After meeting with Sgt Roof and Officer Holtzclaw at the Oklahoma County Jail, I returned to the incident location, 609 NW 121st, in an attempt to locate any witnesses to this use of force. After knocking at the door I met with WI-Gray. WI told me that she is AR's cousin. WI told me that there were no other adults present at this location at this time. I asked WI if she saw any interactions between the officers and her cousin. WI told me that no one at the house saw AR's actual arrest as it occurred around the corner on Chisholm Village Dr. She stated that AR was "messin'" with her mother's current husband. She stated that this became so bad that family members eventually called the police to intervene. Prior to the police arriving however, AR walked away from the residence. WI did say that after AR was in custody the officers (Roof and Holtzclaw), transported AR back to the house. WI told me that the police car was parked directly across the street from the house and AR was in the back seat. WI observed AR to break out the driver's side rear window. WI thought that AR used her head to break the window. After the window was broken she observed the two officers removed AR from the back seat of the scout car and place her on the ground. She said that one of the officers then went to the trunk of the car and removed some type of restraints. WI continued to watch as the officer applied the restraints on AR. WI stated that AR was screaming during this procedure. I asked the WI if she observed any type of improper actions by the officers. I specifically asked her if she observed them to punch or kick at her cousin. She stated that nothing like that happened and that the officers acted professional.

While reviewing the CAD comments on this call, I noticed some comments that had been added that appeared to come from a passerby who observed the actions of the officers. Her phone number was attached to these comments so I called her number and eventually was able to make contact with WI-Wilson.

I explained to WI that I was conducting an investigation in reference to the actions of the arresting officers and asked her if she would answer a few questions about what she observed. WI agreed.

WI stated that she was driving southbound on Chisholm Village Dr when she observed AR and a police officer on the east side of this street. This officer was later identified as Sgt Roof. WI went on to say that the AR was handcuffed and was on her knees in front of the officer. WI told me that she could tell that the officer was saying something to the AR; and that the AR was yelling back at the officer. WI stated that based on the way AR was moving her body, WI believed that the AR was saying "something hateful." At this time WI observed as the officer slapped the AR on the left side of her face. WI told me that this slap caused the AR to fall back down to the ground. After the AR was back down on the ground the WI told me that the officer rolled her over onto her stomach and put his knee in her back. I asked WI if she was sure that the officer slapped the AR and that he was not forcing her back to the ground. To this WI told me that she thought that the officer had slapped the female and that it did not appear to be a push or shove.

Prior to ending the conversation WI asked for, and was given my name and badge number.

I responded to 609 NW 121st to assist Sgt Roof and Officer Holtzclaw with a use of force in which they had just been involved. Before I was able to arrive at the scene, these officers were forced to transport AR-Washington to the Oklahoma County Jail. They made this decision to transport her immediately because of her aggressive and assaultive behavior. While in route to the jail they were forced to stop their scout car twice on the Broadway Extension so that they could re-secure AR in her restraints. I followed these officers as they drove to the jail with AR.

Once we all arrived at the jail facility several detention officers were required to remove AR from the scout car and move her inside the building. I waited for several minutes after she had been taken inside before I attempted to speak to her.

I then made contact with AR as she was seated inside the receiving area. At this time she still wore the protective "Spit Sock." I began and attempted to obtain her demographical information. It was virtually impossible to obtain any information whatsoever from AR at this time. After about 10 minutes of talking to her I was only able to get her name, date of birth, and address. While I tried to speak to her she would yell at the detention officers. Eventually I moved her away from the detention officers and took her into the intoxilyzer room. After she was moved she calmed down for several minutes and I was able to gather some information from her. It should be noted that while speaking to AR I detected the odor of burnt marijuana on her breath; I was also able to smell the odor of PCP.

I explained to her that I was here to investigate the actions of the arresting officers. I then asked her to explain what happened tonight when she was arrested. Instead of responding she stared at me. After a minute of silence I asked her to tell me why she ran from the officers. She responded and stated that, "I ran from them and they pushed me to the ground." I asked her to tell me why she ran away from the officers. To this she replied, "I ran cuz of my son and they said I had drugs." I then tried to explain to her that her family members called the police because they were concerned for her well being, and were afraid that she was using drugs. As soon as I mentioned her family she became very agitated again and told me that her mother's husband said he wanted to "fuck me in my ass." She then went on a verbal rampage for several minutes about her mother's husband.

