert Fabian.

5 Q. I'm sorry?

6 A. Robert Fabian.

7 Q. Fabian?

8 A. Yes.

9 Q. Okay. So, you were down in that portion of the
10 yard where that vehicle was found?

11 A. Yes.

12 Q. All right. Now, is that something you guys did
13 fairly regularly, you would hunt rabbit, or
14 squirrel, or other small game, that --

15 A. That was --

16 Q. -- that might be on the property?

17 A. That was the first time we did it that year.

18 Q. That year?

19 A. Yeah. In the fall like that, yes.

20 Q. Yeah. So, two or three days earlier, as far as
21 you know, that vehicle wasn't there?

22 A. No, it wasn't there. I'm not sure if it was
23 Wednesday or Thursday.

24 Q. That you were rabbit hunting?

25 A. That we were right through that area. We were

1 through the whole yard and that vehicle wasn't
2 there.

3 Q. Okay. Now, Mr. Avery, a couple last questions,
4 originally, on that Saturday afternoon, after the
5 police officers started showing up, I think one
6 of them indicated that you may have drove down on
7 a four-wheel drive -- a four-wheeler vehicle, to
8 find out what was going on; is that right?

9 A. Yes.

10 Q. And you talked to one of the officers there?

11 A. Not at first. At first they just told me to sit
12 there. For about 45 minutes I sat there. Then
13 they came up to me and then they were telling me
14 what was going on.

15 Q. What was going on. So they gave you a full
16 debriefing then?

17 A. Somewhat, yes.

18 Q. All right. Now, before that, however, or shortly
19 after they arrived, one of the officers asked
20 you, just to make sure, that you had no
21 problem --

22 ATTORNEY BUTING: Objection leading.

23 THE COURT: Sustained.

24 ATTORNEY FALLON: All right.

25 Q. (By Attorney Fallon)~ Somewhere between 11 and

1 11:30, were you approached by an officer, to your
2 recollection?

3 A. I don't remember.

4 Q. You don't remember. All right.

5 A. All I know, I sat down there for about 3, 3 1/2
6 hours.

7 Q. At some point -- Let me ask you this. At some
8 point during your conversation with law
9 enforcement, did they ask you if they had your
10 continued permission to be there?

11 A. No, they didn't.

12 Q. You don't recall?

13 A. No, they didn't.

14 ATTORNEY FALLON: Nothing else.

15 ATTORNEY BUTING: I'm sorry?

16 ATTORNEY FALLON: That's it, your witness.

17 THE COURT: Mr. Buting.

18 ATTORNEY BUTING: Thank you.

19 **CROSS-EXAMINATION**

20 BY ATTORNEY BUTING:

21 Q. Now, you mentioned that this Avery Auto Salvage
22 business was -- the day-to-day stuff was run
23 primarily by you and your brother, Chuck, right?

24 A. Yes.

25 Q. Now, once Steven Avery was released from prison,

1 after his wrongful conviction, he came to live on
2 the Avery area compound as well, did he not?

3 A. Yes.

4 Q. And that was about two years before this incident
5 that we're here today about?

6 A. Yes.

7 Q. So, the fall of 2003 is when he came to live
8 there?

9 A. Yes.

10 Q. And during that two years, you said he wasn't an
11 employee, but he did do work at the yard,
12 correct?

13 A. Yes, he helped us out.

14 Q. In fact, he did a lot of the same things that you
15 and Chuck did, when it came to the cars?

16 A. Yes.

17 Q. He would disassemble them, prepare them for
18 either crushing or storage, as a salvage vehicle?

19 A. Yes.

20 Q. He would go with you out on the road to go pick
21 up vehicles on your tow truck or flat bed to
22 bring to the yard?

23 A. Yes.

24 Q. And he was paid cash for his work as well, was he
25 not?

1 A. That I don't know nothing about.

2 Q. Okay. Because you didn't have anything to do
3 with that part of it?

4 A. No.

5 Q. And directing your attention to Saturday,
6 November 5th, you are saying that it was only
7 about 45 minutes before the two women came, that
8 a different two -- a different couple arrived?

9 A. Yes, there was a man and a woman. I think they
10 were more younger, and they took a ride through
11 the yard, yes.

12 Q. When you say took a ride through the yard, on
13 what kind of a vehicle?

14 A. I don't remember that.

15 Q. They would drive their own car, not a
16 four-wheeler?

17 A. No, they drove their own vehicle. They asked me
18 if it was all right. And I told them, yes, it
19 was.

20 Q. So, the general custom, in fact, is -- maybe you
21 could use your pointer and point to Exhibit 18
22 and show me where your office is?

23 A. I have got to find the office. The new office is
24 right in here.

25 Q. And the record should reflect he's pointing on

1 Exhibit 18 to the upper right hand corner, the
2 building farthest to the right edge, actually
3 appears to be about the largest building in the
4 photograph.

5 ATTORNEY FALLON: That's fair -- That's
6 fair, Judge.

7 THE COURT: The record will so reflect.

8 Q. (By Attorney Buting)~ And when you are open for
9 normal business, 8 to 5 on weekdays and 8 to noon
10 on Saturday, people come up to that office first,
11 before they start roaming around in the yard?

12 A. Yes, they do.

13 Q. And that's part of your policy and custom?

14 A. Yes.

15 Q. You don't allow members of the public to just
16 come at off hours and start roaming through the
17 yard, without your permission?

18 A. Not unless they want to get chased down with a
19 four-wheeler.

20 Q. Would it be fair to say that the area on Exhibit
21 5, that shows really most of that area that is
22 filled with cars; is that sort of like your
23 stockroom of your business?

24 A. Yeah, you could say that, yes.

25 Q. So people first come to you to ask whether or not

1 you have a particular part for a particular
2 vehicle, like a 1995 Chevy, something or other?

3 A. Yes.

4 Q. You have got these cars arranged in various
5 groups?

6 A. Somewhat, yes.

7 Q. And you can tell them, from your inventory, yes,
8 we have a '95 Chevy, whatever, and direct them,
9 generally, where to go?

10 A. Sometimes, yes.

11 Q. Do they take the parts off themselves, or do you
12 take the parts off for them?

13 A. Sometimes they take a part off, sometimes we take
14 the part off.

15 Q. And you have regular customers, I assume, right,
16 that you recognize?

17 A. Yes.

18 Q. Now, when the man and the woman arrived, they
19 came up to the office that you mentioned there?

20 A. Yes.

21 Q. And you were the only one of the Avery's still
22 left on the property, so were you up by the
23 office, or in it?

24 A. I don't recall, but I think I was in the office,
25 yes, when the first two came.

1 Q. And they gave you the poster, or they hung the
2 poster of Teresa?

3 A. Yes.

4 Q. And then they themselves started driving down
5 looking through the junkyard, right?

6 A. I think so, yes.

7 Q. Did you see which way they went?

8 A. No, I didn't.

9 Q. But you never saw them leave.

10 A. No, I didn't see them leave.

11 Q. And you think, then, it was about 45 minutes or
12 an hour later, when the two women came?

13 A. Yes. Roughly, yes.

14 Q. And were you inside the office at that time or
15 were you out?

16 A. I was outside.

17 Q. You were outside when they drove up?

18 A. Yes.

19 Q. Can you show us on the pointer where they drove
20 up?

21 A. I'm not sure where they drove up, but where this
22 vehicle is right here is where I was standing, by
23 a pickup truck. And they come from -- they --
24 actually they must have been parked over here.

25 Q. Record should reflect you are pointing to sort of

1 an open, dirt parking kind of area in the front
2 of the office, that you previously described. Is
3 that area generally like a parking area, where
4 people come up --

5 A. Yes, it is.

6 Q. -- customers?

7 A. Yes.

8 Q. So customers park in at that little area there?

9 A. Yes.

10 Q. In front of the office building? Yes?

11 A. Yes.

12 Q. Okay. And these two women did the same thing,
13 basically?

14 A. Yes.

15 Q. And did you -- You said you pointed how to get
16 down into the pit. Can you show me what you did
17 and where you were when you were doing that?

18 A. We were standing right in here and I just -- I
19 just verbally told them that this road here goes
20 up on the top here and behind the blue building
21 here.

22 Q. The record should reflect you're pointing to the
23 upper six inches or so of the diagram where
24 there's some vehicles.

25 A. And then I pointed down here. I told them to

1 take the main road down the pit hill and that
2 goes down into the pit.

3 Q. So, did you walk out to the edge of where that
4 dirt parking lot ends and kind of --

5 A. No.

6 Q. -- suggest anything?

7 A. No, I didn't.

8 Q. You didn't give them any direction as to which
9 area to start.

10 A. No, I'm pretty sure they said that they would
11 just walk around and look. I'm not sure.

12 Q. The road that runs along the sort of a dirt
13 driveway, that runs along the right side of that
14 exhibit, do you see that? It runs the full
15 length, from the top down towards the bottom?

16 A. Yes.

17 Q. And that's behind the office?

18 A. Yes, it is.

19 Q. That's not a public road that's open for
20 customers, right?

21 A. No, it isn't.

22 Q. So --

23 A. The public road ends up here.

24 Q. Public road ends up at the top right corner?

25 A. Yes.

1 Q. Customers are allowed to come onto the property
2 into the parking area in front of the office,
3 right?

4 A. Yes.

5 Q. But the road that goes behind it, all the way
6 down to the lower left -- lower right corner of
7 the property, is not an area that is open to the
8 public; is that right?

9 A. Yes, that's correct. That's Chuck's driveway.

10 Q. Okay. Yes, because Chuck's -- Could you
11 indicate -- maybe we should, just for the
12 record--

13 A. Chuck's house is right here, and this is his
14 driveway here.

15 Q. I'm going to have you, if you wouldn't mind, use
16 this red marking pen and just put some numbers on
17 some of these buildings?

18 A. What do you mean?

19 Q. If you could just put a number one on the top --
20 on the roof area of the new office building, as
21 you call it.

22 A. This is number one.

23 Q. Make a bigger number right in the middle, with a
24 circle. Okay. And Chuck's residence is where,
25 if you could put a number two. And the area that

1 would be the stopping point, beyond which the
2 public is not generally invited, without
3 permission, would be where, number 3? Well, they
4 are allowed to come down into the parking lot
5 area?

6 A. Yes, they are, but this is kind of like a private
7 road here. Yeah, I would say like right from --
8 well, even with the buildings, but we still.

9 Q. What about in this area?

10 A. No. No, that there is -- I would say mostly like
11 right into here.

12 Q. All right. Why don't you put a number four where
13 people are -- the public is not generally allowed
14 to go beyond, without permission. Okay. And you
15 have marked that with number four?

16 A. Yeah, number 4.

17 Q. And the private road that goes behind, that goes
18 to Chuck's residence, could you put a number -- I
19 see you put a four up there too.

20 A. Yes.

21 Q. At the top of that where, beyond which it is
22 considered private. All right. You can sit
23 down.

24 ATTORNEY BUTING: I have nothing further at
25 this time.

1 THE COURT: Mr. Fallon, any further
2 questions for this witness?

3 ATTORNEY FALLON: Pass.

4 THE COURT: All right. Mr. Avery, you are
5 excused.

6 ATTORNEY FALLON: We have no other
7 additional witnesses per this particular motion.

8 THE COURT: All right. Given the number of
9 witnesses we have got on the other motions, I don't
10 think I'm going to hear oral argument at this time.
11 Hopefully, there will be time for that tomorrow.

12 Which motion are the parties proposing
13 to move on to next?

14 ATTORNEY BUTING: Judge, I think Lieutenant
15 Lenk is standing by. Could I have just one moment
16 to see whether there is one officer that we may not
17 need to use and he's on vacation here today, with
18 his family waiting. If I could just take a moment
19 to look over my notes.

20 THE COURT: Go ahead.

21 ATTORNEY BUTING: All right. Judge, we're
22 releasing one of the officers that was subpoenaed,
23 who was on vacation today, and we do have Lieutenant
24 Lenk that we wanted to take telephone testimony
25 from. I think he's available. I'm not sure exactly

1 how we connect him.

2 THE COURT: All right. We'll take just a
3 quick couple minute break. You can come back with
4 me. If you have got his number, I will have my
5 Judicial Assistant get him on the line and we will
6 be set to go.

7 ATTORNEY BUTING: Okay. Thank you.

8 (Brief recess taken.)

9 THE COURT: Lieutenant Lenk, you are now on
10 the public address system in the courtroom. You are
11 being called as a witness by Attorney Buting, on
12 behalf of the defendant. Is that correct,
13 Mr. Buting?

