

3-14-01 Suzanne called and wanted me to find out if Eugene Chambers goes to OCU.

Called Sara at OCU Security 521-5377 she said she'd call a supervisor and call me back.

Called back and told me he was a student. To come by tomorrow with ID and she would give us his schedule. She said Security is in the Admin Building. Suite 144 (24th and Blackwelder)

3-13-01 @ 1200 hours, met Gump and Elliot at 9312 N. Western, 73114. First spoke to Leon Clark who was very evasive and did not want to give us any info. Said Finley owned the building, and Orlando did not work for him. Leon's business was Millennium and Orlando's was Performance. (See Tape for further.) Then made contact with Orlando. He said JJ had brought the 72 Cutlass into his shop about 6 months before the homicide. It needed a starter. They had to push it to the shop. Also JJ had brought a white Honda to his shop and was to install a system. Orlando said he told JJ it would be 200.00 to install.

3-13-01 Orlando Emery called me back, after we visited this date. He left me a message on voice mail. He said we needed to talk to Tony Ponder, Lawrence Kaukindal?, Kenneth Barrington. Orlando's numbers: work 842-2459 and pg. 560-3664. Called Orlando again 3-15-01, and he said these are guys that hung out with Kermit at his shop. They might know something.