I then asked her if she had been injured. Through her yelling and screaming I did understand that she was upset that an officer had placed his knee in her back. She also mentioned that she had been punched in her face. I tried to ask her where she had been struck and she continually told me to "look at my face, look at my face!" I did look at her face, along with the Oklahoma County nurse. We were unable to locate any injury on her face. The only visible injury I found on her entire body was a small abrasion on her left elbow.

Her behavior during this interview can best be described as chaotic. For the most part she would yell at and threaten the detention staff and at other times she would cry. I asked her about any drug use and she denied using any today.

On 05-12-12 at 1858 hours Sgt Roof and his recruit, Officer Holtzclaw, responded to 609 NW 121st in reference to a disturbance call. The comments on this call stated that yelling could be heard in the background. In addition, the dispatcher could hear someone stating that there was a person at this location with warrants, and that a female at this location was throwing bottles.

Upon their arrival the officer encounter what they believed to be some type of family cook out in the front yard of this residence. At this time the officers made contact with the reporting party, Carmelliu Harwell. The RP told the officers that her daughter, who was later identified as AR-Washington, had drugs on her person, and had outstanding warrants for her arrest. The RP also expressed concern that her daughter was out of control and needed help. They also learned that AR had fled the scene on foot, just prior to their arrival.

Together the two officers began to check the area for AR. They located AR as she was walking near the intersection of NW 121st/Chisholm Village Dr. Officer Holtzclaw attempted to initiate contact with AR by stating, "Excuse me mam, can I talk to you please?" AR took off running away from the officers at this point. Officer Holtzclaw pursued AR on foot and was followed by Sgt Roof. During the foot chase Officer Holtzclaw observed AR to throw a clear plastic baggy over a stockade fence. Officer Holtzclaw was able to close the distance with AR. As soon as he got close to her, AR began "flailing and swinging" her arms toward officer Holtzclaw. Officer Holtzclaw gave her verbal commands to "stop resisting." Officer Holtzclaw received a laceration on his right forearm as a result of being scratched by AR at this time. After being assaulted by AR, Officer Holtzclaw performed a front leg sweep and took AR to the ground. The specific arrest location was on Chisholm Village Dr between NW 121st and NW 121st Terrace on the east side of the street. AR landed in the grass as she was taken down by Officer Holtzclaw. Once on the ground Officer Holtzclaw gave her verbal commands to roll over onto her stomach. He noted in his report that when issued these verbal commands, AR yelled "No!" and continued to resist his arrest efforts by attempting to pull her hand away. Officer Holtzclaw then placed AR's right arm in an academy taught arm lock and was able to gain some compliance. After placing AR in the arm lock she rolled over onto her stomach. Once she was on her stomach Officer Holtzclaw mounted her back and he was able to apply handcuffs. Sgt Roof arrived at this location after AR had been handcuffed.

Officer Holtzclaw advised Sgt Roof that AR had thrown an object over a nearby fence and that he wanted to go look for what was thrown. Sgt Roof then assumed the position of control on AR's back while Officer Holtzclaw went to look for what had been thrown. At this time AR was still yelling profanities and was flailing around on the ground. Sgt Roof stated that when he switched places with Officer Holtzclaw he placed his knees next to her side and placed his hands on her handcuffs. While he was holding onto the handcuffs, AR was able to reach around and use her fingernails to scratch Sgt Roof's hands. He received several scratches on his left hand and disengaged from AR to try to prevent further injury. As soon as he disengaged AR quickly tried to twist her

body and get up on her knees. Sgt Roof gave AR additional verbal commands, telling her to stay on the ground. AR refused to follow these verbal commands and was able to make it to her knees and attempt to stand up. While he was still on his knees, nearly facing AR, he used both of his hands and pushed both of AR's shoulders. This push caused AR to fall backwards and fall back to the ground on her back. Sgt Roof then rolled her back over onto her stomach and placed both knees across her back to stabilize and control her movements.

Officer Holtzclaw was unable to locate what AR had thrown and he re-joined Sgt Roof. Together these officers picked AR up to her feet and began to escort her back to their scout car. Sgt Roof held AR by her right arm during this escort and Officer Holtzclaw had the left side. As they walked back to the scout car AR continued trying to pull away from the officers. Sgt Roof also noted that while they were walking back AR unsnapped his OC case and grabbed at his keys on his duty belt. AR was then seated in the back seat of their scout car.