14 ATTORNEY BUTING: Yes, it is, your Honor.

15 THE COURT: Before we begin, Mr.Lenk, I'm
16 going to ask you to raise your right hand. Do you
17 have it raised?

18 THE WITNESS: Yes.

19 **LIEUTENANT JAMES M. LENK**, called as a
20 witness herein, having been first duly sworn, was
21 examined and testified as follows:

22 THE COURT: Please state your name and
23 spell your last name for the record, please.

24 THE WITNESS: James M. Lenk, L-e-n-k.

25 THE COURT: All right. Mr. Buting, you may

1 proceed. You may have to sit to make sure you are
2 close enough to the microphone so he can hear you.

3 ATTORNEY BUTING: All right. Can you hear
4 me, Lieutenant?

5 THE WITNESS: Yes, I can.

6 **DIRECT EXAMINATION**

7 BY ATTORNEY BUTING:

8 Q. All right. How long have you been a police
9 officer?

10 A. Total?

11 Q. Yes.

12 A. Approximately 24 years.

13 Q. And have you been, or are you, a detective rank?

14 A. Yes, I am.

15 Q. And how long has that been?

16 A. Approximately five years.

17 Q. And your present rank is what?

18 A. Lieutenant.

19 Q. And in the hierarchy of the Manitowoc Sheriff's
20 Department, how many officers are above you in
21 rank?

22 A. There would be four.

23 Q. That would be the sheriff himself?

24 A. Yes.

25 Q. And what, three other -- I'm sorry. And the

1 Inspector Hermann?

2 A. Yes.

3 Q. And then two deputy inspectors?

4 A. That's correct.

5 Q. So you are the 4th highest ranking officer at the
6 department?

7 A. Yes.

8 Q. And was that also true on November 5th, 2005?

9 A. Yes.

10 Q. Now, I assume as part of your training and
11 experience you have learned how to go about
12 executing search warrants, right?

13 A. Yes.

14 Q. And can you tell me approximately how many search
15 warrants you have executed, or participated in
16 the execution of?

17 A. That would be hard to say, probably a couple
18 dozen. It would be hard to say.

19 Q. Only a couple of dozen search warrants in your
20 whole career?

21 A. In the whole career? Oh, probably, I don't know,
22 30 or 40.

23 Q. Okay.

24 A. It's hard to tell.

25 Q. And have you had any training, or on the job type

1 training, that tells you how you are supposed to
2 go about legally executing a warrant?

3 A. Just the training through the academy and while
4 on the job.

5 Q. So you learned about no knocks, and whether you
6 can just break in, or whether you have to knock
7 first and all of that?

8 A. Correct.

9 Q. Now, how did you first become involved in the
10 Teresa Halbach matter?

11 A. I first became involved on November 4th, when we
12 received a call to assist on doing an interview
13 on the Avery location by the Calumet County
14 Sheriff's Department?

15 THE COURT: Excuse me, Mr.Lenk, I'm going
16 to interrupt you a second here because I intended,
17 before you began your testimony, to have a personal
18 discussion with the defendant. And I believe,
19 Counsel, you discussed this matter with your client?

20 ATTORNEY BUTING: That's correct, Judge.

21 THE COURT: Mr. Avery, your attorney's
22 discussed this with me yesterday, and informed me
23 that they talked to you about this, but do you
24 understand, that if you wished, you may well have
25 the right to have Mr. Lenk testify at this hearing,

1 in person, instead of by telephone? Do you
2 understand that?

3 THE DEFENDANT: Yes, I do.

4 THE COURT: If that happened, you would not
5 only be able to hear what he had to say, but you
6 would also be able to observe his demeanor on the
7 witness stand; do you understand that?

8 THE DEFENDANT: Yes, I do.

9 THE COURT: Have you had adequate
10 opportunity to discuss, with your attorneys, your
11 right to require Mr. Lenk to appear here in person
12 today, as opposed to by telephone?

13 THE DEFENDANT: Yes, I did.

14 THE COURT: Do you wish any more time to
15 discuss this matter with your attorneys?

16 THE DEFENDANT: No, this is good.

17 THE COURT: Okay. And for the purposes of
18 this hearing only, that is, not any future
19 proceedings or certainly a trial, do you have any
20 objection to the Court allowing Mr. Lenk to testify
21 and be cross-examined by telephone, rather than
22 appearing in person?

23 THE DEFENDANT: No, I don't.

24 THE COURT: Very well. That applies to the
25 testimony he's given thus far?

1 THE DEFENDANT: Yes, it does.

2 THE COURT: The Court is satisfied that
3 Mr. Avery is willing to cooperate with this
4 procedure and I have already been informed by
5 counsel that neither counsel objects; is that
6 correct, Counsel?

7 ATTORNEY FALLON: That is correct.

8 THE COURT: It's probably been implicit in
9 the fact that we made arrangements for this
10 telephone conversation, but it should be placed on
11 the record as well. And, Mr. Buting, since he's
12 your witness, you have no objection to the witness
13 appearing by phone?

14 ATTORNEY BUTING: That's correct, Judge.
15 We preferred his personal appearance, but he had
16 plans that were important enough, out of state, that
17 we agreed to arrange this by phone.

18 THE COURT: Very well. All right. You may
19 proceed with your examination.

20 BY ATTORNEY BUTING:

21 Q. Lieutenant, you mentioned November 4th, but I
22 want to direct your attention to November 3rd,
23 which is actually Thursday night; do you recall
24 being advised at that time about the Teresa
25 Halbach missing person Complaint?

1 A. Yes, I believed our detective unit was called and
2 advised that there was a missing -- that they
3 needed assistance.

4 Q. And was it Sergeant Colborn who contacted you
5 about this, or who did you speak with first?

6 A. I don't recall who I spoke with first.

7 Q. But at some point did you place a call to Calumet
8 yourself and speak to Investigator Wiegert?

9 A. I'm not -- I don't believe I did. I believe it
10 may have been Detective Remiker that did that.

11 Q. And at what point did you learn that Steven
12 Avery's name had come up in this matter?

13 A. I'm not sure if it was the 3rd or the 4th, that
14 he had been interviewed regarding this matter.

15 Q. And you learned that -- or did you learn that
16 Sergeant Colborn had actually gone out to his
17 residence and spoken with him about any knowledge
18 he had regarding Teresa Halbach?

19 A. Yes, I learned later, I think it was possibly the
20 4th, that he had already interviewed Mr. Avery.

21 Q. And, actually, you had a meeting on November 3rd
22 with Detective Remiker and Investigator Dederling
23 from Calumet County, did you not?

24 A. Yes, I believe it was up in our detective unit.

25 Q. Now, from that point forward, were you the lead

1 supervising officer with regard to Manitowoc
2 County's involvement in the request for
3 assistance from Calumet on this missing person
4 Complaint?

5 A. At that time I would have been the lead officer,
6 yeah.

7 Q. Okay. And so you would be kept informed by
8 Detective Remiker, or others, Sergeant Colborn,
9 as to what was going on?

10 A. Yes.

11 Q. And you would assign officers to work on the
12 matter?

13 A. Yes, I would have assigned officers to assist
14 Calumet County.

15 Q. Now, on the following day, November 4th, were you
16 asked to go to Steven Avery's house or trailer?

17 A. I believe I received a call from Calumet County
18 asking if we would go out and reinterview
19 Mr. Avery.

20 Q. And this would have been the second interview,
21 because Sergeant Colborn had spoken to him the
22 prior night?

23 A. Correct.

24 Q. And at whose request was that made, somebody from
25 Calumet County, you said, right?

1 A. Yes, sir.

2 Q. Do you know who that was?

3 A. I don't recall. It may have been Detective
4 Wiegert, but I'm not totally positive.

5 Q. And did you go to Steven Avery's property?

6 A. Yes, I went along with Detective Remiker, to his
7 property.

8 Q. Do you remember what time?

9 A. I don't recall offhand, I believe it was in the
10 afternoon, but I don't recall.

11 Q. Could it have been 10:30 in the morning?

12 A. Like I said, I'm not sure what time it was.

13 Q. Okay. But there was only one time on that day,
14 November 4th, when you went over to Steven
15 Avery's residence; is that right?

16 A. That's correct.

17 Q. And did you -- you didn't have a warrant at that
18 point, I assume?

19 A. No, sir.

20 Q. Did you speak with Mr. Avery?

21 A. Yes, we did.

22 Q. Did you ask permission to look through his
23 trailer?

24 A. Yes, I believe Detective Remiker asked him,
25 towards the end of the interview, if he would let

1 us look through his trailer.

2 Q. And did he agree with that?

3 A. Yes, he did.

4 Q. Was he cooperative?

5 A. Yes, he was.

6 Q. And did you actually enter the trailer?

7 A. Yes, we did.

8 Q. So both you and Detective Remiker?

9 A. That's correct.

10 Q. And did you walk through the whole trailer?

11 A. Detective Remiker walked through the trailer; I

12 stood in the living room, with Mr. Avery.

13 Q. Did you walk back to the bedroom at all?

14 A. No, sir.

15 Q. Did Mr. Avery try to prevent yourself, or

16 Detective Remiker, from going in any particular

17 area of the trailer?

18 A. No, sir.

19 Q. And did you find anything that would indicate

20 that Teresa had ever been in the trailer?

21 A. Not at that time, no, sir.

22 Q. And then you left the residence; did you go into

23 any other buildings at that time?

24 A. No, sir, we left and thanked him for his

25 cooperation.

1 Q. Didn't go to -- into the garage?

2 A. I don't believe so. I think we just went into
3 the trailer.

4 Q. And did you have any other investigation, or
5 involvement with the investigation, on that
6 Friday?

7 A. No, sir.

8 Q. Did you ever have any phone conversations with
9 any volunteer citizens who wanted to help search
10 for Teresa or her vehicle?

11 A. No, sir.

12 Q. On any day?

13 A. No, sir.

14 Q. Are you aware whether or not anyone in your
15 department had conversations with any volunteer
16 citizens who wished to help search for Teresa, or
17 her vehicle?

18 A. I'm not aware of any, no.

19 Q. Now, turning your attention to November 5th,
20 Saturday, were you on duty on that day?

21 A. No, sir.

22 Q. Did you receive a call from somebody that told
23 you that they believed that Teresa's vehicle had
24 been located on the Avery property somewhere?

25 A. Yeah, I received a call from Detective Remiker,

1 who was on duty, and he gave me that information.

2 Q. And where were you at the time of the call?

3 A. I was actually looking at an RV in Menasha.

4 Q. Okay. And did you then place yourself on duty
5 and come in?

6 A. I informed him that I would be coming back and
7 that I would be coming out to that location.

8 Q. And did you, in fact, arrive at the Avery
9 property?

10 A. Yes.

11 Q. Do you know what time?

12 A. I'm not sure of the exact time, somewhere 6:30 or
13 7 that evening. I'm not positive.

14 Q. Do you know whether a search warrant had been
15 issued already?

16 A. I don't know. I don't think so, at that time,
17 but I'm not positive.

18 Q. Did you see the RAV 4 Toyota vehicle on the
19 property?

20 A. No, I didn't.

21 Q. Did you go down to the area where it had been
22 located?

23 A. I went down there with another officer. He
24 showed me the location where it was, but I didn't
25 get -- I didn't really see it. I mean, from what

1 I seen, it was getting dark and it was hidden,
2 but I didn't get a good look at it.

3 Q. Did it look like there was a tarp on it, at that
4 time, or not?

5 A. I don't recall. I don't believe so, but I don't
6 really recall.

7 Q. In any event, you didn't walk up to it?

8 A. No, sir.

9 Q. At what time were you advised that your
10 department had turned over the investigative
11 authority to Calumet County?

12 A. Shortly after I arrived, I received that
13 information.

14 Q. You never got a call about that earlier?

15 A. No.

16 Q. And you didn't have any role in the search
17 warrant that was obtained?

18 A. No, sir.

19 Q. All right. Now, on the evening of November 5th,
20 did you participate in a search of Steven Avery's
21 trailer?

22 A. Yes, I did.

23 Q. And this was about 7:30, I believe.

24 A. Approximately, yes.

25 Q. Were you also with Sergeant Colborn?

1 A. Yes, I was.

2 Q. And was there anyone else with you when you
3 entered the trailer?

4 A. Detective Remiker and Sergeant Tyson from Calumet
5 County.

6 Q. So four officers went into his residence to
7 execute the search warrant?

8 A. Yes.

9 Q. And three of whom were from Manitowoc Sheriff's
10 Department; is that right?

11 A. Correct.

12 Q. And do you know how long you were searching his
13 trailer?

14 A. I think it was approximately 2 hours or so, 2 1/2
15 hours.

16 Q. All right. Now, can you describe for me how many
17 rooms there are in the trailer?

18 A. As you walk in, there's a living room area. If
19 you turn to your left and go down the hall, there
20 is a bedroom on the right. If you go down a
21 little farther, it is the bathroom area. After
22 the bathroom area, is the final bedroom,
23 Mr. Avery's bedroom. If you come in the front
24 door and go to the right, there is a small like
25 kitchenette and the kitchen area.

