ORDER

For the reasons stated at the status conference held this date, the January trial settings for these cases are **STRICKEN**. The cases will be re-set, if necessary, after resolution of the pending motion to reconsider [Doc. #408] and the completion of a judicial settlement conference, which will be set by separate order.

Per the agreement of the parties stated at the hearing, the § 1985 conspiracy claims asserted by some of the plaintiffs are deemed embraced by and determined by the court’s previous summary judgment determinations in favor of the various defendants.

Plaintiff Regina Copeland’s claims in CIV-16-0019 are transferred to and consolidated with those in case number CIV-16-0184 in order to more readily align parties with their counsel, with the case captions in each case amended accordingly.

IT IS SO ORDERED.

Dated this 3rd day of January, 2022.

 JOE HEATON
 UNITED STATES DISTRICT JUDGE