Officer Holtzclaw then attempted to gain more information from AR's family while Sgt Roof remained at the scout car and monitored AR. While Officer Holtzclaw was outside the vehicle, Sgt Roof observed as AR lay down and began to kick repeatedly at the driver's side rear door window. This action knocked the window out of place. Sgt Roof exited the vehicle and opened the back door to prevent her from damaging the window any further. As Sgt Roof opened the door AR began to tell him that she wanted to see her son and that she needed to be let go. Sgt Roof noted that AR calmed down somewhat while the back door was open. At this time Sgt Roof spoke to AR, asking her to calm down and to not try to kick at the window any more. Sgt Roof then rolled the window down, and rolled it back up, which re-aligned the window with the door frame. He then closed the back door and went to assist Officer Holtzclaw in interviewing the RP. Sgt Roof considered utilizing the maximal restraint system (legs only) at this time, but felt that AR had calmed down enough that this system was not warranted at this time.

AR then began kicking on the window again; this time she kicked it with enough force that the glass actually flew out of the door and fell onto the ground and shattered. AR then stuck her head out of the window opening and began yelling at her family.

Together the officers then removed AR from the back seat and placed her on the ground, on her stomach. Officer A Moore had also just arrived at the scene and observed AR to kick out the rear window. While Officer Holtzclaw secured AR on the ground, Sgt Roof went to his trunk and obtained the maximal restraint system. Initially the leg restraints were only used; these were secured around her legs, and the loose end was closed in the door. Officer Moore and Officer Holtzclaw were able to pick AR up off the ground and place in back in the scout car.

Because of her violent and aggressive behavior, the officers quickly finished their interview at the scene and immediately began to transport AR to the Oklahoma County Jail.

It should be noted that I had been made aware of this incident, and was in route to their location, but was coming from SE 29th street. I was unable to arrive at the scene before it became necessary to transport AR.

While Officer Holtzclaw and Sgt Roof transported AR, her violent and erratic behavior continued. She continually yelled at the officers and threatened to kill them. On at least one occasion she banged her head against the plexi-glass partition in the scout car. Despite having her legs restrained she was able to move into a sitting position. After banging her head she then began to spit through the perforated section of the scout car cage. Her saliva travelled through the perforated section and struck Sgt Roof on his back and neck. Some of her saliva struck the dashboard of the vehicle. After being assaulted with her bodily fluid the officers stopped their scout car as they travelled southbound on the Broadway Extension in the area of Hefner Road. Once they had stopped they retrieved the sit belt and removed AR from the scout car once again. At this time Officers Moore, Holtzclaw and Sgt Roof applied the sit belt to AR. The leg restraints were then secured to the sit belt and not to her handcuffs. These officers then placed her back into the vehicle and continued to the jail. After a short time, AR was able once again to assume somewhat of a sitting position and again began to spit through the perforated partition. Once again they stopped and pulled over at the Broadway Extension and I-44. I was able to arrive at their location at this time and provided the officers with a "Spit Sock." Sgt Roof then placed this "Spit Sock" on AR's head. I then opened the rear, driver's side door of his car and attempted to speak to AR in an attempt to calm her down. While I was speaking to her I adjusted the "Spit Sock" in an attempt to distract her while Sgt Roof attempted to use the vehicle seat belt to further restrain her so that she would be unable to assume a sitting position. Specifically, Sgt Roof used the passenger side rear seat belt and placed it around her waist area to secure her in a prone position in the back seat.

From this point there was no additional force used by OCPD. They were able to arrive at the jail and the detention staff removed AR from the scout car and escorted her inside. I can say that her behavior was aggressive, and verbally abusive. She would not cooperate with the jail staff and it took six jail employees to remove her from the car and get her inside. As part of this investigation I did the best I could to interview AR. I waited for several minutes after she had been inside before I attempted to speak to her. During my interview I found that she was extremely upset with the detention staff. Initially she was so angry and distracted by their mere presence, I moved her into the Intoxilyzer Room. This change in location seemed to calm her down for a few minutes. At this time I was able to smell the odor of burnt marijuana coming from her breath; I also smelled the unmistakable odor of PCP. During this interview I learned that while she was at the family cookout, she had some type of a problem with her mother's current husband. The disturbance between AR and her mother's husband prompted other family members to call the police. During our discussion she admitted to running from the police and she told me that one of them (Officer Holtzclaw) pushed her to the ground. She also claimed that she had been struck in the face by one of the officers. I tried to get more specific information from her about this. When I asked where she had been struck she started yelling at me and telling me to look at her face. I looked, but was unable to find any visible injuries. In an attempt to be sure I had not missed visualizing an injury the nurse on duty assisted me. The county nurse removed her hair extensions. He also examined her face looking for