1 Q. So, it's a relatively small residence; would that
2 be fair to say?

3 A. Yes.

4 Q. And the four of you were in there for about 2 1/2
5 hours, right?

6 A. Approximately, yes.

7 Q. And you seized a number of items during that
8 search?

9 A. Yes.

10 Q. Including bedding, and photographs, and
11 handcuffs; do you recall that?

12 A. I believe so, yes, sir.

13 Q. Okay. And then all four of you left the trailer
14 at, what would it have been, about 10 o'clock?

15 A. I would -- Yeah, around at 10 o'clock I think it
16 was.

17 Q. And then what area of the trailer were you
18 searching in, personally?

19 A. I searched the part of the master bedroom which
20 would have been Mr. Avery's bedroom, consisting
21 of a dresser and a walk in closet. I believe I
22 even looked under the bed, and things like that.
23 That was the extent of my searching that room.

24 Q. Did -- Did all four officers go together in a
25 room and search all together, or were you spread

1 out, some in one area, some in the other?

2 A. It's my recollection that we tried to stay at
3 least two people in a location. There may have
4 been a time when an officer may have split off
5 from another officer for a few minutes. But
6 generally speaking, we pretty much stayed
7 together.

8 Q. And so was it you and Sergeant Colborn that were
9 generally together during the search?

10 ATTORNEY FALLON: Objection, relevance to
11 this particular point.

12 THE COURT: Mr. Buting.

13 ATTORNEY BUTING: It's really just
14 foundational, the subsequent witnesses will testify.

15 THE COURT: The issue here is just the
16 multiple execution of the search warrant, right?

17 ATTORNEY BUTING: Right.

18 THE COURT: How is what the -- was found at
19 any particular time going to be relevant or
20 significant for this motion?

21 ATTORNEY BUTING: It goes to when the
22 search was executed, when the warrant was completed,
23 or the search was completed. And I think that's
24 going to be, ultimately, a legal question. But we
25 need to lay a little bit of a factual foundation.

1 THE COURT: All right. I'll allow it.

2 Q. (By Attorney Buting)~ So, when you were --
3 Lieutenant Lenk, when you were searching and
4 paired off into two, were you generally with
5 Sergeant Colborn, or with somebody else?

6 A. We were with different people, at different
7 times. In Mr. Avery's bedroom, I was primarily
8 with Detective Remiker, and searching with him,
9 because of the volume of stuff that we were
10 looking at. Other times, in other rooms, it all
11 depended on who was available to assist.

12 Q. All right. But, in general, you searched --
13 during that 2 1/2 hours you were able to search,
14 the four of you, Mr. Avery's bedroom, the other
15 bedroom, the living room, bathroom, and kitchen
16 area; is that right?

17 A. Correct.

18 Q. And so when you left that evening, you had seized
19 everything you could find that was of any
20 evidentiary value, right?

21 A. Yes, at that time.

22 ATTORNEY FALLON: Objection, leading the
23 witness, also conclusory.

24 Q. (By Attorney Buting)~ Well, had you -- did you in
25 fact --

1 THE COURT: Just a minute. On the form of
2 the question, I will sustain the objection.

3 Q. (By Attorney Buting)~ When you left that evening,
4 did you believe you had seized everything of
5 evidentiary value?

6 A. At that time, yes.

7 Q. Okay. Now, the next morning you returned to the
8 Avery salvage property, did you not?

9 A. Yes.

10 Q. Do you recall about what time?

11 A. I think it was around 8 o'clock in the morning.

12 Q. And let me ask you, how were you assigned -- I'm
13 going to go back a minute to the November 5th
14 evening search. How was it that you were
15 assigned to participate in that search, or did
16 you just -- or were you doing the assigning?

17 A. I was not assigning, at any time. I was -- We
18 were asked by Calumet County, after they decided
19 to take the case, if we would assist them,
20 because they had very short manpower, and we
21 volunteered to assist them.

22 Q. So you volunteered to be one of the officers who
23 searched Steven Avery's residence?

24 A. Yes, sir.

25 Q. And as far as you know, was that also true of

1 Sergeant Colborn?

2 A. Yes, and Detective Remiker.

3 Q. Okay. And so when you returned on the 6th --
4 Going back to the 5th for a second, you had not
5 yet had time, by 10 o'clock at night, to do a
6 thorough search of the garage, the detached
7 garage that was next to Mr. Avery's trailer; is
8 that right?

9 A. Correct.

10 Q. So, did you do that the next morning when you
11 arrived?

12 A. I believe we searched the garage.

13 Q. And were you --

14 A. I don't know if it was. I believe it was the
15 next morning, yes.

16 Q. And were you also paired with Sergeant Colborn,
17 Detective Remiker, again?

18 A. Yes, and Deputy Kucharski from Calumet County.

19 Q. Okay. And can you give me an estimate of the
20 size of that garage, how many, you know, like
21 20 feet by 15 or something, or what?

22 A. Boy, it was a two car garage, whatever a standard
23 two car garage would be, about that size.

24 Q. And do you know about how long you were searching
25 the garage that morning?

1 A. I don't recall how long it was, hour, two. I'm
2 not sure.

3 Q. If I told you that you entered at 8:00 a.m. and
4 left at 9:47 a.m. would that fit with your
5 recollection?

6 A. That would be about right.

7 Q. So were all four officers in the garage during
8 that entire time?

9 A. Yes.

10 Q. And you searched very thoroughly?

11 A. Yes, we tried to.

12 Q. And you seized anything that you thought was of
13 evidentiary value in that garage?

14 A. At that time, yes.

15 Q. And when you all left, at 9:47 a.m., it was your
16 understanding or belief, that you had seized
17 anything that had evidentiary value, from that
18 garage; is that correct? Or is that correct?

19 A. That's correct.

20 Q. Now, after you finished the search of the garage,
21 you didn't go back into Mr. Avery's residence
22 immediately, did you? The trailer?

23 A. No, I don't believe so, that was awhile after
24 that.

25 Q. Okay. A couple hours later, were you asked to go

1 back into Mr. Avery's trailer?

2 A. Yeah, our team leader at the time, Deputy
3 Kucharski, received information that we should go
4 back into the trailer of the unit.

5 Q. And was it for a specific purpose?

6 A. We were told to go back and collect weapons, a
7 vacuum cleaner, and bedding from the spare
8 bedroom, in the trailer.

9 Q. So, three specific types of items you were asked
10 to go back and retrieve, right?

11 A. Yes.

12 Q. Do you know who gave that order?

13 A. I don't know.

14 Q. So, once again you entered Mr. Avery's trailer,
15 along with Sergeant Colborn?

16 A. Yes. Deputy Remiker, I believe, was there also,
17 and Deputy Kucharski.

18 Q. And if I said that you entered at 12:25 p.m. and
19 left at 12:48 p.m.; would that fit with your
20 recollection?

21 A. Yes, that would be about right.

22 Q. And you did, in fact, seize a number of firearms
23 or rifles, I believe, from the residence?

24 A. Yes.

25 Q. In fact, from Mr. Avery's bedroom, correct?

1 A. Correct.

2 Q. And did you actually go into the bedroom
3 yourself?

4 A. I don't know who was -- actually took the
5 firearms. I believe it was Deputy Kucharski who
6 actually took the firearms. It wouldn't surprise
7 me if I was actually back in the bedroom with
8 him.

9 Q. So that was at least the second time when you had
10 been in his bedroom?

11 A. Right.

12 Q. And did you do any more searches of Mr. Steven
13 Avery's trailer or garage, on that day,
14 November 6th?

15 A. Not that I recall, no.

16 Q. The next day, November 7th, which would be a
17 Monday, did you again have an opportunity to go
18 into Mr. Steven Avery's trailer?

19 A. Yes, we did.

20 Q. Was that, once again, with Sergeant Colborn?

21 A. Yes, this time we were also with Sergeant Tyson,
22 from Calumet County.

23 Q. And did you go in there because you were
24 instructed to do something in particular?

25 A. Sergeant Tyson had received information, from his

1 superiors, to go in there and get the serial
2 numbers and things off the computer.

3 Q. So there was, again, one specific reason to --
4 that you were told to go back in, and that was to
5 retrieve the actual serial number of the computer
6 in the trailer; is that right?

7 A. Correct.

8 Q. And if I told you that you entered at 9:57 a.m.
9 and exited at 10:04 a.m., would that fit with
10 your recollection?

11 A. That would be right.

12 Q. Did you -- Do you have any recollection of going
13 into Mr. Steven Avery's trailer or garage, again,
14 later on that date?

15 A. No, sir, I don't recall that.

16 Q. The next day, November 8th, this would be a
17 Tuesday, do you recall, again, going into Steven
18 Avery's trailer with Sergeant Colborn?

19 A. Yes, we went in with Deputy Kucharski, who was in
20 charge.

21 Q. And Sergeant Colborn and yourself?

22 A. Correct.

23 Q. And this was now the 5th time that you had been
24 inside Mr. Avery's trailer, the 4th time since a
25 search warrant was obtained; is that right?

1 A. Correct.

2 Q. And do you remember when you -- the time when you
3 entered and exited?

4 A. On the 8th?

5 Q. Correct.

6 A. I believe it was somewhere around 8:30 in the
7 morning. We left around 12:15.

8 Q. So, if I said 8:25 entered, and exited at 12:18,
9 would that fit?

10 A. That would be about right, yes.

11 Q. Okay. And it was actually -- And you were once
12 again searching in Mr. Avery's bedroom, on this
13 occasion?

14 A. Correct.

15 Q. So this was at least the third time that you had
16 been inside Mr. Avery's bedroom?

17 A. I believe so.

18 Q. And to your knowledge, the fourth time that
19 officers had been in his bedroom, including
20 Detective Remiker, on the November 4th consensual
21 search, right?

22 A. Correct.

23 Q. And it was only at the very end of this search
24 that you found something, in his bedroom, of
25 interest?

1 A. Actually, we were searching -- Primarily, we were
2 sent there to pick up any pornography materials,
3 to retrieve the computer and related items, and I
4 believe there was some swabs that needed to be
5 taken of some blood spots that were found in the
6 bathroom, by the State Crime Lab.

7 Q. And did you also find a key?

8 A. Yes, I observed a key.

9 Q. And I'm not going to go into the details of that,
10 you testified at the preliminary hearing -- or,
11 no, actually you didn't, but is that the -- the
12 key was found by you, initially, correct?

13 A. I saw the key first, yes.

14 Q. And it was sitting in plain view on the floor
15 next to a cabinet; is that right?

16 A. Yes, next to the back corner of the cabinet.

17 Q. Now, also on that same day, after completing the
18 search of the -- Steven Avery's trailer, did you
19 also go back into his garage?

20 A. Yes, we did.

21 Q. And that was, once again, you and Sergeant
22 Colborn, correct?

23 A. And Deputy Kucharski.

24 Q. Okay. And if I said that you entered at 12:19
25 p.m. and exited at 12:45 p.m.; would that fit

1 with your recollection?

2 A. Yes, sir.

3 (Court reporter couldn't hear.)

4 Q. And your answer to that was?

5 A. Yes, we exited about 12:45.

6 Q. Okay. So, that was your second search of the
7 garage, correct?

8 A. That is correct.

9 Q. Now, on the next day, November 9th, in the
10 morning, which would now be Wednesday, did you
11 once again go into Mr. Avery's residence, the
12 trailer, with Sergeant Colborn?

13 A. I don't recall the 9th, no.

14 Q. Do you have the Manitowoc report with you?

15 A. Yes.

16 Q. Do you -- Do you recall going into the Steven
17 Avery garage or trailer at all on November 9th?

18 A. Not that I recall.

19 Q. If there were Calumet County officer's reports
20 that indicated that you, and Sergeant Colborn,
21 and Calumet County Deputy Wendling went into the
22 garage on November 9th, looking for a garage door
23 opener and things; would that fit with your
24 recollection?

