I unsubscribed. I believe the documentary more than I believe a man who married a woman who has been accused of murdering her last husband. You don't even pay your workers.

Figlio Joe

Carole is a big fat fucking cunt who killed Don. She wants to be the one and only to keep animals in cages. Fuck you Carole. FUCK PETA and all your other lying bullshit. Howard going down with you for having a helping hand in forging Don's documents. Get ready to spend time in a cage Carole. You fuck your volunteers while you make millions. You say it goes to animals when you make doubled than what you spend on caring for the animals. You're a greedy ass fucking lying cunt and karma is working its way towards you so get ready. Throw your bike out cause you're not gonna be seeing all your cool cats and kittens soon