injuries. Together we found none. There was no blood on her face or in her mouth. I did find a small abrasion on her left elbow. I took several photographs of AR at this time. Photographs of Sgt Roof's scout car were also taken. These photographs documented the damage to the window; I was also able to locate and photograph copious amounts of saliva on the perforated partition. After speaking to AR, I returned to 609 NW 121st in an attempt to interview anyone who may have seen the interaction between the officers and AR. When I returned to this location the only adult present was WI-Gray. She told me that she is AR's cousin. WI-Gray was present at the house when the incident occurred. WI-Gray told me that the actual arrest occurred around the corner from the family residence and that she did not see it. WI-Gray observed as AR broke out the window of the scout car. She told me that she thought AR had used her head to break out the window. She was present when Officer Holtzclaw and Sgt Roof removed AR from the back seat and applied the legs restraints. I asked WI-Gray if she had observed any actions by the involved officers that she felt was improper. She told me that she saw nothing like that and felt that the officers acted in a professional manner.

While reviewing the CAD call I initially missed several comments that had been added. I saw that there was another 911 caller. From the comments on the call it appeared that this caller was a passer-by and witnessed part of the arrest of AR. The comments indicated that she witnessed one of the officers slap AR. There was a phone number along with these comments so I called the number. After several attempts I was able to make contact with WI-Wilson. WI-Wilson confirmed that she was the 911 caller and was driving by the location at the time of the arrest. WI-Wilson told me that she was driving southbound on Chisholm Village Dr. when she observed AR and an officer on the east side of this street. The officer has been identified as Sgt Roof. WI-Wilson told me that AR was handcuffed and was on her knees in front of Sgt Roof. WI-Wilson said that it was clear that Sgt Roof was saying something to the AR and that the AR was saying something back to the officer. WI-Wilson told me that she could tell the AR was saying "something hateful" by the way the AR's body was moving. WI-Wilson stated that as she drove by she observed the officer to slap the AR on the left side of her face. She stated that this slap caused the AR to fall back down to the ground. After the AR fell down to the ground she stated that Sgt Roof rolled her over onto her stomach and put his knee in her back. I asked WI-Wilson if she was sure that the officer had slapped the AR, and that he was not pushing her back down onto the ground. WI-Wilson then told me that she really felt that the officer had slapped the AR and that it did not appear to be a push or a shove. While speaking to WI-Wilson I really got the impression that she did not trust me with what I would do with this information. I explained to her that a use of force occurred during this arrest; and that it was my responsibility to investigate the actions of the involved officers. I read my notes back to her and asked her if they accurately reflected what she had just told me. She told me that my notes were accurate. I then assured her that my report would include her observations and that it would be forwarded up my chain of command. Prior to ending the conversation with WI-Wilson she was provided with my name and badge number.

As part of this investigation I spoke to Officer Holtzclaw and Sgt Roof separately about WI-Wilson's observations. I asked Sgt Roof specifically if he had slapped AR as she tried to get back to her feet. Sgt Roof denied slapping AR. He stated that he used both of his hands and pushed AR's shoulders, forcing her back down to the ground. At the time that WI-Wilson observed this, Officer Holtzclaw was looking for contraband that AR threw during the foot chase. I specifically asked Officer Holtzclaw if he observed Officer Roof to slap AR. He stated that he saw nothing like this occur. I saw no evidence that AR had been struck on her face. Specifically the left side of her face was injury free, as was her entire body, except for a small abrasion on her left elbow. The on duty Oklahoma County nurse also examined AR with me while at the jail. He was also unable to locate any injury to AR's face. I reviewed AR's criminal history as well. She has several arrests documented with this Department. These arrests include Possession of CDS, Destruction of Property, and an Aggravated Assault and battery on Police in 2004. She has no Oklahoma Department of Corrections convictions.

The officer's use of force was reasonable and consistent with this Department's Use of Force Policy

BODY OF REPORT:

ON 5-12-2012 AT APPROXIMATELY 1904 HOURS, SGT ROOF (1525) AND I WERE DISPATCHED TO A DISTURBANCE CALL AT THE LOCATION OF 609 NW 121ST ST. ON THE WAY TO THE CALL, DISPATCH NOTED ON THE CAD AT THE TIME OF 1859 "COULD HEAR SOME YELLING IN THE BACKGROUND, PERSON REPEATING THE ADDRESS SAID SOMEONE IS OUT THERE WITH WARRANTS." DISPATCH CONTINUED TO NOTE AT 1902 ON AN OPEN LINE, "SOUNDS LIKE A FEMALE TRYING TO FIGHT SOMEONE" "FEMALE THROWING BOTTLES."

