On November 14, 2018 private counsel on behalf of Cindy and Ronnie Watts requested the filing of an Entry of Appearance in the above-referenced matter. Cindy and Ronnie Watts are the paternal grandparents of Bella Watts and Celeste Watts. The paternal grandparents are “victims” pursuant to C.R.S. 24-4.1-302(5). While not parties to the case, the paternal grandparents are afforded all the rights encompassed under C.R.S. 24-4.1-302.5 as crime victims of the child victims. These rights include making a written and/or oral victim impact statement. At the sentencing hearing scheduled for November 19, 2018 this Court will afford the paternal grandparents OR their designee and opportunity to deliver a victim impact statement. The Court does not authorize the acceptance of the Entry of Appearance.