25 A. Yes, if it's in their report, then it probably

1 occurred.

2 Q. And if I said that you entered at 10:39 a.m. on
3 November 9th, this is in the trailer we're
4 talking about, and left at 10:59 a.m., there for
5 about 20 minutes looking for a garage door
6 opener, and gloves, things like that; would that
7 fit with your recollection?

8 A. Yes. If that's in the report, yes.

9 ATTORNEY FALLON: If Counsel is willing to
10 stipulate, to facilitate that, my review of the
11 records likewise indicate an entry, 10:39 to 10:59,
12 which was interrupted by the arrival of a locksmith.
13 They left the residence to attend to the need of the
14 locksmith and then resumed between 11:40 and 11:50
15 to complete. I would be willing to stipulate to
16 those facts, to facilitate the continued
17 questioning.

18 ATTORNEY BUTING: That's fine.

19 THE COURT: All right. The Court will
20 accept that stipulation.

21 Q. (By Attorney Buting)~ So then on November 9th,
22 then, that was your 5th and 6th entry of
23 Mr. Avery's trailer, after the warrant had been
24 obtained; is that correct?

25 A. Yes, it would be.

1 THE COURT: Was this the garage or the
2 trailer?

3 ATTORNEY BUTING: This is the trailer.

4 THE COURT: Okay.

5 Q. (By Attorney Buting)~ So a total of six different
6 times that you entered and left Mr. Avery's
7 trailer, on the authority of that first search
8 warrant, correct?

9 A. Yes. Assisting Calumet County, yes.

10 Q. Okay. And, finally, there was a third search of
11 the garage also on that day, in which you entered
12 with Sergeant Colborn at 11:51 a.m., left the
13 garage at 12:10 p.m.?

14 A. This is on the 9th?

15 Q. On the 9th, yes.

16 A. If that's in the report, yes, that's what
17 happened.

18 ATTORNEY BUTING: Do you have that,
19 Counsel, can we stipulate to that?

20 ATTORNEY FALLON: I have them in the
21 garage -- I have them in the garage 11:51 to 12:10,
22 so that's fine.

23 ATTORNEY BUTING: Okay.

24 Q. (By Attorney Buting)~ So that would be your third
25 search of the garage, Mr. Avery's garage,

1 correct?

2 A. Correct.

3 Q. Now, going back for just one minute, to
4 November 5th, at around 6:30 p.m., were you, in
5 fact, giving orders or directions, to officers,
6 as to which buildings to search?

7 A. I don't know. I don't believe it was an order,
8 it was more of a suggestion. We were looking at
9 different buildings. I think it was a suggestion
10 to go to a building.

11 Q. And so, do you recollect telling an investigator
12 named Gary Steier, and Sergeant Bill Tyson, from
13 the Calumet County Sheriff's Office, to check
14 specific trailers and out buildings in the Avery
15 Salvage Yard?

16 A. As I said, it was more of a suggestion that they
17 check a couple buildings on that date.

18 Q. And you were aware at that time that the
19 investigation had already been turned over to
20 Calumet county?

21 A. Yes, sir.

22 Q. All right. So just to summarize and make sure
23 the record is clear, then, between November 4th,
24 when you went in on the consent search, to
25 Mr. Avery's trailer, and about midday on November

1 9th, you were actually in Steven Avery's trailer
2 seven different times?

3 A. That sounds about right.

4 Q. And six of those were on the execution of the one
5 warrant?

6 A. I'm not sure of how many warrants. Like I said,
7 I didn't get the warrants.

8 Q. Okay. And during that same time period, you were
9 also in Mr. Avery's garage three times?

10 A. Yes.

11 Q. On the warrant?

12 A. On some warrant, yes.

13 ATTORNEY BUTING: All right. I have no
14 further questions at this time.

15 THE COURT: Very well. Mr. Fallon.

16 THE DEFENDANT: Thank you, Judge.

17 **CROSS-EXAMINATION**

18 BY THE DEFENDANT:

19 Q. Lieutenant Lenk, this is Mr. Fallon. As I
20 understand it, there was a transfer of authority,
21 to conduct this investigation, from the Manitowoc
22 Sheriff's to the Calumet County Sheriff's
23 Department, on the morning of November 5th,
24 correct?

25 A. I'm not sure when it would have been. Yes, it

1 would have been on the 5th.

2 Q. All right. And when did you arrive at the
3 property, the morning or the afternoon?

4 A. Late afternoon.

5 Q. Late afternoon.

6 A. Yes.

7 Q. By the time you arrived in the late afternoon,
8 you were made aware of the fact that the Calumet
9 County Sheriff's Department was in charge of the
10 investigation, correct?

11 A. Correct.

12 Q. But you were also aware of the fact that they
13 were being assisted -- or by the Wisconsin
14 Department of Justice, Division of Criminal
15 Investigation?

16 A. Correct.

17 Q. And you were aware, as a matter of fact, that it
18 was Special Agent Tom Fassbender and Investigator
19 Mark Wiegert who were actually in charge, as it
20 were, of the investigation, by the time you
21 arrived late afternoon, November 5th?

22 A. Yes, sir.

23 Q. All right. So, in terms of conducting these
24 searches, you were doing these searches under the
25 direction and/or supervision of Investigator

1 Wiegert and Special Agent Fassbender?

2 A. Correct.

3 Q. And in terms of authority, while you may be a
4 lieutenant with the Manitowoc Sheriff's
5 Department, you only had authority with respect
6 to members of your own staff, that is, the
7 Manitowoc Sheriff's officers, and did not have
8 any independent authority over the Calumet
9 deputies or sergeants, correct?

10 A. Correct.

11 Q. As a matter of fact, on each of the occasions you
12 entered the residence of Mr. Avery, or his
13 garage, you were accompanied by a member of the
14 Calumet County Sheriff's Office?

15 A. That is correct.

16 Q. All right. And in terms of, you used the phrase,
17 you volunteered to assist, just so that we're
18 clear on that, in terms of your willingness to
19 help out as a member of the Manitowoc Sheriff's
20 Department, in terms of what you were assigned,
21 and where you were to do it, and how you were to
22 go about it, was determined by either the
23 Department of Justice, or the Calumet County
24 Sheriff's Office?

25 A. That's correct.

1 Q. As a matter of fact, there were a number of
2 search teams that were put together, involved in
3 searching various locations on the Avery
4 property, correct?

5 A. That's correct.

6 Q. And the property itself, and the subject of the
7 warrant, was about a 40 acre parcel of land?

8 A. I believe so, yes.

9 Q. Okay. Now, in response to a number of questions
10 by counsel, regarding what your thought process
11 was at the time you completed each of the
12 searches of Mr. Avery's residence or garage, you
13 indicated, Well, at that time, we thought we had
14 gotten all of the information and evidence that
15 we needed to get. What did you mean by that?

16 A. Well, what I meant was, at that particular time,
17 with the information that we had about the case,
18 we thought we had gotten what we needed to get.

19 Q. All right. And as a result of which, as far as
20 you know, was there additional information coming
21 in that then caused Wiegert and Fassbender to
22 direct reentry, to continue searching these
23 various locations?

24 A. Yes.

25 Q. Would it be fair to say, that when you and

1 members of Manitowoc Sheriff's Office were
2 engaged in the searches of the residence and the
3 garage of Mr. Avery, the person actually in
4 charge of those searches was the Calumet County
5 officer, whether it was a deputy, or sergeant, or
6 lieutenant, or whatever?

7 A. That's correct.

8 Q. And they were the ones who actually collected the
9 evidence, correct?

10 A. That's correct.

11 Q. Thank you.

12 ATTORNEY FALLON: That's all. Thank you.

13 THE COURT: Anything else, Mr Buting?

14 ATTORNEY BUTING: Just a couple.

15 **REDIRECT EXAMINATION**

16 BY ATTORNEY BUTING:

17 Q. You mentioned there were various search teams
18 involved. How many officers do you think were
19 involved in the search of the Avery compound, 40
20 acre compound, on November 5th and 6th?

21 A. I would have no idea.

22 Q. Would you believe more than 50?

23 A. I wouldn't hazard a guess. I have no idea.

24 Q. Okay. But you do know that there were other
25 search teams searching lots of other areas and

1 buildings on the property, right?

2 A. Yes.

3 Q. And that these search teams included

4 non-Manitowoc people, correct?

5 A. I believe so, I'm not sure.

6 Q. All right. You knew there were state troopers

7 out there?

8 A. On that particular day, I'm not sure who was all

9 there. We were pretty much focused on what we

10 were doing.

11 Q. All right. But during that time period when you

12 entered Mr. Avery's house six times -- or trailer

13 six times, there were DCI agents also on the

14 property who could have done the search, correct?

15 A. I believe so.

16 Q. And there were many, many non-Manitowoc County

17 officers who could have conducted the searches of

18 Mr. Avery's trailer, correct?

19 A. If they had been assigned that, yes.

20 Q. And as a matter of fact, there was a later, a

21 second warrant obtained, late on the day of

22 November 9th, that included Mr. Avery's

23 residence; isn't that right?

24 A. I wouldn't know. Like I said, I had nothing to

25 do with the warrants.

1 Q. In fact, though, after November 9th, you never
2 entered Mr. Avery's trailer again, correct?

3 A. I don't believe so, no.

4 Q. Other officers were assigned to do that?

5 A. Yes.

6 Q. Officers from the DCI and Calumet County?

7 A. I'm not sure which officers and which
8 departments, but there were other officers, yes.

9 Q. They were not Manitowoc County officers?

10 A. Not to my knowledge, no.

11 ATTORNEY BUTING: I have no further
12 questions.

13 ATTORNEY FALLON: No redirect.

14 THE COURT: Very well. Mr. Lenk, you are
15 excused.

16 THE WITNESS: Thank you.

17 ATTORNEY BUTING: Thank you, sir.

18 THE COURT: And we'll take our afternoon
19 break at this time.

EXHIBITS

	Marked	Offered	Received
Exhibit 21	23	23	23
Exhibit 22	27	44	44
Exhibit 23	84	89	89

1 THE COURT: Counsel, were we going to be
2 taking some witnesses out of order, or on a
3 different motion?

4 ATTORNEY FALLON: I believe that was our --
5 I believe that was our intention, to take a brief
6 hiatus from the multiple execution and do the two
7 witnesses on the Marinette County Sheriff's
8 statement. We have Detective O'Neill here and
9 Attorney Glynn is here.

10 And as the Court observed the last time
11 we were together, you have already listened to
12 the recordings and, basically, the two witnesses
13 are here to fill in what's happened that's not on
14 the recording, so we're not anticipating lengthy
15 testimony.

16 THE COURT: Very well. And the State is
17 going to be calling the witnesses here?

18 ATTORNEY FALLON: Well, we're going to call
19 Detective O'Neill, and I believe the defense will be
20 calling Mr. Glynn.

21 ATTORNEY STRANG: Yes.

22 THE COURT: All right. Mr. Fallon, go
23 ahead.

24 ATTORNEY FALLON: Very well. State, at
25 this time, would call to the stand Detective

1 O'Neill.

2 **DETECTIVE ANTHONY O'NEILL**, called as a
3 witness herein, having been first duly sworn, was
4 examined and testified as follows:

5 THE CLERK: Please state your name, spell
6 your last name for the record.

7 THE WITNESS: O'-N-e-i-l-l.

8 **DIRECT EXAMINATION**

9 BY ATTORNEY FALLON:

10 Q. First name?

11 A. Anthony.

12 Q. What do you do for a living?

13 A. Detective Marinette County Sheriff's Department.

14 Q. How long have you been a law enforcement officer
15 with Marinette County?

16 A. Since 1989.

17 Q. How long have you been a detective?

18 A. Since 1998.

19 Q. To what duties are you normally assigned as a
20 detective with the Sheriff's Department in
21 Marinette?

22 A. General investigations.

23 Q. All right. And I would like to direct your
24 attention to Saturday, November 5th, 2005, did
25 you have an opportunity to meet with one Steven

1 Avery?

2 A. Yes, I did.

3 Q. Is Mr. Avery, the one you met with, is he present
4 in the courtroom this afternoon?

5 A. Yes, he is.

6 Q. And would you point out where he is seated, for
7 the benefit of the Court.

8 A. Seated to the right of his attorney, Mr. Strang,
9 wearing a black, short-sleeve shirt, dark colored
10 pants and dark colored shoes.

