ORDER

The above related cases are set for a joint status conference on **Monday, January 3, 2022, at 1:30 p.m.**, in Courtroom No. 501. Plaintiffs should be prepared to address whether, in light of the court’s disposition of the various summary judgment motions, they will seek to pursue the remaining claims against defendant Holtzclaw via trial and, if so, how best to schedule and/or structure the trial of the remaining cases, claims, and/or issues. All pretrial scheduling deadlines (previously extended to December 22, 2021) are suspended pending the status conference. The parties, including the City of Oklahoma City, should also be prepared to address whether a settlement conference would be desirable at this point.

IT IS SO ORDERED.

Dated this 20th day of December, 2021.

 JOE HEATON
 UNITED STATES DISTRICT JUDGE
