===== NARRATIVE =====

Interview with Jonathan Thomas - Reporting Officer

On 06/02/14 at 1100 hours, I met with Officer Thomas at police headquarters to go over some of the detail of his contact with Terri Morris. Terri had not been located again as of the time of this interview.

Ofc. Thomas advised that on 05/24/14 at 0300 hours he was called to the Valero at NE 23rd and Kelley for a domestic. Ofc. Thomas stated that he was just a one month rookie officer with FTO Sgt. Dan Williams #1663. After arriving he met with Terri Lynn Morris. Terri appeared to be disheveled and on something like possibly drugs.

Officer Thomas asked her "What's going on?" Terri stated "I've been raped?" She told him that about five or six days ago. She then said it was a Tuesday or Wednesday. Terri went on to state she had been raped by an officer. Terri advised she had just left a Drug Rehab but didn't say a name. It was downtown OKC. She was trying to get to the City Rescue Mission.

An unknown officer stopped her enroute and ran her for warrants. When he was done he told her to get out of the car. She got out of the backseat. He told her to face the car and unzip her pants. She asked him 'why'. He told her, "Do what I say or go to jail!" Then he told her to 'suck his dick'. She then sat down in the backseat of the patrol car back driver's side. He took his penis out of his pants. It was erect and he placed his penis in her mouth for a short period of time.

The officer pulled his penis out of her mouth. He puts his penis up and closes the door on her. He tells her he would give her a ride to the City Rescue Mission. They drive around and he drops her off at an unknown alley in downtown OKC.

I then asked several detailed questions as to everything Terri said. Ofc. Thomas was adamant that she said the location of where the stop was, him running her, and the assault was two blocks from the City Rescue Mission. She was very consistent in telling her story. Ofc. Thomas advised that he 'maybe' believes her story.

Terri advised that she was a prostitute. They ran her that night and she came back as clear.

We covered the story again. She was walking two blocks from the Mission from an unknown Drug Rehab center downtown OKC. She was sober then because she just got out of the Rehab center. Unknown directions or cross street of the Rehab center or location where she was stopped.

When he stopped her Ofc. Thomas was unclear if he searched her or not. She sat in the back seat and he 'supposedly ran her' for warrants. When done he got

out again and opened the back driver's seat door. He tells her to get out and unzip her pants. She did unzip her pants but he doesn't molest her. He tells her to take down her pants and she tells him 'no'. She was faced away from him. Terri then asks for a female officer thinking she is going to get searched. The officer then gives her an ultimatum saying she can go to jail or do it his way.

Ofc. Thomas did not recall or was unclear on how she was turned around. Terri turned around and sat down in the same seat. The officer takes his penis out. Ofc. Thomas was unclear if the officer had on a gun belt or not. It was not asked or recalled. He took his penis out what was believed to be through his unzipped pants.

The officer places his penis inside her mouth. This was just for a short period of time. He takes his penis out and has her get in so he can shut the door. The officer tells her he will take her to the Mission as he had stated actually earlier before. He drives her around for an unknown amount of time then drops her off somewhere downtown OKC in an alley. He lets her out without saying anything more. She didn't recall where it was or where she went. Terri left on foot 'north bound' was the only thing they were able to obtain from her.

It was unknown on the amount of time from the original contact, through the assault, and to where she was let out of the car in an alley.

The first person she told was IP Sheldon. Ofc. Thomas did speak with Sheldon who confirmed she did try to tell him about the incident. He advised he didn't know much detail as in the report. No new information in reference to IP Sheldon contact with Terri.

There was no vaginal penetration with his penis. There was no vaginal penetration by instrument. He did not 'finger' her vagina. There was no anal penetration. No condom used. There was oral on the suspect only. It was unknown how long the oral sex was. No oral sex on the victim by the suspect. I asked if her breasts were ever exposed. She stated 'no'.

Ofc. Thomas did say that at one point he did feel on her breasts a little bit. It was unknown by Ofc. Thomas if it was before she was placed into the police car prior to 'running' for warrants or during the assault.

Terri only had her pants unzipped and did not ever have them taken down. His hand did not touch her privates in or outside of her pants.

No one was around during the assault in question

In reference to the officer she was clear that it was an OCPD uniform. She noted it was like their uniforms. I asked if she heard a radio as to what the suspect used to check her for warrants or just in general. He said he didn't remember. She didn't hear a radio. I asked if she seen a computer for him to use. Ofc. Thomas stated he didn't remember. When asked if the officer used a phone to call for warrants and he stated he didn't ask her.