11 THE COURT: All right. The record will
12 reflect that the witness identified Mr. Avery.

13 Q. (By Attorney Fallon)~ How did it come to pass
14 that you had contact with Mr. Avery on November
15 5th, 2005?

16 A. My office informed me that it was requested by --
17 excuse me -- Calumet County investigators, that
18 we make contact with the Avery family, at their
19 property located in Marinette County, Wisconsin.
20 And to make contact with the Avery family and
21 talk to them about the case that they were
22 working on involving a missing person by the name
23 of Teresa Halbach.

24 Q. All right. And approximately what time of day
25 was that that you had contact with the defendant,

1 Steven Avery?

2 A. Actually arrived at the property proper at
3 approximately 2 in the afternoon.

4 Q. When you arrived there, what was the first thing
5 you did?

6 A. Went to a smaller type cabin, knocked on the
7 door. I believe it was Charles Avery came to the
8 door, came outside. I spoke to him for a few
9 moments. Also spoke to Mr. Avery, Allen Avery,
10 and then eventually, of course, Steven Avery.

11 Q. All right. And where did you first meet Steven
12 Avery?

13 A. It would have been in the cabin that was occupied
14 by Mr. Avery, Mrs. Avery, and some other Avery
15 family members.

16 Q. What information did you provide, or what reason
17 did you give Mr. Avery for your willing -- your
18 wishing to speak with him?

19 A. Initially, I explained to Chuck Avery that our
20 purpose was on behalf of Calumet County
21 investigators, to speak to the Avery family,
22 including Steven, excuse me, regarding any
23 knowledge that they may have of the whereabouts
24 of Teresa Halbach, and that there was no
25 indications, or no purpose, by law enforcement,

1 to take anybody in custody, or arrest anybody,
2 but merely to talk to them about anything they
3 might know.

4 Q. Was that information, you relayed that directly
5 to the defendant, Steven Avery?

6 A. Yes, while in the cabin, in the presence of his
7 family.

8 Q. Was he willing to speak with you?

9 A. Yes, he was.

10 Q. Did you, in fact, speak with him?

11 A. Yes, I did.

12 Q. Where did that conversation take place?

13 A. It took place in my unmarked car, county squad
14 car, on the Avery property, just outside of the
15 cabin, in a driveway area of the Avery property.

16 Q. Was there anyone else in the vehicle when you
17 engaged in conversation with Steven Avery?

18 A. On that Saturday, no, there was not.

19 Q. All right. Now, on that particular day, was --
20 or excuse me -- were any of your conversations
21 with Mr. Avery recorded?

22 A. Yes.

23 Q. All right. Tell us generally, first and
24 foremost, was there any department policy which
25 facilitated, or suggested, or directed you to

1 record the conversation?

2 A. At that time, no.

3 Q. Are -- The last time you were here, July 19th, I
4 believe it was, did you bring with us copies of
5 those recordings?

6 A. Yes, I did.

7 Q. And you provided copies to myself, and to the
8 defense counsel in this case, correct?

9 A. Correct.

10 Q. All right. Are the information which was
11 provided to us, is that a complete copy of the
12 recordings?

13 A. Yes, it is.

14 Q. All right. Now, are all of your conversations
15 with Mr. Avery, all discussions, all words
16 spoken, recorded on those recordings?

17 A. No, they are not.

18 ATTORNEY FALLON: All right. And just so
19 the record is clear, I believe the Court has already
20 received its copy and has listened to them?

21 THE COURT: I have. I'm wondering if --

22 ATTORNEY FALLON: I can't remember if it
23 was marked as an exhibit or not, that's what I'm
24 drawing a blank on.

25 THE COURT: I don't believe it was. Janet,

1 can you tell me if that's in the file somewhere?

2 THE CLERK: It is in the file.

3 ATTORNEY FALLON: While she's checking that
4 let's continue, Officer.

5 Q. (By Attorney Fallon)~ Let's start with the big
6 picture here. Approximately how much time did
7 you spend with Mr. Avery, total, that day?

8 A. Approximately 2 hours, 45 minutes, to 3 hours.

9 Q. All right. Now, during that time frame, was it
10 one continuous conversation, or were there a
11 series of conversations?

12 A. It was continuous conversation, interrupted by
13 other events.

14 Q. All right.

15 A. If that helps.

16 Q. Sure. Approximately how many interruptions
17 occurred during the course of your contact with
18 Mr. Avery?

19 A. Maybe three.

20 Q. All right. As you recall this day, do you know
21 the reasons for those interruptions?

22 A. Yes.

23 Q. All right. Tell us, please, the first
24 interruption.

25 A. I'm not sure where it fits in, in the

1 pre-interview, or during the interview, but there
2 was a point where Mr. Avery gave consent, along
3 with Steven, for the search of the property and
4 the vehicles that were contained on the property.

5 And my attention was directed towards
6 the Steven Avery vehicle for a moment, by an
7 officer that was conducting the search. That may
8 have been an interruption or may have been
9 pre-interview. The other interruptions would
10 have been numerous phone calls from the press to
11 Mr. Avery, and phone calls from an attorney.

12 Q. All right. Let's start, first, with your first
13 initial contact in the vehicle itself. When was
14 the recorder turned on? Was there any discussion
15 that occurred before the recording was engaged?

16 A. Yes, there was.

17 Q. All right. And tell us about that?

18 A. I obtained some biographical data from Steven
19 regarding his name, his address, his date of
20 birth, and specific information as to where he
21 lived and so forth. And then, as he started
22 telling me the story, at that point, I felt there
23 was a need for me to make more of a record for
24 myself, because it was becoming a story that was
25 involving into a lot of details, a lot of things

1 I was not familiar with, and I needed to make
2 sure that there was an accurate thing I could go
3 back to later on and make sure my reports
4 reflected what was said.

5 Q. All right. So, approximately, if we guessed -- I
6 don't want you to guess -- If you were to
7 estimate, approximately how many minutes went by
8 before you thought to yourself, it's probably a
9 good idea, I better start recording this; about
10 how much time elapsed?

11 A. I would say between 8 to 10, or 10 to 12 minutes.

12 Q. All right. Now, during that particular time,
13 other than biographical data, you know, the
14 details of who he is, and how old he was, and
15 where he lived and worked, etcetera; what else
16 was discussed, that you recall?

17 A. Knowing what we discussed, that I know is not on
18 the recording was, I just had a phone call, okay,
19 and basically was not given any specific details
20 as to what the investigation involved, so it was
21 kind of like coming in blind.

22 And I remember talking to Steven, saying
23 hears the situation as I know it, and I think you
24 are going to be able to tell me much more than
25 what I know, and I'm going to rely upon you to

1 help me through, try and understand what this
2 investigation is, into the missing person, Teresa
3 Halbach.

4 Q. All right.

5 A. And I think at that point, when he started to go
6 into talking about it, I wrote down some notes,
7 like it was Halloween, then it was like, okay,
8 then I flip on the recorder. So it was only from
9 the time I collected the biographical data, and
10 that we had that conversation regarding what I
11 was there for, and trying to understand the
12 circumstances and going from there.

13 Q. Okay. Now, you mentioned some other
14 interruption, or something concerning consent.
15 What was that about?

16 A. I believe it may have been during the initial,
17 and not during the interview, where we asked
18 Mr. Avery if we could search the property. We
19 had some other officers that were present and
20 wanted to give them their tasks, with Mr. Avery's
21 permission, to go and search the property, see if
22 there was anything that may be pertinent, that
23 wasn't normal.

24 Q. All right.

25 A. He gave -- Pardon?

1 Q. I just want to interrupt, which property are you
2 referring to?

3 A. The Avery property, in the Town of Stephenson,
4 Marinette County.

5 Q. Marinette County. All right. So after that
6 occurred, then you had this general discussion of
7 who you were, why you were there getting his
8 biographical data. And then as the questioning
9 begins, it's shortly thereafter, within a matter
10 of what, a minute or two, that you decide, I
11 better turn on the recorder?

12 A. Correct.

13 Q. Okay. All right. What was the next
14 interruption -- Well, strike that. Until the
15 point of the next interruption, should I say the
16 first interruption, was everything recording from
17 that moment on, after you turned on the recorder?

18 A. Yes.

19 Q. Okay. What was the first interruption then?

20 A. I believe it was a phone call that was made to a
21 family member and then presented to Steven by
22 someone who knocked on the door and said, hey,
23 phone, and he says wait a moment, and the person,
24 I believe, said something to the effect of, it's
25 the attorney. And at that point Steven, I

1 believe, rolled down the window and took the
2 phone.

3 Q. All right. And did he remain in the vehicle?

4 A. Yes, he did.

5 Q. Now, while he was on the phone, the recording is
6 still running?

7 A. Yes, it is.

8 Q. All right. At some point during this
9 interruption, was the recording turned off at
10 all?

11 A. Not until after he left the vehicle.

12 Q. All right. After he left the vehicle, did you
13 turn off the recorder immediately, or did you
14 leave it on for a few moments?

15 A. I left it on for a few moments because I made a
16 note, a verbal note, as to what was going on?

17 Q. All right. And at some point, you turned the
18 recorder back on?

19 A. Yes, I did.

20 Q. With respect to that, prior to turning the
21 recorder back on, did you have any conversation
22 with Mr. Avery, before you turned the recording
23 back on?

24 A. No, I stayed in the car.

25 Q. You stayed in the car?

1 A. Correct.

2 Q. All right. So, when you -- When did the
3 recording get turned on?

4 A. When Mr. Avery came back into the car.

5 Q. As he opened the door?

6 A. I believe so. I believe I could even hear a
7 chime from the door, in the recording.

8 Q. All right. And from that moment on, did the
9 recording remain on?

10 A. For that session, yes.

11 Q. All right. And what was the next interruption
12 that occurred?

13 A. When he came back into the car, he still had the
14 phone. We continued on with the interview. I
15 don't think there were any other interruptions.

16 Q. All right. Was there a second phone call from an
17 attorney; do you recall?

18 A. Yes, there was.

19 Q. All right. Tell us about that.

20 A. I believe it was somewhere closer to 4 or
21 5:00 p.m.

22 Q. All right.

23 A. And someone said, again, that it was his
24 attorney. And he said something to the effect,
25 tell him I will call him back in 15 minutes.

1 Q. And at that point, did you continue to converse
2 with Mr. Avery?

3 A. For a short time, yes.

4 Q. And then what happened?

5 A. We concluded our interview.

6 Q. All right. Now, did he step out and take a call
7 from an attorney.

8 A. During the first phone call interruption, yes.

9 Q. All right. Now, when was the last time that you
10 listened to a recording of this -- of this
11 afternoon's conversation with Mr. Avery?

12 A. Would have been, in totality, on the date I came
13 here, which was July.

14 Q. 19th?

15 A. 19th.

16 Q. So, it's been since July 19th that you listened
17 to the recording?

18 A. Actually, I think that was June 19th, wasn't it?

19 Q. Whenever you were here last. But you have not
20 listened to the recording since?

21 A. No, I have not.

22 Q. All right. Now, at any time while the recorder
23 was off, did you have any discussions with
24 Mr. Avery regarding the events which were
25 unfolding in Manitowoc County, about the location

1 of Teresa Halbach's vehicle on his property, that
2 were not recorded?

3 A. No, I did not.

4 Q. All right. Now, any discussion with Mr. Avery,
5 whatsoever, that were not recorded, about whether
6 he should continue to talk with you, not
7 withstanding the fact that he had just taken a
8 phone call from Attorney Glynn?

9 A. No.

10 Q. All right. So, everything relative to the events
11 which were unfolding here in Manitowoc County,
12 and the discussion regarding the fact that his
13 attorney is trying to get a hold of him, are on
14 the recordings?

15 A. To the best of my knowledge, yes.

16 Q. All right. During the course of the afternoon's
17 interview, was Mr. Avery -- in your mind, was he
18 ever in custody?

19 A. No.

20 Q. Did you tell him that he was free to leave during
21 the course of this conversation?

22 A. At least a couple times, and reaffirmed it, yes.

23 Q. Did you advise him, during the course of these
24 conversations, that he was, of course, free to
25 leave any time?

1 A. Yes, and he exercised those as well.

2 Q. As a matter of fact, he left your presence how
3 many times?

4 A. If the interruption of going out and looking at
5 his car occurred during the interview, that would
6 have been one, to take that phone call from his
7 attorney, would have been the second time. So,
8 one for certain, two possibly.

9 Q. All right. And as a matter of fact, you actually
10 talked to his attorney at one point during his
11 receiving the call, correct?