UPON ARRIVAL, WE NOTICED A FEMALE HAVING A FAMILY COOKOUT. I EXIT MY PATROL VEHICLE AND MADE CONTACT WITH RMELLIU HARWELL. RP IMMEDIATELY ADVISED ME THAT HER DAUGHTER, STON HAD ILLEGAL DRUGS ON HER PERSON, WORRIED ABOUT HER HEALTH. NTS.

Please see his Supplemental Report for explanation.

AT THIS POINT AR WAS HEADING EAST ON A FAST PACED WALK TURNING THE CORNER ON FOOT. AS I WENT EASTBOUND ON 121ST TER AND TURNED LEFT TO GO NORTHBOUND, I COULD NOT LOCATE AR AT THIS TIME. AR TURNED WESTBOUND ON 121ST TER IN WHICH SHE WAS WALKING ON A FAST PACE THROUGH THE FRONT LAWNS OF EACH RESIDENCE.

I COMMANDED IN A LOUD VOICE, "EXCUSE ME MA'AM, CAN I TALK TO YOU PLEASE." AR PROCEEDED IN A DEAD SPRINT CONTINUING TO HEAD WESTBOUND TOWARD 121ST TER AND CHISHOLM VILLAGE DRIVE. I ANNOUNCED TO DISPATCH THAT "I HAVE A BLACK FEMALE WITH A PINK SHIRT" HEADING WESTBOUND IN WHICH I INITIATED THE FOOT PURSUIT TOWARDS AR. I WAS ABLE TO COVER GROUND AT A FAST PACE AND CAUGHT UP TO AR AT THE LOCATION BETWEEN 121ST ST AND 121ST TER, ON THE EAST SIDE OF CHISHOLM VILLAGE DRIVE.

UPON CLOSING PROXIMITY TO AR, AR STARTED FLAILING AND SCRATCHING WITH HER ARMS TOWARDS MY CHEST AND ARMS. I TOLD AR "STOP RESISTING" IN WHICH SHE CONTINUED TO TRY TO FLEE. AT THIS POINT I RECEIVED A SMALL LACERATION ACROSS MY RIGHT FOREARM TRYING TO APPREHEND AR IN A STRESS FREE STYLE. I REPEATED TO AR "STOP RUNNING" IN WHICH SHE DID NOT ACKNOWLEDGE ME. I GRABBED AR'S LEFT ARM WITH MY RIGHT HAND AND PULLED HER TOWARDS ME, CAUSING HER TO FACE MY DIRECTION.

I PROCEEDED TO MANEUVER A TAKEDOWN MOVE WHICH I LEARNED THROUGH MY TRAINING AND EXPERIENCE. I TOOK MY LEFT FOOT AND PLACED IT APPROXIMATELY A FOOT AWAY FROM HER RIGHT FOOT AND SIMULTANEOUSLY CONTINUING TO PULL WITH MY RIGHT HAND TOWARDS MY BODY. I SWUNG MY RIGHT FOOT PASS BETWEEN MY LEFT FOOT AND HER RIGHT FOOT IN

BODY OF REPORT:

ON 5-12-2012 AT APPROXIMATELY 1904 HOURS, SGT ROOF (1525) AND I WERE DISPATCHED TO A DISTURBANCE CALL AT THE LOCATION OF 609 NW 121ST ST. ON THE WAY TO THE CALL, DISPATCH NOTED ON THE CAD AT THE TIME OF 1859 "COULD HEAR SOME YELLING IN THE BACKGROUND, PERSON REPEATING THE ADDRESS SAID SOMEONE IS OUT THERE WITH WARRANTS." DISPATCH CONTINUED TO NOTE AT 1902 ON AN OPEN LINE, "SOUNDS LIKE A FEMALE TRYING TO FIGHT SOMEONE" "FEMALE THROWING BOTTLES."

UPON ARRIVAL, WE NOTICED A FAMILY IN THE FRONT LAWN HAVING A FAMILY COOKOUT. I EXIT MY PATROL VEHICLE AND MADE CONTACT WITH RP-CARMEELLIU HARWELL. RP IMMEDIATELY ADVISED ME THAT HER DAUGHTER AR-WASHINGTON HAD ILLEGAL DRUGS ON HER PERSON, WORRIED ABOUT HER HEALTH AND HAD CITY WARRANTS.

