 Subject: Interview of Brendan Dassey on 6-13-06

Tom-- This confirms that you and Investigator Wiegert may re-interview Brendan Dassey tomorrow at the Sheboygan County Juvenile Detention Center regarding the offenses he is charged with in Manitowoc County Case No. 06 CF 88 and related matters. No consideration is being offered by the State for this additional information at this time. Brendan has personally authorized this interview in a discussion with me. The interview may occur without my personal presence as I have some military duties to attend to on May 13, 2006. As I understand it, the interview will be videotaped at another facility.

Mike O'Kelley would be available to brief you prior to your interview. He is authorized to provide you copies of his work product if you believe it would assist you in the interview. The interview may occur without his physical presence if you and Investigator Wiegert believe it would be better that way as long as it is videotaped. Please discuss with Mike on how you would like to proceed on this.

I understand that this interview will eventually be disclosed to Steve Avery's attorneys. I would request that I be notified prior to that occurring and that it not occur until after I have an in-depth discussion with Brendan sometime early next week. Needless to say, this development will not be disclosed to anyone, particularly Avery's relatives, by either O'Kelly or me. I have also requested that Brendan not disclose it as well.

If you have any questions or concerns about the above, please let me know at the mobile number below or by e-mail.