12 A. A person identified himself as his attorney, yes.

13 Q. And the person identified himself as Attorney
14 Stephen Glynn?

15 A. Correct.

16 Q. All right. When you completed your discussions
17 with Mr. Avery, did you arrest, or otherwise take
18 Mr. Avery into custody?

19 A. No.

20 Q. You wrote a report on this?

21 A. Yes, I did.

22 Q. I'm just curious, did you have the opportunity of
23 listening to the recording before writing your
24 report?

25 A. Yes.

1 Q. All right. At any point, while on the
2 recording -- or excuse me -- the recording will
3 speak for itself. At any point, which was not
4 recorded, during your contact with Mr. Avery, did
5 Mr. Avery tell you he just did not want to talk
6 to you?

7 A. No.

8 Q. At any point, during your contact with Mr. Avery,
9 and I'm focusing in on points which were not
10 subject to recording, did he ever say he didn't
11 want to talk to you without the assistance of
12 counsel?

13 A. No.

14 Q. At any point, during your contact with Mr. Avery,
15 that was not recorded, did he ever refuse to
16 answer any particular question?

17 A. As related to Teresa Halbach case, no.

18 Q. Yes. All right. Now, during the course of this
19 conversation, he sat in what part of your
20 vehicle?

21 A. A passenger front.

22 Q. All right. And is that passenger vehicle, is one
23 able to freely get in and out of that vehicle?
24 It is not like the backseats, for instance, it's
25 not locked?

1 A. Just as your typical civilian car, Ford Taurus,
2 no cage, no locks, no special things to keep
3 someone inside the car.

4 Q. All right. Your best recollection, is there any
5 reason in your mind right now why it took 2 or 2
6 1/2 hours to complete the job of interviewing
7 Mr. Avery?

8 A. I believe the duration was in such to be sure as
9 to what he was telling me, to expand upon what he
10 was telling me, to grasp what he was telling me,
11 and to be certain to myself and to him, that what
12 he was telling me was, what he said, the truth.

13 Q. All right. Were any of the interruptions that
14 you have just described lengthy; in other words,
15 there was a lot of down time, where you actually
16 turned off the tape for any extended period of
17 time?

18 A. No.

19 Q. During the course of taking these statements from
20 Mr. Avery, at any point, in an effort to get him
21 to talk to you, did you promise him anything?

22 A. No.

23 Q. Did you at all threaten or otherwise coerce him?

24 A. No.

25 Q. Did you -- Did he make any requests of you that

1 you denied?

2 A. No.

3 Q. And how would you characterize his demeanor when
4 he was speaking with you?

5 A. Wanting to cooperate, wanting to talk. It was
6 almost as if it was a casual conversation, so to
7 speak, but yet with concern. And without any
8 type of need to go anywhere or do anything. It
9 was.

10 Q. All right. And at any point, did he become angry
11 or frustrated with you, or your questioning?

12 A. No.

13 Q. Did he have any questions of you, that are not
14 reflected on the recording?

15 A. I don't believe so, no.

16 Q. All right.

17 ATTORNEY FALLON: Ms Clerk, do we have an
18 exhibit number for that recording?

19 THE CLERK: It wasn't marked as an exhibit,
20 but it was filed.

21 ATTORNEY FALLON: Perhaps we should have it
22 marked.

23 THE COURT: It should be marked, so can it
24 be 21?

25 THE CLERK: Yes.

1 (Exhibit 21 marked for identification.)

2 Q. (By Attorney Fallon)~ Detective, I show you what
3 has been marked for identification purposes as
4 Exhibit 21. Does that look familiar to you?

5 A. This actual CD, no. This is not the CD that I
6 would have produced.

7 Q. Okay. You reproduced an exhibit such as this;
8 would that be yours?

9 A. I believe so, yes.

10 Q. All right. And as far as we know, this is -- As
11 far as you know, this is a true and accurate copy
12 of the original that you brought with you when
13 you were here last?

14 A. Correct.

15 Q. Okay.

16 ATTORNEY FALLON: Is there a stipulation,
17 Counsel, on that creation?

18 ATTORNEY STRANG: Yes. And Exhibit 21 is
19 admissible, as far as I'm concerned.

20 ATTORNEY FALLON: Very well. We'll tender
21 the witness for cross, upon receipt of the exhibit.

22 THE COURT: All right. The Court, based on
23 the stipulation of the parties, will accept
24 Exhibit 21. Mr. Strang, you are doing this one?

25 ATTORNEY STRANG: Yes.

1 CROSS-EXAMINATION

2 BY ATTORNEY STRANG:

3 Q. Detective O'Neill, other than listening to the
4 tape, or the recording that we have now marked as
5 Exhibit 21, what did you review, at any time
6 after November 5, 2005, to refresh your
7 recollection to testify here today?

8 A. My reports.

9 Q. How many reports are those?

10 A. I believe I reviewed the report involving the
11 interview of Steven Avery on November 5th. I
12 believe it was maybe four pages.

13 THE COURT: Can you hand me the exhibit?

14 THE WITNESS: I'm sorry?

15 THE COURT: Can you hand me the exhibit,
16 the CD?

17 Q. (By Attorney Strang)~ Did you review any other
18 reports?

19 A. I believe I reviewed the actual motion that was
20 presented.

21 Q. The defense motion?

22 A. Yes. I reviewed a handwritten note regarding
23 some times --

24 Q. Your handwritten --

25 A. -- some biographical data.

1 Q. Your handwritten notes?

2 A. Yes.

3 Q. Prepared on November 5?

4 A. Yes.

5 Q. During the interview with Steven Avery?

6 A. Yes.

7 Q. Do you have those with you?

8 A. May I check?

9 Q. Yes.

10 A. No, I do not.

11 Q. Where are they?

12 A. Actually, I believe they may be in my car.

13 Q. Which is nearby, obviously?

14 A. Correct.

15 Q. All right. We'll find a convenient time to have
16 you get those.

17 ATTORNEY STRANG: Simply signal the Court
18 now, that I'm asking for them under 906.12.

19 Q. (By Attorney Strang)~ What else did you review?
20 We have gone through the tape, the motion that I
21 filed, one report, which you recall as being four
22 pages, and then your handwritten notes.

23 A. The audio recordings from my first appearance
24 here, I would have reviewed back then.

25 Q. Audio recordings from your first appearance here;

1 I'm not sure I understand?

2 A. When I first came, I think it was on June 19th.

3 I believe that was the first date of motions.

4 Q. July 5.

5 A. I'm sorry. July 5th, the day I would have
6 appeared, but not presented for motion. I would
7 have reviewed, also, the audio recordings, and
8 the diagrams, and the statements that were taken.

9 Q. Okay. So the same things you reviewed. When you
10 say audio recordings, you are talking about the
11 November 5 interview of Steven Avery?

12 A. And 6th, yes.

13 Q. And 6. Okay. Separate recording?

14 A. Yes.

15 Q. All right. Separate report for November 6th as
16 well?

17 A. I believe so, yes.

18 Q. Did you review that to refresh your recollection
19 to testify?

20 A. I don't believe so.

21 Q. I'm going to show you two reports. Before I mark
22 these, I'm going to show you two reports. Tell
23 me if both of those are reports that you
24 authored, which one did you review to refresh
25 your recollection, or do you now think you looked

1 at both of them, having seen them?

2 A. I would have reviewed the report dated 11/16 of
3 '05.

4 Q. And not the report dated 11/17 of '05?

5 A. I don't believe so.

6 Q. Okay. Fair enough. I'm going to mark the one
7 you identified as reviewing that, and ask the
8 clerk to mark that as Exhibit 22. What I will
9 do, I will leave this with you.

10 (Exhibit 22 marked for identification.)

11 ATTORNEY STRANG: I'm not moving it into
12 evidence at this point, your Honor.

13 Q. (By Attorney Strang)~ That report, to my eye, is
14 five pages, not four; is that right?

15 A. Correct.

16 Q. And then there's a 6th page which looks like, you
17 know, somebody's hand drawn diagram?

18 A. Attachment of a diagram, yes.

19 Q. Right. On the fifth of the typed pages, we have
20 got your signature near the bottom?

21 A. Yes, it is.

22 Q. I see four little computer symbols for a speaker;
23 do you see those?

24 A. Yes, I do.

25 Q. Any significance to the symbol?

1 A. When I compiled these reports and presented them
2 to the Calumet County officers, I did so not only
3 in written format but also in a CD ROM format.
4 And that CD ROM would have allowed the user to
5 click on the icons that are there, to access
6 whatever audio recordings were pertinent to that
7 specific report.

8 Q. Okay. And that goes to my next question. There
9 are four of the icons, does that correspond to
10 the four parts, or segments, on the CD, of the
11 November 5 interview of Steven Avery?

12 A. Without actually seeing the CD ROM and looking at
13 that property for the icons, I would say yes.

14 Q. And that would be your expectation --

15 A. Yes.

16 Q. -- in other words? All right. You did not tell
17 Steven Avery, during the course of your
18 November 5 interview, that you were recording it,
19 true?

20 A. True.

21 Q. Where was the recorder, in the unmarked squad,
22 you described?

23 A. Where I always keep it, on my visor, there's kind
24 of like a visor caddy, in that location, right
25 there.

1 Q. Sort of a small dictaphone, or digital handheld
2 recorder?

3 A. Yes.

4 Q. Which you can simply turn on with your thumb by
5 reaching up to the visor?

6 A. Yes.

7 Q. Do that unobtrusively?

8 A. To someone that may be in a vehicle, it may be
9 unobtrusively, yes.

10 Q. Sure. And then turn it off with your thumb, as
11 well, correct?

12 A. Correct.

13 Q. That is something you have grown accustomed to
14 doing?

15 A. During my career, no. But more recently, yes.

16 Q. As of November 5, 2005, you were adept at turning
17 this recorder on and off quickly, without
18 looking?

19 A. I probably would have had to take it down to turn
20 it on, because I'm not that adept. Okay.

21 Q. All right. In any event, you had no reason to
22 believe that Mr. Avery knew that he was being
23 recorded?

24 A. No.

25 Q. The initial phase, if you will, of this

1 interview, involved what I think you said was
2 about 8 to 12 minutes, give or take, of getting
3 some biographical information from Steven Avery,
4 true?

5 A. Yes.

6 Q. What did he tell you about his level of formal
7 education?

8 A. I believe that was part of our conversation. He
9 talked about not having completed high school.

10 Q. And going no further?

11 A. I believe that to be correct, yes.

12 Q. Would your -- Would your notes out in your car
13 reflect some of these biographical details?

14 A. That was just during conversation and -- I really
15 don't know.

16 Q. Did you make most of the notes before you turned
17 on the recorder for the first time?

18 A. I believe so.

19 Q. Which is also the period of time during which you
20 covered the biographical information?

21 A. Correct.

22 Q. So, what you knew, in any event, was that you had
23 a high school graduate, in the car with you?

24 A. I don't believe he graduated high school. I
25 don't think he did.

1 Q. I'm sorry, I misunderstood you.

2 A. I don't believe he did graduate high school.

3 Q. What was your understanding of his educational
4 attainment?

5 A. I believe, just from our conversation, I don't
6 believe he graduated high school because I talked
7 about some familiar surroundings and things and
8 so forth.

9 Q. You didn't learn how far short of graduation he
10 left high school?

11 A. No, I didn't.

12 Q. But you knew you did not have a high school
13 graduate?

14 A. I believe that's correct.

15 Q. That was your understanding?

16 A. Yes.

17 Q. Okay. Did you inquire into the manner of his
18 employment? His trade, or his job?

19 A. I believe during conversation it became known,
20 that it was a family run business, the Avery
21 Salvage Yard.

22 Q. Worked in the salvage yard?

23 A. Correct.

24 Q. You would describe him, then, as a working man?

25 A. Correct, yes.

1 Q. Someone who did not have post-secondary
2 education?

3 A. I believe so, correct.

4 Q. Someone you believed not to have a high school
5 degree?

6 A. Correct.

7 Q. So, at least the man you believed you were
8 speaking to, his highest diploma would have been
9 from 8th grade, presumably, correct?

10 A. From what grade?

11 Q. Eighth.

12 A. I can't remember that. I don't remember that.

13 Q. Okay. But no reason to think he had graduated
14 from 12th grade?

15 A. I was surprised that you said 8th grade, because
16 I put him, in the idea of his cognitive abilities
17 to understand me, as being a lot higher than an
18 8th grade education.

19 Q. I understand. What I was asking about was the
20 last diploma that you believed he had received,
21 or the last stage of schooling he had completed,
22 would have been junior high school.