AT THIS POINT AR WAS HEADING EASTBOUND ON 121ST ST, WHERE I NOTICED HER ON A FAST PACED WALK TURNING THE CORNER TO GO NORTHBOUND. I PROCEEDED TO FOLLOW AR ON FOOT. AS I WENT EASTBOUND ON 121ST ST AND TURNED LEFT TO GO NORTHBOUND, I COULD NOT LOCATE AR AT THIS TIME. AR TURNED WESTBOUND ON 121ST TER IN WHICH SHE WAS WALKING ON A FAST PACE THROUGH THE FRONT LAWNS OF EACH RESIDENCE.

I COMMANDED IN A LOUD VOICE, "EXCUSE ME MA'AM, CAN I TALK TO YOU PLEASE." AR PROCEEDED IN A DEAD SPRINT CONTINUING TO HEAD WESTBOUND TOWARD 121ST TER AND CHISHOLM VILLAGE DRIVE. I ANNOUNCED TO DISPATCH THAT "I HAVE A BLACK FEMALE WITH A PINK SHIRT" HEADING WESTBOUND IN WHICH I INITIATED THE FOOT PURSUIT TOWARDS AR. I WAS ABLE TO COVER GROUND AT A FAST PACE AND CAUGHT UP TO AR AT THE LOCATION BETWEEN 121ST ST AND 121ST TER, ON THE EAST SIDE OF CHISHOLM VILLAGE DRIVE.

UPON CLOSING PROXIMITY TO AR, AR STARTED FLAILING AND SCRATCHING WITH HER ARMS TOWARDS MY CHEST AND ARMS. I TOLD AR "STOP RESISTING" IN WHICH SHE CONTINUED TO TRY TO FLEE. AT THIS POINT I RECEIVED A SMALL LACERATION ACROSS MY RIGHT FOREARM TRYING TO APPREHEND AR IN A STRESS FREE STYLE. I REPEATED TO AR "STOP RUNNING" IN WHICH SHE DID NOT ACKNOWLEDGE ME. AN UPWARDS MOTION. THIS CAUSED MY MOMENTUM TO GAIN POWER IN MY HIPS IN WHICH I SWUNG MY RIGHT FOOT BACK IN AN AGGRESSIVE MANNER. I STRUCK THE BACK OF MY RIGHT FOOT TO HER BACK OF HER RIGHT LOWER FOOT CAUSING HER TO LOSE BALANCE WHILE STILL PULLING HER ARM TOWARDS MY BODY.

WITH MY MOMENTUM OF MY RIGHT FOOT COMING BACK AT A BACKWARDS MOTION THIS ALLOWED ME TO GAIN ADVANTAGE OF CONTROL IN WHICH I SWEEPED HER LEG COMPLETELY THROUGH UNTIL MY RIGHT LEG WAS IN A BACKWARD STABLE MOTION APPROXIMATELY FOUR FEET FROM THE GROUND. THIS CAUSED AR TO RAISE HER RIGHT FOOT OFF THE GROUND WHICH IN TURN MADE HER REALLY UNSTABLE. WHILE PULLING HER RIGHT ARM I WAS ABLE TO MANIPULATE HER SPINAL CORD CAUSING HER TO STAND IN AN ACQUIRED POSITION WHICH ULTIMATELY MADE HER FALL BACKWARDS TOWARDS THE GRASSY LAWN.

I IMMEDIATELY KEPT A HOLD OF AR'S RIGHT ARM IN WHICH I TOLD HER "TO ROLL OVER ON HER STOMACH." AR CONTINUED TO RESIST BY PULLING HER ARM AWAY FROM ME AND SAYING "NO!" I MECHANICALLY CONTROLLED HER RIGHT ARM BY PUTTING HER IN AN ARM LOCK WHICH CAUSED ME TO GAIN COMPLIANCE. AR THEN ROLLED TO HER STOMACH. I MOUNTED AR ON HER LOWER BACK STILL KEEPING A HOLD OF HER RIGHT ARM WHICH WAS PINNED BEHIND HER BACK. AT THIS TIME I TOLD AR TO GIVE ME HER OTHER ARM. AR STILL WAS RESISTING IN WHICH I PERFORMED ANOTHER MECHANICAL CONTROL MANEUVER WHICH WOULD GAIN COMPLIANCE TO GRAB HER OTHER ARM.