23 A. I don't recall that being something that we
24 talked about.

25 Q. All right. The interview was one of many

1 interviews that you have conducted with people
2 during, at that point, roughly 16 years you have
3 been in law enforcement?

4 A. Yes.

5 Q. Probably hundreds of interviews you have
6 conducted with citizens during those 16 years,
7 roughly?

8 A. Yes.

9 Q. I'm talking about 1989 to November of 2005?

10 A. In some sort and fashion, yes.

11 Q. Sure. And then in about 1999, you took on the
12 duties of an investigator?

13 A. I believe it was '98.

14 Q. '98, I'm sorry. So, it had been about 7 years
15 that you had been an investigator by the time you
16 were conducting this interview?

17 A. Yes.

18 Q. The job of investigator regularly entails
19 interviewing citizens?

20 A. Yes.

21 Q. Some of those citizens are witnesses to crimes,
22 or potential crimes?

23 A. Yes.

24 Q. Some are victims of crimes?

25 A. Yes.

1 Q. Some are suspects in crimes?

2 A. Yes.

3 Q. Some are actually defendants charged with a

4 crime?

5 A. Usually, at that point, I'm not talking to them.

6 Q. But, occasionally, there have been occasions

7 where somebody has been charged with a crime,

8 later has talked to you about that charge, or

9 some other --

10 A. Yes.

11 Q. -- matter of interest, correct?

12 A. Correct.

13 Q. So you have acquired experience dealing with all

14 types of these categories of citizen interviews

15 that we have discussed?

16 A. Yes, sir.

17 Q. You have done that probably hundreds of times,

18 during your employment as a detective?

19 A. To some degree, yes.

20 Q. You have been trained, from the beginning of your

21 law enforcement career, that one, in this

22 country, always has a right to ask for a lawyer?

23 A. Yes.

24 Q. One doesn't need to be a suspect?

25 A. Correct.

1 Q. One doesn't need to be under arrest?

2 A. Correct.

3 Q. You are a scrupulous law enforcement officer?

4 A. Depends on how you define scrupulous.

5 Q. How do you define scrupulous?

6 A. One who takes his job serious and exemplifies

7 what you would expect in a law enforcement

8 officer.

9 Q. All right. Does that include honesty?

10 A. Yes.

11 Q. Does that include respect for constitutional

12 rights?

13 A. Yes.

14 Q. Does that include respect for the human beings

15 with whom you have contact, professionally?

16 A. Yes.

17 Q. That respect extends to respecting a request for

18 a lawyer?

19 A. Very much so.

20 Q. Doesn't matter to you whether the person is in

21 custody, or not?

22 A. Correct.

23 Q. If he asks for a lawyer, that's his wish?

24 A. That's his wish.

25 Q. That's something that you will respect?

1 A. Always have.

2 Q. As part of a serious and responsible law
3 enforcement officer?

4 A. Yes.

5 Q. You are familiar, as a matter of experience, with
6 the fact that people have all different states of
7 mind, when you come to interview them? By that,
8 I mean some are relaxed, correct?

9 A. Correct.

10 Q. Some are friendly?

11 A. Correct.

12 Q. Some are sober?

13 A. Correct.

14 Q. Some are not under the influence of drugs?

15 A. That's correct.

16 Q. And, then, some are hostile?

17 A. Correct.

18 Q. Some are drunk?

19 A. Correct.

20 Q. Some are under the influence of some sort of drug
21 or illegal substance?

22 A. Correct.

23 Q. Some are scared?

24 A. Correct.

25 Q. Some are highly formal?

1 A. Correct.

2 Q. Some want to be informal and jovial, or try to
3 play the joker, if you will?

4 A. I imagine so, yes.

5 Q. You have seen the gamut, in other words, of human
6 behavior, in the course of interviewing people?

7 A. Yes, I have.

8 Q. This one, Mr. Avery, was somebody who appeared to
9 you to want to be cooperative?

10 A. Yes.

11 Q. Your experience, too, with the hundreds of people
12 you have interviewed in various descriptions we
13 have covered, you have seen a range of levels of
14 facility with the English language, I guess we
15 could put it that way, couldn't we?

16 A. Including my own, yes.

17 Q. Yes, sure. I mean, you are at one point on the
18 scale of, you know, from inarticulate or
19 illiterate, to highly articulate, correct?

20 A. I would hope so.

21 Q. Sure. You are at some point in there, and you
22 have seen people who range pretty well across
23 that spectrum?

24 A. Yes.

25 Q. You have had people, in fact, who are mute or,

1 because deaf, are not able to speak ordinarily at
2 all?

3 A. I can't recall any, but I'm sure.

4 Q. Yeah. You have certainly interviewed people as
5 to whom you understood that perhaps Spanish was
6 their first language, and English only a second
7 and fragmentary language?

8 A. Yes.

9 Q. You have had people who had college degrees, or
10 maybe degrees beyond that, and had an excellent
11 grasp of the English language; you have
12 interviewed people like that?

13 A. Yes, I have.

14 Q. And you have interviewed simple, ordinary folks
15 who have, maybe, less ability to articulate their
16 thoughts than you do, for example?

17 A. Yes.

18 Q. Mr. Avery would fall into the group who would be,
19 you know, less articulate than you, correct?

20 A. I don't believe so.

21 Q. Somewhere about you, in terms of his ability to
22 articulate himself in English?

23 A. To a certain degree, yes.

24 Q. All right. But I guess the point is, you have
25 learned to deal with a range of English language

1 skills in your work?

2 A. Yes.

3 Q. You, therefore, do not hold people to a
4 dictionary standard of use of the language?

5 A. No.

6 Q. You don't correct their grammar?

7 A. No.

8 Q. You don't correct their diction?

9 A. No.

10 Q. You don't ask them to speak with precise phrases,
11 or specific magic words?

12 A. Unless there is a problem in me understanding
13 what they are saying, no.

14 Q. In which case, you will try to clarify so that
15 you could understand?

16 A. Correct.

17 Q. But you allow some room for communicating with
18 the interviewee at the level that the interviewee
19 communicates?

20 A. As long as we are both understanding each other,
21 and we have the same presence of the language --

22 Q. Sure.

23 A. -- that we're speaking.

24 Q. And that is the key, you want to make sure you
25 understand?

1 A. Project and receive the same language.

2 Q. Right. And that -- So if someone was using a
3 very elevated vocabulary, words you didn't
4 understand, you might ask that person to explain
5 in simpler terms?

6 A. As we have done, yes.

7 Q. Sure. And likewise, if someone was using very
8 imprecise, or poorly chosen words, you might try
9 to clarify what they were trying to tell you as
10 well?

11 A. Correct.

12 Q. There are no magic words, in other words, in your
13 business here, the point is to communicate?

14 A. That's correct.

15 Q. And to be fair in taking down what you believe
16 the person to mean?

17 A. Taking down?

18 Q. Well, recording, writing, taking in, you know,
19 perceiving on your part, you want to understand
20 the person, in other words.

21 A. During conversation, yes, I do. Taking down what
22 I take down, if you are referring to notes, or
23 anything like that, would be points that I feel
24 important to capture the moment.

25 Q. Yeah, fair enough. And I -- I sort of sent you

1 off in that direction.

2 A. I was trying to make a transition of work.

3 Q. Sure. But, initially, in conversation, you want
4 to understand them?

5 A. Yes.

6 Q. You want to understand them accurately?

7 A. Yes.

8 Q. That's part of doing your job fairly?

9 A. Yes.

10 Q. And then, if you can write something down, then
11 you may hone in, to clarify, or just make quite
12 certain that you have got an accurate description
13 of what the person is saying?

14 A. Okay. I think you kind of lose me there. If I
15 had a problem with what you were trying to say to
16 me, I might not necessarily write it down. I
17 might ask you clarify, or ask you another
18 question that may clarify it anyhow.

19 Q. You understood me perfectly. That's fine. The
20 report that we have marked as Exhibit 22,
21 actually bears a date, as you noted, 11 days
22 after the interview of Mr. Avery.

23 A. It does bear that date, yes.

24 Q. Okay. And I'm not familiar with your department,
25 so my question is, when would you first have

1 prepared the report marked as Exhibit 22?

2 A. I really can't say, except it may have been a
3 work in progress. And the date of 11/16/05 would
4 have been the date that I printed this out, upon
5 completing it, so sometime before -- on or before
6 November 16th.

7 Q. Let's back into it that way, then, okay. We'll
8 use your date, 11/16/05 would have been the date
9 you actually printed the report?

10 A. Correct.

11 Q. You would have printed it after reviewing it?

12 A. Yes.

13 Q. I mean, is that true?

14 A. I would hope to believe so, yes.

15 Q. Okay. You don't remember, specifically, this
16 report?

17 A. I reviewed it, but to review it upon being done
18 with it and saying, okay, I need to review it,
19 make sure it is correct. I'm sure it was done
20 over a period of time, with reviews done
21 intermittently, and in a final review.

22 Q. And that's what you recall doing as to
23 Exhibit 22?

24 A. I believe so because I think I do with every
25 report that I make.

1 Q. That's a habit of yours?

2 A. Yes.

3 Q. All right. I'm less worried now about the actual
4 date, but do you know how the report would have
5 come into being in the sense, would you have
6 typed it at a computer, would you have dictated
7 it, handwritten and had somebody type it; how
8 would it have come into being, initially?

9 A. I would have typed it.

10 Q. Yourself?

11 A. Yes.

12 Q. Okay. And then when you said, you told me it was
13 a work in progress, perhaps you may have revised
14 it over the course of 11 days?

15 A. Or stopped it, got back to it, stopped it, got
16 back to it. Usually revisions, I want to do
17 before I get done with my session.

18 Q. Using the tape that you made on November 5 to
19 help you in preparing the report and typing it?

20 A. Yes, to some extent.

21 Q. Were you satisfied when you printed the report on
22 November 16, 2005, that the report was complete?

23 A. I believe so, yes.

24 Q. Were you satisfied that it was accurate?

25 A. To the extent that a report can be, yes.

1 Q. Were you satisfied that it was fair?

2 A. Depending upon what fair is.

3 Q. Well, fair to you. I mean, were you satisfied
4 that it was fair?

5 A. A fair summary of what occurred during the day
6 that we have on report.

7 Q. All right. Now, Paragraph 4 --

8 ATTORNEY STRANG: And I think I'm getting
9 into this, so I will offer Exhibit 22 at this point,
10 your Honor.

11 ATTORNEY FALLON: No objection.

12 THE COURT: All right. Exhibit 22 is
13 admitted. You don't have an extra copy of that?

14 ATTORNEY STRANG: I do. I do.

15 ATTORNEY FALLON: There should be one
16 attached to the motion, Judge, if you have it.

17 ATTORNEY STRANG: I have an extra.

18 THE COURT: The motion is in the file, so I
19 think I will just take this.

20 Q. (By Attorney Strang)~ Exhibit 22, I'm looking at
21 page four, Mr, O'Neill; do you have that?

22 A. Yes, I do.

23 Q. Okay. And down at the bottom right, just a cross
24 check here, it should say, State 0148?

25 A. Yes, it does.

1 Q. Okay. Thank you.

2 ATTORNEY FALLON: Counsel, you might want
3 to clarify how that number got on the exhibit, 0148.

4 ATTORNEY STRANG: I would be testifying,
5 but I would be happy to do it. It's a number that
6 was added by the paralegal service that we're using
7 to compile discovery and keep it organized.

8 ATTORNEY FALLON: So that wasn't part of --
9 The point is, that wasn't part of the original
10 report.

11 Q. (By Attorney Strang)~ It was not part of your
12 original report, that number on the bottom right?

13 A. No, I have seen those numbers used before and
14 it's usually at the level of the attorneys, that
15 are discovery.

16 Q. Yeah.

17 ATTORNEY FALLON: Thank you.

18 Q. This otherwise looks like content that you put in
19 the report, correct?

20 A. Yes, sir, it does.

21 Q. All right. Down at the -- On the last paragraph
22 on Page four, you write, Steven returned to my
23 car stating, and then you put in quotes, "I guess
24 they don't want me to talk no more" closed quote,
25 period; do you see that?

1 A. Yes, I do.

2 Q. And then you go on to say, I asked Steven if that
3 was his wishes, that he didn't want to talk to me
4 anymore. And he replied, then you have another
5 quote from Mr. Avery?

6 A. Correct.

7 Q. The quotes were taken from the tape, or the
8 recording, correct?

9 A. I believe so, yes.

10 Q. I'm not going to play the tape, because you have
11 listened to it and the Court can listen to it.
12 But if -- if you asked Mr. Avery, after he said,
13 Well, I guess they don't want me to talk no more,
14 and if you asked him, You don't, you didn't
15 include that in the report, did you?