I PINNED HER RIGHT ARM BEHIND HER BACK, PUTTING MY LEFT HAND UNDERNEATH HER ELBOW AND GRABBING HER RIGHT WRIST. I PULLED IN A UPWARD MOTION CAUSING TENSION IN HER SHOULDER AND ELBOW. AR PLACED HER RIGHT ARM TO THE SIDE IN WHICH I GRABBED HER RIGHT ARM AND PINNED BOTH ARMS BEHIND HER MID BACK WITH BOTH OF MY THIGHS. I POSITIONED MY BODY TO THE MID SIDE OF HER BACK WHICH ALLOWED HER ARMS TO BE PINNED IN A HIGHER POSITION ALLOWING ME TO BE IN A BETTER CONTROL POSITION. I GRABBED MY PAIR OF HANDCUFFS WHICH IS LOCATED ON THE BACK RIGHT SIDE OF MY BELT. I PLACED MY HANDCUFFS ON AR AND DOUBLE LOCKED THEM.

AT THIS TIME MY PARTNER SGT ROOF CAME TO ASSIST ME. I TOLD SGT ROOF THAT AR HAD THROWN SOMETHING OVER THE RESIDENCE BACKYARD BROWN FENCE. SGT ROOF ADVISED ME THAT HE WOULD KEEP CUSTODY AND CONTROL OF AR SO I COULD RECOVER THE EVIDENCE.

I BACKTRACKED AROUND THE AREA THAT I OBSERVED AR TO THROW WHAT I SAW A CLEAR BAGGY AND A WHITE PIECE OF PAPER. THE RESIDENCE OWNER CAME OUTSIDE AND I ADVISED HER THAT THE PERSON WE HAVE IN CUSTODY THREW SOME EVIDENCE OVER YOUR BROWN FENCE. THE OWNER ALLOWED ME TO GAIN ACCESS INTO HER BACK YARD IN WHICH I LOOKED AROUND THE AREA TO COLLECT THE EVIDENCE. I COULD NOT LOCATE THE CLEAR BAGGY, BUT I DID FIND THE WHITE PIECE OF PAPER.

I PROCEEDED BACK TO AR AND SGT ROOF IN WHICH WE ESCORTED AR BACK TO OUR PATROL CAR. WE PLACED AR IN OUR PATROL CAR WHERE WE ANNOUNCED TO AR TO BE UNDER ARREST. AT THIS TIME AR WAS YELLING PROFANITY IN AN EXCESSIVE HIGH TONE. WE CONTACTED RP AGAIN TO COLLECT THE DETAILS OF THE CALL.

RP ADVISED ME THAT THEY WERE HAVING A COOKOUT IN THE FRONT LAWN AND AR HAD A VIOLENT EPISODE. RP SAID SHE BELIEVES THAT AR WAS SMOKING PCP LAST NIGHT AND WAS STILL UNDER THE INFLUENCE OF DRUGS. RP NOTED THAT AR STARTED CAUSING A SCENE AND WAS YELLING AT HER AND IP-HARWELL WILLIAM. AR FOUND A FOOTBALL TOY IN

THE FRONT LAWN AND THREW IT TOWARDS IP. RP SAID AR WALKED TOWARDS IP AND HIT HIM IN THE FACE. IP DID NOT WANT TO FILE CHARGES AGAINST AR.

AT THIS TIME AR POSITIONED HERSELF IN A LAYING POSITION WITH HER FEET FACING THE DRIVER BACK PASSENGER WINDOW. AR THEN KICKED OUT THE LEFT SIDE DRIVER PASSENGER WINDOW WITH BOTH OF HER FEET CAUSING THE GLASS TO SHATTER. AR CONTINUED TO YELL PROFANITY TOWARDS MYSELF AND SGT. ROOF. AT THIS TIME OFFICER MOORE (1690) ARRIVED ON SCENE. SGT ROOF, MYSELF AND OFFICER MOORE PROCEEDED TOWARDS SGT ROOF'S PATROL CAR (0913304) TO PLACE MAXIMUM RESTRAINTS ON AR. RP AND IP WERE ADVISING THE OFFICERS ON SCENE TO TAKE HER AWAY AND GET HER HELP PLEASE. WE POSITIONED AR IN THE BACK SEAT WITH MAXIMUM RESTRAINTS AND DISPATCHED THAT WE WERE TRANSPORTING AR TO COUNTY JAIL.

DURING THE TRANSPORT OF AR TO COUNTY JAIL, AR CONTINUED TO YELL PROFANITIES TOWARDS MYSELF AND SGT. ROOF. AR STATED SHE WOULD KILL US AND WOULD PAY FOR WHAT WE DID. AR POSITIONED HERSELF IN THE BACKSEAT IN AN UPWARD MANNER. AR PROCEEDED TO BANG HER FOREHEAD ON THE GLASS CAGE LOCATED BEHIND THE DRIVER SEAT. AR SLAMMED HER FOREHEAD A COUPLE OF TIMES ON THE GLASS AND THEN SLID TO THE RIGHT BACK PASSENGER SEAT. AR THEN POSITIONED HER HEAD BY THE PERFORATED CAGE DIVIDER AND SPIT IN THE DIRECTION OF SGT ROOF. SGT ROOF WAS RIDING ON THE FRONT PASSENGER SIDE AND WAS HIT WITH AR'S SALIVA IN THE BACK OF THE HEAD, NECK AND TOP UNIFORM.

AT THIS TIME, I PULLED OVER AROUND BROADWAY EXTENSION SOUTHBOUND AT HEFNER ROAD. SGT ROOF RETRIEVED THE REST OF THE MAXIMUM RESTRAINTS WHILE MYSELF AND OFFICER MOORE (1690) HELD AR DOWN ON HER STOMACH TO APPLY THE SIT-BELT. AFTER THE MAXIMUM RESTRAINTS WERE PLACED WE CONTINUED BACK EN ROUTE TO COUNTY JAIL. AR CONTINUED TO YELL PROFANITY AND SOMEHOW WAS ABLE TO MANEUVER HE BODY IN A WAY TO BE IN A STAND UP POSITION. AR CONTINUED TO SPIT ON SGT. ROOF AND HIT HIM WITH HER SALIVA. I PULLED OVER AGAIN ON BROADWAY EXTENSION SOUTHBOUND AT I-44. AT THIS TIME LT CONIGLIONE WAS ALERTED OF THE SITUATION AND PULLED BEHIND US ON THE STOP TOWARDS COUNTY JAIL. LT. CONIGLIONE PROVIDED US WITH A SPIT MASK THAT SGT. ROOF PLACED ON AR'S HEAD. SGT ROOF THEN APPLIED THE BACK RIGHT PASSENGER SEATBELT ONTO THE MAXIMUM RESTRAINTS CAUSING AR TO BE IN A LAYING-STATIONARY POSITION.

I NOTIFIED DISPATCH TO ADVISE COUNTY TO MEET US AT THE SALLY PORT DUE TO THE FACT AR WAS AGGRESSIVE AND RESISTING IN A VIOLENT MANNER. AR CONTINUED TO USE PROFANITY TOWARDS SGT ROOF AND MYSELF. SHE STATED SHE WOULD KILL US AND OUR FAMILIES AT THIS TIME.

WE ARRIVED AT COUNTY WHERE AR CONTINUED TO YELL PROFANITY AND WAS MOVING HER BODY IN A RESISTING WAY. AT THIS TIME, SGT ROOF CALLED CIU AND RAN AR FOR WARRANTS TO FIND TWO CITY WARRANTS. THE DETENTION OFFICERS AT COUNTY ASSISTED US IN BOOKING AR INTO JAIL. IP- JONES DOUGLES (DO) PERFORMED A COMPLETE SEARCH ON HER PERSON, PROPERTY AND FOUND THAT AR HAD TWO CLEAR BAGGIES OF WHITE POWDERY SUBSTANCE IN WHICH APPEARED TO BE CRACK COCAINE WHICH WAS LOCATED INSIDE HER BLACK PURSE.

I WAS ADVISED OF THE SITUATION IN WHICH SGT ROOF HELPED ME TEST THE TWO CLEAR BAGGIES AT THE COUNTY JAIL. THE WEIGHT OF THE TWO POWDERY CLEAR BAGGIES CAME TO

In reference to my use of force on the date of 5/12/2012 at the location of 609 NW 121st ST. Upon arrival to the scene I was advised by RP that her daughter AR-Washington had illegal drugs on her person and had outstanding warrants. AR proceeded in a sprint heading northbound around the corner of the residence. At this time I proceeded the foot pursuit after her.

AR turned the corner to head westbound on 121st Ter. I commanded in a loud voice, "Excuse me Ma'am, can I talk to you please". AR looked at my direction and looked the other way. AR continued in a fast sprint towards the corner residence located between 121st ST and Ter, on the east side of Chisolm Village Drive.

Upon closing proximity to AR, AR looked in my direction and started flailing and scratching with her arms towards my chest and arms. I told AR "Stop resisting" in which she continued to try to flee. At this point I received a small laceration across my right forearm trying to apprehend AR in a stress free style.

I proceeded to maneuver a takedown move. I grabbed AR's left arm while she was flailing and pulled her towards my direction. As AR's body continued to my direction I placed my right foot on the ground causing AR to trip over my right foot and lose balance. At this time I used AR's momentum and controlled her to the ground. I back mounted AR and placed her in handcuffs.