16 A. If it's on the audio and it's not in the report,
17 that would be correct.

18 Q. That's right. And if the audio reflects that
19 Mr. Avery then said, No, but here's his number,
20 case when you want to talk to me, contact them
21 and they -- they want to be there too; that's not
22 something you included in the report either is
23 it?

24 A. That they want to be there too, I don't recall
25 that.

1 Q. You certainly didn't put it in your report?

2 A. Correct.

3 Q. And then you saying, Okay, that's not in your
4 report?

5 A. The report is reflective of that paragraph.

6 Q. And it doesn't have you saying, Okay?

7 A. That's correct.

8 Q. If the tape then records you, at that point,
9 saying, Let me ask you this, Steve, although they
10 are telling you that they don't want you to
11 talk -- and you go on from there, that's not
12 something you put in the report either?

13 A. That's correct.

14 Q. If Steven then responded to your question about
15 whether it was his wish to talk, or not talk, by
16 saying, Well, I got to listen to the lawyer,
17 that's not something you include in the report,
18 is it?

19 A. If that's what the tape reflects, my report does
20 not reflect that.

21 Q. And then, if you said, Well, and we're not
22 talking about you committing any crime, and you
23 go on to talk about this just being a missing
24 person, you didn't include that in the report,
25 did you?

1 A. No, I didn't.

2 Q. And then you, as I understood the report -- and
3 you may remember this -- did you say, So, in the
4 interest of a missing person, last being seen by
5 you, that we're aware of, and trying to figure
6 out where this person may be, am I understanding
7 you correctly, in the idea that you could help in
8 this investigation, to find this missing person,
9 that you are refusing to cooperate, because your
10 attorney is telling you not to talk to us? Do
11 you recall making that statement, at this point
12 in the conversation, with Steven Avery?

13 A. If your quote is from the recording, I would say
14 yes.

15 Q. Okay. And Steven Avery says, Oh, no, no. Do you
16 recall him responding that way?

17 A. Again, yes.

18 Q. And then -- And here I'm not quoting you, I'm not
19 suggesting this is verbatim, but do you recall
20 going on to tell Mr. Avery, Look, you are a 40
21 plus year old man, you are an intelligent guy.
22 If you have nothing to fear, do you want to
23 finish this conversation? That's not verbatim,
24 but words to that effect?

25 A. I believe it's a fair representation of what was

1 on the recording, yes.

2 Q. Okay. And somewhere after that point, Mr. Avery
3 says, and I quote, "We can talk a little longer",
4 closed quote. And then he says, very shortly
5 after that, I want to help. Do you recall that?

6 A. With a little bit more detail to the quote, I
7 believe it was, If it's easy, as well. As long
8 as it's easy.

9 Q. He goes on to, makes the comment about it being,
10 as long as it's easy?

11 A. Correct. That's right.

12 Q. And that's where you pick up in the report, Well
13 as long as it's easy and whatever I know ... we
14 can.

15 A. Correct.

16 Q. Okay. Now, this may have gotten lost somewhere
17 in the direct examination by Mr. Fallon, but I
18 believe there was a time when you accepted the
19 telephone from Mr. Avery, correct?

20 A. Yes.

21 Q. And Steve says something to you like, Hang on,
22 and then just hands you the cell phone?

23 A. When he returns back to the vehicle, yes.

24 Q. This is shortly after he returns to the car on
25 one of the occasions. And at that point you talk

1 to the voice on the other end of phone.

2 A. Correct.

3 Q. The person on the other end of the phone

4 identified himself as a lawyer?

5 A. Yes, he did.

6 Q. Gave you his name?

7 A. Yes, he did.

8 Q. Gave the name, Steve Glynn?

9 A. Yes, he did.

10 Q. Was that a name you recognized as a criminal

11 defense lawyer in the State of Wisconsin?

12 A. No.

13 Q. Okay. Didn't know the name at all?

14 A. Rang no bells.

15 Q. Okay. Fair enough. And you had no reason to

16 doubt that the person was a lawyer?

17 A. No, I didn't.

18 Q. He identified himself, specifically, as

19 representing Steven Avery?

20 A. In a civil matter, yes.

21 Q. In a presently pending civil matter?

22 A. Yes.

23 Q. What else did he tell you about his

24 representation?

25 A. Besides being Madison, and what you just said,

1 nothing more than -- as far as representation.

2 Q. I'm sorry. You made a reference to Madison?

3 A. Yeah, that he was from Madison.

4 Q. Milwaukee, perhaps?

5 A. I thought it was Madison.

6 Q. That was -- I mean, that's your recollection?

7 A. Yes.

8 Q. Okay. You did not, in the report marked as
9 Exhibit 22, write down the details of your
10 conversation with the lawyer, on the telephone?

11 A. No.

12 Q. Neither were you able to record the conversation
13 with the lawyer, because the lawyer was on
14 Mr. Avery's cell phone?

15 A. I believe the recording reflects some of the
16 conversation that you can hear.

17 Q. Your end of it?

18 A. You may even also catch a little bit what
19 Mr. Glynn was saying as well, because of the
20 proximity of the phone to the recorder, I think.

21 Q. Right. I thought I heard that too. And to me
22 it -- if you have ever watched those old Charlie
23 Brown cartoons when Lucy's mother, the school
24 teacher, is talking, kind of a wha, wha, wha,
25 wha, (attorney demonstrates) that sort of thing?

1 A. I'm sure Mr. Glynn would probably not agree.

2 Q. Mr. Glynn probably will not agree with that. In
3 other words, I couldn't make out his words but,
4 I, like you, heard something that sounded like
5 your recorder was actually picking up a voice off
6 the cell phone.

7 A. Yes, sir.

8 Q. Could you make out, on your tape, what Mr. Glynn
9 was saying?

10 A. From my recollection, I think I might have made
11 out his name, because I remember writing down his
12 name on the note, as the well as the phone
13 number.

14 Q. Right. And if this will help refresh your
15 recollection, you are audible on the tape asking
16 him to spell his name and you are sort of, under
17 your breath, saying, why, and that kind of thing.
18 But in the meantime, we don't have Mr. Glynn's
19 voice recorded on there.

20 A. No.

21 Q. And you -- You've had nothing available to you
22 with which to refresh your recollection about
23 your conversation with Mr. Glynn that day?

24 A. Besides writing down his name on my notes at the
25 time, no.

1 Q. Okay. As far as you know, that's the only time
2 in your life you have spoken to Steve Glynn?

3 A. Yes, as far as I know, from my recollection.

4 Q. Okay. What I would like to do -- Actually, I
5 have one last sort of stray question, that was
6 just a follow up to Mr. Fallon's inquiry.

7 I don't have this verbatim in mind
8 anymore, but he asked you a question, something
9 like, was there any question that Steven Avery
10 refused to answer. And you paused for a little
11 bit, and then said something like, that Mr. Avery
12 never refused to answer a question relating to
13 Teresa Halbach.

14 And that struck me as a qualification.
15 Was there any other area, not relating to Teresa
16 Halbach, that Mr. Avery had not wanted to discuss
17 with you?

18 A. Yes.

19 Q. What was that?

20 A. I believe in our general conversation, when he
21 was explaining to me his fiance, and that he had
22 a problem, or issue, or what her issue was, that
23 she was incarcerated. And something to the
24 extent of, you know, she was curious of this, but
25 then and it's like, well, he didn't want to get

1 into that. And I said, Very well.

2 So, in answer to his question, going
3 back through that day, it gave me a little pause.
4 But, yet, I at least wanted to make it known that
5 that was the only time that I could recall that
6 he took us off the subject of that and moved on
7 to whatever else.

8 Q. Okay. And it's not that Mr. Avery, specifically,
9 or expressly told you, I don't want to talk about
10 my fiance, is it?

11 A. No, not at all.

12 Q. You just sensed he was uncomfortable?

13 A. Correct.

14 Q. You read him as being reluctant to talk about
15 that?

16 A. And he acknowledged that part.

17 Q. So, you respected that wish, not to discuss his
18 fiance?

19 A. It wasn't the fiance part, it was a different
20 part, relating to her being in custody, and what
21 the situation was that brought her there?

22 Q. Sure. But in any event, you respected that wish,
23 not to talk about that?

24 A. As part of our communication of understanding
25 each other, yes.

1 Q. And you moved on --

2 A. Right.

3 Q. -- to another subject right away?

4 A. Yes.

5 ATTORNEY STRANG: Okay. What I would like
6 to do, I'm done, I would like to pass the witness
7 back, your Honor. But then, rather than releasing
8 him, I would like to have him run out to his car,
9 get his notes. Maybe somebody here can make some
10 copies. And then I will take a look at those
11 during, or after, we're done with Mr. Glynn. And if
12 we need to recall Detective O'Neill, that would be
13 my suggestion, for the most efficient way to go.

14 THE COURT: All right. Well, when this
15 witness is done here, we'll let him get his notes
16 while we get started with Mr. Glynn. Mr. Fallon,
17 any redirect?

18 ATTORNEY FALLON: Just a couple questions,
19 Judge. Thank you.

20 **REDIRECT EXAMINATION**

21 BY ATTORNEY FALLON:

22 Q. There was a line of questionings -- questioning
23 by counsel, respecting the rights of other
24 individuals, including the right to a lawyer; do
25 you remember that line of questioning?

1 A. Yes.

2 Q. And you were asked the question, Well, it doesn't
3 even matter if the person is in custody or not;
4 do you recall that question?

5 A. Yes.

6 Q. All right. Now, in terms of one's Fifth
7 Amendment right to counsel, does it matter if
8 that right exists, if they were in custody or
9 not?

10 A. If I may, with my understanding, if a person is
11 not in custody, not under arrest, free to leave
12 any time, don't have to answer any questions,
13 didn't ask for an attorney, and if he did ask for
14 an attorney, I would honor that, by any means
15 possible.

16 Q. Well, maybe we'll ask the question this way. In
17 your mind, does his comment, words to the effect,
18 I guess they don't want me to talk no more, did
19 you take that as a request for counsel?

20 A. Unequivocally, no.

21 Q. Doesn't even mention counsel in there, does it?

22 A. No.

23 Q. Doesn't mention the word attorney, does it?

24 A. No.

25 Q. And on the tape, it doesn't mention -- When he

1 comes back, he doesn't mention attorney, right?

2 A. No.

3 Q. All right.

4 ATTORNEY FALLON: I'm not going to ask any
5 more questions. Let's move on.

6 THE COURT: All right. Mr. O'Neill, you
7 are excused to go to your vehicle and bring your
8 report back, at this time.

9 THE WITNESS: Thank you, your Honor.

10 THE COURT: Mr. Fallon, does -- the State
11 has no further witnesses on this motion?

12 ATTORNEY FALLON: No, your Honor, with the
13 receipt of the tape, which I think speaks for
14 itself, and the testimony, he was the only law
15 enforcement officer associated with that contact, on
16 that day, so I believe that is the basis.

17 THE COURT: I don't mean to make you feel
18 bad. It doesn't bother me that you don't have any
19 other witnesses. I just want to make sure I
20 understand.

21 ATTORNEY FALLON: That's the basis of their
22 motion, is that day of that interview.

23 THE COURT: All right. Mr. Strang, I
24 understand the defense has a witness.

25 ATTORNEY STRANG: I'm going to call Stephen

1 Glynn.

2 THE COURT: Very well.

3 THE CLERK: Please raise your right hand.

4 **ATTORNEY STEPHEN M. GLYNN**, called as a
5 witness herein, having been first duly sworn, was
6 examined and testified as follows:

7 THE CLERK: Please be seated. Please state
8 your name, spell your last name for the record.

9 THE WITNESS: Stephen, with a p-h, M, as in
10 Michael, Glynn, G-l-y-n-n.

11 **DIRECT EXAMINATION**

12 BY ATTORNEY STRANG:

13 Q. Mr. Glynn, what have you been doing with most of
14 your daytime hours, since 1971?

15 A. Defending criminal cases in state and federal
16 court.

17 Q. Do you recognize the gentleman immediately to my
18 right?

19 A. Yes, I do.

20 Q. Has he been a client of yours, at any point?

21 A. On probably two and a half occasions.

22 Q. Okay. Let's start with the whole occasions
23 first, earliest one.

24 A. 1995, my firm, which was then Shellow, Shellow
25 and Glynn, was retained by the Avery family, and
